Youth Led Revival Starts Sunday At Baptist Church

BERT DOMINY, Evangelist

The first youth-led revival in four years is to begin at Quitaque Baptist Church Sunday morning. Bert Dominy, the preacher, is a senior at Baylor University. He is 22, his home is at Galena Park, and he has been a youth director and interim pastor during his college days. He has been voted Outstanding Male Student, Most Likely to Succeed, and has participated in basketball, track, and Christian Student Union.

Mack Moore is the singer. He is a Baylor sophomore from Dallas. He is 21, and like Bert, is single. He has been accompanist at First

MACK MOORE, Singer

Baptist Church, Houston, and this year has been student choir director of the famous Baylor Religious Hour group. He is a member of Alpha Phi Omega service fraternity, and co-chairman of music for the Baptist Student Union.

These two young men are a part of the college and seminary students who are chosen each year by the Student Department of the Baptist General Convention of Texas for youth-led revivals in churches over the state. Quitaque youth look forward to working with them next week.

Gasoline Reunion Date Set

The weekend of Sunday August 7 has been set aside for Gasoline's Homecoming celebration, which is held every two years.

Various committees are being set up to make all the arrangements for the get-together and first of all, names of out-of-town old timers, ex-students, ex-teachers and friends who have resided in the community are needed in order that they may be notified as to dates and plans for the holiday.

Those of you who can furnish some of these names and their addresses are urged to contact one of the following:

Miss Mary Ellen McCracken, Mesdames Boone McCracken, Sid McFall, Bill Helms, John King, Johnny Brummett, Henry Finney, and Daisy Bedwell.

MR. AND MRS. CALVIN AUSTON ARE HONORED WITH SHOWER

Mr. and Mrs. Calvin Lynn Auston were honored with a miscellaneous shower last Friday afternoon at the Assembly of God parsonage.

The couple received many useful things with which to start house-keeping, including a new quilt, sheets, cup towels, dishes, kitchen ware and cooking utensils of all kinds as well as many other items.

The couple was married at Cortez, Colorado on June 11. She was Margarette Rogers before her marriage. We welcome her to Quitaque and to Texas and hope that she likes her new home.

Mrs. Gladys Wise, Mrs. S. T. Bogan and Mrs. A. F. Van Meter, Sr., were in Amarillo Tuesday visiting Mr. and Mrs. Richard Tibbets and family. They also called on Mrs. E. P. Rumph who is in the Twilight Rest Home. They came back to Tullia and spent the night Mrs. Wise and Mrs. Bogan spent the night with Mr. and Mrs. Gene Berry, and Mrs. Van Meter stayed with cousins, Mr. and Mrs. Will Boone.

Melvin Carter To Receive FFA Award

A delegation of 4 FFA members representing the Quitaque Future Farmer Chapter will go to Houston, July 20-22, for the 33rd State Convention of that national rural boy organization.

Headed by Melvin Carter who will receive his State Farmer Degree. The group will be accompanied by Elmer Berryhill, Jr., vocational agricultural teacher and FFA advisor. Others in the group will be Bobby Saul, Sammy Johnston, and Lee McDonald. Future Farmers five thousand strong are expected at the convention, to be held in the air-conditioned Houston Coliseum, according to Neill Masterson of Houston, Chairman of the Convention Committee.

In addition to the business sessions, the awards and the honors, a tour of the Houston area is being arranged for the afternoon of July 21 and an always popular "Fun Night," including the FFA talent contest, is in the making for the evening of July 20.

Serious events of the three-day convention will include addresses by John Strohm, Editor of Ford Almanac; Joe Hughes, Vice-President of the National FFA, and others outstanding in agriculture and education.

SICK FOLKS RECOVERING

Mr. J. R. Berryman, father of Mrs. Ober Johnson, is in the Stanley Clinic at Matador. He is recuperating from a mild heart attack suffered about midnight Friday, June 24.

At latest report, Mr. Berryman is recovering nicely but will be in the hospital another week.

Mr. Ed Vaughan, of Silverton, father of Mrs. Gaston Owens, was taken by ambulance to the Plainview Hospital Sunday night, June 26, where he has been since that time. His condition has been very serious but Wednesday night the Doctors feel that he is on the road to recovery although he will remain in the hospital for a few more days.

Mr. and Mrs. Cecil Payne are both back at home after spending time in the hospital. Reports say that both are feeling better, though not completely well.

Glynn Morrison is up and about again after being knocked out in a near fatal accident a few weeks ago when his tractor overturned, pinning him underneath for two hours.

Rev. and Mrs. Richard Pittman and daughters returned to their home in Ovalo after visiting in Quitaque for two weeks.

AREA IS GETTING SOAKING RAINS Snakes —

LOOK BEFORE PICKING UP

Johnny Burson was in town Wednesday morning and told the following story which we think is worth repeating.

On Tuesday morning he was loading his pickup, getting ready to go to one of the pastures to feed some cattle. Johnny spied a T-joint of pipe that he would need and he picked it up and tossed it in the pick-up. Just as he did this he heard a rattlesnake buzz and out of the pipe came crawling the rattler.

Johnny killed the snake with a folding jack handle but didn't come out of the fight unscathed. With the first whack the jack handle folded up on one of his fingers. The battle was finished left-handed on Johnny's part.

SPEAKING OF SNAKES

Eural Vaughan of Silverton, brother-in-law of the editor, stepped out into the back yard of their home southwest of Silverton early last Sunday morning.

Eural, not too wide awake yet, was standing, sort of looking things over when he felt something slapping against his trouser leg. Glancing down he discovered that he was standing on a rattlesnake!

They tell us that in his high school days at Silverton Eural was the fastest 220-yard dash man in the county. That was several years ago and he isn't as trim as he was then but we doubt very much if Eural ever broke with a faster start than he did at that moment. He says he doesn't know if the snake was slapping him with his tail or was striking at him. Anyway, outside of almost having near failure, there was no harm done and Eural did kill the rattler. It measured about 22 inches long and had five rattles and a button.

NEW LIVESTOCK LAW

The Texas Department of Public Safety reminded Texas cattle owners today that a new law went into effect July 1 aimed at controlling livestock on designated U S and state highways.

The new law makes it illegal for a person knowingly to permit his domestic livestock to roam at large and unattended on state and federal highways. It applies regardless of whether or not the highway right-of-way is fenced. Maximum fine for such violation is \$200, and each day the violation occurs may be considered a separate offense.

Farm to market roads are excepted from the law. The new law also gives law enforcement officers the authority to have such livestock picked up, when unable to locate the owner and turned over to the sheriff or constable in the county.

The law does not prohibit the driving or herding of livestock across or along highways. It gives peace officers the authority to enforce provisions of the act without a warrant.

Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, said state patrolmen will enforce provisions of the law in an effort to reduce the traffic hazard caused by animals on designated state and US highways. He said that during the year 1959 a total of 1406 rural traffic accidents occurred in Texas involving animals of all types. In these accidents 216 persons were injured and 4 persons were killed.

Mr. and Mrs. Horace Vines visited Mrs. J. C. Madlock in Hedley Sunday. Later in the day they went to Memphis and visited Mr. and Mrs. Ed McMurry.

Something rarely seen in July in this part of Texas is happening and that something is gently, soaking rains that have been falling day and night since Monday night.

At six o'clock Thursday morning the rain gauge at the City Hall had caught almost three and one-half inches. From all reports that seemed to be about the measurements in all directions from town. Although almost all of the crops are late they were looking good before the beneficial rains and prospects for a very fine harvest are bright at this writing.

As we go to press it is still raining and the weatherman has made no prediction as to when the rains will cease. Some of the farmers say they are ready for some sunshine now in order to get at the weed-killing. One we talked to has been measuring the growth of his careless weeds one-inch per day.

Willard Merrell Buried Here Last Week

Graveside funeral services were held Monday, June 27, for Willard Merrell, 57, who died Thursday, June 23, at 12:40 A. M. in Peoples Hospital at Floydada. Death was due to a heart ailment.

Rev. G. A. Elrod, pastor of the First Baptist Church at Silverton was in charge of final rites.

Willard Earnest Merrell was born October 5, 1902 in Floyd County, Texas, the son of Mr. and Mrs. W. A. Merrell.

In 1925 he was married to Vivian L. Johnson and together they moved to Briscoe County where they had resided since that time. He had farmed and ranched all of his life.

In addition to his wife, survivors are 1 son, Billy Dale, serving with the Air Force in England; 2 daughters, Mrs. Eula Barnes of Washington, and Mrs. Gay McPherson of Lockney; 2 brothers, Henry of Silverton and Walter of Lockney. One brother, Leonard preceded him in death.

Active pall bearers were Walter Taylor, Ursel Taylor, Dub Waters, Lynn Welch, Jake Merrell and Maynard Wilson. Honorary pall bearers were J. P. Taylor, Jones Taylor, Jim Brooks and Joe Stephens.

Arrangements were under the direction of Roberts Funeral Home.

A LETTER FROM LIZ

The editors received a nice letter from Liz Driver the other day. Liz says she is going through a trying time, getting used to a new home and a new town.

She said she went to church last Sunday morning, and although the people were very nice and friendly, they called her Mrs. Driver and this was a title that Liz hardly knew.

Liz writes that they miss their friends here very much and issues a very cordial invitation for anyone to drop by and see them when in Childress. Their address is 1300 I. N. W. in Childress and the telephone number is WET-2645.

Mr. and Mrs. Leran Brunson took Peggy to Kansas City, Missouri to enter school. She is enrolled in Central Technical Institution. They returned home Tuesday evening. Mr. Henry Hamilton went with them.

Mrs. Gail Myer brought her daughter, Tonya to Quitaque the 4th for a visit with her grandparents, the Ross Herrington's.

News From The County Agent

Last week the editor placed some material I had sent him in a column. With some misgivings here we go again. I will try to write this column about local events, and people whom you know and are interested in and their agricultural problems.

Everyone, including Arville and George Setliff are elated over the wheat and small grain crop below the Cap. It was a good one, and probably the best in 10 years. Some of the wheat growers will be interested in Tascosa, a new shorter stemmed wheat, that the Experiment Station claims is the best wheat released in a long time. It was out to the Certified growers this year.

Your new neighbor and my old friend, Lem Weaver, has some interesting going on's west of town. To many, the system of two dams

to catch water for irrigation will be interesting and certainly bears for observation, but the Johnson grass demonstration he is going ahead with is real interesting to your agent. He has sprayed a heavily infested field of grass with Sodium Dalapon prior to planting cotton; he now will spot spray with either oil and c-56 or more Dalapon. It looks real promising now.

Elmer Berryhill the local Agricultural Teacher was the official judge for the 1960 4-H Club Garden Contest. This year we failed to have any entries from Quitaque. Elmer did a fine job and was willing to be put on the spot. He judged Carolyn Garrison's garden 1st, Joe Bob Watson's 2nd, and Tommy Edwards 3rd. All for today, watch for squash bugs.

SCOTTY IS SEVEN

Scotty Stark, son of Mr. and Mrs. O. R. Stark, Jr., celebrated his seventh birthday Friday, July 1, at a party given by his mother.

Several games were played and pictures were taken of the group after which followed the opening of the gifts. Gifts included a B. B. gun, scout knife, water jug, motor boat, shirts, guns, stagecoach, baseball, life jacket, flashlight, etc. which were enthusiastically opened by the honoree.

Those present were Larry and Debbie Farley, Jimmy and Jerry Monk, Billy Jack and Pam Loudermilk, Eddie Owens, Max and Kim Ham, Perry and David Brunson, Beverly and Rhonda Rogers, Donald Ramsey, Jerry Martin, Barry Johnson, Ronnie Hutcheson, Sherry and Randy Stark, and the honoree.

Also present were Wesley and David James, cousins of Scotty from Roscoe, Texas. Mothers present were Mrs. Wendell Farley, Mrs. L. B. Monk, Mrs. David James and Mrs. Bob Ham.

Refreshments of cake and coke were served after everyone sang "Happy Birthday" to Scotty. Favors were blow-parachutes.

Mr. and Mrs. Corky Morris and daughter, Cella from Hereford came Saturday afternoon to visit with their parents, Mr. and Mrs. Buddy Morris. Corky and Wanda went to Burson Lake to fish Saturday afternoon. They left Monday for a visit with her parents, Mr. and Mrs. Robert Ray at Silverton. They returned to Quitaque Monday evening.

Mr. and Mrs. Ed Whitehorn and boys from Hereford visited Monday July 4th, with Mr. and Mrs. C. J. May.

Mr. and Mrs. Jack Hutcheson of Amesnoe visited Wednesday night and Thursday with Mrs. Marie Lyles and Mr. and Mrs. O. E. Hutcheson.

Scouts Have Busy Time At Camp

By John Fulton

The Boy Scouts went camping last week as most of you know and they had a very enjoyable time. We had a time getting down to the camp at Post. First we had a flat, then the radiator boiled, after that we only had one more radiator boiling and a blowout. About three o'clock we made our grand entrance into the camp. As is the luck of a bad beginning when we arrived and discovered the camp site it was the one that was the greatest distance from the central area. It was soon noted that Camp Post has many contradictions to nature, mainly that all hills in the area run up and never down. This was first discovered by the Scoutmaster almost immediately and by the scouts soon after.

As time and Monday progressed we got our camp set up and ate dinner. After dinner we got to go swimming and somewhat refreshed we went to our tents to sweat. The Staff told us it was 103 and that must of been in the icebox. Monday night was spent planning the next days activities. The Scouts got to see movies during this time. Tuesday the work began. We toured the camp and saw all that that we had to offer our boys in the way of instruction and spent the afternoon deciding what we were going to work on. Tuesday night there was another meeting to plan the weeks work and schedule times for our boys to be at different areas. We decided that we would work on Life Saving Merit Badge, Archery, Rifle Shooting, and Swimming. Jack Johnson and Mike Baird took the Life Saving Merit Badge and were the only two boys that took the course that passed that week.

We all took the Archery course

archers because no one passed it. Of the boys from our Troop that tried to qualify at the rifle range Jack was the only one to pass. He received the Pro-Marksmanship and I guess we aren't very good rating from the National Rifle Association. In the swimming pool we had a lot of fun and learned a great deal. When we arrived everyone had to show his ability as a swimmer and then he was put in a class. Jack and Mike made swimmer. Dusty Bailey, Jamie Johnson and yours truly John Fulton made beginner. You had to swim down the pool and back with a backstroke and four trips with any other stroke. We could all make the freestyle but Dusty, Jamie, and I were unable to make the Backstroke. During the instruction swim Dusty and Jamie learned the backstroke but I insisted on sinking like a rock and will never learn it looks like. Jamie went on to earn the swimmer rating. Wednesday night we checked out the ice cream freezer and made some ice cream. Dellis and Ray Gene were kind enough to join us to help dispose of it. We had invited them along with several other boys who worked at the camp as staff members. Wednesday night was Church Night at the Chapel and Campfire activities after Church. The camp had a very beautiful outdoor Chapel up just beyond the caprock. Thursday night was ice cream night again. Never let it be said that there is not some advantage of having two boys from our town working on the staff. That one and one-fourth gallon freezer sure did look good. Friday night was the night all of the awards were given away.

Altogether we came back with the following awards. Jack and Mike the Life Saving Merit Badge. Jack, Pro-Marksmanship, each of us got the nature award and constructed a notebook with all the kinds of grasses, vines, shrubs, and trees in the camp. Each boy had to be able to identify a certain percentage of each kind. They also had to find certain stars and give the rules of the camp on the preservation of the wildlife. Jamie Johnson passed his First Class Rank. We got a blue ribbon for camping and last but far from least we won the GISMOE. This award is probably the most sought after thing in the camp. At the beginning of the week a thing was brought out and introduced to the boys it was two blocks from a 4x4 joined with a broomstick. As each table won the GISMOE he got to decorate it as they saw fit. When we brought it home it looked like a Voodoo Doll from Africa. We were the only one that won it four times and we placed several times. This award was given to the table that was the most well mannered and cleanest. I know this will come as a shock to many of you mothers.

We had a very impressive ceremony at the campfire and the Order of the Arrow which is the camping fraternity for the Scouts, began their initiation of new members. I almost forgot, our skit was one of two that was chosen by the Scoutmasters as the best that was given Wednesday night and we got to give Friday night for the visitors. We were disappointed because

no one from Quitaque came to see us Friday night. Our Troop was the only Troop that did not have any visitors or parents and we sure do hope the next time you

can come and see what we have done and see us in action. We returned home Saturday morning without even a flat or boiling radiator.

SPECIAL ANNOUNCEMENT

TO THE PEOPLE OF QUITAQUE, TURKEY, and FLOMOT areas:

We have just completed the Improvement program for Channel 4 and Channel 10 TV of Valley Translator System.

From our Broadcast Field Pattern survey, it is clearly indicated that adequate TV signal is now available over all three areas on both Channels; therefore, our next goal for continual TV Service Improvement is to add Channel 7, as soon as it is financially practical. We hope that the increased support financially from more and better coverage will make it possible to accomplish this by the first part of September, that we may begin broadcasting with the new Fall programs.

Dellis Monk, Rex Anderson, Ernest Reagan, and Joe Seay spent the Fourth at Burson Lake fishing and swimming.

Mr. and Mrs. Wayne Whittington went to Clarendon the Fourth to see the Rodeo.

Mr. and Mrs. Jimmy Pointer and boys spent a week's vacation in Sunray and Dalhart visiting relatives. They visited the Billy Pointers' in Sunray and in Dalhart they visited Mr. and Mrs. Henry Payne and Mrs. Nettie Pointer, Jimmie's grandmother.

Mrs. Mae Gilkeyson and Mrs. W. O. McFall were both entered into the Stanley Hospital at Matador last Thursday. They are some improved at this writing.

Mr. and Mrs. Sid McFall went to Clarendon to the Rodeo the 4th.

Mr. and Mrs. John Fitzgerald from Pampa spent the holidays in Quitaque visiting her parents, Mr. and Mrs. W. E. Browning.

Mr. and Mrs. Perry Vines went to Quail Saturday night to visit the Lloyd Vines.

Visitors in the C. P. Richmond home Sunday were Mr. and Mrs. L. B. Monk and boys, and Mr. and Mrs. E. D. Richmond of Turkey.

Diane, Susanne and Trudy Gail Drake from Amarillo came Saturday for a visit with their grandparents, Mr. and Mrs. Tracy Drake. They returned to Amarillo Tuesday.

Mr. and Mrs. H. S. Foster spent the week-end in Memphis with their son, Jimmy Fred Foster.

Scouting -

Fifteen families of the South Plains Council will participate in the National Scout Training program of the Boy Scouts of America at Philmont Scout Ranch during the summer according to James A. Harvey, South Plains Council Training Chairman.

The following men will take their families with them to Philmont. Guy Karr, Spur; W. O. Lockwood, Lorenzo; Col. D. A. Rockie, Lubbock; Thermon Healy, Levelland; Irvin St. Clair, Muleshoe; Joe Harrison, Levelland; Chester Jones Anton; O. J. Mangum, Littlefield; and J. U. Borum of Brownfield.

The following men will participate in Woodbadge Training during the summer. Jack Moore, Wm. M. Gosdin, Jack Strong, and Stanley Zak all of Lubbock. Paul Bailey, Quitaque; Leon Miller, Post; Thomas A. Hilbun, Littlefield; Hugh V. Smith, Plainview; and Fred Welling of Matador.

Woodbadge training is an International Scouting Training Course as devised and instituted by the founder of Scouting Baden-Powell. Philmont Scout Ranch is located Colvin the Secretary-Treasurer. 127,000 ranch was donated to the National Council of the Boy Scouts of America by Waite Phillips in 1937.

In addition to the adult training facilities over 14,000 Explorer Scouts and leaders will participate in the High Adventure program of hiking and camping the Philmont trails. . . . from throughout the United States.

Mr. Robert Smith of Levelland will take 10 Explorer Scouts for a

13 day trek starting August 1st. Explorers who will make the trip include: Pat Melton, Bill Melton, Gene Autry, Sammy Sizk, Ronald Dowden, Carson Healy, Leary Sooter, Clyde Wayne Craig, Roger Jones, and Larry Hush.

CIVIL SERVICE EXAMS ANNOUNCED

New examinations have been announced by the U. S. Civil Service Commission for filling Psychologist paying from \$7,030 to \$12,770 a year in Veterans Administration installations throughout the country; and Medical Technical Assistant positions paying \$4,490 a year in medical facilities operated by the Public Health Service in various Federal penal and Correctional institutions.

To qualify as psychologist, applications must have completed all the requirements for the doctoral degree in psychology and, in addition, have had pertinent experience in clinical, counseling, psychological, social, of other psychology specialties. Private practice in the field of psychology will not be credited in this examination. Applications must be filed with the Central Board of U. S. Civil Service Examiners, Veterans Administration, Washington 25, D. C.

To qualify as Medical Technical Assistant, applications must have had appropriate job experience, training, of education that enables them to give nursing care and treatment. Persons appointed to

the jobs will be given training for approximately 1 year. Those who satisfactorily complete the training period will be promoted to positions paying \$5,470 a year. Those who do not complete it satisfactorily will not be retained. The Public Health Service desires men for these positions. Applications must be filed with the Board of U. S. Civil Service Examiners, U. S. Public Health Service, Department of Health, Education and Welfare, Washington 25, D. C.

Use flat bottomed waffle ice cream cones. Preheat the oven to 400 degrees. Pour one-fourth cup of cake batter into each cone and place the cones on a baking pan. Bake 15 to 18 minutes. Frost the cakes with a simple icing and decorate with chocolate shot, flaked coconut and gumdrops. Serve with a glass of milk or cup of hot coffee.

You're young only once. After that it takes another excuse. - Richmond (Ky.) Daily Register.

Mr. and Mrs. Jack Holcomb spent Sunday afternoon in Turkey visiting Mrs. Holcomb's mother, Mrs. Lacy.

Be cautious today and You will be conscious tomorrow.

An accident is just around the corner.

Taxes are the fees we pay for wanting someone else to paddle our canoe for us.

This sign will be here tomorrow, will you?

Drive like a nut and get cracked.

Home oil heat "came of age" in 1929, when an oilburner was installed in the White House. Today, more than 16 million homes use convenient oil heat.

Dear Neighbor

This is a personal invitation to you to drive in to our Gulf Service Station any time for service. We not only take pride in the **QUALITY GULF PRODUCTS** we sell, but we're equally proud of the **SERVICE** we perform for our friends and neighbors in this community.

One of the services that many of our regular customers appreciate is our **Call-For-and-Deliver Car Service**. When you're too busy to drive in for the periodic service your car must have, don't put it off. Just give us a ring. We'll pick up your car, service it thoroughly, and return it to you at the specified time. Call us soon for this convenient service.

We'd also like you to know about our **Emergency road Service**. We hope it never happens to you, but if you're not prepared or don't want to take care of the flat on the road, or your car refuses to start for you someday, just dial our number. We'll get to you as promptly as possible — and get you on your way.

Keep our phone number handy at home and in your car — you'll like our fast, courteous service.

Sincerely yours,

Music: Tommie Lou Johnson, chairman, Jamie Johnson, Cassandra Scott, Donna Bedwell, Janice Cobb, Freda Reagan, and Mrs. Bob Beck, sponsor.

Visitation: Melvin Cobb, chairman, Tommy Baird, Velma Ferguson, Chionez Woods, Robin Harmon, and Mrs. Elmer Berryhill, sponsor.

Seminars: Murry Wise, Chairman, Jimmy Saul, Yvonne Matthews, Sammy Johnson, Charlene Bailey, and Ober Johnson, sponsor.

Fellowships: Willie Mae Woods, chairman, Jerry Faye Elliot, Glendell Morrison, Mike Baird, Joe Charles Bedwell, and Mrs. Leroy Scott, sponsor.

Arrangements: Adell Grundy, chairman, Linda Chandler, and Mrs. Jim Stroup, sponsor.

Ushers: Ray Gene Hutcheson, chairman, Rex Anderson, Joe Seay, Joe Edd Price, Lee McDonald, Charles Barrett, Cappy Wise, and Travis Morrison, sponsor.

Evening services next week are at 8:00. Morning services time is to be announced.

METHODIST NEWS

Several of the Methodist Men have been working hard this past week installing a large evaporative cooler to air-condition the church kitchen, fellowship-hall, and sanctuary. Bill Woods was in charge of the installation. The committee appointed by the Church Board was Bill Woods, Jim Davidson, M. L. Roberson, Ollie Nall, George Ray Colvin, I. L. Edgar, and J. W. Ewing. The men, by working late into the evenings, had the air-conditioner ready for use on Sunday. The W. S. C. S., Wesleyan Guild, and M. Y. F. are sharing the expense of purchase and installation. Jeane Woods made a trip to Amarillo.

METHODIST YOUTH FELLOWSHIP OFFICERS ELECTED

Jimmie Dell Mayfield was president of the M. Y. F., and Judy Colvin the Secretary-Treasurer.

Jimmie Dell Mayfield and Judy Colvin of the First Methodist Church in Quitaque are attending the Conference Youth Assembly held on the campus of McMurray College in Abilene this week. They went to Abilene on Monday and will return Friday afternoon.

The First Baptist and First Methodist congregations enjoyed the

Sunday evening service together at the Methodist Church last Sunday evening. A good spirit of Christian fellowship prevailed. The members of both churches enjoyed the service and felt that it has helped to deepen the spirit of fellowship and cooperation between the churches.

MESSAGES FOR SUNDAY

The Sunday morning message continue the study of the parables of Jesus. "The Parable of Money" from the nineteenth chapter of Luke will be the topic for consideration.

The Sunday evening message will be the first in a series from John 1:12, entitled "Great Salvation Words". The Word for Sunday evening will be "Gift".

METHODIST YOUTH

The Intermediate and Senior groups of M. Y. F. had a joint meeting at 6:45 Sunday evening. A Bible Game called "Tic-Tac-Truth" was played. A joint time of fellowship with the Baptist Youth was enjoyed following the 7:30 evening service.

JUNIOR CHOIR HAS OUTING

A Crusader Choir is in the making for Juniors at the Baptist church, and a music camp at the Floydada Assembly this week has given the boys and girls their first training.

Taking in the classes and choirs Monday through Wednesday were five boys, seven girls, and four sponsors. They learned to read music and sang in the concert choir with eighty other boys and girls from this area. Of course, there was swimming, pillow fights, and races to the dining hall, too.

Don Brummett, Jimmy Monk, Dusty Bailey, Johnny Scott, Rex Harmon, Marilyn Hutcheson, Barbara Chandler, Patsy McDonald, Melinda McWilliams, Rhonda Rogers, Connie Brummett, and Sherry

jamin Friday where they met Mrs. Lyles' son, Lewis and family. Lewis has a farm at Benjamin and they all spent the week-end at the farm. Mikie Lyles from Brownwood returned to Quitaque with his grandmother for a two weeks' visit.

Son, Peggy and David McCracken from Pecos, Texas spent the week-end with his parents, Mr. and Mrs. Leon McCracken. Peggy attended the Homecoming at Flomrot Saturday and Sunday.

The Joe Kings' from Cactus spent the week-end visiting relatives in Quitaque. They were the guests of Mrs. King's sister, Mrs. Wendel Farley on Sunday. Other guests of the Farleys were Mr. and Mrs. D. C. Duck and Mr. and Mrs. A. B. Ramsey, Jr.

Mr. and Mrs. Elmer Berryhill went to Bailey, Texas on Friday to visit Mr. Berryhill's parents and to return Berry and Randy to their home here. The Berryhills returned home Monday evening.

Mrs. Billy Wise and Mrs. Amelia Johnson took Jack and Jill to Tullia swimming on the Fourth.

Mr. and Mrs. Johnny Cagle spent the holidays visiting friends in Sunray. The Cagles lived at Sunray at one time.

WALTER ROGERS NEWSLETTER

For this week's newsletter, I am taking the liberty of passing on to you an article which was placed on the Congressional Record by my good friend, Congressman Frank Row of Ohio. You will note that this article was published in the Rotary Graph, a publication of the Weslaco Rotary Club. Having been a long time and ardent member of the Rotary Club and a good friend of Frank's, I have no hesitancy in passing this story along, together with some comments of my own. Here it is:

"DO YOU HAPPEN TO KNOW THIS MAN?"

The Rotary Graph, a publication of the Weslaco Rotary Club, has passed along this little story, source unknown. It is almost as funny as it is tragic.

"A young man lived with his parents in a public housing development. He attended public school, rode the free school bus, and participated in the free lunch program. He entered the Army, then upon discharge retained his national service insurance. He then enrolled in the State University, working part time in the State Capitol to supplement his GI Education check.

"Upon graduation, he married a public health nurse and bought a farm with an FHA loan and then obtained an RFC loan to go into business. A baby was born in the county hospital. He bought a ranch with the aid of the veterans' land program and obtained emergency feed from the government.

"Later he put part of his land in the soil bank and the payments soon paid out his farm and ranch. His mother and father lived very comfortably on the ranch on their social security and old-age assistance checks. REA lines supplied electricity. The Government helped clear his land. The county agent showed him how to terrace it; then the government built him a fish-

pond and stocked it with many fish. The Government guaranteed him a sale for his farm products at highest prices.

"Books from the public library were delivered to his door. He banked money which a Government agency insured. His children grew up, entered public schools, ate free lunches, rode free school buses, played in public parks, swam in public pools, and joined the FFA. The man owned an automobile so he favored the Federal highway program.

"He signed a petition seeking Federal assistance in developing an industrial project to help the economy of his area. He was a leader in obtaining the new post office and Federal building, and went to Washington with a group to ask the Government to build a great dam costing millions so that the area could get 'cheap electricity'.

"He then petitioned the Government to give the local air base to the county. He was also a leader in the movement to get his specific type of farming special tax writeoffs and exemptions. Of course, he belonged to several farmers' organizations, but denied that they were pressure groups.

"Then, one day, he wrote his Congressman: 'I wish to protest these excessive governmental expenditures and attendant high taxes. I believe in rugged individualism. I think people should stand on their own two feet without expecting handouts. I am opposed to all socialistic trends and I demand a return to the principles of our Constitution and the policies of States' rights.'"

Thus ends the story that appeared in the Congressional Record. We do not know who was the original writer of this story, but it is obvious that he was deeply impressed by many of the government programs that seem to get all the attention and publicity, since he made no reference to some of the hidden subsidies which are being

passed out daily. Under the circumstances I think his story should be amended by inserting in the center of the story the following paragraph:

"When his children grew up, one of them obtained a Federal scholarship in order to attend college. Another obtained a job in a factory producing heavy machinery under a contract with a foreign government which was receiving foreign aid out of the pockets of the taxpayers of this country, with which it paid off its obligations to the factory where this son was employed. Another son obtained a position in charge of negotiating contracts for the government with manufacturing concerns under the terms of which the government agreed to pay a higher price for certain products than that for which these products could be obtained under competitive bidding, the purpose being to provide employment and profit to the manufacturing concern because it was located in an area which had been declared a distressed area under a yardstick applied by another government agency in which one of the daughters worked. Another son operated a business which would have gone bankrupt had he not been able to obtain a small business loan from the Federal government, and the business produced by workmen employed at an urban renewal project which was being financed and paid for by the Federal government. Incidentally, all of the family learned about rugged individualism and free enterprise from what they read in a national magazine which had an annual subsidy from the Federal government of about \$9,494,000."

VISITORS

Visitors to the Nation's Capital from the Panhandle last week included Miss Lucyle Penn and Miss Laura Snyder who are in Washington studying at American University for the summer. Miss Penn and Miss Snyder are teachers in the High Schools of Amarillo and

we certainly enjoyed seeing and visiting with them.

It was good also to see Mr. R. G. Peeler from Hereford and Mr. D. G. (Bill) Nelson from Amarillo, who were here in the interest of Grain Sorghum Producers Association.

Mr. and Mrs. Ott Shewmaker from Pampa are in Washington and visited here in the Capitol last week. It was a treat to be with them.

WALTER ROGERS MEMBER OF CONGRESS 18TH DISTRICT OF TEXAS

TOURING FARMERS AND RANCHERS

WACO—(Spl)—A touring delegation of Texas farmers and ranchers and their wives can expect a royal welcome when they visit Mexico July 14-24 on the Texas Farm Bureau goodwill tour to the romantic land south of the border.

The group will fly to Mexico City on July 14 and arrive back in the Lone Star State by air July 24. Mexican Minister of Agriculture Julian Rodriguez Adame has extended an official invitation for Farm Bureau members in Texas to visit Mexico on this combination goodwill, educational and pleasure trip.

"While tour spaces are limited, there are openings for those wanting to go along on the 11-day tour," J. H. West, president of the state farm organization, said. Persons wishing information on the tour can contact county Farm Bureau office in their county or write to the Texas Farm Bureau, Box 489, Waco, he added.

Here, briefly, is the itinerary: July 14—Arrival in Mexico City. Tour representatives will greet tourists and assist with luggage and transfer to Hotel Del Prado.

July 15—Group will be escorted on comprehensive tour of the capital, visiting ancient cathedrals, primitive glass factories, native flower markets and storied Chapultepec Castle and Park, and the

famed National School of Agriculture at Chapingo.

July 16—At leisure all day for shopping, taking pictures, etc.

July 17—More sight-seeing in vicinity of Mexico City, including visit to the famous and beautiful floating gardens of Xochimilco where the Texans will drift along winding lagoons in boats garlanded with flowers to the music of mariachis. The group will take in a bullfight that afternoon.

July 18—The Texans will begin a three-day trip westward into the cool and scenic mountains and valleys of Mexico. The first stop will be Toluca, city of fabulous market places. Then on to the luxurious resort of San Jose Purua nestled in the mountains where they will stay overnight.

July 19—After breakfast, drive to Morelia, containing some of the best colonial architecture in Mexico. The group reaches Lake Patzcuaro in the evening, remaining overnight in this typically 16th century town.

July 20—The tourists will enjoy a boatride to the picturesque little island of Janitzo where they will see the Tarascan Indian fishermen with their butterfly nets. The group will return to Mexico City in the afternoon.

July 21—On this day the touring Texans head south over the mountains to Cuernavaca, where they will visit the famous Palace of Cortez and Dela Borda Gardens. Then on to Taxco, fabulous old mining town that clings to a mountain-side. Sightseeing here and visits to the interesting silver shops.

July 22—After staying overnight in Taxco, the Texans continue to Acapulco, the Riviera of the Americas.

July 23—At leisure in Acapulco. The Texans will enjoy a complete day in this vacationer's paradise, swimming, deep sea fishing, etc.

July 24—The group will leave Acapulco by air for Mexico City where they will meet 'connecting flights for Texas.

Chapel Choir Enjoys Glorieta Trip

By Tommie Lou Johnson
The Chapel Choir met at the First Baptist Church, Thursday June 16, 1960, at 5:00 A. M. with many suitcases and happy, excited faces. We hurriedly taped the poster to the bus, took pictures, and told our parents goodbye for the last time. Eagerly we found our seats, and met our bus driver, Dan Thompson. Finally, 20 persons rolled out of their familiar town, Glorieta bound!

One of the most important stops was at Clovis where we bought postcards and set our watches back. As we came closer to Glorieta, the mountains grew taller, with lovely pines stretching higher and even closer to the lofty heavens. Snow was noticed on some of the more distant peaks.

Upon arriving at the Baptist Assembly we registered at New Mexico Hall. Quickly we were taken to the Abilene Cabins where all unpacked hurriedly. When at last we took in the scenic view we found ourselves nestled at the bottom of encircling mountains. Our largest dream at last came true!

The next few days were spent in finding our way around, meeting people from all over the world, and attending meetings. We made up the majority of the choir the first few days, but soon others joined us. Our director was Mr. Lee Roy Tell from Dallas. The organist, Dale Bench and pianist, Jerry Hitt were from Hardin

Simmons. The selections were just wonderful, and we learned many new songs which we hope to sing for our church in the near future. Dr. John E. Barnes, Jr. was the pastor for the second Training Union Week. He brought some wonderful sermons. The theme of this summer session is "Keep The New Life Growing".

From the various training union classes each learned many new ways of conducting unions to be put to practice back home. We had the good fortune of hearing Virginia Seelig sing several specials, one of which was, "How Great Thou Art." Another interesting couple was Mr. and Mrs. Gaylon Cothern who have written several books on topics which interest teenagers. She is the author of the column "We've Been Wondering" in Upward, a magazine for Intermediates.

Some of the conferences for us were "What Baptists Believe", "Christ In My Career", "The Teenager and His Problems" and "Personality Development". Dr. Kenneth L. Chafin in his conference "What Baptists Believe" explained clearly some of the points which puzzle most young people. Between classes the chimes were played and most everyone found themselves humming along with them. Each day closed with a campfire service, and all found themselves closer drawn to God. Afterward, we went to the modern lounge of Abilene's Cabins and had our devotional. Before we closed, we discussed some of the events of the day.

Before the trip was over Mrs. Owensby became a close friend of

the group, and we thanked her for the use of Abilene's Cabins. She was the overseer of that church's property.

One of the highlights of our trip was a six mile hike. The small country road ended into a trickling stream, and the pine cones were found profusely. The group will never forget the marvelous scenery.

By the end of the week, home sounded very good. We packed as quickly as possible and left for Santa Fe. There we were amazed at the narrow crooked streets. We visited the Museum and went through a Catholic church.

Upon arriving home, we shouted for joy, hugged our parents, thanked the bus driver, and went our merry way. The Chapel Choir wishes to thank the church, its members, our parents, and friends for sending us on this wonderful trip which was truly one of the golden opportunities of a life time!

SCHOOL GRANTS

A grant of \$3,500 was made Wednesday by S. L. Nevins, Vice President of Olin Mathieson Chemical Corporation, to the Texas Foundation of Voluntarily Supported Colleges and Universities. This money will be matched by additional funds from the Rockefeller Brothers Fund, making a total of \$7,000 for higher education in the state.

In making the presentation, Mr. Nevins stated that a recent three-week tour of Russia had impressed him with the need in this country for more emphasis on advanced training. "In Russia, the government actually pays their better students and research people to attend advanced courses. If we in the free world are to maintain our way of life, we must also offer more encouragement to our top students to continue their learning", he said.

The Texas Foundation of Voluntarily Supported Colleges and Universities is made up of 22 church related schools in Texas which represent more than 45,000 students. Headed by Dr. Joseph R. Griggs, the Foundation has been in operation for seven years.

Mr. Nevins stated that this grant helps point up his company's belief in the future growth and expansion of Texas and the Southwest.

Olin Mathieson has operated fertilizer manufacturing facilities on the Houston ship since 1945 and

Fish Tales . . .

Shang Johnson, Joe Bedwell, Slocum Roberson, and Donnie Brunson returned Tuesday afternoon from Lake City, Colorado where they had been since last Wednesday doing some fishing.

Fishing was good, the men report, and they caught their limit every day.

THEY'VE BEEN BITING AT BURSON LAKES

The Tribune had a letter from Mr. Dusty Taylor out at Burson Lakes and Mr. Taylor reports that they had been biting out there. He sent along a picture as proof the fact.

Bo Cagle, Theron Culwell and Ray Cox, all of Tulia had landed a very nice string of Channel Cat. Five of these catch weighed seven and one-half pounds, five and a quarter, 4 pounds, 3 pounds, and a two and one-half pounder.

Mr. Taylor invites everyone out for a visit.

Mr. and Mrs. O. C. Payne, Mr. and Mrs. Warren Payne and Barbara Jean Reagan spent the holidays fishing at Possum Kingdom Lake.

Paul Bailey, Dellis Monk, Ray Gene Hutcheson, Rex Anderson, and Dusty Bailey spent Saturday night at the E. A. Birdwell lake fishing.

Mrs. Willie Smiley of O'Donnell spent Saturday night with Mr. and Mrs. Harry Blair. On Sunday Mrs. Smylie visited in the home of Mr. and Mrs. Alton Johnson.

Mrs. Donnie Brunson and children visited her mother in Oklahoma City from Wednesday until Monday.

Mr. and Mrs. W. C. Roberson from Wellington spent Saturday night with their daughter, Minnie Mae, and all went to Plainview Sunday to the Kimbell Reunion. There were about 60 relatives and friends there to enjoy the day.

Mr. and Mrs. Sid Bogan spent the holidays visiting the S. T. Bogan's, Jr., in Big Spring. They also stopped in Snyder for a visit with the Burgesses.

has just recently expanded the plant, making it the largest high analysis fertilizer producing unit in the world.
