## Street re-surfacing project is approved

A major street re-surfacing project received the go-ahead Monday night by the city council.

The project is expected to be the first of a series to be carried out over a period of years to improve Iowa Park's rapidly declining quality of roadways.

Aldermen, admitting their hands were tied, signed a new contract with Wichita Falls which requires an increase in cost and shortens the duration of the contract.

City Administrator Gene Britton presented a list of streets which he proposed to be included in the initial re-surfacing project. The list was the result of a lengthy inspection by him and Charlie Helms, head of the street department.

At a cost of some \$22,000, the project is to include some 24,000 linear feet of paving. Materials are to be purchased from Wichita County.

"We budgeted \$15,000 for street repair and have \$4,713 left from the dump truck purchase we agreed to use for street repairs and I suggested rebudgeting of \$3,000 from street department supplies for asphalt to street repair to finance this project," Britton explained.

Streets identified and approved for the project include:

Emerald, from Victoria to Bond; Lafayette, from Texoma to Hawthorne;

Hawthorne, from Texoma to Ruby; Diamond, from Colorado to Texoma;

Valley Drive, from James to Wall; Wall, from Ruby to Emerald; Ruby, from Victoria to Bell; Victoria, from Cash to Jefferson; Bell, from Highway to Park;

Washington, from Alcott to Bell; Colorado, from Expressway to Magnolia;

Wall, from Washington to Texas; Park, from Colorado to Jackson; Third Street, from Expressway to Magnolia, and from Cornelius to Access;

Texas, from Colorado to Jackson and Yosemite to Bond;

Clara, from Second to Third; Vogel, from Third to Fourth; Van Horn, from Third to Fourth; Fourth, from Van Horn to Cornelius; Glenda, from Expressway to Van Horn;

Joy Drive, from Expressway to Emma;

Park Plaza, from Expressway to Intersection; Westridge, from Johnson to Park.

Numerous other streets were identified as needing re-surfacing immediately, Britton told the council. However, the list proposed would fit into the present budget.

Those needing re-surfacing now but being held off until next year will require a budget of some \$45,000, based on today's price for materials, he told the council.

Bernie Blair told the council he had been trying to get Seneca paved for more than five years, been promised a number of times it would be done, but the problem still existed.

Blair claimed the mud problem in front of his home has caused drivers to cross his yard in order to get onto Highway East, at times.

He was told the project was included in a grant being sought from HUD, but if it were not funded that way, would be included with the re-surfacing project approved at the meeting.

### WATER CONTRACT

The city was notified by Wichita Falls manager Gerald Fox that a new contract through which Iowa Park might continue to purchase water

from that city would require a rate increase and shortened term of contract.

Britton said the increase amounted to two cents per thousand gallons. He showed that under the new rate, Iowa Park would have paid an additional \$2,419.52 for water purchased from Wichita Falls since June of 1976.

FIRST TIME EVER - The choir and band have marked an impressive first in the history of Iowa Park High School, by earning Sweepstakes in UIL competition the same year. The choir received its honor last week and the band Tuesday. It was the second consecutive year for the choir,

but the band's only other Sweepstakes was in the spring of 1970. Holding their organizations' awards are Lee Gwin, left, president of the Hawk Band, and Ricky Blair, A Cappella Choir president.

## Teacher contracts renewed

Contracts to cover the 1977-78 school year were extended to almost all personnel of the Iowa Park school system during Tuesday evening's meeting of the school board.

Included was a year's extension to the two-year contract of Head Coach Pat Tone.

Trustees also voted to omit one vocational department in the junior high level.

## State National Bank control returns here

Ownership of the State National Bank has been returned locally.

Reorganization of the institution's board of directors was reported following a meeting held Tuesday afternoon.

Stanley Williamson was named chairman of the board, and two new directors, Fred Parkey and Bill Steger, were elected.

Williamson succeeds A.L. "Dusty" Rhodes of Abilene, who purchased control of the bank from C.A. and H.M. Nipper in June of 1975.

Don Flowers will remain as president of the bank.

Parkey and Steger join O.N. Newman, Robert Birk, Herb Smith, Flowers and Williamson on the board of directors.

In August of 1975 it was announced Williamson and the late Donald Schram had been named to the bank's board.

Williamson, who is also a member of the board of the Electra State Bank, resides on FM 369. He also has extensive farming holdings and is involved in paint horse breeding.

Among his many area and local civic activities, he served a number of years on the Iowa Park school board.

Parkey, who has been the only manager of Wichita County Water Improvement District 2 since it was organized in 1949, was recently named by Gov. Dolph Briscoe the Texas Interstate Comptroller of the Red River.

A resident of Iowa Park since 1946, Parkey is a native of Oklahoma. He is a graduate of Temple High School, received his BS from Oklahoma A&M in 1938 and his MS degree a year later, with majors in both botany and agronomy.

He was a member of the U.S.

Olympic wrestling team in 1936 which competed in Berlin, Germany, and two years later was captain of his college team which won the NCAA and national AAU championships.

Besides the numerous professional activities relating to water, both irrigation and the Red River, Parkey is a former president of the local school board, chairman of the board of deacons of Faith Baptist Church and agriculture chairman of the Texas-Oklahoma Fair.

He served in the Marine Corps during World War II, where he received the Purple Heart for wounds received in action.

Steger has been a resident of Iowa Park since 1966, moving here from Pampa. He is the tax assessor/collector for both the school district and city of Iowa Park.

He attended schools in Oklahoma City and served in the armed forces in World War II from 1944 to 1946. He completed GI on the job training in office management and later worked for Phillips Oil Company 10 years.

He belongs to the Texas Association of Assessing Officers and is a charter member of Texas School Assessors Conference, where he is currently serving on the educational and membership committee.

Steger is active in civic affairs, where he was a director of the Iowa Park Chamber of Commerce, member and past president of the Noon Lions Club, chairman of the Senior Citizens Friendly Door advisory committee and chairman of the steering committee of the Iowa Park United Way program.

He states he is "vitally interested in helping the financial, industrial and agricultural growth of Iowa Park and wants to help bring more people to our immediate area."

He was a member of the U.S.

## Senior Citizens' center funding passes first step

Iowa Park's Senior Citizens may soon reap the benefit of a joint venture of the United Way of Greater Wichita Falls, Inc., and the Nortex Regional Planning Commission.

According to Bill Steger, chairman of the local United Way steering committee, "The Friendly Door," a center for Iowa Park citizens 60 years and older is "well on its way to becoming a reality."

The Executive Board of the United Way approved a portion of the first year's proposed budget of \$11,984 at a meeting in Wichita Falls last week with a hearing with Nortex scheduled in the near future.

"Nearly 400 local citizens will be eligible for services ranging from nutritional, recreational and free time activities to aid in securing supplemental employment," Steger said. "Services related to health, such as Blood Pressure Clinics and various health seminars are also planned."

Plans are for the center to be opened around the first of May for Monday through Friday, from 10 a.m. to 3 p.m., with temporary housing to be in the educational wing of the 1st Methodist Church, 201 East Bank, but "very soon our plans are to construct a building in Iowa Park to house 'The Friendly Door' and serve all citizens as a Community Center," Steger said.

The organization for senior citizens will be governed by its own board of directors to be known as The

Friendly Door advisor board with Steger serving as the first chairman of the group. Other members include Ethyle Kidwell, Mike Hubbard, Mrs. Charlie Lee, Bill Bates, Don Flowers, Taylor George, and Mrs. Margaret Sowell.

All senior citizens interested in becoming charter members of "The Friendly Door" are asked to contact members of The Friendly Door advisory board or the United Way steering committee. Names of the charter members will be engraved on a plaque to be placed in the facility. Churches will aid in this effort by checking their church rolls.

A minimal fee of one dollar per year will be charged each member, but "if you join within the next few weeks, your fee will be paid by the State National Bank," Steger said.

Iowa Park became eligible for United Way funding for service agencies last fall when it combined efforts with Burkhardt, Sheppard and Wichita Falls in the annual Campaign Drive.

Research and development of the idea of a Senior Citizens center was presented to the Iowa Park United Way Steering committee, then to the executive board for final approval.

Members of the local United Way steering committee are Miss Kidwell, Mrs. Bill Veal, Bates, Darrell Ratcliff, J.B. Barbour, Max Henderson and Steger.

SPRINGTIME NEAR - Sunday officially marks the first day of spring, but the recent spell of warm weather has prompted many people to get an early start on spring gardening. Mr. and Mrs. Ed Routh of 803 S. Yosemite plant a vegetable garden each year. Their onions already are prime for harvesting and the peach trees are in bloom.

**Sorority has salad supper**

A St. Patrick's Day theme dominated decorations for the annual salad supper given by members of Epsilon Eta chapter of Epsilon Sigma Alpha Tuesday evening to honor their mothers and guests. The setting for the function was the Fellowship Hall of First Christian Church.

The U-shaped tables were laid with white and centered with green runners topped at intervals with "potted" shamrocks. Favors were green sequined shamrocks accented with perky and colorful miniature bees. Napkins further denoted the patron saint of Ireland day.

Casserole dishes have become a popular, versatile part of the American cuisine. Since establishing her own home Norma (Mrs. W.O.) Chandler has spent a lot of time carefully planning her casserole dishes to make them an interesting food adventure. She admits that they can glorify leftovers but also help to master delicious meals elegant enough for special guests and, more importantly, serve as treats for her own family.

Someone has said that the quickest way to a family's heart is through their sweet tooth. The sumptuous homemade dessert recipes that Mrs. Chandler has chosen to share with us this week have undoubtedly long since brought a round of applause from family and friends. Any one of them would add the crowning touch to a casserole dinner.

Mr. and Mrs. Chandler moved to Iowa Park one and a half years ago from Phoenix, Ariz. because the environs filled their desire for small, conservative community in which to bring up their seven-year old son Billy, a first grade student at Kidwell Elementary School. In Iowa Park, she has a small day care nursery in her home and he has Le Barons House of Nuts in Sikes Senter. They attend the Northwest Assembly of God in Wichita Falls.

Norma Chandler was graduated from Lawton, Okla. and managed Lerner Shops in Oklahoma, Colorado

do and Arizona for 20 years. Before moving to Iowa Park she and her husband owned and operated a large Day Care Center in Phoenix.

They have two grown children in addition to Billy who are Mrs. Ron Ruff of Atlanta, Ga. and Charles of Wichita Falls. Mrs. Chandler enjoys oil painting and interior decorating.

**CHICKEN ALMOND CASSEROLE**

2 T butter or margarine  
1/4 cup minced onion  
1/4 cup diced celery  
1 can cream of chicken soup  
2/3 cup milk  
1/4 t salt  
1/2 t curry powder  
2 T chopped pimento  
Small jar sliced mushrooms  
1/2 cups diced cooked chicken  
1/2 cup toasted chopped almonds  
1/3 cup buttered dry bread crumbs or crushed potato chips

2 cups cooked rice  
Saute the onions and celery in butter or margarine until soft but not brown, add soup and stir well. Slowly blend in milk, stirring until smooth. Stir in salt, pepper, curry powder, pimento and mushrooms.

Put the rice, chicken and almonds in a bowl, add the soup mixture and stir gently until well mixed. Turn into greased 1 1/2 qt. casserole or baking dish. Sprinkle with the bread crumbs or potato chips and bake in 350° oven for 30 minutes or until bubbly and brown. Serves 4 to 6.

**EASY BANANA PIE**

1 pkg. (3/4 oz.) Instant Vanilla Pudding Mix  
1 1/2 cups milk  
1 cup canned pumpkin  
1 t pumpkin pie spice  
1 cup Cool Whip  
1 baked 9 inch pie shell, cooled

Combine pudding mix, milk, pumpkin, spice and Cool Whip in deep narrow-bottom bowl. Beat at lowest speed for one minute. Pour into pie shell and chill until set, at least 3 hours. Garnish with additional Cool Whip, if desired. Serves 6.

**STRAWBERRY GLACE PIE**

Wash and hull 1 qt. fresh strawberries. Cut up one

cup.  
Mix 1 cup sugar and 3 T corn starch in 2-qt. sauce pan. Stir in 1 cup water gradually until smooth; add cut up berries. Cook and stir over medium heat until thick and clear. Stir in few drops red food coloring.

Cool. Stir in remaining berries, saving 1/4 cup for garnish. Pour into baked pie shell and chill until firm, about 5 hours. Garnish with whipped topping and berries. Serves 6.

**CHERRY ALMOND CRUMBLE**

1-1/2 oz. pound or angel food cake, preferably angel food  
2 cans cherry pie filling  
1/2 t almond extract  
4 ozs. slivered almonds  
2 T light brown sugar  
4 T butter or margarine

Crumble cake into bite size pieces. Combine cherry pie filling and almond extract. Place half of the mixture in a 9 inch square pan or 2 1/2 qt. casserole; cover with half of cake crumble and half of the almonds. Repeat with second layer, sprinkle brown sugar evenly on top and dot with butter or margarine.

Bake at 350° for 30 minutes or until cake is brown on top. Serve warm or with whipped topping or ice cream. Serves 8.

**CORNED BEEF CASSEROLE**

1-15 1/2 oz. can corned beef hash  
8 ozs. meatless spaghetti sauce  
1-3 oz. pkg. cream cheese, cubed  
1 cup (4 ozs.) shredded natural Cheddar cheese  
4 beaten eggs  
1/4 t dried oregano (crushed)  
Dash pepper

Pat corned beef on bottom and up sides of greased 1 1/2 qt. casserole. Pour in spaghetti sauce; top with cubed cream cheese and sprinkle with Cheddar cheese. Bake at 350° for 30 minutes. Combine eggs, oregano and pepper and pour into casserole. Bake 20 minutes longer. Let stand 5 minutes. Serves 4.

Repeat layers in same order. Mix soup, reserved bean sprout liquid and soy sauce, pour over top, cover and bake at 350° for 30 minutes. Remove from oven. Cover with noodles, return to oven uncovered and bake for 30 minutes longer. Serves 10 to 12.

**EASY PUMPKIN PIE**

1 pkg. (3/4 oz.) Instant Vanilla Pudding Mix  
1 1/2 cups milk  
1 cup Cool Whip  
1/2 cup miniature marshmallows  
3 medium bananas  
1 baked 9 inch pie shell, cooled

Combine pudding mix, milk, pumpkin, spice and Cool Whip in deep narrow-bottom bowl. Beat at lowest speed for one minute. Pour into pie shell and chill until set, at least 3 hours. Garnish with additional Cool Whip, if desired. Serves 6.

**MS fund drive begins Monday**

Neighborhood Multiple Sclerosis volunteers here in Iowa Park will begin door-to-door canvassing Monday, and so will many others in cities and towns across the United States as the 154 chapters of the National Multiple Sclerosis Society begin their annual MS Hope Chest Campaign drive.

MS is a chronic disease of the central nervous system which is most frequently first diagnosed in young adults between the ages of 20 and 40. Characterized by a series of spontaneous attacks and remissions, multiple sclerosis most often results in progressive disability, with many patients becoming bound to wheelchairs and not infrequently totally bedridden.

**LOCAL GOAL SET**

The 1977 MS Hope Chest Campaign, scheduled to run from March 21, to April 18, is the principal source of funds for the Society. Last year over \$2,000 was raised by the Wichita Falls Area Chapter from contributions here in Iowa Park. This year the goal is \$3,000 as part of the Society's national effort toward raising a total of \$19 million.

Mrs. G.R. Rusk, residential campaign chairman for the Chapter, urged that all persons interested in assisting in the campaign contact the Wichita Falls Area Chapter at 322-8353 or 322-7497. "We need every volunteer we can get," said Mrs. Rusk, "because the many MS patients in our area are counting on us, and we just cannot let them down!"

The first place winning essay has been sent to Mrs. Clarence Grimes of San Angelo, chairman of Texas Heritage Department, and it will be competing at state level.

Keith Taylor, son of Mr. and Mrs. George Taylor of Iowa Park, won third place in the contest and Karen Sosebee, a student at Rider High School, was second place winner.

The essays could be written on any phase of Texas Heritage material, under the following classifications: Pioneer Personalities, Old Cemeteries and Ghost Towns, Texas Ethnic Groups, Beauty Spots and Hiking Trails, Texas Products and See Texas First.

## Florist is speaker at Garden Club meeting

Danny Parkerson, owner of Petal Pushers, gave the program for the Friday morning meeting of Iowa Park Garden Club at the home of Mrs. Arch Hughes. He discussed forcing blooms and conditioning for dry arrangements.

"Say Hello to Gramma" was the topic of the thought for the day given by Mrs. R.B. Faulkner.

Mrs. Charlie Lee was in charge of business highlight-

ed by the finalizing of plans for the Garden Club Flower Show April 15 in Texas Electric Reddy Room from 10 a.m. to 4 p.m.

It was announced that the 74 pampas grass plants ordered for planting along the Expressway were at the nursery. The club approved the planting of wax leaf ligustrum, cherry laurel and crape myrtle at the city tennis courts.

Mrs. Lee showed a club

award plaque accepted by Kidwell PTA from Bob Cole, principal, in appreciation of the work done by the Iowa Park Garden Club through the years to beautify the school grounds. The plaque will be displayed at the flower show.

Announcement was made that the iris centerpieces used at the Chamber of Commerce banquet were on sale at Petal Pushers for \$3 each. They are fashioned of off-white burlap irises with red tips and red throats with large green leaves.

Mrs. D.O. James was co-hostesses for the meeting and brought a polka dot plant for the horticulture specimen.

A St. Patrick's theme was carried out in decorations and refreshments.

Others present were Mmes. Myrl Cabe, Ruby Caldwell, Joe R. Cope, W.A. George, Allen Gilstrap, Michael Hodson, Kennie Jones, Ida Parker, James A. Sewell, Roy B. Smith, Marion Wilkins and Miss Ethyle Kidwell.

## Philia Club tours library

A tour of the Iowa Park Library, a project of the Philia Study Club, directed by Miss Ethyle Kidwell, member of the library board, preceded the Texas Heritage Day program in a meeting held in the home of Mrs. Don Cook Monday evening. Mrs. Robert Robinson was co-hostess.

The program theme was "Reach Out Your Hand to Touch Your Neighbor". Roll call was answered with a brief description of a Texas product.

The arts number featured a clarinet trio from Iowa Park High School composed of Jill Koonce, Janis James and Cindy Flanagan, who played 19th century music.

Other club members present were Mmes. Buddy Henderson, Don O'Donnell, Jerry Padgett, Deryl James, Thomas Johnson, Wilbert Wynn, Michie Compton and Darrell L. Dick.

The Iowa Park High School A Cappella Choir won the coveted Sweepstakes trophy at the UIL Concert and Sight Reading Contest held in Vernon last week, for the second year in a row.

To be awarded Sweepstakes, a choir must earn a Division I in both concert and sight reading. A panel of judges, three of each division, rate each performing group.

The concert judges were Jim Casey, Mesquite, Jack Bower, Big Spring, Mike

Morton, Stephenville. Sight reading judges were Ted Polk, Duncanville, Terry Price, Irving, and Wade Bennett, Richardson.

Iowa Park was the only school to rate Division I in concert. In sight reading Division I was rated by Iowa Park Junior High School, Marsha Brown director; Vernon High School, Glenn Schell director, and Iowa Park High School, Darrell Dick director.

Schools rating Division II in concert were Hirsch

Boys' Choir, Vernon A Cappella and Burk Burnett A Cappella. Three schools rated Division III. These were Wichita Falls Girls Choir, Rider Boys Choir, Iowa Park Junior High, Mineral Wells A Cappella, Hirsch A Cappella, Wichita Falls A Cappella and Rider A Cappella. Three schools

earning Division IV rating were Hirsch Girls Choir, Wichita Falls mixed choir and Rider girls choir. Rider mixed choir ranked Division V.

Vernon A Cappella and Iowa Park's two choirs were the only groups that made Division I in sight reading. Division II was earned by

Burk Burnett A Cappella, Wichita Falls A Cappella and Rider A Cappella. Division III went to Rider girls choir, Wichita Falls mixed choir, Rider boys choir and Hirsch A Cappella. Division IV winners were Wichita Falls girls choir, Hirsch boys choir, Rider mixed choir.

### Hawk Band reaches goal

For the first time since the 1969-70 school year, the Iowa Park High School band earned the Sweepstakes Award in University Interscholastic League competition.

It was only the second time in the school's history, also.

Playing Tuesday at Vernon, the Hawk Band received Division I ratings in both concert and sightreading. These ratings, along with the I received last fall in marching, completed the requirements for Sweepstakes.

Iowa Park's Honor Band, competing as a number two band, earned a I in sightreading and II in concert.

The Hawk Band and Mineral Wells were the only two AAA bands competing which received I ratings in both concert and sightreading. Mineral Wells also received Sweepstakes.

Other AAA bands in the contest and their ratings were Vernon, I concert and II sightreading; Graham, II concert and sightreading and Burk Burnett, II concert and I sightreading.

Burk Burnett was the only other AAA school with a second band competing. That organization received a II in concert and II in sightreading.

Under direction of David Mooney, the Hawk Band played Amparito Roca, Slavonic Folk Suite and Third Suite for its concert selections.

In UIL competition for bands, organizations are not judged one against the other. Rather, ratings are given by judges based on each band's performance.

### Life-saving project is undertaken here

During the business session of the Iowa Park Volunteer Fire Department, held recently, action was taken that could effect many lives in Iowa Park.

Over 2,000 Child Find and Invalid Rescue markers will be purchased and distributed to those residents desiring them. These markers are fluorescent orange and can be placed on the window or windows of the rooms occupied by an invalid or a child.

More information will be made public when distribution is ready to be made.

Other action gave approval for the establishment of a Volunteer Firemen Auxiliary.

## VOTE NO

on

### Home Rule Charter

On Page eight (8) of the Home Rule Charter, the people of Iowa Park are to vote on April 2, 1977, gives their rights away as home owners. It gives to the City Council almost the Power of Attorney over their property.

Line J. on page eight (8) states, adopts and modify a plan for clearance of slum districts and rehabilitation of blighted areas.

(1) Who is to judge what is a blighted area or what is a slum area?

(2) Where is the City of Iowa Park blighted area or slums? To the East side, South, Downtown?

(3) Ninety percent (90%) of area mentioned is home owners.

(4) Who will pay for this rehabilitation program?

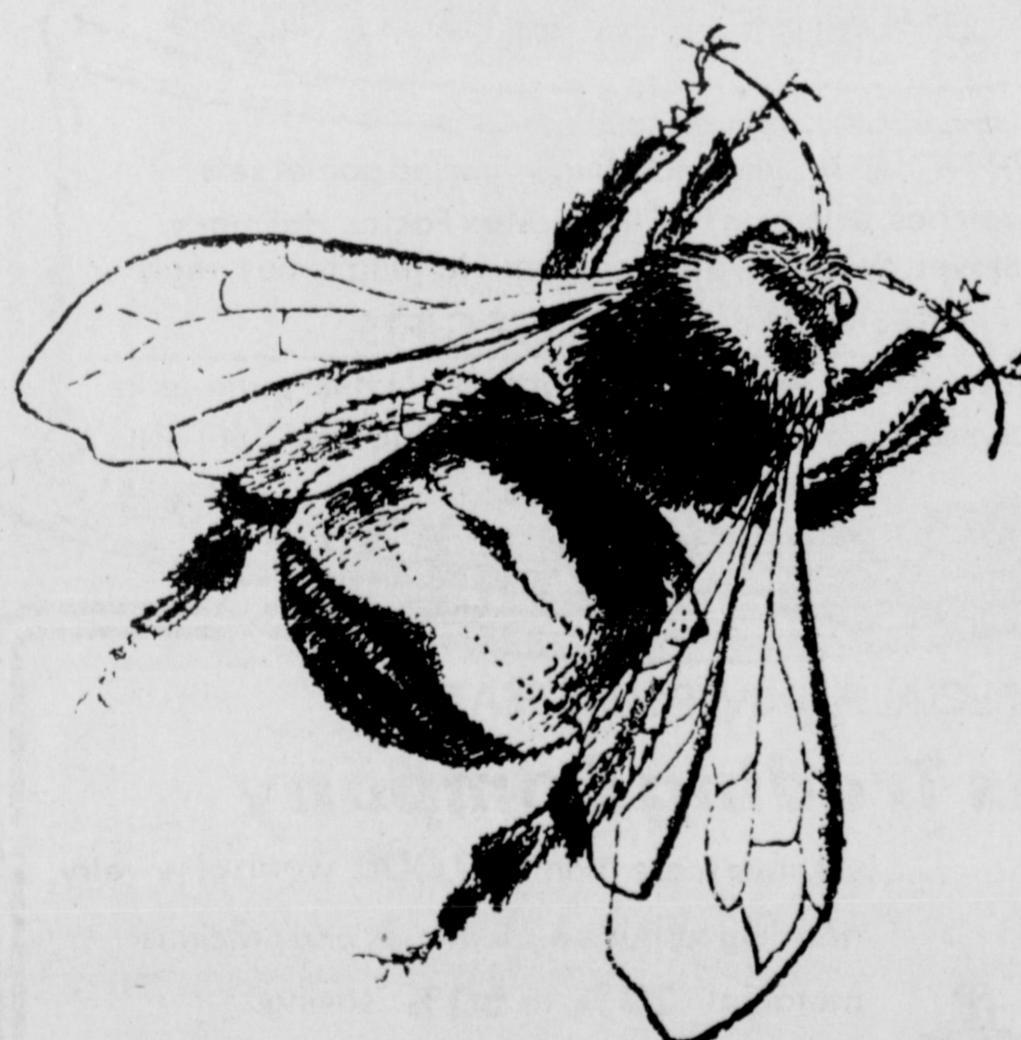

(5) Who will care for those people who are forced to sell their homes?

To those who say "We'll never use that power", We say "Why is it in the Charter?"

I would like to add, the present Council may not use this power, but who knows what the future members may do?—THINK!

## REMEMBERING...

By BILL BROOKS

**MY FIRST GUN**

The first firearm most youngsters own is a BB gun. Oh, I know a BB gun is really not a firearm but it means the same thing to ten-year-old. I can remember reading ads for Daisy "Red Ryder" BB guns in comic books and such and wanting one so badly I could taste it.

My brother and I begged Mom and Dad and waited them until they finally gave in. Having an older brother helped. Dad reasoned that brother could take charge but that I could use the gun under his supervision. The arrangement was fine with me, anything to get that Daisy. But there was a catch. Dad said we would have to buy it with our own money. That \$4.98 might as well have been a million — we didn't have 15 cents between us.

The only thing to do was take a job since Mom and Dad didn't believe in

allowances and "chores" done on the farm were non-paying jobs. It was summer and we were out of school so we set out with our hoes to see if we could get a job chopping cotton. A neighbor we knew hired us right away and said he was paying 75 cents a day if we were good workers. "Sure!" we said, "Can we start now?"

By mid-afternoon we were pretty tired but the thought of that BB gun kept us going. We got to work four days that

week and on Friday at quitting time the man gave us each three dollars!

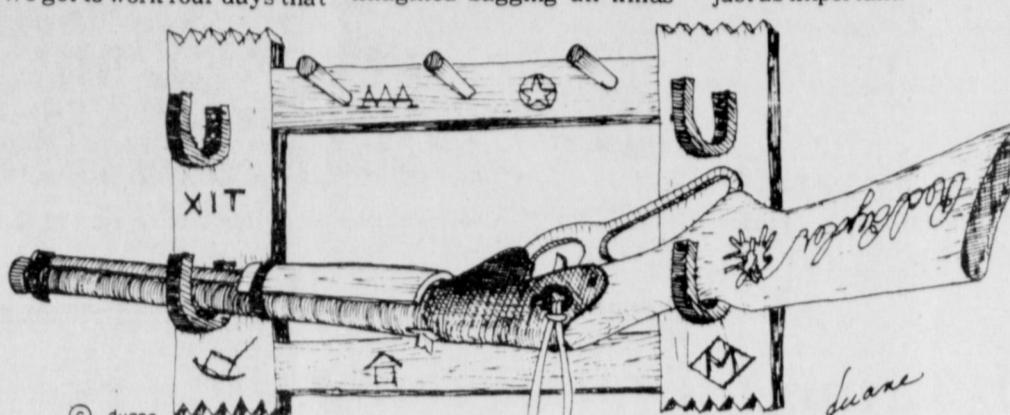

Mom helped us fill in the order blank. We bought the gun and six boxes of BBs. When it came in it was the neatest thing I figured I would ever see. The barrel was dark blue, just like Dad's real rifle and the stock was made of fine polished wood with Red Ryder's picture stamped right on it.

We received stern instructions concerning its use to which we both solemnly nodded agreement.

On our first hunting trip we imagined bagging all kinds

of big game, from coons to mountain lions. We actually shot several tin cans in a trash pile and killed one sparrow. We told Mother we wanted her to fix it for supper. She laughed and said, "O.K. but I don't think you'll eat it." We assured her we would and we did. We even bragged about how good it tasted (it actually tasted a lot like a rope.)

We learned a lot from having that BB gun. Sure, we learned care and respect for firearms but the experience of working for it and buying it with our own money was just as important.

Smith, Betty Turner, Pat Ratcliff, Shirley Hoggard and Glenda Dolberry.

Voting was unanimous on all contracts, except when it was moved that Coach Tone receive a year extension, making his a two-year contract.

Tone was given a two-year contract when he was hired last year, and has a year remaining on that contract.

Voting for the extension were Glen Miller, Robert Wilcox, Hoyt Watson and Roy Boutwell. Voting against were Bill Spruill and Delbert Catlin.

Trustees approved discontinuing the CVAE office duplicating vocational class at the junior high "because of lack of student participation."

All teachers residing in the school district received an automatic \$100 annual raise. Trustees now pay teachers living in the district \$300, as incentive to reside here.

The incentive was cut from \$300 to \$100 three years ago, and raised back to \$200 last year.

**CHANGE PROPOSED**

Trustee Boutwell proposed that in the future, no first grade class be started with more than 25 per room, to allow for growth.

He pointed out that all first grade rooms now have between 31 and 32

pupils, and said the load was too much for the individual instruction they need, even with teacher aides.

Boutwell disclosed he had been informed by teachers several students would be held back at the end of the year, because they had not received the individual instruction.

It was brought out during a discussion that several of those first graders who probably would be held back were transfers.

No decision was reached, but a study is to be made.

The board approved renewing insurance coverage on buildings with R.W. Hill Insurance, at a premium of \$23,362.

**White to speak at Henrietta**

Keynote speaker Saturday night for the 50th annual Henrietta and Clay County Chamber of Commerce installation banquet will be John C. White.

White, who has served 26 years as Texas' Commissioner of Agriculture and is awaiting confirmation as federal Undersecretary of Agriculture, is a former Iowa Park resident.

**As I See It....**

by BOB HAMILTON

One of the ways colleges and universities hold down their requests for more money is selling "hunting licenses."

Those licenses are sold to students for the privilege of hunting for a parking place on campus.

It's a fact that many people not connected with institutions of higher learning know nothing about. But a fact, anyway.

For instance, students must pay \$8 (I think the figure is correct) for a permit to park on the Midwestern

State University campus...if they can find a parking place.

But there are more permits sold than there are parking places, and this is most frustrating to MSU students.

Lest pupils attending the Wichita Falls school feel they are being picked on, I'll report some figures on another school by quoting from a column of Harold Hudson's in the Perryton Herald.

"We noticed in the Daily Texan this

week that UT is also ripping off the students with their parking spaces.

This year the university sold 11,798 tickets to students at \$10 each which is supposed to secure them a parking place on campus. But there are only 3,620 spaces scattered throughout the university which makes 13 permits for every parking space. These are 'C' spaces. The university issued 17,576 parking permits for the 7,414 spaces in the entire campus."

Apparently those same idiots who dreamed up "modern math" are figuring out the parking situation at Austin's school.

The University of Texas is completing a beautiful new gymnasium which seats 17,000 persons. You guessed it. There are 275 parking spaces outside the gym.

I think it's fine for our schools of higher learning to do what they can to hold down on their costs of operation, and earn as much money as they can.

But ripping off students is a bit much.

**Streets**

Continued from page 1.

The city has paid \$29,647.69 to Wichita Falls for water for that period of time. That was for 90,484,000 gallons at 33 cents per thousand.

Iowa Park's first contract with Wichita Falls was for a five-year period. The neighboring city government now requires a two-year pact, but which can be revised "when the domestic water rate for Wichita Falls customers is changed."

At the request of Fire Chief Bud Thompson, a proposal to purchase radio monitors for members of the Volunteer Fire Department was tabled until a later request is made.

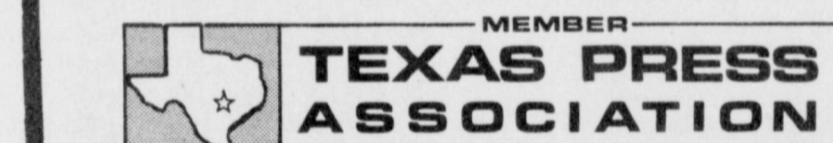

Thompson explained the radio purchase proposal his department had made earlier would not be workable, due to a technical problem. He said the units now owned by the department and those wanted to be added would not work together, with the same base unit.

Aldermen approved a proposal by Britton to hire Robert Dean as patrolman on the police force.

## Choir earns Sweepstakes

"Wednesday's results was the culmination of a lot of hard work, total concentration and a pot full of luck," commented Mr. Dick on the Sweepstakes award received by the A Cappella Choir.

### Juniors face examinations

The Iowa Test of Educational Development will be given to all junior students, March 17.

This is an achievement test and will measure math, English, science and social studies skills.

Test will be held in the auditorium from 8:45 until 2:30.

### Choir has mascot

An unexpected visitor showed up in the choir room at I.P.H.S. one day, brandishing sharp claws and a sharp beak. Iowa Park's own mascot came by hand to see the A Cappella students. "King", a hawk, was found by Brent Chapman on U.S. Highway 287 about five weeks ago during the cold, icy days. Chapman, who graduated from IPHS last year said that it "costs a fortune" to take care of the bird, but he enjoys it.

The bird has infected feet caused by the icy weather and treatment is necessary.

### Nault, Johnson named officers

Iowa Park Future Home-makers of America will have two girls serving as officers to the Area IV FHA chapter. They are Kerry Nault, 3rd vice president and Kathy Johnson, secretary.

Elections took place during the Area IV Leadership Training Meeting held in Abilene Civic Auditorium, March 5.

New officers will serve through the 1977-78 school year. This summer all officers will attend the National Meeting in Seattle, Washington, July 10-15.

FHA chapter also won 1st place with their project. Theme was "Presenting Under the Big Top Iowa Park FHA chapter." The exhibit included pictures of FHA members carrying out project that they have been involved in throughout the year.

The choir received a Division I (Superior Rating) in both concert and sightreading Wednesday, March 9, in Vernon at the annual University Interscholastic League (UIL) Contest.

Other mixed choruses from district 3-A were Mineral Wells; III in concert, III in sightreading; Vernon, II in concert, I in sightreading and Burkhardt; II in concert, II in sightreading.

Sweepstakes trophy will be on display in the office.

### EDITORIAL

## America: Land of Friendly Living?

by Lisa Bartow

Riot! Strike! Murder! Terrorism! These are only a few of the problems devastating the United States. A land that was founded on peace and prosperity for all has suddenly turned into one of violence on, as well as off the screen. Society that looks out only for one's ownself haunts the U.S. today.

"Land of the free" seems to be only a myth. People are afraid to walk the streets of a city at night for fear of mugging, rape or even murder. Does freedom include fearing for one's life? Does independence constitute rapid rises in crime? Our forefathers obviously had nothing like that in mind. They expected America to grow, expand and modernize, but they were hoping for the betterment of their new country.

America does have its problems, but riots and protests will only add to them. Solutions are needed, but killing is not the answer. People need to voice their opinions, but terrorism is not the way. Revenge is not for civilized people to act.

### Students hunt wildflowers

Mr. Kaspar's Biology I classes are combing all portions of Iowa Park; not for "bugs", but for wildflowers. The collections are to be more than 15 flowers with the lowest possible "A" 40 flowers. The collections must have scientific name, common name, habitat, date collected and collector of each flower.

### Tracksters show power

In the 10th annual Vernon Relays held March 4-5, the Iowa Park Hawks proved once again that they are not to be taken lightly.

The Hawks finished fourth with 72½ points behind Burkhardt with 75, Vernon with 88, and Graham topping out with 119 points.

Placing first for the Hawks were: in the 120 yd. high hurdles and 330 intermediates, Ray Cook; in the mile run, Anthony Crittenden; Discus throw, Kip Fuller; and in the pole

### Bands compete in ND contest

Iowa Park "Hawk" bands attended the Notre Dame music festival March 3. Both

vault, Jim Dooley edged Williams from Graham for first place.

Others from Iowa Park placing in the finals were: Scott Stubbs and Ervin Beisch, 880-yard run; Robert Dillard, 440-yard run, Kip Fuller, shot put; Jim Stevens, broad jump and Jeff Nolen, high jump.

Johnny Moore provided the devotion for the preceding week, entitled "The Things That Come Out of Our Mouths".

Fellowship of Christian Athletes met March 4 to discuss business for this spring.

Jeff Taylor, FCA treasurer, gave a devotion concerning God's way of dealing with the rebellious Israelites and how it applies to modern man.

Constructive criticism was gained from the judges which helps in preparation of U.I.L. concert and sightreading contest, March 15.

Last fall the band received a division I in the U.I.L. marching contest.

Girls' track results from Notre Dame Meet held March 5 were good for the Hawkettes.

Receiving medals for the team were Trish Roberts with a 11.95 100-yard dash capturing 2nd place, DeDe Rich with a 244.9 880-yard dash for 3rd place and Karren Brown with a 62.0 440-yard dash winning 2nd place.

Also, bringing in a 5th place ribbon was the 440 relay team consisting of Roberts, Rich, Cindy Grace and Cindy Flanagan. Dee Lynn Smith, Flanagan, Grace, and Vicki Shirley combined for the 880 relay team receiving a 5th place ribbon. In the 220-yard dash, Roberts also received 5th place.

Sociology students will now be taking Texas History for this last quarter.

At the moment, the team is practicing diligently to overcome last year's season.

## If this house can be heated and cooled by the sun, why can't yours?

This solar energy research house is heated, air conditioned and supplied with hot water by the sun's rays.

Rooftop solar collectors trap the heat from the sun, which is then transferred into the house.

Texas Electric helps sponsor this solar research facility. And we participate in a national solar energy development program.

Someday, houses like this one may be common. But right now, it's an experimental system that's simply not affordable for widespread home use.

Meanwhile, you need electricity to heat and cool your home today. And we have to make that electricity with fuels that are available.

That's why we're building power plants that run on lignite coal and nuclear fuel. These new plants are expensive, which means electricity will have to cost more.

But it also means we'll be able to continue supplying the electricity you need.

**Electricity, You count on it today. We're working to keep it that way.**

Texas Electric helps sponsor the Discovery '76 House at the University of Texas in Arlington. The sun's heat is used to run special heating/cooling equipment.

## Hawks register victory

The Hawk varsity baseball team finally got on the winning side of the ledger.

Iowa Park defeated Wichita Falls Rider 3-2 here Tuesday, raising the Hawks' season record to 1-5.

The two teams will have a re-match this afternoon at Wichita Falls.

Rider took the lead, 1-0, in the top of the third inning when a runner, who got on base due to an error, reached home on a single and pair of errors.

But in the bottom of the

fourth, Iowa Park took the lead when Shane Kimbrel reached first on a fielder's choice and was driven home on Dick Elliott's double. Elliott scored when James England singled.

The visiting Raiders tied the score in the sixth frame when the lead off batter was safe on an error, and was driven in by a single.

Rusty Price led off the last Hawk bat with a single, and advanced to third on an error. Then Elliott collected his second RBI of the game.

Chris Bowerman went all

seven innings, giving up only five hits.

## Camp to open in May

### for Diabetic children

Camp Sweeney Diabetic Educational Training Center for diabetic boys and girls will be open for the 27th year of operation, starting May 29.

Open to youths six through 16, there will be three, three-week sessions, each starting May 29, June 19 and July 10.

Camp Sweeney is located nine miles east and one north of Gainesville on 338 acres of rolling timbered hills with three dormitories for boys and girls. It has a non-denominational chapel, hospital, 39-acre lake for boating, fishing and water skiing, a sanitary swimming pool, tennis courts, recreational pavilion, target range and 20 saddle horses.

Under the supervision of a specialized medical staff, dietitian and counselors, children are taught their proper diet with regulated exercise, how to take their own urine tests and give their own insulin injections.

Association with other young diabetics is helpful to youths in realizing they are not alone with their disorder and with proper knowledge and instruction they can learn how to live with their lifelong companion - diabetes.

Candidates for the camp can be referred to their local United Way organization.

James Campbell, director of the camp, can be reached for additional information by writing P.O. Drawer 918, Gainesville, Tex., 76240.

March 21 is Agriculture Day in Texas, and Wichita County farmers and ranchers can be proud of the \$15,369,000 contribution they make to the economy of their area and the state, according to Agriculture Commissioner John C. White.

That figure is the amount of cash receipts and government payments in 1975, the most recent figures published by the Texas Crop and Livestock Reporting Service.

"Though 1977 may prove to be one of the lower profits for agriculture, cash receipts during this year should be substantial," White stated.

"Production costs have doubled for many regions in the state in the past two years, but several commodities have been able to stay even with these costs."

State totals for 1975 were \$5.9-billion with livestock bringing in \$3,060,908,000 and crops \$2,785,683,000. Total cash receipts for 1976 are estimated to be more

than \$6-billion. Livestock and products in Wichita County were valued in 1975 at \$6,288,000. Crops totaled \$8,980,000.

**Parnell joins Clay sheriff**

Dexter Parnell, former patrolman with the Iowa Park Police Department, has been named a deputy with the Clay County Sheriff's Department.

Parnell, 35, resigned his post here last month, although his reasons for leaving have not been disclosed.

Shortly after Parnell resigned, Iowa Park's assistant police chief, Paul Smith, tendered his resignation here for a post with the Clay County Sheriff's Department.

Parnell, an Electra native, was on the Iowa Park force about 20 months.

## Watts earns top award

Jeff Watts took home with him Saturday from the annual Iowa Park FFA Project Show several awards, but one of them was the trophy all entrants sought.

**FIFTH STRAIGHT YEAR****Band earns Sweepstakes**

Holliday High School Band won its fifth consecutive UIL sweepstakes trophy.

"We worked real hard for a long time, and I'm pleased we won sweepstakes," said D Wade Reinsch, band director. "I'm proud for the kids."

The HHS Band garnered its fifth straight sweepstakes last week by receiving No. 1 ratings at the UIL sight reading and concert contests at

Olney.

Reinsch's group also received a No. 1 at UIL marching contest earlier in the year, giving the Holliday band an unblemished contest record for the year.

The three tunes performed by Holliday in the concert contest were "Hail to the Fleet," "Montage" and "Overture for Winds."

In awarding the Holliday band the top ratings,

contest judges offered these comments on their critiques:

"This band has as much technique as any Class A band I have heard in a long time."

"A really sharp looking band!"

"One of the best bands I've heard in the last two days."

"Some good players in this band. Good teaching and trainings evident."

**Thinclads finish 2nd in own meet**

Holliday's varsity boys finished second and the junior varsity boys took third in their respective divisions of the annual Eagle Relays staged in Archer City.

Holliday's varsity girls track team competed at the Cubette Relays at Olney.

Ironically, the Eagle Relays were re-located to the Archer City track to avoid construction activity on the Holliday campus. However, weather conditions made this year's Eagle Relays less than satisfactory, said track coach Bill Lee.

Lee noted Friday's high winds were a major menace, and rain allowed the use of only three lanes.

The varsity boys finished second with 72 points behind Munday with 128 points in the varsity division. Petrolia finished third with 59 overall points.

Remainder of the varsity division's overall team standings were Henrietta 58, Archer City 40, Nocona 39, Electra 36, Windthorst 12, Harrold 12, Chillicothe 11 and Newcastle 6.

Munday lead the pack in the JV division with 97 overall team points, followed by Electra with 96 and

Holliday with 94.

Nocona was sixth with 85½, trailed by Knox City with 53, Chillicothe with 41½ and Archer City with 28.

**VARSITY BOYS**

Bob Gilmore took first place in the long jump, and Randy Berryman was second in the pole vault in the varsity division.

The Eagle 440-yard relay team -- Gilmore, John Ruby, Clark McDaniel and Rick Hoepfner -- placed second.

Mike Wilson took fourth in the 880-yard run, Lynn Ayres was second in the high hurdles and Jerry Graves was fourth in the high hurdles.

Buff Young took fifth in the high hurdles, while Gilmore finished fifth in the 440-yard dash.

In the intermediate hurdles, Lynn Ayres finished fourth, and Graves took fifth.

**Journalists to Austin**

Several Holliday High School journalism students will attend the University Interscholastic League Press Conference in Austin today and Friday.

McDaniel placed fifth in the 220-yard dash, and Ruby was sixth in that event.

The varsity mile relay team -- Gilmore, Larry Ayres, Mike Wilson and Graves -- finished in fourth place.

**JV BOYS**

Blue ribbon honors went to a trio of Holliday's junior varsity tracksters including Mark Wells with first in the high jump, Rusty McDaniel first in the long jump and Dennis Holt first in discus.

Shannon Owen took second in the high jump, while Holt and Kent Lemons finished fourth and fifth, respectively, in the shot put.

Holliday's JV 440-yard relay team took third and its members are Joey Kincaide, Tim Teafatiller, James Porter and Rusty McDaniel.

Owen was second in the 880-yard dash.

Steve Lucy and Kincaide took fifth and sixth.

respectively, in the high hurdles.

Mark Wells was second and Lucy was sixth in the intermediate hurdles.

McDaniel finished third in the 220-yard dash.

Larry Henry crossed the line third in the mile run, and Holliday's mile relay team took fifth.

**VARSITY GIRLS**

Laurie Mauldin paced the Holliday girls by taking third place in the 880-yard dash at the Cubette Relays at Olney.

Cathy Halenak was fifth in the triple jump, and Karen Richeson was seventh in the 440-yard dash.

Halenak was fifth in the 100-yard dash, while the mile relay team finished sixth.

Holliday's 440-yard relay team finished sixth.

**TRACK ON TAP**

Holliday's varsity boys are scheduled to compete Friday and Saturday in the Boomtown Relays at Burkhardt.

The varsity girls are scheduled to take part in the girls meet Saturday at Nocona.

The junior high boys are slated to be in a meet today at Olney.

Coach Scott Schroeder was approved a \$500 yearly salary increase.

The board also approved a new scheduling program of classes and athletics recommended by Lucy and Coe.

Later in the meeting the board again voted itself into executive session, this time meeting behind closed doors for about 45 minutes with Coe and principals Bill Crabb and Dan Owen.

**LEGAL NOTICES****ELECTION ORDER AND NOTICE****THE STATE OF TEXAS COUNTY OF ARCHER**

On this the 14th day of February, 1977, the Board of Trustees of Holliday Independent School District convened in Regular session, open to the public, with the following members present, to-wit: T.D. Whitehead, President, Jack Ayres, Royce Coats, H.A. Brackeen, W.T. Mankins, Bob McDaniel, Joe Wells, and the following absent: none, constituting a quorum and among other proceedings had by said Board of Trustees was the following:

WHEREAS, the term of office of Bob McDaniel and T.D. Whitehead members of the Board of Trustees of this School District will expire on the first Saturday in April, 1977, said first Saturday being April 2, 1977, and on said date a trustee election will be held in said School District.

WHEREAS, it is necessary for this Board to pass an order establishing the procedure for filing for and conducting said trustee election;

THEREFORE, BE IT ORDERED BY THE BOARD OF TRUSTEES OF HOLLIDAY INDEPENDENT SCHOOL DISTRICT:

1. That an election be held in said School District on April 2, 1977, for the purpose of electing to the Board of Trustees of said School District 2 district school board members and 1 county school trustee, Precinct 4.

2. That all requests by candidates to have their names placed upon the ballot for the above mentioned election shall be in writing and signed by the candidate and filed with the secretary of the Board of Trustees at the superintendent's office not later than 30 days prior to the date of said election.

All candidates shall file with said application the loyalty affidavit required by Art. 6.02 of the Election Order.

holiday, beginning on the 20th day and continuing through the 4th day preceding the date of said election. Said place of voting shall remain open between the hours of 8 a.m. and 4 p.m. on each day for said absentee voting. The above described place for absentee voting is also the absentee Clerk's mailing address to which ballot applications and ballots voted by mail shall be sent.

5. By resolution heretofore adopted, this Board of Trustees determined that the electronic voting system/voting machines shall be used in the above mentioned election for absentee voting by personal appearance; and in accordance with said resolution and the Election Code as Presiding Judge and Clerk are hereby appointed the Special Canvassing Board for said election.

Absentee voting, both by personal appearance and by mail, shall be by paper ballots and shall be canvassed by a special canvassing board, and Pat Holt, as Presiding Judge, Elwanda Stone as Clerk, are hereby appointed the Special Canvassing Board for said election.

(c) In election precincts at Bowman Community Building at Highway 1954, Archer County, Texas, with Jackie Crow as Presiding Judge and Barbara McDonald, Clerk.

(d) In election precincts at Lakeside City at Bugs Point Drive, Land's End, with Sylvia Horner as Presiding Judge and Caroline Wood, Clerk.

The polls at the above designated polling places shall on election day be open from 8 o'clock a.m. to 7 o'clock p.m.

4. Pat Holt is hereby appointed Clerk for absentee voting, and Elwanda Stone is hereby appointed Deputy Clerk for absentee voting. The absentee voting for the above designated election shall be held at Holliday School Building, office of the Superintendent within the boundaries of the above named School District and said place of absentee voting shall remain open for at least eight hours on each day for absentee voting which is not a Saturday, a Sunday, or an official State

and Notice at three public places where notices are customarily posted in this school district, and said posting shall be made at least 20 days before the date of said election.

The President shall also cause a copy of this combined Election Order and Notice to be published one time in a newspaper of general circulation in the county where this school district is located. Said publication shall be not more than 30 days nor less than 10 days before the date of said election.

It is further found and determined that in accordance with an order of the Board of Trustees, the Secretary posted written notice of the date, place and subject of this meeting on the bulletin board located in the central administrative office of this school district, a place convenient and readily accessible to the general public, and said notice, having been so posted, remained posted for at least 72 hours preceding the scheduled time of said meeting.

It is further found and determined that in accordance with an order of the Board of Trustees, the Secretary furnished a notice of the date, place and subject of this meeting to the county clerk of Archer County, Texas, the county in which most, if not all, of this school district's pupils reside

The above order being read, it was moved and seconded that the same do pass. Thereupon, the question being called for, the following members of the Board voted AYE: T.D. Whitehead, W.T. Mankins, Jack Ayres, H.A. Brackeen, Royce Coats, Bob McDaniel, Joe Wells; and the following voted NO: None.

public the board unanimously voted to rehire all teachers for another year. The librarian, Deborah Reed, was approved a one-year probationary contract.

Auxiliary personnel also were approved contracts for another year.

**STUDENT REQUESTS**

In response to a list of requests submitted earlier by the Holliday High School Student Council, trustees approved a senior work program.

Reinsch appeared before trustees to lobby for a new band hall along with band boosters Inez Sanders, Silvia Horner and Jo Carver.

Reinsch said there were 280 students enrolled in all levels of band at Holliday. He said the present facility is full, and at times students must sit in the hallways of the band hall.

Reinsch is requesting the construction of a metal or wood structure, 36x70, with an office, practice room and storage room.

The remainder of Reinsch's plan would be a wide open band hall.

On a motion by Trustee Joe Wells and seconded by Trustee Lonnie Brackeen, the board unanimously voted to study the proposal and secure price estimates from an architect.

**CONTRACTS & SALARIES**

Twice Monday night the school board voted itself into executive session.

The board met with Supt. Ray Coe and Athletic Director Don Lucy for more than an hour behind closed doors.

Coaches Cody West and Ralph Klinkerman were approved \$300 annual pay hikes when the board opened the meeting back up to the public.

Coach Scott Schroeder was approved a \$500 yearly salary increase.

The board also approved a new scheduling program of classes and athletics recommended by Lucy and Coe.

Later in the meeting the board again voted itself into executive session, this time meeting behind closed doors for about 45 minutes with Coe and principals Bill Crabb and Dan Owen.

**Great News  
FOR THE World**

*Living Truth  
lost?*

Why are there so many sects in Christendom? Their number calls forth the derision of unbelievers, and causes grief to the devout.

When the apostles taught, Christianity began with a single "sect", which was said to be "everywhere spoken against" (Acts 28:22). If the teachings held by its members had remained exactly as they were given by the first teachers, there is at least a chance that it would have continued to be one "sect". But suppose that fresh doctrines are introduced, old words are used to clothe new ideas, and an alien philosophy is combined with the original teaching? Is it not clear that there will be a strain between the new beliefs and the old? The way will be opened for all kinds of combinations of ideas, and for any amount of ingenuity to invent new theories to reconcile things which are in conflict. And as a result, different groups will drift further and further apart until they split into separate churches in perpetual disagreement with one another.

Put broadly and simply, that is very much what happened to Christianity. The changes were coming even in the Apostles' days, for we find Paul strenuously opposing ideas which would have made the resurrection of the dead unnecessary (1 Cor. 15:12-20). At the end of his life, Paul is still combating those "who concerning the truth have erred, saying that the resurrection is past already" (2 Tim. 2:18). There is a strong probability, to put it no higher, that the only teaching which could displace the belief in future resurrection is the Greek doctrine that the soul is immortal, and therefore needs no raising from the grave. To Paul this was a matter of acute concern, for its effects were disastrous. It had "overthrown the faith of some", and as to the future, he saw that it would "eat like a gangrene" (v. 17, R.V.).

In some of his earliest letters Paul had said there would come a "falling away", and even that "the mystery of iniquity doth already work" (2 Thess. 2:3, 7). He told the Ephesians, "Of your own selves shall men arise, speaking perverse things" (Acts 20:30). In both his letters to Timothy he writes of times when "some shall depart from the faith" (1 Tim. 4:1), and when "they will not endure sound doctrine", but will turn away their ears from the truth, and turn aside unto fables (2 Tim. 4:3-4). Having "itching ears", he says, they will "heep to themselves teachers" according to their own desires.

**Obituaries****Mrs. Minnie Manning**

Mrs. Minnie Manning, 94, grandmother of Joe Singer, died Thursday at Wood Convalescent Center.

Funeral service was held Saturday afternoon in Tanner-Aulds Funeral Home with the Rev. Kenneth Flowers, pastor of First Baptist Church, officiating.

Burial was in Calvary Cemetery in New York City.

Mrs. Manning was born Sept. 15, 1882 in Germany and moved to Iowa Park in 1948. She was a member of St. Stephen's Catholic Church in New York.

In addition to the grandson, Joe Singer, she is survived by a granddaughter, Sister Eleanor Singer of Potow, New Jersey, and two great-grandchildren, Teri and Tony Singer of Iowa Park.

**Horace Mann**

Services for Horace Mann, 84, who died Friday at his home, were Monday morning in Tanner-Aulds Funeral Home with the Rev. E.B. Compton Jr. pastor of First Presbyterian Church, officiating. Burial was in Highland Cemetery.

A 20-year resident of Iowa Park, he was born Feb. 6, 1893 in Bleevins, Ark. He married Josie Joe Pigeon on Dec. 24, 1921 in Fort Worth.

He was a retired superintendent of Wichita River Oil Company and a veteran of World War 1.

Pallbearers were George Hammond, W.A. George, Pete Peden, Bob Birk, N.E. Seay and Homer Singleton.

He is survived by his wife.

**Byron B. Parks**

Services for Byron B. Parks, 78, of Archer City, a former resident of Iowa Park, were Wednesday afternoon in Aulds-Funeral Home in Archer City.

The Rev. Bob Sarpalius, pastor of First Baptist Church, officiated. Burial was in the Archer City Cemetery.

**Sisk films are viewed**

The Evening Lions Club viewed silent films of Iowa Park and area and parts of Wyoming in the 1950s taken by the late Ralph B. Sisk at the meeting Tuesday. The

pictures were possible through the courtesy of Mrs. Sisk.

Featured were pictures of Fort Worth and Denver trains that ran through Iowa Park during that period, scenes at Lake Diversion and in Wyoming where Mr. and Mrs. Sisk hunted each year. The last film showed the iron engine now located in Rotary Park in Wichita Falls being moved by John B. Barbour Trucking Co. to its present site.

During the business, Mel Moulton named Sam Hunter, Arch Hughes and R.E. Waters to serve on the nominating committee. Mrs. E.L. Gallop provided the dinner music.
