A Call To Action

by David N. Adamson
Someone has asked, "Are we going to run the Government or let the Government run us?" That is the question.

No business man would hire a man to run his business for two years without his supervision and then after the two year period check into his business to see how it has been run. Yet, isn't that what we are doing with our Members of Congress? We elect them to office and send them to Washington to run our Government for us and pay very little attention to what they do.

Two years later we are trying to find out how they handled our business. We listen to them talk and decide to vote for them or against them by what they say. Some Members of Congress have a reputation of talking one way and voting another. Then too, some of them will occasionally vote the way their party wants them to vote instead of the will of the people. When that happens, it is because we are not watching them. It doesn't take much time to keep tabs on them but it is so important.

Wouldn't you agree that it is high time for a "Call to Action?"

Women's Auxiliary Halloween Fun Set Saturday

The Quitaque Women's Auxiliary will be providing Halloween entertainment on Saturday, October 31 at the Firehall. Activities will begin at 7:30 p.m. and will include a costume contest, a cake walk, and a hay ride that promises to be more exciting than any before. Treats will also be sold at the Firehall. All proceeds go to support the Quitaque Volunteer Fire Department.

Plan to attend this night of fun for the whole family.

Get Out and Vote; Election Tuesday

by Patti Whittington
Election Day is Tuesday, November 3. Remember to get out and cast your vote.

There will be two polling places for Quitaque -- Precinct will vote in the Quitaque Community Center, while Precinct 1 voters will cast their ballots at the City Hall.

Turkey Citizens will vote at the Bob Wills Center.

Polls will be open from 7 a.m. until 7 p.m.

Your Vote Does Matter!

Well, it's that time of year again -- when we begin thinking about turkeys and parties. But enough about the Presidential election. It is time to cast your ballot. Who do you vote for in "times like these?" No matter whether the answer is Bush, Clinton, or Perot, it is still good to know as much about the candidates and their parties as possible. In that spirit, the platforms of the Democratic and Republican Parties are reproduced below. Be an informed voter.

Issues	George Bush	Bill Clinton
Appointment of Judges	Reaffirms support for the appointment of judges who respect traditional family values and the sanctity of innocent human life.	Support for abortion rights will be a requirement for judicial nominees to the Supreme Court.
Education	Advocates "GI Bill for children" to provide \$1,000 scholarships for middle and low-income families to attend school of choice. Opposes public school programs to provide abortion services or referrals.	Opposes efforts to "bankrupt the public school system through private school vouchers." Supports site-based decision-making and public school choice, with strong protection against discrimination.
Gay Rights	Opposes any legislation or law that legally recognizes "same-sex marriages" and allows "such couples to adopt children or provide foster care." Supports continued ban on homosexuals in the military.	Condemns "homophobia," "Bigotry" and stereotyping of all kinds. Advocates providing civil rights protection for gay men and lesbians; advocates repealing ban on gays/lesbians in the military.
Aids	Encourages prevention through education that stresses marital fidelity, abstinence and a drug-free lifestyle. Opposes distribution of clean needles or condoms to stop spread of AIDS. Encourages state legislatures to make it "a criminal act for anyone knowingly to transmit the AIDS virus."	Wants to implement the recommendations of the National Commission on AIDS and fully fund the Ryan White Care Act; provide drug treatment for all addicts who seek it; guarantee access to quality care; expand clinical trials for treatments and vaccines; and speed up the FDA drug approval process.
Abortion	Reaffirms support for a human life amendment to the Constitution. Opposes using public revenues for abortion or organizations that advocate it. Encourages "abstinence education" instead of school-based programs offering birth-control devices. Increase adoptions through tax credits, insurance and legal reforms.	Stands behind the right of every woman to "choose," consistent with Roe v. Wade, regardless of ability to pay, and supports a national law to protect that right. Provide for the full range of reproductive choice - education, counseling, access to contraceptives and the right to a safe, legal abortion.
Arts / Public Television	Condemns use of public funds to "subsidize obscenity and blasphemy masquerading as art." Sweeping reform of Corporation for Public Broadcasting.	Believes in "public support for the arts, including a National Endowment for the Arts that is free from political manipulation and firmly rooted in the First Amendment's freedom-of-expression guarantee."
Welfare	Regards current welfare system as "anti-work and anti-marriage. It taxes families to subsidize illegitimacy." Reform should require work from those able in return for public assistance; make welfare families with children send them to school; stronger enforcement of child support laws.	Should be a second chance, not a way of life. Offer a new "social contract" that includes investing in education and job training, and provide the child care and health care they need to go to work and achieve long-term self-sufficiency.
Civil Rights	Support vigorous enforcement of statutes to prevent illegal discrimination on account of "sex, race, creed, or national origin." Rejects efforts to replace equal rights with quotas or other preferential treatment. Churches and religious schools should not be taxed; defends right of religious leaders to speak out on public issues.	Supports ratification of the Equal Rights Amendment, affirmative action, stronger protection of voting rights for racial and ethnic minorities, including access to voting, and continued resistance to discriminatory English-only pressure groups.

DEER OUTLOOK GOOD. Timely rainfall across most of Texas has helped deer herds. The archery season ends Nov. 1. General whitetail season is Nov. 7 - Jan. 3 for most of the state. General mule deer season is Nov. 21-Dec. 6 in the Panhandle.

First Flag Football Game

by Robert Patrick, Reporter

The Quitaque volunteer fire department hosted the Silverton volunteer fire department for the first annual flag football game October 26, 1992. This event was held to raise funds for the respective fire departments charities, the Quitaque team's share of the funds was raised to give toys to children for Christmas. The game was a complete success with a good crowd and plenty of excitement.

Halftime activities included an ugly cheerleader contest and a wonderful presentation for drug free red ribbon week. We were impressed by the number of children who stood up to say they would remain drug free. They are an inspiration to us all. The Ugly Cheerleader contest was won hands down by Farrell Edwards with Dee Whittington coming in second.

The Silverton fire department came out with a slight victory over the Quitaque team and a rematch is scheduled in approximately two weeks.

Both departments appreciated the Valley Student Council, the high school boys who participated as cheerleaders, Dee Whittington and Farrell Edwards for the entertainment and serving of the guests. Jimmy Burson, Elgin Conner, Sam Browning, Cliff Gilmore, and Danny Barrett were very helpful with the technical aspects of the game.

Quitaque Site of Kickoff For Week Of Red Ribbon

The City Park in Quitaque was the sight of a fun-filled celebration held to kick off Red Ribbon Week.

Mayor Elgin Conner issued a proclamation declaring this week to be "Drug-Free Week."

Ronda Cochran, Valley School counselor, welcomed the guests then turned the program over to Jack Vinson, the featured speaker. Vinson is the Director of the Adult Chemical Dependency Unit at Cedar Creek Hospital. He spoke briefly to the group, then everyone released red helium balloons into the sky.

The "Styleless Style Show" was first on the agenda and featured local "beauties" Jerry Beck, Robin Harmon, Randy Stark, Jerry Barclay, Matt Barrett and Wilburn Leeper. Matt Barrett was named winner.

A talent show featuring students from the first through eighth grades followed. A pet show was also held, with pets dressed in red, and carrying drug-free messages.

Tricycle and balloon relay races were also on the day's schedule.

A chorus line, the Witch's Crew, was the final act of the day, presenting a "Just Say No" song and dance routine.

Lunch was served by the Quitaque EMS, who also provided a concession stand throughout the day.

City Residents Warned About Rabid Skunks

A suspected rabid skunk was seen dying Monday within the city limits of Quitaque. This animal has been sent to Austin for tests to determine if in fact the animal was rabid.

The City will notify you as soon as tests results are received.

Citizens need to be on the alert to aggressive skunks or other animals and to notify City Hall of any suspicious animal.

If you have unvaccinated pets, they need to immediately be vaccinated for rabies.

The City will be more aggressive in enforcing its unleashed animal ordinance for the protection of its citizens.

We appreciate your concern and cooperation on this matter.

Caprock Library News

by Arlene Hinkle

One of the best kept secrets of our educational resources is the correspondence course. Most colleges will accept 18 hours of correspondence courses toward a B. S. or B. A. Those core courses that you need but aren't offered at a convenient time--Take them by correspondence. Want to explore a new field or a new idea--Take a correspondence course. They can be taken for High School credit, audit credit, or college credit. Caprock Public Library has the Peterson's Guide to Independent Study and also University of Texas Correspondence Courses. Check them out--it might be easier than you think.

New books in the Library are *Tangled Vines* by Janet Dailey; *The Good Samaritan Strikes Again* by humorist Patrick McManus; and *Wildwoods Wisdom*, a nature story, by Doug Elliot.

More new books are on the way. Stop by and look through the shelves--you might find an old "friend" or make a new "friend". Books are Friends!

THEN & NOW!

by Eunice McFall
The cotton is white, the grain is red, the pumpkins are orange, the corn is golden yellow, the air is crisp at night, the days are warm and sunny, the leaves are golden yellow, burnt orange, bright red and a dull green--all signs of fall--so far a beautiful fall--

The time has changed back to regular Central Standard time so our mornings are a bit longer and the afternoons a bit shorter and the nights are gradually getting longer and cooler.

The rabbits, coyotes, cows, dogs, cats, horses are all putting on extra fur in preparation of a long winter. The bugs and mice are all trying to find a cozy warm home for the winter--mostly in our homes so it would seem the the bug exterminators are busier than usual. It seems I only get the spider webs swept off the north side of the house and turn around and they are back again building new homes!

The cattle trucks are on the move day and night. Cattlemen are shipping their calf crop to market. The cotton strippers are beginning to move so look out for those module trucks bringing cotton to the gin. The peanut harvest has been under way for some time as has the sweet potato harvest. We may not live in the "breadbasket" of the United States but we certainly do have some good eating grown in our area.

Let's stop our scurrying around trying to get all the fall work finished, just long enough to enjoy the beauty of fall. The sights, the smells, the feels and the sounds of this time of year are quite unique so enjoy while you can.

Yes, I know allergies are rampant during this time of the year but there is hope for the future--Winter will stop the pollen from flying and also get the world ready for another spring.

After all as Confucius says, Everything has its beauty, but not everyone sees it! So let's back off and look for beauty in our coming fall days and see how glad it makes us to just be alive.

Valley Patriots Move to 7-1 Record After 56-6 Win Over Patton Springs

by Coach Gilmore

The Valley Patriots moved to 7-1 on the season after a 56-6 win over the Patton Springs Rangers at Afton Friday night. The Patriots got on the board quick when Jason Smith hit paydirt on a 39-yard TD run. Bradley Price added the extra points for a lead of 8-0. The next time Valley had the ball, Joe Valdez went on a 54 yard TD romp. The kick was good by Price and Valley lead 16-0.

With 4:30 left in the first quarter Valdez hit Danny House on a 6 yard pass play to move Valley up 22-0 after the kick failed. Jason Smith found the end zone again for the

next score on a 39 yard TD run. The try was blocked and Valley's lead had increased to 28-0. On the kickoff, poor coverage resulted in an 80 yard kickoff return by the Ranger's Teddy White. The kick failed which left the score 28-6. Josh Scoggins scored next for Valley on a 23-yard run. Valdez passed to Scoggins for the extra point to move Valley up 35-6. Sophomore Alfie Clardy scored on a 6-yard run around the right end to extend the lead. Price passed to Danny Ulrey for the one point try and a 42-6 lead. With 2:06 left in the half, Valdez hit Scoggins on a 17 yard TD pass

and Price added the kick to finish the first half of scoring with Valley holding a 50-6 lead. Alfie Clardy's 25-yard TD run with 9:03 left in the third quarter moved Valley ahead by 50 points and the game was called because of the 45 point rule. The final score was Valley 56, Patton Springs 6.

Leading the defensive charge was Dewayne Davis who had 10 tackles. Danny House and Bradley Price each had 5 tackles. Josh Scoggins had a big night on defense with 9 tackles. Joe Valdez had a fine night in his second start at QB. He was 3-6 for 43 yards and 2 TD's. He also rushed for one TD and had three tackles. Smith lead the team in rushing with 4 carries for 98 yards and 2 TD's. Price had 3 carries and 20 yards. Valdez had 2 carries and 52 yards and 1 TD. Davis rushed two times for 24 yards. Clay Merrell had one fumble recovery and 6 tackles. Smith had one interception.

Leading the receiving department was House with 2 catches for 26 yards and one TD. Donnie Calvert had one catch for 17 yards and Josh Scoggins had one catch for 17 yards and a TD. Steven Browning got in some playing time at QB and went 1-3 for 17 yards.

With the win, Valley moves to 2-1 in District play. The Patriots will be at home on the 30th to play the Northside Indians in a key District 2 game. The Indians and the Patriots are tied for second place in the district. Game time is 7:30 p.m.

Valley Jr. High Wins Over Groom, Patton Springs

by Coach Gilmore

The Valley Jr. High team came off last week's loss to Chillicothe with a big win over the Groom Tigers. Jarret Pigg recovered the onside kickoff to start the game off and Shawn Stephens hit Brian Moore on a 25-yard TD pass. The run failed and Valley had a quick 6-0 lead. Stephens came back on the next set of plays and hit PJay Merrell on a 3-yard pass. The run was good by Brian Moore for a 14-0 lead. Jarret recovered a Groom fumble to set up Valley's next score which came on a 5-yard run by Andre Gaddis. Moore added the extra point on a run.

Walt Henson's punt block set up Stephen's next TD toss to Moore from 12 yards out. Stephens then passed to Jarret Pigg for the extra point. Gaddis came back for another score from 18 yards out to move Valley ahead 33-0.

Brian Moore finished the scoring for Valley on a 55-yard TD run. He also added the extra point for a Valley win 40-0. PJay Merrell stopped a drive by the Tigers with an interception at the one yard line. Playing a good game on the line were Pigg, Merrell and Jason Payne. Shawn Stephens did a good job at QB as he threw for three TD passes. Moore and Gaddis ran well for the Patriots.

Jr. High Wins Two

by Coach Gilmore

The Valley Junior High team improved its record to 5-1-1 on the season with a 45-0 win over Patton Springs. Shawn Stephens started things off for Valley when he recovered a Ranger fumble. Three plays later, Brian Moore found the end zone on a 5-yard TD run. The pass failed and Valley had a 6-0 lead. Jarret Pigg recovered a Ranger fumble to set up Moore again this time on a 20-yard run. The pass failed again but Valley's lead increased to 12-0. Walt Henson had a fumble recovery and returned this one 13 yards for a TD. Stephens hit Pigg for the extra point. Moore found the end zone again on a 5-yard TD run. The run failed. Andre Gaddis got in on the scoring as he went over on a 7-yard run. Stephens hit Pigg again for the extra point.

Shawn Stephens had a great 58-yard run to move Valley ahead 39-0. Pigg caught another pass for the extra point. Bubba Cruz ended the game when he went in on an 18-yard run. The defense was able to shut down the Ranger offense to finish the last two games not being scored on.

The Patriots will travel to Samnorwood Thursday for a rematch of the first game of the year. Game time is 5:00 p.m.

THIRD GRADE NEWS

by Emily Woods

This week we have been doing arts and crafts in tutorial time. This Saturday we are having Red Ribbon Day. In our Weekly Reader we are reading about some people in Africa who were starving. In math we are studying about 4 digit numbers. Thursday we had a pep rally for Junior High. The ticket deal is still going on and I no I haven't told much about it in the past two weeks. THANKS FOR READING THIRD GRADE NEWS.

Dear Friends:

I firmly believe that public office is a sacred trust... a contract between the office holder and the people that requires the elected official to honestly and effectively represent the people's interest.

In 1988, the people of District 30 placed their trust in me and I have honored that trust by working hard to represent our district to the best of my ability.

In just four short years we have accomplished a lot by working together. Together, we have improved access to health care. Together, we have brought new prisons to the 30th District and have become leaders in the fight against crime. Together, we've helped create jobs and economic opportunities and worked to improve the quality of life for our senior citizens and our children. Together, we have made a good start toward a better tomorrow. But the job is not finished. We must continue to make our best case in Austin on the issues most vital to us.

As state senator, I'll continue to listen to the needs and concerns of our district and I'll keep on fighting to claim our fair share.

I want to keep working as your Senator. I ask for your vote, your support, and your prayers in this effort. Together, we can build a brighter future for all Texans.

Sincerely,

Emergency Farm Loan Applications Being Accepted at Tulia FmHA Office

Applications for emergency farm loans for losses caused by excessive rain, hail, wind, and flash flooding between May 1, 1992 and June 30, 1992 are being accepted at the Farmers Home Administration (FmHA) office located in Tulia, FmHA County Supervisor Ross W. James said today.

Swisher County is one of four in Texas recently named by Secretary of Agriculture Edward Madigan as eligible for loans of up to 80 percent of their actual losses or the operating loan needed to continue in business or \$500,000, whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest is 4.5 percent. In addition to the four counties, Briscoe County is

one of 23 other Texas counties named as contiguous, also eligible to qualify.

"As a general rule, a farmer must have suffered at least a 30 percent loss of production to be eligible for an FmHA emergency loan," James said. Farmers participating in the PIK or Federal Crop Insurance program will have to figure in proceeds from those programs in determining their loss.

"Applications for loans under this emergency designation will be accepted until May 11, 1993, but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and possibly over into the new farming season," James said.

The FmHA office in Tulia is open from 8:00 a.m. to 5:00 p.m. Monday through Friday. The sub-office in Silverton/Quitaque will be the first and third Wednesdays.

Patriot Boys Team Places in Wheeler Cross-Country Meet

The Valley Patriot Boys Cross Country team traveled to Wheeler October 21 to run in the District 6-A Cross Country Meet. The Valley team of Ruben Hinojosa, Steven Browning, Steve Lopez, Steven Salinas, and Reggie Hendrix came away with a 2nd place finish and earned the right to run at the Regional Meet in Lubbock on November 7th beginning at 8:00 a.m. Valley had 56 total points behind first place Kelton.

Ruben Hinojosa and Steven Browning placed third and fourth to earn the right to run as individuals at Lubbock. Steven Salinas placed 10th, Lopez 14th and Hendrix 15th.
