## This And That About One Thing and Another

The bank took on a new slant this week—the new bank building, that is. The face of this new building is ultra modern—nothing traditional about it. It either curves or leans, and it takes a modern word to describe it—snazzy.

Construction of this building is different from anything else Quitaque has, or we've seen go up here. The steel structure, the material used for the outside finish, everything about it is different, and is being watched with interest.

We were told that there wasn't anything to compare with it in this area, except the new Hemphill-Wells building in Lubbock and we are about convinced.

Work on the remodeling of the hospital building also is underway and was making good progress until it was decided to lower the building, so now some time has been taken up in taking off some of the foundation.

The new Methodist church is almost finished. It will be only two or three weeks (really and truly) until this building will be ready for the congregation.

Friday being the 13th could have had nothing to do with it, of course, but when Gaston left for the Texas-Oklahoma game at Dallas last week end, he went off without his billfold.

For those who like a contest, here is one you might try. This week the printers at the Post ran short of letters so they "hand-made" some and three of them are in the two big page ads. In this issue, if you can find two of the three and tell us about it, we'll mark your subscription up a year. Ok, folks, "which twin has the Toni?"

Last week we advised that you read the ads. Sure hope you did, so you will remember that beginning today (Thursday) the Pioneer (Rexall) Drug is having a one cent sale. Check that adv. for bargains.

## New Comers

Dr. and Mrs. Henry Gardiner have a new son born October 9, who was named William David. Dr. Gardiner is head of psychiatric services at the U. S. Naval Hospital in Oceanside, Cal. Bill is the third son for Dr. Gardiner, and is a brother to Hank and Frank, and has a sister Ann.

Mr. and Mrs. Cecil Seaney have a daughter born this (Thursday) morning at Silverton, whom they have named Donna Sue. Everybody is doing fine.

There are two new Hall grandchildren we are rather belatedly reporting, but that certainly does not detract from their importance. Mr. and Mrs. Polk Hall of Lubbock have a son who is almost three months old who hasn't had his name in the paper. He is Charles Robert.

Mr. and Mrs. Gid B. Adkisson, Jr., of Abernathy have a daughter born September 20, who was named Annette. The Adkissons also have two sons.

And while we're putting names in the paper, Mr. and Mrs. Billy Frank Rhoderick have named their new son Michael Frank.

## TWO NEW PURCELLS

Dean and Doyle Purcell (cousins) both became papas within a few hours of each other, this week. Dean said Doyle beat him in time, but he beat Doyle in weight. A son weighing 7 pounds and 3 ounces was born to Mr. and Mrs. Doyle Purcell at Quannah Thursday night, Oct. 12, and was named Daniel Shannon. And a boy weighing 7 pounds and 4 ounces, was born a few hours later, Friday morning, Oct. 13, to Mr. and Mrs. Dean Purcell at Matador. He was named Michael Dean. Both dads are 20 years old. Everyone concerned is doing nicely.

Doc Chandler was in town for a while Saturday afternoon, the first time he has been out since his illness several weeks ago. Doc has regained the use of both legs, which were paralyzed following a stroke he suffered on Sept. 4, but he still has no feeling in his left arm. He is improving right along.

## Panthers vs Kress Last Home Conf. Game

By Gaston Owens

Led by Buddy Holcomb, who broke loose for a five touchdown splurge, the Quitaque Panthers rolled over Matador here last Friday night 46-0.

Matador has yet to win a game this year and beating them is no trick but the apparent ease with which the Panthers did it, and the fact that Coach Mitchell used every available man on the bench was cheering to fans of the Panthers.

Quitaque kicked off to the Matadors to start festivities, held for downs and then the parade started. Gordon Riley scored first, going over from five yards out. Then Buddy Holcomb took over the scoring department and scored five straight TD's, two of them on short plunges and the other three on pass plays with Riley doing the tossing. Late in the third period Lynn Rhoderick hit Richard Eddleman for 20 yards and a score. Just about everyone got into the scoring act with Riley getting 6 points, Bud 30, Eddleman 6, Rhoderick 2, Garner 1 and Davidson 1. One of the biggest disappointments of the evening came when Jerry King, pocket-size Panther end, fielded a Rhoderick pass for a score only to have it called back because of a Panther offense.

The Panthers turned in their best effort of the current season in turning back Matador. A great deal of improvement was shown in every department. More spirit was shown by the squad, blocking and tackling was better, play selection and execution of the plays was smoother than at any other time this year. The passing attack, which had been rather impotent, blossomed Friday night and the fact that the Panthers have three men who can and will pass the ball will make the offense more deceptive.

Friday night, here on Panther Field, the locals will do battle with dangerous Kress. The Kangaroos will enter the game sporting an undefeated record in conference play and will be out to keep their slate clean. Although the Kangaroo squad is admittedly weaker than last years team, which won the Region 1 crown, they have a good team and the Panthers will have their hands full in this their final home conference game of this season.

Quitaque will have to win this one to stay in the running for championship honors since they already have one conference loss on their record.

However, we think that the Panthers can win it if they will play the same fine game which they played last Friday night, and then play just a little harder.

Fans will be assured of probably the top game to be played here this season and are urged to turn out in full force.

We have been asked to announce that donations will be accepted Friday night to help defray hospital expenses of Odell Farley, who suffered a broken leg in football practice last week. The insurance policy covering the squad is not a blanket policy—each boy's name must appear on the policy—and since Odell had only been working out a few days there hadn't been time to get his name on the policy.

Plans are being made to take up a collection at the game Friday night. If you do not see anyone who is passing a hat, then leave your donation at the concession stand. Be as generous as possible.

Odell suffered a bad break and expenses will run high and we all know that our school never has too much money and your help will be greatly appreciated.

Tommy Baird returned Monday to the Brown Sanitarium at Vernon for several weeks treatment. He was accompanied by his mother Mrs. J. B. Baird. Tommy started to school this term even though he had polio in the summer, but it was too much for him, so he is going to rest until after Christmas.

## Last Rites Oct. 12 For Hal Overstreet

Last rites for Howell S. Overstreet were held at the Quitaque Baptist Church last Thursday, Oct. 12 at 2 o'clock, with the pastor, Rev. Ray Riley officiating and Rev. W. C. Bryant, pastor of the Temple Baptist Church of Amarillo bringing the funeral message.

Interment was in Quitaque cemetery under direction of Daniel Funeral Home. Pallbearers were J. B. Baird, Frank Gillespie, Orlin Stark, W. J. Rice, Lee Ward of Amarillo and Rev. Clarence Wainwright of Levelland.

Born in Foard County in 1903, Hal was left an orphan at an early age, and his sister, now Mrs. Barney Martin cared for him and his other two sisters until he and the younger sister, now Mrs. Bill Casey were placed in the Odd Fellows orphan home at Corsicana. He remained in the home until he was 17 years old, then returned to Foard county, to make his living, on his own.

On June 2, 1922, he and Miss Lela Anderson of Crowell were married at Crowell, and they had two daughters. Survivors are the wife and daughters, Mrs. Ima Jo Welkerson of Tulla, and Mrs. Mildred McKinley of Pampa, and one grandchild. Also the sisters, Mrs. Roy Martin of Vernon, Mrs. Barney Martin of Weatherford and Mrs. Bill Casey of Olney. All were present for the last rites.

Most of their married life was lived at Quitaque, however they built a home at Weatherford and lived there for a time. At the time of his death he had been living for about 18 months in Amarillo. Hal had been in failing health for a number of years, having suffered several severe heart attacks.

Friends and relatives here for the last rites included Mr. and Mrs. Billy B. Hutcherson, Ike McCauley, Hugh Sullivan, Lee Ward, R. D. Moreau, Mr. and Mrs. Charlie Gamble, Mr. and Mrs. Guy Mullin, Rev. W. C. Bryant, all of Amarillo; Mr. and Mrs. M. E. Powers of Pampa, Rev. and Mrs. C. E. Wainwright and Mrs. Ferrell Pettit of Levelland; Mrs. J. L. Martin, Floyd and Ray of Hereford; Mr. and Mrs. Jack White of Crowell, Mr. and Mrs. Clint White and Red Easley of Crowell.

## HARVEST IS SLOW

Grain is coming in to the Elevators fairly steady, and is testing well, George Setliff of Quitaque Elevator and the Setliff Elevator at Turkey, stated this week. For some strange reason, (the weather here varies, even just over the fence) the grain in the Turkey area is ripening earlier than that a few miles west, and Turkey Elevator had received 22 cars the first of the week, while at Quitaque only about 5 cars had been received.

About fifty percent of the grain is dry enough for government storage and is being placed in storage. The Elevator also is buying grain. Mr. Setliff said most of the grain is testing good heavy weight.

He said it was difficult to estimate the yield this year, due to the unusually late harvest and the uncertainty of the weather.

Mr. Setliff said he had plenty of bonded storage space at the elevator.

Cotton is opening very slowly, and not many farmers have hands in their fields yet. Some of the cotton still looks very good and if frost is late enough, will mature. Cotton is grading better than expected, but is spotted.

Farmer's Gin at Quitaque had received about 85 bales up to Wednesday afternoon, and the first bale was run through the new Paymaster Gin Monday of this week. This modern, up-to-the-minute gin is brand spanking new and farmers are invited to visit and look over the plant.

Mr. and Mrs. Wesley Bull of Amarillo visited here over the week end with relatives.

## F. F. Hefner Passes After Short Illness

Services for Frederick F. Hefner, 73 years old, were held at the Quitaque school building Monday afternoon at 2 o'clock. Hubert Setliff of Plainview, officiated, assisted by Odell Purdy of Turkey, and Raldo Meacham of Turkey was in charge of the singing.

Interment was in the Quitaque cemetery under direction of McDonald Funeral Home. Pallbearers were Preston Wood, Odis Honea, Homer Gregg, Walter Kelly, Knox Farley and Ralph Carter.

Mr. Hefner was taken to the Stanley hospital at Matador about two weeks ago, suffering with virus pneumonia. He passed away Saturday night, Oct. 14, at 10:00 o'clock.

Born in Hunt County, near Lone Oak, on July 4, 1877, he moved with his parents when a small boy to Jack County. From there he went in a covered wagon to the Indian Territory. He was married at Lynn, to Miss Tommie Lenore Cates, before Oklahoma was admitted to the Union and entered statehood. They were the parents of eight children, two of them dying in infancy.

In 1928 the family moved to West Texas, and Mr. Hefner farmed in the Flomot vicinity before they moved to Quitaque. He was an active, energetic man and took great pride in his work. He was caretaker at the cemetery for several years, and worked and beautified the grounds until his last illness. His advanced years did not slow him down in any way—mentally and physically he was alert and actively interested in his home and family, his work and his community.

His first wife died October 23, 1932 and was buried at Quitaque. On January 28, 1939 he married Miss Nora Lee Phelps of Quitaque. He is survived by his wife and six children, who are twin sons, Claude of Durant, Okla., and Clyde of Amarillo; three daughters Mrs. Annabelle Matthews and Mrs. Aubrey Kelly of Amarillo, and Mrs. Vernie Taylor of Quitaque, and another son Gradus of Palestine. All were present for the last rites except Gradus. There are 14 grandchildren and 2 great grandchildren. Also surviving are two brothers Ad Hefner of Phoenix, Ariz., and Olin Hefner of Jernyn, Texas, the latter coming for the last rites; and two sisters Mrs. Zula White of Fort Worth and Mrs. Buelah Hawkins of Plainview.

## BROTHER-IN-LAW DIES

Albert Webb, pioneer settler of Berger died October 17, at Plainview. Mr. Webb, 76 years old, had made his home in Amarillo with a son since the passing of his wife about three years ago. He was a brother-in-law of F. F. Hefner of Quitaque who passed away on Oct. 14.

## BEN GULL HERE SATURDAY FOR SCHEDULED VISIT

Congressman Ben Gull was here Saturday accompanied by his campaign manager from Pampa, Mickey Ledrick. Mr. Gull arrived in town about noon, a little too early for our Saturday trade to get in, and he remained until about 2:30 or 3:00.

He was scheduled to speak here at 2 o'clock, but after making a round of the business houses, and finding quite a number of his prospective listeners with their ears glued to their radios, their interest centered in the ball games, he decided it would be undiplomatic to disturb them, so he did not make his talk. His schedule did not permit him to remain here until after the game.

It's too bad that Mr. Gull did not go ahead and compete with the ball game. He would have had a nice crowd and quite a number of interested constituents inquired about the scheduled talk and were disappointed at missing the opportunity to hear their Congressman.

Mr. and Mrs. Pierce White and Minnie Mae Roberson spent the week end in Pampa visiting Mr. and Mrs. Houston Allen. Mr. Allen is getting along nicely following a serious operation.

Jack Holcomb went to Plainview Tuesday and remained to go through the clinic for a thorough checkup.

## Passenger Service Ends Saturday, Oct. 22nd

Passenger train service over the South Plains line of Fort Worth and Denver City Railway between Childress and Plainview-Lubbock, Texas, and intermediate towns will be discontinued effective Sunday, October 22nd.

Authority for this action is contained in a Railroad Commission of Texas order dated October 6th, in its Docket No. 1088-RO.

The last passenger runs will be operated westward from Childress to Lubbock and eastward from Lubbock to Childress on Saturday October 21st.

The commission authorized Denver City railway to abandon trains 101 and 102, which were said to be "not profitable" to the company.

A public hearing on the application was held in Lubbock on Sept. 7 and in Plainview on Sept. 8.

Commissioner Olin Culberson concurred in the authorization but said he did not agree with the supreme court decision which made it possible.

The high court has ruled that a train may be discontinued if it is shown to be not profitable. Culberson said he did not think that "public convenience" was considered by the court.

There will be no interruption in mail service, stated Post master Sid Bogan. A representative of the Railway mail service, Benny Barker of Fort Worth, was in Quitaque Tuesday and told the postmaster that arrangements had been made for the Mistletoe Truck line (which delivers films to the theatres through this area) to be the temporary carriers for the mail, running from Childress to Plainview. As soon as possible, bids will be asked and contract let for truck delivery of the mail over this route.

The mail will be dispatched on the same schedule as now in effect, and the postoffice will continue to operate the same hours. There is a possibility, the postmaster said, that we may now get Sunday mail delivery.

## BILLY JOE McFALL WEDS GIRL FROM McLEAN

Billy Joe McFall, son of Mr. and Mrs. Sid McFall of Quitaque, and Miss Jo Dean Trout, daughter of Mr. and Mrs. Raymond Trout of McLean, were married last Thursday, October 12, at Portales, NM. They were accompanied by her brother and wife Mr. and Mrs. Bobby Trout of McLean.

Billy Joe and his bride came to Quitaque Saturday and remained until Sunday with his parents. He had been working on the RO Ranch near Clarendon but they left this week for the Tubbs' ranch near Canadian, where he will be employed.

## Omer Washington Is Buried At Flomot

Last rites were held Sunday at 2:30 p. m. at the Flomot Methodist church for Omer Washington, 48 years old, who died Friday, October 13, in the Tulla hospital.

Rev. Bob Jameson, pioneer Methodist pastor, conducted the rites, assisted by Rev. Baker, pastor of the Flomot Methodist church, and Rev. J. E. Lee, Baptist pastor of Flomot. Interment was in Flomot cemetery under direction of Douglas Funeral Home.

Pallbearers were Alfred Martin, Raldo Martin, Tom Bynum and John Morriss of Flomot, Jess Birchfield of Dimmitt, Cecil Davis of Muleshoe, Vernon Loftin of Tulla, and Leslie Watson of Springlake.

Mr. Washington was born August 15, 1902 at Flomot, and grew to manhood in that community. He married Miss May Wingo of Flomot in 1922 and they had eight children.

Survivors are the wife and children, Mrs. Farris Martin of Silverton, James Washington of Quitaque, Arnold Washington and Mrs. Billy Watson of Springlake, and Omer J., George, Peggy Sue and Earl, who make their home with their mother at Tulla. There are five grandchildren, two brothers, Gordie of Flomot and Dick of Portales, and one sister, Mrs. Abe Martin of Flomot.

About ten years ago the family moved to the Plains, first to Muleshoe in 1940, then to Springlake, and about three years ago they moved to Tulla. Mr. Washington was a farmer and their home when he died was a farm near Tulla. He had been in failing health for several years.

## BROKEN LEG

Odell Farley, about 15 years old received a badly fractured leg Friday afternoon while working out on the football field. Odell had come out for football only recently and had played just a few times. The injury was caused, it was stated, when the cleats in his shoe held the foot rigid while he was thrown to the ground by a rolling block.

He was taken to the Plainview sanitarium by Daniel ambulance where xrays were made. The break was not set until Tuesday of this week, due to the complicated condition. The double fracture and shattered bone created a serious problem, but the doctors assured the boy that in time his leg would be as good as new.

BILLY SELF WRITES OF WOUNDS RECEIVED IN ACTION

Word has been received by Mr. and Mrs. M. B. Self from their son, Billy, that he is in the hospital somewhere in Japan. Their first news of his being wounded in action was written September 27, but no details were given at that time. The family has received no word from the war department as to where it happened.

Tuesday his parents received a second letter, in which Billy told them that both of his legs were broken below the knee and one leg hurt above the knee. He is in a cast, form the hips down. He also has a shrapnel in the left chest. He said a mortar shell exploded in front of him. As to how he is no further word has been received by his parents.

Billy enlisted in the Marines about two years ago, and has been in action in Korea for sometime.

The Quitaque Lions Club was host to the District Governor, Dr. Marshall of Lubbock, at their meeting last Thursday night, Oct. 12. The meeting was held at the school house and the delicious steak supper was served by Mrs. N. B. Herrington.

There were 17 members of the local Lions club present, and guests included J. J. Hall of Quitaque, Fred Garrison of Silverton, zone chairman, Mr. Tennison of Silverton and Dr. Harvey.

The Silverton visitors made interesting talks on Lionism, and Dr. Harvey explained the Lions plan for support of the crippled children's home at Kerrville.

Supper will start at 6:45, and continue until every body who wants to eat is fed—or the food runs out. The 42 games will begin

about 8 o'clock.

The supper will be 75c per plate—and all you can eat. The games will be 50c per couple. So for \$2.00 you can treat your lady to a dandy meal and entertainment for the evening.

Proceeds from the affair will go to the hospital fund.

### Baptist Church News

Ray Riley, Pastor

The revival was well attended at all services. The church wishes to thank all who attended during a very busy season. The faculty and school children were most cooperative in every respect. Dr. R. H. Farwell, Jr., spoke to the whole school at 10:15 on October 9 and the children seemed to enjoy the lecture very much.

The new Opera chairs are very comfortable. The church building is being completed a little at a time. There is no indebtedness on the church or property. Our people respond to every call and at no time has there been a lack of funds in the building program.

There were three "Youth Fellowship" meetings after the church services. All present enjoyed the singing of folk songs and choruses. Each Sunday night the youth will meet at the parsonage for fellowship and refreshments. You are welcome.

It was a privilege to have the Methodist folk with us at the Sunday night service. We welcome all of any faith that will come and worship with us.

To all teachers and officers. We will meet each Wednesday at 7:00 to check our records and plan for better work Sunday.

Prayer meeting every Wednesday at 8:00. We are having from 25 to 44 each Wednesday night.

**Special Attention Officers and Teachers**
