Farmers Urged To Inspect Crops Now For Insects

by Dirk Aaron

The cotton crop in Briscoe County ranges in growth from plants not yet squaring to plants with one-third grown squares. I have been in contact with area entomologists and farmers in the last ten days. I fear from what I have heard that many squaring fields could experience heavy cotton fleahopper migrations. Many producers in neighboring Hale and Floyd Counties have had to treat for this. I suggest that each of you begin to monitor your crop. Fleahopper infestations will prevent the square setting that is needed for an adequate crop. Considering the problems we experienced earlier this year, it would be advisable for many of you to protect what crop is still remaining.

adults but lack wings and are light green. They move very rapidly when disturbed. Adults move into cotton from weed hosts when cotton begins to square. Both adults and nymphs suck sap from the tenderest portions of the plant. This includes squares! Squares are very susceptible to damage from the pinhead size through 1/3 grown stage.

The decision to apply should be based on the number of fleahoppers present and what the square rate and percent square is. During the first three weeks of squaring, the economic threshold is 25 to 30 fleahoppers per 100 terminals

combined with less than 75 percent square set. There are many good insecticides available and many have been quite inexpensive this year. chemicals available are: Dimethoate (Cygon ®), Dimote ®, dicotophs (Bidrin ®), Acephate (Orthene ®), Carbaryl (Sevin ®), Chlorpyrifos (Lorsban ®), Mehtomyl (Lannate ®),

Nubrin ®, Methyl Parathion, Oxamyl (Vydate ®), and Trichlorfon (Dylox ®). If you should need assistance in evaluating your crop, please feel free to call me at home (847-2251) or at my office (823-2343). Extension educational programs are open to all regardless of socioeconomic level, race, color, sex, religion, handicap or national origin.

Wilda Fuston

Mrs. Fuston Appointed Asst. Vice President of M.S.B.T.B.

The directors of Memphis State Bank announced this week that Wilda Fuston has been elected Assistant Vice President and Branch Manager of the Turkey Branch of Memphis State Bank. A Turkey High graduate, Wilda Fuston was employed by the C. A. Hawkins Insurance Agency of Quitaque for about three years before becoming an income tax consultant for the Ferguson Insurance Agency of Turkey.

She is married to James Fuston, a farmer and rancher in the Turkey area. The Fustons have three daughters, one son, and five grandchildren and Wilda says her favorite pastime is keeping her grandchildren. The Fustons are members of the Turkey Church of Christ.

We The Women Plan Homecoming Meeting

We the Women will meet Tuesday July 21 at 1:30 p.m. at the Community Room at the First National Bank to finalize the plans for the hamburger supper they will sponsor during homecoming. This is a very important meeting and every effort should be made to be there. All women in the community are urged to make a freezer of ice. (con't on page 2)

Community Center Receives New Carpet

The Quitaque Community Center has recently had new carpet installed compliments of a lot of hard work from the Lions Club and We the Women organizations. Donations given for the carpet by both organizations was approximately \$2500.00

"Turkey Tornado"

By Curtis Tunnell

Disasters happen almost daily, this may be in the form of an earthquake, volcano, flood, fire, airplane crash, and even tornadoes which bring us down to our part of the country. We also know of the many tornadoes which have hit the different towns in the Panhandle area. Turkey has been on the lucky side, but back in the summer of 1928 Turkey did have a tornado and it came down about 4:00 p.m. on Sunday afternoon about one-half mile southwest of Turkey and traveled on a northeast course. Several small buildings were torn down and the sheet iron was thrown against a dwelling house, tearing off shingles. Next the gin on the north bank of the creek was hit and the seed house was torn off and scattered along the path. One man had just put his car under a shed to keep it from being hailed on and had gone back to his house when he looked back and saw his car come backing out from the suction of the wind then pushed it back under the shed. He also watched a chicken picked up and it disappeared up in the cloud. Next the tornado hit the Methodist Church and twisted it off the foundation. You would wonder how a tornado could travel completely through town without hitting a dwelling house or without injuring any people. My answer to that would be that it is the best kind of tornado to have. When it reached open country, northeast of town it pulled back into the cloud but had left its calling card and one less chicken.

 The Buffalo Flat Reunion will be Sunday July 19th at Turkey.

Local Scouts Busy During Past Week

Tiger Cubs Graduation

The Tiger Cubs graduation into Cub Scouts was held Thursday, July 9 at the First Methodist Church.

After a uniform inspection was given by Donnie Calvert, eight Tiger Cubs, with six of them present, received their badges. The Cub Scouts were also given their awards along with sixteen Wolf Awards and one special award given for the best active scout. Joe David Valdez was recognized as the recipient of this award.

Awards were presented by Cub Master David Brunson and Den Leader Manuel Cruz and Assistant Leader Gordon Rothwell.

Refreshments were served afterwards which the scouts would like to thank their parents for providing.

Brownies Attend Workshop

Twelve girls attended a Brownie badge workshop on Saturday July 11 in Quitaque.

All twelve girls completed the work that was required to earn a "People of the World" badge. They learned how to say hello and good-bye in different languages. They sang songs in African, Spanish, and French. They went to the city park where they

learned how to play a Swedish game, "Ask Mr. Bear," and a Brazilian game, "Rabbits Find a Home." The girls also learned that the United States has many different people in it. A display table of dolls from other lands was also featured.

Those present were: Leader Vonaceil Chandler, Valerie House, Brandi Price, Cara Powell, Janet Ross, Lori Chandler, Crystal Price, Leader Linda Stark, Jamie Fuston, Ashley Adamson, Hollie McKay, Amy Stark, Wynter Smith, and Jessica Ortiz.

The next workshop is scheduled for Thursday, August 13th in Plainview. Make plans now to attend this workshop.

City Council Meeting Held Last Week

Quitaque City Council met on Monday night July 6. Judge Ross met with the councilmen to let them know he was available at any time.

The council also raised the minimum of rural rates from \$9.00 to \$13.00.

Also discussed was the resolution to ask W.T.U. to (cont. on page 2)

Damaging hail and flooding and washing water has done heavy damage to the farming area around Turkey and area communities. Two to four inches of rain and hail hit in the late afternoon Sunday. It is too late to replant crops so many farmers have lost their entire crops for this year, making a dim outlook for a fall harvest.

Area Happenings

Rev. and Mrs. Roy Patterson were luncheon guests at the home of Mr. and Mrs. Bruce Parks in Plainview Friday. The occasion was in honor of the retirees in Plainview District of the United Methodist Church. Mrs. Parks served a turkey dinner with salads and homemade ice cream to 16 guests.

Turkey United Methodist Women met in the home of Mrs. Kathleen Green for a program from a resource book entitled "The World Is At Our Doorstep".

Mrs. Fredia Fuston opened the program with prayer. Minutes were approved as read by Mrs. Wilma Wedge. Mrs. Green gave the treasurer's report, and the group sang the hymn, "We've a Story to Tell to the Nations."

Mrs. Green read scriptures - Psalms 82:3, Matthew 24:14, and Mark 16:15. She displayed some pictures from the National Geographic of the people and city areas from Asian countries that had been studied.

Program topics were "The Knock on the Door"; Nightmare in Nicaragua; and "Women in Prisons", presented by Mrs. Green and Mrs. Baisden. They also presented "Christian Presence in China."

Closing prayer was given by Mrs. Virginia Degan. Present were Mrs. Patterson, Mrs. Green, Mrs. Wilma Wedge, Virginia Degan, Fredia Fuston, and Nadine Baisden.

Mrs. Alice Fuston recently spent a few days in the new home of Mr. and Mrs. John Fuston and girls of Hereford.

On Sunday, of the July Fourth weekend, the following family members joined Mrs. Fuston in her son's home for a special picnic and barbecue cook-out:

Mr. and Mrs. James Fuston, Mrs. Eugene Ferguson, Mr. and Mrs. Jon Davidson, Mr. and Mrs. Leck Fuston and girls, all of Turkey; Mr. and Mrs. Bryan Burson and Zack, Silverton; Mr. and Mrs. Rex Adamson and family, Lubbock; Mr. and Mrs. Bruce Ferguson and boys, Claud, Texas.

This group also attended special church services while in Hereford, and later returned Mrs. Alice Fuston to her home in Turkey.

Mr. and Mrs. Beryl Blackshear of Forestville, CA, were in the Turkey area this past week visiting with friends and relatives. They were here to attend the Flomot Homecoming. Beryl was raised at Flomot and his wife, the former Ina Lee Coleman was raised in Turkey.

Quitaque Sr. Citizens Meet

Quitaque Sr. Citizens met July 2 for their monthly business meeting. The business was quickly taken care of and refreshments served to 14 members.

Quitaque Sr. Citizens met Thursday July 9 for lunch. A delicious meal was served to 27 members and 6 visitors. Games were enjoyed in the afternoon.

To win a bet for \$40, Thomas Garson of Chicago ate 22 hamburgers and two quarts of ice cream in 25 minutes back in 1938.

Social Security

By Terry J. Clements

People who wish to apply for Social Security retirement benefits but who find it difficult to visit a Social Security office can apply by telephone. Social Security personnel will obtain the necessary information and then arrange to complete the application process by mail.

An application for retirement benefits should be made at least 2 or 3 months before the person plans to stop working. This will help assure that benefits will start for the month of retirement. The first check should be received early in the month following the first full month of retirement.

Certain documents are essential for establishing eligibility for retirement benefits. They include a Social Security card or a record of the number and proof date of birth, such as a birth certificate or a religious record of birth or baptism that was recorded before the person was 5 years old. These documents must be original records or copies certified by the agency that issued them.

In the event that original records or certified copies are not available, the best possible evidence of date of birth should be submitted. These include, among others, school and church records, a marriage license, a passport, and employment or military service papers.

Applicants for retirement benefits should also submit their Wage and Tax statement form (W-2) for the preceding year, and self-employed individuals should submit a copy of their schedule SE. The reason is that the most recent report of earnings may not yet have been credited on the applicant's Social Security record.

A spouse who applies for benefits will have to provide similar documentation. In addition, a marriage certificate may be required. The birth certificates and Social Security numbers of eligible unmarried children should also be submitted.

Additional information about applying for Social Security retirement benefits can be obtained at the Social Security office at 1401-B West 5th Street, or you may call us at 293-9623. Appointments can be arranged if desired.

Florida Trip Enjoyed By U.F. Coker's

U. F. and Ann Coker have recently returned from a 10-day trip to visit their children.

They drove to Junction and visited their daughter, Brenda.

Brenda joined her parents and they traveled to Sugar Land to the home of Kim and Lisa Coker. Kim took them to the Astrodome to see the Dodgers and Astros play.

From Sugar Land, the group drove to Pensacola, Florida to visit Linda and Mark Hamilton. While there, they enjoyed the sights of Pensacola, and visiting with Don and Sue Guest, former residents of Turkey.

Mark and Linda live on the Pensacola Naval Base which is the home of the Naval Flight Demonstration Squadron, the Blue Angels. The Florida visitors were fortunate enough to watch the Blue Angels practice one morning.

On Tuesday, June 30th, Ann Coker met her brother, Chuck Bogan of Borger in Lubbock. They attended the funeral of their aunt, Nora Thompson of Lubbock.

KKYN/Bar None Rodeo Slated

The KKYN/Bar None rodeo is slated for July 23, 24, 25 in Plainview. Freddie Caddell of Childress will be the stock producer for the second year. Mr. Caddell was invited back due to the tremendous response of his excellent stock last year. Books for this year's rodeo open July 21 from 9 to 6. The number to call is 817/937-8401. Performances begin nightly at 8:00.

For the seventh straight year, the Maines Brothers will be in Plainview for dances beginning immediately after Friday and Saturday night's rodeo performances.

The KKYN/Bar None Rodeo parade will begin at 2:30 Saturday afternoon in downtown Plainview. Persons interested in being in the parade should call 806/293-2661.

Hills Host Family Get-Together

E. L. and Bonnie Hill hosted a family get-together at their home over the 4th of July weekend from Thursday through Monday.

Visitors were Mrs. Sheri Wooten, Lori and Josh, Baytown; Carol and Jerry Weatherly, Jess and Lex, Perryton; Rod and Diana Hill, Bobby and Chris, Amarillo; Powell and Jill Weems, Claudia, Charlie and Christopher of Carlisle, Pa.; Lt. Neil Payne of Plattsburg AFB, NY; Joe and Janis Payne and Jana, Chris and Lana Reese, Kaci and Annie, all of Plainview, Bob and Vernell Russell, Carl and Bea Baker and Rusty, Charles and GERALD Daniel, and Margureat Love.

The group enjoyed a "Christmas in July" exchange of gifts (outdoors under a wooden Christmas tree) on Saturday afternoon. They also gathered for a traditional fireworks display that night. Sunday brought a belated Easter egg hunt for all the younger ones. The Weems from PA and Lt. Payne of N.Y. had not been with the family for two years.

DiETING, then gaining it back and dieting again makes it harder to lose weight every time you go back on a diet. Research by the Calorie Control Council has shown that the body's natural reaction to a reduction in food intake is to conserve energy, which leads to a reduction in the rate at which calories are burned at rest, making it harder to lose weight. Repeated dieting attempts may teach the body to be more efficient in its use of food so that with each diet the weight comes off more slowly and is regained more rapidly.

A sensible weight loss program that combines exercise with a cutback in calories has been found to counteract this diet-related decrease in metabolism. In addition to burning calories directly, regular aerobic exercise can bring the metabolic rate back to normal and in some cases, can speed up metabolism for up to several hours after activity.

Most health professionals agree that the most sensible approach to weight loss is a combination of moderate caloric reduction and increased physical activity. Walk, play tennis, swim, or get out the kids' bike and go for a ride!

When the weather is hot and humid, you may need to change your exercise pattern so that you do not become overheated. Exercise early in the morning or late in the evening to avoid the mid-day heat. Avoid heavy exercise when humidity is very high.

Cool down with water! Water's ability to cool the body is essential to the exercising person. When we sweat, we lose a lot of water. The exercising person must drink

ON THE LIGHT SIDE

Pasta, light?—you bet, when it's not smothered in cream. This whole meal salad starts with tangy, marinated pasta shells stuffed with a rich tasting, but low calorie cottage cheese and almond mixture. It's high in flavor but low in calories—only 561 calories for 6 large stuffed shells, bursting with flavor.

So, when you are in the mood for pasta, indulge yourself, but keep it light with this crunchy almond and cheese-filled pasta shell salad.

Stuffed Pasta Shell Salad

1/2 cup chopped natural almonds
1/4 cup olive oil
1/4 cup lemon juice
1/4 cup parsley sprigs
1 clove garlic
2 tablespoons dried basil
2 dozen jumbo pasta shells, cooked
1 cup low fat ricotta cheese
1 cup low fat cottage cheese
1/2 cup sliced green onions
2 teaspoons grated lemon peel
Lettuce leaves
Chopped parsley, for garnish
Cherry tomatoes, for garnish

Spread almonds on a ungreased baking sheet. Bake at 350° F for 5 to 8 minutes until golden. Remove from sheet and cool. In blender or food processor blend oil, lemon juice, parsley sprigs, garlic and basil. Pour over hot drained pasta shells, tossing gently to coat; set aside. In mixing bowl or food processor blend cheeses, onions and peel. Stir in 1/3 cup of the almonds. Stuff shells with cheese mixture, allowing about 2 tablespoons filling per shell. Serve on lettuce-lined plate, sprinkled with remaining almonds. Garnish with parsley and cherry tomatoes.

Makes 4 servings.

Light Recipes

The arrival of spring is a sign of renewal—that wonderful time when people, as well as flowers, spring back to life. Unfortunately, spring follows winter, that time of year when holiday meals and inactivity help add a few extra pounds to the most health-conscious eater. So, to millions of Americans spring-time has become an American rite of dieting and exercise.

But, while diet is the foundation of forming a thin, fit body, dieting is boring. Until now.

A new series of Light Recipes developed by Earth Grains bread offers calorie-conscious consumers an opportunity to melt away excess winter weight in imaginative ways.

The springboard to thinness begins with very thin bread and a set of 10 new and unique recipes which feature Earth Grains Very Thin breads, that will help melt away excess winter weight without the normal suffering associated with unimaginative "diet" meals.

The recipes are easy to make and span the full mealtime spectrum: breakfast, lunch, dinner and dessert. Best of all, none of the recipes contain more than 348 calories per serving.

For breakfast, try "Layered French Toast," featuring fresh fruits and a whipped topping; "Sauer-Hot Dogs," featuring frankfurters, sauerkraut and sharp cheddar cheese, will add zest to an "ordinary" lunch. Keep right on going through dinner with "Sesame Stuffed Filets," which include fish, vegetables and sesame seeds. Top it off with dessert and "Apricot Bread Pudding" or "Brunch Fruit Turnovers."

Other recipes include "Brunch Blintzes," "Four-Way Grilled Cheese," "Tomato Salad Sandwiches," "Shrimp/Cucumber Open Face Sandwich," and "Bread Crust Quiche."

Brunch Fruit Turnovers

2 cups McIntosh or Rome apples, diced 1/3-inch
2 teaspoons margarine
1/4 cup unsweetened apple juice
3 tablespoons raisins
1 tablespoon chopped walnuts
1 teaspoon grated orange rind
2 teaspoons brown sugar
1/8 teaspoon salt
4 slices Earth Grains Very Thin Sandwich White Bread
1-tablespoon plus 1 teaspoon margarine, melted
1/4 teaspoon cinnamon

Heat 2 teaspoons margarine in non-stick skillet. Add apples and saute over medium-high heat for 2-3 minutes, stirring constantly. Add apple juice, raisins, walnuts, orange rind, brown sugar, and salt. Continue to cook until apple juice has evaporated. Cool. Flatten bread slices, then place 1/4 of mixture diagonally on half of bread slices; fold other half over. Brush turnovers with melted margarine. Combine sugar, cinnamon and sprinkle on turnovers. Apply non-stick cooking spray in 8 inch square pan. Arrange turnovers in pan and bake 10-15 minutes at 350 degrees. Serving Suggestion: serve with lite syrup and 2 slices sauteed Canadian bacon. As a dessert, add a small scoop of vanilla ice milk. (Makes 4 servings, 181 calories per serving).

Beginning with Very Thin bread recipes, you can put your exercise program in high gear. Don't loaf this spring, start having fun with exercise and your diet—with Light Recipes

When Souls Communicate

When souls communicate — it's like prayer. There may never be a word spoken... just a sigh, a wish, a hope, a longing. A child trying to express some simple feeling to its Mother. Mother trying to express her devotion to her child.

All prayer is founded on the idea that God loves us and cares about the things that affect us. Jesus taught us to pray "Our Father..." He wanted men to see God's love on the parental level.

When you feel the need to pray, reach out with your heart to God. You may not be able to find words. Yet He hears, He understands those deep feelings we find hard to express.

In church our efforts to communicate with Him are strengthened by the fact that many others are praying with us. They need Him just as much as we do. And we need their longings, their hopes and wishes and feelings to help us express our own. Join us in prayer at your local church or synagogue.

Lemon-Vanilla Tea Loaf

- 1/3 cup butter, softened
- 1 cup sugar
- 1/3 cup dairy sour cream
- 2 eggs
- 2 teaspoons pure vanilla extract
- 1-1/2 cups all-purpose flour (unsifted)
- 1/2 teaspoon baking powder
- 1/4 teaspoon baking soda
- 1/4 teaspoon salt
- 2 tablespoons milk
- 1/3 cup finely chopped walnuts
- Lemon-Vanilla Topping*

Preheat oven to 325 F. Grease and flour an 8-inch loaf pan; set aside. In a large bowl with an electric mixer cream butter and sugar until light and fluffy. Beat in sour cream, eggs and pure vanilla extract. On a square of wax paper combine flour, baking powder, baking soda and salt. On low speed add dry ingredients alternately with milk, beginning and ending with dry ingredients. Stir in walnuts. Turn batter into prepared pan; spread evenly to edges. Bake until a toothpick inserted into the center comes out clean, 50 to 55 minutes. Place pan on a rack. Slowly spoon Lemon-Vanilla Topping over cake. Run spatula around sides of cake to allow excess to drip down. Cool in pan for 10 minutes; turn out onto a rack to finish cooling.

*Lemon-Vanilla Topping: In a small bowl combine 1/2 cup sugar, 3 tablespoons fresh lemon juice and 1/2 teaspoon pure vanilla extract. YIELD: about 12 portions.

Packaging People

Know why we build skyscrapers? In order to have many more people working in a limited area. We package people vertically!

Among the skyscrapers our photographer has discovered a church. It too has a vertical element — a steeple pointing heavenward.

Church architecture with its traditional spires expresses our beliefs. People today are packaged too tightly. Pressure, custom, conformity crowd in upon our souls. Christ teaches that every person is important... each one of us is loved by our Lord.

As we worship God each week side by side, our beliefs point us heavenward.

HISTORY FROM FILES OF TURKEY ENTERPRISE

From the Files of the Turkey Enterprise July 17, 1947

The Turkey ball club went to Memphis Saturday night and played their first game of baseball under lights. Memphis won the contest by a run-away margin of 13 to 3. The Turks managed to accumulate only seven hits, the big stick of Beryl Blackshear accounting for three of these. The other four were made by Setliff, C.C. Buchanan, Majors and Norton.

David Guest's Turks took another whim-whamming at the hands of Roaring Springs, the score being 20 to 3. However, it appears from the score board that the Turks were responsible for the avalanche rather than the boys from Paul Enloe's resort town.

Chalking up 14 errors the Turks mishandled the ball like all their fingers were thumbs. They really had an off day -- way off.

The scorekeeper Howard Castleberry said he was very lenient, for instance in the fourth inning, Roaring Springs scored nine runs on a walk, three hits and five errors. Manager Guest was gone to the mountains in Colorado, so the boys are still trying to put a win in the bag while he is gone.

Funeral services for Jeff Lyles, 54, of Wolf Flat Community, were held Tuesday afternoon at 3 o'clock at the Turkey High School Auditorium with Herbert Gipson of Amarillo officiating.

Pall-bearers were Paul Geisler, Hoy Lacy, Leon Lane, Leroy Hamilton, Jess Browning and Norris McCoy. Honorary pall-bearers were Valmer Meacham, Arthur Johnson, Jake Chamberlin and Kirk Vaughn.

Flower bearers were Bobbie Jean Mullin, Mrs. Paul Geisler, Mrs. Euman Lyles, Mrs. Burl Pierce and Mrs. Buster Hanna.

Jeff Lyles was born Feb. 1, 1893 at Tussy, Indian Territory. His parents, Mr. and Mrs. W. R. Lyles moved to Texas and Hall County in 1901 when Jeff was eight years old, and settled on the farm where Jeff was reared, and where he was making his home at the time of his death. His mother

died in 1936, and his father passed away in Nov., 1939.

He was married to Miss Nell Jones of Wolf Flat Community, and to this union five children were born, only one of whom, Royce, of San Antonio, with his mother, survive. One son, J.D. Junior, was killed in action in Okinawa in World War II. Also surviving are two sisters, Mrs. Alva Johnson of Turkey and Mrs. Willie Brewer of Denver; one brother, Lem Lyles of Turkey and three grandchildren, one of whom, Austeen Purdy made her home with Mr. and Mrs. Lyles.

Dr. and Mrs. M. T. Blume and children are enjoying the

cool shade and mountain breezes in Colorado, and the doctor is catching up on a little trout fishing. They plan to be away about three weeks or a month. Another party of vacationers joined the Blumes Thursday. This party includes Mr. and Mrs. Roy Russell, Peggy and Mrs. Red Williams, Mr. and Mrs. David Guest, Mr. and Mrs. Pat Brittain and Lee Gregory.
