## Hall County Citizens Invited To Hospital Meeting Thursday

An invitation to the citizens of Hall County and surrounding area to attend a Community meeting from 7 to 9 p.m. Thursday, Aug. 25 at the Community Center was extended this week by Hall County Hospital District Board of Directors.

The district taxpayers and all concerned citizens served by the hospital district are asked to attend to voice questions and concerns regarding the hospital.

According to a statement released by the hospital board, presently, the hospital's outlook and utilization is very critical, jeopardizing its ability to continue services. This will be an opportunity for citizens to ask questions, provide possible solutions and help in charting the future course of the hospital.

Tuesday night, the Hospital Board of Directors held a meeting, actually, two separate meetings, the first at 7 p.m.

to discuss with those taxpayers interested in setting a tax rate at \$.20 per \$100.00 valuation, up from \$.15 per \$100.00 used by the hospital district last year.

During the 7 p.m. meeting, the hospital district board voted to set the 1988-89 tax rate at \$.20 per \$100.00 valuation.

## Wayne Lowery Will Be Honored With Party

Wayne Lowery will be honored with a retirement party on Wednesday, August 31 from 2-4 p.m. at the West Texas Utility office in Turkey.

Wayne will be honored for 41 years of service to the company with 17 of those being in Turkey.

In doing so, the board expressed the belief that this was not a solution to the problems facing the hospital.

At the 8 p.m. meeting Dave Clark, Interim Administrator, presented a three-year cost analysis study of the finances of the hospital and also a 12-month projection as to the expected number of patients and estimated revenues if the hospital continues as it has in the past.

"You can blame it on not collecting for services rendered if you choose, but the hard fact is during the last three years the hospital accumulated over a quarter of a million dollars in outstanding accounts uncollected. Some of these are two and three years old now and it is doubtful they will ever be cleared up regardless of what collection method is used", Clark told those attending the meeting.

But problems of the past can't solve today's problems, he said. The hospital board adopted several policies recommended by Clark at the Tuesday meeting too give the hospital district sounder methods of procedures and to making changes in policies adopted by the district in Jan. 1988.

One action being taken by the hospital is sending letters to creditors requesting the acceptance of \$.50 on a \$1.00 on bills the hospital district owes. The board approved the cancellation of several contracts with vendors supply goods and services under contract with the local hospital, which were also recommended by Dave Clark in efforts to bring cost more in line with available income.

"When it is costing over a million dollars to operate each year and your estimate

revenue is in the neighborhood of eight hundred thousand, steps must be taken or the doors are going to close," he said.

On a positive note, despite all the bad news the hospital board members have been

Those of you that missed the scrimmage last Friday night missed quite a ball game. The Valley Patriots looked good, and the Cheerleaders certainly should be congratulated for their spirit and performance. Even the rain didn't discourage them; if any thing, it charged them up.  
 The Pep Squad showed their true colors and cheers throughout the game.  
 These students are giving it their ALL, boys and girls. And we as fans, have got to pull our share of the load. Kids play for their love for it, and when they turn around towards the stands, they want to see us there. They need to see us there. They are performing for us. We can't let them down. Besides, when the stands are full, the kids can't see (so quickly) which of us parents are making fools of ourselves! Of course, I'm a relatively quiet fan, everybody

## Hospital Meeting

(Cont. from P.1)  
 hearing, Clark said, "you have a lot of people working here in this hospital fighting to keep it going as well as dedicated board members searching for solutions, and the hospital has passed all its inspections and met all the complex criteria which is remarkably com-mendable and shows the above the call of duty dedication of those responsible for health care here."

Citizens should plan to attend the Community Meeting on Thursday, Aug. 25, to participate in the program and become informed with problems facing the local hospital district.

knows that, but some are loud and that's okay. Ball games are supposed to be loud.  
 Another thing, if you missed the Miss Hall Co. Contest, Saturday night you missed quite a showing of our pretty girls. They presented themselves and represented us like pros.  
 And they had fun doing it. We've got a lot to be proud of in our area youth, so let's let them know it.

## Amarillo Airshow This Weekend

Dateline: Some place in Korea. The theme this year highlights the early 1950's and the days of the Korean conflict. A setting similar to that used on the M\*A\*S\*H TV series and movie will be used. There will be an Army style camp (TX Army National Guard) set up with period helicopters (TSTI), jeeps (CAF), tank (USMCR), ambulance (CAF), and other equipment. Included in this setting is a parachute harness ride, kid's woodshop and obstacle course for a total family entertainment package.

In keeping with this theme, a vintage Russian MIG 15 fighter will perform a solo acrobatic demonstration. The largest single engine fighter bomber, the AD-2 Skyraider used extensively in Korea and later conflicts, will be flown by Jay Cullum of Dallas. Solo acrobatics will also be performed by a P-51 Mustang and a Corsair from WW II. These saw service in Korea as well.

Jim Robinson of the Combat Jet Museum in Houston will demonstrate the only civilian F-104 Starfighter flying today. This aircraft type was featured in the movie "The Right Stuff" when it was flown at Mach 2.2 and over 100,000 ft. by test pilot Chuck Yeager.

Modern military tactical demonstrations of an F-16, F-14, AV-8B Harrier, A-10, A-7, and an AH-64 Apache Helicopter have been requested. So far, confirmations have been received on the A-7's from the New Mexico Air National Guard, F-16, A-10 from the Air Force, and the Army Apache. All will put on acrobatic displays along with the tactical demonstrations.

A flight demonstration of the XV-15 Tiltrotor has been requested from Bell Helicopter and tentatively approved.

# Farm Credit Improved Says P.C.A.

The credit quality of area farmers and ranchers has improved substantially through 1988, according to John S. Rike III, president of Rolling Plains Production Credit Association. Stocker cattle operation, especially, should also fare well due to the lowest cattle numbers in 30 years.

"Overall, the credit quality of our member-borrowers has improved," says Rike. He noted that in 1988, the association has not had to channel any additional funding into its loan loss reserve accounts.

According to Rike, approximately 65 percent of the PCA's loan portfolio is invested in cotton production; another 25 percent is in livestock; 5 percent goes to wheat farmers and the remainder is spread among various other enterprises.

Even though the association's loan activity increased and financial indicators improved, the PCA reported a net loss of \$413,350 for the first half of the year compared with last year's net income of \$217,877 at mid-year.

Under provisions of the Agricultural Credit Act of 1987, financially strong Farm Credit institutions were required to pay a one-time assessment to the Farm Credit Financial Assistance Corporation (FAC). In turn, the FAC will use the pooled capital to support the nation's ailing Farm Credit institutions, Congress is now considering legislation which could reverse the assessment and return a portion of the \$743,305 to the association. Rolling Plains PCA maintains a healthy capital to assets ratio of 35 percent with some 13 million in capital funds.

Statewide, the Texas Farm Credit System reported \$900,000 in net income for the first six months of 1988, compared to a net gain of \$6.8 million for the same period in 1987. Nationwide, the Farm Credit System recorded a \$336 million profit over the two quarters, compared with a loss of \$201 million for the same period last year.

Production Credit Associations in Texas specialize in short- and intermediate-term loans for financing producers' livestock, equipment, supply and real estate needs. Rolling Plains PCA has approximately 730 loans outstanding for a total of \$36 million to farmers, ranchers and ag-related businesses in Briscoe, Childress, Collingsworth, Cottle, Dickens, Donley, Foard, Hall, Hardeman, Haskell, Jones, Kent, King, Knox, Motley, Shackelford and Stonewall counties.

Refreshing Raspberry Frost Hawaiian

- 1 can (46 oz.) Dole Pineapple Juice, chilled
- 1 pint Dole Raspberry Sorbet
- 1 quart ginger ale, chilled
- 1 package (10 oz.) frozen raspberries

Combine half of pineapple juice, sorbet and ginger ale in blender; whirl until light and frothy, about 1 minute. Pour into large punch bowl. Repeat with remaining amounts of these three ingredients. Stir in undrained, thawed raspberries. Makes about 3 quarts.

Variation: Substitute mandarin orange sorbet for raspberry sorbet and 1 thinly sliced orange for frozen raspberries.

Dear Parent or Guardian:

The Turkey - Quitaque ISD serves nutritious meals every school day. Students may buy lunch for 55¢ K-6th and breakfast for 35¢. Children from households that meet Federal Income guidelines are eligible for free meals or reduced-price meals at 30¢ for lunch and 20¢ for breakfast. To apply for free or reduced-price meals, complete the enclosed application, sign it and return it to the school.

**FOOD STAMP / AFDC HOUSEHOLDS:** If you currently receive Food Stamps or "Aid to Families with Dependent Children" for your child, you only have to list your child's name and food stamp or AFDC case number, print your name, and sign the application. Since you have already given income information to the welfare office, the school can confirm your eligibility.

**ALL OTHER HOUSEHOLDS:** If your household income is at or below the level shown on the enclosed scale, your child is eligible for either free or reduced-price meals. To apply for meal benefits, you must provide the following information and sign the application: (1) list the names of everyone who lives in your household. Include parents, grandparents, all children, other relatives and unrelated people who live in your household, (2) list the social security number of each adult age 21 or older. If an adult does not have a social security number print "None", (3) list total monthly income and amount of income (BEFORE deductions for taxes, social security, etc.) each person received last month and where it is from such as wages, retirement, or welfare. If you have a household member for whom last month's income was higher or lower than usual, list the person's expected average monthly income.

**VERIFICATION:** The information on the application may be checked by school officials at any time during the school year.

**REPORTING CHANGES:** If you list income information and your child is approved meal benefits, you must tell the school when your household income increases by \$50 or more per month (\$600 per year) or when your household size decreases. If you list a food stamp case number or AFDC number, you must tell the school when you no longer receive food stamps or AFDC for your child.

### APPLICATION FOR FREE AND REDUCED-PRICE SCHOOL MEALS

**PARENT OR GUARDIAN:** To apply for free or reduced-price meals, complete, sign, and return this application to school. If you need help, please call the school.

**STEP 1 - SCHOOL CHILDREN:** Complete for each child you want to receive free or reduced-price meals. If the child is receiving AFDC and not food stamps, report the AFDC case number. If your family is not receiving food stamps, and if all children listed below are not receiving AFDC, you must list income in Step 5 below.

**STEP 2 - HOUSEHOLD MEMBERS:** List below the names and ages of everyone living in your household including yourself. Do not list the school children listed above.

**STEP 3 - SOCIAL SECURITY NUMBERS:** Print the Social Security Number of each adult age 21 or older that you listed below. If an adult does not have a Social Security Number, print "NONE" next to their name.

DO NOT LIST BELOW THE CHILDREN IN SCHOOL YOU LISTED ABOVE.

**RACE:** Please check the racial or ethnic identity of your child. You are not required to answer this question. We need this information to be sure that everyone receives benefits on a fair basis.

- White, not of Hispanic origin
- Black, not of Hispanic origin
- Hispanic
- Asian or Pacific Islands
- American Indian or Alaskan Native

No child will be discriminated against because of race, sex, color, national origin, age, or handicap.

**WHAT INCOME MUST YOU LIST ON THIS APPLICATION:** List all income received last month by each person. You must list: all wages from all jobs (the total earned BEFORE deductions for taxes, social security, etc.); retirement or pension income for anyone your household received disability, unemployment compensation, workman's compensation, or strike benefits last month, it must be listed as other income on the application. If you have household members for whom last month's income was higher or lower than usual, please list that person's expected average monthly income for this year. For example, self-employed people like farmers and seasonal workers should list average monthly income.

**FOSTER CHILDREN:** In certain cases foster children are eligible for free or reduced-priced meals regardless of your household income. If you have such children living with you, please contact the school for special instructions on how to complete this form.

**PRIVACY ACT INFORMATION - SOCIAL SECURITY NUMBERS:** Federal law (P.L. 97-35) requires you to list social security numbers of all adult household members before your child may receive free or reduced meals. You do not have to give social security numbers, but if you refuse your child cannot receive free or reduced-price meals. The social security numbers may be used to identify you for verifying the information you report on this application. Verification may include audits, investigations, contacting the State employment office, food stamp or welfare office, and employers, and checking the written information provided by the household to confirm the information received. If incorrect information is discovered, a loss of benefits or legal action may occur. These facts must be told to all household members whose social security numbers are reported on this form.

**"SUCCESS IN SCHOOL"**  
As school bells start to ring, most parents and children look to the beginning of a new school year with anticipation and hope that this will be a successful year for the child.

What factors make for a child's success in school? Educators tell us that a child's ability to read is a key factor to success as a student and in adult life. If your child does not like to read or has difficulty with reading, try to help him/her develop an appreciation for reading by setting an example - let your child see you read for information and enjoyment.

A pediatric psychologist says that children who excel in school have parents who spent substantial amounts of time playing with their children during their preschool years. She found that the amount and quality of time parents spend with their children has greater bearing on the children's mental development than the amount of time spent playing with other children.

Parents must also have realistic expectations for their child's

achievement in school. Don't expect more than your child is capable of doing, but always challenge him to do his or her best and to attempt a little more than they might think possible. Expecting too little of your child can be just as damaging as expecting too much.

Help your child develop a positive self-concept. When he achieves, let him know you are proud. Success breeds success.

When a child feels a sense of satisfaction from doing well and knows the parent is proud of him, he will feel more confident and will not have to seek the attention of the teacher in a disruptive manner.

School is so important to children and they spend such a great portion of their formative years in school, that it should provide a beneficial experience for them. Because I have always liked going to school, and still do enjoy it, it

disappoints me to see children who do not enjoy their school years.

We as parents have a great challenge and opportunity to help our

children get the most from their school experience in order for them to be well-prepared, both intellectually and socially, for their role in the adult world. Children respond positively to encouragement. I encourage each parent to begin this new school year with enthusiasm and excitement for the school experience. Your children will benefit from your positive attitude.

Twin boys were born to Mr. and Mrs. Johnny Monk of Quitaque on Saturday, August 6, 1988 at Methodist Hospital in Lubbock.

Benjamin John was born at 1:25 p.m. and weighed 5 pounds, 3 ounces.

Brian Wayne was born at 1:27 p.m. and weighed in at 4 pounds, 8 ounces.

They are joined by a big sister, Rachel, age 3.

Grandparents are Mr. and Mrs. L.B. Monk and Mr. and Mrs. Weldon Purcell of Quitaque. Great grandmother is Lenora Purcell also of Quitaque.

## Jones-Townson Vows Said In Vernon August 20

Candlelight was the setting for the double-ring ceremony uniting Susie LeAnn Jones and Darin Trent Townson in the Calvary Baptist Church, Vernon, Saturday, August 20. Rev. Ron Fox, pastor, officiated the nuptials.

The bride is the daughter of Mr. and Mrs. Freddie R. Jones of Vernon, and granddaughter of Maxine Jones of Turkey, Texas. The bridegroom is the son of Mr. and Mrs. George Townson of Vernon.

A large brass tree candelabra was the focal point of the altar setting which was flanked by two large arches of candles, two heart candelabra and two spiral candelabra on the lower section. All held white cathedral candles. The unity candle completed the setting and was lit by the couple at

the conclusion of the ceremony while a solo of "You Light Up My Life" was sung.

Organ selections were played by Mrs. W. B. Huff of Chillicothe.

As "Nadia's Theme" was played, the bridegroom escorted his mother to her seat. The bride's mother was escorted by her son. The wedding party entered to "Trumpet Voluntary" by Purcell and "Bridal Chorus" by Wagner.

After traditional wedding vows were exchanged, the recessional "Wedding March" by Mendelssohn was played.

The bride, escorted by her father, wore a gown of white candlelight satin with a basque bodice overlaid with imported English net accented with seed pearls. The neckline was enhanced by large double ruffles of white candlelight satin, and the large puffed sleeves of imported English net were adorned in the same manner as the bodice. Two large bows held in place with seed pearls accented the skirt. Crystal pleated satin accented the skirt front and back flowing outward into a chapel length train enhanced by large scallops. The skirt and train were appliqued with orange blossoms of English net.

Her chapel-length veil was held by a band of satin embroidered orange blossoms with bells of Ireland on each side. Small seed pearls were sprinkled the length of the veil.

In keeping with tradition, the bride wore as something old, her maternal grandmother's wedding band. Something new was her wedding gown, and something borrowed were the petticoats belonging to Mrs. Shirley Yoakum. Something blue was her garter. For luck, she placed in her shoe a penny minted in the year of her birth.

To complete her attire, the bride wore a pearl necklace with a suspended pearl drop with diamonds, borrowed from Mrs. Larry Logsdon.

The bride's bouquet was a flowing cascade of white bridal roses, stephanotis and mini-carnations with trailing English ivy. Accents of seed pearls and picot ribbons with tiny streamers completed the flowing cascade.

Matron of honor Cindy Harper of Kaufman, bridesmaids Crystal Burns and Priscilla Jones, sisters of the bride, and junior bridesmaids Christy Close, Misti Jacobs and Mindy Townson, nieces of the bridegroom, were identically attired in tea-length gowns of shimmering primrose nylon with dropped waistlines and large puffed sleeves. The back of the bodice was accented with three burgundy bows. Each girl carried a votive candle surrounded by primrose tea roses and carnations with a large burgundy rosebud

accented with trailing English ivy and burgundy bow with streamers.

Flower girl Stormy Burns, niece of the bride, was dressed like the junior bridesmaids.

Larry Garza of Garland served as best man, and groomsmen were Ken Brock and Brent Brittain. Junior groomsmen were Chad Townson, Ty Townson and Clint

Close, nephews of the bridegroom. Serving as ushers were Mike Boyd, Hud Jones, Darrell Colbert, Ricky Graf, Steve Klein and Randie Jones, brother of the bride.

Ringbearer Andrew Burns, nephew of the bride, carried a white heart-shaped pillow.

For her daughter's wedding, Mrs. Jones chose a two-piece daphne rose tea-length dress fashioned with long sleeves and rounded neckline.

Mrs. Townson chose a tea-length dress of dusty rose brocade fashioned with three-quarter length sleeves.

### Reception

The reception was held in the Family Life Center of the Calvary Baptist Church.

Guests were registered by Mrs. Tracy Bivins at a table covered in primrose satin overlaid with cream lace which held the bride's

book covered in white satin trimmed in lace, appliques and seed pearls.

The bride's table was covered with primrose satin and covered with a creme crocheted cloth made by the bride's maternal great-grandmother. Crystal candle holders were surrounded by a free form arrangement of fresh assorted greenery with fresh roses and baby breath. The bride's cake was a three-tiered confection set atop a fountain of flowing primrose water.

The bridegroom's table was covered in a floor-length burgundy satin cloth with ecru Battenburg cutwork overlay. Appointments of brass, and a greenery centerpiece accompanied the chocolate cake decorated with garlands and stingwork.

For the wedding trip to the Bahamas, the bride chose an ivory silk dress with flower pattern woven in. Her corsage was white rosebuds with baby breath.

The couple will make their home in Vernon.

### Rehearsal Dinner

The rehearsal dinner was held on Friday, Aug. 19, at K-Bob's Restaurant hosted by the bridegroom's parents, Mr. and Mrs. George Townson.

## Mrs. Pinkerton To Head Drive For St. Jude's

St. Jude's Children's Hospital officials announced recently that Mrs. Margie Pinkerton will chair the Hospital's "Wheels for Life" bike ride in Turkey. This ride will raise funds to support the Hospital's battle against childhood cancer and other illnesses being studied there.

There will be a meeting this Thursday at 3:30 P.M. at her home in Turkey for interested adults and children to walk or ride or help in any way. She will be showing a video about the works of the hospital.

Anyone interested, but unable to attend the meeting should call Margie 423-1240.

## Quitaque EMS Update

The Quitaque EMS held their regular monthly meeting Tuesday, August 16, 1988 from 7-10 p.m. at the Fire Hall.

Dianne Brunson was instructor for the meeting. She presented a film demonstrating an "actual" school bus-semi-truck wreck. A lengthy discussion was held concerning this film. New and old business was discussed and ambulance runs were reviewed.

Those attending the meeting were Suzie Shannon, Walt Rice, Elgin Conner, Judy Barrett and Dianne Brunson.

Next meeting will be September 15, 1988 at 7 p.m. at the fire hall. Suzie Shannon will be the instructor for the September meeting.

## Add a Crunch

**Pita Chips** — Brush pita bread rounds with melted margarine; sprinkle with Mexican seasoning or your favorite herb and Original Wheat Germ. Bake at 350°F, 10 minutes or until light golden brown. Cut into wedges and serve warm as a snack or with soup or salad.

**Corn With A Crunch** — Spread hot cooked corn on the cob with margarine; sprinkle with Original Wheat Germ instead of salt. (Picture)

**Top 'O The Morning Fruit** — Sprinkle 1 to 2 tablespoons Original or Honey Crunch Wheat Germ on your favorite fresh fruit. (Picture)

## Drought Relief Bill Passed, Boulter Says

By a vote of 368-29, the U. S. House of Representatives passed its version of drought relief legislation, designed to minimize the effects of the worst dry spell the nation's breadbasket has seen in fifty years. Congressman Beau Boulter (R-Amarillo), said the measure also contains two provisions, included at his request, targeted to assist qualifying Texas panhandle and south plains farmers.

"Although we are not currently in a drought situation," said Boulter, panhandle crop yields, wheat in particular, were drastically reduced by disease and insect infestations, aggravated by dry conditions in the early spring. Couple that with the fact that, since the drought has driven commodity prices upward, these farmers will receive only a fraction of their expected deficiency checks, and those folks are hurting." At Boulter's request, Congressman Pat Roberts (R-Kansas) introduced clarifying language into the House Agriculture Committee bill on Tuesday, stating that it is Congressional intent that farmers facing that dilemma will be covered by the legislation, provided they can document the qualifying crop losses.

The second measure is aimed at providing assistance to south plains cotton farmers who suffered through a devastating hailstorm in 1987.

## Social Security News

Whether or not a person applying for Social Security disability benefits is disabled under the law is a decision made by the Disability Determination Services office in the State in which the applicant lives. The decision is made by a team of trained people that includes a physician and a disability evaluation specialist.

In arriving at the decision, every reasonable effort is made to get medical evidence from the person's physician and from hospitals or other facilities where they may have been treated. The Government is authorized to pay a reasonable fee for any medical reports requested.

The physicians and facilities contacted for this purpose are asked for a summary of the person's medical history. This would include a diagnosis, the date of onset of the illness or injury, the degree to which it limits the person's activities, the results of any medical tests that may have been performed, and the treatment

provided. The physician or facility is not asked to pass judgment on the extent of the individual's disability, if any.

If the medical information available from these sources is not sufficient to permit an evaluation of the person's condition, a special examination or test may be required. Social Security will pay for such an examination or test, including certain travel expenses that may be associated with it.

Once a decision on the claim is reached, Social Security sends a written notice to the applicant advising of the decision. If the claim is not approved, the notice to the applicant will explain the basis for the decision.

**Fruit Shake** — Place one 8-oz. carton of your favorite fruit-flavored yogurt, 1/2 cup 2% low-fat milk and 1 to 2 tablespoons Honey Crunch Wheat Germ in blender container. Blend on high speed about 30 seconds. Serve as a breakfast drink or a snack.
