Valley carries the ball during Guthrie game Friday

Guthrie Rolls Over Valley In Home Game Shocker

by Coach Gilmore
The number Three ranked Guthrie Jaguars proved they deserved this honor as they destroyed the Valley Patriots 46-0 Friday night at Patriot Field. The Patriots were unable to move the football against the Jaguars, who had only given up 25 yards per game on the ground. Clay Edwards was the leading rusher for the Patriots with 11 carries for 74 yards.

The Jaguars' pass defense was also tough as the Patriots hit only 2-9 passes. Guthrie's hard-hitting defense forced the Patriots into three turnovers. On offense, the Jaguars used perfect blocking to run through the Patriot defense for 28 first quarter points. The Patriots toughened up and held the Jaguars to just 6 points the second quarter.

hnd us. Guthrie is a great team, but we have to work harder in preparing ourselves for these types of teams. I felt we were ready, but we came out flat. I hope this week's Homecoming game against Northside will be different. We are definitely going to work harder getting ready." The JV game vs Silvertown will not be played, but the Jr. High vs Silvertown will begin at 5:00 p.m. Thursday.

THEN and NOW!

by Eunice McFall

Although Valley School has been in existence less than 20 years, it is just as exciting for ex-students to "come home" to Valley as it is to those whose schools have been around much longer. Vernon Northside will be the opponent for the football game on Friday night. Lots of excitement is in the air around Valley. Lots of plans are in the making. Each one is looking forward to seeing someone special this weekend. People go to homecomings for lots of reasons but the first is to renew old friendships. After renewing these friendships, changes in the "old home" are looked for and also what has not changed at ALL. This is an area where there are usually lots of surprises. We expect so many things to stay the way we remember them from childhood. Very seldom are they the same. People however have a tendency to be more stable--the traits we remember in our friends as young people are probably still most pronounced in their personalities. Of course there are always the exceptions to the rule. Some quiet people in high school simply blossom when they get out into the REAL WORLD, while others who were such hot shots in the high school world just fizzle out when they grow up.

Also the memories of some teachers are as we thought, but some are quite different as we view them from adulthood and not a child's point of view. The teacher that we perceived as being so hard to please will probably be the one to be the proudest of your accomplishments. Teachers are there not to make life hard for you but to help you do the very best of which you are capable. Then in years to come you can look forward to "your HOMECOMING."

will be given to children who attend. Each participant is requested to bring \$1 to help defray the expense of the entertainment.

Parents Advised To Dress Child For Safety

Halloween is almost here, and children everywhere are preparing for the big night by searching for scary masks and spooky outfits. Although having fun and filling up those trick-or-treat bags are foremost in their minds, children need to remember to follow safe practices. Parents should keep in mind the following safety tips provided by Scott and White Memorial Hospital in Temple: Make costumes short enough so the child won't trip when going up and down stairs. Use white colors or big patches of white on the costumes to ensure good visibility.

Let's Talk Turkey

by Thelma Gafford
 This week is a very special time around Valley. Homecoming activities have kept a lot of teachers and students pretty busy for the big night. The coaches have battled for the Patriots' full attention at workout, and come what may, it will all come together Friday night.
 Let's go behind the scenes for a look at one Homecoming activity that is as important to the students as the game is to the coach -- well, almost. The all-famous Bon-Fire!! Or should I say the preparation for the bonfire. Ha. This gets serious to the high school students. I mean S-e-r-i-o-u-s!

This is the only time of their lives it's okay to lie, steal, deceive, and deface property (temporary). All this in the name of GATHERING WOOD. What used to be quite a contest of the four classes, to obtain the most trailers full of wood, is now a contest to get what the others have already gathered. Or to keep them from making it to the school with what they did gather.
 Trailers full of wood have been hidden all over the area, and with posted guards, continued to be ripped off. Lone pickups have been spotted throughout the area, yet if they're stopped, no dares give assistance. You could be labeled a traitor! what's happening to our young people? They're after that wood, that's what!! And like I said, this week, it's legal!

A lot of the fun of shivaree and initiation of high school has been removed from our school system, but gathering wood is still alive and well, at Valley High School. Even with its restrictions, it's still a heck of a lot of fun for those kids!
 Wanna get some strange looks, try telling a city kid about the fun of gathering wood. They have no idea what they are missing!
 Ha, it's great!!!

At the place where you worship the sermons compel
That you contemplate mending your ways;
After which you are told to remember this well,
For the week has another six days.
You consider that service an hour well-spent,
Where the guidance of God will abound;
And with all good intentions you try to repent,
For temptations are always around.
But those wonderful lessons you're apt to ignore
For the rest of the week, as we know;
So just carry them with you right out of the door.
And apply them wherever you go.

—Gloria Nowak

Real religion is a way of life, not a white cloak to be wrapped around us on the Sabbath and then cast aside into the six-day closet of unconcern.

Fairmont Baptist Church Reunion Recalls Both Good Times and Bad

Fairmont Baptist Church held a church and community reunion, Sunday October 14, 1990.

Rev. Dub Richie, Amarillo was speaker at the morning worship service.

Worship began in the old Fairmont School in the 1920's and was later held in the Neal Smith Store. In the 1930's times were hard and dry weather prevailed. A group of men gathered in a pasture filled with mesquite to pray for rain. The rain came and filled all the holes and ditches. There was enough water to be used in building the foundation of the present Fairmont Church building. Lumber for the building was hauled by wagon from Quitaque and Lockney.

The church was the center of the community with services, singings, baptisms that were held at someone's stock tank, and Christmas programs which were the highlights of the children's lives. Many sacrifices were made for the church. Many families saved egg, milk, and cream money to give to the Lord. Many of the people walked to the church. All in all, it took a lot of hard work and persistence to carry on.

Approximately 150 members, former members, and pastors were

in attendance for the reunion and dinner on the ground. A meal of brisket and all the fixings was served. Many generous people donated food for the crowd.

Even though it was a windy day, it did not discourage the visiting and renewing of old acquaintances. Two former pastors were in attendance, Rev. Lee of Plainview and Rev. Hollis Locke of Lubbock. Karen Wells of Amarillo represented her father, Rev. J. W. Wells.

Each family was recognized and encouraged to tell of a fond memory and the year their family came to the community. Many of the former members related the very special place the church held in their hearts.

This church has always had a great deal of appeal to the young people and is evident now by their attendance.

Those attending were Rev. Dub and Bobbie Richie, Karen Wells, Inez Bynum, Mr. and Mrs. Ike Smith, Mr. and Mrs. Ernest Womack, Ann Smith McBee, George Schrandt, Mary Scott and Ashley Schrandt, Amarillo; Mr. and Mrs. H. H. Varnell, Kress; Loyd and Marie Turner Jefferies, Mr. and Mrs. Woodrow Cobb, and Mr. and Mrs. Bobby McCarver, Hale Center.

Also Bea Strain, Portales, NM; Sue Wise, Mary Kimbell, Norma Baker, Bobby Slaton, Mr. and Mrs. Berry Wood, and Wallace Slayton, Plainview; Mr. and Mrs. Jay Bumgarner, Quanah; Hollis Locke, Mr. and Mrs. Glen Childers, Mary Schrandt, and Rhonda Graham, Lubbock; Sharon Bussay, Petersburg; Ina Mae Merrill, Claude; Camille Summers, Canyon; Lila Mae Johnson, Floydada; and a host of members and friends from Silverton, Quitaque, Turkey and Flomot.

Former pastors were I. J. Loyd, C. E. Waincott, G. W. Tubbs, Hardy Stevens, Murrell Parsley, J. J. Terry, B. F. Hankins, W. Neil Record, Cecil Stewart, Harvey Hadnall, J. C. Scruggs, Clarence Lovell, Wayne Williams, Edward Wyatt, Rhett Simons, R. L. Howell, Marvin Boyer, J. W. Wells, Marvin Lane, Dean Harris, Sonny Rachell, Harlan Womack, Hollis Locke, Bro. Patton, and Bro. Bill Green.

Refreshments were served to those mentioned, and Mmes. Bain, Colvin, and Meacham.

The next meeting will take place October 25 in the home of Nadine Baisden with Ella Colvin as program leader.

Back to Central Standard time this coming Sunday, and a chance to get back that hour of sleep they took away from you last April. Might as well get it back, nobody else will be up early!

Notice that there is a hair-place who will get your hair curly for 95 cents... they stick your finger in a light socket!

A local man says he has a son in college that he expected to make a doctor, a lawyer or engineer, but right now he's worried about him becoming a sophomore!

We sure did have an awful big full moon for a little town like this!

Two little girls were discussing things when one said to the other... "You know you've got to have a man to have a baby."

"Why?" the other one asked. "Well, the way I understand it, somebody has to be there to pay everything!"

The ventriloquist finally got a real good job. He went to work in a pet shop selling parakeets!

Sign on a Boat... "Boat trip, enjoy the scenery... Men 25 cents, Women 12 cents, and we'll throw your children in for free!"

One way to save money is to forget who you borrowed it from!

One way to help a guy with a big hangover is to shake his hand and say, "My, that's a wonderful girl you married last night!"

Heard at an auction sale... "Sold to the lady with her husband's hand over her mouth!"

Another sign... on a Roadside fruit stand. "God help those who try to help themselves!"

The Bank president asked a new employee, "Why did the cashier go to the horse races?" "Well, he told me this was his last chance to make the books balance!"

Hear about the two dogs watching teens doing a rock dance and one said, "If I acted like that, they would give me worm pills!"

Teenager to guests coming into his home... "You'll have to excuse my room, my folks made me clean it up!"

That's -30- for this time, remember, only forest fires can prevent bears!"

Texas Cattle Now Out Of Quarantine

Texas ranchers may breathe easier, since federal standards have been met, allowing them to continue shipping breeding cattle out of state.

For years, Texas ranchers, veterinarians and the Texas Animal Health Commission staff have worked against the clock to meet U.S. Department of Agriculture (USDA) goals for reducing brucellosis infection.

In 1988, the USDA set new stringent goals for eradicating the disease, threatening to virtually quarantine breeding cattle from Texas and five other states if infection was not "substantially reduced" by October 1990.

"Thanks to ranchers cooperating with our staff, we've reduced infection in Texas to the lowest level ever and won't have our cattle 'tied up' with more restrictions," said Dr. John Holcombe, executive director of the Texas Animal Health Commission, the state's regulatory agency for livestock.

Brucellosis infection in Texas dropped to 698 quarantined herds during federal fiscal year 1990 (October 1989-September 1990) down from 1,037 for FY 1989. This translates to .49 percent, or about five infected herds for every 1,000

herds in the state.

"Because of the restrictions on brucellosis-infected herds, producers can lose a lot of money on sales. While they are under quarantine, animals from the herd have only three destinations: quarantined feedlots, quarantined pastures or to slaughter," said Dr. Holcombe. "So it's a lot cheaper and easier to prevent the disease than to clean it up."

RR Commission Keeps Oil Rate

AUSTIN, TX, Oct. 18 -- The Railroad Commission has continued the Texas oil production rate for November 1990 at 100 percent of market demand.

Chairman Kent Hance and Commissioners John Sharp and James E. (Jim) Nugent continued

the top production allowable after reviewing oil companies' nominations to buy a total of 1,846,439 barrels of Texas oil per day. The November nomination total, an increase of 39,140 barrels daily when compared to October purchaser nominations, estimates Texas oil production in the coming month. November 1989 nominations totaled 1,879,427 barrels daily.

Chairman Hance also reported that November nominations for the purchase of Texas gas totaled 20,957,643 Mcf/d (thousand cubic feet per day). October nominations totaled 20,288,903 Mcf/d. November nominations amounted to 21,089,638 Mcf/d.

The next statewide oil and gas production allowable hearing will begin at 10 a.m. on Tuesday, November 20, 1990, at the Railroad Commission in the William B. Travis Building, 1701 N. Congress Avenue in Austin.

Homecoming Memories Of Valley

In 1972 Jana Driskill was crowned Homecoming Queen at Valley. Kim Ham was first runner-up. Second runner-up was Jane Duncan, while Janna Turner came in as third runner-up. Jerry Green was chosen as Football Hero. Other candidates were Larry Bradford, Randy Green, and Brian Wheeler.

The Valley Pep Squad chose Pepper Jones as Football Hero in 1975. Scotty Setliff was first runner-up while Ernie Lucero came in as second runner-up. Miss Connie Ferguson reigned as Football Queen at the Valley Homecoming Friday Night, Oct. 24, 1975. Dodie Lane was first runner-up and Suzanne Lane was second.

Pep squad report by Teresa Turner in 1977:

Monday everyone came dressed as if we were living in the time of the 50's again. The preceding Tuesday, the pep squad and cheerleaders drew names of all the football boys to decorate their rooms the next week. The girls spent much time painting posters, baking cakes and cookies, planning how to decorate the boys' rooms, just to help boost their spirit. Many girls began on Monday to decorate their chosen room.

Tuesday the work began in earnest. This was Sock and T-shirt signing day. As everyone signed "John Henry" on your shirt, and as you could hear the excitement and cheers during lunch, you knew you were in Patriot Country. After school, the Pep Squad unloaded and stacked the wood for the bonfire. As soon as the football boys finished practice, they gathered at the school to eat sandwiches and to help paint signs for the gym.

Wednesday was the day we went all out and came to school formal. Everyone was reminded to remember this day because this would probably be the last time we would dress in this fashion until next year.

Thursday was also busy. Everyone came dressed as Hobos. As the morning began, an aroma of chili

was detected throughout the building.

Every free period throughout the week we either painted signs, decorated the gym or practiced our routines. That night after the great football games, we had scheduled a weiner roast and bonfire. As the wood was set on fire, everyone could see the Silverton Owls being engulfed with the mighty Patriot flames.

Friday everyone came dressed in our school colors. This was also "Whisper Day." Everyone whispered "Beat Silverton" throughout the entire morning. The gym was decorated with many colorful posters, the bars outlined in red and white crepe paper and the Pep Squad girls all dressed in uniforms, adding a touch of blue to the scene. The cheerleaders, pep squad, students and fans met at the gym for the pep rally. Many awards were given at this time.

The spirit awards went to Darrell Dowd, junior; Michael Dowd, freshman; Lana Fuston, freshman; Teresa Turner, junior. The best dressed for the 50's day was Jamie Meacham, freshman. Best dressed for the Hobo Day was Brenda Coker, junior.

Patriot spirit was shown also in the Elementary grades. Each room door was decorated. The best decorated rooms were the fifth grade and Mis McNabb's Home Ec III Class.

We were lucky to have two ladies who helped in everything we did this year. A special thanks and gifts went to Bettie Green and Betty Tiffin. Daphene Lane and Jerry Maupin, two other special people, were presented gifts. We appreciate their cooperation and patience with each and everyone of us.

We have three senior cheerleaders, Jill Eudy, head; Joanie Turner and Sherice Price. They were presented red roses by Leslie Pigg, Laura Fuston, and Lisa Herring-

ton. All of these girls deserve recognition for the hard work they have done throughout the year.

Jon Davidson was asked who was the last person to whisper to him "Beat Silverton" and he answered "Jamie Meacham," and she was given a special gift.

The four candidates for Pep Squad Hero were Don Douglas, senior; Jesse Ferguson, senior; Kenneth Helms, junior; and Randy Woods, senior. Our Pep Squad Hero selected was Randy Woods who was escorted by Jill Eudy.

In 1978 Jon Davidson was chosen the Big Patriot of the week because he caught two touchdown passes. Coach stated that although Jon always played good offense and defense, that was the finest he had seen Jon play. The Patriots shot down the Owls 27-14.

The freshman class in 1980 rang the victory bell for 35 and 1/2 consecutive hours before the homecoming game with Lazbuddie which began at 7:30 p.m. They started ringing the bell at 7:30 a.m. on Thursday and rang it until 7 p.m. on Friday prior to the start of the football game.

At the Tuesday night annual bonfire and weiner roast for homecoming in 1985, Mr. and Miss Flame were chosen. Kristi McWilliams and Wesley Farley of the Senior Class were chosen first. Other contestants were Thomas Rodriguez and Delma Martinez, juniors; James Taylor and Shanlee Meyer, sophomores; Lance Fulbright and Michelle House, freshmen.

In 1988 the homecoming week was filled with activities. Monday was dress up day and decorating the boys lockers. Tuesday was mix but don't match day and the bonfire. Wednesday was clone day. Thursday was jam day. Friday was blue day.

The pep rally held Friday afternoon was exciting with the gym filled with so much spirit. Spirit sticks were given to the most spirited girls

Treats To Give On Halloween

The following are some of the many treats you can give to trick or treaters who will show up on your doorstep on Halloween night: packaged fruit snacks, Granola bars with raisins, oatmeal or peanut butter, boxed or canned pure fruit juices, string cheese or other small cheese packages, sugarless gum, mini-puddings or applesauce, miniature packs of nuts (for older children), dried fruits, such as raisins or banana chips, single serving, boxed cereals, packaged crackers with peanut butter or cheese filling.

Non-food items make good treats too. Mini-pumpkins to decorate, crayons, pencils, stickers, food or frozen yogurt gift certificates, and even coins can be decorated, crayons, pencils, stickers, food or frozen yogurt gift certificates, and even coins can be special treats.

and boys. Receiving the sticks were Samantha Stark, Robyn Lane, Sylvia Ortiz and Warren Merrell, and Shane House. Winners of the special costumes were Missy Audrain, and John Harmon. The Whisper Day prize was given to Will Sperry, the student who whispered "Get a Cowboy, Beat Happy."

New Chemicals Now Being Used For Mesquite Control

Several ranches in the area have treated Mesquite with a new chemical mixture. The new mixture of 1/4 lb. Grazon ET has shown promising results in field trials in the Lubbock area. "Recent spraying in Briscoe County looks excellent. However it's still too early to know the percent of root kill," says Matthew Kast, District Conservationist with the Soil Conservation Service.

Recent testing also shows that timing is the key to successful Brush Control. The two most important factors for mesquite control seem to be soil temperature and bean development. Research has shown that soil temperature must be at least 75 degrees Fahrenheit at 1 foot depth, for a successful kill. Bean elongation is also important. Recent testing shows that the best time to spray is just after the beans are fully elongated.

Energy within a mesquite plant is transferred to the roots during two different stages of growth. One occurs just after the beans have elongated and the second occurs later in the summer after beans have matured. Chemical applications should be made while energy

is being transferred to the roots to increase the odds of killing the roots.

"There are a lot of factors to consider when planning any form of brush control," says Kast. "When you're spending \$20 per acre, you want to rely on the latest information and do the job right."

The Soil Conservation Service will be happy to assist anyone wishing to control brush. Cost sharing is available through ACP, LTA, and GPCP.

Child Safety

Continued From Page 1

Use fire-retardant fabric for the costumes or treat the material with a chemical fire-retardant.

When making masks or hoods, cut out holes in them that are large enough to assure easy breathing and good vision. Using makeup or face paints instead of masks is an even better idea.

Trick or treating should be done before dark and with an accompanying adult. Instruct children to stay in their neighborhood.

Valley JV Loses 18-12 To Jayton In Heartbreaker

by Coach Browning
We traveled to Jayton last Thursday to take on the Hornets from Aspermont. We started fast, scoring on our first possession to take a 6 to 0 lead.

The Hornets were able to answer our score with one of their own after a long drive aided by a couple of penalties against us. We moved the ball on our next drive but a couple of missed passes forced us to punt. Again they put a long drive together scoring a touchdown making it 12 to 6, their favor. After a turnover Aspermont scored their third and final touchdown to take an 18 to 6 lead at halftime.

During the half we made some adjustments that would enable us to shut them down the second half. In the third quarter neither team was able to score. We would move the ball a little but were not able to put a scoring drive together.

In the fourth quarter we scored on a long pass play to narrow their lead to 18 to 12. Our defense held giving us the ball back and on a 4th down play we missed making the first down by less than a foot. Again our defense came through, forcing a turnover. We were not able to move the ball but our defense held the Hornets on a 4th down play short of the first down. With 25 seconds left in the game, we scored on a long pass play for an apparent touchdown, but a holding penalty brought the play back nullifying our touchdown. On the next play we were unable to complete the pass and the game was over.

We played hard both on offense and defense. Our kids gave all they had the entire game. With a few breaks this game could have had a different ending. I feel like we are working hard and getting better each week.

Valley Faces Chillicothe October 18

by Coy Paris
The Valley Jr. High put on an impressive show Thursday night against the Chillicothe Jr. High by beating the much bigger team 32-13.

Valley started the scoring on a very smart play by Donnie Calvert who intercepted the hand-off from the Chillicothe quarterback and ran 38 yards to score. On Valley's first offensive possession, Reggie Hendricks scored on a 52-yard run up the middle.

Valley's defense is playing 100 percent better from the beginning of the year. They only allowed 13 points and those in the first half on broken plays. Valley, however, wasn't through scoring. On their next possession, Joe Valdez scored on a sweep to the left side and Ruben Hinojosa added the extra point.

Other outstanding players this week were Steven Browning, who played a great game defensively and Will Sperry, offensively.

Valley will face Silvertown's JV Thursday, October 25, at Valley. Come out and support our boys.
