## Your C. of C.

By Ruth Hill Yeargan

**A REMINDER**  
All members of the Chamber of  
Commerce are reminded to mail in  
their ballots for new directors in  
time for the office to receive them  
by Monday noon, Nov. 16.

**NOMINATING COMMITTEE MEETING**  
... is set for Tuesday afternoon,  
Nov. 17 at 3:00 at this office to  
count the ballots and declare the  
new directors.

**CALLING ALL DIRECTORS**  
A call meeting of all directors  
will be held on Thursday night,  
Nov. 19 at the Chamber of Com-  
merce, for the purpose of electing  
new officers.

**DATES TO REMEMBER**  
Dec. 3-4-00. Arctic reindeer  
and Santa Claus.  
Dec. 11-7:00. Annual banquet.  
Dec. 12-6:00-9:00. Santa Claus  
Workshop (candy and balloons  
for each boy and girl).

**WELCOME TO NEWCOMERS**  
The Chamber welcomed in Octo-  
ber these new resident families:  
G. W. Gardner, R. E. Eledsoe,  
L. V. Gully, Joan F. Greenwood,  
M. J. Reese, William Rymer, Paul  
Issacs, J. E. Mardin, J. E. Mitchell,  
Sterling Patterson, Mrs. Earl Col-  
lins.

**MORNING MAIL**  
We are fascinated with folders  
received today on the 28th Interna-  
tional Fair in Brussels on the 24th  
of April through May 9. This is a  
fair with exhibits from all over the  
world. If you are planning to go  
abroad, it will be the thrill of a  
lifetime to take in this fair.

We quote: "The Membership Card  
issued free of charge to persons  
coming from abroad carries entitle-  
ment to a free visa on his passport,  
to the reductions granted by steam-  
ship, aeroplane and railway com-  
panies and the Foreign Buyer's  
badge. This badge entitles the hold-  
er to permanent entry to the Fair,  
and to the use of the Buyers Foyer  
with reception, reading and writ-  
ing rooms, documentation services,  
stenographers and interpreters."

All the information isn't in the  
Texas language, so we cannot read  
it all, but we can make out enough  
to know that it is going to be some  
show whether you are a buyer or  
not.

Oh yes, and one more thing: They  
offer 90,000 square meters of park-  
ing ground next to the Fair.

Iowa Park has two industries  
that have markets abroad, to them  
we will send these colorful folders  
and hope they will make the trip  
some day and bring us back a re-  
port.

**CHEST X-RAY SURVEY**  
Report shows 570 persons availed  
themselves of the opportunity for  
a check-up.

**ELECTRA C OF C**  
Tickets for the Electra Chamber  
of Commerce banquet may be pur-  
chased at the Iowa Park C of C.  
Banquet is set for Nov. 17. Speaker  
will be Sen. Lyndon Johnson.

Joe Clingman was able to be in  
town Thursday after receiving  
emergency treatment at the Clinic  
hospital in Wichita Falls following  
a collision between his motorcycle  
and a car west of Iowa Park school  
Tuesday afternoon. Joe received a  
broken nose and wrist.

Members of Wichita county Home  
Demonstration clubs paused during  
a recent tour of the county to have  
their picture made. The women  
visited eight homes and had lunch  
at Perkins reservation. When the

above photo was made they were  
at the Ralph Swinford home near  
Friberg. Purpose of the tour was  
to view landscaping projects of spe-  
cial interest.

Iowa Park women who made the  
tour included Mmes. A. H. Estes,  
A. E. Salley (county president), C.  
H. Bowman, Mae Gunn, Lester E.  
Brooks, H. B. Jones, Ray I. Low,  
John Wesley and L. F. Miller.

### Post Office Seeking Lease Proposals

Proposals are being solicited,  
to be received in the office of Post  
Office Inspector J. E. Cauley at  
Fort Worth up to and including  
Dec. 6, to furnish quarters suitable  
for post office purposes at Iowa  
Park under a lease subject to the  
standard form of lease used by  
the Post Office department at a  
stated price per year, for a term of  
five or ten years from April 10  
next.

Floor space of about 2000 square  
feet is desired.

Important considerations are a  
reasonably central location, good  
daylight, and accessibility to rear  
or side entrance for mails.

General building requirements  
and form of proposal, together with  
information concerning the provi-  
sions of the lease, may be obtained  
from Postmaster Pete May or the  
inspector whose name and address  
are indicated above.

Diagram of the rooms offered,  
showing inside dimensions, offsets,  
doors, windows, etc., and any ad-  
joining ground for light areas, drive-  
ways or parking areas, must be  
submitted with the proposal. Propo-  
sitions may also submit photo-  
graphs of their property and its  
surroundings if they so desire.

The Post Office department re-  
serves the right to reject any or all  
proposals, to negotiate further with  
proponents for better terms, or to  
endeavor either before or after the  
closing date above indicated to se-  
cure offers on suitable properties,  
in addition to those submitted in  
response to this notice.

Proposal without fuel, light and  
power will be considered.

### Bride-elect Honored at Rehearsal Dinner

Miss Eva Nell Clements, bride-  
elect of Leo Cook of Wichita Falls,  
has been complimented with several  
pre-nuptial gift showers and a spin-  
ster party this past week.

The young couple were honored  
guests at an informal buffet dinner  
in the home of her parents Mr. and  
Mrs. L. S. Clements. It was held  
in connection with the rehearsal  
for the wedding, which is to be an  
event of this Thursday evening,  
Nov. 12, at 8:00 in the Church of  
Christ, North 9th and North Broad-  
way streets, Wichita Falls.

Pink and green, the colors chosen  
by the bride-elect for her wedding,  
were given emphasis in decorations  
for the party. The meal was served  
buffet style from a table centered  
with an arrangement of pink chry-  
santhemums combined with green  
leaves. Candles were featured in  
flanking positions. Guests were  
seated at quartet tables centered  
with small arrangements of the  
blossoms and foliage.

The invitation list included the  
wedding party and members of the  
two families.

Miss Clements is the daughter of  
Mr. and Mrs. L. S. Clements of Wi-  
chita Valley Farms and Mr. Cook  
is the son of Mrs. Vada Cook of  
Wichita Falls.

Mr. and Mrs. Den James and  
daughter Donna are now making  
their home in Iowa Park. They are  
living in the house on Kamay road  
recently vacated by Mr. and Mrs.  
Billy Dean James. Don recently re-  
ceived his discharge from the army  
and plans to enter Midwestern uni-  
versity the spring semester.

### AMVETS to Grant College Scholarship

The AMVETS will award a 4-year  
\$2,000 college scholarship in this  
AMVETS district to a student whose  
father is a deceased or disabled  
veteran of World War II or Korea,  
Richard R. Phillips, Iowa Park,  
commander of the State of Texas,  
announced this week.

The scholarships will be granted  
by the AMVETS National Service  
Foundation, Commander Phillips  
explained.

The scholarships provide each  
winner with \$500 per year for four  
years of undergraduate study at  
any accredited college or univer-  
sity. Ability to succeed in college  
and financial need will determine  
the winners from applicants whose  
fathers fit into one of the following  
four categories of World War II—  
Korea veterans: deceased—service-  
connected or post-discharge, or per-  
manently and totally disabled—  
service-connected or post-discharge.

All applicants for AMVETS Mem-  
orial Scholarships must be spon-  
sored by AMVETS posts, Com-  
mander Phillips explained. Inter-  
ested students who will be gradu-  
ated from high school at the close  
of the 1954 spring semester are  
requested to contact Richard R.  
Phillips, Box 966, Iowa Park, Texas,  
before January 1, 1954.

### 4-H CLUB STUDIES BEDROOMS

Miss Meads, county agent's office,  
showed some movies of bedrooms  
arranged by boys and girls at a  
recent meeting of the Iowa Park  
4-H girls. Barbara Williams, pres-  
ident, told about the awards banquet  
at Midwestern.

### Three Guests Discuss 'Lasting Peace' Before Community Day Crowd

The World Community Day pro-  
gram sponsored by the Iowa Park  
Council of Church Women was ob-  
served Friday afternoon in a meet-  
ing at the Methodist church. Mrs.  
K. P. Abernathy, chairman of the  
world relations department, was in  
charge of the program.

"Building Lasting Peace" was the  
theme of the programs observed  
by church women throughout the  
nation.

Mrs. G. E. Trammell served as  
worship leader and Mrs. John Mix-  
on furnished organ music.

Three outstanding guest speakers  
presented the program. They were  
Chaplain Robert Gentry, Lt. Geo.  
Wilson, SAFE, and Frank Pal, a  
Czecho-slovakian now an instructor  
at Midwestern university.

Lt. Wilson, a graduate of Minne-  
sota, discussed "Economic Causes  
of War and Important Economic  
Factors in Building Lasting Peace."  
In consideration of points contrib-  
uting to war, he gave ideas of the  
pacifist, biologist, psychologist,  
historian and communist, to show  
the diversity of opinions. Among  
the economic causes Lt. Wilson  
listed tariffs, immigration laws,  
poverty and legislation which puts  
economic pressure on any country.  
He advocated establishing of an  
international arbitrating society to  
bind nations together as an impor-  
tant step toward building lasting  
peace.

Mr. Pal came to the U.S. from  
Czechoslovakia three years ago and  
still speaks broken English. Hav-  
ing seen communism plunge its  
poisonous fangs into his native  
country, he spoke with deep con-  
viction on the dangers of commu-  
nism. "Don't fear the Russian, fear  
the communist. He doesn't love  
God, he doesn't love truth. You can  
not believe him," he said.

"Pray not only for peace, but  
pray to know communism, then you  
can fight it," he continued. Pal  
said that he is happy in the U.S.  
because here he has found free-  
dom. In contrast to the freedom of  
speech enjoyed in this nation, he  
reminded the audience that 30 mil-  
lion people were gradually dying  
in Russia and Siberia because they  
had dared to say "I don't like  
Stalin."

"Man is always the seeker and  
his goal is always happiness. War  
is the biggest obstacle to happi-  
ness," stated Chaplain Gentry. He  
said further that the solution to  
the problem of war could not be  
found in the approach of science,  
history, politics or sociology, but  
rather through individuals who re-  
cognize that all men were created  
by God in his own image. Individ-  
uals are faced with the responsi-  
bility of weeding out of their per-  
sonalities hatred, fear, suspicion  
and prejudices, and of developing  
children on seeds of love, Gentry  
said.

Following the program, gifts for  
the Helps for Home project were  
brought to the altar for dedication.  
The articles which included towels,  
wash cloths, sheets, blankets, etc.,  
will be sent to a Church World  
Service center for distribution to  
overseas refugees. An impressive  
feature of the service was the  
bringing of 304 gaily colored wash  
cloths and 14 towels by representa-  
tives from each grade of the ele-  
mentary school. Rev. Guy E. Per-  
due offered the dedicatory prayer.

Mrs. Rollins Webdall, council  
president, explained that the offer-  
ing taken would be spent for ar-  
ticles to make more comfortable  
tents and barracks where refugees  
live. Mmes. John E. Barbour, C. J.  
Thurber and D. O. James served  
as ushers.

A vocal solo by Mrs. Chester E.  
Gleason was the final program  
number. She sang "How Beautiful  
upon the Mountains."

Rev. Guy E. Perdue, pastor of  
the Methodist church, will deliver  
a sermon "An Everlasting Founda-  
tion" at the evening worship hour  
at 7:00 next Sunday when mem-  
bers of the local Odd Fellows and  
Rebekah lodges and their families  
are special guests.

**Bake Sale and Party Planned**  
The JOY class of the Methodist  
Sunday School will conduct a pie  
bake sale at Parker's Food store  
in Iowa Park, Wednesday morning,  
Nov. 18. The next evening at 7:30  
the class will have a party at the  
church.

### Mrs. Barbour Thanks Helpers in X-ray Clinic

The following open letter is from  
Mrs. John E. Barbour, who served  
as general chairman for the an-  
nual Chest X-ray check-up held in  
Iowa Park, Nov. 7:

Dear Fellow Citizens:  
I take this means to express  
my personal pleasure and apprecia-  
tion for the fine co-operation from  
all of the clubs and civic organiza-  
tions of Iowa Park in their support  
of the annual Chest X-ray check-up  
on Nov. 7 at the Metz Appliance  
Store; and the Iowa Park Herald  
for its generous donation of space  
given to notices.

It is a thrill to report that there  
were 570 x-rays made in Iowa Park.  
This, of course, does not include  
those who had been x-rayed at their  
places of employment in neighbor-  
ing areas.

Short people were x-rayed as well  
as some extra tall and broad should-  
ered men.

Two citizens over 90 years of age  
continued their lifelong habit of  
"setting example" for the things  
they believe in, by having their  
 chests x-rayed. They believe that  
the health of our community de-  
pends upon each individual feeling  
his responsibility to discover any  
ailment as early as it can be de-  
tected. They know that early care  
reduces the time needed for hospi-  
talization, and may prevent drastic  
surgery being a part of the re-  
covery treatment for tuberculosis.

Most of us felt well and hesitated  
to have the x-ray made, but we  
knew that if there was only ONE  
case of tuberculosis discovered, the  
day had been well spent.

When x-ray check-up time ar-  
rives next year, I beg you to con-  
sider your opportunity for this ser-  
vice just another part of your social  
security to your community, your  
neighbors and the younger mem-  
bers of your family.

**New Walk Installed On North Yosemite**

If you haven't walked around on  
the west side of the business block  
between Cash and Park, you should.  
The City of Iowa Park has laid  
a new sidewalk between Park and  
the alley. It has an incline instead  
of so many steps which were a  
hazard and dangerous to use, espe-  
cially in rainy or icy weather.

Several have called to express  
their gratitude for this improve-  
ment.

Which reminds us, when nice  
things are done for our commu-  
nity, why can't we express our  
thanks a little more? It doesn't  
take but a few minutes to let the  
people know how much we appre-  
ciate the nice things done in our  
community.

It really inspires people to work  
a little harder.

Mr. and Mrs. Dale Hansard an-  
nounce the birth of a son Clinton  
Dale, Sunday, Nov. 1, at the Wi-  
chita Falls Clinic hospital. Mrs.  
Hansard is the former Miss Juan-  
nelle James.

**Eight Hawks Play Last Home Game, Blast Holiday Eagles, 34-12**

Last Friday night, playing their  
last home game for the Green and  
White, eight seniors helped the I-  
owark Hawks blast Holiday, 34-12.

Boys who will complete their eli-  
gibility in the Chillicothe game  
Friday afternoon are Leonard Luck-  
ett, Claburne Lindley, Jim Martin,  
Mickey Sewell, Cecil Marquart, Loyd  
Lewis, James Williams and Dale  
Girard.

The Hawks scored first in the  
opening quarter on a sustained 52  
yard drive, after Marquart inter-  
cepted a Holiday pass. With Cle-  
ments, Fenner and Williams carrying,  
the Hawks moved to the Eagle 18  
where Fenner took over for the  
touchdown. Clements notched the  
conversion over the middle.

In the second stanza after a beau-  
tiful pass from Sewell to Lindley,  
the Hawks scored TD No. 2 as  
Sewell slipped over from the 2.

George Clements scored the 3rd  
touchdown after setting it up with  
a 26 yard run to the 8. Williams'  
kick was good, to make the score  
20-0 at halftime.

Holiday kicked to start the 3rd  
quarter and the Hawks used only  
nine plays to cover 66 yards for  
another marker, with James Fen-  
ner romping the final 31 yards in  
one play. Williams brought the  
count to 27 with another good kick.

Two long runs for touchdowns  
in the 4th quarter by Holiday's  
elusive Jack Erwin kept the Eagles  
from a whitewashing.

### TB Unit Secretary Reports on X-ray Clinic Held Here Saturday TO THE EDITOR:

Thank you for all the stories and  
the wonderful publicity you gave  
to the recent Chest X-ray Survey.  
Really, considering the weather and  
the fact that all the school children  
were participating in the Midwest-  
ern homecoming, I think we did a  
remarkable job.

You undoubtedly saw the story in  
last Sunday's newspaper that the  
total number of persons x-rayed  
was 13,793? This is our biggest sur-  
vey and it is a sign of progress,  
although I am never satisfied as  
long as people refuse to take two  
or three steps to get an x-ray. This  
means one thing: More education  
is necessary.

As soon as we receive an analysis  
of the findings I shall send you  
that information. Out of so many  
x-rayed, we are bound to have found  
some new and unsuspected cases.

You are certainly to be congrat-  
ulated on having such a capable  
and charming person as Mrs. Tay-  
lor George on your staff. She did a  
magnificent job of getting the peo-  
ple "in."

My kindest wishes to you all.  
Sincerely  
Margaret Hall

losis Association

Katy Merle Sumrall from Iowa  
Park (seated) were runners-up in  
an election for Homecoming Queen  
conducted recently at Midwestern  
university. They are shown above  
with Queen Rosemarie (left rear).  
The runners-up acted as attendants  
at formal coronation ceremonies  
last Saturday in Wichita Falls.

Other Iowa Parkans who rode  
in the parade were Mrs. M. J. Mc-  
Donald and Franklin Farmer. The  
Hawk band was also in the parade.

**PTA TO SPONSOR EYE CLINIC**  
The local PTA will sponsor an eye clinic to be held in Iowa Park schools Thursday, Nov. 12. All students will be eligible to participate. Five doctors from Wichita Falls have volunteered their services for the clinic. Members of the PTA will assist.

## Big Business

Running a home is hard work. Planning meals, washing, cleaning, mending, taking care of the children with time out for civic duties can add up to a fifteen hour day for Mother.

But there is one thing that will make her work a lot easier, Dad. Give her a checking account so she can pay her bills by mail. Saves a lot of time and you'll find it pays off in better control of expense. Try it!

From where I sit... by Joe Marsh

**Sheriff's "Push" Pulls a Vote**

Was talking with our newly elected Sheriff Williams the other day. He told me about a fellow who stopped by his place late one night just before election.

"Heard a knock at the door," he said. "Fellow I never saw before. Told me his car went dead down the road and would I give him a shove. My boy, Flip, and I went out to his car with him. We're all set to push when he steps on the starter and the motor turns over."

"Well, Flip and I just stood there when the fellow leans out

the window and says, 'Just wanted to make sure you're the right man to vote for.'"

From where I sit, the fellow who's quick to lend a hand makes any community a better one. But you don't have to run for office to prove you're a good neighbor. One way I know is just to have a little regard for the other fellow. Whether your neighbor likes beer or buttermilk, don't try to push him to your choice. Just give him your vote of confidence.

## JUNIOR NEWS

Well here we are again with the Jr news from dear old IPHS. Jrs are anxiously awaiting arrival of the Jr Pin man, who will be here soon.

We were all proud of our Homecoming Queen and her attendants, and I'm sure everyone who saw it thought the coronation was beautiful.

Congratulations, Hawks, on winning the game last week. Everyone be sure and go to Chillicothe, Friday to see the Hawks trample the Chillicothe Eagles.

If anyone has any old papers or books to be picked up Saturday, call Ralph Brown at 4621.

Don't be alarmed if the Jrs act a bit weird the rest of the week. They've just been to see "Bell, Book and Candle" at Midwestern.

Has anyone seen Dennis hiding behind doors lately?

Barbara J., how did you enjoy twirp week?

Lloyd, who was that girl you were hiding from the other night. Could it have been a Soph?

I hear Don McLaughlin was seen with a cute little Wichita girl last Saturday night.

Has anyone noticed the color of Eva Jo's, Judy's and Goldia's hair lately? Say, Goldia, will Jimmy like it?

Snow Ball Crawford quit school to get married, so the Jr class had a meeting Tuesday morning and selected Janice Patterson to be reporter.

That adds up to 30 for this week. —Jan

## DISCIPLES

The Christian Women's Fellowship met in the home of Mrs. Forrest Bates, Monday, Nov. 9. An interesting program, "The Cup of Water," about Mexican Christian Institute in San Antonio, was led by Mrs. C. H. Bowman and presented in the form of a radio broadcast.

# Improved again! Now the BEST gasoline in Texas is even BETTER!

No. 1 in Texas

by a wider margin than ever

A few weeks after the Japanese surrender in World War II, the Humble Company introduced a vastly improved Esso Extra gasoline to Texas motorists.

At that time, the Company promised a policy of continuous improvement: Humble told motorists that Esso Extra would never take second place in quality.

That promise has been kept. Improvement of Esso Extra has been continuous. Statewide, Esso Extra has consistently led other Texas gasolines in quality. Statewide, Esso Extra has been No. 1 in quality every year.

And now, because Texas motorists driving modern automobiles have learned that Esso Extra gives them extra performance, Esso Extra is also No. 1 in sales.

The improvement in the quality of Esso Extra announced by this advertisement is substantial—it is a major improvement. It places Esso Extra far ahead of other gasolines in the qualities that are reflected by performance in your car.

Today, Esso Extra gasoline is No. 1 in Texas by a wider margin than ever before.

Esso Extra gasoline, statewide, has consistently led all other Texas gasolines in quality; now, new improvements have widened the margin between Esso Extra and the rest: *Humble Esso Extra has no equal throughout the state of Texas.*

Tests prove Esso Extra's superior quality!

There are three qualities of a gasoline that are brought out in the performance of your car. In all these three qualities, Esso Extra leads.

Extensive and continuous laboratory testing of Esso Extra and other gasolines proves Esso Extra's superior qualities, and these laboratory tests have been confirmed by road testing in specially equipped automobiles.

**Esso Extra leads in anti-knock performance:** In today's automobile engines, with their high compression ratios, anti-knock performance is the most noticeable quality of a good gasoline. There is no substitute for this quality. Only a gasoline with a high octane rating—that is, high anti-knock performance—burns so evenly and completely that it transfers all the usable energy from the gasoline to the pistons. When your car's engine pings or knocks, you're losing power. Esso Extra has the highest anti-knock performance in Texas.

**Esso Extra leads in power:** High anti-knock performance assures more power. Since Esso Extra has the highest anti-knock performance in Texas, it gives you more power than any other Texas gasoline. This

conclusion has been verified by special laboratory testing equipment which actually measures the power delivered by a gasoline burning in an automobile engine. Road tests by both Humble technicians and independent research facilities have confirmed the laboratory tests. Your car will develop extra power when you use Esso Extra.

**Esso Extra leads in quick starting:** In comparative tests with other gasolines, Esso Extra's quick starting characteristics were rated "Excellent," while those of other popular gasolines ranked from "poor" to merely "adequate." When you use Esso Extra your engine starts at almost the instant you press the starter button. But quick starting is more than a convenience. It saves gasoline, and it prevents gasoline dilution of the crankcase oil. If you use your car mostly for town driving, you will specially appreciate Esso Extra's quick starting qualities.

**And for good measure, Esso Extra contains a patented solvent oil:** This oil is not a lubricant. Its purpose is to dissolve the gummy substances that collect carbon on top of pistons and under valves, and thus help to prevent carbon deposits in the upper parts of the engine.

See for yourself—test Esso Extra in your own car

Esso Extra will give you the same results obtained by researchers when you test it in your car. Its quality is so superior that you will notice at once that Esso Extra gives you extra quick starting, extra anti-knock performance, extra power.

You'll discover that you enjoy your car more, that it runs better, that you're getting—at last—the performance you expect from a modern automobile. No other gasoline can duplicate Esso Extra's performance in your car, because no other gasoline matches Esso Extra's quality.

Fill up with improved Esso Extra gasoline at any Humble sign—it's the same extra performance gasoline at every Humble sign.

**WICHITA COUNTY SCHOOLMASTERS CLUB**

The Wichita County Schoolmasters club held its monthly meeting in the cafeteria of Iowa Park High School, Wednesday night, Nov. 11. Approximately 90 school administrators of the county attended.

After a dinner, the group was entertained by the Melody Maids of Iowa Park under direction of Mrs. Maude Owens.

A panel discussion was conducted by members of the Wichita Falls chapter of the Future Teachers of America.

**PTA MEETS**

The Iowa Park PTA held its regular meeting in the high school auditorium Wednesday afternoon, November 11. After the business meeting, Rev. M. C. Yeagan presented the devotional. A skit with Thanksgiving theme was presented by the 4th grade. Keith D. Swim, superintendent of schools, spoke to the group on the theme "Education for What?"

Mrs. John Wesley presided during the business session. Mrs. Miles Thompson, membership chairman, reported 124 members. Mrs. D. O. James, program chairman, said that yearbooks and membership cards have been mailed to members.

Mrs. R. E. Waters, health chairman, announced that the eye clinic will be held Thursday morning at the school.

Monday night, Dec. 7, was selected for the "Waist and Neck Party."

Mrs. Lowell Short was named delegate to the state convention in San Antonio.

Room prizes were awarded to Mrs. Lizenby's 2nd grade and to the 10th grade.

**PLEASANT VALLEY**

By Miss Mabel Noland

Pleasant Valley folk are rejoicing over the good rain and cool weather the good Lord has sent.

Last Monday night 35 young people and their leaders met at the church for study and worship.

Rev. and Mrs. L. H. Hood have returned from a vacation in Arizona, bringing home with them their daughter and granddaughter Mrs. Wilson Welch and Ruth Ann. Recently 35 members met at the church for study and then went to the Intermediate chapel for a surprise birthday party honoring Mrs. Hood. "Happy Birthday" was sung. Louise Lewis played the piano and Charles Simpson led the song.

Mrs. J. A. McDonald, WMU president, presented the presents. Mesdames Elbert Lemons, Leonard Boren presided at the punchbowl; W. M. Mathis, W. Oscar Simpson cut the cake; and J. A. McDonald at the coffee urn. Mrs. Wallace Jeffres baked the birthday cake.

Max Beck is improving rapidly from an operation.

**Korean Vet Returns**

T-Sgt. G. E. Nichols, who has served in the air force in Korea for the past year, returned to the States last week and was met in Amarillo by his wife, the former Miss June Robinson, last Tuesday. On his arrival in Iowa Park he met his small daughter Kathi Jo, for the first time and was greeted by a big smile from her.

**Wichita Mayor Describes Atomic Bomb Blast for 23 Study Club Members**

A graphic account and films of the first of ten recent nuclear tests staged at Las Vegas, Nev., constituted the program for a meeting of the 23 Study club Thursday afternoon, Nov. 5. Theme of the program was "Preservation of Our American Heritage through Civil Defense and Communications."

The meeting was held at the home of Mrs. John E. Barbour with Mrs. Taylor George sharing hostess duties.

Mayor Kindel Paulk of Wichita Falls was guest speaker for the meeting. Mr. Paulk was among the 300 civilians invited from all parts of the nation to witness the first atom bomb test and to observe its effects. Stationed seven miles away from the zero point, the speaker asserted that the explosion was blinding to spectators in spite of the fact that they wore goggles.

He compared the terrific sound to the crack of a giant bullwhip. Mr. Paulk said among the most surprising results of the test of the atom bomb, which was a small one equal to 15,000 tons of TNT, were the facts that it was seen 400 miles away, pictures were taken of it at a distance of 150 miles, and the evaporation of the 500 foot bomb tower.

"One of the most gratifying things about the test was the discovery that radio activity contamination dissipates more rapidly than was first thought," stated the speaker.

Mr. Paulk showed films of the explosion which formed the typical mushroom shaped cloud as it rose to a height of 40,000 feet within a few minutes. Among other interesting pictures were those of the atomic capability planes, the servicemen who took part in the test, and the decontaminating process of planes after they have been in an atomic test.

Mr. Paulk said that Wichita Falls is considered a secondary critical target area within a five state territory. He told of the necessity of organizing for disaster relief in every community.

Mrs. Sam Hill was program leader for the afternoon.

Following the pledge of allegiance led by Mrs. R. R. Brubaker, Mrs. Carroll Duke contributed the meditation in keeping with the spiritual emphasis given to each program planned for the club year.

Reading favorite verses from St. Mark and Hebrews, Mrs. Duke showed that faith in God is the remedy for fear which grips the hearts of young and old alike.

During the business, Mrs. James A. Sewell was in charge. Mrs. Taylor George presented a first place certificate to the club which was an award of the American Art Week contest in 1952.

Mrs. Dave O. Harbour, district forest and recreation chairman, urged club members to co-operate with the Chamber of Commerce in the planting of trees project. She further suggested that the club visit one of the national parks located in Texas sometime during the year.

Club members approved three leaders for the Cub Scouts. These were Rollins Woodall, cubmaster, James A. Sewell, assistant; W. R. Pastusek, institutional representative.

Announcement was made of the district workshop to be conducted in Mineral Wells, Nov. 19. Mrs. Homer Blalock, district Bible chairman will conduct the devotional at the meeting.

The home of Mrs. Barbour was artistically decorated with bouquets of chrysanthemum in autumnal hues. Refreshments were served to 21 members.

Mrs. S. B. Keeter was in Iowa Park, Monday with Mr. Keeter house hunting. He plans to move the family here as soon as they can get located.

**ESA Members Entertain Two Wichita Groups**

Epsilon Sigma Alpha sorority met Tuesday evening, Nov. 3, at the home of Mrs. Charlie Coppock. The local chapter was host to two visiting sororities from Wichita Falls. Eighteen members from the visiting chapters were present.

During the business session it was decided that Epsilon Sigma Alpha would buy a bond to help with the Christmas seal fund.

Program for the evening was presented by Marilyn Chandler and Bobbie Coleman. Their guest was Mrs. Roberta Palmer, representing the Luzier cosmetic company in Wichita Falls. Mrs. Palmer presented each member a sample of cologne. She discussed the proper use of cosmetics and made a demonstration on Bobbie Mitchell.

Hostesses were Mmes. Tommy Sims, John Clapp, Joe Chandler, Jesse McCullough, Leslie Clapp, Carl Davies, Glenn Scott and Miss Raydean Brown.

Refreshments were sandwiches, potato chips, olives, pickles and cokes. The napkins were white with the ESA symbols on each.

Each member of Epsilon Eta chapter brought canned food to make up a box for a needy family. This was one of the sorority's projects for the month.

Welcomed back to the organization was Jeanine Parish, a former member who has moved back to Iowa Park.

Local members present were Miss Raydean Brown and Mmes. Orville Bell, Alan Berry, Joe Chandler, John Clapp, Leslie Clapp, Jack Coleman, I. W. Corder, Johnny Crawford, Carl Davies, Bryan Ferris, W. A. George, Pete Guthrie, Wayne House, Jesse McCullough, Bud Mitchell, Ted Overbey, Lee Perry, Rollin Roberts, Glenn Scott, Tommy Sims, Ray Watson, Johnny Cole, Burk Scott, Louie McCarthy, Ray Rutherford, John Parish and the sponsor Mrs. Charlie Coppock.

**Future Homemakers Have Style Show**

The local chapter of Future Homemakers of America observed National FFA Week, Nov. 1-7, with a party last Thursday after school at the home economics cottage. Second and third year classes entertained the two first year classes with a style show and original hat contest. Refreshments were served to 45 girls. On Saturday the local chapter

sent representatives to the district FFA meeting in Vernon, where Tena Adams participated in a panel discussion on high school relationship. Attending the meeting were Henriann Zaliski, Sharon Reed, and Miss Oleta Curlee, chapter adviser. Chapter officers for the year are June James, president; Sandra Fenner, vice-president; Josette Hensley, secretary; Sharon Reed, reporter; Anita Thompson, Violet Frost, Henriann Zaliski and Barbara Johnson, class chairmen.

**Soil Conservation**

Supervisors of the Wilbarger-Wichita-Soil Conservation district held their regular meeting Nov. 4 at the Electra State bank. Attending were Fenton Duke of Iowa Park, chairman, Henry Vaughn of Burk Burnett, Jack Walker of Electra, G. A. Shivers of Thalia and William A. Bond of Vernon, all members. Norman Duke and Bob Haganman of Burk Burnett FFA also attended.

Mr. Daves, certified public accountant from Wichita Falls reviewed the audit with the board, which was accepted. Perry Phillips, vocational agriculture instructor at Iowa Park, was appointed as custodian for district equipment, replacing George Lewis, who desired release from his custodianship. All farmers needing combination fertilizer grain drill, manure spreader or grass seed drill should contact Phillips.

Winter cover crops are doing well on large acreage. Albert Brockstede of Electra is getting good grazing from a mixture of Dime Wonder and Austrian Winter Peas. Ray Hirsch farming east of Punkin Center has 79 acres of alfalfa that is furnishing good grazing for cattle. Richard Fritsche farming Oberhaus and Foster land has a good cover of peas. Elwood Haynes of Punkin Center has another good field of peas.

The supervisors recognize the assistance given by Allen Dale Kemple in promoting a good cover crop program in the Electra area. He keeps a record of all legume seedlings and their fertilizer applications, frequently visits the seedlings and is conducting field trials on rates of fertilizers to apply.

**Presbyterians**

The Women of the Presbyterian church met Monday afternoon with Mrs. C. E. Birk, Mrs. L. Shelton, president, called the meeting to order.

Miss Clara Lowrance taught the lesson from the study book "Portraits of the Master." Subject was "Jesus the Divine Sacrifice for Sin," using the scripture Mark 15:1-39, 10:45.

Mrs. Shelton conducted the business session. At this time Mrs. J. B. Ridenour, member of the nominating committee, presented the name of Miss Mina Troutman for secretary to fill the unexpired term of Mrs. C. E. Birk, who was elected president at the last meeting. Miss Troutman was unanimously elected. They were both elected for the year of 1954.

After the nuptial benediction the hostess served refreshments to Mesdames L. F. Miller, K. P. Abernathy, R. P. Caruso, L. Lovelace, A. C. Weiss and Peggy, J. B. Ridenour, P. L. Emanuel, Locke Lowrance, Lucy Birk, L. Shelton, B. A. Braud and Cindy Judy and Becky and Beverly Birk; and Misses Mina Troutman and Clara Lowrance.

**SENIOR NEWS**

Last week I mentioned having something new in our news this week. We're going to give you a little info about each Sr by taking two each week.

We'll begin with Larry Allen Lee, son of Mr. and Mrs. L. A. Lee of this city. Larry was born in Iowa Park on August 12, 1935. He began his education in Sept. of 1940. He says his ambition is to get out of high school. Larry's big blue eyes and blond wavy hair seem to make him popular with his high school mates. His hobby is all kinds of sports. Larry ran track for three years, played basketball for the Hawk team for four years, and played basketball for three years. In his freshman year Larry was runner-up

**WSCS**

The study of Spanish speaking Americans in the USA was concluded Tuesday, Nov. 10, at 3:30 a.m. in the Methodist church. Mrs. E. B. Taylor read the opening scripture and Mrs. Richey Abernathy offered prayer. Mrs. Travis Smith, instructor of the course, gave a summary of work covered in the first three sessions. She emphasized the fact that the Puerto Ricans are not immigrants but citizens of the U.S. She also conducted a roundtable discussion on our Spanish speaking friends. Mrs. W. E. Stockton and Mrs. Miles Thompson told what is being done to aid Spanish speaking Americans by the different agencies in the church. They include clinics, hospitals, schools, homes and Wesley centers. A contribution will be sent to Holding Institute, a training center for Latin Americans at Laredo. Others attending the study session were Mrs. J. N. George, S. L. Denny, Fred Widmoyer, A. D. Butcher, Della Craft, D. O. Smith, W. M. Owens, Scott Morris, C. J. Thurber, Will Spruill, G. E. Trammell, Guy Perdue, Gene Owens, Harry Hadley, Bud May, Dave Harbour, John Mixon.

The Hawks did a nice job smashing the Eagles. Besides the football game, Rube got crowned. I thought we'd have to carry Donald off the field.

Since the Hawks play their last football game Friday afternoon, we'd like to urge everyone to go to Chillicothe to see this little event. Game time is 2:30. You'll have to admit the Hawks have done quite well. Thanks to coaches Averitt and Corbett.

The study of Spanish speaking Americans in the USA was concluded Tuesday, Nov. 10, at 3:30 a.m. in the Methodist church. Mrs. E. B. Taylor read the opening scripture and Mrs. Richey Abernathy offered prayer. Mrs. Travis Smith, instructor of the course, gave a summary of work covered in the first three sessions. She emphasized the fact that the Puerto Ricans are not immigrants but citizens of the U.S. She also conducted a roundtable discussion on our Spanish speaking friends. Mrs. W. E. Stockton and Mrs. Miles Thompson told what is being done to aid Spanish speaking Americans by the different agencies in the church. They include clinics, hospitals, schools, homes and Wesley centers. A contribution will be sent to Holding Institute, a training center for Latin Americans at Laredo. Others attending the study session were Mrs. J. N. George, S. L. Denny, Fred Widmoyer, A. D. Butcher, Della Craft, D. O. Smith, W. M. Owens, Scott Morris, C. J. Thurber, Will Spruill, G. E. Trammell, Guy Perdue, Gene Owens, Harry Hadley, Bud May, Dave Harbour, John Mixon.

The recognition of the Agriculture Department may be a death dealing blow to the Watershed Development Pilot Areas for which the federal government recently appropriated \$10,000,000. The Pilot Areas were to be trail areas to fully determine the effect of proper watershed management upon streams subject to flood. Fifty of the areas would have been set up, at least one in each state. Once in operation the demonstration areas would undoubtedly prove effective. They were the first nationwide attempt to control floods where they begin, on the land where the rain falls. At this time work is still going ahead on some plots but the reshuffling of the Soil Conservation Districts could still prove disastrous.

**DOLLARS AND FISH**

State after state is embarking upon surveys and fish restoration projects. Some of the reports are being published and the figures which can be placed upon sport fishes are astounding. Most recent is the report of an Oregon survey on the value of that state's fishing recreation.

"The recreational value of such a fishery is immeasurable and the economic value is imposing. From \$6,980,000 to \$8,980,000 were spent in 1951 by an estimated 85,465 anglers fishing for salmon and steelhead in Oregon."

**BRIGHT IDEAS**  
For Improved Bedroom Lighting  
Personally yours... your bedroom. The haven in your home where you rest and prepare for the day's activities should have the lighting that does the most for you, and for the room itself.  
side table should hold a reading lamp that sheds the proper light on book or paper. Dim or glaring light causes eyestrain and a feeling of tenseness.  
For a restful, new look in your bedroom... for the beauty of the room itself... use soft, indirect lighting concealed in valances and behind mirrors. There is no limit to the charm, pleasure and better seeing you can add to your bedroom with the glow of proper light.  
"See your dealer... stock up on extra bulbs... fill empty sockets with the right bulb for the right place."
