

LOCAL BREVITIES.

BOB BROWN is quite sick at the C. H. C. mine.
JOE BROUGHTON came in on the stage this afternoon.
MRS. JOHNSTON has opened the Gem of the Burg restaurant.

Mrs. H. W. CARR has been quite sick this week, but is recovering.
ANDY DEMASTERS returned on Tuesday, after a two weeks vacation in Durango.
S. H. BURGHARDT went out to Rockwood Thursday. Will return to-morrow.

MISS OLLIE OHLHAUSEN entertained a number of friends at a pleasant card party last Monday evening.
If expected mail has not arrived, it may be safely put down as in the mail sent around by way of Fort Wingate.

THE stage will depart on time Monday morning next, and daily trips made each way thereafter, except as providence puts a veto.
GEORGE WEST, proprietor of the Miners Meat Market, came in this afternoon from Durango, where he has been for some weeks.

RECENT warm weather has had the effect of settling the snow greatly, and the beautiful is not half so deep as it was a few days ago.
SIG. OLSON and Frank Iler returned yesterday afternoon from Silverton. Sig. has been working an assessment on some of his San Juan county property.

ED G. SEGENER, the senior member of the firm of E. G. Segner & Co., which failed some years ago in Rico, is now traveling for a Dulaque, Iowa, firm.
SAMUEL JAMES, of the Pasadena, thinks that Rico as a producing mining camp has a better future than any other Colorado camp, and he has been in nearly all of them.

T. A. DAVIS has settled his family for the winter at 509 Stout street, Denver, and has gone East to have a confab with E. L. before the latter sails for Europe. From New York, Theo will go to New Orleans to see the Exposition.
TOM C. SEWALL, who was division agent of the stage line between Rico and Rockwood, during the Tabor reign, is said by a Denver paper to have opened a class in sparring and the use of "single sticks" at Room 98, Opera House block.

A VERY fine gold watch, the property of Hugh Rae, was raffled last Sunday evening at the Beaneys. Fifty chances were disposed of at \$2 each. The lucky party was Alex Ohlhausen, who threw 48 at high dice; the next highest being 40, thrown by Alex Gerla.
LAST Wednesday the Old Fellows installed their elective and appointive officers for the current term. The elected officers are W. B. Shively, Noble Grand; D. R. Clay, Vice Grand; and J. T. Beale, Recording Secretary. These three constitute a visiting committee.

PAT MURRAY, the Irish comedian, has left Rico, having left this week for Unawapcahon, and will work on the Trail and other properties for Jim Hall, and other Rico boys who own claims in the cañon. Hall started out early this week and will be absent all winter.
LOUIS SCHUELER, who was so long one of the firm of Schueler & Bang, is now in business in Cincinnati, being the sole proprietor of a meat market doing a good business. The party who sold out to him amassed a comfortable fortune of \$50,000, and Louis is making desperate effort to follow in his footsteps.

"PROFESSOR J. M. DODD" forms the basis of a personal in a Springfield, Ohio, paper. Mr. Dodd is described as a millionaire in embryo because of his flattering prospects in Rico. He has just accepted a situation for the winter with A. M. Crother & Son, of Springfield.
"ON Tuesday Mr. and Mrs. David Swickhimer returned to Rico and are comfortably located in their home on Commercial street, where they will be pleased to see their friends. The few days they were blockaded from home were passed at Trimble Springs and in Durango.

J. L. SANDERSON is preparing to put on a daily line or coaches from Montrose via Ouray to Silverton.
HARRY SCHIFFER and Bob Carson, of Durango, each rejoice in their New Years present—a girl baby, each.
THE Muldoon's New Year edition places the output of Ouray county for 1884 at \$1,800,000—a very fine showing. This San Juan is a glorious country.

M. E. FIELD, of the City Meat Market, started out for Durango on Thursday last, to replenish the fish, oyster and poultry departments of his establishment.
It is announced that John R. Curry, the founder of the Silverton Miner, the News and various other San Juan papers, will soon establish a paper at Telluride.

DAVE WOOD has published a statement of his forwarding business, showing that in 1884 he handled 7,800,624 pounds of freight, which includes freight hauled from Montrose to Ouray, San Miguel and Dolores counties and ore hauled from them to the railroad.
THE Miners' Meat Market makes its own rates on meats, furnished from its own cattle ranges and will operate on the "cut and slash" system. The books of the market always carry finest beef and low prices will cut a large chunk out of public patronage. I propose to get it. GEORGE E. WEST.

THE newly elected county officers will enter upon the discharge of their respective duties on Tuesday next. They are John Eder, commissioner, who succeeds Harry Cahn; Frank C. Loring, justice of the peace, long term; D. R. Clay, short term; Robert Brown, constable, long term; Dave Selby, short term; Geo. A. Rule and F. J. Walker, road overseers.

THE O. B. E.'s have settled down to business for the winter and last Sunday evening installed their new officers. They are: B. F. Kloe, W. C.; C. H. Steele, V. W. C.; Adin McGraw, R. S.; W. H. M. Bangs, F. S.; C. J. Bang, T.; J. O. Campbell, C.; C. F. Laue, M.; C. J. Pence, 1st Ass't M.; J. Hicks, 2d Ass't M.; C. F. Laue, G.; A. M. Rogers, A. B. Brydon and T. H. Wagensler, Trustees.

LINWOOD O. TOWNE this week "hangs his banner on the outer walls" and extends a cordial invitation to all to become patrons of his circulating library. A list of the books elsewhere appears, reference to which will show a choice collection of the standard works of the day, comprising romance, fiction, history, biography, etc. Many have ample time to enjoy the privileges of constant access to the library.

W. J. RAY, who has been cared for by the county for the past two months, is in quite a bad condition, suffering from asthma. County Commissioner Barnett is boarding him and does not think he will survive long. Ray is a man who has been well to do, came of good family and keenly feels his present pitiable condition, to which he has been brought by lingering disease, and is unable to longer support himself.

A DURANGO man suggested that it would be a better plan when the Conejos range is blocked to divert the letter mail from Alamosa to Espanola, where a United States mail route could carry it to Chama by wagon, and thus not delay its arrival in Durango more than thirty-six hours. The wagon road from Espanola to Chama is in the valley of the Chama River, and at so low an altitude that the mail runs every day in the year.

REV. W. H. HOWARD came in on Tuesday's stage and was quite overcome with surprise on being ushered into the elegant quarters prepared for him by the ladies and gentlemen of his congregation. The church building has been provided with very comfortable seats and the cause of the gospel may be said to be flourishing as a green bay tree. Services to-morrow morning at 11 o'clock and in the evening at 7, and regularly hereafter at those hours until further notice.

THE Montrose Messenger of the 1st inst. publishes a list of cattle driven into that section during the year 1884. We notice that W. T. Ryman comes second in the list with 1,100 head of cattle and 100 horses. Further down we run across the name of C. N. Cox, familiar to all Riconians, who is credited with the neat little bunch of 400. Ryman's cattle brand appears in the paper, and in the place usually accorded in such advertisements to "range" appears the words "Drive her to grass, boys, and she'll live." In speaking of Mr. Ryman's start in life, it says he commenced seven years ago with a saddle horse and a branding iron. Such language is not usually considered very complimentary to the honesty of a cattle man, but in this case nothing is evidently intended.

ALL the blockades on Colorado railroads have been removed and trains are running regularly. Up in Oregon the railroads are still battling with huge drifts and heavy snow-falls. Our own and only Conejos range was opened with very little difficulty and trains have been running to Durango since Saturday last. A large lot of mail for Durango, Rico and Silverton was promptly ordered by way of Fort Wingate through the efforts of Postmaster Keightley, of Durango, as appears in an item on our first page. Had the blockade been of long duration, this action would have been the means of securing an early mail. As it is, the trains forced their way through some days in advance of the Wingate mail, portions of which only have reached Rico. San Juan people last winter learned to take the bull by the horns, and Mr. K. is deserving of praise for his promptness, even though the result was not very satisfactory.

Honors for Pence.
The democratic members of the House of Representatives, held their caucus last Tuesday night and nominated "Our Life" for Speaker.

Mail Out To-morrow Morning.
The stage will depart for Rockwood to-morrow morning, instead of Monday, as elsewhere stated. Those having important communications will take notice. To-day's storm is the cause of the change.

Almost a Fire at the C. H. C.
The C. H. C. ore house came near being sacrificed to the flames last Tuesday night. About one hundred and fifty ore sacks had been piled up to dry near the sheet-iron moisture catcher, or dryer. During the night the sacks caught fire and were destroyed, and communicated the flames to the sides of the ore house and had quite a little start before discovered by the night shift. No damage was done beyond the destruction of the sacks and the charring of a few timbers.

Son-struck.
Sunstrokes are rare in high latitudes even in mid-summer, but in January such a thing may be regarded as phenomenal. It happened to Mundece on Tuesday, but with careful attention it is hoped that his recovery will be complete, as he already begins to show signs of returning sanity, having offered to shake the writer the dice for the beer last evening. The boy is a fine one, and we can wish him no better success in life than that he may inherit the beauty of his father, the amiable disposition of his mother, and live a useful and happy life bearing the name (already bestowed) of Alfred Henry Mundece. Bless the boy.

A CALL.
Which Will and Should Meet With a Hearty Response.
To the people of Dolores County:
Several bills have been introduced in the Houses of Congress since its opening, acting upon the urgent recommendations of President Arthur to discontinue the coinage of silver dollars. Should any of these bills pass, the silver mining industry will virtually be dead. A convention of delegates from each county to protest against these injurious attacks upon our silver interests will be held at Denver on the 28th of January, 1885. Dolores county at this convention is entitled to six delegates. We should be represented, and in order that a full expression may be had, we hereby call a mass meeting of the citizens of the county to select delegates to represent Dolores county at this most important meeting to be held on Saturday evening, January 10th, 1885, in the building on Glasgow avenue formerly occupied by Harry Cahn.

MANY CITIZENS.
COUNTY WARRANTS WANTED.
I desire to purchase about \$900 (Two Hundred Dollars) in warrants of Dolores county which are included in the funded debt of the county.

LINWOOD O. TOWNE.

MONEY OR BLOOD.
John Gault, late proprietor of the Miners' Meat Market, has left all his accounts with me for collection, and those who are in his debt will please take note of the fact and bear it constantly in mind. Instructions are that these bills are not placed in my hands for keepsakes, but that I must realize on them.
A. H. MUNDECE.

SETTLE UP!
The accounts due to Harry Cahn and by him assigned to Ed. Schiffer & Co., have been placed in my hands for collection. All persons who are in debt to these parties are hereby notified that an immediate settlement is expected and must be made. There is neither "if nor and" in the matter; a satisfactory settlement is all that can, under the circumstances, be accepted.
A. H. MUNDECE.
