BENGIE HUGHES

Hughes Notified Of Approval for FFA Degree

Bengie Hughes, son of Butch and Janice Hughes of Quitaque recently received word that his application for the American FFA Degree had been approved by the FFA National Board of Directors. The American Degree is the highest degree awarded by the National FFA Association.

Bengie's application was approved at the district and area levels last May and at the state record check in Austin this June. Bengie will receive his degree on Friday November 13 at the 65th National FFA convention in Kansas City.

To be eligible for the American FFA Degree from the National FFA Organization a FFA member must have received the State or Lone Star FFA Degree and been an active FFA member for at least 36 months. The applicant must have earned and productively invested a minimum of \$7,500 or worked at least

1,500 hours in excess of scheduled class time, or a combination thereof, in a supervised agricultural experience program.

Bengie's project program has included lambs, heifers and hogs for show as well as Duroc breeding swine for pig production.

Bengie now resides in Lubbock where he has attended school and managed farming and irrigation operations for the City of Lubbock farms.

Bengie is a 1990 graduate of Valley High School and the 7th Valley FFA member in the history of Valley School to receive this prestigious honor.

THEN & NOW!

by Eunice McFall

Change--something that happens to all of us almost daily. How do we react to it? Positively or negatively? Of course all change is not good--all change does not bring happiness but change is inevitable. Therefore we must learn how to handle the changes in our lives and handle them to the best of our ability. Some of the changes we have to cope with are minor, such as not being able to purchase a favorite magazine that is no longer printed and learn to like another one. This sort of change we don't like perhaps but at least it is easy to handle.

The big changes such as divorce, death, marriage of children or a parent, loss of jobs, homes, etc. can be much harder to cope with. But cope with them we must. How we do this is as varied as we are different from each other. Some of us embrace change with a smile and try to conquer the problem. Others of us try to avoid even the thought of change and hope that by hiding our heads in the sand, the change will disappear. Well, let me tell you, it rarely does!

As in all things, there is a happy medium. As I said, change happens to all of us so if we can meet the change head on and try to accept what we have no power to make different, our lives will be much simpler, perhaps even better. Because who knows, the change we are dreading might just make our life much better. And truly by not fighting change or wishing it would go away we can save all our physical, mental and emotional energy to accept the challenge of the change and win over it with less stress to our systems.

So each day as we rise to face the sun or clouds we also rise to accept the challenges of the changes of the day. How we conquer them is strictly up to us! Let's do our best to make the changes in our life good for not only us but those around us. The old saying "Today is the beginning of the rest of your life" is quite true, so make it a wonderful day!

A. B. Ramsey is still at St. Anthony's Hospital in Amarillo receiving treatment. A card shower would be enjoyed by A.B. to let him know that his friends and neighbors are thinking about him today.

Trade Show Part of Caprock Christmas

by Steve Ulrey, Trades Show Chairman

A Commercial Trade Show will be one of the highlights of the Caprock Country Christmas this year. The annual event is scheduled for Saturday, December 5, 1992. Exhibit booths will be set up in the Community Center, displaying information on the many services, talents, and products offered by area entrepreneurs.

The Quitaque Chamber of Commerce especially encourages area business people who do not operate out of a shop in town to join Main Street merchants in greeting the public and showcasing their enterprise. A growing number of people are offering services to the traveling public and local residents from their homes or mobile operation.

The Chamber feels the Trade Show will offer an excellent opportunity for enterprises to make themselves known to more people.

The sale of merchandise will not be permitted at the Community Center. This is not the purpose of the Commercial Trade Show. However, orders may be taken and appointments

made. Organizers say the field is wide open for imaginative ways exhibitors may show off their services, talents and products.

Anyone interested in securing a booth for the Commercial Trade Show should contact Steve Ulrey at 455-1179.

Cotton Seminar Scheduled At Memphis Center

A cotton seminar will be held at the Memphis Community Center on Monday, October 26, 1992. This will be an informational meeting for cotton producers. Brisket will be served from 6:00-7:00 p.m. with the meeting scheduled to follow the meal.

Several speakers are on the agenda and questions from the audience will be answered afterwards. Among those scheduled to speak are Charles Bragg, National Cotton Council, Memphis, Tennessee; Wayne Cleveland, Cotton Board, Lubbock; Dr. John Gannaway, Plant Breeder, Lubbock; Jerry Ward, USDA, Lubbock; Jerry Ward, USDA, Lubbock; Jerry Ward, USDA, Lubbock; Jerry Ward, USDA, Lubbock; Jerry Ward, USDA, Lubbock.

The meal will be provided by Kathy Fowler Agency, Consolidated Cotton Company, Memphis Compress, Garner Cotton Company and Neely, Craig and Walton Insurance Agency.

Call your local gin or you county extension office by noon Friday to sign up.

Judge Ramsey Attends Two-day Peace Seminar

Judge Dale Ramsey was certified at a recent 20-hour Justice of the Peace Seminar held October 13-16 in Corpus Christi. The seminar was sponsored by the Justice of the Peace and Constables Association of Texas and is conducted by the Texas Justice Court Training Center headquartered at Southwest Texas State University in San Marcos. The seminar is one of many held state-wide to allow Justices of the Peace to meet their Continuing Judicial Education requirements as set forth in Supreme Court Rule and Statute (Art. 27.05) Texas Government Code. Judges were allowed to select areas of study that closely matched their courts activity. Topics covered were as follows: Criminal Complaints, Traffic Law, Role of the Rural Judge and Rural Court Management, Rural Court Financial Management, Criminal Law-Filing thru Appeal, Juvenile Law, Civil Law, Magistrate Warnings, Contracts and Torts, Rules of Civil Procedure, Justice Civil vs. Small Claims Court, Case Management, Forcible Entry and Detainer, Bond Setting and Forfeiture, Post Judgement Remedies, Jurisdiction and Venue, Judicial Ethics and Family Violence.

The motion was made to accept four new members on the department. Jerry Allen Payne, Farrell Edwards, Mark Allen, and Greg Ramsey were unanimously accepted into the department. We would also like to remind persons interested in joining the fire department that volunteers are always needed.

Volunteer Firemen Discuss Game, Toys for Tots

The trophy is in and the time is near for the Flag Football game between the Quitaque Volunteer Fire Department and the Silverton Volunteer Fire Department.

Pictured is Robin Harmon, president of Quitaque Department, and James Edwards, president of the Silverton Department holding the trophy that will find a home in one of the departments Monday night. There is a difference of opinion as to where that will be, however there is no doubt in the minds of the Quitaque Fire Department that Quitaque will be the trophy's new home.

Everyone is encouraged to come out Monday night at 7:30 to watch the game. The game will be played at Valley School. Halftime activities will be provided by an ugly cheerleader contest, and various Valley students.

Proceeds from the game will be used for community projects in both Silverton and Quitaque.

Calendar of Events

- October 22 Triple L Club, Nuevo Study Club
October 23 Valley Patton Springs T 7:30
October 24 United Nations Day, Red Ribbon Day
October 25 Daylight Savings Time Ends, Attend Church of Your Choice

October 29 JH Samnorwood T 5:00, JV Jayton H 6:30

FALL BACK ONE HOUR SUNDAY, OCTOBER 25

Daylight Savings Time will begin Sunday, October 25, 1992 at 2:00 a.m. This means to set your clock or "fall back" one hour at this time.

KING OF WESTERN SWING

Eddie McConnell was a recent guest at the Hotel Turkey. Guess what he was doing--circulating his petitions!

McConnell's Dream of Bob Wills Stamp Will Be Reality in September, 1993

By Ann Coker

A dream of Eddie McConnell of Plainview has finally become a reality. McConnell began his effort to get Wills' image on a stamp about 5 months ago. In 5 months he and his helpers which include Norman and Ruth Peoples of Plainview have acquired more than 5,000 signatures on petitions.

The Bob Wills stamp will not be available to Postal customers until September of '93.

It was reported that McConnell is hoping Wills' three daughters, other relatives and the surviving members of his band will all be able to attend the Bob Wills Day Celebration the last week-end in April. At that time,

he said, he hoped the stamp could be put on display for everyone to see.

Not only was Bob Wills voted into the Country Music Hall of Fame in Nashville, but also into the National Cowboy Hall of Fame in Oklahoma City. He is the only performer other than Gene Autry to be so honored.

During Wills career which spanned more than 50 years, he and his bands, most famous the Texas Playboys, entertained their fans with such classics as "San Antonio Rose," "Faded Love," "Steel Guitar Rag" and "Take me Back To Tulsa." They were also featured in more than a dozen movies in the 40's.

Red Ribbon Week Activities Draw Good City Participation

by Rhonda Cochran

Citizens of the community and Valley students will be seeing red in all shapes and sizes during Red Ribbon Week which will be held October 24 through November 1, 1992. Businesses are decorating in red!

Community members will be asked to wear red ribbons during the week which will be available in local businesses. Wearing and displaying red ribbons during this observance helps to present a unified and visible commitment to promote drug-

free communities and life-styles.

Red Ribbon Week will begin with the Kick-Off Celebration Saturday, October 24 at the City Park in Quitaque. The schedule of activities for that day is as follows: 10 a.m., Ambulance-fire truck-bicycle parade (All participants decorate a bike in red and be at the City Park in Quitaque at 9:45 a.m.); 10:30, "Styleless" Style Show (Local Business Leaders); 11 a.m., Proclamation by Mayor Elgin Conner; 11:10, Red Ribbon Speech and Ceremony and Helium Balloon Release; 11:30, Talent Show with Valley Students; 1 p.m., "Dressed in Red" Pet Show; 1:30, Talent Show with Valley Students; 2 p.m., Tricycle Race (3,4,5 year olds); 2:30 Valley Junior High Cheer leaders; 2:45, Parent-Child Balloon Race; 3:15, Presentation of Awards and 3:30, Chorus Line (Local Business Leaders).

Other Activities during the day will be Surrey Rides, Hayless Hayride, Valley Student Council Cake Walk, Quitaque Women's Auxiliary Pumpkin Sale, Red Ribbon Necklaces, Dart Throw, Cookie toss, Football Toss and Face painting.

Flomot Gin Gets First 1992 Cotton

Flomot Gin ginned the first bale of cotton in 1992 on Friday, October 16. The cotton was stripped at Whiteflat and belongs to Bert Whitaker of Matorador. The bale weighed 520 pounds and was ginned free of charge. A bonus was also given.

On October 17, 1992, the ADM Paymaster Gin in Quitaque ginned its first bale of cotton. The cotton belonged to Billy Morris and was 950 seed. The bale weighed 502 pounds and was ginned free of charge. The gin bought the cotton for \$1.00 per pound, according to gin manager, Ronnie Carpenter.

Golf Course Plans, Survey Discussed At Meeting on 13th

On Tuesday, October 13th, the regular golf course meeting was held at the community center.

James and Brad McNeil, professional golf course green builders from Floydada were present. The father-son team had recently been asked to survey the state park for a possible course site. They presented to the group a rough draft of a nine hole course which in the McNeil's professional opinion could be a one-of-a-kind course for this part of the country.

The rough draft along with some photographs have created a lot of excitement among present and future golfers alike. The draft along with photographs will be on display at the First National Bank lobby.

The next meeting will be October 27th at 8:00 p.m. at the Quitaque Community Center.

Flag Football Game Nears For Firemen

The Quitaque Volunteer Fire Department met in a regular meeting October 12, 1992. The agenda included discussion of the upcoming football game between the Quitaque Volunteer Fire Department and the Silverton Volunteer Fire Department. The date was set for October 26, 1992. The funds raised by the admission donations are to go for toys that will be distributed for children for Christmas.

The motion was made to accept four new members on the department. Jerry Allen Payne, Farrell Edwards, Mark Allen, and Greg Ramsey were unanimously accepted into the department. We would also like to remind persons interested in joining the fire department that volunteers are always needed.

Ambulance Group Serving Lunch On October 24th

The Quitaque Ambulance Service will be serving lunch on Saturday, October 24, 1992 during the Red Ribbon Kick-off Celebration at the Quitaque City Park.

Members of the service will also be participating in the "Styleless Style Show" which will begin at 10:30 a.m. The female EMT's assure you that you won't want to miss this.

Come out and join everyone for a fun-filled day and support your Ambulance Service by joining them for lunch. The meal will consist of barbecue on a bun, chips, onions, pickles and tea.

Mission Cable Collects 3000 For MDA Drive

Mission Cable collected a total of \$3030.00 from their 60 participating systems for the Muscular Dystrophy Association.

The Donations were collected from Mission Cable's subscribers as part of a campaign for free installation to cable in return for a \$5.00 donation to MDA.

Mission Cable would like to thank their subscribers for their donation, and making the MDA campaign a success.

Turkey Senior Citizens Meet

Eighteen members were present at the latest Senior Citizens meeting. Buster Hanna, president, greeted the group, and J.W. Lancaster returned thanks before the meal.

A business session followed the meal, and 1992-93 officers were elected as follows:

Obituary L.E. "Bill" Woods

Services for L. E. "Bill" Woods, 79, were held Sunday, September 18, 1992 in First United Methodist Church of Quitaque with Rev. Steve Ulrey, pastor, officiating. The Rev. Steve Venable, pastor of First United Methodist Church in Bovina, assisted.

Burial was in Resthaven Cemetery in Quitaque under direction of Myers-Long Funeral Directors.

He died Friday in Plainview's Methodist Hospital after a brief illness.

He was born on October 8, 1913 in Briscoe County on the J. A Ranch to George Earl and Sarah Lilla Bass Woods. When he was eight months old, his mother died. Bill was then raised by Cleve and Annie Jane Bass Gregg.

Woods was a retired fuel distributor and farmer. He married Jeane Puckett on February 4, 1939, in Quitaque. He was a member of First United Methodist Church and was a former member of Quitaque Lions Club. His wife preceded him in death on January 13, 1984.

Survivors include a son, Earl L. of Arlington; a daughter, Billie J. Griffin of Quitaque; a brother, Virgil Gregg of Phoenix, Arizona; a sister, Louise Grundy of Quitaque; three grandchildren; and four great-grandchildren.

Pallbearers were Jimmy Davidson, Tom Bowman, Ross Herrington, Deloy Myers, Sid McFall and Murry Morrison.

On the QT Turkey Drive-In Gets New Unique Image and Sign

Lucretia Dockery of Vernon spent the weekend visiting her parents, Mr. and Mrs. Arnold Johnson of Flomot and her grandmother, Mrs. Dorothy May of Quitaque. Kayla Johnson of Floydada joined the group for a visit also.

by Ann Coker

The Turkey Drive-In definitely has a new image in the form of a new sign that has been installed atop the cafe. The sign was put up last Saturday morning by Smitty Lane and Danny Stewart.

TURKEY DRIVE IN

The sign is a 8' by 3' silhouette done in black wrought iron. It displays a table on which sets a hamburger, french fries and a cup of coffee. On the other end of the sign is the shape of the cafe showing the drive-up window.

This distinctive and unique sign was designed and created by Smitty Lane, a nephew of the cafe owner, Linda Ferguson. Smitty lives in Lubbock and is

the son of Daphene Lane of Turkey and Harold Lane, deceased.

The Library of Congress is probably the world's largest, containing more than 77 million items, including books, journals, music, films, photographs and maps.

Things Seen and Heard
by Ann Coker

Destiny Whitley, who is making her home with her grandparents, George and Veta Colvin, flew to Los Angeles last Friday to visit in the home of her parents, Ron and Linda Whitley. The occasion was the celebration of Destiny's birthday which she shared with her parents.

While in Los Angeles, the family all attended a production of "Phantom of the Opera."

George and Veta Colvin met Destiny at the airport Sunday afternoon. Destiny reported she had a great birthday weekend.

Paul and Louise Meacham's daughter and husband, Jeanette and Kenneth Miller of Glen Rose, were here last weekend to visit in the home of Jeanette's parents. The Millers also visited with Jeanette's Aunt, Mrs. Willis Walker.

Mrs. Willis Walker has been suffering from some health problems recently. Her daughter, Mrs. Gene (Weizie) Hefner of Denver, Colorado arrived in Turkey last week to be with her mother.

Billy Joe Pinkerton was hospitalized last week in a Sweetwater Hospital. At last report, he had been diagnosed as having a staff infection.

Visiting in Wright City, Oklahoma for a few days is Dovie Wheeler. She is a guest in the home of her sister and husband, Bell and Oscar Cogburn. Dovie's son and wife, Harold and Frances Wheeler, took Dovie to Wright City on their way to vacation in Branson, Missouri. They will pick Dovie up on their way back home.

Those helping celebrate Virginia Degan's birthday recently were Clema Johnson, Foy Lane, Nadine Baisden and Ella Colvin. The group met at the Turkey Drive-In and treated Virginia to a birthday lunch.

Eugene Ferguson reported last Friday night that Joe Degan had returned home after a night's stay in Methodist Hospital of Plainview. Two of Leona Degan's sisters will be staying with the Degans for a few days. The sisters are Inez Montgomery of Plainview and Mildred of Granbury.

When the Redell Irbys and the Billy Fustons make their yearly trip to Gunnison, Colorado each summer for some fishing, they spend some time visiting with a Turkey executive, Allyne Gates, who taught Homemaking in 1941-1942, but now lives in Gunnison.

Quite often she shares some of her Turkey memorabilia with the group. This past summer, Dollie Irby brought some of it home with her, so we'll share it with our readers. Let's take a stroll down memory lane.

Ms. Gates shared a letter with the group, from the Turkey Public Schools to the Patrons. The letter was dated October 17, 1942. It was informing the patrons that the school was starting a school lunch program. The parents were being informed that if they wanted their children involved they must furnish 1 plate, cup, saucer and soup bowl, all in white china, unchipped or cracked. Also they must furnish 1 knife, fork and spoon. The lunches were priced at 7 1/2 cents each. If this proved not sufficient to cover the cost, the cost would be raised to 10 cents! The letter also stated if anyone had extra fresh vegetables they didn't need, the lunch room would appreciate a donation of them.

Also Ms. Gates sent her plan for the summer Home Economic Program visitations for either the summer of '41 or '42. She had written the name of each student and what day and time she would visit, also the home location of the student.

Some of those she had listed were: in Wolf Flat, Vernell Cruse, Gracie Bell, Ida Jo Meacham; Turkey and West, Margaret Hedrick, Ruby Lois Pinkard, Ida Young Faulkner. In the Parnell, Weatherly, Tampico and Buffalo Flat area were Dorothy Wellman, OJuanna Farley, Ida Mae McKay and Nelvie Parker.

South and West of town were Elizabeth Richmond, Eula Pinkerton, Ruth Fuston, Evelyn Coker and Amy Boatman. In Wolf Flat and Bridle Bit were Billie Jean Geissler, Ruby Stroud, Wanda Lee Houston Ola B. Shannon, Novalene Turner, Alene Rogers.

In the city limits of Turkey were Bettie Ruth Beeson, Freda Smith, Oleta Cunningham, Georgia Tue, Tommie J. Garner, Ima Jo Gafford, Helen Rhoades. Others in Turkey were Jeanette Barnhill, Glyndelle Thrasher, Margie Gilmore, LaVern Lacy, Hazel Couch, Norma Jean Lacy and Coy Jane Lacy.

Another interest item (to me) enclosed in the envelope Dollie gave me involved a note which would be about 50 years old now.

It seems that Alleyne Gates and Theresa Sims, two teachers from Turkey, were visiting some of Miss Simms relatives close to an air base where Dennis Coker was in pilot training. Dennis is my brother-in-law whom I never got to meet as he was killed while flying the hump in WWII. Dennis and Miss Gates had dated quite frequently. The note was from Miss Sims to Miss Gates and told her not to worry, she could call Dennis again after church and perhaps get hold of him. Can you imagine two teachers writing notes—in church?

A patient in Northwest Texas Hospital of Amarillo last Friday was Sue Proctor. She had surgery on her hand which had been causing her quite a bit of pain. Sue was dismissed from the hospital late Friday so she and her husband, Lowell, spent the week-end with their son, Lee Proctor, who lives in Amarillo. Sue and Lowell returned to their home Sunday.

Richard Irby of Ft Worth is a new subscriber to the Valley Tribune. He is the son of Dollie and Redell Irby.

Jonda Lane, a senior at University High School in Greeley, Colorado was recently crowned homecoming queen. She is the daughter of Keith and Jane Lane.

Her grandparents are Squint and Betty House and Tink and Estelle Lane all of Turkey.

Hiding the Pain May be Problem

by Ron Trusler, M.Ed., LPC
There's a horse in the middle of the living room floor and no one mentions it. The TV is watched, conversations are held and games are played and everyone acts as if the horse isn't there. The horse sits in the middle of the dining room table and people eat, pass the food and talk without saying anything about the horse!
Sounds strange, doesn't it? That's how many act when it comes to pain producing problems—they hide the reality. It may be an addiction of some kind, an attitude problem, unhappiness, anger or sadness but it's not mentioned. It is an attempt to make it go away by overlooking it.

It is hard to keep hiding feelings. Over a long period of time they are like an infection, they will surface in some form. It may be physically or emotionally, but they will surface. I think we have the idea that admitting pain is a sign of weakness or a lack of knowledge—it's neither. Admitting pain or problems is a sign of courage and willingness to open and heal. It takes a lot of energy to stuff down pain. It's draining and it's not healthy. If we deny our pain we distance ourselves from others. They do not think we will understand theirs.

When I hurt, I want to be with people who know what it's like to hurt. It doesn't have to be the exact same hurt—just hurt.

Cancer Survivors To Celebrate Life Saturday, 24th

The sixth annual Cancer Survivorship Celebration will be Saturday, October 24, 1992 from 9:30 a.m. until noon. The event will be held at the First National Bank of Amarillo at 8th and Taylor in downtown Amarillo.

There will be survivors' get-together with fun, refreshments and educational displays.

The event will also feature a special presentation by Gerald Holman, M.D. and the annual Survivors' Homecoming Chapel with cancer survivors offering inspiration and encouragement to everyone living with cancer.

The event is being sponsored by Vital Resources of the Don and Sybil Harrington Cancer Center and the American Cancer Society, with help from

Did You Know?

There's a fascinating story behind a very famous logo once used by a company that's been a leader in agricultural equipment manufacturing for 150 years.

• In 1861, when visiting farms near Eau Claire, Wisconsin, manufacturer J.I. Case saw the mustering of Company C of the Eighth Wisconsin regiment. The company's mascot was a live bald eagle named Old Abe, in honor of President Abraham Lincoln. The bird accompanied the soldiers into battle for four years.

Cancer Survivors; St. Anthony's Hospital; High Plains Baptist Hospital; Northwest Texas Hospital and the Veterans Administration Medical Center.

To help assure adequate refreshments and seating, please call (806) 359-4673 or 1-800-274-HOPE (outside of Amarillo).

If cancer has ever touched your life, or the life of someone you love, don't miss this special event just for you.

• In 1869, when the J.I. Case Company adopted its first trademark, it seemed natural to choose Old Abe.

• By 1894, Old Abe had taken his place atop a globe, his talons firmly gripping an expanse that covered North America and Europe. The word CASE appeared across the globe, identifying the worldwide scope of the company, along with the power and pride inherent in the symbol of the bald eagle.

• In 1969, the J.I. Case Company replaced the Old Abe trademark with a contemporary logo spelling "Case" in bold, outlined letters. Soon posters and large renditions of the original Old Abe logo became collectors' items as the logo became the historic symbol of the company's early days.

Annual Briscoe County 4-H Achievement Banquet Held

The annual Briscoe County 4-H Achievement Banquet was held on Sunday, October 11, in the Silverton School Cafeteria.

Highlighting the evening was the presentation of the Gold Star and Friend of 4-H awards. Lance Bradford, son of Doug and Jenny Bradford and Cecilia Castillo, daughter of Joe and Maria Castillo were both recognized as this year's Gold Star recipients. The gold star is the highest award a 4-H'er may receive at the county level. The Friend of 4-H Awards were presented to the Briscoe County News and Wayne Nance. This award is presented to a business and an individual who have contributed greatly to the 4-H program.

Mike Ferguson of Swisher Electric, presented the Silver Spur awards to Deb Burson and Roye Pigg, this year's outstanding 4-H leaders. The awards are co-sponsored by Lighthouse and Swisher Electric Cooperative. Jeremiah Brooks, son of Bill and Jannine Brooks of Silverton, and Will Sperry, son of Terry and Jackie Sperry of Quitaque, were each presented with the "I Dare You" award.

4-H'ers in each club were recognized for their project participation by Deb Burson, assistant club manager for the Clover 4-H club; Betty Stephens, club manager for the Silver Star 4-H club; John Wyatt, club manager for the Caprock 4-H club; and Joanie Pigg, club manager for the Valley 4-H club.

Year pins were presented by Deb Burson and Juannah Jennings to 4-H'ers who had turned in a project record form. 4-H'ers eligible to receive year pins were:

1st year - Sally Baldwin, Brooke Garvin, Taylor Griffin, Katy Hester, Jamie Pigg, Kendra Rhoderick, Julie Weaver, Jordan Sarchet, Aaron

Wederski, Kenda Wood and Tyler Young;

2nd year - Dara Johnston, Daniel Reagan, Lisa Comer and Ryan Minyard.

3rd year - Michael Degan, Donny Burson, Lindsey Jennings and Lindsey Weeks.

4th year - Molly Brooks, Lacy Brunson, Kenzie Burson, Cecilia Castillo, Will Hester, Shauna Kingery, Wynter Smith, Trey Wyatt and Trey Ziegler.

5th year - Jarret Pigg and Dedra Johnston.

6th year - Carrie Baird, Christina Stephens, Jeremiah Brooks, Shannon Weaver and Kara Kingery.

8th year - Leslee Weeks and Ashleigh Wyatt, and

9th year - Lance Bradford.

4-H'ers receiving record book pins were Daniel Reagan, shooting sports; Katy Hester - Food and Nutrition; Julie Weaver - Food and Nutrition; Jamie Pigg - Beef; Jarret Pigg - Beef; Molly Brooks - Poultry; Christina Stephens - Swine; Shannon Weaver - Swine; Michael Reagan - Public Speaking; Will Hester - Shooting Sports; Donny Burson - Horse; Wynter Smith - Photography; Trey Wyatt - Achievement; Lindsey Jennings - Fashion Revue; Jeremiah Brooks - Agriculture; Ashleigh Wyatt - Clothing; Lance Bradford - Sheep; and Cecilia Castillo - Food and Nutrition.

Josh Brooks, Jeremiah Brooks and Will Sperry were each recognized for their participation at State 4-H Roundup. Ashleigh Wyatt was also recognized for participation at State 4-H Roundup, State Fashion Design Contest winner, and State 4-H Record Book judging.

FLOMOT NEWS-

By Earlyne Jameson

OVERHEARD:
The repetition of clock resetting and self-imposed jet lag twice each year is ludicrous!

CELEBRATE BIRTHDAY
Mrs. Ray (Tommy Jo) Cruse and daughter, Mrs. James Gwinn of Whiteflat were honored with a birthday luncheon and all the trimmings in the home of Mr. and Mrs. Ray Cruse, Sunday October 18. Adding to the happy occasion, they enjoyed video films made through the years of family members and events.

Those attending were Larry, Deidra, Monica and Skylar Clifton of Matador; Mark, Derinda, Thor and Tony Patton of Silverton; J.D. and Lois Nance of Rock Creek; James and Fannin Gwinn of Whiteflat; Mrs. Dona Browning of Turkey and Donnie, Judy, Brand, Chaney, Roggan and Talon Cruse, Darrell, Brenda, Leah, Keane and Derrick Cruse, Ray Cruse, Lee, Michelle, Whitney, and Jason Browning, and E. J. and Mary Browning of Flomot.

BACK FROM HOSPITAL
Mrs. George Pope was a patient in the Methodist Hospital in Plainview from Wednesday until Friday, Oct. 14-16. Her daughter, Mrs. Evelyn Barron of Stephenville and son, Melvin Pope of Lubbock have been with her. She returned home with her son Melvin Wednesday, Oct. 21, for further tests and treatment.

Joe Degan returned home Tuesday from Lubbock where he was a patient the past three weeks at Methodist Hospital. He will receive out-patient medical treatment in Lubbock.

Mrs. Brock Duckery of Vernon visited from Saturday until Monday with her parents, Mr. and Mrs. Arnold Johnson and in Quitaque with her maternal grandmother, Mrs. James May. Visiting the family Sunday was daughter Kayla Johnson of Floydada who had been in Houston the past three days to attend a Diagnostician Seminar.

Mr. and Mrs. Lewis Cannon of Tulia accompanied her mother, Mrs. James Monk to Irving Friday where they visited until Monday with Mrs. Leo Jackson.

Mrs. Jerry Gilbert of Jacksonville, Alabama visited from Wednesday until Sunday with her parents, Mr. and Mrs. Joe Degan. She also visited her parents-in-law, Mr. and Mrs. D. M. Gilbert. Visiting Sunday were Stanley Degan and son Dan of Calgary.

Mr. and Mrs. Joe Luckenbach of Silverton visited Mr. and Mrs. Johnny Turner, Heather and Coby Sunday. Mrs. Turner and Mrs. Luckenbach visited in Lockney Saturday with Mrs. Laverna Sams. They also attended the Running Water Draw Arts and Crafts Festival in Plainview.

Visiting in the home of Mr. and Mrs. Morris Stephens, Tuesday was Brother Rex Burns of Amarillo who was holding a revival at the First Baptist Church in Silverton. Visiting Thursday and in Matador with Mrs. Joe Stephens were Mr. and Mrs. Johnny Plunkett of Amarillo.

Cindy and Christi Shorter and friend, Libby Thomas of Mesquite, students at Texas Tech in Lubbock, visited the weekend with their family, Mr. and Mrs. Clois Shorter and Kerl.

Mrs. Donna Degan and daughter, Shay, of Calgary, and Ronnie Rogers of Lubbock visited their parents Mr. and Mrs. Howard Rogers Sunday.

Bencie Hughes, student at South Plains College in Lubbock visited the weekend with his family Mr. and Mrs. Butch Hughes and Ricky.

Visiting Mrs. Annie Bee Cloyd during her recent surgery and hospitalization besides Mrs. Wilburn Martin and Johnny Turner were Dickie Cloyd of Memphis, Bro. Nathan Mulder of South Plains and Mrs. Leota Hardgrove of Plainview.

Mr. and Mrs. Homer Cybert of Lockney accompanied her mother, Mrs. C. W. Starkey, to Winnewood, OK to visit from Friday until Monday with Mr. and Mrs. Joe Long and family.

Mr. and Mrs. Wilburn Martin and friend, Mrs. Leona Bell of Amarillo enjoyed visiting at their home in Ruidoso, NM from Thursday until Monday of last week. Mr. and Mrs. Martin met daughter, Marilee Pilcher of Fritch, in Amarillo Sunday to visit.

Mrs. Doyle Calvert visited in Lockney Saturday with Mrs. Sibyl Barton and Mrs. Doris Morris, residents at the Care Center.

Guests in the home of Ruth and Orville Lee Sunday were sons and families, Brenda and Joey Lee, Jason and Ernie of Clarendon and Carman and Roger Lee, Josh and Brandon, local residents. They celebrated the birthdays of Ruth, Brenda and Jason.

Mr. and Mrs. Wilburn Martin and Mrs. Annie Bee Cloyd attended the 18th annual Running Water Draw Arts and Crafts Festival in Plainview, Saturday.

Visiting last week with Mrs. A.D. Moseley were Mr. and Mrs. Alan Barnhart and sons, Jeremy and Camden of Irvine, California. Visiting her last Sunday were Mr. and Mrs. Coy Dunn of Dimmitt.

Mrs. Joyce Jeffers of Colorado Springs, CO arrived Sunday to be with her mother Mrs. Alma Tiffin, who is ill. She will also visit her brother and family, Mr. and Mrs. Glen D. Tiffin.

Mr. and Mrs. Wayne Hunter visited in Midland Friday with son and family, Mr. and Mrs. David Hunter, Greg and Ross. Enroute home Saturday, they visited in Lubbock with daughter, Anita Hunter. They visited in Clovis, NM, Sunday in the home of Mr. and Mrs. John G. Montoya, and with their guests, Mr. and Mrs. Ray Montoya of Albuquerque, NM and Mr. and Mrs. Joe D. Palmer and Nancy Jo of El Cajon, CA. Before returning home, they visited in Plainview with niece, Shauna May Ross, daughter of Mr. and Mrs. Ray Moss of Decatur. She is attending Wayland Baptist University.

Tina Clay, student at Texas Tech visited the weekend with her family Mr. and Mrs. Joe Ike Clay and Julie.

Q. Why doesn't my bank give me credit on the same day if I make a deposit after 2:00 PM?

A. During the course of a normal business day hundreds or even thousands of deposits might be made at your bank. The processing of these deposits, whether they are in the form of cash or checks, entails extensive bookkeeping procedures. Each deposit must be posted and then, in the case of checks drawn on other banks, forwarded to the federal reserve where they are cleared. All of this paperwork must be completed by the end of the day.

If deposits were accepted and credited up until the time the bank actually closed its doors, bank tellers and other bank staff members would have to work all night completing the required paperwork. The 2:00 PM deadline allows the bank to begin closing out its books for that day.

Disaster Field Office Established in Lubbock

In response to the 12-county major disaster declaration, a Disaster Field Office (DFO) has been established in Lubbock to allow the Governor's Division of Emergency Management, Texas Employment Commission (TEC), and the Federal Emergency Management Agency (FEMA) to coordinate assistance response.

The disaster declaration makes available unemployment benefits through TEC and farm loans through Farmers Home Administration (FmHA) to individuals directly affected by the disaster.

Unemployment benefits include Disaster Unemployment Assistance (DUA) available to unemployed workers or self-employed individuals, both agricultural and non-agricultural, who have become unemployed as a direct result of the disaster.

Workers who are unemployed because of the disaster and are in counties other than the 12 designated may seek unemployment assistance at any TEC office, according to TEC spokesman Alex Torres in Lubbock.

FmHA loans to producers who suffered loss are available through area ASCS offices. This assistance is in addition to the farm assistance announced earlier this month by President Bush. That program, administered through ASCS allows eligible farmers to receive assistance effective October 13 when that program's application period begins.

The affected counties, which have suffered agriculture losses from excessive rain and hail since May 1 and are included in the Disaster Declaration are Bailey, Briccoe, Castro, Cochran, Crosby, Floyd, Hale, Hockley, Lamb, Lubbock, Parmer and Swisher. The possibility of including additional area counties

in the disaster declaration still is being reviewed.

Agriculture losses generally are not considered for major disaster declarations. The crops affected, primarily cotton and vegetables, are labor intensive and therefore have a far-reaching impact on both local and migrant workers and on the economy of the entire state.

Ed Laundry, from the Governor's Division of Emergency Management, is the State Coordinating Officer, Al Hahn, of FEMA Region 3, is the Federal Coordinating Officer. FEMA Region 3 is assisting FEMA Region 6, which is assigned the State of Texas, due to the demands placed upon Region 6 as it responds to Hurricane Andrew recovery efforts in Louisiana, also a part of the region.

When to Keep Kids at Home

With the fall and winter months come cold and flu season. And, because youngsters can often seem healthy when they're actually sick, parents are sometimes confused about when to keep their children home from school or day care.

Yogesh Pandya, M.D., Methodist Children's Hospital chief of staff, suggests the following guidelines for deciding whether to keep your child home.

***Appearance/behavior**—unusually tired, pale, difficult to wake, confused or irritable, with lack of appetite.

***Diarrhea**—three or more watery stools in a 24-hour period, especially if the child looks or acts ill.

***Ear infection**—children may attend school after receiving medical treatment for ear infections. Untreated infections can cause permanent hearing loss and even more serious problems.

***Eyes**—thick mucus or pus draining from the eye, or pink eye.

MR. & MRS. RICHIE GANDY

Clay - Gandy Vows Said In Candlelight Ceremony

In a candlelight ceremony performed by Tim Cooke, Sherry Suzanne Clay and Richie Lane Gandy exchanged wedding vows on July 25, 1992 at the Community Fellowship Church in Ringling, Oklahoma.

The bride is the daughter of Bobby and Kay Clay, Ringling, Oklahoma. Grandparents are Mr. and Mrs. Tink Lane, Turkey, Texas and Mrs. Mary Clay, Flomot, Texas.

The groom is the son of Rick and Phyllis Gandy, Ringling, Oklahoma. Grandparents are Mr. and Mrs. R. T. Longest and Mr. and Mrs. Leroy Gandy, Ringling, Oklahoma. Great grandmother is Naomi Longest, Ardmore, Oklahoma.

Escorted and given in marriage by her father, the bride wore an elegant original by Alfred Angelo in white taffeta. The off-the-shoulder look with a bow on each sleeve and dropped waist was enhanced with schiffli embroidery, alencon lace, iridescent sequins and pearls. The simple, but elegant taffeta skirt ended in a cathedral train.

Her layered tulle veil was edged with ruffles, encrusted with pearls, as it fell to the top of her train from a wreath of seed pearls and miniature white rose buds accented with butterfly ruffles.

The bride carried a cascade bouquet of off white roses and orchids.

Maid of honor was Tammy Clay, sister of the bride from Tevel, Texas. Bridesmaids were Jenny Lavey, Dallas, Texas; Angie Perkins, Pauls Valley, Oklahoma, both sisters of the bride and Wendy Roberts, Ringling, Oklahoma.

The best man was Tracy Gandy, brother of the groom. Groomsman were Steve Longest, Jerry Gandy, and Mike Gandy, all uncles of the groom.

Courtney Lavey, niece of the bride, was the flower girl, and Joshua Lavey, nephew of the bride, was the ring bearer.

Candlelighters were Allison Bortz and Brody Longest, both of Ringling, Oklahoma.

Ushers were Cody Coleman, Ardmore; Shane Allen and Kent Southward, both of Ringling, Trina Wade and Heather Paul, Ringling, registered guests.

Music was presented by Suzanne Pogue at the piano. Wendy Roberts sang, "On Top of the World," "We've Only Just Begun," and "Through the Eyes of Love."

A reception was held in the recreation room at the church following the ceremony.

Assisting at the reception were Tina Clay, Robyn Lane, Cindy Lane, Turkey, Texas; Suzanne Lane, Dallas, Texas; Trina Wade, Heather Paul and Raylene Bortz, Ringling.

After a wedding trip, the couple are residing in Durant, Oklahoma where they will continue their college education.

A rehearsal dinner was hosted by Rick and Phyllis Gandy at their home.

Valley Club Meets in Turkey

The Valley Homemakers met Monday night at the home of Vivian Smith in Turkey for their October meeting. Thirteen members were present and enjoyed delicious gumbo, made by the hostesses Vivian Smith and Laura Davidson. Cheese dip and chips, sweet potato bread and sweet potato pie were also served.

The group then went to Two J's China to finish Christmas Ceramic projects. A short business meeting was held there. President Laura Davidson told the club that they were no longer a member of the extension council. The group had voted at their last meeting to just be Valley Homemaker Club. Also, the women decided to have their annual Cow Patty Bingo for the Caprock Country Christmas and to sell chances on a "Winter Warmer Basket" at the event.

Those present were Jay Proctor, Lacy Shannon, Dianna Gilmore, Patty Kimbell, Angie Smith, Karen Allen, Delane Brown, Kim Patrick, Lisa Price, Patti Whittington, Angela Clay and the hostesses Vivian Smith and Laura Davidson. The next meeting is tentatively set for November 16. Anybody wanting to attend is welcome.

To the CITIZENS OF TURKEY:

I would appreciate your support and consideration to re-elect

KENNY SCHULL
Sheriff of Hall County
 On
TUESDAY, NOVEMBER 3, 1992

Thank You,
Kenny Schull, Sheriff

(Paid for by Kenny Schull, Sheriff, Mark White, Treasurer)

Former Silverton Teacher Named Briscoe Spelling Bee Director

Debbie Davis, a teacher on leave of absence, of Route 1 Box 96, Silverton, Texas has been named Spelling Bee Director for Briscoe County.

The annual National Spelling Bee, co-sponsored by the Amarillo Globe-News and West Texas State University, Canyon, is open to any student who must not have passed beyond the eighth grade at the time of their individual school finals; and must not have reached their 16th birthday on or before the date of the national finals.

There are two levels of competition: (1) The Junior Bee is open to any student in grades five and below; (2) the Senior Bee is open to any student in grades eight and below. County directors may combine the two events if they so choose.

The director will select a date and site for the county event. All schools in the county are invited to participate.

Social Security

Breast cancer is among the top health concerns of American women. In fact, more than 40,000 will die of breast cancer this year. Fortunately, more and more women have learned that early detection through mammography could allow effective intervention and treatment of the disease.

However, many women may not know that part of the costs of mammography screening may be paid for by Medicare. Since January 1991, Medicare Part B has paid for up to 80 percent of the lowest of these three amounts--(1) the physician's charge; (2) the amount allowed under the Medicare physician's schedule; or (3) the established fee limit. (The 1992 fee limit is \$56.76, of which Medicare would pay a maximum of 80 percent, or \$45.41.)

Who is eligible? Women must be age 65 or older, or receiving Social Security disability benefits to be eligible.

Medicare will help pay for diagnostic mammograms for women who have any signs of a problem--such as a lump or mass in the breast--any time they're ordered by the attending physician and are considered necessary.

If a woman is 65 or older, Medicare helps pay for a mammogram every other year. For women aged 35-39 who are disabled, Medicare will help pay the cost of a baseline mammogram. For women who are disabled and aged 40-49, payment is for one screening every other year. Women aged 50-64 who are disabled are covered for a yearly mammography screening. And so are women aged 40-49 who have been diagnosed as high risk for breast cancer.

For more information about this coverage, consult the Medicare carrier responsible for processing Part B claims. In our State that is 1-800-442-2620.

Information on cancer detection and prevention is available from the Cancer Information Service's toll free number--1-800-4-CANCER.

Airlines Assist Citizens

Southwest Airlines will reunite hundreds of senior citizens, 65 years of age or older, who demonstrate a strong economic need for assistance, with family and friends this holiday season by awarding complimentary tickets through its 13th annual "Home for The Holidays" program which kicks off this week.

Applications are available to area seniors who are 65 years or older and who cannot afford to travel home. They can be picked up at senior centers or by calling the Panhandle Area Agency on Aging (PAAA) in Amarillo at 372-3381 or toll free outside of Amarillo at 800-642-6008. The PAAA has joined forces with Southwest Airlines to administer the program. Completed applications must be received at the PAAA by October 20, 1992 for consideration.

A limited number of applications per city from each of 34 cities served by Southwest will be selected to receive a complimentary roundtrip ticket based on their need for economic assistance and reason for travel. Past recipients may apply and only one application per person will be considered. Ground transportation is not provided. Ground transportation to or from an airport served by Southwest Airlines is also not provided.

The county winner will compete on April 17, 1993 in the 45th regional competition in Canyon. The top speller will receive an all-expense paid trip (for two) to Washington, D.C. as the area's contestant in the 1993 National Spelling Bee. This event begins on May 30.

Additional information is available from Jeane Bartlett, Spelling Bee Editor, Amarillo Globe-News, or Gene Parker, Bee Coordinator, West Texas State University.

Amy Maupin Gets Honor Scholarship

West Texas State University and the West Texas State University Foundation have announced the first recipients of the President's Honor Scholarship program. Six students have been awarded \$2,000 scholarships for the 1992-93 academic year.

Amy Maupin, Valley High School graduate received a Louisa Miller Eldredge Scholarship. This scholarship is made possible through Miller's husband's bequest to the University.

Amy, a Senior, is planning to pursue a career in physical therapy.

She is an active member of Zeta Tau Alpha and Student Foundation and serves as attorney general for WTSU's Student Government.

The President's Honor Scholarship program was established by WTSU President Barry B. Thompson upon his arrival in WTSU in January 1990. The endowed program offers outstanding students the opportunity to pursue an education and enhance the quality of student leadership on campus. Each of the scholarships is renewable for undergraduate studies provided the student meets the minimum criteria of a 3.4 cumulative grade point average, enrolls in 12 semester hours each semester and demonstrates leadership in campus activities.

Amy is the daughter of Pat and Jerry Maupin of Wildorado.

'Koinonia Keys' First Stirring By Methodists

"Koinonia Keys" is the name of the first Stirring the Flame Reunion offered by the Small Membership Church Task Force of the Northwest Texas Annual Conference. It is sponsored by the Plainview District and will be held at the First United Methodist Church in Turkey on Saturday, October 24, from 9:30 a.m. to 4:00 p.m.

Open to churches in the Northwest Texas Annual Conference, the focus is small church renewal through vital worship. It is offered as a reunion for churches who have held Stirring the Flame events to provide an opportunity for these churches to continue their renewal process. Churches who have not yet experienced Stirring the Flame should also find the event helpful.

EMT's Party Honors New Members

The six new Quitaque and Flomot EMTs were honored Tuesday night, October 13, 1992 with an initiation party. Numerous games were played, photos taken and fun was shared by all present. Each new EMT was presented an EMT Badge by the six current EMTs.

A meal of fajitas was catered by Royce Pigg and for dessert everyone enjoyed a cake decorated with an ambulance on top.

Those attending were EMTs Sandra and Jerry Barclay, Judy Barrett, Erma Washington, Dianne Washington, Albert Castillo, Elgin Conner, Dee Dee Payne, Kristy and Danny Maynard, Jack Wellmar and Maria Cruz.

Family and friends attending were Una Lee and Danny Barrett, Sylvia Castillo, Cathryn Conner, Tye and Cody Barclay, Jody Scott, Bill Dean Washington, Seab Washington, Larry, Douglas, Larissa, Leslie and Laura Payne, Chase and Chance Maynard, Debbie, Jamie, Richard, Ryan and Jessica Wellman, Bubba and Laurie Cruz, Matt, Belinda and Cody Barrett, and James and Jean Cathey.

Valley Moves 1-1 In District

The Valley Patriots moved to the top of the season and 1-1 in District play with a win over the Harrold Hornets at Patriot Field last night. The Patriots came into the game in a must win situation after losing their district opener last week against Chillicothe. Harrold was into the game with a 5-1 record and a 1-0 District record.

The Hornets took the opening kickoff and had a 4th and 10 at the Patriot 7 yard line. A pass into the end zone resulted in a yard interception return by Jason Smith. Bradley Price added extra points for an 8-0 lead. On kickoff, Dewayne Davis recovered the fumble and on the next play, David Valdez hit Jason Smith on a 24-yard TD pass. Price added a kick. Harrold was able to get on board with a 15-yard run by Al Smith. Davis added a 30-yard run to finish the first quarter.

Harrold scored first on a 5-yard run by Craig Edwards to bring the score to 23-14. It was all Valdez after that as they produced 36 unanswered points. Davis had a yard run, Valdez passed to Price a 28-yard TD and also ran for a touchdown. Smith added two TDs to finish out the scoring.

Energy Tips To Help You

ENERGY TIPS TO HELP YOU
 RONDA ALEXANDER

With energy costs as high as they are, everyone needs to learn to save energy. The following tips are of great help to reduce your energy costs.

The easiest way to save is to adjust your thermostat to 65 degrees during the summer and 68 degrees for winter days. This stat set up and set back costs from 9 to 15 percent of your energy and heating bills.

In the summer, try using fans to supplement your air conditioning. Fan movement allows you to set your thermostat to 6 to 8 degrees higher and maintain the same comfort level. Lowering shades and drapes and curtains can also keep the sun's heat out.

Use the sun to heat your home in the winter by opening curtains shades when the sun is shining. Closing them at night or on cloudy days, to keep the cold out. Other ways to conserve winter heat is use the fireplace sparingly, close the flue damper, when it is out. In a typical fireplace, 85 to 90 percent of the fire's heating value is lost up the chimney in the form of hot combustion gases.

Other ways to save energy are seal cracks around windows with inexpensive weatherstripping and to change filters on air handling systems regularly. Dirty filters can cause excessive wear on your cooling and heating equipment, reducing their efficiency and increasing the amount of energy needed to cool or heat your home.

These energy tips, and others have been taken from a pamphlet "Energy Tips for Homeowners" provided by the Texas Extension Service. A copy of the pamphlet is available free and may be picked up at the Extension Office.

Valley Moves to 6-1 Season; 1-1 In District Play After Win

by Coach Gilmore
The Valley Patriots moved to 6-1 on the season and 1-1 in District play with a win over the Harrold Hornets at Patriot Field last Friday night. The Patriots came into the game in a must win situation after losing their district opener last week against Chillicothe. Harrold came into the game with a 5-1 record and a 1-0 District record.

The Hornets took the opening kick-off and had a 4th and 7 at the Patriot 7 yard line. A pass attempt into the end zone resulted in an 81-yard interception return by Jason Smith. Bradley Price added the extra points for an 8-0 lead. On the kickoff, Dwayne Davis recovered the fumble and on the next play, Joe David Valdez hit Jason Smith on a 24-yard TD pass. Price added the kick. Harrold was able to get on the board with a 15-yard run by Allan Smith. Davis added a 30-yard run to finish the first quarter.

Harrold scored first on a 5-yard run by Craig Edwards to bring the score to 23-14. It was all Valley after that as they produced 36 unanswered points. Davis had a 21-yard run, Valdez passed to Price for a 28-yard TD and also ran for one touchdown. Smith added two more TD's to finish out the scoring.

On defense, Smith had one interception and seven tackles. Clay Merrell had a blocked punt and six tackles. Davis had a fumble recovery and seven tackles. Price had eight tackles and was 5 for 7 on extra points. Danny House had a good night blocking as did Danny Ulrey and Merrell. House had five tackles and Josh Scoggins had four. Valdez did a good job taking over the QB job for injured Ricky Hughes. He went 2-3 for 51 yards and 2 touchdowns.

Valley will travel to Patton Springs this Friday for a district game beginning at 7:30 p.m.

Valley JV Team Beats Groom 47-0

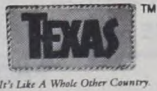

Valley JV Defeats Groom by Coach Browning
We came out from the start with a great deal of intensity. After beating them 47-0 the week before we didn't want to overlook or take them lightly. Offensively we have been mostly using our running game, but this week we opened it up throwing for 113 yards and 5 touchdowns on a 7 for 10 performance. We added a couple of new plays which added to our passing game. We were very pleased with the way our players played, running, blocking and catching.

Defensively, we continued to play hard-nosed football not allowing a single first down. We seemed to always have several players in on the tackles. Groom's only score came on a kick-off return. Our hard-hitting defense has allowed only 13 points all year. One thing that has helped our defense had been having to play against our Varsity. We are really proud of the way we have been playing, and have been working hard this week.

As of right now we don't have a game this week. Our game with Chillicothe JV has been cancelled. Valley Junior High defeated Groom 40-0 last week. They do not have a game scheduled for this week.

SCHOOL MENU

- Monday:** Chicken Fried Steak, Broccoli/Cheese, Whipped Potatoes, Honey, Biscuit
- Tuesday:** Taco Rolls/Cheese Sauce, Tossed Salad, Corn, Brownie
- Wednesday:** Kielbasa, Potato Salad, Baked Beans, Fruit Jello, Corn Bread
- Thursday:** Chicken Ravioli, Mixed Vegetables, Strawberry Cake, Hot Rolls
- Friday:** Mexican Stack, Chips, Sour Cream, Hot Sauce, Beans, Fruit

West Point Man To Speak At Valley School

by Rhonda Cochran
As part of the Red Ribbon Activities at the Valley School, Dr. Robert E. Banks who is Director of the Substance Abuse Program and a professor at Amarillo College, will speak and present a slide presentation on the topic of steroid and tobacco use on Tuesday, October 27th at 1:00 p.m. in the cafeteria.

Dr. Banks is currently working in the Drug and Alcohol Field and has directed In and Out Patient Treatment Programs throughout the state. He has served as a consultant to the state of Florida and is the authority at West Point concerning steroids, as well as having served as an advisor on several government committees. He consistently is a guest lecturer at West Point and has written a book on the topic of steroids. The public is invited to come to hear Dr. Bank's interesting and informative presentation.

Other activities will include a puppet presentation by Ione Bond, Program Director for Educational Services at Cedar Creek Hospital, for kindergarten through third grade. Charlie McMordie, Director of the Adolescent Unit at Cedar Creek Hospital, will present information to the fourth through sixth graders on self-esteem. These programs will be presented on Thursday afternoon, October 29th.

Many fun and educational activities will be experienced by Valley students throughout Red Ribbon Week. The message at Valley will be for all students to "Pledge To Be Drug Free."

Third Grade News

by Emily Woods
This week we made skeletons and hung them in the room. We made ghost and spiders and hung them on the lockers. In Science we studied about recycling. In Math we added three digits together and raced to 100 with place value. We wrote epitaphs in English. I want to remind you to be careful on the parallel bars. I was hanging upside down and lost my grip and fell down.

Trick or Treat Is Danger Time For Children

TEXAS DPS
"Trick or Treat" are familiar words that will soon usher in another Halloween season. Halloween is a time when children will be distracted by the excitement of the season, a time when parents should take steps to ensure their children's safety by instructing them in the do's and don'ts of Halloween. Major Vernon Cawthorn, Regional Commander of the Texas Department of Public Safety, says, "It's a good idea to insure costumes fit well, not too tight or too loose, causing a child to trip and fall. Painting the child's face with makeup is preferable to wearing a mask, which obstructs vision. Make sure all costumes are made of non-flammable material, especially wigs and masks. Young children should always be accompanied by an adult. If you do not accompany your child, instruct him to go out with a group and not to stop at homes which are dark. Costumes should be reflective or a piece of reflective tape placed on the costume and bags. Everyone should carry a flashlight."

Major Cawthorn went on to say that all candy should be taken home and checked prior to anything being eaten and if a suspicious treat is found, contact the police. For those who plan to participate in handing out treats, turn on your porch light to let children know they are welcome and remove obstacles from the front yard that could cause a child to trip and fall. Keep lighted jack-o-lanterns or candles away from steps or the front door where a child's costume could be ignited by a flame.

Major Cawthorn advises motorists traveling into residential areas, to drive with extreme caution and be watchful of children darting into the street.

Valley School Students Speak Out

(Editors Note: The following excerpts are from letters to the editor written by Valley School students for their Red Ribbon Week. Due to their length and number, we were unable to use all of every letter.)

Dear Editor,
Since drugs are becoming such a major problem within our country, I feel that we should do whatever is needed to decrease the number of drug abusers. Even small communities such as Quitaque and Turkey are as capable of having drugs as New York or Los Angeles. If we each do our little part, it can make a big difference. . . we can take a stand to be drug free! . . .
Misty Taylor

Dear Editor
Drugs are . . . the worst thing available to people. . . they can cause many very serious diseases. That is why we have Red Ribbon Week. . . the future of the U.S. and the world depends on it.
Jeremy Taylor

Dear Editor,
When you make the decision in your life whether or not you are going to use drugs, or even try them, you need to make your decision by using pure common sense. . . Would you rather have a good-paying job, a nice house, and a happy crime-free life, or would you rather live your life on the streets, full of crime, with no job. . . and have a brain that is completely fried? That's what drugs do to you.
Karyn Conner

Dear Editor,
. . . I do not think drugs are necessary. Many people of today take drugs to get a good feeling or even to be cool, but what they do not realize is that these drugs are not fulfilling their needs. . . the people that do take drugs to please get help, and the ones that don't, please don't start.
Mandy Pigg

Dear Editor,
I think that taking drugs is stupid and wrong. It is like saying "Yes, I want to die." . . . Drugs are bad news for our world, and that's why we need to keep our community clean from drugs.
Nicholas Castillo

Dear Editor,
. . . Drugs are bad in every way, and they are against the law. They have deadly side effects and are very addictive. . . they do not solve problems; they make more of them. Anybody under the influence of drugs is unpredictable. . . they might steal a car or kill someone, so stay off drugs for any reason.
Russell Ramsey

Dear Editor,
In my opinion, drugs are really stupid, but they aren't as stupid as the people who do them. . . what really gets to me is kids my age who smoke or drink. These people think they're really cool, but they're really not.
Jessica Ortiz

Dear Editor,
. . . Drugs can hurt you by making you feel and look bad. . . if anyone goes up to you and asks if you want some drugs, "Just Say No."
Alex Hinojosa

Dear Editor,
There are more than two million people in just 25 or the 50 states

seeking treatment for drugs. We need to do something about it. . . Alcohol and drug use is harmful. According to recent studies 12 - 17 year olds who are currently smoking cigarettes are twice as likely to be current alcohol users than non-smokers. There is one question that has not been yet answered. It is "What kind of alternatives do we have for the young people?" Can you answer it?
Melody Farley

Boosters Meet

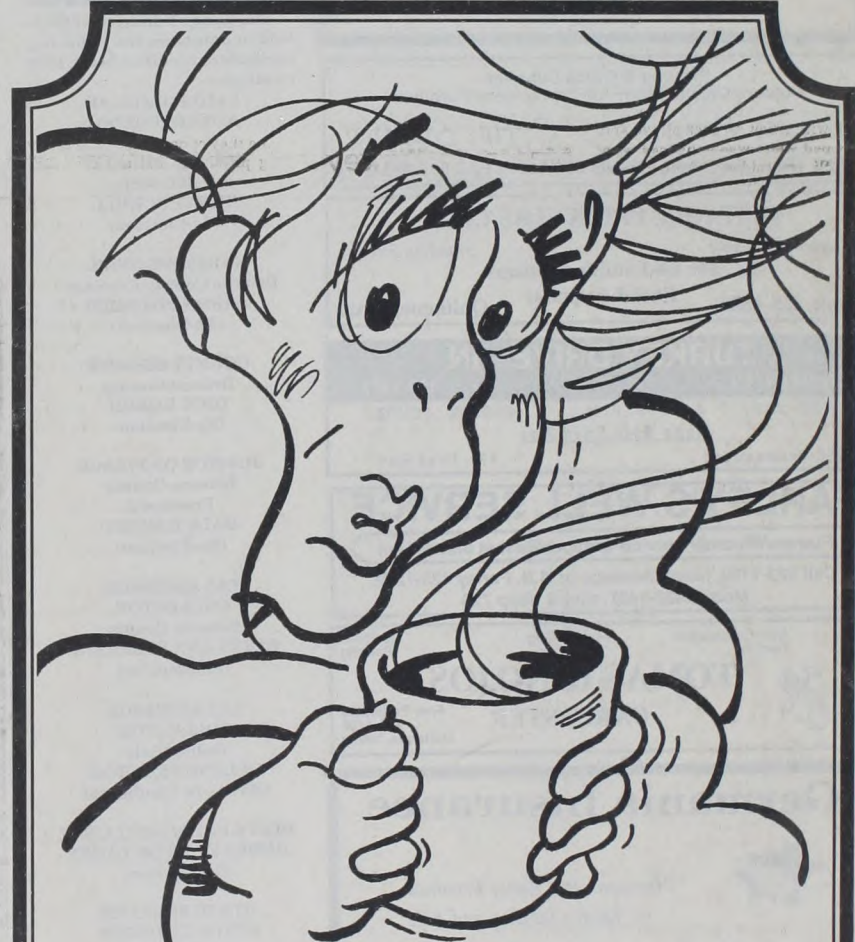

The Booster Club met on Tuesday, October 13, at 7:30 in the Valley Cafeteria.

After a film of the Chillicothe-Valley game and a tape of the Harrold game, Coach Gilmore discussed the many injuries and said he hoped most would be able to play against Harrold.

During the business meeting led by Jerry Smith, it was decided to sponsor the sponge throw during the Halloween Carnival, in Turkey on October 24. Tentative plans are for the coaches, Mr. Smith, Mr. Davidson, and maybe the ag teachers to be targets for this event.

Next week will be the last home game during district play. Vernon Northside will be at Valley.

There's a better way to stay warm...

Call your heating and cooling dealer instead.

The best way to stay warm this winter is to have your heating system serviced now. A checkup by a heating and cooling dealer could help prevent a costly, uncomfortable breakdown during the cold of winter. Proper maintenance can also help reduce operating cost and extend the life of heating equipment.

And if your present system has seen too many winters, replace it with an all season electric heat pump. Ask your dealer or WTU for details.

Energy Tips To Help You

ENERGY TIPS TO HELP YOU BY RONDA ALEXANDER

With energy costs as high as they are, everyone needs to learn how to save energy. The following tips will be of great help to reduce your total energy costs.

The easiest way to save is to adjust your thermostat to 78 degrees during the summer and 65 degrees for winter days. Thermostat set up and set back can save from 9 to 15 percent of your cooling and heating bills.

In the summer, try using fans to supplement your air conditioner. Air movement allows you to set your thermostat 6 to 8 degrees higher and maintain the same comfort level. Lowering shades and closing drapes and curtains, can also help keep the sun's heat out. Use the sun to heat your house in the winter by opening curtains and shades when the sun is shining and closing them at night or on overcast days, to keep the cold out. Other ways to conserve winter heat are to use the fireplace sparingly and to close the flue damper, when the fire is out. In a typical fireplace, about 85 to 90 percent of the firewood's heating value is lost up the chimney in the form of hot combustion flue gases.

Other ways to save energy are to seal cracks around windows and doors with inexpensive weatherstripping and to change or clean filters on air handling systems regularly. Dirty filters can cause excessive wear on your cooling and heating circulation system, reduce cooling and heating efficiencies and increase the amount of energy needed to cool or heat your home.

These energy tips, plus some others have been taken from the pamphlet "Energy Tips for Renters," provided by the Texas Energy Extension Service. A copy of the pamphlet is available free of charge and may be picked up from the Extension Office.

Local EMTs Attend Seminar At Texas Tech Health Center

Erma Washington, Dianne Washington, Sandra Barclay, and Judy Barraett attended the Fourteenth Annual EMS Update 1992 on Saturday, September 19 in the Texas Tech Health Sciences Center in Lubbock.

The program began at 8:00 a.m. with the presentation of a mock trial. Judges, EMTs, paramedics, nurses, doctors and lawyers all teamed together to present the importance of communication and documentation throughout all aspects of the emergency medical system. They covered areas of: receiving the initial call; the dispatcher taking information and relaying to the ambulance the correct information; the ambulance responding to the scene and providing care and transport of the patient to the medical facility and the medical facility receiving both patient and information from the EMS crew.

A luncheon buffet was provided by the conference and Dr. James Atkins spoke on "Enhancing the Chain of Survival: Emergency Cardiac Care for the Year 2000." He expressed the need for "Early Access," "Early CPR," "Early Defibrillation" and "Early Recovery."

Numerous door prizes were awarded to those attending the luncheon. Sandra Barclay won a gift certificate to Leal's Mexican Food Restaurant and Dianne Washington won a gift certificate to Mesquite's Barbeque Restaurant, both in Lubbock.

Following lunch they attended an anatomy lab presented by Dr. Charles Beall and Bernell Dalley, Ph.D. They demonstrated the "Anatomy and Physiology of Resuscitation" while viewing various aspects of two cadavers. They examined the complete respiratory system (including the nasal and oral passage ways, esophagus, trachea, vocal cords, lungs, heart, and diaphragm.) They discussed the differences in healthy and diseased lungs and hearts, and viewed a diseased lung. They also viewed and discussed X-rays of persons with severe blunt chest trauma and head and neck injuries.

Following the lab, Dianne and Sandra attended a meeting on "The Power of Paperwork." They watched a film that once again demonstrated the importance of properly completing all paperwork and documentation of all medical information and events that do or do not take place, regardless of how pertinent you think it may or may not be.

Judy and Erma attended "Trends in BLS Education" presented by John Evans, Ed.D. The most current anticipated change is the requirement of the EMT-D certification. This will require EMTs to complete a defibrillation course,

Do-Gooders Enjoy Autumn Meeting

The Do-Gooders Club was greeted with beautiful autumn weather that enhanced the Harvest decor in the Community Center building in Flomot Tuesday, October 13.

Mrs. Judy Poulson, president, conducted the business meeting. On the agenda were the contracts and cost of the new roof for the building. Also plans were outlined for the publishing of the Club's cookbook for the 1993 Tri-Annual Flomot homecoming.

In other business, they changed the monthly meeting of the club in November to Thursday, November 12, at 2:00 p.m. to accommodate the featured guests, Ms. Patri Spurlen of Childress. She is the marketing representative of West Texas Utilities Co.

Mrs. Poulson and Mrs. Barbara Payne presided at an autumn designed service and the centerpiece was a turkey nestled among corn in husks and pumpkins. Chips, dips and sandwiches were served from baskets featuring playful black cats, cake with chocolate frosting and orange punch. Orange and green jelly beans and Halloween suckers completed the colorful arrangements.

Those attending were mesdames Jimmie Hunter, Bernice Bond, Mary Jo Calvert, Nada Starkey, Lucille Monk, Christeen Gilbert, Alma Shorter, and those mentioned above.

which will aid in decreasing the number of deaths from cardiac arrest. The concern for training lay persons of the communities in CPR was also expressed. The early initiation of CPR will also aid in the decrease of deaths from cardiac arrests.

The final session, which concluded at 6:00 p.m., was attended by all four EMTs and was presented by Margaret Martin, RN. She spoke on "Anticipated Changes in BLS-New Thoughts and Ideas," presenting subjects of: How the Standards Change, Simplified Skills, The Importance of Early Resuscitation, Recovery Position, Interposed Abdominal Counterpulsation, and So, What's Next? Again, the "Chain of Survival" was discussed and the concern for early access and CPR.

Breaks were provided and this program made possible by Aerocare, Laerdal Medical Corp., Physio Control, Fasco, Nellcor, Inc., Kansas City Mast, Wasrentek, Big Country Supply, and Wheeled Coach, who also distributed informational material and supplies to those attending free of charge. Through approval of the Texas Department of Health, each person attending received 8 continuing education units.
