Mob or Magistrate.

During the year which has just closed

number of crimes; it is only from com-

been cases in which the crime must have

been committed during 1882, while many

of the criminals of 1883 had not yet been

brought to trial. It is not, however, far

from the truth to say that, while 1,300 or

1,400 murders are committed in this

country every year, fewer than 100 suf-

fer the extreme penalty of the law. When

the willful slayer knows that he has 13

chances out of 14 of escaping the full

penalty of the law, the deterrent influence

of punishment can not be said to be very

What the law could not do, or has not

done, lawlessness has undertaken to ac-

complish. The failure of judge and jury

has let loose the private avenger and the

mob. Quite a number of these 1,500

murderers, as every reader of the newspa-

pers will easily remember, were committed

in obedience to the lex talionis, to expi-

ate some previous crime. The Oriental

avenger and the frontier lyncher join

hands in this mad dance of anarchy.

The same year that witnessed 93 legal

executions witnessed 118 lynchings. The

a dozen of the willful murderers receives

the just recompense of his deeds, and

that technicalities and quibbles are con-

stantly allowed to shelter the worst crim-

inals, they themselves become desperate:

and, breaking through the just and salu-

tury restraints of law, they deal out ven-

geance right and left in a bloody and tur-

the river, are: The Wabash, owned by the Wabash and Democrat Consolidated Mining Company, and developed by about 600 feet of shafts and drifts.

feet. The patented claims, beginning at

The Pigeon, owned by J. O: Packer and J. W. Winkfield, and developed by 400 feet of shafts and drifts.

The C. H. C., owned by C. H. Carpenter and A. P. Adams and developed by a shaft of 100 fect and a tunnel of 250 time when the trail question was agitated, feet

The Ethlena, owned by M. S. Corbett and L. V. Rosser (formerly claimed by Jos. N. Bogert as the Carlotta), developed by 200 feet of shafts and drifts.

The Maid of Australia, owned by

o'clock this afternoon, three miles this erally much less. The railroad to Duside of Currecanti Station, in the Black rango is not blockaded. The 15 miles of canon, by which Engineer Arthur Bratt snow on the other route lengthens out to lost his life. Since the snow began to 20 and the impassable condition of the melt in the canon, snow and rock slides meadows (as they now are) is well known of greater or less magnitude have been of to any one who has been over the road-the Journal man never has. So far as the daily occurrence. Early this morning a large boulder fell on the bridge across the "few individuals who are interested in the Gunnison near the mouth of the Cimarron Rockwood wagon road" are concerned, we trust they may be kindly permitted to and smashed it down. This necessitated the transferring of passengers at that open their road if they so desire. At a point. In addition to this there were half a dozen small slides to-day between and there was no immediate prospect of Currecanti and a point three miles this prices. the raising of the railroad blockade, the side of there. The regular west bound toll-road people offered to do as much as any other citizens in opening a trail in passenger train, which passed here this any direction the people should select. morning, went as far as the first of

Spurlock and Jos. Hensel; developed by 80 feet of shaft and tunnel The Robber State, owned by N. J.

Bradley, C. H. Steele, Jos. Spurlock, J. D. Clarke and D. D. Gregory; developed by 90 feet of shafts and drifts.

The Harvey, owned by J. F. Wannemaker, N. J. Bradley and A. M. Friend; developed by 80 feet of shafts and drifts.

The Uncle Ned, same owners as Harvey; developed by a tunnel 200 feet and one shaft of 50; another shaft is 110 feet deep, with a drift in connection of 150 feet.

The Avalanche, owned by A. M. Friend and Robert Dunlap; development unknown.

These claims are all located on the same vein, a well-defined vein, which becomes somewhat broken as it descends to the Pigeon and Wabash, where immense bodies of mineral are found. Cross ing over Silver creek, we find the large veins (in the direction of this vein) of the portions are, and the day that he gets Black Hawk, Lelia Davis, Little Maggie, Fort Wayne and others.

will begin; some men are at work now. The general character of the ore in the We believe that the gentleman states the vein is sulphide of lead and iron, carrying silver in various quantities in different truth and that he means what he says. portions of the lead. A mill-tun on con-The road can be opened in a few days. siderable ore from the Uncle Ned ran 240 If the case had been so bad as to demand relief, in the way of food, we should have ounces in silver and assays from all parts advocated the tramping of a trail to Ames of the vein have run from 600 to 1200 and should have been glad to enlist the ounces. Croppings all along show iron, aid of Bro. Curry in the enterprise. Those sulphate of lead, hematite iron and porwho know the gentleman will recognize phyry.

This constitutes a vein that will do to the splendid natural advantages he has tie to and will produce a great amount of for this kind of work. As it is, he has one. Every one of the patented claims mentioned will be extensively developed an unneighborly slur at Rico. We do this summer, except perhaps the Ethlena; we are not advised as to the intentions of the owners of this claim. We are, first, last and all the time in favor

A RARE CHANCE FOR EVERYBODY !

No live man, who desires to be well in formed as to what is occurring in the live-stock, agricultural and commercial circles of the great New West, can afford to do without the old reliable Live Stock Indicator, of Kansas City. No other stock or farm paper begins to equal it for Western men, and its market reports are absolutely the best made-not quotations, but actual transactions, and copied as authority everywhere. The regular price is \$1.50 per year, but we have a special arrangement by which we can furnish The Indicator one year (and balance of 1883 free) with the NEWS at only \$4.00 for both

Hand in your subscription at once and take advantage of this extraordinary offer. Address The Indicator, at Kansas City, Mo., for free sample copies.

#### Merry Dancers.

A large number of people, on fun in tent, assembled at Weber Hall last evening to participate in the dance given by the I. O. O. F., and until a late hour this morning the hall was occupied by a happy, joyous throng. The entire building. up stairs and down, was turned over for the occasion, the upper portion being devoted to dressing rooms, supper tables, etc. The spacious hall below was hand somely decorated with evergreens, designs of the order, etc. The three links were conspicuously displayed and "F. L. T." was gracefully suspended just out of reach of one whose initials it formed-Filer L. Thompson. The portraits (in regalia) of three of the former Noble Grands of the order were hung against the wall and represented Jacob Summa, J. F. Wannemaker and N. J. Bradley. Since the organization of Silver Crescent Lodge there have been five Noble Grands. J. W. Westcott and Leon Eggers completing the quintctte. The membership of the lodge now numbers 58, and it is in a flourishing condition. The members generally were represented at the dance last night, and many outsiders availed themselves of the opportunity of enjoying

> the occasion. Among the many familiar faces on the cene we noticed:

Misses Mary Ohlhausen, Lillie Hartman, Ollie Ohlhausen, Gussie Bartlett, Lillie Silvermann, Eva Raymond, Nettie Gardner, Jessie Ray, Ella Rule, Ollie Hensel, Emma McConnell, Katie Johnson Helen Johnson, Annie Johnson, Reda Schloss, Rosa Higgin, Mattie Kauffman,

men to send telegrams, and there being no office in Rico, the message must be sent by mail to Rockwood. This, we hope. will pot long be the case, but at present there is no help for it. Messages are sent by individuals who have no means at hand of knowing the rate and are un. known to the operator, so that very fre

quently lengthy delays are experienced in matters that can ill afford loss of time. We have been to some pains to ascertain the rate, so that any time when it is desired to send a telegram, the exact amount may be remitted with the dispatch and thus insure that it will be promptly forwarded. Mr. J. A. Atkinson, agent at Rockwood, gives the following as the new Western Union rates now in effect, rates given being from Rockwood to

points named: To Denver, day rate:-60 cents for ten words or less, and four cents for each additional word after ten.

Night rates:-40 cents for ten words or less, and three cents for each additional

word after ten. To Pueblo, day rates:-50 cents for ten words or less, and 3 cents for each addi-

tional word. Night rate:--30 cents for ten words or less, and two cents for each additional word

To Durango, day rate:-25 cents for ten words or less, and two cents for each additional word. Night rate:-25 cents for ten words or

less, and one cent for each additional To Silverton :- Same in both day and

night rate as Durango.

To all other distant offices in Colorado, same as Denver.

word.

To all Western Union offices in Iowa, Kansas, · Missouri, Indian Territory, Nebraska, New Mexico, Wyoming and Utah the day rate is 75 cents for ten words or less and 5 cents for each additional word

after ten. Night rate:-50 cents for ten words or less, and 4 cents for each additional word after ten.

To all other Western Union offices in other States and Territories the day rate is \$1.00 for ten words or less, and 7 cents

for each additional word after ten. Night rates:-75 cents for 10 words or less, and 5 cents for each additional word after ten, excepting in Washington Terri tory, Oregon, West Texas and British Co-

Mr. Atkinson further states that all time running from 1 to 12 inside and 13 person or by proxy at the Denver con- tion of Mrs. Wise. Every delicacy ob messages to be sent "collect," must be to 24 outside. Aside from the numbers vention, of which number this county tainable was profusely abundant and guaranteed by some responsible party, the face is transparent and it requires a sends three in the persons of D. R. Clay, many declare it was the finest public sap- otherwise they will positively not be sent.

SUMMONS.

STATE OF COLORADO, | 88. COUNTY OF DOLORES. Adolph Hass, Plaintiff, SUMMONS. D. A. McGraw, Defendant.

The People of the State of Colorado send

The People of the State of Colorado send Greeting: To D. A. McGraw, defendant above named: You are hereby required to appear in an ac-tion brought against you, by the above named plaintiff, in the County Court of the State of Colorado, in and for the County of Dolores in the State of Colorado, and to answer the com-plaint filed therein, within the days [exclusive of the day of service] after the service on you of this summons if served within this county; or if served out of this county, but in this dis-trict, within twenty days; otherwise within forty days; or judgment by default will be taken against you, according to the prayer of said complaint. The said action is brought to recover the sum of three hundred and three dollars, due from the defendant to the plain-tiff upon one promissory note, dated Rico, Colorado, October 13, 1883, and made by said defendant for \$355, payable 3 months after date thereof to the order of Louis Schloss at the Bank of Dolores, Rico, Colo., with inter-est at three per cent. per month until paid, interest payable monthy, together with a reasonable attorney's fee in case suit is en-tered to collect said note or any part of it, \$50 being claimed as a reasonable attorney's fee. Said note is endorsed by said Schloss to said plaintiff and is credited January 17, 1884, with \$30.22 and March 13, 1884, with \$100, particular-ity described in the complaint: also for inter-est at the rate of three per cent. per month from April 19, 1884 on \$25.55 of said sum. And you are hereby notified that if you fail to appear and answer said complaint as abovie required, the said plaintiff will take judgment against you for the said sum of three hundred and three dollars with interest and costs. Given under my hand and the seal of the County Court of the State of SEAL Colorado, in and for the county of April, A. D. 1884. E. A. HOBINSON, Judge And Ex-Officio Clerk of County Court. Greeting: To D. A. McGraw, defendant above named:

JULIUS THOMPSON, Plaintiff's Att'y.
