Independent experts and official facts and figures prove Chevrolet's ahead of its field in seven big ways.

BEST BRAKES ... In direct competitive tests of repeated stops from highway speeds, conducted by NAS-CAR*, Chevy out-stopped both the other leading low-priced cars-and why not: Chevy brakes are far larger, built with bonded linings for up to 66% longer life. BEST TRADE-IN ... Check the figures in any N.A.D.A.† Guide Book. You'll find that Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two." BEST STYLE front seat hip room is up to 5.9 inches ... Popular Science magazine sums it wider than comparable cars. BEST class.'

*National Association for Stock Car Advancement and Research

up: "The fact is, in its price class the Chevy establishes a new high in daring styling . . ." It's the only car of the leading low-priced three that's unmistakably modern in every line. BEST ECONOMY ... No doubt about this: two Chevrolet Sixes won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car. BEST ROOM ... Official dimensions reported to A.M.A.‡ make this clear. For example, Chevy

ENGINE . . . Every motor magazine has given Chevy's standard and Corvette V8's unstinted praise. As Sports Cars Illustrated puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price." **BEST RIDE** . . . You'll be able to tell this yourself, instantly. But Motor Trend magazine expresses it this way: "... the smoothest, most quiet, softest rid-
