Patriots Extend String To 7 With 33-0 Win Over Silvertown

The Valley ballcarrier was Barry Wheeler (45) and he had Tommy Lacy (35) and Brad Ziegler (40) moving in to stop him short of a first down in Friday night's grid action.

The Valley High Patriots extended their winning streak to seven games last Friday night when they downed the Silvertown Owls 33-0 in a game played in drippy weather.

The Patriots have now won two games this season and are undefeated and unscored on to date. Coach Bill Hulsey stated that in all fairness it should be taken into account that the Owls were not in tip-top condition due to the fact that several of the team members had been ill during the week. The game was sort of a repeat of last year's game. The Patriots were fired up for the contest and after recovering an Owl fumble, the first of four miscues by the Owls during the game, the Patriots turned the error into six points, with Scotty Settiff going over from one yard out. Ernie Lucero missed the PAT attempt. The Patriots kept the Owls off balance the remainder of the game and kept things going their way most of the time.

This Friday night the Patriots take on their third non-conference foe, this one the Farwell Steers. Last year the Class A Steers and the Patriots played to a scoreless tie at Farwell on a muddy field. Hopefully Friday's game will be played under better conditions. The Steers are winless in two games played this season but they were losses to State-ranked teams, Sundown, who is ranked about third in state class B ratings and Friona, who is ranked well in Class AA ratings. So the Steers will be tough and the Patriots must be at their best, more than likely, if they are to keep their win streak alive.

BRIAN WHEELER

Brian Wheeler Is Class B Player Of The Week

Brian Wheeler of Valley High School has been named the Class B Player of the Week by the Amarillo Globe-News for his performance against Silvertown last Friday night. The Patriots won 33-0.

Brian, a two-way standout for the Patriots, logged the ball 122 yards on offense, scored a touchdown and had 19 tackles on defense.

Valley assistant football coach Rick Dill calls Brian a leader on the field. Dill says, "Brian is always keeping the team fired up, especially on defense. He keeps the team rolling."

The Patriots have a reputation defensively, and the boys are proud of that reputation. The Patriots led the district on defense last year, giving up fewer points than any other team in the district. Only seven points were scored on the Patriots in the last five games last season and the team has not given up a point in two games this year.

Brian says that the defense is basically the same as last year but the offense is better. He said that the blocking was real good in Friday night's game, "better than I've ever had."

Brian carried the ball for 119 yards against Chillicothe. Brian's brother, Barry, a junior at Valley, also had his second 100-plus yards night against the Owls. The brothers were mentioned for their standout performances against Chillicothe the week before.

The boys are the sons of Mr. and Mrs. Billy Wheeler of Turkey

Assembly Of God Has New Pastor

Rev. Frank Postelle of Tulsa has accepted the pastorate of the Assembly of God Church. He and his wife and daughter, Ruthie, 14, have moved on the field.

Rev. Postelle has pastored 17

Lake Theo State Park Now Has A New Name

A news release last week from the Texas Parks Department announced a change in name for several State Parks here in Texas, but did not quite clarify itself in the new names.

The story told of a new State Park that had been formed in Briscoe County and had been named Caprock Canyons State Park but did not go on to say that the new park had originally been named Lake Theo State Park.

But the park, located just three miles north of Quitaque, has been renamed Caprock Canyons State Park.

Barrett's City Grocery Is Now Bob's City Grocery

Announcement was made last week that Mr. and Mrs. Glen Barrett had sold their grocery store to Mr. and Mrs. Bobby Boyles. The Boyles assumed operation of the store on Monday morning of this week.

Mr. and Mrs. Barrett had operated the grocery store for the past five years. They expressed to The Tribune their appreciation for the patronage extended them during their years in business, and they sincerely hope that everyone will continue to trade with Bob and Belinda.

Bob is the son of Mr. and Mrs. H. G. Boyles of Quitaque, and Belinda is the daughter of Mr. and Mrs. Jim Majors of Turkey. The Boyles say that they will do their very best to serve their customers to the very best of their ability. They realize they are new to the grocery business but they are going to learn the trade just as fast as possible and will give their customers the same courteous service that City Grocery has given down through the years.

Mr. and Mrs. J. R. Adamson had a surprise visit Sunday from her mother, Mrs. Dixie Stewart of Hereford and her brother and wife, Mr. and Mrs. Ernest O. Stewart of Clovis.

churches in Oklahoma and Texas, and had thought he was retired but the Lord called him back into service. He has been working with the Federal Home Administration in Tulsa before he moved here. He has been visiting and meeting the people of Quitaque. We want to welcome him and his family into our community.

Quitaque Funeral Director Killed In Traffic Accident

Erwin C. Boyd, 60, funeral director and owner of Carter Funeral Home in Lockney, Quitaque Funeral Home and Silvertown Funeral Home, was killed Thursday night of last week in a two-vehicle accident about 24 miles south of Silvertown on Texas Highway 207.

Justice of the Peace Raz Ford of Lockney pronounced Mr. Boyd dead at the scene about 10 p.m.

Traveling south, Mr. Boyd's vehicle struck a truck-trailer parked partially on the pavement at the side of the road. Driver of the truck, Willie Mate Jones, 47, of Odessa, and a passenger, both outside of the truck, jumped out of the way upon seeing the impending crash and were not injured.

The truck had slipped off the edge of the highway into the mud and had cut loose from the trailer. Jones and his passenger were attempting to re-hook the trailer and pull it back on the road. The accident occurred during a rain-storm.

Funeral services for Mr. Boyd were conducted at 2:00 p.m. Saturday in the First United Methodist Church in Lockney, with the pastor, the Rev. Hugh Daniels, officiating. Burial was in Lockney Cemetery, with arrangements under the direction of Carter Funeral Home.

Born in Boulder, Colorado, Mr. Boyd was married to the former Dorothy Carter November 4, 1942 in Oklahoma City. He had been a member of the Colorado Highway Patrol several years before moving to the Lockney area in about 1950.

Mr. Boyd had attended the School of Mortuary Science in Dallas where he received his license in 1955. He was a former director of the Panhandle Funeral Directors Association.

A member of the First United Methodist Church, Mr. Boyd also was a member of Lockney Rotary Club of which he was past presi-

Mrs. Montgomery Services Conducted

After a short illness, Mrs. L. O. Montgomery passed away at 4:45 p.m. on Monday, September 8, in the hospital at Odessa.

Funeral services were held at 2 p.m. on Thursday, the 11th, in the Odessa Church of Christ.

Her survivors are her husband, L. O. Montgomery, three sons, Jimmy of Alaska, Shorty of San Diego and Jay of the home. Also six grandchildren. She has two brothers, Lloyd Holland of Turkey, Olen Holland of Knoxville, Tennessee and her three sisters are Mrs. Babe Harwood of Canyon, Mrs. Delta Lee of Tulsa and Mrs. Theota Sherrill of Houston.

Those attending the funeral from Turkey were Mr. and Mrs. Lloyd Holland, Mr. and Mrs. Archie Montgomery, Bill Montgomery and Mr. and Mrs. Burl Pierce.

Cub Scouts Needed

Cub Scout Pack 264 will hold a new member night on Monday, September 22, at the Scout Hall in Quitaque. The parent-son information meeting will start at 7:30 p.m. and will be completed in an hour. Young children are invited to attend with their parents, because Cub Scouting is a family project.

Cubmaster Weldon Hall of Quitaque said, "Cub Scouting is for boys, ages 8, 9, and 10. This program is for us parents to enjoy with our boys. It's fun and educational."

Pack 264 is sponsored by parents of Cub Scout age boys from Quitaque and Turkey.

Haynes District Scout Executive Chuck Hornung from Plainview will be present Monday night to

assist with the evening program. "I enjoy working with the boys," stated Webelos Leader Jerry Landry of Turkey. "I surely have learned a lot helping my den. When you are not involved, you don't know the fun you miss."

Funeral Services Held Friday Morning For Herman Tracy

Graveside funeral services for Herman Tracy, 61, who was found dead at his home Wednesday night of last week, were held at 10:30 a.m. Friday.

The Rev. Sid Parsley, pastor of the United Methodist Church at Quitaque, officiated at the last rites. Burial was at Quitaque Funeral Home in Rest Haven Cemetery here.

Mr. Tracy was born at Gasoline on August 4, 1914, the son of the late Mr. and Mrs. Marvin Tracy.

He was a veteran of World War II.

Survivors include an uncle, Wes Tracy of Robert Lee; four aunts, Mrs. W. E. Morrison, Miss Euna Bradshaw and Miss Ina Bradshaw, all of Quitaque, and Mrs. Johnny Preston of California.

Funeral services for Mrs. James H. Tracy were held at 10:30 a.m. Friday at the First United Methodist Church in Lockney. The Rev. Hugh Daniels, pastor, officiated. Burial was in Lockney Cemetery.

Texas Historical Marker To Be Dedicated Sunday

An Official Texas Historical Marker for William E. Schott will be erected at 3:00 p.m. Sunday, September 21, it was announced today by Mr. W. E. Schott, jr., a member of the Briscoe County Historical Survey Committee.

The marker will be placed at Sky High Roadside Rest Area on SH 256, 10 miles East of Silvertown. The invocation will be given by Rev. Larry Wilson, pastor of the First Baptist Church, Earl Cantwell, minister of the Rock Creek Church of Christ, will give the dedication address. Also to be

guests at the ceremony are State Representatives Phil Cates of Shamrock and Ben Bynum of Amarillo.

A reception will honor members of the Schott family immediately following the dedication at the Pioneer Room of the First State Bank in Silvertown. Arrangements are under the direction of the Briscoe County Historical Survey Committee, of which Mrs. Edwin Dickerson is chairman.

The public is invited to attend both the dedication and the reception.

Made of cast aluminum with Swedish steel effect, the marker measures 18x28 inches and is sponsored by Mr. W. E. Schott, jr. and the Briscoe County Historical Commission.

The inscription on the marker reads: "William E. Schott, Briscoe County pioneer William E. Schott (1870-1941) was born in Ohio and moved to North Texas in 1885. Still legally a minor, he came to this area in 1890 and filed a claim for the first of his later extensive landholdings. In 1891 he overcame the caprock barrier by building

the first wagon road to Silvertown, where in 1892 he helped organize Briscoe County. A major factor in the settlement of this region, Schott Cap Road (1.5 miles North) was improved when auto travel began. Schott supported local education and encouraged improvement of cattle herds. He married (1907) Tina Kitchens; they had four children."

The marking of local historic sites and landmarks is part of the Texas Historical Commission's program of preservation activities. These include archaeological inves-

tigations, history museum consultation and administering the National Historic Preservation Act in Texas. As of 1974 the Historical Commission had erected more than 6,808 official markers.

The name and location of the present marker will appear in the next edition of the "Guide to Official Texas Historical Markers" in order to stimulate tourist travel in this area, to arouse interest in historical tours, and to acquaint the people of this locale with their unique heritage.

BROWNING REUNION

The Browning reunion was held September 12-13-14 at Quartz Mountain Lodge near Lake Altus in Oklahoma. Those attending were, from Turkey, Mr. and Mrs. Jess Browning, Mr. and Mrs. E. J. Browning, Del Ray and Lee Jay and Mr. and Mrs. John Lane; Mr. and Mrs. Ray Cruse and Derinla, Flomot; Mr. and Mrs. Larry Browning, Andy and Bingy, Austin; Mr. and Mrs. C. H. Browning, Memphis; Mrs. Lucy Caulk, Pasadena, Texas; Mrs. Dathryn Saulsbury, Dallas; Mrs. Blanch McGuire, Armona, California; Mrs. V. E. Fraley, Hamford, California; Mr. and Mrs. Reford Browning, Yukon, Oklahoma; Mr. and Mrs. Marvin Brace, Wichita, Kansas; Mrs. Vera Hardy, Mrs. Art Adudell, Bethany, Oklahoma; Mr. and Mrs. Jim Browning, Ann and Kim, Chickasha, Oklahoma; Mr. and Mrs. O. R. Browning, Chickasha; Mrs. Barbara Hale, Steve and Sheri, Shawnee, Okla-

homa; Mr. and Mrs. Lester Kuykendall, Mrs. Vay Kuykendall, all of Midwest City, Oklahoma, and Mr. and Mrs. Edward Browning and Larry of Tulsa, Oklahoma.

Mrs. J. R. (Winnie) Lanham is slowly improving from a recent stroke. She and Mr. Lanham moved to Sterling City to be near their daughter and she had this illness soon after they moved.

Mrs. Lanham is in Baptist Rest Home, 902 N. Main, San Angelo, Texas 76901. She will be glad to hear from her friends here.

Mr. and Mrs. Arthur Gregg of Amarillo spent from Thursday noon until Friday afternoon with Mr. and Mrs. Buddy Morris.

Mrs. Erma Piercy, who has been a resident of Turkey for many years, left August 30 for Houston to make her home with her son, Eugene, and family. Her many friends hope she finds much happiness and contentment in this new home. She will be greatly missed by all who knew her.

Mr. and Mrs. Carl Edgell and family, formerly of Las Vegas, Nevada, have purchased Mrs. Erma Piercy's house, having moved into same on September 6. Everyone hopes they will like living in Turkey.

Leslie Pigg was with the Valley Annual Staff at a yearbook clinic at Amarillo last Thursday when

she had the misfortune to fall in the mud and break her foot. She will have to spend some time on crutches and with a cast on her foot.

Mr. and Mrs. Tom Barbee spent from Saturday until Monday with their daughter and family, Mr. and Mrs. Dave Cox and children, in Odessa.

Joe Bedwell and Murry Morrison spent from Sunday until Thursday at Truth or Consequences, New Mexico resting and fishing.

Guests in the home of Mr. and Mrs. Murry Morrison over the weekend were Mrs. Era Heckerson of Dimmitt, Mr. and Mrs. Mike Spier of Clarendon, Bailey Eddleman of Dimmitt, who spent all last week here, Mr. and Mrs. Murry Morrison and children and Mrs. Ruby Cushenberry. Bailey returned home with his sister, Mrs. Heckerson.

Mr. and Mrs. James Brunson and H. O. Logan left Thursday last week on a trip to Arkansas and Tennessee. They visited Clay Logan in Glenwood, Arkansas, and H. O. Logan remained there to visit his brother. The Brunsons drove to Lawrence, Tennessee to visit his sister, Mrs. Nettie Kinslow. They planned to be gone a week.

Allen Clary and his wife are working with Shugart's Studios and are now located in the St. Louis, Missouri and the Illinois area, according to his mother.

Mr. and Mrs. S. C. Brown spent from Friday until Sunday afternoon visiting in Lubbock. They visited their daughters, Mr. and Mrs. B. F. Rhoderick and family and Mr. and Mrs. D. W. Farley and children. They also visited Mr. Brown's mother, Mrs. Dochie Burch. They visited grandchildren, Mr. and Mrs. Terry Williams and Michael Rhoderick and family, and Cherri Brown, who is attending Texas Tech, joined them for a visit.

Mrs. Nona Trout of Plains is visiting her brother and wife, Mr. and Mrs. Bill Helms. She came to help after Bill returned home from several days stay in the hospital.

Mr. and Mrs. Sid McFall and Beth of Matador visited his mother, Mrs. Delila McFall, over the weekend.

Eddie Owens and Diane Scott of Plainview spent Saturday night and Sunday with the Gaston Owens. Mr. and Mrs. Dwain Henderson, Wayne and Zane of Silverton joined them for lunch Sunday and a visit in the afternoon.

Dwain entered the hospital in Floydada Monday morning for a series of tests.

NEW ARRIVAL

Mr. and Mrs. Roland Hamilton are the proud parents of a new baby daughter, Susan Renee, born Thursday, September 11, at 2:00 p.m. in Hall County Hospital. She weighed in at 6 lbs. 5 ozs. and measured 20 inches.

Paternal grandparents are Mr. and Mrs. Juriel Hamilton of Quitaque and maternal grandparents are Mr. and Mrs. Scotty Pullen of Borger.

Mrs. E. E. Woods of Quitaque is the great-grandmother.

Mrs. W. E. Morrison returned home with her daughter, Mrs. Birt Lane, to Plainview Friday afternoon to spend a few days.

Mr. and Mrs. Curtis Samsel and sons, Scott and Tim of Plainview, were weekend guests in the home of Rev. and Mrs. James Willborn. Mrs. Willborn and Mrs. Samsel are sisters.

BISCUITS AND BOILED Coffee—Bobby Allen, cowboy for the Pitchfork Ranch, stops for a biscuit and coffee on a special visit to the Ranching Heritage Center at Texas Tech University. The chuckwagon is a part of the scenery at the center which eventually will be landscaped to conform historically to the structures which have been brought from throughout the state to give visitors an experience

from the past. In the background are, left, the Masterson JY Bunkhouse and the Harrell House of Scurry County. Each denotes a different stage in the development of ranching in the American West. The Ranching Heritage Center's official opening is set for July 3-4-5, 1976, as a part of America's Bicentennial celebration. (Tech Photo)

New higher interest rate on U.S. Savings Bonds.

Now U.S. Savings Bonds pay 6% interest when held to maturity.

Here's how it works: The higher interest rate applies to all new Bonds purchased since December 1, 1973, raising their rate from 5 1/2% to 6% when held to maturity. And the maturity period on Series E Bonds is shorter, too. Now E Bonds mature in 5 years, with a first-year rate of 4 1/2%.

Series H Bonds, with a 10-year maturity, will earn 5% the first year; 5.8% for the next four years; and 6 1/2% for the last five years. This gives you an average 6% yield over the 10-year period.

It works for Bonds you now hold, too. There's no reason to redeem your older Bonds to buy new ones.

Their yield has improved, too.

All outstanding E Bonds will receive a 1/2% increase in yield for each semiannual interest period beginning on or after December 1, 1973, payable upon redemption. This also applies to any Freedom Shares you may still hold.

All outstanding H Bonds will receive a 1/2% yield increase for each semiannual interest period beginning on or after December 1, 1973. This is payable in the form of increased semiannual interest payments.

It all works to your advantage. Now, more than ever,

it makes sense to buy higher-paying U.S. Savings Bonds and hold them to maturity or beyond.

Sign up now to buy Bonds through the Payroll Savings Plan where you work, or buy them where you bank.

Take stock in America. It's in your interest.

Take stock in America.

Childress, Texas

Gentlemen:

I have decided to move my Bassett - B & B Warehouse operation from Lubbock, Texas, and have to move in excess of \$40,000.00 of Bassett Furniture, consisting of Bedroom, Dining Room and Occasional Tables.

Since your store had planned one of the largest events ever in this area, I have decided to group this with your fine store and close it out.

You see sales of this nature in cities such as Dallas, Fort Worth and Houston, but in my 28 years in the furniture business, don't remember anything this big in a city the size of Childress.

We will have three direct factory representatives in attendance for your great sale and to dis-ose of this furniture.

Your great sale; the purchase of the Simons truck load of bedding, and disposing of the Bassett Warehouse through your store offers the people of your trade area a tremendous opportunity to buy furniture at a great savings.

Sincerely,

Don Brashear

Chandler - Robison Vows Read

Vonacell Robison and Gary Lewis Chandler were united in marriage in a double-ring ceremony August 23 at 3:30 p.m. in the Church of Christ in Quitaque. Officiating the ceremony was the Rev. Danny (Salt) Jones.

Parents of the couple are Mr. O. V. Robison and Mr. and Mrs. Jack Chandler, all of Quitaque.

The vows were exchanged before an archway decorated with greenery, apricot gladioli, daisies and apricot bows. The altar was enhanced by candelabra on each side.

Mrs. Wesly Woods, cousin of the bride, played the traditional wedding marches and also accompanied Mr. and Mrs. Steve Jennings as they sang "Walk Hand in

Hand." Given in marriage by her father, the bride wore a formal length gown of white satin with lace overlay, designed with a high lace neckline and long tapered lace sleeves with lace ruffles at the wrists. The bodice was enhanced with seed pearls and sequins. The skirt was lace tiered. Her floor-length veil of French illusion was edged in lace.

The bride carried a cascade bouquet of apricot carnations, daisies and baby breath showered with apricot ribbon atop a white Bible given to her by her mother, the late Mrs. Robison.

In carrying out the bridal tradition, she chose her gown for something new and wore a blue garter.

MRS. GARY LEWIS CHANDLER

She borrowed a diamond ring from her sister, wore a gold bracelet which had belonged to her mother, and a handkerchief which belonged to her great-grandmother Clark was something old. She placed a penny in each shoe with the birth dates of the bridegroom and herself on them.

Miss Valerie Robison served her sister as maid of honor. Mrs. Vanessa Jennings, another sister, was matron of honor. They wore formal-length gowns with empire waistlines, fitted bodices with scooped necklines and flared sleeves. They carried bouquets of apricot carnations, daisies, baby breath and apricot ribbons.

Miss Stachia Chadwick, cousin of the bride, and Kirby Chandler, brother of the groom, lighted the candles. Stachia wore a gown identical to those of the bride's attendants.

Larry (Scooter) King served as best man. Groomsman was Kenny Chandler, brother of the groom.

Ushers were Perry Brunson and Johnny Griffin.

Guests were registered by Mrs. Johnny Watson, cousin of the bride.

A reception was held in the home of Mr. and Mrs. Buster Chadwick. The bride's table was draped with a white lace cloth over apricot. The bridal bouquet served as the centerpiece. The three-tiered cake was decorated with apricot roses with green stems and leaves, and topped with a bride and groom surrounded with lace.

Mrs. Wesly Woods and Mrs. Johnny Watson served the wedding cake and punch.

Following a wedding trip to San Antonio, the couple will make their home in Lubbock where he is presently employed at J. D. Hufstedlers GMC Trucking.

The bride is a 1975 graduate of Valley High School.

The bridegroom is a 1971 graduate of Quitaque High School. He

attended Clarendon Junior College one semester, then completed a course at South Plains Junior College.

NEW ARRIVAL

Mr. and Mrs. Oliver Clark, jr. are parents of a daughter, Angie Lyn, born at 8:05 a.m. Tuesday, September 16 at Central Plains Hospital in Plainview. The baby weighed seven pounds, fourteen and a half ounces, and measured 20 inches long.

Grandparents are Mrs. Madeline Clark, Quitaque; Oliver Clark, Plainview, and Mr. and Mrs. Leonard Crabb, Silvertown. Great-grandparents are Mr. and Mrs. Pete Clark, Quitaque; Mr. and Mrs. Matt Owens and Mr. Ray Hall, Tulia,

Bonnie Clary Weds

Mr. and Mrs. Bill Clary announce the marriage of their daughter, Bonnie Clary, to William J. Lindenfield III of Amarillo. He is the son of Mr. and Mrs. William J. Lindenfield II of Tucson, Arizona. The couple was married September 8, 1975 at Marfa, Texas. Frank Brown of Marfa was best man at the wedding.

The couple plans to make their home in Amarillo.

Mrs. Robert Phelps took her daughter, Kimber, to a doctor in Plainview Tuesday morning. She had been running a little temperature, according to her grandmother, Mrs. Wayne Whittington.

Scott Bolton of Plainview spent the weekend with Mr. and Mrs. Wayne Whittington the week before last. Other visitors were Mr. and Mrs. Edwin Dorsey of Lubbock on Sunday.

The John Adamsons and Mrs. Mabel Christian spent Saturday with Mrs. Omie Simmons in Hedley.

Mr. and Mrs. Jack House went with Mitchell Fuston and children, Mike and Lisa, to Albuquerque, to meet Denny Fuston, who was attending the New Mexico State Fair. On Saturday and Sunday Mike showed his calves at the Fair. The Houses spent two nights with Mr. and Mrs. Jess Meacham, Joe Burton and Pam, while in Albuquerque.

DEIRDRE MCGINN

Recent visitors in the home of Mr. and Mrs. Dick Taylor were his brother, Mr. and Mrs. Preston Taylor of Hereford. They also visited his mother, Mrs. J. A. Taylor.

Mrs. Barbara Duncan and Darcee of Panhandle spent the same weekend with her parents, the Dick Taylors.

To Marry Soon

Mr. and Mrs. James McGinn of Annalla, Castleblaney, Ireland, announce the engagement and approaching marriage of their daughter, Deirdre, to Billy Ray Johnson of Turkey on September 28, 1975.

Scotty Setliff (20), Bruce Patrick (78), Randy Woods (44) and Rex Fuston (63) during Valley's 33-0 romp over the Silvertown Owls.

Fuston (63) during Valley's 33-0 romp over the Silvertown Owls.

Rex Fuston (63) and Barry Wheeler (45) in action for the Patriots against the Silvertown Owls. The

Patriots now own a 2-0 season record, having given up no score to either of their opponents.

A GIFT OF LIFE

Your contribution to the American Cancer Society in memory of your loved one will help support a program dedicated to the conquest of cancer. Your memorial gift will not only do honor to the dead. It could help provide a gift of life.

Memorial gift funds may be sent to your local American Cancer Society office.

ENLARGE MY HEART

A very sincere man once told Jesus, "I believe—help thou my unbelief." Mark 9:24

How often have you wanted to believe ... but couldn't quite find it in you at the time?

Or how many times you wanted to tell the truth ... and found a lie or half-lie slipping out of your mouth instead? How often have you wanted to do something Christlike, but suddenly discovered yourself doing the opposite?

A physically enlarged heart is hardly to be desired. But when David said in Psalms 119:32 "Enlarge my heart," he was not speaking of his physical body. He was talking about the very center of his thinking, feeling, and being.

You have a "large heart." But Satan, with his temptations, including the cares and worries and pleasures of this world, can shrink it ... until your own desires become more important to you than the needs of others.

That's why the psalmist pleaded, "Strengthen me according to thy word ... remove me from the way of lying ... enlarge my heart."

If you really want him to, God will enlarge your heart until all you think of is what you might be able to do for him and his people.

And that's when you will humbly discover true greatness.

You are cordially invited to hear a special sermon Sunday morning at 10:30 entitled "The Grace of God." There is a comfortable pew and a Welcome for YOU at this growing, growing church.

Have a nice day.

This Tall Wheatgrass pasture is to allow for deep root growth and rested during the dormant season plant vigor.

GOOD PASTURE MANAGEMENT PROLONGS LIFE OF THE GRASS

A good management program on your pasture prolongs the life of the grass; maintains or improves the quantity and quality of the grass, and provides soil protection. Cool season grasses should not be grazed from June 15 to September 1. Grazing on warm season grass needs to be discontinued prior to the dormant season to permit regrowth for good cover and vigor. The irrigated grasses should be kept reasonably moist during the dormant season to maintain their stand and assure future vigor and productivity. Livestock need to be removed from pastures for fertilization, irrigation, and for drying out.

Pastures should be stocked so as to maintain proper use heights of the grasses. Supplemental feed are also useful in the pasture program. Feeding and watering should be planned in pens outside the pasture if possible. Mowing uneven growth after a grazing period, to not less than proper use height, improves the appearance and may improve the quality of the pasture. Harrowing is needed to distribute manure and aid in controlling parasites. Weeds should be controlled in pastures, by shredding or by an approved chemical, to reduce the competition of the grasses. For further information, contact the Soil Conservation Service.

Watch For Ear Ticks In Cattle

VERNON—Rolling Plains cattle producers pay heavily every year for the injury their livestock suffer from the spinose ear tick. "This mean pest, however, can be controlled," says Emory P. Boring, Area Entomologist with the Texas Agricultural Extension Service.

Boring urges producers to search out at least twice a year the infestations of such ticks deep within the ears of their cattle—and of their sheep and goats as well as swine.

Five materials are approved and available, any one of which controls spinose ear ticks effectively: Coumaphos (Co Bal), lindane, malathion, toxaphene and Ronnel (Korlan). The treatment is applied into the ears.

Infested cattle rub their ears and shake their heads because of the extreme irritation caused by the ticks. Heavily infested animals become dull, unthrifty and may even lose weight.

Boring says that in the winter when cattle may already be stressed by the lack of grazing and

poor nutrition, heavy infestations of ticks in the ears are extra burdensome.

When they use malathion or any of the other recommended materials, Boring says, livestock producers should heed all cautions and restrictions printed on the label. County Extension Agents throughout the Rolling Plains have more information about ear ticks, and also a publication for producers: "Suggestions for Controlling

External Parasites of Livestock and Poultry."

Mr. and Mrs. Terry Woods of Amarillo spent the weekend with his parents, the Shorty Woods.

President Ford Urged To Call Off Moratorium On Grain Sales

The president of the Texas Farm Bureau has urged President Ford to call off his moratorium on grain sales to Russia.

Carroll Chaloupka of Dalhart said the ban on grain sales is a serious blow to agriculture. Extension of the moratorium until mid-October was announced by the President following a meeting with George Meany, head of the AFL-CIO.

"Farmers resent being used as pawns in a political chess game," the grain and livestock farmer said. "When agricultural markets are involved, we feel you should consult farmers, not the AFL-CIO. Labor union leaders do not feed this nation—farmers and ranchers do."

Chaloupka said farmers had responded with bumper crops to the government's request for all-out

agricultural production to help fight inflation and earn dollars abroad. He reminded the President that farmers had been promised access to world markets.

"Now with government stepping in to interfere with normal sales, we feel that we have been short-changed," Chaloupka said. "This action could have results not anticipated in your negotiations with labor union leaders. Instead of resulting in more domestic supplies of grain and lower consumer prices, the opposite may be true."

In his letter, Chaloupka said Texas wheat farmers are getting ready to plant their 1976 wheat

crop. "If they feel they cannot count on normal export sales, they may cut back on their acreage, or not plant wheat at all," Chaloupka said. He added that even the most patriotic farmer must make a profit to stay in business.

"We know you understand the problems of agriculture as well as the contributions of farmers and ranchers—as you have so eloquently stated so many times," Chaloupka said.

"We urge you to call off your moratorium, then go to the American people and explain the economics of agriculture. They

to know who puts food on their table."

Are Your Canned Foods Stored Safely

After spending many long hours canning home-grown foods, insure optimum food quality by storing the jars properly, advises Linda Mullin, Briscoe County Extension Agent.

All canned foods should be stored in a cool, dry place. Foods kept in a warm, damp place may change color and flavor, both of which would be unappetizing on the dinner table.

Before storing, make sure the lid sealed properly. To insure proper sealing, the mouth of the jar should be wiped clean before the lid is placed on. A very small amount of food or flavoring on the mouth could prevent a proper seal. When sealed correctly, the lid should be concave and make a ringing sound when tapped lightly with a metal utensil. If it is not sealed properly, the lid will "thud" when tapped with metal. If the seal is broken, obviously the food will spoil.

Remove the ring from the jar. Once the lid has sealed, the ring is no longer needed and should be

washed, dried and stored for re-use. If the rings are left on the jars, they may rust on the jar or become difficult to remove.

It is advisable not to stack the canned jars. One jar on top of another could cause the lid on the bottom jar to unseal.

Make sure to wipe the jars clean of all particles of food or food juices that may be on the outside of the jar.

Can only the amount of food that can be eaten within a year. Food stored longer than one year is not recommended.

Sally Springer, food and nutrition specialist with the Texas Agricultural Extension Service, recommends that all home canned foods be boiled for 15 minutes, before eating, to insure safety.

Storing canned foods properly will aid in a quality product. Are your canned foods stored safely.

PUBLIC NOTICE SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS (S.J.R. NO. 11) SPECIAL ELECTION NOVEMBER 4, 1975

PROPOSITION NO. 1 ON THE BALLOT

Revising the separation of powers, legislative and executive provisions of the Texas Constitution. Article II, Separation of Powers, is amended to:

Provide that the powers of government of the State of Texas are divided among three distinct branches: legislative, executive, and judicial. Except as otherwise authorized by the constitution, members of one branch may not exercise any power properly attached to either of the others.

Article III, The Legislature, is amended to:

Continue the present structure of the legislature consisting of a senate with 31 members and a house of representatives with 150 members. The present organization and procedure of the legislature are continued except that the provision allowing closed executive sessions of the senate is omitted. Provisions on the conflict of interest of members of the legislature are continued, as is the governor's power to veto bills or line items in appropriation bills. The article provides for single-member senatorial, representative, and congressional districts. A compensation commission is created to recommend the compensation and allowances to be received by members of the legislature. The legislative compensation, set by law, may not exceed this recommendation and does not take effect until after an intervening general election. The article provides for annual sessions of 140 days in odd-numbered years and 90 days in even-numbered years, and a veto session of 15 days upon request of three-fifths of the membership of each house. The legislature may meet in organizational sessions prior to the convening of the legislature in regular sessions.

Article IV, The Executive, is amended to:

Continue the present status of the governor and all other statewide officers, and include the commissioner of agriculture as an executive department officer. The governor is limited to two consecutive terms. The governor is authorized to designate chairmen of state boards, and to remove gubernatorial appointees to state agencies for cause unless the removal is vetoed by the senate. The article mandates the legislature to provide a new governor-elect an appropriation so the governor-elect may organize an office prior to inauguration, and permits the legislature to grant powers of fiscal control to the governor. All governmental agencies, with several exceptions, have a life of not more than ten years unless extended by the legislature, and, at the regular session held in odd-numbered years, the governor shall submit to the legislature a report on the organization and

efficiency of the executive branch.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the SEPARATION OF POWERS, LEGISLATIVE, AND EXECUTIVE PROVISIONS OF the Texas Constitution."

If adopted by the voters, will become effective January 1, 1976, except Article III, Section 5, which becomes effective January 1, 1981.

PROPOSITION NO. 2 ON THE BALLOT

Revising the judiciary provisions of the Texas Constitution. Article V, The Judiciary is amended to:

Establish a unified judicial system consisting of the supreme court, court of appeals, district courts, and circuit courts. Existing county courts and county judges are continued until otherwise provided by law. All judges (except municipal judges), district attorneys and district clerks must be elected by the people. The supreme court and the court of criminal appeals are merged into a single court of last resort, and this supreme court is authorized to provide for efficient administration of the judicial system and to balance case loads. Individual rights for a trial by jury and appeal by the accused are continued. The state is granted the right to appeal in criminal cases in limited circumstances, and the legislature is permitted to establish methods of appeal to the courts from decisions of state agencies.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the JUDICIARY PROVISIONS OF the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 3 ON THE BALLOT

Revising the voting and election provisions of the Texas Constitution. Article VI, Voter Qualifications and Elections, is amended to:

Provide for registration and qualifications for voting including voter residency requirements to be established by law. A citizen of the United States who is at least 18 years of age and who meets the registration and residence requirements provided by law is a qualified voter unless the person has been convicted of a felony and for that felony is incarcerated, on parole, or on probation, or unless the person is mentally incompetent as determined by a court. Voting by the people in all elections must be by secret ballot, and the legislature shall provide by law for residence, registration, and absentee voting

requirements, for the administration of elections, and for the protection of the electoral process. The general election for state and county officers is to be held in even-numbered years on a date prescribed by law.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the VOTING AND ELECTION PROVISIONS OF the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 4 ON THE BALLOT

Revising the education provisions of the Texas Constitution. Article VII, Education, is amended to:

Provide that the Permanent and Available School Funds and the county public school funds are continued for the support of the free public schools. The State Board of Education is retained and the Permanent and Available University Funds are continued for the benefit of The University of Texas and Texas A&M Systems. A new Higher Education Fund for Texas is established for the benefit of colleges and universities outside The University of Texas and Texas A&M Systems. The state ad valorem tax of ten cents on \$100 valuation is continued as the source of revenue for the Fund. The ten cent higher education tax may be changed by law within the ten cent maximum. The legislature may allocate by law a portion of the Higher Education Fund to certain state vocational and technical institutes. The article provides that the public education system must furnish each individual an equal educational opportunity, but a school district may provide local enrichment of educational programs exceeding the level provided by the state consistent with general law. Authority to issue Permanent University Bonds is continued but the bonds may not exceed 30% of the Permanent University Fund.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the EDUCATION PROVISIONS OF the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976, except Article VII, Section 9, which becomes effective January 1, 1979.

PROPOSITION NO. 5 ON THE BALLOT

Revising the finance provisions of the Texas Constitution. Article VIII, Finance, is amended to:

Provide that state taxes may be levied and collected only by general law and to prohibit any state ad valorem tax on real property or tangible personal property except the ten cent tax provided for in Article VII and a

tax of two cents on the \$100 assessed valuation to provide funds for the State Building Fund. Provides that all real property and tangible personal property must be taxed equally and uniformly in proportion to market value. Existing exemptions from ad valorem taxation are continued. The present deduction of motor fuel taxes for highway purposes and the Available School Fund is retained. The "pay-as-you-go" principle for the operation of state government is retained. The legislature shall establish separate formulas for appraising land to promote the preservation of open-space land devoted to farm or ranch purposes and may establish separate formulas for appraising land devoted to timber production. The \$3000 exemption from state ad valorem taxation for residential homesteads is continued and the legislature by law may increase this amount. A separate \$3000 exemption from ad valorem taxation by political subdivisions is provided for the residential homestead of persons at least 65 years of age and the political subdivision may increase this amount. The legislature by law may exempt from ad valorem taxation certain property owned by veterans' organizations, non-profit water corporations, and persons in need because of age or disability, and economic circumstance. The legislature may also exempt property to preserve historical, cultural or natural history resources. Taxpayers are provided a new method of correcting inequitable tax assessments by paying ad valorem taxes under protest and suing for a refund in a district court. State debt may be authorized by law only if approved by a two-thirds vote of each house of the legislature and submitted to and approved by a majority of the qualified voters of the state voting on the question. Public funds and public credit may be used only for public purposes and no public funds or public credit may be used to influence the election of a public officer. The article prohibits a retail sales tax on agricultural machinery or parts, fertilizer, feeds or seeds, prescription drugs or medicine, or food, except food sold by restaurants for immediate consumption. An assessment voted by marine food or agricultural producers on their product sales is not a tax if provision is made for the individual producer to receive a refund of the assessment when the producer does not desire to be assessed.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the LOCAL GOVERNMENT PROVISIONS OF the Texas Constitution."

If adopted by the voters, will become effective on September 1, 1976.

PROPOSITION NO. 6 ON THE BALLOT

Revising the local government provisions of the Texas Constitution. Article IX, Local Government, is amended to:

Provide that the counties of the state are those that exist on the date of adoption of the local government article and that county boundaries may be changed if approved by a majority of the qualified voters in each affected county who vote on the question. Counties may be merged or county seats relocated if approved by two-thirds of the qualified voters in each affected county who vote on the question. The present elected constitutional county offices are retained and four year terms of office are provided. The voters of a county may create additional offices, eliminate offices, or combine the duties and functions of offices. The voters may also grant ordinance making power to the governing body of the county. Cities and towns having more than 1,500 inhabitants may become home-rule cities. Tax limitations are established for operating purposes for cities and counties and the legislature is required to fix debt limits for cities, towns, counties, and school and community junior college districts.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the LOCAL GOVERNMENT PROVISIONS OF the Texas Constitution."

If adopted by the voters, will become effective on September 1, 1976.

PROPOSITION NO. 7 ON THE BALLOT

Revising the general provisions of the Texas Constitution. Article X, General Provisions, is amended to:

Provide the basic requirements relating to public officeholders such as the official oath and residency requirements. The provision defining the separate and community property of spouses is retained, and the protection of a homestead from forced sale is continued. The legislature is required to protect certain personal property from forced sale. Current wages for personal service are not subject to garnishment. A private corporation may not be chartered except under general law, and no bank may engage in business at more than one place in this state. The legislature must provide for the regulation of bank holding companies. The present system of local-option elections for the prohibition or sale of alcoholic beverages is continued. The legislature is required to prohibit lotteries and gift enterprises but may permit certain bingo games and raffles. The presently existing provisions for retirement benefits of teachers and other public employees are modified to allow the state to con-

tribute more than 10%.

A policy that the quality of the environment of the State of Texas is to be protected is established, and the legislature is required to implement and enforce this policy. No state funds may be used to remove surface water from the river basin of origin if the surface water is necessary to supply the reasonably foreseeable water requirements of the basin for the ensuing 50 years, unless the removal of water is sufficiently replaced to the point of removal from outside the state or is on a temporary, interim basis. The seaward beaches of the Gulf of Mexico and coastal submerged lands belonging to the state are held by the state in perpetual trust for the people, and subject to reasonable limitations prescribed by law, the public has the free and unrestricted right of use and benefit of the beaches. The provision is continued that, except as otherwise provided by law, a rate of interest in excess of ten percent a year is usurious, and that if a contract does not specify a rate of interest, the rate under the contract may not exceed six percent a year. Discrimination against handicapped persons is prohibited, and a goal of the state is established to provide every resident access to adequate, comprehensive health care.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the GENERAL PROVISIONS OF the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

PROPOSITION NO. 8 ON THE BALLOT

Revising the mode of amending provisions of the Texas Constitution. The proposed article will be the last article of the constitution. If only Proposition No. 8 is adopted, the article will replace Article XVII of the present constitution. If other propositions are adopted, the article will be appropriately renumbered to remain the last article of the constitution. If all propositions are adopted, the article will be Article XI. Article XVII, Mode of Amending the Constitution of the State, is amended to:

Establish a procedure for constitutional amendments requiring a two-thirds vote of each house of the legislature and majority approval by the voters. The calling of a limited or unlimited constitutional convention with voter approval is provided. The question of whether to call a constitutional convention must be submitted to the people every 30 years.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising the MODE OF AMENDING PROVISIONS OF the Texas Constitution."

If adopted by the voters, will become effective September 1, 1976.

TIME FOR SOIL SAMPLING

Fertilizer supplies are increasing so that farmers should have a better selection of fertilizer materials to use this fall. But it's still all-important to have a guide for applying fertilizer, and such a guide comes only from a soil test, emphasizes Eddie Holland, Briscoe County Extension Agent.

Holland suggests that now is an excellent time to collect soil samples and to submit them for testing. Containers and instructions for submitting soil samples are available at the County Extension Office. Based on a soil test, a sound fertilization program can be developed for the coming crop year.

Such a program will be increasingly important in the months ahead. Under present economic conditions, low yields are not profitable, and fertilization, at least with nitrogen, is generally necessary for profitable yields. Yet, the need for each plant nutrient and its potential profitability should be closely evaluated.

With current high production costs, uncertainty about farm prices, and other risks in crop production, farmers must study their fertilizer needs more closely than ever to make sound management decisions, believes Holland.

TEXAS TALK

Getting it together may be the secret for grain sorghum planting in the next few years. Results from agriculture experiment stations indicate work will probably be intensified toward a grain sorghum which will grow well in rows as narrow as ten inches. Soil fertility scientist Dr. Lawrence Morrill at the Oklahoma Experiment Station says major yield increases are possible with a hybrid developed for the narrow row. Requirements of such a hybrid would be a different leaf angle and tolerance for a high plant population. In experiments with current varieties of sorghum, the extremely narrow (10 inch) rows showed consistently better yield with 40,000 plants per acre than with 80,000. The highest yields recorded in the test plots with non-irrigated sorghum involved planting 30-inch rows with 80,000 plants per acre and 120 pounds of applied nitrogen. Tests on irrigated sorghums are underway.

CARD OF THANKS
In appreciation for all the things done for us during the death of Herman Tracy, we want to thank you for the food, flowers, and other acts of kindness. May God bless you.
The family of Herman Tracy

CARD OF THANKS
I wish to thank all my beautiful friends and relatives for being so kind to me while I've been ill. I would like to write to each one but I'm not up to it. The cards, telephone calls, flowers and the lovely gifts, the visits, and, most of all, your prayers, have been such a comfort to me. May God bless you all.
Love, Nan (Lacy) Berryman

CARD OF THANKS
Thanks to our friends and neighbors for the cards, phone calls, visits and words of concern while Bill was in the hospital and since his return home. Thank you most of all for your prayers.
Bill and Annetta Helms

Mr. C. W. Hollingsworth
Mr. and Mrs. Aubrey Turner and family
Mr. and Mrs. Emmett Baisden and family

Voter Registration Deadline Is October 3

AUSTIN — Secretary of State Mark White reminded Texans the deadline for filing new voter registrations for the upcoming Constitutional election is October 3, 1975.

In a statement issued from his Capitol office, White said. "As the State's Chief Election Official, I sincerely urge you to participate in the electoral process. Your vote is your voice in government and it is your right and privilege to cast that vote."

White stressed, "Our laws make it easier to register in Texas than in any other state."

"Bilingual instructions and forms are provided with each voter guide now being mailed to all postal patrons in Texas. When you receive the proposed charter, read the inside back cover carefully. If you have voted in Texas in the primary or general election of 1972, or anytime since then, you do NOT need to re-register," explained White.

Many County Tax Assessor-Collectors are receiving dual registrations due to this provision in the law. White added many citizens have applied prior to receiving the Constitution's material and are re-registering unnecessarily. They will receive voting certificates by mail in the near future, he said.

Completed voter registration forms may be delivered in person or mailed to the Tax Assessor-Collector in the county in which the applicant legally resides.

ATTEND 50th WEDDING ANNIVERSARY CELEBRATION

Mr. and Mrs. Odis Reagan and Eva Gail, and grandson, Jon David Harmon, and Mrs. W. W. Cain attended the Golden Wedding Anniversary of Mr. and Mrs. Ben Adams at Childress Sunday. The Adams are former residents of Quitaque. All three of the Adams' sons, their five daughters, their grandchildren and great-grandchildren were present except one were present. There were 64 present.

JUDGES IN 20-HOUR J. P. Seminar—Five justices of the peace from Region X were among the more than 70 judges who participated in a 20-hour basic Texas Justice of the Peace Training Center seminar conducted September 2-5 in Amarillo. Judges from Region X participating included (left to right) Judge Glenn Stone of Precinct 1 in Plainview, Judge Jeanne Marr of Precinct 3, Place 1 in Aberrathy, Judge Johnnie Lanham of Precinct 1 in Silverton, Judge Lewis J. Bedwell, jr., of Precinct 2 in Quitaque and Judge Sidney G. Hooper of Precinct 1 in Tulia. The training center is headquartered on the Southwest Texas State University campus, where part of the seminar sessions are held. The training program is funded through the Governor's Office-Criminal Justice Division. There is no charge to the participating counties.

JUDGES IN 20-HOUR J. P. SEMINAR—Four justices of the peace from Region X were among the more than 70 judges who participated in a 20-hour basic Texas Justice of the Peace Training Center seminar conducted September 2-5 in Amarillo. Judges from Region X participating included (left to right) Judge James D. Smith of Precinct 1, Place 1 in Childress; Judge Joan LaVerne Wright of Precinct 7 in Childress; Judge Ruby Roden of Precinct 1 in Memphis, and Judge Curtis O. Tunnell of Precinct 4 in Turkey.

Mrs. Opal Hanna visited in Lubbock last week with Mr. and Mrs. Floyce Hanna and Mrs. Glenda Koelzer and children and attended each service of the Billy Graham Crusade; then baby-sat with her granddaughter, Carrie, while Glenda and J. Dale worked at the Co-Labor Corp. for the Crusade, after each preaching service. It was all great, as all denominations participated, with all nationalities in the wonderful singing, praying, worshipping the Lord in spirit and truth. Each service was spirit-filled and it was a joy and privilege to be there.

Mr. and Mrs. Jack House, Mr. and Mrs. Ed House and Mrs. Mable Morse of Sweetwater met Mr. and Mrs. Ned House of Slaton at Pagosa Springs, Colorado on September 8 for a ten-day fishing vacation.

JOIN THE TEAM
You've heard lots of talk about the medical team - doctors, nurses, pharmacists, scientists, all the professionally and technically trained men and women trying to keep well people healthy and to help cure the infirm. But there's one important member of the team who's hardly ever mentioned - the patient. All the years of training and experience waiting to serve you count for nothing unless you use it. The prescription you don't have filled, the last few tablets you don't bother to take, the advice you ignore, can turn victory over disease into defeat. Should you become ill, join the team-follow your doctor's advice, do your share for your own good health.
