Nutritional experts reveal vitamin losses in canned foods plus family laxity may be aggravating your aching, stiffening joints, making you more susceptible to affecting your system causing your sleep, gastric or other chronic ailments.

**WHY VITAMINS DEPRESSED IN COOKING FOOD MUST BE REPLACED.** Do you know that all of 21% of the total vitamin content of meat, fruit and vegetables can be destroyed by cooking—25 to 30% in pasta cooking—and 50% is lost in canning, freezing, and refrigeration? Other essential vitamins are essential to health. Without adequate food supply, all vitamins and minerals are seriously affected in canned foods. And these vitamins are essential for proper digestion and assimilation. Just think what havoc you and your children's health can be wreaked if you use vitamin-free foods for vitamin-laden meals! J ust think what havoc you can do to your child's health by using those foods devoid of vitamins! These health reasons suggest why your entire system may be prone to illness.

**How You Can Stop Chronic Vitamin & Iron Starvation TODAY...FEEL LIKE A NEW PERSON!**

Supplement your diet every day with just one soft vitamin capsule by Bexel. A magnificent product of New York! Each pill contains 1 mg. of iron and 2 mg. of vitamin B. Just one a day will make people feel they are worlds away from illness! A Bexel capsule taken every day will supplant your sickly, weak, listless condition.

This GMC has "muscles" unsurpassed in its class!

The facts speak for themselves.

This new GMC 250-83 has 180 V8 horsepower standard. No other truck in its class even comes close.

The extra power delivers 275 foot-pounds of truck-propelling torque. Over-the-road truckers call it "pure" — and this GMC's got up to 325 more than the others.

It's at the top of the heap in frame-strength, too. There's as much as 100% more "meat" in its chassis than in comparable trucks.

And there's more. For this rugged GMC has 3550 lb. front axles and 1250 lb. rear — unsurpassed in its weight-branch. It has extra-size brakes and springs.

Add it all up and you can see that GMC Blue Chip stamina really means it. Especially when you think it with a GMC's dependable performance and Hydra-Matic® savings.

For here's a truck that not only delivers the goods at lowest cost, but keeps delivering long after an ordinary truck would have faded out. Close in and talk it over!

See us, too, for Triple-Checked used trucks.

SPEND a dollar here at home and it's a vote FOR the improvement of your own

individual well-being.

Because it's a dollar that keeps on work-
ing for you . . . circulating and creating

more trade volume in your own community.

Trade value that makes YOUR business

better, YOUR job more secure, YOUR

schools and churches better, YOUR local in-

vestments more valuable and profitable.

Spend a dollar away from home and it's a vote AGAINST the life and growth of

this community . . . the prosperity of which has much to do with the kind of living that

YOUR work will provide for you.

Many small town folks have helped to vote

themselves out of business, out of jobs,

and out of investments which were the

savings of a lifetime, by casting their

$-ballots AGAINST the community

which they live.
