This year's Greater Wichita Falls Telephone Directory, now serving Wichita Falls, Iowa Park and Charlie, will be expanded to serve Henrietta and Burkburnett. Henrietta now has extended area service, as does Iowa Park. Burkburnett will go to "no long distance calls' service from Wichita Falls this spring.

Henrietta and Burkburnett customers will be listed in the new directory now being made up.

This year's telephone directory will be in full color featuring Midwestern University, commemorating its first year as a state university, which brings about the subject at hand. Did you know for only a penny a day those teen-agers and other members of your household can be listed in the new directory? All you need do is call me at Wichita Falls 723-8811 and I'll take care of the rest.

IDEA FOR THANKSGIVING

In most homes, the highlight of Thanksgiving Day is a family get-together and, of course, a big meal that Mom spent half the day cooking.

Juicy turkey, tasty dressing, and all the trimmings. Yes, a happy occasion for the whole family, and Mom deserves a pat on the back for making it that way.

But is that all? A friend of mine has come up with an idea that really makes a hit at his house.

"Last Thanksgiving," he told me, "as I watched my wife fixing dinner, I felt she deserved a reward. I was wondering what I might give her and then I decided-a Long Distance call. She can talk with her folks."

"Great idea," I said. "How'd she like it?" He smiled. "That Long Distance call was sort of like our pumpkin pie." "How's that?" I asked.

"The whole family enjoyed it."

IT'S SMART TO HAVE A BEDROOM PHONE

I've been noticing that quite a few people in Iowa Park have decided that it's a good idea to have an extension phone in color in their bedroom, and reports I get indicate that lots of our customers in towns throughout Texas feel the same way.

I can understand how they feel, because bedroom phones really are wonderful.

They add beauty to the room, and they give you convenience and privacy during the day and a real sense of security at

Why don't you call the telephone company business office and order one now? Because the sooner you do, the sooner you can start enjoying it.

Call by number. It's twice as fast. SOUTHWESTERN BELL TELEPHONE COMPANY

Independent Insurance Agents Association of Iowa Park

Because of public demand the State Board of Insurance has promulgated the TEXAS SAFE DRIVER INSURANCE PLAN effective January 1, 1960. The Plan provides for reduction in automobile insurance premiums for careful drivers who have had no accident or moving traffic violations for a period of three years, this period being the three years ending 90 days prior to date of insurance policy. Drivers with a record of accidents and traffic violations will be penalized by paying higher premiums and in some cases the penalty can be as much as 100% increase in their premiums.

This PLAN is mandatory and all Insurance Companies and their Agents doing business in Texas must adhere to the rules and rates as promulgated by the State Board of Insurance including the securing of the signed application.

All policies dated after January 1, 1960 will be issued only upon a written application completely filled out and signed by the applicant for insurance. Your Insurance Agents listed below, members of the INDEPENDENT INSURANCE AGENTS ASSOCIATION of Iowa Park, will assist and cooperate with you in the preparation of these applications.

We endorse this policy as a further means of reducing traffic accidents, including injuries, loss of life and property damage.
