ALTON HURLEY

☆☆☆

New Ag. Teacher Has Begun Duties At Valley High

Alton Hurley, who was named last week as the new ag teacher at Valley High School, has begun his duties at Valley. He replaces Jay Eudy who has been named Area Supervisor of Vocational Agriculture Instructors in this area with headquarters in Plainview.

Mr. Hurley, whose hometown is Corsicana, completed work for a B. S. degree in agriculture education at Tarleton State University on December 17 of last year. He brings with him a very fine record scholastically in both high school and college.

Mr. Hurley attended Corsicana High School and graduated from Mildred High School of Corsicana in 1974. There he captained his football team and played basketball and baseball; was elected Most Athletic, Most Popular and Most Likely to Succeed. In high school he was on the Talent Team, Livestock Judging Team, Farm Skills Team, Parliamentary Team, showed livestock, was Chapter Reporter and Chapter Farmer. Before college he engaged in farming and ranch - related work and in construction work.

Mr. Hurley brings with him a very good background and experience for his chosen work along with strong letters of recommendation from former school teachers, administrators and employers.

Mr. Hurley, therefore, brings with him an outstanding record to equip him for the job of replacing an outstanding agriculture instructor, Jay Eudy, for in some sixteen years of teaching agriculture, Eudy has a very fine record in the field while serving Turkey High School and later Valley High after the consolidation of the Quitaque and Turkey schools. Mr. Eudy was always proud of his pupils and he was especially proud of last year's graduating class and the present group. He told this reporter once that he felt they were one of the finest group of young men with whom he was ever associated.

The Valley Tribune wishes Mr. Eudy the very best in his new field and the same for Mr. Hurley as he begins a new career here at Valley High.

Mrs. Floye McCracken had her holiday dinner on Christmas Eve. Those present were Mr. and Mrs. S. B. McCracken and Ronnie of Tulla, Mr. and Mrs. Alvie Francis and family of Silverton and Mrs. Estelle Davidson, Quitaque.

Solid Waste Problems Discussed At Meeting Monday Night

Representatives of Briscoe County, the City of Quitaque and the City of Silverton met Monday night at the City Hall in Silverton with Texas Department of Health representatives, L. B. Griffith of Austin and Ron Freeman of Canyon, to discuss solid waste problems.

Briscoe County was represented by Judge Fred Mercer and Commissioners Jack Chandler, Bryant Eddleman and Glen Lindsey. The City of Quitaque representatives were Mayor Jake Merrell, Councilman O. R. Stark, jr., and City

Secretary James Brunson. City of Silverton officers attending were Mayor Charles Sarchet, Councilmen Fred Edwards, A. R. Martin, Donnie Martin, David Tipton and City Secretary Jerry Patton.

Patton welcomed the guests and informed the group that Mr. Griffith and Mr. Freeman had been taken for an inspection of the Silverton dumpground and had viewed four suggested sites for the location of a sanitary landfill.

Freeman pointed out to the

group that due to State and Federal regulations, the existing dumpground is in violation of laws regarding open burning of solid waste, the inability to compact and cover monthly, the inability to control rodents and water drainage, access and dumping of unauthorized materials and not having an attendant on duty. Freeman went on to say that the present site would never be able to pass as a Type III landfill and the City should be looking into the operation of a county-wide project to serve the two cities.

Freeman outlined a Type III landfill as a two to five acre tract of land, fenced as needed to control livestock, windblown materials and unauthorized dumping, a pit approximately 15 feet deep and of a length sufficient to furnish adequate space. All waste should be burned before hauling to the landfill, which should be locked at all times with a set day and time for the public to dispose of waste not hauled by the city. The site would have to be 300 yards from any public road and have an adequate drainage system to control runoff water. The soil at the site would have to meet percolation requirements and the State would help conduct the percolation study.

Griffith stated that the continued of the existing site for a long period of time was out of the question, and to continue using

the site for a short period of time would involve some improvements at the site. One of the important steps would be to get permits from the State Water Quality Board and Texas Air Control Board. The City would also have to stop permitting old tires to be dumped at the site. Griffith also stated that due to the Federal regulations, all dumpgrounds,

such as Silverton is now using, will have to be discontinued in the next five years.

After a question and answer session, the group agreed that a cooperative effort should be made to acquire a countywide landfill site. Jerry Patton was instructed to begin looking for such a site and to work up a cost study for the completed project.

Valley High Teams Win Consolation At Claude

Valley High's basketball teams both brought home the consolation trophies from the Claude tournament played last weekend. First round pairings matched the Valley teams against the teams from Stinnett and both games were good ones although Valley lost them both.

In the first game of the tournament the Valley girls lost to the Stinnett girls by the score of 38-31. Neither team was hitting very well. At the end of the first period Stinnett held a slim 8-6 lead. At halftime Valley trailed 10-15. At the end of three periods Stinnett led by only 23-16 but the Patriots could not narrow the margin and lost by the 38-31 final tally. Jendy Turner scored eight points for Valley for scoring honors in that one.

Valley and the Stinnett boys tangled in the second game and that one was probably the game for all the marbles in the boys division since the game went into overtime before a winner was decided.

The Patriots had to battle from behind to catch the Rattlers to send the contest into overtime. Stinnett shot themselves into a 12-8 margin at the end of the first quarter and widened the gap to 25-14 at halftime. After the intermission the Patriots came to life and narrowed the gap to 37-30 at the end of three quarters. Valley continued their hot shooting in the final eight minutes and tied the score at 47 as regulation time ended. In the overtime period, however, the Patriots went as cold as the weather outside and managed to score only two points while Stinnett pumped in 13 points to win by the final score of 60-49. Kenny Chandler topped all scorers in the game as he tallied 24 points. In the second game of play the Valley teams both drew the Claude JV teams and they were no match in any way with the Valley teams. In the girls game Valley swatted Claude 60-9 and Valley led 10-2, 26-4, 44-4 and the final score was 60-9. Peggy Shannon led the Patriots in scoring with 11.

In the boys game (which was really no contest either) Valley won 64-14 with just about all the bench seeing action in this one. Rodney Carpenter tossed in 16 points for scoring honors.

In the consolation finals played Saturday morning, the Valley teams both won handily. The Valley girls took a 68-38 win over the Childress JV girls with Paula Lipscomb firing in 25 points to win scoring honors in that one.

The Valley boys also won over the Childress JV team by a score

of 49-39 with Kenny Chandler dropping in 25 points to lead the way.

Stinnett won the championship with a 52-38 win over Claude and the Silverton Owlettes won the girls title with a 60-41 victory over Claude.

Tuesday night the Valley High basketball teams drove to Clarendon for a four-game duel and Valley won three of the four games, losing only the varsity boys game, that one a thriller by a two-point margin, 44-42.

The first game was between the JV girls and Valley won that, a rather low scoring affair, 19-17.

In the second game of the evening, the Valley JV boys posted a 64-46 win over the JV Bronchos. In varsity action the Valley Lady Patriots took a ten-point, 45-35, win over the Bronchoettes. The Valley girls led the Bronchoettes all the way, shooting themselves into a 15-6 lead at the first stop. At half-time Clarendon trailed by only four points, 23-19, and at the end of three quarters of action Clarendon narrowed the gap to four points, 32-29. However Valley won going away as they upped the final margin to ten points, 45-35. Paula Lipscomb netted 13 points to capture scoring honors for the Patriots.

In the boys contest Valley got off to a slow start, falling behind 15-8 in the first period. The Patriots caught fire and came roaring in the second period and went ahead of the Bronchos 25-24 at intermission. The third quarter was all even as Valley still owned a 35-34 edge. The fourth quarter produced a 10-7 margin in scoring and the 2-point win. A very heart-breaking loss it was for the Patriots. Kenny Chandler shot in 28 points to lead all shooters.

The Valley varsity takes the weekend off as Valley hosts a Junior Varsity Tournament here this Thursday, Friday and Saturday.

Tuesday night of next week Valley hosts Lockney for four games starting at 4:30.

STEPHEN SUBLETT WITH MARINES IN HAWAII

from the Paul Subletts The Tribune received a renewal and a new subscription for their son, Stephen, over the weekend. They state that Stephen is in the Marines and stationed in Hawaii for the next three years. They said to tell their friends in Quitaque "hello."

The Subletts were with the West Texas Utilities Company in Quitaque, and they are with WTU at Bronte, Texas now.

Currie Services Held Monday

Funeral services for Nona Currie, 76, were conducted Monday, January 8, 1979 at 3:00 p.m. in the First Baptist Church in Turkey, with Melvin Clinton, pastor, and Jack Hutton, minister of the Turkey Church of Christ, officiating. Burial was in Dreamland Cemetery at Turkey under the direction of Seigler Funeral Home.

Mrs. Currie was born in Cranfield Gap, Texas on August 23, 1902. She was the daughter of the late Mr. and Mrs. Robert Stubbs and came to the Turkey-Quitaque area with them in 1910. She married Ellis Currie on January 2, 1929 at Quitaque, Texas and they were engaged in farming and ranching until his death in 1970. She was also preceded in death by a baby in 1930. Due to ill health she moved to a Memphis nursing home in 1977, and had made her home there since that time.

She was a member of the First Baptist Church in Turkey, and is survived by two brothers, Otho Stubbs of Turkey and Gladney Stubbs of Carrizozo, New Mexico; and one sister, Mrs. Ettie Grammer of Mobeetie, Texas.

Pallbearers were Lynn Davis, Rickey Fuston, John Lane, Jan Turner, Jack House and Byron Young, all of Turkey.

Visiting in the home of Mr. and Mrs. Arville Setliff in Turkey last week were Scotty Setliff of Lubbock, Mr. and Mrs. Alton Setliff and son, Aaron, of El Paso, Kenny Setliff of Galveston who was joined here by his friend, Relda Strain of Olton. Lloyd Richardson of Santa Fe was also a visitor in the Setliff home.

Minnie Mae Roberson and Yolanda Roberson spent the Christmas holidays with Mrs. Rose Roberson in Wellington.

Deposits Stand at Over \$12,000,000 At First National On January 1

Deposits of more than \$12,000,000 were on hand at the First National Bank in Quitaque on January 1, 1979, according to bank president O. R. Stark, jr. The actual total on December 18 was \$12,155,146.25. Mr. Stark said that this figure is not the all-time record for deposits but is the highest total on this particular date. The all-time high was reached early last year when all of the 1977 crops were in and totaled.

Mr. Stark stated that the 1978

cotton crop has not been completed due to the severe weather the area has been experiencing for the past weeks and when the cotton is ginned and sold then total deposits will probably hit an all-time high.

Mr. Stark said that everyone connected with the bank is excited about this year for plans are underway to build a new bank. He expects to have announcements along those lines in the near future.

Junior Varsity Tournament To Be Held At Valley This Weekend

A JV Basketball Tournament will be held at Valley this weekend with first games scheduled to be played Thursday morning and the finals scheduled for Saturday night.

Eight teams are entered in both boys and girls divisions. They are Childress JV, Motley County, Clarendon and Lockney, in the upper bracket, and Silverton, Patton Springs, Childress Fish and Valley, in the lower bracket.

The Childress JV girls and Motley County square off at 9:00 a.m.

Thursday. The boys from the same schools will play following those games. The Valley girls and Childress Fish play Thursday at 6:00 p.m. and the boys from those two schools will play following the girls game.

Thursday's winners in all games will play winners on Friday and losers will play losers.

Fans will see good basketball games in the tournament and everyone is urged to attend the games and support your school.

Quitaque Community Improvement Steering Committee To Meet

The Quitaque Community Improvement Steering Committee will meet at 1:00 o'clock Friday afternoon to go over plans for the Texas Community Improvement Program and to see slides entitled "Meeting Rural Needs in Texas" sent by the State office

concerning Community Development and Improvement.

This is a project which all Quitaque residents need to become involved in. Quitaque already has a long list of achievements over the past nine months and there are only three more months for this program. Being involved in a Community Development and Improvement program makes a community aware of areas in which we need to work and of programs available to a community from the State. Everyone is invited to attend this meeting. Let's work hard for the remaining three months so that we can make Quitaque the "Number One Community" in Texas—a town which is truly "Small in size—Large in pride."

TURKEY SENIOR CITIZENS MEETING IS JANUARY 16

Turkey Senior Citizens' regular meeting for January 2 was canceled due to the icy weather. The next meeting is scheduled for January 16 at 6:30 p.m. beginning with a salad supper. Everyone is invited to attend.

Mrs. Estelle Davidson had her children home for the Christmas holidays. They were Mr. and Mrs. S. B. McCracken, Tulla, Mr. and Mrs. Fred Davidson and children, Amarillo, Mr. and Mrs. Jimmy Davidson and boys, Quitaque, and a granddaughter and family, Mr. and Mrs. Richard Edwards of Booker, Texas.

Mrs. Floye McCracken and Mrs. Estelle Davidson visited the S. B. McCrackens Christmas night in Tulla.

Firemen's Women's Auxiliary Meets

The Firemen's Women's Auxiliary met Thursday evening, January 4. Several fund-raising projects were discussed and it was decided to have a baseball tournament this summer. The ladies are also trying to get some stationery or similar items to sell to tourists to raise money for the Fire Department. During the grand opening of Allsup's, the women (with help from James Brunson) operated the hot dog stand as a fund-raising project.

Other activities and projects for this year are in development, and your support and cooperation will be needed and greatly appreciated.

Turkey Lions Have Meeting

The regular meeting of the Turkey Lions Club was held January 9 at the Big "T" Restaurant. Boss Lion Keith Green opened the meeting with Tim Salem leading the pledge of allegiance and Rev. Roy Patterson giving the invocation.

Plaques were presented by Martin Tucker to the winners of the Christmas Decorations Contest. The first place residential winner was Mr. and Mrs. Jan Turner, and second place winner was Mr. and Mrs. Squint House. The winner of the business district award was Mrs. Sybil Young of the Cotton Patch. The Lions wish to thank everyone who participated in the contest.

Guest speaker was Karl Ourksmyer, a scouting representative for the South Plains Area. He talked about the Scout Troops in the area, and mentioned that the public needs to support Scouting in order to keep it alive in the community.

The meeting was closed by Boss Lion Green.

Rev. Wisian Being Moved To Higgins

The Turkey United Methodist pastor, Rev. Elroy Wisian, is being transferred to the Higgins Methodist Church, effective February 1. His last Sunday to preach for the Turkey Church will be January 28.

Bro. Elroy and his wife, Donna, and their children, Carla and Joel, will be moving to Higgins the last week in January.

This year of service in the Turkey community has been a trying time for this family due to their accident the first Sunday they arrived to serve the Turkey Church. Our prayers and best wishes go with this family to their new appointment.

State Farmers Union Convention Being Held

Texas Farmers Union would like to take this opportunity to invite each of you to attend the State Convention being held in Lubbock January 11-13. The most important day will be Saturday. If you cannot attend all the meetings, the last day will be the most important and informative.

The local Farmers Union will be represented by five delegates from this area. The main objective is to see that farmers and ranchers receive a fair percentage of parity.

Mr. and Mrs. Carl Woods visited their son and daughter-in-law, Mr. and Mrs. Wesley Woods, in Plainview on Sunday before Christmas.

MRS. DALE PENNINGTON PIERCE

ceremony before an altar decorated with an arrangement of white mums, red carnations, holly and princess pine, flanked by basket arrangements of white mums, red carnations, holly and princess pine. The cathedral candelabra, tied with princess fir and velvet, and the mother's pews marked with hurricane candles completed the setting.

The bride is the daughter of Mr. and Mrs. J. P. Taylor of Lockney, and the groom is the son of Mrs. A. R. Pierce of Lubbock and the late Mr. Pierce.

Given in marriage by her father, the bride wore a wedding gown of white silk organza over peau, with cluny lace empire bodice. The Shepherdess sleeves were cuffed with cluny lace. The

A-line full skirt fell to back fullness forming a chapel train. Her street-length veil with lace trim was attached to a lace caplet. She carried a bouquet of Joffett orchids and holly tied with lace.

The bride carried out the tradition of something old, something new, something borrowed and something blue. She wore a gold bracelet belonging to her maternal grandmother which was also worn by the bride's older sister and by her sister-in-law in their weddings. She also wore a cameo necklace belonging to the groom's maternal grandmother. Something new was her bridal gown, she borrowed a lace-edged white handkerchief from her mother and carried it in her bridal bouquet, and added the traditional blue garter. She also placed a penny, given to her by her bridesmaid, in her shoe for good luck.

Matron of honor was Mrs. Blake Wallace of Lubbock. The bridesmatron was her sister, Mrs. Joe Taylor of Lockney. The bridesmaid was Miss Janice Cobb of Quitaque. They wore emerald green formal gowns styled with blouson tops designed with scooped necklines and slit-elbow sleeves and accoridian pleated skirts. They carried arrangements of red carnations, holly, German statice and princess pine surrounding crystal votive candles.

The candlelighters were Jeffrey and Johnny Taylor, nephews of the bride.

Serving as best man was Claude Stephens of Austin.

Groomsmen were Kim Hitchcock of Houston and Charles Bell of Lubbock.

Ushers were Joe and Gregg Taylor of Lockney.

Mrs. Charles L. Record, organist, accompanied Mrs. Eugene Tannahill as she sang "The Wedding Song."

Mrs. Joe Taylor, sister of the bride, gave a reading from Kahlil Gibran's "The Prophet."

The guests were registered by Mrs. Fred Seal of Dallas and Miss Rise Taylor of Lockney.

Following the ceremony, a reception was held in the Fellowship Hall of the church. The bride's table was centered with an arrangement of the bride's chosen flowers in a silver candelabra. The appointments were silver. The table was laid with a white lace cloth over an emerald green underlay.

The groom's table was laid with an off-white cloth and featured emerald green runners. It was centered with a single red candle surrounded by holly and fir.

A silver coffee service and other silver appointments were used.

Those assisting with the reception were Mrs. Bryan Brock of Lockney, Mrs. Gail Gregg of Af-ton, Mrs. Donald Taylor of Colorado Springs, Colorado, Mrs. Jody James of Floydada, Mrs. Charles Bell of Lubbock, Mrs. Truman Merrell of Quitaque, Mrs. Jane Welch of Silverton, Misses Cheryl and Jayne Merrell of Quitaque, and Mrs. John E. Wise of Plainview.

Shawnda Brock of Lockney distributed rice bags.

For traveling, the bride changed to a beige qiana knit dress with peasant-styled top and gathered skirt. She added a corsage of Joffett orchid and holly tied with velvet ribbon.

The bride is a graduate of Floydada High School and Texas Tech University. She is now a kindergarten teacher at Lockney.

The groom is a graduate of Slaton High School and Texas Tech University. He is employed

Mr. and Mrs. Bill Woods had their post-Christmas tree on Saturday preceding New Year's and had their holiday dinner on New Year's Day. Those present were Mr. and Mrs. Earl Lee Woods and Kama of Lamesa, Mrs. Bernice Thurman of Denton, Mr. and Mrs. Weldon Griffin and children and Johnny Griffin.

Mrs. A. E. (Cora) Gragson returned home Monday evening from Highland Hospital in Lubbock after spending almost four weeks there. She had her second hip surgery in December just before Christmas. She reports she has two good hip joints now. We are glad to hear her ordeal is behind her and she is home and greatly improved.

as a field auditor for A. C. Neilson Company.

The couple plan a delayed honeymoon trip to California this summer.

Mrs. Bob Ham Honored at Coffee

On December 28, 1978, a coffee was given in the home of Mrs. Murry Wayne Morrison as a courtesy to Mrs. Bob Ham and to welcome her into the community.

The refreshment table was laid with a red cloth centered with an arrangement of pink silk roses in a pink depression glass vase. The refreshments of assorted breads, coffee and spiced tea were served

with appointments of brown pottery.

The hostesses gift to the honoree was a gold and crystal scales. Other gifts included a gold and crystal candy dish, gold candle holders, a powder dish, a glass soap dish, gold mantle candle holder, a crystal candy dish, a sterling silver bowl and a blue towel set. There were over forty guests present. Everyone enjoyed getting acquainted.

Hostesses for the event were Mmes. M. C. Jones, Prof Patrick, Doyle Tiffin, Jerry Maupin, Ben-

nie Brown, Jack Cheatham, Glenn Ramsey, L. B. Monk, Marcus Robertson, Jerry Brannon, Joe Edd Smith, Deloy Myers, Jimmy Davidson, Roye Pigg, Jake Merrell, and Misses Cheryl Merrell and Janice Cobb.

Out-of-town guests were Mrs. Beverly Mars, sister of Mrs. Bob Ham, of Friona; Mrs. Keith Green, Mrs. David Setliff, Mrs. U. F. Coker, jr., Mrs. Jay Eudy, Mrs. Laverne Barnhill, Mrs. Hubert Price, Mrs. Virginia Degan and Mrs. Gordon Bain.

Mrs. Florene Cobb spent from Friday until Sunday in Amarillo

AMY RAMSEY CELEBRATES BIRTHDAY

Mr. and Mrs. A. B. Ramsey were hosts for a birthday party Saturday night, January 6, honoring their granddaughter, Amy Ramsey, on her fifth birthday.

Those present were the honoree and her parents, Mr. and Mrs. Dwight Ramsey, her brother, Bryan, and her sister, Kayla, of Silverton; her grandmother, Mrs. D. C. Duck, her aunt and uncle and cousins, Mr. and Mrs. Glynn Barrett, Danny and Judy, and an uncle and aunt, Mr. and Mrs. Dale Ramsey.

The guests enjoyed cake and punch and played games.

Visitors in the home of Mrs. Olivia Stockton over the Christmas Eve and New Year holidays were Mr. and Mrs. Jim Stockton, Afton, Mr. and Mrs. Rodney Williams, Debra Nichols and two daughters, Joel Dean Spray, all of Matador, Freddie Stockton and daughter, Paula, of Estelline and Jimmy of Texas Tech in Lubbock, Mr. and Mrs. Vernon Abrams and son, Lubbock, Mrs. Frances Martin, Portales, New Mexico, Faye Reed and Bill Payne, Quitaque.

Christmas Day Mrs. Stockton, Freddie Stockton and Paula, Faye Reed were guests of the Jimmy Stocktons in Afton.

New Year's Day Mrs. Frances Martin, Freddie Stockton and Paula of Estelline, Jimmy of Tech and Faye Reed were guests of Mrs. Olivia Stockton.

Connie Young of Tucson, Arizona visited her grandmother, Mrs. Floye McCracken in Quitaque on December 26. She visited the Alvie Francis family at Silverton and attended the wedding of her cousin, Barry Gene Francis. She accompanied her aunt and uncle to Lubbock to emplane for her home but due to the weather, she was unable to leave until Sunday, January 7.

helping her son, Melvin, and his son, Michael, who were very ill with hepatitis. She is back on the

job at Merrells and reports the family is improved.

Jim Stroup and Gladys Stroup spent the Christmas holidays with their brother and his wife, Mr. and Mrs. Jack Stroup, in Pampa.

Mr. and Mrs. Glynn Barrett, Danny and Judy were hosts for a family Christmas Party on Friday night, December 22.

Christmas gifts were exchanged and Christmas snacks were prepared and served by Judy Barrett.

Those present were Mrs. D. C. Duck, Mr. and Mrs. Wendell Farley and Dennis, Mr. and Mrs. Jack Wellman, Mr. and Mrs. A. B. Sey, H. G. and Jana Boyles, all Ramsey, Mr. and Mrs. Dale Ramsey of Quitaque, Mr. and Mrs. Larry Farley, April and Cory, Shane and Bradley Chadwick of Amarillo, Mr. and Mrs. Dwight Ramsey, Bryan, Amy and Kayla of Silverton.

Christmas activities began in the A. B. Ramsey home with the family gathering for the Christmas tree and opening of gifts. Those present were Mr. and Mrs. Dwight Ramsey, Amy, Bryan and Kayla of Silverton, Mr. and Mrs. Gary Jameson, Kevian and Michelle of Claytonville, Mr. and Mrs. Johnny Chadwick, Shane and Bradley of Amarillo, Mr. and Mrs. Dale Ramsey of Quitaque. After

the opening of gifts, Mr. and Mrs. Dale Ramsey left to join her parents at South Plains.

Those joining the Ramsey family for Christmas dinner were Mrs. D. C. Duck, Mr. and Mrs. Wendell Farley and Dennis, and Jana Boyles.

Afternoon callers were Mr. and Mrs. Glenn Ramsey, Greg, Dana and Karen.

KIKER'S KORNER
Earnest C. Kiker
Briscoe County Extension Agent
CORRECT SOIL FERTILITY IMPROVES FARM INCOME
The soil is a good starting point for improving farm income in 1979. A complete soil inventory with a soil test is suggested, and it provides a producer with the opportunity to reflect on the production problems on farmed, pasture and wheatland acreages.
The soil testing program is a logical step since fertilizer recommendations are keyed to the economical use of plant food.
Presently, many producers in Briscoe County are uncertain about what crop will be planted. This uncertainty, plus the late harvest season, has prevented soil testing and fertilizer application. If the producer is undecided as to what crop will be planted, then it is recommended that the alternative crop to be planted also be listed on the information sheet. This approach will allow the producer to evaluate the fertilizer requirements and cost on both crops before determining which crop should be planted.
The importance of submitting soil samples which are representative of the field or pasture cannot be overemphasized. The results of the laboratory analysis will be as accurate and representative as the soil sample submitted for testing.
Agricultural producers will find that soil testing can help solve many of their soil fertility problems. I invite any person interested in soil testing to contact my office for instructions on how to take soil samples, the information sheets to accompany the samples, how to prepare them for mailing, and the charges involved.

STALK DESTRUCTION IMPORTANT CORN BORER MANAGEMENT TOOL
Problems with the southwestern corn borers this season could mean more trouble next year unless certain cultural practices are followed.
Cultural practices such as winter stalk destruction by double

CARD OF THANKS
The family of N. L. (Cookie) Cook wishes to thank everyone, our Northfield neighbors and all the Turkey farmers who assisted in any way in harvesting our crops. Friends mean so much, but you don't realize it until you are the one down.
Your cards, flowers and prayers were greatly appreciated during my hospital stay. Your kindness shown to us will always be treasured. God bless each one of you.
N. L. Cook Family

THANKS, FRIENDS!
I want to thank everyone who helped with my open house. Thank you for the beautiful gifts and your thoughtfulness. We love all of you.
Kay Beavers and boys

McClendon Is New Member Service Advisor For Lighthouse Electric

Stan McClendon has been named as the new Member Service Advisor at Lighthouse Electric Cooperative, Inc., according to the

General Manager, Alton Higginbotham. McClendon replaces Anthony Whitfill, who was recently promoted to manage Lighthouse Electric's district office in Memphis.

McClendon, who is a native of Gould, Oklahoma, and a graduate of Gould High School, is a 1978 graduate of Oklahoma State University with a major in Agricultural Education. While at Oklahoma State, he was a member of Collegiate Future Farmers of

disking or chiseling are the most reliable management tools to minimize losses next year due to this pest. Mature borer larvae overwinter at or near the base of the plant crown. If left undisturbed, they have an excellent chance of surviving the winter.

However, any tillage practice that exposes the taproots to freezing weather will decrease corn borer survival. Tillage done as late as February on the High Plains will still greatly reduce overwintering populations.

Producers planning to graze out their stalks should still consider some type of cultivation which will expose stubble roots. Grazing itself will not reduce the number of corn borers that emerge in the spring. The earlier this is done, the greater chance of still encountering weather cold enough to kill the borer larvae.

If corn stubble is not tilled in time to expose larvae to freezing weather, deep breaking will afford some control. Deep breaking often buries the borer larvae too deep for the adult borer moth to emerge in the spring.

THE AG SIDE
Presented By
DANNY FUSTON

Many are talking gloom for the farmer by saying farms are getting larger and before long they will be run by big business. This may be the case but some of the big corporate farms will tell you a different story. Most of the corporate farms who have tried to produce common marketable goods have had to give up and go back to products for which they could control the marketing as well as the production.

With the exception of a few cases our largest production of every agricultural product has come from what has been known as the family farm. A recent agrilist survey showed that there is no way that large corporate farms can produce as cheap as the smaller farmer with constant attention to smaller acreage. There is also so much crop diversification that if we were run by corporations on the farm more than half the products raised would be eliminated. Russian agriculture has proven the larger the operation in farming the less efficiency of production. There may come a day when the largest percent of the land is farmed by farming corporations but to make it interesting to investors in these corporations, the profit in farming will have to do a lot of growing.
