GREYHOUNDS TOP STINNETT 19-12

A thriller Friday night gave Gruver their second win of the season as the Hounds nipped the Stinnett Rattlers 19-12. Both team took advantage of the opportunities

before them but the strong Gruver defense held the Rattlers to very little gain. Gruver managed to make their way down field for 104 yards rushing in the first

half while Stinnett managed only fifty yards. Gruver ended the game with 256 yards rushing and twenty-six yards passing while Stinnett managed ninety-two on the

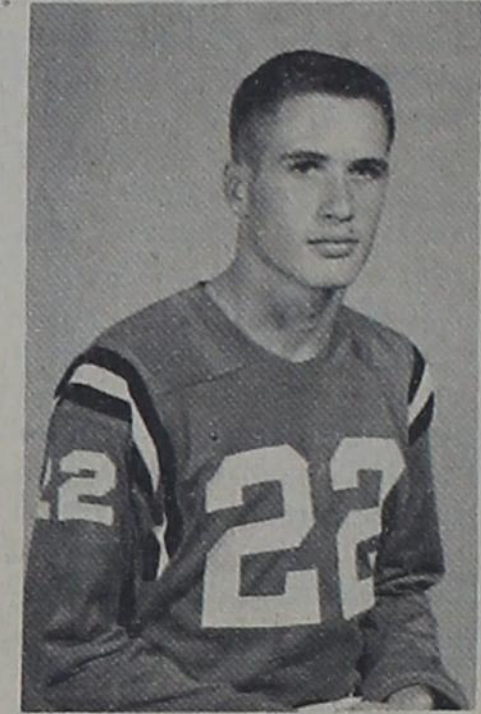

ground and 131 in the air. Frank Silva picked up 114 yards for the Hounds during the night and accounted for the three touchdowns of the night for the Hounds. In the last quarter he broke up a passing drive of Stinnett by intercepting a pass on the Gruver yardline and bringing it back to the Gruver 40. Danny Riley picked up sixty-seven yards for the Hounds. Riley, Gumfory, Saltzman, Mathews and Shapley showed outstanding defensive work for the night.

The Hounds held Stinnett after receiving Gruver's kick and took possession of the ball on the Stinnett 32 yard line to lead 6-0. Gruver and Stinnett both took two first downs. Gruver took two more first downs and another touchdown in the second quarter while Stinnett blocked a Gruver kick behind the goal line and six points for themselves to make the score at the half 12-6 in Gruver's favor.

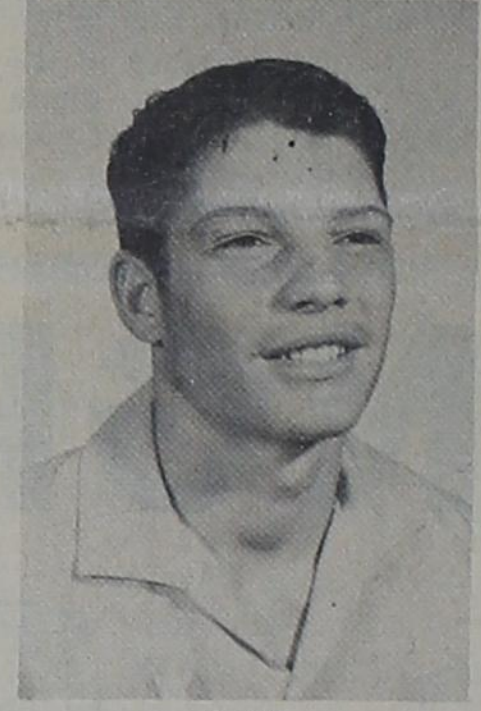

The two teams took a first down a piece in the third quarter as Stinnett took to the air. Womble passed to Plumlee for a 65 yard run to paydirt to tie the score 12-12 just after the fourth quarter began. The Rattlers saw no possible way for gain on the ground with Gruver's defense holding and pushing them back so they took to the air in the last half. To my Gumfory took care of one of their passes as he intercepted on the Gruver 35 to change possession of the ball. The interception led to the winning touchdown of the night for the Hounds as Gruver began their drive from their own 35 and crossed the goal line with twenty-seven seconds left on the clock. Mack Hoel opened the game with a kick to the Rattlers on their 5 yard line where they brought it back to the seven. But Stinnett was penalized and pushed back by the Hounds and were forced to kick out from their end zone. Gruver took over on the Stinnett 32 and in seven plays, Mathews, Silva and Riley had carried the ball downfield where Silva went over for the first touchdown. Stinnett took the Gruver kick on their 22 and made two first downs before giving back the ball to Gruver. Silva scampered twenty-two yards on the first play but were forced on fourth down try. An exchange in punts again and a fumble gave Gruver the ball on their own 19 yard line. Again with handoffs from the quarterback, Tipton, Mathews, Riley and Silva carried the ball to the goal line where Silva went over for the touchdown to make the score 12-0 in Gruver's favor.

Stinnett received the Gruver kick but three plays later, Shapley tackled the ball carrier for Stinnett for a six yard loss and the Rattlers punted, but the Hounds found it hard to gain yardage and punted back to Stinnett. Riley and Mathews pushed

Funeral Services Held For Sam Martin

Funeral Services were held Friday September 25th in Dallas for Sam W. Martin of Dallas who died September 17th in Tokyo, Japan. Mr. Martin was the first County Agent of Hansford County and moved here in 1924.

Mr. Martin took ill while in Tokyo as he and his wife were beginning a long awaited around the world trip. The couple had left Dallas September 12th and were only on their first stop of the trip.

Weiland Merritt Live Oak Chapel was the scene of the funeral and Dr. Thomas A. Fay, pastor of the First Presbyterian Church of Dallas, officiated. Interment was in Morgan, Texas, Cemetery. The couple made their home at 6427 DeLoache of Dallas.

Mr. Martin graduated from Texas A and M College in 1917 and came to Hansford County seven years after to hold the position as the first County Agent of Hansford County. He was instrumental in starting or introducing many modern practices in the Farming and Ranching to this county. 4-H Work was also an important part of Mr. Martin's life and he was quite interested in young people

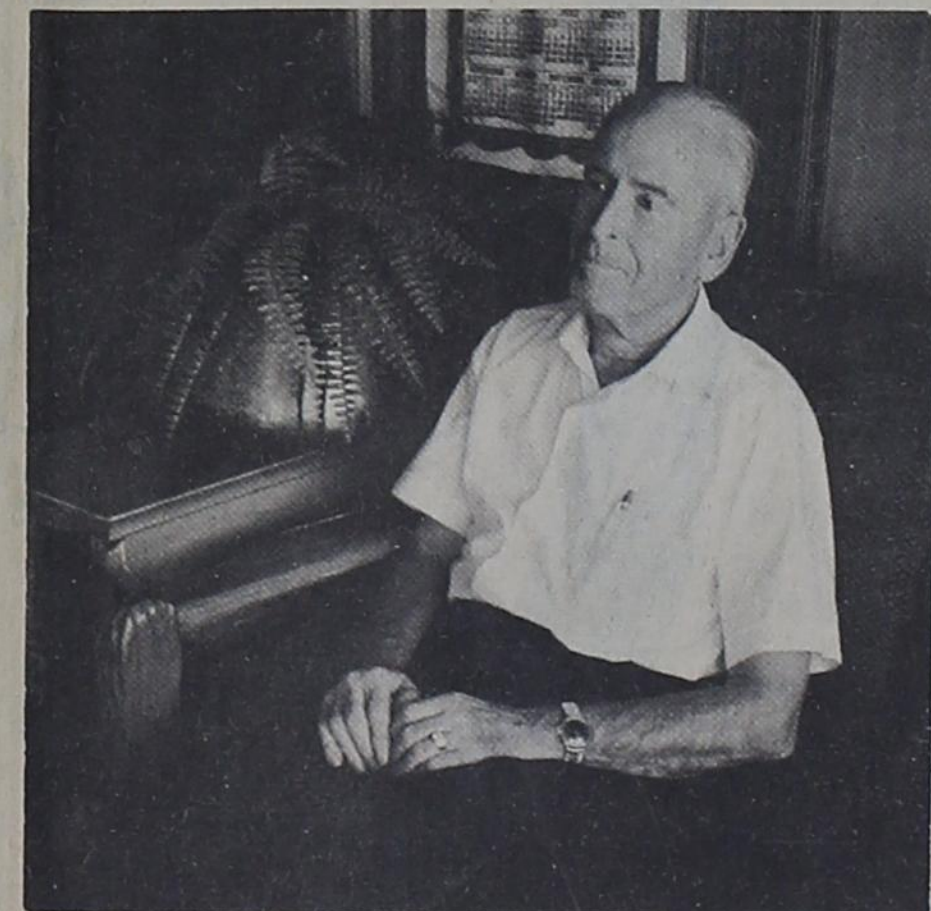

and their early learning of the farming and ranching interests.

While in Hansford County Mr. Martin purchased land and Gordon Stedje now farms this land. In 1928 Mr. Martin moved to Quanah and from there he entered the Department of Agriculture in the Cotton Division where he remained for thirty-four years or until his retirement.

After moving from Gruver he married Mary Richards of Whitney, Texas and the couple made their home in Dallas until his death. After retirement Mr. Martin carried on his interests in ranching as he had six hundred acres of grass land on the Trinity River where he pastured about 165 head of registered Herefords the year around.

The first of July of 1964 Mr. Martin and his wife made a trip back to Gruver where they visited in the Gordon Stedje and Robert Alexander homes. The Gruver Independent had an article about Mr. Martin, which told of his past experiences as County Agent of Hansford County.

Survivors include his wife, Mary of the home and a sister Margaret Fensty of Temple, Texas.

Mike Stedje Takes First Place

Gruver youth, Mike Stedje, took first place honors at the Tri-State Fair held in Amarillo last week. Mike built a two-horse trailer in his F.F.A. project in third year Agriculture. The honor brought Mike thirty-five dollars as a prize.

Mike built the trailer completely, doing the welding on his own through what instruction he had in Agriculture and Welding. Neal Flathers was Agriculture instructor. A senior in Gruver High School, Mike is the son of Mr. and Mrs. James Stedje of the Oslo Community.

This is the second year

that a Farm Mechanics Show has been a part of the Tri-State Fair.

Training Course Slated Oct. 1

The Medical Self-Help Training Course for Hansford County will begin Thursday, October 1 at 7:30 p.m. in the Spearman Elementary School Cafeteria.

This unique course which is taught in nine (9) 2-hour sessions, has information on emergency first aid and other important emergency survival techniques.

Emergencies can come at any time! Are you prepared for them?

HIGHLIGHTS FROM THE PAST TO THE PRESENT

Another week rolls around and Highlights from the Past to the Present visits in the home of Mr. and Mrs. W.S. McNabb. Again we turn back the pages of time and peer into the past to look into the history of a Hansford County Pioneer family.

Beginning in the same fashion as before we find that W.S. McNabb was born in Stevens County Texas in 1872. He was the son of Nathaniel A. McNabb who was farmer of that area. One of nine children. W.S. McNabb attended the schools of Stevens County and upon completion his first schooling he continued his education at Eastland Academy, where he graduated. Upon completing his education Mr. McNabb began working as a cowboy for his uncle in Greer County.

Childhood friends and neighbors, W.S. McNabb and Bertie McNeil were married in 1896. The two had grown up together and had attended the same schools. Miss McNeil was the daughter of D.A. McNeil, and was born in 1877 in Palo Pinto County Texas. Her mother died while she was eight months old and her father reared her. Mr. McNeil was a farmer of the area also. The McNeil family lived only six miles from the McNabb family. Miss McNeil grew to womanhood in Palo Pinto County and attended the schools there also.

After the couple were married, Mr. McNabb continued working for his uncle for a short while in 1897 Mr. McNabb came to Hansford County to file upon land and begin farming and ranching on his own. Filing on one section to the north of Old Hansford, he purchased more land from Mr. Crosby for 25¢ per acre.

The family remained in Greer County until 1900 before making preparations to move to the Panhandle. The couple's first child, Warren G., was born in Greer County. In 1900 the family moved to Hansford County to make their home. They moved by covered wagon and arrived to find the land unimproved. Mr. McNabb had prepared a home for his family which was a dugout.

Needing a supplement to the family income, the family would return to Stevens County in the fall of each year to tend to the cotton crop and to pick cotton. While back in Stevens County one time their daughter, Viola, was born.

The family made their home in their dugout until 1906. After 1903 the McNabbs no longer returned to Stevens County and stayed throughout the year in Hansford County. In 1906 they moved to Old Hansford and Mr. McNabb became County Clerk, a position which he served until 1912. Prior to his service as County Clerk he served as deputy County Clerk under Joseph W. Jones.

The family received their mail at the B.P. Ward Store in Old Hansford and did all their trading for supplies in Old Hansford. The children attended school at Old Hansford for several years and then they completed their education in Guymon, Oklahoma. The family moved to Guymon, during the school year.

In 1917 Mr. McNabb established the First State Bank in Old Hansford and served as the first president of the bank. In 1920 he sold the bank to retire.

While reminiscing the memories of the past, the prairie fires stand out in the family's mind. It is recalled how they would roll across the prairies and how the men would have to help control the blaze to save their own land or their neighbor's land. Mr. McNabb often fought the fires. While he was fighting the fire Mrs. McNabb and the children would remain at home. But they very seldom stayed at their dugout. Mrs. McNabb and Viola and Warren would visit in the Beck home while Mr. McNabb was away. It would often times be night when the fires were fought. But Mrs. McNabb would whistle for their horse "Old Tom" and hitch Old Tom to the wagon and ride to the Beck home. Aside from the regular household duties Mrs. McNabb often served as a mid-wife for their neighbors.

Aside from Mr. McNabb's normal work, he would freight supplies for Mr. B.P. Ward's store from Texas and Guymon. He would also bring home cake for had cattle. The family had cattle until 1918 when the big snow and harsh winter settled on the county. From that winter on Mr. McNabb had no more cattle for he lost so many in the cold and snow of that year.

Sunday School and Church was attended faithfully

by the family and box suppers were often held. Dances were held in homes throughout the area and the big dances in the courthouse were always remembered. The courthouse served for many services rather than for the house of law and order. Mr. Ward had one room of the courthouse as his store, and two of the county officials made their home in the basement of the building.

Viola loved to play in the Courthouse while her father was at work for she loved the big building. She also often sat in on Court Sessions. While Mr. McNabb was clerk he issued many marriage licenses and often there would be a wedding in the McNabb home.

The family never had a telephone. The only phone in Old Hansford at that early date was in the Caldwell Store and this phone connected with the families along the creek and also with Guymon Oklahoma.

It wasn't until 1910 that the family used anything but a wagon as their mode of transportation. In this year they purchased a Hupmobile which had no doors or sides. Aside from the job as County Clerk, Mr. McNabb operated the Hotel in Old Hansford from 1906 until 1910. After 1910 the family moved into a house in Old Hansford.

As the family arrived in the county in 1900 they were faced by many hardships and responsibilities as were the other pioneers. Their land was unbroke and they had to make provisions for a crop by breaking the land with sod ploughs behind horses. Their first crop was maize and later they planted wheat. Mrs. McNabb had a garden each summer and also did all the sewing for the family.

Neighbors for the family included the Charlie Becks, Charlie Thompsons and Nelson B. Crosby while they lived in the country. As they moved to Hansford the the Hays, Ward and Caldwell families, were neighbors and friends.

At one time the children were to go by themselves to Stevens County to visit their grandmother. It was before railroad connections were closer than Dalhart. The children had to go to Dalhart to catch the train to see their grandmother.

Mr. McNabb was a member of the Masonic Lodge and also an Odd Fellow. Mrs. McNabb and Mrs. Riley organized the first Eastern Star in Old Hansford.

After selling the band, Mr. McNabb when into the Real Estate Business and had offices in Amarillo, Dalhart, Boise City and Spearman. He retired from this business and he and his wife moved to Mineral Wells where they stayed part of the time but still called Hansford County their home. In 1926 they moved back to Hansford County and made their home in Spearman where Mr. McNabb began work in the Real Estate Business again.

The couple continued to make their home in Spearman and Mr. McNabb died in 1936. Mrs. McNabb continues to make her home in Spearman.

Their son, Warren married Ruth Prutsman of near Spearman and the couple have two children and live in Albuquerque where Warren is retired from the Santa Fe Railroad. Viola married Bill Whitson and moved to Lubbock. She had two children by a previous marriage. In 1953 she and her husband moved to Arkansas and in 1957 her husband died. Mrs. Whitson moved back to Spearman in 1961 where she has made her home with her mother.

This is another of the families who have helped to make Hansford County grow and prosper and without families such as these the prosperity and riches which this county contains would not be present.

Allen Injured In Mishap

Archie Allen was injured Sunday morning in an accident while tramping feed in an insulage cutter. The accident occurred about 9:00 a.m. in a field six miles north of Dumas.

Allen was rushed to the hospital in Dumas where his leg was amputated below the

knee. His leg was caught in the cutter and the machine cut his leg off about three inches above the ankle.

At last report his condition was reported as fair.

Allen was an employee for Delton Dean and the men were cutting insulage on a farm north of Dumas.

Gene Wood puts the final touches on the sign which is the project of the Methodist men. The sign stands near the Texaco Station. The grounds for the sign was donated by Roy Byrd.

Gruver vs. Stinnett
The ball carrier back twenty yards and forced the Rattlers to kick. With the wind behind Stinnett's back, the ball went out on the Gruver seven and play began on the seven. Stinnett held the Hounds and forced Gruver to kick from the endzone but the kick was blocked behind the line and Stinnett took six points on the score board, to make the lead narrowed to 12-6 in Gruver's favor. Etter fell on the Stinnett kick on the Gruver 27 and play began as Riley and Silva carried for a first down in two plays. Then Riley raced ten yards through the middle for another first and ten. Gruver couldn't make yardage and the ball went over to Stinnett but the Hounds recovered a fumble as only two plays were left in the first half and only five yards were gained.
Mathews took the Stinnett

kick to begin the half on the Gruver 15 and brought it back to the 25 where play began. But the Hounds were faced to punt and Stinnett took over on their 32. The Rattlers scrambled for a first down but Saltzman, Mathews, Gumfory and Arnold saw that the Rattlers made no more gain as Stinnett faced fourth down and twenty-one. Gruver took over on their 34 and faced a fifteen yard penalty which caused them to punt. But a clipping penalty of fifteen yards against Stinnett handed the ball back to Gruver on the Stinnett 40. Tipton handed off to his backs and down the field Gruver traveled for twelve yards and a first down but the next three plays netted only six yards and Gruver was unable to make another first down.
With an exchange of the ball just before the fourth quarter began Stinnett took possession on their 35 from Gruver. After the fourth

quarter began Womble passed to Plumlee for the 65 yard touchdown to tie the score 12-12.

Stinnett kicked to the Hounds but four plays later Gruver returned another punt to Stinnett which fell in the end zone. Stinnett took the ball from their 20 to the Gruver 46 on passes but their next pass fell in Tommy Gumfory's arms and Gruver took possession on their own 35. From there the Hounds rolled down the field with Riley and Mathews making the yardage, but a fourth and five situation faced the Hounds and Tipton completed his pass to Hoel for only four yards. Stinnett took possession but to no avail as Nobles fell on a Stinnett fumble. Gruver took up on their own 26. Two yards were gained rushing and Tipton passed off to Silva and Silva raced twenty four yards to the goal to make the score 18-12 in favor of the Hounds. Hoel kicked the extra point and Gruver led 19-12.

Stinnett tried one last rebound back into the game as they took to the air on their own 20. They made a first down and put them first and ten on their own 44 but Silva picked off the next pass on the Gruver 35 and cried to the Gruver 40. Two personal fouls against the Rattlers put the ball on the Stinnett 30 with Gruver in possession as the game came to a close.

The Hounds have an open date next Friday night but will face McLean October 9th at the Greyhound Stadium.

GRUVER RESIDENTS JOURNEY TO NEW ENGLAND STATES

Twenty-nine excited and enthused Gruver residents joined by eight other passengers boarded their bus Monday morning for the New England States. They were to be good-by by some fifty on-lookers and relatives as the bus pulled away from the Gruver Hotel at 6:00 a. m. Monday morning. The excited enthusiasts are enroute to the World's Fair by way of a tour through the north-eastern United States.

The trip is made on Continental Trailways bus and is called a "Fall Foliage Tour". The group is traveling aboard the Silver Eagle Bus and made their first stop in Springfield, Missouri. Tuesday they enjoyed the sights along the Mississippi through St. Louis and to Indianapolis were their second night spent. Toledo and Detroit, Michigan is on the agenda for the group Wednesday.

Today is filled with fun as they visit the Niagara Falls and other points of interest along the way. Upper New York State and through the Adirondack Mountains and then on to Lake George Village make up the activities for the group on Friday and Saturday. Vermont and New Hampshire, and Maine along with the attractions of the capitol of Vermont at Montpelier and famous Bar Harbour in Maine are included in the agenda for the group on Sunday and Monday October 4 and 5.

It's on to Boston October 6th as they travel along the Atlantic coast enroute to the Massachusetts city. Two nights will be spent in Boston as they enjoy the historic sights of that famed city. They will arrive in New York City October 8th where they will stay through the 11th. Sites of the Big City will be enjoyed on the first day

while the second day will be fun filled at the "World's Fair". Sunday the 11th will be a free day for all. As Monday rolls around the group will be bound for the Nation's Capitol at Washington D. C. where they will tour the capitol, White House, and memorials along with other points of interest of the city.

Wednesday October 14th the group will depart for home but will take their time as they see the scenic points along the way. Some of the points of interest will include the Blue Ridge Mountains and the Bluegrass Country. A final stop for overnight will be made in Springfield, Missouri again as the group will arrive home Saturday October 17th. Those on the tour from

Gruver are Pauline Winger Grace Thoreson, Charmin Lyle, Alma Gruver, Mr. and Mrs. L. H. Gruver, Mr. and Mrs. A. R. Henderson, Mr. and Mrs. D. L. McClellan, Mr. and Mrs. S. T. "THE WAY I SEE IT"

by Pastor Robert Cordes

Christians Live By Trust

John 1:12 "But to all who received Him, who believed in His Name, He gave power to become children of God..."

To believe means to receive and to receive is to believe. It need not be a mental head knowledge.

You are swimming and begin to tire. You can go no longer, and yell for help. The life guard is near by. Are you saved because you know him? Are you saved because you know his grandmother's name? Or his grades in school? Or that he has a life guard swimming certificate? No.

The life guard must get you out of the water. The next day the local paper gives 'who' for saving you? Was it you? After all, you hollered 'help!' Was it the guard? He responded to your call. Of course, the life guard received the credit.

We need only trust. Our eternal life guard is alive, near and listening for our cry of help. He is Jesus Christ. When the law convicts us of sin, we cry out, "Lord, have mercy on me." Christ hears--and responds.

When we quit trying and rather trust in Christ, we are saved. God prompts us to trust and meditate more and more on God's promises. "Call to Me and I will answer you, and will tell you great and hidden things which you have not known says the Lord." (Jeremiah 33:3)

I trust you God to be my Father. I trust you Jesus to be my Saviour. I trust you Holy Spirit to be my Guide. I give Thee back my whole self and I do this deliberately and free-forever. I live by my trust in You as My Almighty Triune Saviour. You never go back on your promises.

NATIONAL 4-H CLUB WEEK

"4-H Clubs are attracting more boys and girls from cities and towns than from rural areas," so reports Floyd Lynch, State 4-H Club Leader. "Texas 4-H Club enrollment is up to 84,000 members. More than 16,000 volunteer adult leaders work with Texas 4-H Club members, up from 15,000 a year ago," Lynch reported at a recent state committee planning meeting for celebration of National 4-H Club Week, September 26-October 3, 1964.

4-H Club membership was once primarily concentrated in rural communities but no so today. Although there are fewer families active in on-farm operations, some 40% of Texas family bread winners are engaged in a vocation of direct or indirect service to agriculture. Parents and school officials continue to give strong support to local community 4-H Club programs because the movement places emphasis on practical experiences for youth in the fundamentals of the American agri-business system and our democratic constitutional heritage.

The history of 4-H Club

development is typically American. 4-H in Texas originated as a grass roots movement to lift farm family productivity and standards of home living. The boll weevil helped trigger the organization of 4-H. Texas was invaded by the boll weevil from south of the border at the turn of the century. The best defense was believed to be in diversity of agricultural production just in case "king cotton" should be dethroned. The key to many other agricultural enterprises lay in the expansion of in-state feed grain production; in those days that meant the growing of more corn. County Agricultural Agents and lay citizens organized boys into what became known as Corn Clubs. The youth were issued certified seed and were encouraged to plant an acre according to the latest scientific advice. Samples from Bountiful harvests were entered in County fairs and other competitive events. When the boy's father and neighbors saw the youth was out-producing them they switched to the new methods of production. Youth led the way into many other new or expanded Texas agricultural enterprises, for example, girls helped extend tomato culture.

A youth invests capital, time and talent, must keep accurate records, competes in contests and often sells a completed project for profit or loss. Parents and educators recognize these experiences as the princi-

ples of the successful American business system and find in 4-H youth's best opportunity for practical experience in applying these principles. 4-H Club members arrive at club decisions through the democratic constitutional processes. Many parents want these kind of youth experiences for their child.

H.D. Club Meets

The Home Demonstration Club met in the home of Mrs. H. B. Parks last Thursday afternoon, Mrs. M. W. McCloy and Mrs. Lynn Davis gave the program for the afternoon on "Social Guidance" which concerned school dropouts and a discussion on whether or not college is always best for everyone.

A report from the County Council showed that the Clubs made a round \$140 from their last rummage sale.

Those present for the meeting were Mesdames, Ella Parks, Lily Johnson, Besse Henderson, M. W. McCloy, Jack Crowl, Tom Dortch, Lynn Davis and one guest, Mrs. Scott Robinson from Oklahoma and the hostess, Mrs. Parks.

Bridge Party

Gene Dixon and Perry Dix hosted a Saturday night bridge party. Mrs. Lynn Davis won high for the ladies; Grant Miner for the men and Al Carter won the traveling prize.

Those attending were the Al Carters, the Lynn Davis's, the H. B. Parks, the Tom Dortchs, the Grant Miners, Charles Reids and gusses, Mrs. Don McCammond and Lloyd Poole and the host and hostess.

CEF Group Meets

Child Evangelism Leaders met in Spearman on Friday the 25th at the Christian Church to discuss and make plans for the Child Evangelism booth which will be open at the Guymon Fair October 6-10. Those present were Jerry Allen, pastor of the Hitchland Community Church, Mrs. Twila Mae Young of Turpin, Oklahoma, Mrs. Desmond Kelly, Mrs. John Thompson, and Mrs. Tom Dortch all of Morse; Mrs. Melvin Floyd, Mrs. Herring, Mrs. Edge and Mrs. Brannett all of Spearman.

Mr. and Mrs. Lynn Davis had as visitors last week some friends that they made while in the Army. They were Mr. and Mrs. Curtis Courneya of Minneapolis, Minn. On Sunday the Davis family and the Courneyas visited some other friends in Perryton, the Richard Bentleys.

Mrs. Helen Reiswig of Perryton is staying with Mrs. Roberta Kelly during her period of convalescence following eye surgery.

Mrs. Helen Reiswig and Mrs. Mack Dortch attended the open house for the Senior Home in Spearman on Sunday.

Rev. Vance Zinn has been called to San Angelo by his mother concerning his father who has been ill for some time.

Mrs. Willard McCloy has been under the weather for some time and has just returned from Dallas where she had a check-up.

Mrs. Annie Clifton and Mrs. M. W. McCloy went to Colorado to visit the Carson McCloy's over the week-end. On Saturday they attended a Hobby Show in LaJunta. On Sunday morning they attended Methodist services with the McCloy's.

Visitors in to see Mrs. Roberta Kelly during the week have been, Rev. Joe Walker, Rev. Vance Zinn, Mrs. Ella Parks, Mr. and Mrs.

Tom Dortch, Mrs. Joe Reiswig, Mrs. Mack Dortch, Mrs. Besse Henderson, Mrs. Lex Boad, Mrs. Annie Harris and Mr. and Mrs. Robin Giblin.

Mr. and Mrs. Mack Dortch had Sunday dinner in the home of their son and family, the Tom Dortchs.

Mr. and Mrs. Erlis Pittman were Monday night visitors in the Desmond Kelly home.

Methodist News

Thursday was the annual fall tea for the W.S.C.S. Mrs. Reeves, Deaconess in the Methodist Church, was the guest speaker for the occasion. Miss Reeves is director of the Wesley Community Center in Amarillo, serving mostly Spanish American people. About forty were present. Mrs. Reeves showed color slides of the work in Amarillo.

Sunday night Miss Ailene Bakehouse, daughter of Al-

bert Bakehouse, spoke to the congregation of Gruver Methodist Church. Miss Bakehouse is also a Deaconess in the Methodist Church and is serving near Seattle Washington.

The Junior Choirs are meeting this year on Wednesday night for their weekly practice. Thirty minutes is spent with Bible Study and the remainder of the hour is used in practicing

songs. Janet Irwin, director of the children's choirs, has three age groups this year. Pre-schoolers through the 8th grade are participating in the musical program of the

church.

Groups of The Twelve (Bible study groups) are meeting for the adults at the same time the children participate in the choir practice.

Thank You
Miss Carrie Neilson expresses her sincere appreciation to her friends for their thoughtfulness in giving her a surprise party before she left for her operation in Greeley Colorado. She would appreciate hearing from her friends and her address is Carrie Neilson, c/o Weld County General Hospital, Greeley Colorado.

7TH GRADE WINS WHILE 8TH TIES

by Jerry Bayless
The Gruver Junior High teams traveled to Spearman last Thursday night in non-conference games with Spearman.

Kee's passing kept Spearman's defense on their toes. There was also some fine power running by Robert Gould and Mac Blanknship.

We had some outstanding blocking on the part of Kim Cluck, Toby Thomas, Tommy Boone, Ken Graham, Larry Gumfory, Jackie Collins and Davey Barkley. The team as a whole, played fine defense.

Education degree from Central Missouri State in Warrensburg, Missouri.

This is not Mrs. Irwin's first association with the Gruver Schools. She taught in the Gruver Music Department in 1950 and 1951. Mrs. Irwin, and her husband, Kenneth, have four children: Deborah, 13, John 12, Mark, 10 and Clint, 7.

by Marion Jeffries

Mr. John Huth, one of Gruver High School's new teachers was reared in southern Texas near Yoakum, in the Houston area. Mr. Huth teaches English II, Speech I and Speech II. He is also in charge of all Interscholastic League speech activities plus the junior and senior plays.

Mr. Huth attended Sam Houston State College at Huntsville, Texas, where he received his Bachelor of Science degree. His major was sociology with a double minor in English, speech and drama.

This is Mr. Huth's first year to teach, and he is enjoying this experience. In relation to the coming Interscholastic League events, Mr. Huth had this to say: "As the director of the University Interscholastic League one-act play contest, and as speech coach for the persuasive speaking, extemporaneous speaking, prose and poetry reading, and debate activities, I am looking forward to a year of interesting competition. With desire and hard work we will make a good showing this spring."

by Alford Blount

Mr. Eddie W. Gipson is another of the new members of the Gruver High School faculty. He is filling the teaching positions of driver's education and general math. He is also an assistant football coach.

He was reared in Phillips, Texas and graduated from Phillips High School. He is a graduate of Panhandle Agricultural and Mechanical College where he received his Bachelor of Science Degree in Physical Education.

Mr. Gipson's wife, Juanita Kay, is a third grade teacher in the Gruver Elementary School. They have one child, Carl, who is three years old.

Student Council Met Thursday

by Maelynn Cator

On September 24 the Student Council met, with Jerry Gumfory presiding as president. At this meeting the officers, Jerry Gumfory, Wayne Leatherman, vice-president; and Sue Fulfer, secretary-treasurer; pledged their loyalty to Gruver High School by taking the oath of office. All members were given the Constitution for the Gruver High School Student Council. This tells why, when, and how the Student Council is conducted in our school.

Last year the Student Council thought that the campus of our school was being cluttered by careless people. The F.F.A. boys made a trash can for the parking lot. This helped some, but people kept forgetting to use it. This year, we believe that our campus is one of the best in the Panhandle, but it will take the whole school's continuing efforts to keep our campus clean and neat. Many of the students who go to town forget about their trash and throw it in people's yards. The council asks each student to be considerate and be conscious of littering.

As most people know, our new high school lacks a flag pole. The members of the council are working to get one. We hope to have it finished and standing by Homecoming, October 24.

The Student Council has many worthwhile projects. Some of these are: devotionals, assemblies, Public School Week, Halloween, and parking problems. A new project is being considered which is sending clothes to the underprivileged people in the Appalachian Mountain area.

Members attending the meeting were: Jerry Gumfory, Wayne Leatherman, O. E. Gammill, Sue Fulfer, Frank Silva, Maelynn Cator and Gene Leatherman. Mr. Willoughby was the faculty advisor.

FFA Enters Tri-State Fair

by Jane Hoy

The Gruver FFA's exhibit at the fair this week won third place. The exhibit's theme was "All Concentrate Feeding." It showed the results of a study of cattle in feed lot when they were fed by the all concentrate method as opposed to other methods.

Mike Stedje received an outstanding honor at the fair. His project, a two-horse trailer, won first place in the Farm Mechanics division.

Green-Hand Auction Slated

by Jane Hoy

The Gruver Chapter of the Future Farmers of America met Thursday, September 24 to plan the work for the coming year. All the committees were set up for the various jobs throughout the year.

The annual Green-Hand Auction will be held Friday, October 2, at 7:30 p.m. Everyone come and support the F.F.A.

Ten Wise Wishes

The late Dr. Walter Reid Hunt, a Unitarian minister of Duxbury, Massachusetts, called these his "Morning Wishes."

1. A few friends who understand me and yet remain my friends.
2. Work to do which has real value, and without which

The Report Card

by Marian Jeffries

Although school has been in session now for several weeks, memories of the peace of summer are still fresh in everyone's mind. Each of us have had thoughts of all the hectic routines we have after school starts, but this article by Frances Thomas Kimberly, expresses what most of our mothers go through.

"When the dying summer hails fall, she expends her last hottest breath and school begins. Then tests and track and pep talks and threats and bullies and misfits and teachers' pets and football practice and knocked-out teeth and band inspection and the school-lunch-beef and money for annuals and too many picture-views and Johnny-who-can't talk says ride-me-to-school-because-nobody-walks and homework and doodling and dirty sneakers and dues and long-winded PTA speakers are serene routine. The bit that's hard is when summer's dying gasp hails the report card!"

1. The world would feel poorer.
2. An understanding heart.
3. Moments of leisure.
4. A mind unafraid to travel, even though the trail be not blazed.
5. A sight of the eternal hills and the unresting sea, and of something beautiful the hand of man has made.
6. The power to laugh.
7. Nothing at the expense of God.
8. The sense of the presence of God.
9. And the patience to wait for the coming of these things with the wisdom which when they come.

The Poet's Corner

These Are The Gifts I Ask

Henry Van Dyke
These are the gifts I ask
Of Thee, Spirit serene
Strength for the daily task,
Courage to face the road,
Good cheer to help me bear
The traveler's load,
And, for the hours of rest
That come between,
An inward joy of all things
heard and seen.

These are the sins I fain
Would have Thee take away:
Malice and cold disdain,
Hot anger, sullen hate,
Scorn of the lowly, envy of
of the great,
And discontent that casts a
shadow gray
On all the brightness of the
common day.

HOMEMAKING NOTES

by Linda Webb, H.D. Agent

Gruver Home Demonstration Club was organized Friday, September 26, with six homemakers in the Gruver area attending.

The regular meeting date for the new club was set for the first and third Friday of each month at 2:00 p.m. The first regular meeting of the club will be held Friday October 2, 1964 in the home of Nell Chockley, at 408 Front Street. Any homemaker in the Gruver area who is interested in joining Home Demonstration Club is invited to attend this meeting.

Officers for the Gruver H.D. Club are Nell Chockley, President; Nell Finney, Vice-President; Nancy Barber, Secretary; Esther Dahl, Reporter; and Doris Armes, Council Delegate.

A new product on the market an easy to use liquid replacement for unsweetened chocolate or cocoa--no melting and no measuring needed.

One packet (1oz.) replaces 1 square melted unsweetened chocolate or 1/4 cup unsweetened cocoa. It can be used in recipes calling for either of these products.

The new product, which is a boon to the family chef who uses chocolate, is now in national distribution by two leading manufacturers. There are 8 one oz. packets to a carton...Look for it on your grocer's shelves.

The Medical Self Help Training Course is due to begin Thursday, October 1, at 7:30 p.m. in the Elementary School Cafeteria in Spearman.

The office of Civil Defense states that one member of every family should have the course on Medical Self Help Training.

Emergencies can arise at any time. Are you prepared for them? You can be much better prepared through taking time to help yourself by attending this course now.

Any man or woman may enroll in the course, which will be taught by Dr. D.E.

Hackley in nine (9) 2-hour sessions every Monday and Thursday evening during October. I urge you to take the time to "be prepared"--attend the Medical Self Help Training. There are no charges or fees for enrolling.
