Where they used to deliver 2,300 gallons of liquefied petroleum gas in other trucks. Petrolane Gas Service of Long Beach, Colifornia, can now deliver 3,500 gallons a day! That's 7 days a week usually, over back trails and up into high rock country with maximum GVW loads. And with Chevy's Torsion-Spring Ride paving every foot of the way! "You don't get any more jolting on washboard roads than you do in a passenger car, or any

sidesway on curves," says driver Bernie Stone. "I used to take some rough roads at from 5 to 8 miles an hour. Now I can go 30 over them." Petrolane has over 200 Chevrolets hauling for them. If you think we're excited about

Chevy's independent front suspension, you ought to talk to the truck owners who are profiting by it. They'll tell you Chevy's torsionspring design is the hottest thing to hit the industry since trucks began. Drive one-that's the proof, short and sweet.
