

AUSTRALIAN TEACHER VISITS FRIENDS HERE ...Jennifer Whannell, left, and Darese Cotton

Visiting Australian loves Dallas Cowboys

By LEWIS SIMMONS

If Jennifer Whannell lived near Dallas she'd probably try for -- and earn -- a spot among the Dallas Cowboy Cheerleaders.

But since she hails from Australia she has to settle for wearing a pair of Cowboy knee socks under blue jeans. "I was a Dallas Cowboys fan before I got here. I watched every game. I love your football," Miss Whannell explained in a British-influenced accent.

A high school science and math teacher in Australia, Miss Whannell is spending her "summer" vacation here with Ron and Darese Cotton.

Mrs. Cotton is assistant librarian at Valley View school and her husband teaches science and biology at Iowa Park High School.

The friendship between the Cottons and Miss Whannell was cultivated when the local couple was attracted to Australia because of a teacher shortage.

The Cottons returned to the Iowa Park area last July. Both were graduated from Wichita Falls high schools.

But before they left their foreign home they asked Miss Whannell to visit them on vacation.

Miss Whannell comes from the city of Gladstone in the state of Queensland, Australia.

She explained a basic difference between teaching in Texas as opposed to Queensland is that teachers may be transfered to another school without any recourse. The state in which she teaches encompasses an area five times the size of Texas.

She said teachers are seldom fired, even if they are absent from their jobs days at a time.

Unlike the cafeterias so many youths here despise, Australian chools do not have cafeterias per se Students either take their lunches or eat at "tuck" shops which are comparable to concession stands at American sporting events.

"The kids are the same," she added. She described Australia as a much more liberal country as compared to the United States.

Australians suffer a more severe drug problem, she said. Last year one of her eighth grade students was a

drug pusher. Because of the hot weather, students and teachers all wear short

pants. Even businessmen wear shorts, she said. Queensland, which lies in the northeastern and east central part of Australia, caters to outdoor water

sports such as skin diving and surfing

along the clear, warm waters of the

Barrier Reef. She said most people spend Christmas day on the beach. Miss Whannell's tan illustrated her love for surfing.

At 22, the career minded Australian said she received her teaching diploma after attending a teacher's college three years.

TOMORROW

Iowa Park takes on state's leading team

Rowell (6-10).

The two giants of District 4-AAA basketball will clash tomorrow

Iowa Park, 20-3 on the season, will travel to Mineral Wells to take on the top-ranked AAA team in the state, the Rams, who have dropped only two outings this season.

Preceeding the game will be the Hawk JV starting at 4 p.m., followed by the girls' varsity game.

Mineral Wells, which finished with a 28-6 record last year, returns four starters and is expected to be a shoo-in to win the south zone.

Since the Hawks are the favorites to win the north zone, tomorrow could be a preview of which team will advance into the state playoffs as district representative.

While the Rams return Melvin Ray (5-8), DeArtis Nickerson (5-10), Matt Russell (6-3) and Darrell Milton (6-1), the Hawks also return four starters from last year and the year before, in Doug Rogers (5-10), Rusty Price (6-1), Anthony York (6-1) and Jimmy

HERE TUESDAY Though Vernon's Lions are not

making as much noise this year as in the past seasons, the Lady Lions are one of the toughest teams in the state, having suffered only one loss

The two varsity games will follow junior varsity games, boys and girls, with the first tip off slated for 3:30

IOWA PARK THURSDAY, JANUARY 19, 1978 15 CENTS VOL. IX NO. 20 IOWA PARK, WICHITA COUNTY, TEXAS 76367

Chamber leaders approve budget

Directors of the Iowa Park Chamber of Commerce Monday approved their 1978 budget.

Estimated expenses will be \$7,200. Because the budget has a built-in deficit, with anticipated income estimated at \$6,950, directors discussed either holding an all-out membership drive, or increasing dues, but did not make a decision.

One change was made in the proposed budget: directors approved a seven percent salary increase for Mrs. Ray Pittman, secretary and office manager.

The chamber finished 1977 with a balance of \$698, after expenditures of \$11,356, which includes ticket sales for the annual banquet.

Briscoe appoints two local men

Among 14 agriculture leaders from Wichita County who have been appointed by Gov. Dolph Briscoe to serve on the Governor's Committee to Make Texas Agriculture No. 1 in Income and Profit are two Iowa Park

They are Stanley Williamson, chairman of the board of State National Bandk and rancher, and John Barbour, president of Barbour Trucking Company.

Committees are being established in every county as part of the state-wide effort to "strengthen the

economic position of agriculture, our most vital industry," states Gov. Briscoe.

The committee responsibility will be promoting cooperation and mutual support among agencies, organizations and groups involved in agriculture and agri-business.

Other members are Harold Jones, Bill Donald, David Wolverton, Bob Hillery, George Adams, Warren Silver, Linton Estes Jr., Paul Berend, George Graham, and Wymour Downing, all of Wichita Falls, and Vernon Duncan and Jack Aaron of Burkburnett.

The proposal, which is said to include property in the southwest

and annex to Iowa Park.

detach from the Burkburnett district

corner of the Burk district, reportedly has already received a thumbs down reaction by Burkburnett trustees, but the parents have indicated they want to push the matter.

Other items on the agenda include: * consider computer assisted instruction:

* discuss Southern Association visit and review; * discuss budget change request

* discuss reading research project; * approve tax report, transporta-

tion report, cafeteria report; * appoint insurance study commit-

electricians; * discuss installation of Watts line

* discussion of financing containerized garbage system;

* discussion of possible change of dispatcher salaries to comply with minimum wage:

* bids on new police car;

* discuss cable television franchise; * reciprocating agreement with other cities on licensing of

* ordinance for annexation of city-owned land on Johnson Road, where the water tower is located.

Flu bug hits high school

Iowa Park High School is being blamed on a widespread "bug" with symptoms similar to colds or the flu.

The high school is the only campus significantly affected, according to administration officials. While normal attendance would be

between 95 and 95.5 percent, absenteeism at IPHS has soared to 12 percent, according to IPHS principal Bob Dawson. "We just have a whole bunch of

students sick," Dawson said yester-

Administration officials said 92 high school students were absent Monday, and 96 were vacant from the campus on Tuesday.

Yesterday the absentee head count totaled 92 again. Enrollment at IPHS is 750, Dawson

Dr. Earl Watson of Iowa Park said

doctors have not been able to determine the precise type of flu that is nearing epidemic stage. He said there is a noticeable

increase in the flow of patients at Iowa Park Clinic. Although there is no cure for the

type of flu many persons are experiencing, he recommended the basic type of home care: plenty of rest, humidity and aspirin.

their minds to it, dreamed, and worked toward their He emphasized the slogan, and a condition of the same several times, "Winners say 'There's got to be a better Weather Report way', but losers say 'That's the way we've always done The speaker recalled his years on the O.U. team, its thrills, and the misery he

Thope you're sick about losing' - Davis mentor Jackie Denton, "He

players walked out of the high school cafeteria Saturday night and onto the gridiron, they could possibly have beaten any AAA team in the state, or Notre Dame University, or even the Dallas Cowboys.

They were fired up to win, to say the least.

A young man named Steve Davis had done it, with his winning personality and speech delivery. And he has a winning athletic record

to back it all up. The former great from the University of Oklahoma was the keynote speaker for the annual Hawk Football Banquet. His inspiring message so captivated the audience, no one muttered a word or even lost eye contact throughout the delivery. And as one member of the audience put it, "When a speaker can hold the attention of an audience of teenagers, and adults, for that long a time, he's got

them in his hands." Sharing the limelight for presentation of awards to outstanding players.

Keith Hillard received the Ballhawker Award. It is given the defensive player who captures the most opponent miscues, covering fumbles and intercepting

The Hustler Award was shared by Blain Horton and Eddie Cannedy. This award is given annually to the player who makes the most improvement over the year, and in the opinion of the coaches makes the most of

one's ability. Terry Daniels was the recipient of the Outstanding Hawk Award, for his leadership, dedication, atti-

tude and performance. Their names are engraved on permanent trophies kept at the school. All four are seniors.

Head coach Pat Tone complimented the varsity players when he said, "Often when you go through a season, like we did, you have morale and dicipline problems. But we didn't have any problems this year, and I think that's a great credit to the caliber of young men we had on the team.'

He was referring, of

course, to the fact that the Hawks had suffered another "character-building" 0-10 season, matching the 1975 posting.

But the players were able

BANQUET SPEAKER Steve Davis attracted hordes of appreciative people following his talk here Saturday evening. The former Oklahoma Univ. star proved to be a like-wise star as a speaker. Among those who gathered by his side were Head Coach and Mrs. Pat Tone.

A total of seven posts will be

canvass. Contributions will be turned in to her and people who are missed may call her if they desire to

In other business conducted by Mrs. Charles Dudley, Feb. 12 at 1 p.m. was set to work on small playground equipment for Pace Park. The group will work at Vanek's place of business off the Expressway.

The president appointed a nominating committee composed of Mmes. D.W. Mercer, Tom Compton and Bill Hrncirik and a youth award committee made up of Mmes. Gilstrap, Tom Venhaus, Paul Tigrett and James Dyer.

Mrs. Venhaus presented the program on Palo Duro Canyon. "Where the Grand Canyon leaves off the Palo

Upcoming sale meeting subject

Nine members of Iowa Park Camp Fire Leaders organization attended the workshop meeting Thursday at Floral Heights Methodist Church in Wichita Falls concerning the upcoming candy sale.

The sale will be conducted differently this year by pre-orders being taken from Jan. 14 to Jan. 22. Leaders will turn in their group orders as determined by the pre-sale count on Jan. 23, and candy will be delivered between Feb. 2-12. Five varieties will be available this year at a cost of \$1.50 per box.

Money earned from the candy sale will be used to supplement funds used to operate, improve and maintain three council-owned camps which are Harrell Park, Camp Letoli and Lake Arrowhead Camp Site. Five cents per box will be returned to individual group treasuries.

Leaders who attended from Iowa Park were Mmes. Don Moser, Jerry Hodges, Philip Cranford, Tim Kasper, James Garrett, Bill Beavers, Don Wilson and James Conner.

Duro Canyon begins," she observed as she described in somewhat detail the formation of the canyon 90-million years in the making.

She said that buried within the walls of Palo Duro's colored cliffs were chapters of a story 230 millions years old and that it was a legend telling of the Great Plains monumental constructions and especially about the large section known as Texas.

"The 'must see' sight attracts 400,000 visitors annually", Mrs. Venhaus stated. She told how the Indians stepped down out of the winter cold to live in peace there, how Coronado found shelter there and held a Thanksgiving mass 79 years before the Plymouth Rock celebration. She also mentioned that Charles Goodnight found the canyon such a healthy spot for cattle that he produced one of the finest crossbred herds to come from the early Panhandle.

The meeting took place in the home of Mrs. Hrncirik and Mrs. Carlton Hicks was co-hostess.

The next meeting will be Feb. 7 at Mrs. Chester Morrison's with Mrs. Homer Blalock the assistant hos-

For a change in eating, lets take our taste traveling with a recipe that Lorraine (Mrs. Phil) Krum acquired in Germany and another one she got from friends in Minnesota during the time her husband served in the U.S. Army in these places.

Bread.

Another all-around favorite recipe with the Krum family is Pumpkin Pie with Pecan Topping. Pumpkin, the bright orange symbol of the harvest season, is not unique to this country. In Europe, the pumpkin finds much wider use than simply an ingredient for pie. One venerable French recipe, Ragout de la Recolte, or harvest stew, is traditionally served from a large baked pumpkin which gives it a unique flavor and adds to the festiveness of any dinner

Mrs. Krum was graduated from Robert E. Lee High School at Baytown. Following graduation, she worked as cashier-bookkeeper for Zale's Credit Clothiers and at General Electric Supply Co. in Houston. She later worked as receptionist and PBX operator for Baird's Bakery. Prior to moving to Iowa Park, she was assistant catalog department supervisor at Penney's in Fort Worth.

During the 20 years Mr. Krum was in the U.S. Army, the family lived in several states and twice in Germany. He also served in Korea and Vietnam but the family could not go with him. In Germany, Mrs. Krum had an experience that she will long remember, that of being one of nine NCO wives allowed to make a trip to the U.S.-U.S.S.R. border.

The earliest jigsaw puzzle was a dissected map of England and Wales appearing in 1767.

Area teachers and parents known pediatrician, educaare invited to attend the tor and leader in the field of Ninth Annual Midwinter learning disabilities. Conference of the Council

CEC president Dorothy Montgomery urges teachers and parents who wish to attend to pre-register by Monday. For CEC members or full-time MSU students the fee is \$6, for professionals and parents, \$8. Checks should be sent to Jeanne Wakeman, 600 Flood Street, Wichita Falls, Texas 76301, made payable to Region IX-MSU-CEC.

Council for Exceptional Children

meeting next week at Midwestern

Following registration at 8 a.m. a display of successful materials chosen by Region IX will be available.

"Children with Specific Learning Disabilities" will be Dr. Richardson's topic for the first address at 9:15. Her address at the noon luncheon will be "Mainstream or Upstream."

Mrs. Roby is hostess

J.C. Roby was hostess for the Monday meeting of Night Baptist Women of First Baptist Church.

Mrs. D.O. James led the study of the last chapter of "Rivers of Ink", by Thomas W. Hill. "New Channels and New Bridges" was the title of the chapter in which the importance of Christian literature in the evangelization of the world was emphasized. Attention was focused upon the Spanish Publishing House in El Paso and publishing houses of several other demonina-

Those taking part in the program presentation were Mmes. Lee Smith, J. Louis Quick, E.T. Patterson, W.F. Booher, Roy B. Smith,

Homer Blalock and Roby. Mrs. Patterson directed the business when it was voted to participate with the Day W.M.S. in serving a noon meal at the Baptist our products from their Student Union at Midwestern State University.

I will continue to press for greater accountability by those agencies and departments that absorb the federal budget and to curtail or eliminate those who have outlived their usefulness.

"I appreciate the support you have given me. I will try to merit your continuing support in the future."

Obituaries

M.G. Moore

Services for M.G. Moore, 64, who died Sunday in a Wichita Falls hospital, were Tuesday afternoon at Tanner-Aulds Funeral Home.

The Rev. Jimmy Johnson, pastor of Grace Baptist Church, and the Rev. Carrol Cole, Baptist minister from Duncan, Okla., officiated. Burial was in Highland Cemetery.

A retired dispatcher with Fina Oil Co., he was born Oct. 12, 1913 in Jack County and was a member of Grace Baptist Church.

He is survived by his wife, Mildred; a daughter, Mrs. Elaine Briscoe of Iowa Park; two sisters, Mrs. Robert Rogers of Iowa Park and Mrs. J.E. Butler of Bryson; and six grandchildren.

Pallbearers were Junior Wakefield Charlie Mathis, John Hightower Jr., Jake Massey, Milton Cross and J.L. Webb.

William J. Painter

Funeral service for William J. Painter 46, who had resided in Iowa Park 11 years. was Sunday afternoon in Cassia, Mo.

Burial with military honors was in Exeter, Mo. under direction of Axlev's Culver Funeral Home.

A native of Exeter, he was a retired Air Force veteran. He died Jan. 12 in a San Antonio hospital following an extended illness.

Survivors are his wife, Patricia; a son. William Mack of the home; three daughters, Susie and Terry, both of the home, and Mrs. Patsy Hull of Wichita Falls; four sisters and three brothers.

"Try lowering the temperature in your home to 68° this winter. You'll save on your heating bill!"

"A setting of 68° during the winter is the one Texas Electric recommends for both comfort and energy efficiency. For each degree above

68° the energy used for heating your house is increased by approximately 4% per degree. As shown by the chart

the difference between the recommended thermostat setting and 74° is 24%. At 78° the increase in energy usage is 40% or more.

Clearly, the lower you set your thermostat the lower your heating bill is going to

be. And after last winter, one of the coldest on record, we think a lot of people are going to be trying their best to use less energy.

Remember to change the filter in your heating system regularly, too. A dirty filter causes your heating system to work longer and that costs you more. Check the filter at least once each month.

All forms of energy are costing more these days. If you're serious about saving energy and money, request a copy of our energy efficiency tips booklet

on the comment portion of your electric service bill."

Electricity. You count on it today. We're working to keep it that way. W. N. HOUSE, Manager, Phone 592-4149

Letters to the Editor

read with interest and concern the recent article in the Iowa Park Leader regarding garbage pickup containers. As an average citizen I am not that familiar with "petition legalities and city government functions" and I am surprised that such organized, group petitioning would be necessary in this matter or encouraged by the City government. Just ask us by questionnaire or let us know what you want or require, so that we can respond individually or voice our opinion, whether it be by our "mass" appearance at a City Council meeting, personal phone call, individual letter, or if a "petition" is required, where do we begin. Our city government officials who have been appointed or elected are our only source of information and we look to you for advice and assistance regarding the workings of city government. So far, my only source of information has been the newspaper, which I appreciate. Since I personally am not sure what action I should take at this time as a concerned party in

this matter, I do hereby personally and individually petition the City of Iowa Park to exempt this sub-division from the impending centralized garbage container system for the city, thereby retaining our present system of garbage pickup in garbage bags at the curb of each residence. My reasons are as follows:

Since this sub-division was planned and developed prior to the city's consideration and adoption of the new centralized method of garbage pickup, no allevs or easements have been provided in this area which could be used for the placement of such containers. To place these large "commercial-type" containers in the small front yards of homes for utility reasons in a planned residential community which has underground utilities and written restrictions levied upon the property owners to maintain & use their property by prescribed standards would be defeating the original purpose. Commercial property or alley-easement areas in residential neighborhoods are generally far enough

removed from the mainstream of family use, recreation, and landscaping that garbage containers would not interfere with the normal family environment. However, the placement of an unsightly, "commercialtype" garbage container in the small front yards of areas which do not have alleys would certainly be unattractive and "unsanitary" and would lower the property value for the property owner who has the misfortune to receive the "centralized container", as well as for the entire neighborhood, and it would certainly be a deterrent to prospective new city residents and property buyers which this city needs if it is to ever grow and prosper.

Therefore, I earnestly solicit the City's consideration in sharing in my interest and concern in this matter, and petition by this letter and my signature as a property owner in Shiloh Sub-Division, Section 2.

Roosevelt. The best he ever did was to reach a plateau where his motto was, "Run quietly and carry a soft

The final blow came when he entered college. He enrolled in karate -determined to become "a man." But, at graduation, instead of the coveted Black Belt, the instructor gave him a pair of yellow suspenders. Sylvester's spirit broke. He went home and moved back into his mother's cedar closet. When he finally emerged, vears later, he smelled so much like mothballs he rented himself out to the local cleaning, dyeing and clothing storage emporium as a human moth detergent.

I guess he is still there waiting for a change in scenery from winter furs to summer suits. His yellow suspenders and his copy of "The Life of Teddy Roosevelt," are gone. His mother put the two next to an African carnivourous plant she was raising and both the book and suspenders disappeared.

She never knew what happened, except that after the disappearance the plant turned the color of a ripe lemon and died.

RE: Open Letter to the Faculty, Parents and Students of Bradford Elementary School. Dear Sir:

Again this year it was our pleasure to select 12 patients to participate in the 1977-78 Adopt-A-Patient program with the Bradford Elementary School. The week before Christmas some of the students and teachers traveled from Iowa Park to the Wichita Falls State Hospital to present the patients with their Christmas Boxes. In the boxes was everything from clothing items to homemade fudge. Much time and effort goes into this project. Both parents and students work together with the coordination of each teacher. I truely believe this program is the best type of its kind because everyone is involved.

We are grateful to the parents, faculty, and students for again sponsoring this worthwhile project. I wish other schools would take on this project so that everyone of our 600 patients could have a classroom of children to care for them and for them to care about.

Thank you again. Sincerely. Jill Eckert Assistant Coordinator Volunteer Services Department

As I See It....

Boy, it's great to hear fans getting excited about Iowa Park sports again. It's been a long time.

Based on the attendance at the last two games, Brownwood here Friday and at Burkburnett Tuesday, the Mean Green fans are back!

Of course, everybody loves a winner. That's only natural. And the Hawks are winners in basketball, boasting a husky 20-3 record. They're not only playing winning ball, but exciting, too.

Only four games this season have been what you'd consider runaways. That's where the difference in the score is 29 or more points. They've had 12 games in which the point spread was less than 10.

I don't know much about how the big league high school basketball crowd act, but our Hawk fans are about as noisy and enthusiastic as I think anyone could be. There are vells, chants, and even the band and choir have made appearances at local

The Hawks have speed, size, depth and talent, all of which are required to make a good and exciting team.

But if you want to see them play in

National educators hear local program

Iowa Park School's Career Education Project "INFORM", was selected as one of six schools from throughout the nation to present a program at the National Conference of the American Association of School Administrators in San Antonio early

Faris Nowell, superintendent of schools, and Mrs. Penny Nowell, career education coordinator, presented the program to school board members and school administrators from throughout the nation at the conference. One of the goals of the conference was to provide school districts with information that would make it possible for them to go back home and initiate a career education program utilizing information provided by 10 model schools.

Iowa Park project was the only Texas school selected.

any of their remaining three home games, you'd better get to the gymnasium early to find a seat.

By getting there early, the seat isn't the only thing you'll find, however. You'll see a real fine girls' varsity team playing which I think will impress you.

Their record isn't as husky as the Hawks, but it's still a good one. In fact, better than Iowa Park has earned in a number of years.

What's impressive about the Hawkette team is the fact that they've not only been playing basketball three years after laying out when the school was moved up to AAA classification, but they've got some outstanding young talent.

How many varsity teams do you find where freshmen are your most consistent high scorers?

And if you'll get to the gym early enough, you'll also see some good junior varsity teams in competition, both boys and girls.

It's been a long time since basketball was very big around Iowa Park.

Maybe about five years ago, did fans take much interest. And before that year, it was way back in the early 1960s that roundball attracted more than a joking sneer from sports fans in the Mean Green town.

So, come on, you sports fans. You've been wanting some winners. Now you've got 'em.

City receives rebate check

The City of Iowa Park has been rebated \$2,744 as its January share of the one percent sales tax collected by local merchants.

Retail merchants who remit their sales tax collections on a quarterly basis face a Jan. 31 deadline for their next reports, according to the state comptroller's office.

Merchants who have questions or problems with preparing their sales tax reports may call toll-free 1-800-252-5555 for assistance.

Kleingrass 75 grass impressive

By DON D. DECKER

County Agent Kleingrass 75 is one of the first grasses to come out in the spring and the last to go out in the fall. This long grazing season is one of the big plus factors for this grass. It can be expected to produce about two tons of forage per year under dryland conditions, and it is quite resistant to drouth.

But, we can't get all the "coons up one tree". The disadvantages might include the difficulty in establishing a stand. Being a bunch grass, it is also susceptible to overgrazing.

Ben Kirkland is well pleased with the six acres of Kleingrass which he established last spring in the Wichita Valley. He seeded the grass in March at the rate of two pounds of PLS seed per acre. The seed was placed on the surface of the ground and covered very lightly by dragging. He says, "favorable moisture conditions last spring brought the seed up to a complete stand".

Management of the grass in the first season is important for establishing a deep root system. The new stand will try to establish a seed head within a few weeks. Mowing or grazing off the seed heads keeps the plants vegatative for development of a better root system and larger bunches the first year.

The best time for seeding Kleingrass 75 is March, according to Dr. Dale Lovelace, Extension area agronomist. "The seed need to be out there at least a couple of weeks prior to the soil warm-up to allow for moisture absorption and for soil firmness", says Love-

Davis ___

lace. Grazing should be grazing can start as soon as withheld until the plants are firmly established or some seed head begin to show. Overgrazing should be avoided especially in the

first growing season. One of the biggest problems in establishing a new stand is weed control. Lovelace suggests the use of 2,4-D amine to control broadleaf of weeds. This material is used at the rate of one pint per acre when weeds are young and actively growing.

On established stands,

the grass begins to green-up in the spring. Kleingrass can probably withstand being grazed off to four inches in height. Closer grazing might threaten established stands.

Jerry Hodges of Valley View obtained good gains on his calves which he implanted with a growth stimulate. His implanted steers gained 1.6 pounds per day on cows grazing native pasture. This gain was more better than

average for calves on this

Method demonstrations are the topic of talk for 4 H'ers interested in learning and showing their skills. Method demonstration training was successful with lity, feeding, care, and the help of interested 4-H'ers and Jana Arnold who presented a method demonstration on cake decoration. If you are interested in doing a method

District Food Show will be at 10 a.m. Saturday at Sikes Senter. Wichita County 4 H'ers who won at county level will have their opportunity to compete against other 4-H'ers from District III. The public is invited to come by and view the 4-H'ers food. Presentation of awards will be presented at 2 p.m. in the Dillards Court.

Kathy Johnson, Iowa Park 4-H'er, completed a Foods and Nutrition selfdetermined project on Better Breakfasts. Kathy prepared a traditional breakfast for Vocational Advisors as a part of her project. Kathy will be giving a workshop on Better Breakfasts at the State FHA Convention.

Congratulations, Kathy! Wichita County 4-H members received 225 baby chicks Jan. 17, which will be shown in the County show standing ovation at the end Mar. 13. These chicks will be eight weeks old at show time and weigh approximately

> five pounds each. Broiler production is a real good 4-H project for

young 4-H members who have limited space.

Boys and girls can learn a great deal-through these projects such as responsibikeeping records.

Wichita County will have the County Elimination Show Saturday starting at 9 a.m. This show will demonstration, call the represent 4-H and FFA boys Extension office at 766-0131. and girls with beef projects in Wichita County. Mr. Allen Copus will select the top fifteen steers and top fifteen heifers to represent Wichita County at the District Beef Show held Feb. 7, 8, 9, and

Former Hawks to be honored

It'll be homecoming for all former Hawk basketball players and coaches at Iowa Park High Feb. 3, according to Anthony York, president of the Student Council.

York is asking that all former players, regardless of what years they played, contact him or Mrs. John Meux, SC sponsor, for information concerning the day's

Included will be introduction of the former players and coaches at an assembly, a reception following the program, and a varsity basketball game that evening here against Burkburnett.

type of pasture.

Hodges placed Ralgro implants into the ear of 7 Hereford steers on June 24, with an average weight of 420 pounds. They were sold on September 14, averaging 550 pounds. This figures a gain of 130 pounds per steer in 82 days. He says, "I'm well pleased with the performance of the implanted calves".

This is "last call" for persons wanting to become certified as either a commercial or noncommercial pesticide applicator. A 3 day training workshop and testing is scheduled for January 17, 18 and 19 at the Research and Extension Center near Vernon.

Training and testing on the first day will cover weed-brush control and forest pests. Subjects on January 18 include field crops pests, vegetable and fruit pests, and predatory animal control. The final day will be spent on farm storage pest control, ornamental and turf pest, seed treatment, and right-of-way pest control.

If you are interested, contact Emory Boring, P.O. Box 2159, Vernon, Texas 76384 or 817-552-9941.

REMEMBERING...

Pet Funerals

Most people had pets when they were growing up. The pets were cared for, loved and often came to be like members of the family. Cats and dogs were the most common but anything could be a pet. There were ducks. white rabbits, cotton tails, squirrels, hamsters, roosters, possoms, even skunks (sans glands). Pets were made of such things as turtles, horned toads, frogs,

crickets, gold fish, mice and snakes. A child can love just about anything that's lovable and some things that parents would just as soon not see

But with all things that have life, death is certain. Few things in this life bring more sorrow than the death of a loved one and, to a child, his pet is very much a loved one. I remember a scene long ago of two boys with tear-filled eyes digging a

hole out in the orchard. They were burying their loved one, a dog, that had been run over by a car. The dog was carefully wrapped in the blanket he always slept on. He was placed in the hole. Standing there looking down, seemed as though something should be said. But nothing seemed right, nothing was said. Sniffels could be heard. The hole was covered over. I suppose you could call that a funeral, if a funeral is paying tribute to one you love.

Pet funerals weren't always as simple as the boys with their dog. One boy made a big production of the

occasion when his ground squirrel died. Julian invited several of us kids over to his house for what we learned was to be Speck's funeral. The grave had been prepared along with a velvet lined shoe box for the casket. A flat, white sand stone was to be used for the grave marker. He had lettered SPECK on it with a red crayola and outlined each letter with green.

Two boys were selected to be pallbearers. They slowly walked out of the garage and down to the graveside where he were standing. Slowly they circled the grave once with the casket open for us to view the body. The girls mourned and we stood reverently by. The casket was placed in the grave. Julian took out his testament, thumbed through the pages to a marked place and read Matthew 6: 25-29 The speech was next: "Dearly beloved we are gathered here . . ." We sang a few lines of "When the role is called up yonder."
Actually it was just the chorus 'cause that's all we knew. We each took a hand full of dirt and sprinkled it over the casket and then Julian took his shovel and finished covering it up. The grave stone was set in place and we all stood there for a minute thinking about ole Speck. The silence was broken by Julian saying, "Anybody for a game of tag?" SLAP! You're it! Julian didn't let stuff bother him very long but he could really do things up right when he set his mind to it.

Hawks extend record to 20-3

Hawkettes 2-2 against district opponents

While the Hawks were putting away two more Dist. 4-AAA opponents, Brownwood and Burkburnett, the Hawkettes had to settle for a split with their counter-

In extending their season record to 20-3, the Hawks shot down the Lions 64-49 here Friday, and made a big fourth-period push to pull away from the Bulldogs 77-71 Tuesday.

Playing without the services of one of their leading scorers, the Hawkettes had an easy time in defeating Brownwood 54-32, but being short-handed made an obvious difference at Burkburnett, where they lost 27-41.

Iowa Park and Brownwood were pretty much matching points through most of their game until the last couple of minutes, when it became apparent how much the Lions depended on their 6-7 transfer from Houston, Mark McCurry.

Leading by only five

points, the Hawks were able to break the game wide open when McCurry not only drew his fifth foul, but disagreed so violently, he was charged with three

technical fouls. After Rusty Price had sunk his two free shots, and Jimmy Rowell three on the technicals, the Hawks started their "running and gunning" routine to put the game out of sight for the

visiting Lions. Iowa Park held only a 10-8 lead after the first quarter, 23-19 at halftime, and 39-31 going into the fourth. But when Anthony York fouled out with 4:50 remaining, the lead had been cut to 42-35.

Rowell finished with 20 points, and York had 18.

The Hawkettes rushed to a 17-2 lead through the first eight-minute period, and coasted from there, leading 30-15 at halftime and 42-18 after three quarters.

Freshman Jo Ann Mc-

Clurg picked up the scoring honors in the absence of Jimm Watts, finishing with 24 points. Shervl Thornton also wound up in double figures, with 12. The game was marred

with personal fouls, 61 all told. Brownwood had 36 fouls, with two players fouling out. Thornton was the only Hawkette to foul out, though the team was charged with 25 personals. BURKGAMES

Playing in the familiar surroundings of their own gymnasium, Burk's Bulldogs pushed the high-flying Hawks.

But when York and Jim Dooley found their hands hot, the two seniors virtually took over the scoring the last 8:45 of the

Between them, they scored 25 of the last 29 Hawk points.

Burkburnett's David Nix was devastating under the basket, and Jose Thomas could hardly miss from the 28-foot range. Nix wound up with 28 points and Thomas, who hit only two free shots, had 24.

Though the Hawks led at the end of each quarter, 17-12, 34-32 and 54-50, they trailed several times during the game, the score was last tied with 6:19 remaining in

Hawk Boosters slate election

New officers for the Hawk Booster Club will be elected at a meeting Monday evening in the high school cafeteria. Outgoing president Ray Waldrop said the meeting would begin at 7.

Other officers to be replaced for the 1978 football season are Darrell Burrell, vice president, and Mrs. Lewis Hillard, secretary.

Besides the election of officers, the annual financial report will also be the last quarter.

BATTLING FOR POSSESSION OF A REBOUND ... Hawk center Jimmy Rowell, left, fights with Brownwood Lion.

the game.

Burk trailed 62-61 with 3:54 left, when York and Dooley racked up eight unanswered points during the next two minutes to pretty well put the game out of reach.

Four Hawks wound up in double figures. York led with 24. Dooley, who found himself with three fouls early in the first quarter, finished with 14, all coming in the second half. Doug and eighth grade students. Rogers also had 14, and

Not only were the girls compete. short-handed without Watts, Thornton twisted an ankle just before the first half ended, and was played only sparingly the rest of the

The Hawkettes led, or the score was tied, throughout the game, however, until Burk scored on a three-point play, and took over 25-22 with 3:16 remaining in the third period.

But from that point on, it was all Burkburnett. The hosts led 29-25 going into the final period, and Iowa Park managed only one basket

Burkburnett played a stall

game the final eight, scoring, accounting for 18 of minutes, forcing fouls by the the team's 27 points. Hawkettes in their desperate attempt to get possession

of the ball. McClurg led Hawkette 13-24.

The Hawk junior varsity fell 49-61, and the Hawkette junior varsity also lost,

Soccer sign-up set Saturday

Youngsters between the ages of six and 12 will sign up Saturday to play in the Greater Wichita Falls Area Youth Soccer Association spring league.

Registration will be from 9 a.m. to noon at the Texas Electric Service Company's Reddy Room. Three age divisions will be

formed this spring, with ages 6-8 in Div. I, 9-10 in Div. II, and 11-12 in Div. III. In the event an adequate

number of players are not obtained to form a team, those wishing will be put on Wichita Falls teams, according to league spokesmen.

from the surrounding area. A membership drive is underway and is scheduled for completion Feb. 13. Gift certificates will be awarded to the top three members who sign up the most members during the drive.

The organization is expected to seek approval from school officials to purchase lights for the high school courts. If approved, efforts will be made to complete the project by the end of March.

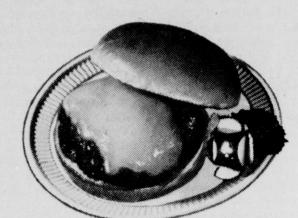

Next meeting of the association will be Feb. 13, though the place and time have not yet been decided.

City hires new attorney

rietta was hired as Holliday's new city attorney,

Police have new number

The new telephone number for Holliday Police Department is 586-1624, according to Officer Dennis Rees.

Installation of the new telephone was approved by the Holliday City Council during their last regular meeting

Rees requested that the new telephone be installed in his home to improve emergency communications.

Previously, persons needing municipal police assistance had to go through information to get Rees' private num-

The new telephone number will be listed under Holliday Police Department, Rees said.

Eagles are 2-0 in loop play.

Frank Douthitt of Hen- according to minutes of a special city council meeting called last Thursday.

> Douthitt reportedly told the council he would handle their legal affairs for \$50 to \$60 an hour in addition to other direct expenses such as long distance telephone

The attorney also said he would charge the city for road time between Henrietta and Holliday.

Douthitt, who also serves as a regent for Midwestern State University, was hired by the Holliday City Council to draft ordinances to govern water line requirements both inside the city limits and within Holliday's extra territorial jurisdiction.

According to the minutes, the vote to hire Douthitt was unanimous. Alderman Fred Maier was absent.

BACK OFF! -- Holliday's Steve Lucy [white jersey] fights off a trio of Callisburg players

after taking a rebound during last Friday's District 13-A basketball opener. The varsity

hassle over the size of water line required to serve Johnny Jones' home north of

Some of the council wanted to make Jones lay a six-inch line in keeping with their new policy that all water mains must be at least

Douthitt told the council the problem was not with its water lines, but with the council itself, persons present at the meeting

It was the consensus of the council that Jones' home could be serviced with two-inch water line that had been supplying his home for more than a week since the controversy arose.

The council will convene

Holliday News

Douthitt's employment in in regular session at 7 p.m. part was prompted by a Tuesday at Holliday City

Little things hard to learn

It's the little things that sometimes are hardest to

During their first morning as students in Holliday's public schools, a new batch of kindergarten scholars hit a snag Monday morning in the cafeteria.

The report goes that several of the five-year-olds entered the serving corridor and emerged at the other end empty-handed.

It seems no one had instructed the newcomers that they were supposed to pick up a tray of food on their way through.

All 23 of the students who compose Holliday's second semester kindergarten class exited the cafeteria corridor with a tray or brought their lunches on Tuesday, according to observers.

GOOD CITIZEN - Senior Donna Ruth has been named DAR Good Citizen of Holliday High School. Miss Ruth, the daughter of Mr. and Mrs. Don Ruth of Holliday, will be among area good citizens honored at a tea Feb. 18 at the Women's Forum in Wichita Falls. A cheerleader and bandsman, Miss Ruth is a member of National Honor Society and HHS Student Council.

Six local offices are up for grabs

Holliday voters in 1978 will choose a new mayor, three city councilmen and two school board members. March 2 is the deadline for filing for election in the

April 1 city council and school board elections. School trustees whose posts will be up for grabs include Royce Coats and Lonnie Brackeen. Neither has indicated whether he will seek a return to office.

Holliday residents will go to the polls to elect a mayor to serve the next two years. The incumbent, Jim Darr, is filling the unexpired term of Leo Chappell, who resigned shortly after the municipal election in 1977.

The shift in city administration caused by Chappell's resignation will necessitate a race for council Place 3. Charles Parker was appointed to fill the Place 3 vacancy last year, and state statute requires an appointee to file for election in the next election. The Place 3 race will be for a single year term.

Other council positions up for election include Place 2, currently filled by Ben Ezzell, and Place 4, currently
