## Patriots Shut Out Steers, 21-0; Go To Matador Friday Night

### Ambulance Bids Let By Panhandle Regional Planning Commission

Ambulance bids were let September 12 by the Panhandle Regional Planning Commission for ten vehicles to be purchased through the Emergency Medical Services Grant awarded to the Panhandle by the Department of Health, Education and Welfare, according to Betty O'Rourke, Regional Emergency Medical Services Coordinator.

The City of Quitaque has requested the purchase of a type II standard van, forward control integral cab body ambulance.

Well equipped ambulances meeting design and equipment standards are a prime prerequisite for an effective, reliable emergency medical services system. "The ultimate goal is to provide for regional emergency transportation service available at all times and designed to provide life support-

### Valley Booster Club News

Tuesday night, September 23, at the regular meeting of the Valley Booster Club, it was announced that the "Victory Bell" had been purchased and finishing touches were being put on the bell and trailer in preparation for the trip to Matador when Valley takes on the Motley County Matadors this Friday night.

It was announced that the next regular meeting will be "ladies night" on Tuesday, September 30. The ladies will be in charge of the program and have announced they will honor the coaches' wives. A salad supper will be served at 7:30 p.m. in the school cafeteria. Everyone is invited; just bring a salad and help the ladies boost the Patriots.

The Varsity Juniors and Sophomores were honored guests at this week's meeting. Patriots present were Doyle Proctor, Barry Wheeler, Ron Eudy, Dave Patrick, Randy Woods and Rex Fuston.

A scouting report on the Motley County Matadors was given by Coach Dill and Coach Phelps, and, as always, a tough game is expected from the Matadors.

Coach Phelps and Coach Dill also gave a review of the Junior High and Junior Varsity games with Silverton last week. Everyone was urged to travel to Kress this Thursday to boost the Patriots in their Junior High and Junior Varsity games. Game time at Kress is 5:00 p.m.

Films of the Farwell game were shown and it was announced by Coach Hulsey that Ron Eudy was selected offensive player of the week and Scotty Setliff was selected defensive player of the week.

This Friday at 6:30 p.m. the Booster Club will meet at the Turkey Community Center to travel to Matador with the Pep Squad in a caravan. All Patriot fans are invited and urged to come and travel to Matador with the caravan.

Come and join the Booster Club and help the Patriots make it four in a row by winning over the Matadors this Friday.

Mr. and Mrs. Donnie Brunson returned home Saturday after spending a week at Lake Falcon. They were met there by Mr. and Mrs. Denver Anderson and Mr. and Mrs. Rex Kirk of Dallas.

### Mrs. Odis Reagan's Step-Father Dies

Services were held Friday at 2:00 p.m. in the First Baptist Church in Sunset, Texas, for Mitchell Chester Mason, 69, who passed away Tuesday, September 16, 1975 at the hospital in Bowie after a lengthy illness.

Mr. Mason is survived by his widow, Ella; two sons, one stepson, two daughters, five step-daughters, three brothers, three sisters, twelve grandchildren, twenty-four step-grandchildren, one great-grandchild and nine step-great-grandchildren.

Mrs. Odis Reagan is the step-daughter of Mr. Mason. She and Mr. Reagan drove to Childress and Mr. and Mrs. Leon Turner accompanied them to the funeral. Mr. Mason was the step-father of Mrs. Turner also.

### Area Dancers To Come To Turkey

Turkey Trotters president Roland Hamilton has announced plans for the Fourth Annual Bob Wills Donation Square Dance to be held October 4 in the Bob Wills Community Center in Turkey.

Well-known callers Roy Johnson of Amarillo and Syd Perkins of Albuquerque, New Mexico will start grand march at 8:00 p.m. Request rounds with Cleo Billingsly will start at 7:30. Dancers from New Mexico to the Oklahoma Panhandle are expected and visitors are welcome. Dancers will be charged \$3.00 per couple.

Mr. and Mrs. A. E. Gragson drove to Wellington and spent Monday night with their son and family, Mr. and Mrs. Willie Gragson and girls.

Mr. and Mrs. Hoppy Trent and Kim of Memphis spent Sunday with her parents, Mr. and Mrs. Cecil Price.

### Clyde E. Hefner Buried Saturday

Clyde E. Hefner, 75, of 1037 Dunaway, Amarillo, died Wednesday of last week.

Funeral services were conducted at 10 a.m. Saturday in the Schooler-Gordon Colonial Chapel with the Rev. Raymond Bowlin, pastor, officiating. Graveside services were conducted at 3 p.m. Saturday in the Quitaque Cemetery.

Mr. Hefner lived in Amarillo 35 years. He was born in Maude, Oklahoma and was a painter with Local No. 544.

He belonged to Masonic Lodge No. 731 and was a member of the Quitaque Baptist Church.

Survivors include a son, Clyde D. of Amarillo; a daughter, Mrs. Winston Callan of Oakdale, Pennsylvania; three sisters, Mrs. Annabell Mrs. R. C. Kelly and Mrs. Carl Taylor, all of Amarillo; a brother, G. W. Hefner of Reklaw; six grandchildren and a great-grandchild.

Don Garrison of Silverton, father of Mrs. Dale Smith, suffered a heart attack Saturday afternoon. He was taken to Swisher County Hospital in Tulia by Silverton Ambulance Service. Mr. and Mrs. Smith spent Saturday night and Sunday at the hospital and Mrs. Smith remained until Monday afternoon. Mr. Garrison was improved enough that the oxygen was removed and Mrs. Smith returned home. The doctor thinks he is doing real well, according to reports from his daughter.

The Valley Patriots lassoed the Farwell Steers here last Friday night to the tune of 21-0, running their victory string to eight in a row, three for the current season. According to the Amarillo Daily News, the Texas Panhandle area has only 12 teams in all classes who are undefeated through the first three games and only two, Valley and Wellington, have not been scored on this year.

Farwell, although winless thus far this season, was the strongest team the Patriots had faced this year. They took the opening game kickoff and returned to their own 45 yard line. They picked up one first down, then lost yardage on the next two plays but elected not to kick on fourth down and the Patriots held and took over on their own 35 yard line. Following a couple of punt exchanges the Patriots regained the ball on their own 48. The first play was an incomplete pass, then Brian Wheeler picked up 12 yards for a first down. Following another pass play that fell incomplete, Ron Eudy hit Pepper Jones with a pass good for 25 yards. Brian Wheeler picked up a couple of tough yards, Barry Wheeler picked up 10 yards to the five, Brian got two more, and on the next play, Ron Eudy scored on a three-yard keeper around left end. Ernie Lucero missed the try for extra point and the Patriots were ahead 6-0 with 3:22 left in the first period. That was the score at the end of the first period.

Farwell had the Patriots on the first series of downs in the second period. A bad snap from center on fourth down resulted in good field position for Farwell after a very short kick and the Steers set up in business on the Valley 34. The Steers picked up a first down

### Historical Marker Dedication Ceremony Held Sunday

The dedication of Briscoe County's newest historical marker, erected at the Sky High Roadside Rest Area in memory of pioneer settler William E. Schott, was conducted at the Pioneer Room of the First State Bank in Silverton Sunday afternoon due to the weather. The dedicatory address was given by Earl Cantwell, minister of the Rock Creek Church of Christ, a long-time friend of the Schott family.

"We are entranced by the labors of such pioneers as Mr. Schott," Cantwell said. "When we stand at the site of the marker, we are awed by the beautiful country and want to sing 'How Great Thou Art.' And a young man in a covered wagon was probably emotionally moved as he crossed the undulating hills and came upon the cap pinnacle. He no doubt said, 'This is it.' He came to build a spread that grew and grew as he and others labored."

"God grant that we can have the same spirit of pioneers such as William E. Schott," Cantwell continued. "His widow, Tina Schott, is a living monument that ties us to his memory."

Guests were welcomed by Mrs. Edwin Dickerson, chairman of the Briscoe County Historical Survey Committee, and three Boy Scouts from Troop 262, Larry Stephens,

line. Ron Eudy hit Scotty Setliff for a TD only to have it called back and the Patriots were hit with a 15 yard penalty which moved the ball back to the 29 yard line. Brian Wheeler picked up 9 yards on the next try. Ron Eudy then hit Scotty Setliff once again at the 4 yard line. Two plays later Eudy hit Scotty Setliff once again, this one good for six points from two yards out. Ernie Lucero booted the ball squarely between the uprights for the extra point, and the score was 21-0. That was all the scoring and the 7:51 remaining in the game was fairly even.

The Valley coaches selected Ron Eudy as the outstanding offensive player in last Friday night's contest and Scotty Setliff was named the defensive player of the week. The entire team played well and just about every player on the squad came up with a "big play" sometime during the game. The team is looking better every game. However, they are still making mistakes, much of it in timing, that cost them yardage loss or penalties.

And now comes a BIG one. The Patriots journey down to Matador to take on Motley County. In addition to being the first district game, there is a lot of catching up to be done. The Quitaque fans have to look back to the 1950's to remember a Quitaque win over Matador in football. Quitaque, of course, did not play football since 1960 and Turkey had some lean years during the 1960's also. And all local fans believe the Matadors lucked out on the Patriots in last year's game. The Patriots probably will be favored in this one but it will be no pushover and Valley must be ready. The record thus far would probably favor Valley for they are sitting atop the heap

### JV Patriots Win, Junior High Loses

The Valley Junior High team lost its second game of the season here last Thursday afternoon, being nosed out 10-6 by the Silverton Junior High Owls. The Valley JV Patriots won its second outing of the season, taking a 48-0 victory over the Silverton JV. Last year's Valley JV team did not score a point all season.

This year's JV team is made up of many of last year's high-flying Junior High team that no one could handle.

Leading the way in last week's win were Darrell Dowd, who romped for five touchdowns, Kenneth Helms, who scored twice, and Von Hall, who made one touchdown. When asked about the defensive standouts Coach Bill Hulsey stated "every one of them." The fact that a JV team can put that many points on the scoreboard speaks well for future years.

Darrell Dowd picked up a whopping 181 yards on 10 tries for an 18.1 average. Kenneth Helms picked up 115 yards on 9 tries; Von Hall gained 61 yards on three carries for a 20 yards effort per carry, and Kirk Proctor gained 54 yards on four carries.

Mr. and Mrs. Hayden Boggs of Tulia visited Mr. and Mrs. Jim Mayfield Wednesday of last week.

Mr. and Mrs. Walter Kelley visited their granddaughter and husband, Mr. and Mrs. Pat McMeen, in Dalhart Saturday night and Sunday. They visited his brother and wife, Mr. and Mrs. Clint Kelley and his sister, Mrs. Henry Brown of Kerrville who was visiting the Clint Kelleys in Amarillo, also.

Mrs. Nena Loudermilk, mother of Mrs. Gerald Smith, was brought home from Highland Hospital in Lubbock Monday where she has been confined for the past month. Mrs. Smith reports her mother is feeling fine and walking good.

the late Mr. Schott owned land and constructed the first wagon road through the rough escarpment.

**RETURN TO GOD**

Every time we read a newspaper we realize that we live in an age wallowing in sin. And the evidences are all there—unrest, uncertainty, and the fruitless search for peace of soul. It is time that the world, like the prodigal son, came to its senses and recognized what is wrong: "All we like sheep have gone astray; we have turned every one to his own way" Isa. 53:6. In short, we need to return to the God we have forsaken.

When we do so, God graciously promises he will heal our backsliding and love us freely. Wise is the man who pauses to hear this call and then responds to the God who gives it.

Transgressors will continue to fall in the dreadful consequences of their sins, but those who return to the Lord will be blessed: "For the ways of Jehovah are right."

"Seek ye Jehovah while he may be found; call ye upon him while he is near; let the wicked forsake his way, and the unrighteous man his thoughts; and let him return unto Jehovah, and he will have mercy upon him; and to our God, for he will abundantly pardon." Isaiah 55:6-7

You are invited to all of our worship assemblies. Each Sunday morning beginning at 10:30, each Sunday evening beginning at 6:00 and on Wednesday evenings beginning at 8:00. You will hear Bible centered and Christ honored teaching at the:

## TEXAS TALK

Eleven thousand dollars for a bale of cotton? According to statistics made at the University of Texas, that's the value of a bale by the time it reaches the retail trade in the form of all cotton shirts. The same study indicates the value of the cotton increases more than five times after being processed into fabric. Obviously making the use of cotton producers, this economic message has succeeded in making them more aware of the importance of spinning and fabric production. Feather Fabrics, Inc., a joint venture between Lubbock area producers and a Dutch textile plant with the operation all ready underway. Factories in the Littlefield area are planning to open their own 20 million dollar textile plant within the next two years. At least four other groups in the prime cotton producing country are looking toward similar operations and even more could be announced before the end of the year.
