## THE POWER OF THE GOSPEL

The power of the gospel to save is shown by Paul in Romans 1:16. The completeness of the gospel is shown again in 2 Timothy 3:15,16 where Paul tells us that it thoroughly furnishes the man of God for every good work. We don't need any manuals, disciplines, or creed books, but simply the Bible the word of God. It tells us what to do to be saved in no uncertain terms; it tells us what to do that we might successfully live the Christian life. The Bible reveals all that we need to know about our soul, the church, and salvation. The plea of the church of Christ is a return to New Testament Christianity. The world doesn't need a reformation but a restoration.

A warm welcome awaits you at the
