The Silverton Lions Club presented Sam Lewis with a plaque naming him as the Cap Rock Soil and Water Conservation District's Outstanding Conservationist for 1968-69. President J. L. Self made the presentation for the Lions Club.

G. A's Attend Queens Court

Three G. A. Queens from the First Baptist Church of Quitaque and their leader, Mrs. Bennie Brown, and two mothers attended the Queens Court at Howard Payne College in Brownwood Thursday through Saturday morning of last week. Those attending were Debbie Farley, Gail Tyler, and Cheryl Merrell, the three Queens, their leader, Mrs. Brown, and the mothers, Mrs. Grady Tyler and Mrs. Truman Merrell. Each program was held in the Brownwood Coliseum, and each time the coliseum was filled with over fourteen hundred young girls and their sponsors, presented five of the more inspiring services.

Friday night, Regal Recognition was given to each Queen. She received a candle and walked quietly outside on the parking lot in front of the coliseum. Fourteen hundred girls with lighted candles singing "Praise God from Whom All Blessings Flow" is a sermon within itself.

Among the personalities on the program were Miss Pat Kilpatrick, missionary in the Rio Grande area; and missionaries Mr. and Mrs. Al Cummins from Kenya. When Mr. Cummins heard the name Quitaque mentioned, it was familiar to him for he had heard Guy Davidson, son of Rev. and Mrs. Roy Davidson, often speak of Quitaque when he stayed in the Cummins' home while attending school in Kenya. The Davidsons are well remembered in this area as he pastored the Quitaque First Baptist Church. The Davidsons are now serving as missionaries in Malawi, Africa.

The Quitaque group returned home Saturday afternoon, inspired and much more enthusiastic about their Girls Auxiliary work.

BRISCOE FARMERS AGREE TO PARTICIPATE IN FARM PROGRAMS

Cotton, Wheat and Feed Grain sign-up is over. Again Briscoe County farmers have agreed to participate in the voluntary annual programs in record numbers. Approximately 99% of the cotton farmers agreed to participate in the 1969 Upland Cotton Program. This, I think, is a good percentage.

The wheat program for 1969 features diverted acreages for the first time in three years, and 31% is expected to be diverted. Approximately 13,719.0 acres of wheat is intended to be diverted, and 30,492.0 acres will be left for harvest. Feed grain farms have indicated that 38,166.0 acres will be planted, and 33,271.0 acres will be diverted of corn, grain sorghum and barley. The percentage of feed grain to be diverted is 47%.

Good program participation is always encouraging to those of us who serve the farmer. We are continually striving to improve our service, and a good sign-up indicates to us that farmers appreciate what we have been trying to do for them. There are provision in each of the programs which all of us wish could be removed; however, imperfect as the present programs are, they are better than nothing.

The next item to report is the whole reason for the existence of this office and farm programs. Advance payments to farmers in 1969 have totaled \$286,583.79. This money is not intended to be a welfare check. Farmers are being paid to divert good cropland for the health of the nation's economy and for the housewife's benefit also.

—From the Briscoe County ASCS Office

Completes Work For Queen Step

Cheryl Merrell

Miss Cheryl Merrell, daughter of Mr. and Mrs. Truman Merrell of Quitaque, has completed G. A. work for the Queen Step.

Forward Steps in G. A. work were originated to provide missionary education for girls who want to do individual study and investigation.

Forward Step requirements are not easy. They require study, memory work, and the determination of the individual girl. The Steps are Maiden, Lady-in-Waiting, Princess, Queen, Queen With a Scepter, Queen Regent, and Queen Regent in Service.

Cheryl will receive her awards at the Coronation Service in September. Her object in earning her step now was to be able to attend Queen's Court in Prownwood. At Queen's Court on Friday night, each girl was seated according to her step: the Queens at the top of the coliseum, then each step down to Queen Regents in Service seated in the first row in front of the stage. There were sixteen Queen Regents in Service present at Brownwood.

Cheryl's goal now is to be sitting in the front row of that group, and to encourage all the girls in G. A.'s to work hard in order to achieve their steps.

Several of the Lon McKay children were present for Sunday dinner at their parent's home. Those
