## CITY COUNCIL ESTABLISHES NEW WATER RATE FOR QUITAUQUE

Among the proceedings in a regular meeting of the City Council on January 3, 1972, City Secretary James Brunson brought to the attention of the Council the immediate need for an increase in revenues for the water department. Due to the tremendous increase in cost of materials and

supplies purchased for repairs and maintenance of the system, it is no longer possible for the department to operate at the present rate.

The present base rate was established in 1928, and only the excess of the minimum has been changed and that was in 1959.

Present rate is \$2.50 for 3,000 gallons minimum and 30c per thousand for all in excess of the minimum.

New rate effective February 1, 1972 will be \$3.00 for 3,000 gallons minimum, and 45c per thousand for all in excess of the minimum.

Your Council is to be commended for a job well done in keeping the rate down for so long. Even after the increase, Quitauque's rate is still one of the lowest in the area.

### Turkey Splits Two Games With Panthers

Mitch Vivens, reporter

The Junior High Turks beat the Junior High Panthers in overtime Thursday night, 50-46. The Turks and Panthers played an exciting game until the end. The Panthers took the lead and were leading the Turks at the end of the first quarter, 14-10. The Panthers were still leading 20-22 at the intermission. The Turks came out fighting in the second half and had moved within two points of the Panthers at the end of the third quarter, 31-29. The Panthers and Turks had it out the final period and both teams seemed determined not to let the other outdo it. As the result, the score was tied at 44-all at the end of the fourth quarter.

In the two-minute overtime the Turks scored six easy points which put them ahead. Scotty Selfiff hit 14 points for the Turks' high point honors. Brian Wheeler and Ron Eudy hit 13 points each, Ross Case 6, Barry Wheeler 2, and Rex Fuston 2.

In the B-game, the Turks lost by three points, 21-18. Scoring for the Turks in this game were Doyle Proctor 8, Jesse Ferguson 7, Greg Wynn 2, and Rex Fuston 1.

Mr. and Mrs. S. T. Bogan of Richardson spent the weekend with Sid Bogan and Mrs. Bogan in the hospital in Plainview.

A long and spirited school rivalry just about came to an end at Turkey last Friday night as the basketball teams of the two high schools played their last scheduled games. The two school districts voted several months ago to consolidate and beginning next fall the students of the two towns will be teammates. The teams will probably meet one more time, in the district tournament next month, but Friday night's games were the last ones scheduled between the two schools.

The two schools have been playing each other in basketball and football (Quitauque dropped its football program in 1960) for probably 50 years, and though always spirited, as far as this reporter knows the rivalry has never been a bitter one.

Now the rivalry will be a thing of the past as the students unite for a common cause and become teammates and the rivalry will become competition for a place on the team, which is necessary in any school before that team can be a really good one. When a player becomes complacent or knows he has a starting position on any team he or she is not likely to play as hard as he would if he knows there is someone sitting on the bench wanting his place on the team. There are good prospects in both Turkey and Quitauque and although the school will be classified as A for League competition they will no doubt be able to compete with the teams they will meet, especially in basketball. The girls prospects are especially bright. The Quitauque boys have not played football but they are looking forward to the chance to play.

Quitauque won both games last Friday night, the girls winning 45-36 in a good game, and the Panthers pulling off a big upset in sailing past the Turks 83-61. The Pantherettes won over the Turkettes in their first meeting but the Turks won the first outing and had only lost to district leader Hedley. The game was definitely the best effort of the season for the Panthers and caught the Turks on an off night with nothing going right for them. It was only the second win in district play for the Panthers and the second loss for the Turks.

Alvin Ivory took scoring honors for the night with 22 points. David Johnston was mainly instrumental.

Friday night the Quitauque teams host Estelline for a pair of district games and Tuesday night of next week Lakeview comes to Quitauque for a pair of district contests.

Turkey goes to Lakeview Friday night and Tuesday night of next week the Turkey teams wind up the regular schedule at Hedley. The boys and girls district tournament will be played at Childress February 10-11-12.

Mrs. Wayne Whittington drove to Mobeetie Friday and took her daughter, Mrs. Robert Phelps, to Amarillo to have the stitches removed from recent knee surgery. Mrs. Whittington returned to Wellington and spent the night with another daughter and family, Mr. and Mrs. Willie Gragson and girls. She returned home Saturday afternoon. Mr. and Mrs. Robert Phelps came Saturday, spent the night and took their children home after they had been here for three weeks.

Mr. and Mrs. Jarrell Rice left Sunday to take their son, Mike, to Oklahoma City to the allergy clinic. Mike has been ill several weeks with asthma and infection and he has been to several doctors without much relief.

**GREAT PROSPECTS**—A great basketball team is almost sure to come from the above group of girls, plus some very outstanding freshmen-to-be and one already-proven transfer. In the top row, l. to r., (Turkey girls are in dark uniforms) Rachael Campos, Laura Lane, Juanna Cotten, Tanya Low-

rey, Patsy DeLaGarza, Janna Driskill, Debra Gragson, Jean Green, Melinda Mullin, Elaine King, Mary Helen Brunson. Bottom row, l. to r., Susie Hendrix, Janie Hendrix, Cookie Dowd, Kim Ham, Regina Cathey, Cherri Brown, Vonaceil Robison, Eva Cheatham and Bonnie Clary. Most of the girls are

freshmen and sophomores. Not pictured is Cindy Morris, who transferred from Flomot this year and will be eligible next year and will have two years of eligibility left. Cindy was one of the better forwards around these parts last year as a freshman.

### TURKEY LIONS CLUB

The Turkey Lions Club will sponsor a light bulb sale on Thursday, February 3. If you are interested in buying light bulbs, please leave your porch light on.

Webb Taylor is recovering satisfactorily from recent surgery, according to report.

Mr. and Mrs. Harvey Wellman and children of Wellman spent the weekend with his parents, Mr. and Mrs. W. E. Wellman.

**SENIOR TURKETTETS AND PANTHERETTES**—The girls pictured above are the last of the Turkey and Quitauque teams to compete as rivals against each other. In the top row from left to right are Karen Eudy, Vicki Ham, Darlene

Hale, Doris Carlile, Annie Polley and Marilyn Maxwell, Turkey. In the bottom row, left to right, are Debbie Farley, Gail Tyler, Anna Jean Taylor, Vanessa Robison and Wanda Ramsey, QHS.

### FUTURE TEAMMATES

The boys in the above photo will be playing as teammates beginning next school term. Quitauque boys are in the dark uniforms and Turkey boys are in white. In the top row, left to right, are David Johnston, Rick Hall, Alvin Ivory, Kim

Coker, Bruce Ferguson and Brent Guest. Middle row, l. to r., Fran Cruz, Kenny Selfiff, Randy Green, Mickey Smith, Randy Stark, Dee Whittington and Danny Payne. Bottom row, l. to r., Steve Eudy, Smitty Lane, Scot Eudy, Robert Gragson, Norman Mullin and Gene Payne.

**SENIOR RIVALS**—The five boys pictured above are the last Quitauque-Turkey boys to compete against each other as rivals as they will graduate next spring. Shown from left to right are Billy Cagle and

L. W. (Hoss) Hamilton, Quitauque, and Ike Ferguson, Sam McKay and Curtis Polley, Turkey. The three Turkey boys were also outstanding members of the Turk football team.

MR. AND MRS. ORLIN STARK

ORLIN STARKS HONORED ON GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. Orlin Stark were honored at open house in their home in Quitaque Sunday, January 16, from 2:00 until 5:00 in the afternoon. Their children, Mr. and Mrs. O. R. Stark, Jr., Mr. and Mrs. Ross Herrington, and their grandchildren were hosts for the occasion.

In the receiving line were Mr. and Mrs. Stark and their children, O. R. Stark, Jr., and Mrs. Ross Her-

ington. Lisa Herrington registered the guests. Mrs. O. R. Stark, Jr., and Ross Herrington helped with the hospitalities.

A granddaughter, Sherry Stark, served the three-tiered wedding cake which was topped with wedding bells and the gold numeral "50". Kim Ham, another granddaughter, served the golden frosted punch, using gold and crystal appointments, and Gerry Rogers, a roommate of Sherry's at Wayland College, served coffee from a golden coffee pot. The serving table was covered with a white linen cutwork cloth and the centerpiece was a golden flanged vase filled with gold mums and gold pom-poms. The napkins bearing the names "Madeline - Orlin, 1922-1972," nuts and mints, completed the service.

The guests were shown to the museum room and the gift room by Scotty Stark, Max Ham and Lex Herrington. Others assisting were Mrs. Lockwood McCracken, Mrs. Haskell Turner of Midlothian, Mrs. Lola Middleton of Amarillo, Mrs. Charles Mayfield of Silverton and Mrs. Louie Hartgraves of Sweetwater.

In the museum room, Mrs. Stark had on display a Seth Thomas clock, handed down from Grandfather Stark, which is over 150 years old, runs, and strikes each hour and keeps perfect time. (This was the main conversation piece.) Mrs. Stark's wedding suit and dress, the pearls worn with the dress on her wedding day which were a gift from the groom; two other dresses worn by Mrs. Stark

TURKEY JUNIOR HIGH TEAMS WIN GAMES

The Turkey Junior High girls defeated Quitaque in both A and B game contests last Thursday night. The B game score was 27-10. Doris Vivens scored 8 points, Joan Turner 6, Chris DeLaGarza 6, Sherice Price, Marlene Cawley and Jena Mullin 2 each, and Conky Vivens hit one free throw.

The A team won by the score of 57-15. This was probably their best game of the season as Quitaque has been the only team to really challenge the girls so far this season.

Scoring was rounded out with Janna Turner getting 22, Mitch Lipscomb 18, Doris Vivens 9, Joan Turner 6, and Neta Landry 2.

50 years ago, gifts presented to Mrs. Stark before marriage by Orlin, including a pillow top made by him while he was in the Navy in 1917; poetry books, and Mr. Stark's wedding suit, a pinstripe which would be popular today, were shown.

Mrs. Stark had numerous articles of handwork which she made in the early 1920's and before marriage, including crochet, embroidery, tatting, handdrawn work, water color pictures painted by Mrs. Stark while she was attending Seth Ward College in Plainview in 1913-1914. She lost all these pictures but three in the fire which destroyed the college. Many early day pictures of Mr. and Mrs. Stark were displayed, including childhood scenes and school pictures. There were cut flowers and potted plants, gifts from friends and relatives and numerous banks in the area, in every room. The mantle in the living room was almost covered with an arrangement of golden rosebuds.

There were so many beautiful gifts that it would be impossible to list them. They included a gold miniature clock, gold balance scales, carving board and knife, drinking glasses with the numeral "50" engraved in gold, gold candle, blanket, sheets, bonbon dishes, ash trays, bowls, canister set, invitation of the anniversary framed in gold, place mats, and many, many more.

More than 200 guests registered from Amarillo, Midlothian, Sweetwater, Childress, Paducah, Matador, Sunray, Tulla, Dimmitt, Hereford, Hale Center, Lubbock, Plainview, Lockney, Kress, Floydada, Farwell, Lamesa, Clarendon, Bedford, McCamey, Smithfield, Silverton, Wellman and Quitaque, all in Texas, and Burlington, Iowa.

Mr. and Mrs. Ross Herrington, Lex and Lisa, Max and Kim Ham hosted a luncheon prior to the open house. Those present were Mr. and Mrs. Orlin Stark, Mr. and Mrs. O. R. Stark, Jr., Sherry, Scotty and Randy, Gerry Rogers of Hale Center, Mrs. Haskell Turner of Midlothian, Mr. and Mrs. Gilmer Denison of Lubbock. After lunch, a pleasant surprise awaited Mr. and Mrs. Stark, sr. The group assembled in the living room and Scotty Stark and Max Ham sang "When You and I Were Young, Maggie," accompanied by Sherry Stark at the piano. Mrs. Stark had requested ten years previously that this be sung on their 50th wedding anniversary, and the boys had not forgotten.

TWO LISTED AS CRITICAL AFTER TRANSFER TO DALLAS

A spokesman at Parkland Hospital in Dallas reports that a Plainview paint contractor and his son are in critical condition following their transfer to Dallas for treatment of burns received in an explosion last Friday.

Both Elmer Smith, 55, and his son, DeWayne, 19, suffered second and third degree burns over 70% of their bodies in a flash explosion at a home which they were painting.

First taken to a Plainview hospital for emergency treatment, the father and son were transferred to Methodist Hospital in Lubbock where they were reported in critical condition.

They were transferred to the special burns unit of Parkland Hospital Monday.

The explosion occurred when the two apparently tried to light a wall heater to speed up the drying process in the basement of a home they had been painting and the paint fumes ignited.

Elmer Smith is a cousin of Mrs. Pierce White of Quitaque and a brother of Mrs. Travis (Alice) Marshall, a former Silverton resident.

Guards Susie Lane, Connie Ferguson and Dodi Lane played real well.

On Monday night of this week, the girls met the Lakeview girls in A and B contests. The B game ended Turkey 26, Lakeview 2. In that game Jena Mullin hit 9, Joan Turner 7, Doris Vivens 6, Sherice Price and Chris DeLaGarza 2 each.

When the A team took the court they began a scoring outburst that lasted the entire game. The final score was Turkey 83, Lakeview 6. Janna Turner hit for 35 points, Mitchie Lipscomb 21, Neta Landry 16, Doris Vivens 8, and Jena Mullin 3.

The Junior High teams will play in the McAdoo Tournament next week and should meet some new and challenging competition. All fans who can be urged to go to McAdoo to support our boys and girls and their coaches, Pat Mous-

That's another good thing about Production Credit. Rolling Plains PCA has grown. The figures speak for themselves. And you can bet that our Rolling Plains PCA members, who are stockholders and sole owners of their credit source, have grown too.

Look at the growth rate. Loans outstanding and total amount loaned have more than doubled in the past 5 years. Association capital has increased almost 100 percent.

Still another good thing about Rolling Plains PCA is that all this time, we've been reducing the amount of difference between what money costs us and what it costs our stockholders.

#### SHIRTTAIL SERMON WHAT IT MEANS TO BE A CHRISTIAN

by Roy Patterson

"Whosoever will come after me, let him deny himself, and take up his cross, and follow me."

—Mark 8:34

To be a Christian means:

(1) A gift to be received.

The most precious gift one receives is life itself. We really do not choose to be born. This is beyond our control. But at some period in our life we must take the responsibility for this gift. If it is accepted graciously, it becomes most precious. This life has two phases, physical and spiritual. The physical is subject to certain limitations, but God breathed into us the breath of life and "Man became a living soul." Thus man has

another dimension, namely the spiritual. In this dimension, if man chooses, the limitation of death may be removed and he becomes an eternal being.

(2) A life to be lived.

God has placed before us two ways of life. One of these leads to death, the other to life abundant. In the very beginning of creation he set down some rules. These rules must be followed if we are to live. This life must be lived in relation to all of God's creation. Most important is our relationship to Him and to our fellowman. Our life must be an expression of divine love which brings harmony in our relationship to each other.

(3) A cause to be served.

If our life is lived as an expression of this divine love, we have a cause to be served, making real the kingdom of God on earth. This

Turkey Local Farmers Union will make a membership drive soon. Anyone paying dues on first billing has a chance for a free trip to Mexico City, four days, all expenses paid.

Dues are up from \$15.00 to \$25.00. Don't panic.

Several hundred farmers voted at the State Convention in San Antonio in December to make this raise. It was needed. Farmers Union has made steady growth the last few years. Our voices are being heard and respected more in Washington than ever before.

F. U. recently hired two more field men to better take care of our business. Perhaps we need more men but are limited on funds. F. U. fights for farmers on every rule or law that has to do with our well being, both on the State and National levels. Every man that works for F. U. from National President down to our home locals are farmers. A lot of these men are not paid. We think farmers know our needs better than anyone else.

So you see, we make our own rules. then fight for them; if we don't, nobody else will.
