JAMES C. HOLMAN RECEIVES APPOINTMENT TO CHURCH AT ABILENE, TEXAS

JAMES C. HOLMAN

The Rev. Kenneth Metzger of the Fargo-Wildcat appointment will succeed Rev. James C. Holman as pastor of The First Methodist Church here, it was announced last Friday morning in the closing session of the 53rd annual meeting of the Northwest Texas Methodist Conference, held last week at Big Spring.

The Rev. Holman was appointed to Grace Methodist Church in Abilene. The Holmans have been in Quitaque two years.

The entire community is sorry to lose the Holmans for they are real assets to any town. In addition to his pastoral duties, Bro. Holman was very active in the civic life of the town, taking part in many activities, the Lions Club, PTA, Cub Scouts and any other worthwhile activity of our community. He was always ready and willing to lend a helping hand to any one who needed it regardless of race or creed.

Mrs. Holman will be sorely missed too, for he was a teacher in our public schools, is a very fine musician who gave of her time and talents wherever they were needed. In addition to her organ and piano playing, Mrs. Holman teamed up with Bro. Holman to form a very fine singing twosome. The Holman daughters, Beth and Peggy, have made a host of friends here in Quitaque and their friends certainly are sorry to see them go, but happy too, for the advancement being received by their father, Jamie, the youngest of the family will start to school this fall.

Bro. Holman will preach at his new pastorate and the new Quitaque pastor is due to be here Sunday, also.

Everyone in the community wishes all the best for the Holman family. They will be missed in Quitaque.

The Tribune and the entire community joins welcoming the Rev. and Mrs. Kenneth Metzger to our town and hope their tenure here is both a pleasant and successful ministry.

Elsewhere in our area, Rev. Marvin Fisher was returned to Silvertown and Johnny Williams was returned to Turkey.

Mr. and Mrs. Gus Gibson, Jr. and children spent last week-end in Dallas, guests of Mr. and Mrs. Claude Chandler and family.

A Farewell Note From The Holmans

The James C. Holmans wish to say "thank you" for two wonderful years of happy associations. The people of First Methodist Church, whom we have been serving, and the people of the entire community have been so wonderful to work with that it is most difficult to leave. We especially want to express our gratitude for the expression of love from the entire community in the "going away" gifts that we have received. You have all been so very thoughtful and kind that you will always live in our hearts.

Rev. and Mrs. Kenneth Metzger, of Fargo-Wildcat appointment, and

Mort Hawkins Is Re-elected Comm. Precinct No. 2

Mort Hawkins was re-elected as Commissioner of Precinct No. 2, in the run-off primary held last Saturday, defeating B. K. Hamilton by a vote of 165 to 93.

Don Yarborough carried the local box over Connally by a margin of 140-99.

Over the County Yarborough was only a two-vote winner, 285 to 283. In the other races, Briscoe County voted as follows:

For Lt. Governor: Preston Smith, 499; Jas. Turman, 11.

For Attorney General: Waggoner Carr, 439; Tom Reavley, 121.

Congressman-at-Large: Woodrow W. Bean, 280; Joe Pool, 250.

Mr. and Mrs. E. J. Hamilton were hosts for a breakfast last Sunday morning, June 3, in honor of John Lynn Johnson of Austin, his fiancée, Miss Brenda Leathers of Paducah and his parents, Mr. and Mrs. Alton Johnson.

J. L. Shannon Rites Will Be Held Here Saturday Afternoon

Funeral services for J. L. Shannon, one of this area's real old-timers, will be held at the First Baptist Church here Saturday afternoon at 2.30. Rev. Bill Purdy of Amarillo will officiate.

Mr. Shannon died in the Swisher County Hospital at Tulia Thursday morning at 1 o'clock. He had suffered a heart attack several weeks ago, but had left the hospital and was in Amarillo in a rest home until Wednesday morning. Mr. Shannon had never gained his strength back and after suffering a fall Wednesday morning he was moved back to the Tulia hospital. He was born in Joplin, Mo. in 1875 and was 87 years of age.

He is survived by ten sons, 6 daughters, 43 grandchildren and 29 great-grandchildren.

The body will be carried to the home of his son, Bly Shannon, at 10 o'clock Friday morning and will lie in state there until about 1 P. M. Saturday.

Arrangements are under the direction of Roberts Funeral Home, Inc.

A complete obituary will appear next week.

Rough Weather Hurts Crops

Highway Work Contract Let For Briscoe County

A contract for 13 miles of construction on F. M. Roads 145 and 273 in Briscoe County has been awarded to an Amarillo firm, it was announced in Austin this week, by the State Highway Commission.

Ivan Dement, Inc. submitted the low bid of \$190,668.00 on the project. Grading, structure, base and surfacing from F. M. Road 378, 5.0 miles south of S. H. 86, east to F. M. Road 2464 and from S. H. 86, 2.5 miles west of Hall County line, south to F. M. Road 599 is expected to take 120 working days, according to Palmer Massey, District Highway Engineer at Childress.

O. V. Johnson, Resident Engineer at Quitaque will be in active charge of the project while it is under construction.

Mr. and Mrs. Dwane Kessinger were here from California over the week-end visiting at the home of Mr. and Mrs. Bud Bailey and girls. Mrs. Kessinger is Mrs. Bailey's niece.

Winds, hail and rain have done considerable damage to crops in this area over the past few days.

The turbulent weather started Thursday of last week when .60 of an inch of moisture was received. Early Friday morning another .19 fell and Friday night .30 of an inch of rain was measured by the official gauge at the City Hall.

Monday afternoon rain again fell all over the area in varying amounts, along with hail in some sections north and east of Quitaque. The gauge here in town caught .52 although up to 1½ fell north of town. L. D. Bilberry at Flomot reported that he caught 1.7

Monday. On Thursday of last week it rained 1.3 on his farm 2 miles south of Flomot. That area had been very dry, too, having been almost missed by previous showers which had dotted our area. On Tuesday of this week the stormy weather returned to our area and crops in places were again hit hard by heavy rains and some really large hail. The area south of Turkey was reported to have been hit by baseball size hail and up to 4½ inches of rain. Walter Kelly brought in some very large chunks of ice that fell at the gravel pit south of town Tuesday afternoon. Marble sized hail fell here in town

for a short time Tuesday afternoon. Jim Stroup also reported hail of the same size at their place. It is believed that not too much damage was caused by this hail, although some farmers were hard hit northeast of Quitaque later on Tuesday afternoon. The rain gauge at the City Hall caught .19 of an inch of moisture.

A great deal of the crops will need to be replanted, but many report that at least some of their crops can be saved. There is one consolation to be gained from the rough weather; the Valley is wet again and getting really green for the first time this spring.

LONG DISTANCE TELEPHONE CALLS TO BE HANDLED AT MEMPHIS

"Effective June 3, Quitaque and Turkey long distance calls will be handled by Memphis operators," according to W. L. Frazier, District Manager of the two exchanges for General Telephone Company of the Southwest. The project, which requires extensive long distance routing changes, is nearing completion.

Under the existing system, all long distance traffic originating in Quitaque and Turkey is handled through General's traffic center in Matador.

Under the new scheme, Turkey and Quitaque subscribers wishing to report a telephone out of order will dial "O" (operator) and ask for "repair service".

Business and office calls will be handled in the following manner: Between June 3 through June 5, the subscriber in Quitaque or Turkey dials "O" and asks for "Enterprise number 184". This practice will continue until June 6, at which time, subscribers in either city will dial "O" and ask for "Ralls", Enterprise number 2412," Frazier said.

The two-day period between June 3 and 5 will permit customer's records and local files to be transported and set up in the Ralls Business Office where subscribers' business office functions will be administered.

The transfer from Matador to Ralls is in conjunction with Matador's cutover to modern dial operation scheduled August 1. After this date, there will no longer be operators or business office personnel in Matador.

The long distance change which goes into effect on June 3, will enjoin Turkey and Quitaque with the "Intertoll Network." By means of this network, Memphis operators handling calls from either of the two cities can dial cities across the nation direct, without the assistance of other operators along the way. By the same token, distant operators can dial directly to members in Quitaque and Turkey, without assistance from Memphis operators.

(Ed. note: This information was not received here at the Tribune until Friday and some of the instructions are therefore of no use to telephone subscribers. However, part of the information is applicable.)

Mr. and Mrs. Joe King of Cactus spent the week-end in Quitaque with relatives. They were guests of her parents, Mr. and Mrs. D. C. Duck for dinner Sunday. Other guests in the Duck home were Mrs. H. G. Boyles and children of Silverton, Mr. and Mrs. Wendell Farley and children, and Mr. and Mrs. A. B. Ramsey, Jr. and family. Marilyn King remained for a visit this week, and the Ramsey boys, Dale and Dwight, returned to Cactus for a visit with the Kings.

Mr. and Mrs. Wallace Johnston met Mr. and Mrs. John Kyle and children at Lelia Lake near Clar-end Sunday for an outing and some fishing.

Mrs. Earl Wise Is Elected to Local High School Faculty

Mrs. Earl Wise has been hired to teach English in Quitaque High School, Supt. Johnny Mason announced this week.

Mrs. Wise has been teaching at Flomot for the past 7 years.

Mrs. Wise attended New Mexico State University for three years and attended Arizona State at Flagstaff, where she received her B. A. degree, majoring in Home Economics and Science and minoring in English. She replaces Miss Juanita Rhodes, who resigned at the end of this year's term.

CHERYL ANN MERRELL HAS TONSILLECTOMY

Cheryll Ann Merrell, daughter of Mr. and Mrs. Truman Merrell, had her tonsils removed at Lockney General Hospital Tuesday of last week. She was returned home Thursday and is doing fine.

B. K. Hamilton Thanks Voters

I want to thank my supporters during the second primary election, for their cooperation and support; and to those who did not vote for me, let me say that I feel that you are my friends and I respect your right to vote the way you see best.

Congratulations to Mr. Mort Hawkins.

B. K. Hamilton

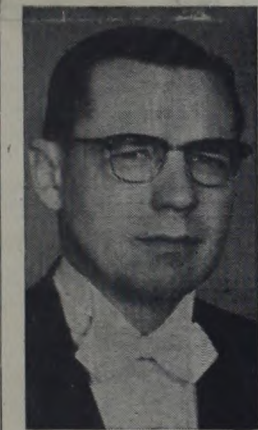

Mr. and Mrs. Glynn Ramsey and son spent Friday night and Saturday night in Amarillo with Mr. and Mrs. Durwood Lewis. They took Donald and Derrell Ramsey, sons of Mr. and Mrs. Doyle Ramsey to Amarillo for a visit at the Durwood Lewis home. On their return home, Glynn became ill, and entered the Lockney Hospital, and stayed from Saturday evening until Monday. He reports that he is feeling much better.

Mr. and Mrs. Johnny Mason and children spent a recent week-end in Plainview with her parents, Mr. and Mrs. Tom Perkins. Donna remained for a visit with her grandparents. She went to Kress on Wednesday of last week and spent the rest of the week there with Mr. and Mrs. Bus Weathered.

Mr. and Mrs. J. B. Stephens and children and Mrs. Newbrough and daughter of Bovina, and Mrs. Violet Cooper and children of Lockney spent Sunday with Mrs. U. C. Purcell.

Mr. and Mrs. E. C. Carter and family of Dallas and Darlene Blagg of Wichita Falls and Mr. and Mrs. L. B. Monk and boys spent Sunday with Mr. and Mrs. C. P. Richmond. Mr. Carter is a brother of Mrs. Richmond and Mrs. Blagg is her niece.

Baylor Choir To Present Concert Sunday

DR. EUELL PORTER

Baylor University's 74 - voice Chapel Choir will present a concert in the School Auditorium at 11 A. M. Sunday morning. The public is

invited to attend the concert and the Baptist and Methodist congregations will be dismissed after Sunday School to attend the concert.

The Baylor Choir, under the direction of its organizer, Dr. Euell Porter, is returning from a tour to California where it sang at the Southern Baptist Convention, which was held this year in San Francisco. The choir also presented a concert at Disneyland while in California.

The Quitaque stop is one of only 17 concerts the Choir will make on its tour. The Baylor group left Waco on May 23 and is travelling by chartered bus. Chaperons are Dr. and Mrs. Euell Porter and Mr. and Mrs. Frank Hart Smith.

The tour is scheduled as follows: The first concert was presented at Olney then Snyder, Odessa, Pecos, Wink, Monahan and El Paso in Texas; Phoenix, Arizona was the next stop; then to California where the choir sang at First Baptist Churches in Riverside and San Bernardino, and at the First South-

ern Baptist Church in Lomita, California; On June 2 the Choir presented its concert at Disneyland, and on June 6 appeared at the Southern Baptist Convention, at 9 A. M. and again at 11 A. M. On its return to Texas the choir will sing in Denver, Colo. on June 8, at Pampa Saturday, June 9 at Central Baptist Church; to Quitaque Sunday morning and then will present its final concert Sunday evening at 7 before returning to Waco.

Jon Johnson, son of Mr. and Mrs. O. V. Johnson, is a member of the choir.

Each sacred concert during the tour will be divided into three sections. In Part I, the choir will sing Beethoven's "Hallelujah," Brahms' "Create In Me A Clean Heart" and "Grant Unto Me The Joy of Thy Salvation," Hassler's "O Sing Unto the Lord," and Mozart's "Gloria."

Part II will be composed of Lutin's "What Christ Said," Baker's

"O Lord Unto Whom Vengeance Belongeth," Gardner's "I Believe In One God," and Williams' "Take Not Thy Holy Spirit From Me."

In Part III, the choir will sing Thompson's "My Shepherd Will Supply My Need," a hymn medley by Burford, Cornwall's "O Worship the King," Johnson's "Now Let Me Fly," and Christainson's "Beautiful Savior."

There will be no admission charged for the concert. However, Pastor Roy Davidson stated that the fee for the appearance of the choir for a concert of this sort is \$150 and an offering will be taken at the auditorium to give all who wish to help a chance to finance the concert.

Do not let this keep you from attending the concert. If you do not feel like giving, but you do want to hear the beautiful music, be sure to attend. Quitaque does not have many opportunities to secure such an attraction as this.

Cub Scouts Held Pinewood Derby Sat.

Quitaque's Cub Scouts staged their own version of the Memorial Day Auto Race here last Saturday in the City Park when they held their Pinewood Derby.

About 14 boys brought their sleek racing jobs, which had been whittled out of pine blocks, for the exciting races. A good number of proud parents and friends were on hand to see the races.

The track itself was a slab of wood some twenty feet long, elevated at one end, and with two tracks for the little cars to run on. Pairings were made and 2 cars were run in each heat. The losers in the first heats were then raced against each other to select a finalist. Winners of the first heats were paired against each other to select the other finalist. Scotty Stark and Charles Ramsey met in the finals of the loser's bracket with Stark the winner. Glen Roger

Mr. and Mrs. Bill Helms went to Lockney last Thursday where Bill had a check-up. His doctor gave him a good report.

Mr. and Mrs. Calvin Helms of Rotan spent Saturday and Sunday of last week at the home of his brother, Bill and Mrs. Helms.

Taylor and Max Ham were finalists in the winners bracket and Ham was the winner of this race. Ham and Stark then raced for the championship and the Ham auto came in first. Then the Ramsey auto outran the Taylor entry for third place, so the official winners were Max Ham, First Place; Scotty Stark, Second Place; Chas. Ramsey, Third Place and Glen Roger Taylor, Fourth.

Prizes were awarded to the winners of the races, the Best Built car and Best Sportman. First prize was a baseball glove; second prize was a ball and bat; third prize was a ball and fourth place received a ball. Best Built car prize went to Charles Ramsey and he received a mitt and the Best Sport prize, won by Larry Tyler, was a model airplane. Bob Ham presented show tickets to all the boys who had cars entered in the race.

Mrs. J. W. Harvey received a very pleasant surprise Saturday when her sister, Mrs. G. O. Duke and husband from Las Cruces, N. M. and their daughter, Mrs. Joe Pruet, her husband and children from Arizona arrived to spend the weekend. They left Monday morning.

TWICE AS MUCH COOLING

with the patented advantages of

PARAMOUNT COOLERS

Yes! This famous Paramount 1000 c.f.m. evaporative cooler gives you up to twice as much cooling because of these patented features:

- Many coolers lose as much as 70% of cooling efficiency because dust, dirt and salts clog the filters. Patented No-Clog Sta-Fresh Filters are guaranteed clog-proof, assuring 100% cooling efficiency all summer long.
- Filters saturated with water become heavy and often sag and settle from the top, drawing hot, unfiltered, uncooled air into the cooler which may create as much as a 70% cooling loss. Patented Grip-Lock Filter Holders are guaranteed to prevent sagging and settling of filters assuring 100% cool, clean, filtered air.
- Without correct water trough adjustment, sections of the filters remain dry, resulting in substantial cooling loss and costly service expense. Patented Free-Flo Visible Water Troughs with external adjustment assure 100% saturation, and 100% cooling for the entire life of the cooler.
- Added feature — Patented Window Closing Attachment lets you close and lock your window. Eliminates entry of dust, rain and drafts into your home.

BE READY TO SAVE A LIFE

The first effective method of resuscitation that can be used by any layman in cases of heart stoppage is described in detail in the May issue of Popular Mechanics magazine. The technique for closed-chest heart massage, illustrated here, is simple and can be used wherever an emergency arises, since no complicated equipment, only the human hand, is necessary.

This new technique must be begun within about four minutes after the pulse has stopped or chances are brain damage will be done by lack of oxygen. It can be used not only for cardiac cases or asthma attacks, but in drowning, electrical shock, smoke or gas asphyxiation, overdose of drugs, or any other mishap which causes the heart to stop.

A bonus provided by the technique is that chest pressure will force some ventilation of the lungs. This is

a vital factor, since in cardiac arrest, breathing also stops and some form of artificial respiration must be applied.

The magazine also gives instructions on the oldest effective resuscitation method known - mouth-to-mouth breathing. Recently perfected, this method has been called the most practical means of artificial respiration for first aid in the field.

BAPTISTS ENJOY OUTING AT PLAINS ASSEMBLY GROUNDS

Around fifty adults and youngsters of all ages drove up to the Plains Baptist Assembly near Floydada, last Wednesday afternoon, May 30th for a Memorial Day outing.

Baseball, volleyball and hiking was enjoyed by almost everyone who went along, although some just enjoyed a rest and gabfest.

Later in the afternoon a picnic supper was spread together, followed by a period of entertainment in charge of John Fulton.

The day was concluded with a prayer meeting held out-of-doors on the grass.

W.M.U. NOTES -
The W.M.S. of the First Baptist Church will take an "Instant Im-

agi-Tronic Teleport" trip to Pakistan on Tuesday, June 12. Check your passports and have your tickets ready because we take off promptly at 10:00 A. M.

Pakistan is an independent Middle Eastern country in the British Commonwealth of nations. The country is unusual in that it is divided into two parts more than 900 miles apart. India lies between these sections. Pakistan is one of the newest countries in the world. It was created August 15, 1947, when the subcontinent of India was partitioned along religious lines. Moslem-controlled parts of India became Pakistan, the largest Moslem country in the world.

LOCAL BRIEFS

SID BOGAN TELLS OF THEIR CALIFORNIA VACATION

Mr. and Mrs. Sid Bogan returned last week from a vacation trip to California where they visited Mr. Bogan's son, Richard and his family and other relatives and friends in that area. Mr. Bogan tells of some of the highlights of his trip:

"We left here early Monday morning, May 14 and drove to Amarillo and left our car and boarded the Santa Fe Chief to Los Angeles, leaving at 10:05 A.M. We traveled all that day and night, arriving in L. A. at 12:20 P.M. the next day. We had a 5 hour stop-over in Barstow, Calif., and had our breakfast there. It was real cold there. From Barstow to Los Angeles is a very beautiful ride through the mountains. At times you can look out the window and see the front end of the train going around the sharp curves.

Lit, Norma and Kelly met us at the station in L. A. and certainly we were glad to see them. We visited with them until Sunday afternoon, then went to visit at the

home of my brother, Travis S. Bogan, who lives at Homeland, Calif., which is about 85 miles from wheel Lit and his family live. On Monday Travis drove us over a mountain road to the ocean at San Clemente. This was really a pretty sight to a country boy fresh off the 'bald prairie.' We went back to L. A. on Wednesday and the next day Herman Berry and his wife drove us around Long Beach. We enjoyed this drive very much. On Friday I went to work with Lit. He works in downtown Los Angeles. I stayed there until the afternoon and didn't get run over. On Sunday morning we attended church. We had planned to visit Disneyland but Seney was under the weather the day we had planned to go so we did not make that trip.

Betty Sue Wise Kirby came over to Lit's twice to visit us and we enjoyed seeing her again.

Sunday, May 27th, we boarded the train for our journey back home and the trip was about the same with one exception: During the night Seney called to me to get up and I thought something had happened. She wanted me to look out the window and see the pretty snow. We did not know where it was until the next morning, when we asked the porter. He said it was at Flagstaff and Williams in Arizona.

We arrived in Amarillo at 5:45 P. M. Cheryl Tibbetts met us at the station. We drove on to Tulia and ate supper with Sue and Gene Berry, then drove on home. We really enjoyed the trip but were glad to get home. We love good ole' Quitaque."

Mr. and Mrs. Jerrill Rice and Mike of Canyon spent the week-end with his parents, the Pete Rices.

Sammy Wilson of Springdale, Arkansas, spent the week-end with the L. J. Bedwell's, Jr. Sammy is a student at Baylor University. He and Jackie Bedwell were dinner guests of her grandmother, Mrs.

Mrs. L. J. Bedwell, Sr. Sunday.

Several of our college students are home for the summer. Among them are Melvin Cobb, Jackie Bedwell, Melvin Carter, Murry Wayne Morrison, Randall and Verlon Hamilton.

Murry Wayne Morrison and Melvin Carter finished their year's work at South Plains Junior College on the Honor Roll, with averages of 2.72 and 2.75 respectively. Murry Wayne received the Outstanding Award in Math.

Both of the boys will attend Texas Tech this fall.

STAMFORD REUNION SET -

Scandalous John Selmon, Stamford, Cowhand Arena Director of the Texas Cowboy Reunion for over 30 years, today announced a special lot of bulls and wild stock for the July 2-3 and 4 Cowboy Reunion at Stamford.

"For several years," said Scandalous John, "We have leased wild stock from Adrian Parker of St. Joe, Texas - and this year he has promised us a very special remuda—with a lotta broncs that's never been rode—and a lotta good cowhands can shore count on gettin' thrown."

The cowboy reunion is very careful to see that only actual cowboys off the range take part—and professional riders are barred. Thus the cowboy reunion at Stamford is the the largest true cowboy show in the world and over 600 cowhands are expected to compete in Stamford July 2-3 and 4.

CONGRESSMAN WALTER ROGER'S WASHINGTON REPORT REFUGEES OR SPIES???

Those who advocate opening our shores to refugees from Red China are no doubt prompted by the precepts of the Christian religion in which they are reared. Their attempts to adhere to the Golden Rule are commendable but could prove very dangerous if followed. Let me say, in the first instance, that I would VIGOROUSLY AND UNEQUIVOCALLY OPPOSE any attempt to admit Red Chinese in this Country for any purpose. The Red Chinese are not Christians. If they follow the teachings of Marxism, they have no religion other than the Communist doctrine. They do not understand the Christian principles by which we live, hence would suffer no remorse of conscience in using our charity to help defeat us. In fact the evidence is overwhelming that the Communist world has followed a definite pattern for several years to employ our Constitution, our laws and our moral code as weapons against us. There are several excellent examples. They have widely used, in fact abused, the guarantees of the Constitution in the exercise of freedom of speech, freedom of the press and freedom of religion. One of the best examples is their open and defiant use of the Fifth Amendment, both in the courts and before Congressional Committees. These actions, although perhaps within the letter of the law, have certainly not been within the spirit. The exercise of these freedoms by the Communists and the use of the Fifth Amendment as a protective measure have not been for the purpose of preserving individual rights as was intended by the framers of the Constitution, but on the contrary, for the pur-

More than a million dollars! That was the cost last year of removing litter from highway rights of way. Vandalism of signs and other highway property cost another \$450,000. The Texas Highway Department urges Texans this year to help keep the state's "front yards" clean by disposing of travel trash in the proper receptacles.

post of promoting and augmenting an ideology diametrically opposed to government by law. These people have long realized that the American concept of fairness presupposes the good faith of an individual. This creates an open invitation to any society that is devoid of a moral code or any group that subscribes to the policy that the "end justifies the means". This has been proven by the actions of the Communist Party members in this Country since the decision of the Supreme Court on October 9 last year. This decision upheld an order by the Subversives Activities Control Board requiring the Communist Party and its members to register. The Party immediately went underground and will un-

questionably use every protective device of our Constitution and laws in an attempt to defeat the Supreme Court decision. On December 1, 1961 the Party as an organization was indicted on twelve

counts charging failure to register with the Attorney General as a Communist action organization. The members of the party also refused and failed to register and ceased to be identified with the Communist Party. However, the Attorney General this week filed petitions against ten persons labeling them as Communists and ordering them to register under the 1950 Internal Security Act. Identified in separate petitions are:

William L. Patterson of Brooklyn, Chairman of the Party's New York District.

Betty Gannett Tormey and William Albertson, New York Party Committee and Board Members.

Arnold Samuel Johnson, national legislative director.

Miriam Friedlander and Louis Weinstock, Committee members of New York.

Albert J. Lima, of Oakland, California.

Roscoe Quincy Proctor, of Berkeley, California.

Dorothy Healey, Southern California District Chairman of Los Angeles, and Burt Gale Nelson, of Seattle, Washington.

Communists are against our form of government. Whether they be white, black, yellow, tan or green, they are still Communists. If starvation reduces them to beggars, it does not change their basic principals. There are no doubt many

among the 670 million peoples in Communist China, who would repudiate Communism, but how are these to be screened, and who is to do the screening? How are we to know the difference between a bona-fide refugee and a Communist spy? Who is to say that the Chinese Communists have not created a refugee problem, well knowing the charitable instincts of the American people, with premeditated design to create an avenue through which infiltration could be practiced. There is an old Chinese proverb "when you bow, bow low". It would be well for those in the Western world to study this proverb in the light of its history. It might cause them to hesitate before being so free in offering the material wealth of others and risking the freedom all in an attempt to solve a problem not of our creation.
