O. R. Stark, Jr. Elected As Trustee

O. R. Stark, jr., president of First National Bank, Quitaque, was elected to the board of trustees of Wayland Baptist College during the annual meeting of the 2.1-million-member Baptist General Convention of Texas in Houston October 28-30.

The BGCT owns and operates eight colleges and universities, an academy, eight hospitals and four children's homes.

This work is supported by the Convention's 4,400 churches and missions, which will give more than \$37.4 million this year through the Cooperative Program to help share Christ's love throughout the world.

Besides the institutions, the Convention helps support the work of more than 5,000 missionaries in the United States and 94 foreign countries.

GORDON BAIN UNDERGOES SURGERY IN LUBBOCK

Gordon Bain underwent surgery in Methodist Hospital on Tuesday. He was to be in intensive care until Friday.

He was transferred to Lubbock from the Lockney Hospital after undergoing a series of tests.

COMING AT 'CHA—Quarterback Richie Fuston (14) hands the ball off to James McNary (33). Big Juice Williams (44) is at his left. This is a sight the Matadors will be facing many times Friday night. It is a very potent backfield for anyone to face. McNary has amassed over 1300 yards running in nine games thus far this season. Juice has accounted

for over 1200, and Fuston has passed for over a thousand yards. The fourth member of the backfield, Michael Dowd, is also a very fine runner who has been somewhat hampered by injuries thus far. He is also capable of breaking the big one. Coach reports that Mike is healthy now, too.

Patriots Still Undefeated; Ready To Tame The Matadors

The Valley Patriots remain undefeated after nine games, are still ranked second in the state, and will go for victory number 10 Friday night against the Motley County Matadors, also undefeated, who are ranked seventh in the state.

The other schools in the district have agreed to play their games tonight (Thursday) in order to allow many to attend the Valley - Matador game Friday night.

Valley drove to Nazareth last Friday night and took an easy 55-0 win over the Swifts. The Patriots were sparked by big Ray (Juice) Williams who scored four touchdowns in the lopsided win.

Williams had been somewhat slowed by an ankle injury, but made up for lost time when he scored four touchdowns on just ten carries, as he ran for 215 yards. James McNary scored one touchdown and ran for 75 yards on 11 carries. Michael Dowd carried three times for 32 yards and scored a touchdown. Fuston passed to Dee Dowd for one touchdown, and Dee also kicked four extra points. Kevin Hendrix scored a touchdown, and Big Juice Williams topped off his big night by kicking a field goal.

Shane Smith, an offensive guard and defensive lineman, is an Amarillo Daily News Player of the Week honorable mention this week. He had one solo tackle and seven assists, including a quarterback sack, and caused a

fumble on defense. Shane was graded a very high 91% for his night's work.

Valley's Dee Dowd was credited with seven solos, three assists, caused one fumble, returned an interception 43 yards, and three pass receptions for 95 yards and a touchdown.

Ray Williams also received honorable mention in the Amarillo Daily News for his exploits. In addition to his offensive show, he was given credit for one solo, seven assists, and a fumble recovery.

And now the season boils down to the Big One!

Friday night the Motley County Matadors come to Valley for the Big Shootout. Both teams are 9-0, both teams are state ranked, and the game is for all the marbles, the championship of Zone 2-A East. The two teams have played several of the same teams, but statistically, the Patriots have topped the Matadors. For instance, last Friday night, the Matadors played Happy and had to come from behind in the fourth quarter to win 24-20. The Patriots defeated Happy 54-20. Motley County defeated Nazareth 28-0. With seven minutes to go in the first half at Nazareth last Friday night, the Patriots were ahead 46-0, and Coach Ted Giddens played his first team one series of downs in the third quarter and one series of downs in the fourth quarter. It appears that the Patriots will have too

Joe Edd Helms Has Success With New Peanut Variety

In excerpts from O. R. Stark, jr.'s "Comings, Goings & Doings," he states that Joe Edd Helms has overcome adversity this past year and has had considerable success with a new variety of peanut seed.

Stark wrote: "Last summer the Texoma Peanut Company of Madill, Oklahoma had only enough of the foundation seed from a new variety to plant 150 acres, and Joe Edd received seed for 33 acres on his place. The seed, called "Pronto," looks very promising. It is an early maturing variety, apparently maturing two or three weeks earlier than other varieties. Joe Edd planted his crop May 24, and he dug the peanuts on October 8. His last load was out of the field on October 20. No other variety of peanuts in this area had even been dug on that date, and certainly not out of the field by October 20. Joe Edd's peanut crop also received two less irrigations than prior crops, and the yields and grades were very good. The 33-acre field made almost 5,000 pounds per acre, and it graded

many busses for the bull-fighters; however, score comparisons are a dangerous thing.

The Matadors will be thinking back four or five years ago, when they came to Valley with a high ranking in the state, and Valley proceeded to give them a good whipping. Motley County will come to Valley Friday night fully geared to win, so the Patriots MUST be prepared for it will be a tough game.

This writer believes that the Patriots will be able to live up to their high rating and will successfully defend their championship.

It is expected that one of the largest crowds ever to see a football game at Valley will be on hand Friday night. See you there!

Valley Booster Club To Serve Chili Supper Friday Night

The Valley Booster Club will serve a Chili Supper at the school cafeteria Friday night prior to the football game between the Motley County Matadors and the Valley Patriots. Serving will begin at 5:00 and will continue until 7:00 p.m., with the game beginning at 7:30 p.m.

Tickets are \$3.00, which includes all the chili, beans and fruit cobbler you can eat, and also coffee and tea.

Come out and eat supper, supporting the Booster Club, then go to the game.

Green Thumb Leaders Holding Open Forums

The leaders of Texas Green Thumb have been holding open forums all across the United States to find out from senior citizens what kind of programs are needed for their benefit over the next 10 years.

There will be a five-state regional hearing held in Oklahoma City the 12-14 of November. This meeting, called a "mini-conference," will make recommendations of needs to the White House Conference on Aging to be held in Washington, D. C. in December 1981.

Virgil Blakney has been selected to serve as one of the delegates from Texas on this committee.

Award-Winning Film To Be Shown

"No Longer Alone," winner of three prestigious film-industry awards, will be shown on Wednesday, November 12, at the Quitaque Methodist Church. The showing, open to the public free of charge, is scheduled to begin at 7:00 p.m.

The film, a true story, takes a close look at a woman who was searching desperately for love and acceptance, but whose cries went unheard by those who surrounded her.

Originally released by World Wide Pictures in commercial theatres, the film is now one hour in length in preparation for its eventual presentation as a television special.

"No Longer Alone" traces the life of an English actress, Joan Winmill Brown. Though she skyrocketed to fame on the British stage, her life was marked by a frantic grasp for personal fulfillment and love. Tormented by a past she was unable to forget, she succumbed to a series of nervous breakdowns; and, at one point, attempted to take her own life.

In her ultimate moment of despair, Joan was invited by a "chance" phone call to attend a Billy Graham crusade. It was here that she first discovered her worth as an individual and began her long struggle to piece her shattered life back together.

Those who have followed Billy Graham's ministry will be interested to know that Dr. Graham appears in the film in some of the footage of his 1954 London Crusade, and also in the introduction and conclusion of the film, photographed recently for this special version.

A total of 384 voters at Turkey went to the polls Tuesday, and went against the national trend, voting to re-elect President Carter. Turkey voting went as follows:

FOR PRESIDENT:
Ronald Reagan 130
Jimmy Carter 218
Ed Clark 6
John Anderson 2
FOR U. S. REPRESENTATIVE:
Ron Slover 68
Jack Hightower 288

In the county races, there were seven uncontested races, and in the sheriff's race, there were 275 votes for Blum and five write-ins for McAlister.

Voting on the proposed constitutional amendments went as follows: No. 1: 151 for, 82 against; No. 2: 82 for, 119 against; No. 3: 118 for, 103 against; No. 4: 180 for, 75 against; No. 5: 58 for, 166 against; No. 6: 121 for, 98 against; No. 7: 164 for, 61 against; No. 8: 99 for, 97 against; No. 9: 141 for, 78 against.

Turkey Drawing Is Well Attended

The Saturday drawing in Turkey was well attended and interest continues. Lauro De La Garza won the \$50.00 certificate this past week. His name was drawn by Shadi Mullin, daughter of Mr. and Mrs. Ronald Mullin.

REMEMBER, CHILDREN! COME HAVE YOUR PICTURES MADE SATURDAY

Just a reminder that Winston Lucas will be making pictures for the annual Children's Photo Contest at The Valley Tribune office Saturday, November 6. He will be at the Tribune office in Turkey from 9:00 a.m. until 12:00 noon, and at the Tribune office in Quitaque from 1:00 until 4:00 p.m.

We want all the children's pictures for the newspaper, and there is no charge involved.

Be sure to have your pictures made.

FREDIA FUSTON ATTENDS UMW DISTRICT MEETING

Mrs. Fredia Fuston attended a meeting of Plainview District United Methodist Women held in Muleshoe Saturday, November 1. She accompanied the group from Lockney, traveling in their church van.

She reported that 17 local units were represented with approximately 75 women in attendance. Officers were elected for the coming year, and Mrs. Fuston was re-elected to serve as president of the Plainview District.

According to William F. Brown, President of World Wide Pictures, "No Longer Alone" was presented with the "Award of Excellence" from the Film Advisory Board of Hollywood, as well as the "Angel" award from Religion in Media in America, as the outstanding religion film of the year. It also received the "Silver Halo Award" from the Southern California Motion Picture Council.

"No Longer Alone" was filmed in color on location in London, and stars Belinda Carroll, Wilfrid Hyde White, James Fox, Samantha Gates, and Gordon DeVol. Simon Williams, who has one of the leading roles in the BBC production, "Upstairs, Downstairs," also stars in the film. The title song was performed by popular recording artist, B. J. Thomas.

**SOCIAL SECURITY
IN
BRISCOE COUNTY
BY
JANICE ULMER**

One of my friends thinks social security is a rip-off.

Actually, lots of my friends feel that way, but this one is a bit more vocal than some of the others.

I've tried from time to time to discuss it with him—to present our sides of the question and maybe point out some of the advantages of the program that he might have overlooked.

No way. He's said it so many times, and heard others say it so often, that he's convinced that we would all be better off with-

out Social Security.

To an extent it's understandable. Here he is, more than a dozen years away from retirement age. The kids are grown and his wife also is now working. Between them they pay a sizeable hunk of money each year in FICA taxes. It seems to them that it's all going out with no return in sight.

But he hasn't acknowledged several very important factors. While the children were under age 18 the family financial protection if he had died or become disabled. That protection was worth far more than he realizes.

And even now he and his wife are insured for disability benefits in the event that illness or

injury brings retirement about before they're ready for it. If that doesn't happen, the years will roll by, and chances are good that both of them will, at the appropriate times, become Social Security beneficiaries based on age.

They'll qualify, too, for Medicare at age 65, and that in itself may return more to them than all the Social Security taxes they have ever paid in.

My friend will tell you—and anyone else who will listen—that Social Security is going broke. There will be nothing there for him, he maintains, when he reaches retirement age.

That's what people of several generations have been saying

since Social Security began in 1937. Yet in all that time we've never missed making a single monthly payment to any entitled person. We've paid retirees and their dependents, disabled workers and theirs, and the eligible survivors of deceased individuals. We've weathered wars, depression, recessions, inflation, high unemployment, and every other obstacle that came our way. Our programs have been broadened, our coverage extended, our eligibility requirements eased, and we have raised benefit amounts time after time after time.

If my friend is paying more for Social Security now, he is also paying more for food, clothing, shelter and whatever luxur-

ies he enjoys.

And a pound of steak, which costs far more now than it did 43 years ago (or 20, 10, or five years) is still just a pound of steak, no more, no less. It hasn't broadened or extended anything, hasn't improved anything, and hasn't increased the number of ounces it contains.

There's still more I'd like to tell my friend if only he would listen, but there isn't sufficient space in today's column for all there is to say.

I'll pick it up again in one of our future columns.

**CROP, LIVESTOCK REPORTS
NEEDED FROM
FARMERS, RANCHERS**

From mid-November to early January, many Texas farmers and ranchers will receive a crop or livestock questionnaire from the Texas Crop and Livestock Reporting Service or will be personally interviewed by the Service's field staff. All of the estimates published by the Texas Crop and Livestock Reporting Service are based on the data provided by Texas farmers and ranchers, County Extension Agents, ASCS offices, and many others in agriculture. This cooperation provides the necessary data which is, in turn, returned to farmers and ranchers and others in the form of accurate estimates, which are so essential in making the wisest production and marketing decisions. Each farmer or rancher receiving a questionnaire is urged to fill it out carefully and return it promptly to the Agricultural Statistician in Austin. Individual reports are confidential and used only for state and county estimates.

**S.B.A. Declaration
Has Been Amended**

The U. S. Small Business Administration (SBA) has amended Disaster Declaration 1900 for the State of Texas to include "extreme hot weather" as being cause for disaster loan eligibility.

The SBA makes available disaster recovery loans to farmers, ranchers and agriculture-related businesses who suffered hardship due to adverse weather in counties declared a disaster area, as well as in all bordering counties within the state. The loans are low-interest and terms of the loans are based on the borrower's repayment ability. Texas producers who lost crops because of the drought or extreme hot weather may receive program and eligibility information by calling 806 762-7481.

Physical disaster loan applications filed under declaration 1900 must be received by February 12, 1981. The deadline for economic injury disaster loan applications is May 12, 1981.

Mrs. Patterson Buried Wednesday

Mrs. Bertha Mae Patterson, 80, died Monday, October 27, at Buchanan Dam.

Funeral services for Mrs. Patterson were conducted at 3:00 p.m. Wednesday, October 29, at the First Baptist Church in Estelline, with the Rev. Johnny M. Cofer, pastor, and the Rev. V. L. Huggins, pastor of the Memphis Travis Baptist Church, officiating.

Burial was in the Estelline Cemetery under the direction of Spicer Funeral Home.

Bertha Eddleman was born April 1, 1900, in Quitaque and was united in marriage to Asa Alexander Patterson October 23, 1940 at Turkey. Mr. Patterson preceded her in death in 1955. Mrs. Patterson was an Estelline resident until 1977 when she moved to Buchanan Dam.

She was a Baptist.
She is survived by two sisters, Mrs. Cora Kuykendall of Buchanan Dam and Mrs. Mary Frances Reed of Hobbs, New Mexico; two brothers, Arthur Eddleman of Estelline and Harry Eddleman of Altus, Oklahoma; a sister-in-law, Mrs. Josh Smith of Turkey; and one step-son, Bill Patterson of Tulsa, Oklahoma.

Pallbearers were Tommie Potts, Randy Collins, Don Douglas, Warren Lee Merrell, Jake Merrell and Melvin Long.

Those attending from Quitaque were Mr. and Mrs. Jake Merrell, Warren Lee Merrell, Mr. and Mrs. Truman Merrell and Don Douglas, Jim and Gladys Stroup, Mrs. Vivian Merrell, Billy Merrell, Mr. and Mrs. Ike Gilbert, Bea Northcutt and Mrs. Bill Meyer. Mrs. Josh Smith and her daughter, Mrs. J. W. Lacy of Turkey, attended the services.

Mrs. Bill Woods has been a patient at Northwest Texas Hospital in Amarillo for the past two weeks. She is reported to be improving and will probably return to her home in Quitaque one day this week.

Elbert Sperry of Idalou, son-in-law of Mr. and Mrs. Lon McKay of Quitaque, has been in the Highland Hospital in Lubbock for two weeks. He has had phlebitis and a blood clot in a lung, the McKays report, and has been quite ill. The McKays visited their son-in-law Sunday. The McKay's daughter, Mrs. Charlotte Kemp, called Tuesday morning just before we went to press, and reported that Elbert is improving.

Mrs. (Gay) Sperry started in the house and a storm door caught her heel about three weeks ago, requiring seven stitches to close the wound. She has been on crutches all this time with her husband being in the hospital. Their daughter, Susan Kirk, came from Des Moines, Iowa and stayed a week to help her parents.

Elbert is the son of Mrs. Jeff Sperry of Flomot.

To Be Thankful

It used to be that a picture like this could only mean harvest time — big orange pumpkins, shiny red apples, colorful stalks of Indian corn? And, of course, a turkey in the pantry.

But what about today? You can buy apples almost any time. Pumpkins are available in a can twelve months of the year. And you can buy a frozen turkey as easily in July as in November.

We Americans take for granted what was a real treat in our parents' time. But in the midst of this material plenty, there is a danger of spiritual famine. To keep the proper perspective, to appreciate the gifts of life to the fullest we need the Church and the story it has to tell us.

Maybe you can't be a pioneer — a Pilgrim. But you can follow your forefathers' example at Plymouth this first November. You can offer genuine thanks in the churches or synagogues of your choice.

The Background Of Integrity

There are millions of men in this world whose word is trusted—whose handshake is a binding contract—whose integrity others accept without question.

We've come a long way from the days when a strong man and a stout club were the social graces.

And this growth in man's capacity for integrity has paralleled his growth in religious expression.

Of course, the cynics will point to men

and nations who still live by the code of the cave man. Must we believe that the clock of progress has turned... is running backward?

The sound, the sensible, the sincere still feel the strength of God's Bible in every handshake. With their children they are finding new spiritual opportunity and hope in the churches they cherish.

Are you with them? Are you, too, pushing forward the frontiers of faith?

Double up, America.

Two can ride cheaper than one.

If you drive to work by yourself, you're spending twice as much money on commuting as you should.

That's too much.

Cut it in half. Take a friend.

Not only will your daily commute cost you half as much, but that monotonous trip will be a lot more pleasant.

Let's double up. Carpools are a great way to get where we're going. Faster and cheaper.
