Community Spirit

by j. Guest

Turkey has been a busy place the last few weeks: Ray Price Concert, TAFCE's brisket dinner, Margie Pinkerton's concession stand for the Museum fund, concession stand for the Quitaque Fire Department fund, Halloween Carnival for the children sponsored by the Turkey Volunteer Fire Department and the Womens' Auxiliary, and meeting the needs of those who are grieving.

It is amazing to see this little town come together, find out what is needed by its people, and then go to work to provide whatever is needed, whenever it is needed. Crisis after crisis is met head-on, diluted or eliminated, so that reasonable goals can be reached.

Nothing can take the place of the human spirit.

Margie Pinkerton reports that the two recent money makers, Concession Stand and the Bean Bag Toss, brought in about \$200.00 profit for the Museum.

It shouldn't be much longer before measures can be taken to secure the Museum for storage of valuable antiques, relics, and items of interest to the people of this area. You will be informed of actions that are taken in the next few weeks.

The next project will be Christmas in November Gift Drawing. Tickets sell for \$1.00 each or 6 for \$5.00. In the past gifts such as gift certificates, savings bonds, groceries, anti-freeze, etc. were offered.

If there are businesses or individuals who want to donate, please call Celia Johnson, Tootsie Mullinn or Margie Pinkerton. This activity will be held about November 22nd, the weekend of our Community Thanksgiving Dinner.

By responding so generously to our efforts, you are very much a part of this museum dream for the community!

LAWANA CRUSE AND RAY PRICE THE NIGHT OF HIS TURKEY CONCERT.

Ray Price Receives Standing Ovation

Saturday afternoon and Saturday evening, many country music buffs enjoyed traveling to Turkey to see Ray Price and the Cherokee Cowboys in concert. The band was in exceptionally fine form.

Starting off the performances, the South Plains Playboys from South Plains College began the evening show with *My Rose of San Antonio*. They were a good warm up show for Ray Price and the Cherokee Cowboys to follow with their golden oldies and a few new songs thrown in. In fact Ray did one new release, *I Wish I Was 18 Again*. This song which is on his new album has only the piano to accompany Ray's melodious voice.

Ray began his evening concert with *Crazy Arms* to the thunderous applause of the crowd. As one lady remarked, some country songs are popular for awhile and then seem to just fade away, seldom if ever to be heard again, but the Classics still speak to your heart today the way they always did. One such song that Ray sang Saturday evening was *Spanish Eyes* with lyrics by Charles Singleton and Eddie Snyder and the music by Bert Kaempfert.

Cory Williams from Kress was playing the fiddle again with the South Plains Cowboys. He was also honored to once again this year play with the Cherokee Cowboys during their performances.

Also with the South Plains Band was Barbara Curry who sang *Don't Let That Man Get You Down* as well as accompanying Gary House on several songs.

Sunday, A Beautiful Day For Fifth Annual Quitaque Quest

The fifth running of the annual Quitaque Quest Mountain bike race was conducted at Caprock Canyons State Park Sunday afternoon. The successful event with 70 bike rider entries was made possible due to excellent weather conditions, good rider participation, good course preparation and lots of excellent volunteer workers.

The 1:30 p.m. race event kicked off with the start of the Expert riders. As expected, these top riders finished the race with record times and very competitive results. Chad Christian of Lubbock came in with the fastest time of the day by completing the 24 mile course in

In his early years, Ray Price was privileged to become friends with his idol, Hank Williams who befriended the young man trying to get a start in the Country Music business. Following Hank's death in 1953, Ray accepted the Drifting Cowboys who were Hank's band as his back up band for his tours and recordings. With them as his back up band, he recorded such haunting songs as *Release Me* and *I'll Be There If You Ever Want Me*.

Later he realized that his sound was too much the same as Hank Williams so he hired the Lefty Frizzell band and renamed them the Cherokee Cowboys. It was during this era that he had such hits as *Release Me* and *Don't Let The Stars Get In Your Eyes*. During the '60's saw Ray change to a more Pop-Country sound with hits such as *The Other Woman* and *Burning Memories*.

Turkey's Mayor Suzie Johnson welcomed everyone to the show and thanked not only the Ray Price and South Plains bands for being in Turkey Texas but all the people who had turned out to make the day a success.

Paul Harris of K-96 was MC for the evening. He stated that when you think of Western Swing music, you think of Turkey, Texas.

Following the concert fans lined up around the auditorium to shake Ray's hand, have their picture taken with him or to have him autograph his picture, guitars, concert tickets, T-shirts, etc. He was most gracious to one and all as he filled their requests.

1:56:51 time. Chris Briggs and Kevin Burpo, both of Lubbock, finished 2nd and 3rd respectively. Kevin Ferdinand of Midland rode the best time in an older age group with a time of 2:16:32, and was followed closely by Chuck Spaugh of Lubbock.

The experience category of Sport riders were also required to compete on the 24 mile course and finished the race with outstanding riding times. Veride Barro of Wichita Falls came in with best time of 2:04:11 while Chris Holcomb of Borger and Bill Shepherd of Odessa finished 2nd and 3rd respectively. Only

A long life has been counted as man's greatest blessing. Today man has a longer life span and a shorter work career. The attention of ways of making later years more welcome are being studied as the things older people want and need. The question is asked, "Is there a relationship between retirement and happiness?" The aim is to broaden the understanding of what it means to be old.

The skin of the old becomes dry and coarse, habitual expressions become wrinkles, the hair grays. Shoulders stoop as a man's strength and speed decrease. He is required to substitute brain for brawn. Illness increases.

Some significant information was collected about all the men and women over sixty-five living within the township borders of Prairie City.

This study shows us we cannot mark the beginning of any old age group.

The way people take the stress and strain of living has something to do with wearing out of the mind and body. What old age will be depends upon the kind of life that has been led. It is possible that man can take thought of these and plan for his later years.

One of the special worries of older people is that they will become physically unable to care for themselves.

Economic insecurity is a second problem of old age. The older person dreads when he will be left on his or her children.

The problem of making satisfactory living arrangements is present. Most older people want to cling to established housing arrangements.

The unique problems of aging stem from three courses. The physical vigor changes. Another is the loss of husband or wife. The third is the attitude society takes toward older people.

It seems the best solution for happiness in old age is happiness in middle age. Personal independence and happiness in middle age produce happiness in old age. Health is more related to happiness and adjustment than age or economic status. The American formula for happiness would be "Keep Active."

The health handicap score was based on four body activity areas which are: vision, hearing, organic disease, and motor defects.

Reduced hearing causes varying degrees of social isolation. Organic defects are malfunctions of the heart, stomach, and gall bladder. Motor defects are rheumatism, accidents and arthritis.

Economic security troubles older people. Some getting OldAge Assistance scarcely get enough to get by on if they have many drug bills. OldAge Assistance rolls totaled 2,800,000 in 1950. Old age would be a tragic period for a substantial portion of older people in America if it were not for the old age assistance program.

Retirement is the greatest man-made problem in the lives of most people. Most people get rewards from their work other than the money they earn for a living and they lose satisfaction when they retire.

The things most wanted by old people are quiet, privacy independence of action, nearness to relatives and friends, residents among their own cultural group.

As people grow older they gain better emotional control which comes from increased skill in handling emotions in problem situations.

Old people grow more interested in religion. In later years one can love without selfishness. Mature people have much more to give than receive. They enjoy being loved and enjoy attention yet they do not have a fierce need of these favors as when they were younger. An old person has a lifetime accumulation of material and spiritual good things of life. They can enjoy giving these to other people.

(This was written by Mrs. Helms as a requirement for a psychology course many years ago but seems to fit the world today as well. She seems to have expressed exactly what does go on when one reaches the retirement years!)

Turkey Happen

Harvey Mullin, his granddaughter Jamie of the Ft. Worth area, Amanda and Michael Mullin of Sweetwater, came in to help Lillian Mullin and the rest of the local family celebrate her 87th birthday early Happy Birthday!!! After eating all kinds of snack food, the group had a wonderful time at the Price Concert. Young and old alike enjoyed the music and funny jokes and capers by the band.

Dolly Irby and Edna Earl Blakney recently went to Flomot during the Do Gooders Ladies Club Bazaar and Sale. They were so impressed at the improvement those ladies have made on the old school house building. It is being remodeled into a Community Center where people can gather and also to keep a framed quilt up all the time for the convenience of quilters anytime during the day. The sale of these quilts provides the funds that are needed to make improvements in the building. Good work!

Another item of interest was the recent visit of Dexter Dowd, a former student of Turkey High School and brother of Cleo Ham Dexter and Reddell Irby both graduated in 1934. They also learned that each had a son named Dennis that was named after Dennis Coker, bomber pilot, who was killed during World War II. They enjoyed rehashing long ago experiences and catching up on later happenings.

Visitors in the home of Keith and Bettie Green last Friday were Dick and Margaret Ouellette of Colorado Springs, Colorado. Bettie and Margaret went through school together in Plains.

Lockney Health And Rehab News

by Rebecca Rodriguez A.D.
Hello to everyone once again from all the residents and staff of Lockney Health and Rehabilitation Center.

We want the FHA school teens to know that we appreciate them coming out to have a Halloween party for the residents on Monday October 26th. They really enjoyed it! The FHA group have been doing outstanding volunteer work. We really appreciate all of you!

We have invited our early childhood and pre-K students to our home to show their costumes to our residents on Friday, October 30th at 10 a.m. We will treat them with Halloween favors before they return to school.

We would like to welcome Lloyd Dirickson and Bill Rigdon to our home. They are new additions to our family. We hope you enjoy your stay here.

Halloween is coming up and we just want everyone to drive safely and watch out for the children who may be out trick or treating.

This is all for now...until next time...

On QT Fall Is For Landscaping

provided by Pammy Milican, CEA-Ag
Cooler temperatures are easier on us and our plants. So get out in the yard and do some landscaping. Extension horticulturist Dr. Doug Welsh says October and November are prime times for transplanting. The most popular are the red oak and live oak. He also recommends some newer varieties called lacy oak and Monterey oak. And he says more people are discovering cedar elm because it is resistant to oak wilt. Bald cypress and Montezuma cypress also grow well in Texas.

For smaller, flowering trees, Welsh suggests the redbud and the crepe myrtle. The Texas redbud is the choice for most of the state.

Mrs. Michael Hilson nee Traca Lemons
Traca Lemons and Michael Hilson Wed

Trace Dusk Lemons of Lamesa and George Michael Hilson of Lamesa were married October 10, 1998 at 6:30 p.m. with Robert Malcom of Plainview officiating at the double ring ceremony.

The bride is the daughter of Phil and Linda Lemons of Quitaque. The groom is the son of Rick and Linda Lee of Lamesa.

The bride wore a short sleeved gown of white matte satin by P. C. Mary's. The front and back necklines were a scoop design. The empire waistline was banded with satin below the waist in the front and back with a small satin bow and long streamers at center back. The skirt flared into a slight A-line gown with a sweep train to complete the bridal attire. The bride's bouquet was a beautiful arrangement of pink, white, purple and yellow flowers topped with a large white bow. Cascading from the bow were long pink and white ribbons along with three strands of small pearls.

The wedding scene was the garden of Joe and Susan Landers of Lamesa. Multi-colored flowers of white, pink, purple and yellow and potted plants were high lighted by white lights. The bridal aisle was edged with white bows with a touch of greenery and pink raffia, ending at an archway laced with greenery and white lights.

Parents and grandparents were seated to the music *Thanks Again* and *Parents Prayer*. Doy Ferguson of Lamesa sang a heartwarming, *Butterfly Kisses* as Mr. Lemons gave his daughter to Michael. Katy Browning sang *That's When You Know It's Love* as a special and *From This Moment On* during the unity flower ceremony.

Twyla Galloway of Plainview, sister of the bride was Matron of Honor. Brides maids were Gena Sams of Lubbock and Charri Moore of Lamesa. Their dresses were made of coral pink georgette with a scoop neckline and on empire waist with a flowing bow in the back. Each carried a small bouquet of white, pink, purple and yellow flowers tied with a white bow.

Flower girl was Brianna Galloway of Plainview, the bride's niece who was attired in a white satin miniature bride's dress with a veil. She carried a white satin basket filled with pink rose petals. Ring bearer was Mason Galloway of Plainview, nephew of the bride who wore a miniature black tuxedo with tails.

Michael Nickles of Odessa served as best man. Vance Lemons of Quitaque, brother of the bride and Luke Lee of Lamesa, brother of the groom served as groomsmen. Brian Galloway of Plainview, brother-in-law of the bride, Brace Huse of Lamesa and Brandon O'Brian of Lamesa were ushers. The men of the wedding party were attired in black tuxedos with white shirts and black bow ties with white rose boutonnières.

Guests were registered by Katrina Stewart of Turkey. The reception was held in the Landers' back yard. The bride's cake was an Italian cream cake with white basket weave icing of four hexagonal tiers arranged in a staircase fashion with each tier having a small arrangement of pink, white, purple and yellow flowers and pink bows. The top tier held a Precious Moments figure with the groom holding the bride.

On the groom's table were chocolate covered strawberries, sugar coated grapes, miniature cheese cakes, a fruit tray, a vegetable tray and homemade rolls with ham and cheese.

After their wedding trip to Cloud Croft, New Mexico the couple will reside in Lamesa.

The bride is a graduate of Valley High School and West Texas A&M University. She is now employed at V. Z. Rogers Elementary in Lamesa.

The groom graduated from Klondike High School and is now employed by the Preston B. Smith Prison Unit at Lamesa.

35 minutes separated this large field of 20 riders. Two women competed in the Sport category with Becky Juergens of Lubbock posting the best time on the 12 mile course. Her time was 1:25:13 while Debbie Main of Austin finished second.

The largest field of participants were those competing in the beginner category. Three women competed and Lizli Harper of Olton came in with the best time of 1:28 while Samantha Ordaz of Lubbock and Darla Brown of Hobbs, New Mexico finished second and third. Samantha was the youngest rider in the event at eight years old.

The best time for the day for beginners on the 12 mile required course was turned in by Keith Webb of Lubbock. His time was 1:07:45. Chad Faucheux of Lubbock and Jonathan Bengoa, also of Lubbock, finished in times under 1:10. Twenty seven rode the course under two hours.

Four individuals from Quitaque competed in the event. Cole Calvert won second place in the Junior class with a time of 1:36:27, and was closely followed by Christopher McBe who fished third with a time of 1:38:22. Wilburn Leeper rode in

the Masters age group and finished fifth in a field of eight with a time of 1:38:18.

The Caprock Bike Club appreciate all sponsors and volunteer workers of the event. Several complimentary statements were made by out-of-town participants about how much the event is appreciated. About 35 volunteers worked at different aspects of the event and their efforts are very much appreciated.

See you at the rally and the 5 p.m. game.

Valley Junior High vs Crosbyton October 22

by Coach Ramsey
The Valley Junior High took on Crosbyton this week at home. The team was undefeated in district and hoped to keep this string intact.

Cliff Yeary opened up the scoring on a long run for the Patriots. Cliff also added the 2 point conversion.

After this first score, Crosbyton stepped up defensively and caused a couple of turnovers which led to 2 touchdowns and held a 12 to 8 lead going into the 2nd quarter.

Valley's Robert Mendoza then scored on a nice run up the middle to put the Patriots back into the lead. Robert also added the 2 point conversion. The Patriots also scored again just before half time on a pass from Justin Wilks to Robert Mendoza. Cliff Yeary added the 2 point conversion.

The second half saw Valley scoring once on a sweep pass from Cliff Yeary to Adam Ortiz. Crosbyton scored once also in the second half.

The final score was Valley 30 Crosbyton 18.

This week the Junior High is at home against Spur at 5 p.m. Thursday.

Floydada Rehab & Care Center News

by Patricia Hill
Hello again from the residents and staff at the Floydada Rehab & Care Center. It's beginning to look like fall, outside with the rain and all. Last week in my column I failed to mention our resident of the month for October who is Glen Cooper. Sorry, Mr. Cooper. My pen was writing faster than my brain was thinking.

You can still purchase your ticket for the world's largest Halloween stocking for just a \$1.00. The money will go towards resident Christmas funds. Drawing will be held Punkin Day. FRCC will also have a booth for Punkin Day. Funds raised will also go to the resident Christmas fund.

Dorothy's pies will be sold throughout the holidays. Let Dorothy do all your baking for the holidays. Any kind of pie your mouth wants to taste, she can bake it! Call Dorothy at 983-3704 for your order today. The FRCC would like to welcome new residents, Rosebud Bonjoar and David Gilbert. Welcome, Welcome! That's all until next time, God Bless.

Brandi Price On National Dean's List

Brandi Price who attends South Plains College was featured in the 21st Annual Edition of *The National Dean's List, 1997-98*.

The National Dean's List, published by Educational Communications, Inc., is the largest recognition program and publication in the nation honoring high achieving college students.

Students are selected for this honor by their college deans, registers or honor society advisors and must be in the upper 10% of their class, on their school's "Dean's List," or have earned a comparable honor. Listed students are eligible to compete for \$50,000 in scholarship awards funded by the publisher, and may also use a referral service for future employment opportunities. More than 2,500 colleges and universities nationwide use the publication to recognize their academically qualified students.

Brandi is the daughter of Larry Don and Nancy Price of Quitaque.

SPJST Scholarship Notification

The SPJST Society is offering \$750.00 Scholarships to qualified members. In the spring of 1998, the SPJST Society awarded 55 scholarships. The SPJST has given 985 scholarships since 1983.

The Scholarship Program is administered and funded by the Supreme Lodge SPJST located in Temple, Texas and from contributions by members and friends of the Society. The SPJST is a fraternal benefit society domiciled in Texas with 113 lodges.

Red Ribbon Celebration At Valley

by Rhonda Farnar

For the 13th straight year, the *Red Ribbon Campaign* is being held in an effort to present a unified and visible commitment to the creation of a drug-free Texas. The campaign focuses in on an enhanced awareness of the harmful effects of tobacco, alcohol and other harmful drug use.

The Valley School will participate in the 1998 *Red Ribbon Campaign*. Prevention activities at every grade level have been planned by the Valley Student Council and the counselor. Students will be encouraged to take a stand against the unlawful use of drugs, tobacco or alcohol. Various activities such as *Pledge Day, Wear Red Day* and visits to the elementary, junior high and high school classrooms by the Valley Student Council and Mrs. Farnar will educate students about the harmful effects of such substances. Also, the elementary students have decorated grocery sacks with drug-free messages to be used to make the community aware of the pledge to be drug-free.

The highlight of the week will be the annual *Red Ribbon Talent Show* sponsored by the Valley Student Council. The talent show will be held Friday, October 30th at 9 a.m. in the Valley Cafeteria. The theme, as always, will be to show that "a great time can be had without the use of drugs or alcohol." The public is invited to attend.

Many of our nation's youth are being destroyed by drug and alcohol problems. Our community, as we well know, is not immune to this problem. The Valley School will celebrate *Red Ribbon Week* to provide a comprehensive alcohol and drug prevention program that emphasizes "making healthy choices in life."

WTAMU Presents Concert November 1

West Texas A&M University's Orchestra will perform a fall concert at 8 p.m. on Sunday, November 1 in Mary Moody Northen Recital Hall on the WTAMU campus. Admission to the concert is free, and the public is welcome.

The pieces that will be performed are *The Tournament Temperaments* by Dittersdorf, *Roumanian Dances* by Bartok and *The Oxford Symphony No. 92* by Hayden.

For more information, contact Dr. Gary Garner, WTAMU director of bands and orchestra, at 806/651-2855.

Take time to talk to your child or grandchild to express your stand on this important issue. Working together can make a difference in the lives of our youth!!!!

Patriots Capture Last Minute Win

The Valley Patriots win 28 - 22 in a close ball game against the Crosbyton Chiefs by driving 71 yards in the final 2 minutes of the game and scoring with 15 seconds remaining.

The game opened with the Chiefs drawing the first score on a 4th and 8 pass play for 26 yards. With 6 minutes left in the 1st quarter the Patriots trailed 7-0.

Valley then answered when Cory Chandler ran 43 yards for the first Patriot score.

A strong defense and a big special teams play gave the patriots the ball on the Crosbyton 8 yard line. One play later, Nathan Wheeler plunged in and with the extra point by Chandler, Valley led 14-7.

The Chiefs quickly answered and with a successful 2 point conversion led at half time with 15-14.

The second half saw the Chiefs score quickly and gain an 8 point lead that the Patriots would not over come until late in the 4th quarter.

Valley closed the gap when Wheeler ran in from 1 yard out and with an unsuccessful 2 point conversion try, Valley still trailed by 2.

With 2 minutes left in the game, Valley got the ball back and with the help of a few trick plays moved into scoring position with 26 seconds left. Nathan Wheeler then scored over the left side with 15 seconds remaining. The 2 point conversion was good when Chandler completed a pass to Morgan Payne and the Patriots led 28-22 at the game's final score.

Leading the Patriots defensively were Roman Hernandez with 10 tackles, Michael Silva, Nathan Wheeler, Morgan Payne with 8 each.

Leading Valley offensively was Cory Chandler who carried the ball 17 times for 150 yards and completed 5 of 9 passing for 93 yards. B. J. Price led receivers with 3 receptions for 79 yards. Nathan Wheeler also had 20 carries for 114 yards.

Valley will travel to Spur Friday to take on the Bulldogs for the final away district game of the year. Come and support the Patriots.

The Patriot defense tries to bring down a Crosbyton Chief. Tacklers are Cory Chandler, Roman Hernandez and Chris Price.

Nathan Wheeler receives hand-off from Cory Chandler while Michael Silva and Ben Pigg make some running room.

"...pray for us, that the word of the Lord may have free course, and be glorified."
-II Thessalonians 3:1

There are many things that we who live in a free country are inclined to take for granted. For example, we can say whatever we like without fear of being arrested. The newspaper you are looking at has the right to print anything it sees fit. You may attend a gathering with your friends without having to explain it to anyone. And, you may go to any Church, Temple or Synagogue of your choice. All of these rights and more are written into our laws, and as long as our system of government prevails, no one will ever dare to infringe upon them. Let us all go to our House of Worship every week and thank God for this right, as well as all the others we enjoy as a part of our heritage of freedom.

From left to right: Louis Randell, Councilman; Greg W. Wortham, Sr. Legal Council and speaker; Sue Johnson, Turkey Mayor and Gilbert Srygley, Memphis Mayor

Greg Wortham, Guest Speaker Recently

Hotel Turkey was fortunate to have as an overnight guest, Greg Wortham who is Senior Legal Council for Rural Electric Coop Headquarters in Washington, D. C. Sue Johnson, our mayor, persuaded him to stay over (delay of flight had to be accomplished) to share some of his thoughts with area mayors, city councilmen and interested parties on the subject of how small rural electric companies can plug in and help communities to better their areas.

Mr. Wortham grew up in Sweetwater, Texas, so knows about and cares about this area. He was interested in giving us some ideas about the resources that we already have, but are not utilizing, or not utilizing in the most efficient way possible. He referred us to Resource Teams that could be brought in from the outside, or first of all, contact our area Electric Coop people for assistance.

He indicated that it was very important to get all of our towns in this area to cooperate with each other by specifically referring travelers on the move, to events or assets available in other towns. Persuade them to make a short detour along their route to see special scenery, etc. Quitaque is already known as the home of the Caprock Canyons, Silverton has the Caprock Jamboree, Turkey has Bob Wills weekend and could become known as the Country Music home, Memphis could be known as the home of antique places and the gateway to beautiful trails, scenery etc. Each town could help advertise, and even

plan theme related activities based on one town's activity.

Mr. Wortham indicated that people all over the country, as well as foreign countries are beginning to be interested in this part of the state. We were told by one of the attendants at the meeting that a group of 16 Germans were here

this last year living the life a rancher for a week and paying for it. While here they also saw the area sights. There are so many other things similar that we could do too. One of problems, we have lived here among all this and do not realize how unique it really is to other people.

He also indicated that we should certainly begin to dress up our towns more, so that they would be attractive to the traveler. Those travelers, in turn, will tell others about what was seen. A good example of that was when Rick Mullin and family were recently in Colorado for vacation. At the camp grounds, Rick ran into a man from England who wanted to know where he was from. He said, "Oh, yes, I know where Turkey is. I went there, bought Sweet Potato Pancakes at the Hotel and visited all of the sights around." He travels from England all over the United States, so news gets around. That's how tourism grows.

Greg suggested we start with what we already have, organize it, improve on it and then decide what's next. Grants are available, so check into those. He suggested using our assets, the old buildings, for some things either seasonally,

or all the time if needed. Be creative!

Mayor Johnson feels that one of the most important things we can do at this time is to exchange community calendars so we can all be aware of activities that are taking place in the whole area, not just one town. We need to become familiar with just how far it is to the next hotel, motel, R. V. Hook-ups, little theater, scenic spots, buffalo herds, ranches, etc. Supporting each other is so vital to the growth and stability of this area. The suggestion was made that we all get back together sometime in January with schedules, ideas, suggestions in hand, ready to exchange ideas and act upon them. This summary is just the tip of the iceberg of all that was learned and discussed.

Appreciation goes out to the following who attended the meeting: Greg Wortham, speaker; Barry Long Marie Cruse, Louis Randell Turkey City Councilmen; O. R. Stark, banker, Quitaque, Mayors.

Gilbert Srygley of Memphis, John Bowman of Silverton, Bob Wiloughby and wife Goldie of Estelline and Sue Johnson of Turkey Representatives from the Lighthouse Electric Cooperative were Larry Ogden and Bill Harbin of Floydada, Justin Proctor of the Swisher Electric Cooperative. Nelson Ward, City Secretary of Memphis, Joyce Guest of Turkey and Justice of the Peace Gary Johnson, were also present.

Look toward January for further planning sessions designed to benefit our area and our people.

FAITH BIDS US TAKE THE INITIATIVE IN MENDING A QUARREL

"If ye forgive men their trespasses, your heavenly Father will also forgive you."

- Matthew 6:14

You two have been good friends for a long time. Perhaps you share a common interest, and that might be some really worthwhile project. Your relationship has survived a number of minor disagreements with no hard feelings - until now. Suddenly a major quarrel erupted, beginning with a mere difference of opinion and ending with some heated words; so that you are no longer on speaking terms. However, your assurance that your were right is being replaced by a very miserable feeling about the whole episode, and for all you know your former friend is suffering the same pangs of remorse. There is just one thing to do; go to your House of Worship and pray for the courage to begin making amends, no matter who was at fault. Your faith forbids you to let your pride end a close friendship because of one incident, so take that first step without any further delay. You will feel much better for it.

THANK YOU

Dear Voters and Supporters,
I would like to take this time to thank you all for your support over the past 16 months. I feel like the Sheriff's department has improved tremendously, but we still have a long way to go.

With your help, we can reach our goals and make the Sheriff's department, one of the finest in the state of Texas.

Your vote and support on November 3rd would be greatly appreciated.

Thank you.

Your love and concern have been great. We really appreciate the food, flowers, calls, cards, visits, memorials, and prayers. Without friends like the people in Turkey and Quitaque, we could not have made it through the last two weeks.

Justen was a fine young man who loved people and life. He always loved to spend time in Turkey. He would have been so pleased with your outpouring of love.

We appreciate James Willborn, Les Hall, Julius Early, Wayne Clay and Robin Boedecker for the beautiful service. Thanks to Barry Long, Duane Reynolds and Mrs. Reagan for their help.

Jake Honea Killed in Hi-Way Crash Tuesday

Death struck suddenly Tuesday evening for Jake Honea, one of Briscoe County's best loved, most colorful and widely known citizens. He was killed instantly when his car, in which he was returning to his home at Silverton, from his farm at Quitaque, crashed into the rear of a pickup loaded with feed, driven by Elmer Vaughan, who was accompanied by his daughter. The Vaughns were badly shaken but not seriously injured. According to report Honea had just passed two vehicles and pulled in behind the pickup when he met a car traveling east and was blinded by the bright lights. In the crash, his neck was broken, and death was instant. James Wyatt, a colored man from Quitaque, arrived at the scene a few minutes after the accident and took Honea to the hospital at Silverton. Apparently, the east bound car with the bright lights, knew nothing of the accident.

In accordance with his often expressed desire, the funeral service was held in true Western manner at the cemetery. Rev. Marvin Brotherton of Matador assisted by Rev. Grady Adcock of Silverton, conducted the service which was held Thursday afternoon at 3 o'clock at the Silverton cemetery under direction of Stewart-Douglas Funeral Home. O. R. Tipps of Wichita Falls, former Briscoe county judge, gave the funeral address.

Pall bearers were John Hamilton of Matador, Jack Hutcheson, Jim Stell and Maynard Wilson of Quitaque, Johnny Burson, John Lanham, Joe Kitchens and Vaughter Self of Silverton.

Norman R. Honea was born in February 1889 at Cleburne, Johnson County and came with his parents to Briscoe County before he was two years old.

Honea was elected sheriff of Briscoe county in 1928, and remained in the office for nine consecutive terms from January 1, 1929 to January 1947. During this time period in the sheriff's office he won nation-wide fame as a law officer.
