

Lenders Work To Make Simultaneous Farm Loans

TEMPLE, Texas, Nov. 3—Texas farmers will be able to tap the largest supply of supplemental credit in history this year through the Farmers Home Administration, State Director Lynn Futch announced today.

"We project that more than \$81

million will be available to Texas farmers in fiscal year '72, as a result of cooperative efforts between the Farmers Home Administration and commercial lenders," he stated.

The cooperative effort involves having the commercial credit source and Farmers Home Administration make simultaneous loans to a borrower, with the private lender having first claim on the security.

"The farm ownership program is aimed to reach \$30 million—\$15 million of government money,

Texas F.H.A. Loan Volume Largest In Nation

J. Lynn Futch, Texas State Director of the Farmers Home Administration, announced today that the agency extended credit to rural Texans in the amount of \$155,456,817 during the 1971 fiscal year ending June 30, 1971. This credit was furnished farmers and rural residents through the many loan programs administered by the agency with rural housing leading the way with \$72,302,453. Loans for community services facilities such as rural water systems and sewer systems totaled \$24,205,192. Credit extended to individual farmers and ranchers for operating expenses, capital purchases and land purchases totaled \$58,949,172. This was the largest yearly volume of loans in the history of the organization, which has as its overall mission the development of rural areas.

Futch said that he was also pleased that there was a sizeable decrease in the percentage of loan delinquencies as compared to previous years. Due to the severe drought in the spring and early summer of this year, it is expect-

with private lenders participating at a level of \$15 million," Mr. Futch continued.

"Projected figures for the farm operating loan program is \$51 million of which \$22½ million—triple last year's figure—comes from regular commercial lenders."

Lending levels of FHA farm programs are also higher because of a substantial boost given the farm ownership program by President Nixon when he announced that national funding would be \$350 million this fiscal year, \$82 million above 1971 levels, Mr. Futch said.

The President also said the nationwide farm operating loan program would be raised to \$350 million from its present \$275 million level if the Congress would approve legislation changing the program from an appropriation basis to an insured basis.

If this legislation is passed, Mr. Futch said, notes of farm borrowers for operating purposes would be sold to investors who, in turn, would be insured against loss on the notes. The investors' money would replenish a revolving fund and would be available for more loans, as in the case now with farm ownership loans.

"It will continue to be our policy to assist people in finding the credit needed to begin farming or to help finance farm operations," he said. "We therefore commit government funds only when we cannot involve private money to serve agriculture's credit needs."

"To assure this, county supervisors of the Farmers Home Administration are required to contact another lender with respect to every application for farm ownership or operating funds.

"We are pleased with the fine cooperation extended by banks and other credit sources to make this plan work," he concluded.

ed that the demand for emergency credit for farmers and ranchers this fall and winter will substantially increase the volume of farm loans in fiscal 1972, with all other programs also expected to be expanded. The program is administered in Texas through 144 county offices and the state office in Temple.

State Capital News

A blue ribbon study commission has come out strong for state constitutional revision and widespread restructuring of the state and local governmental system.

The Texas Urban Development Commission, winding up an 18-month study which enlisted the services of experts and laymen, handed its 200-page report to Gov. Preston Smith.

Smith, commending the body for charting "a clear course for those in government to act on," announced appointment of a 17-member, permanent Texas Advisory Commission on Intergovernmental Relations. The latter will follow up on the report of the study group headed by Arlington Mayor Tom J. Vandergriff as chairman and Dr. Earl M. Lewis of Trinity University in San Antonio.

"The Texas Constitution," said the Commission, "should be thoroughly changed to allow state and local governments to exercise more initiative and to be more responsive to current and future demands but at the same time free to be truly responsive to changing needs and emerging problems."

Among 50 major recommendations were the following:

*State government should begin moving toward a new organizational and management system and consolidation of urban services in about 20 existing agencies.

*The governor should have more power over budgeting and appointments and removal of state agency governing boards chairmen.

*Local governments should be reorganized to meet specific local needs and granted greater fiscal authority through additional revenue sources and property tax overhaul.

*Growth of special purpose districts must be checked.

*Urban growth planning programs and coordinated land planning should be launched at all levels of government.

Appointments

George E. Stanley of Port Arthur was named to the Veterans Affairs Commission, succeeding the late Charles C. Ford of Longview.

Governor Smith named 10 members of the Criminal Justice Council executive committee and designated L. O'Brien Thompson of Amarillo as chairman.

Smith appointed an 18-member study committee on traffic court reorganization.

Lawrence L. Jester has been designated district engineer of the State Highway Department's Atlanta district on retirement of G. A. Youngs.

William G. Reid of Austin will serve as general counsel for the recently-established Texas Criminal Defense Lawyers Association.

Lt. Gov. Ben Barnes named committees to study the system of state licensing and examining boards and retirement benefits for employees of public educational institutions.

Bonds Sold

Continuation of the veterans land program was assured by sale of \$20.8 million in bonds.

The low bid of 4.48943 per cent effective net interest was submitted by a group of 50 investors. The constitutional ceiling on interest rates is 4.5 per cent for the program.

Land Commissioner Bob Armstrong said the sale means the program can operate until almost the end of 1972 when Texas voters will have a chance to pass a constitutional amendment to raise the interest rate ceiling to six per cent.

The Veterans Land Board is constitutionally authorized to sell another \$70.7 million in bonds. More than 43,500 Texans have bought land under the program.

A New Governor

Texas will have a new governor briefly in December—When Sen. W. E. (Pete) Snelson of Midland takes over as chief executive for the day.

Snelson, as president pro tempore of the Senate, is third in line for the governorship. Governor Smith and Lieutenant Governor Barnes will be absent themselves from the state December 4 so Snelson can have the honor of serving as governor. He represents 35 counties of the 25th senatorial district.

Courts Speak

The State Court of Criminal Appeals upheld Texas' abortion law, and said the state has the right to prohibit operations, in a decision conflicting with a June 18, 1970, three-judge federal court ruling at Dallas.

The Court of Criminal Appeals also reversed a Waco marijuana conviction due to improper questioning of witnesses by the prosecuting attorney.

State Supreme Court heard arguments in a suit seeking to nullify University of Texas acquisition of a 588-acre Odessa site for the new UT-Permian Basin campus because of the proximity of oil and gas equipment and a potential safety hazard.

Ag Opinions

The governor can commute death sentences to life imprisonment even though convictions are on appeal, Atty. Gen. Crawford Martin held.

In other recent opinions, Martin concluded:

*A new "surtax" on misdemeanor and felony convictions (\$2.50 to \$10 cannot be assessed for offenses committed prior to last August 30, date the law went into effect.

*Issue of tax cancellation certificates are authorized, and should cover all tax certificates showing no taxes due which had been previously and lawfully issued.

*Computation of actual interest expense incurred and to be recovered as an item of selling price on long term federal water contracts shall be made by applying the cumulative average effective rate to only that portion of the "direct cost" of the facility which is attributable to Texas Water Development Fund money.

Pesticide Decision Put Off

The new State Pesticide Advisory Committee delayed its decision on banning DDT for household uses.

No recommendation was made because the Environmental Protection Agency has not made its official rulings on DDT, committee chairman Dr. Perry Adkisson of Texas A & M University said.

The five-member committee will meet again December 7 to consider the matter. Texas Department of Agriculture, charged with administering the state law on pesticides, asked advice from the advisory panel authorized by the legislature this year.

Hunt Invite "Disappears"

State legislators and officials who had been invited to hunt on state game management areas found the invitations suddenly withdrawn after newspapers publicized them.

Parks and Wildlife Department Executive Director James U. Cross issued the invitations, although other would-be deer hunters are required to draw for the limited number of free permits in the areas. PW Commissioners expressed doubt special exceptions could be made for state officials and legislators, so the bid was unceremoniously taken back. One commissioner called for Cross's resignation over the incident, but the new director said he plans to stay on the job.

Pool Meet Slated

Complaints about the new Texas catastrophe pool insurance plan will be aired at a public hearing December 7.

The State Board of Insurance announced it will "consider all aspects" of the plan approved by the Legislature for 14 seacoast counties this year.

Texas Association of Insurance Agents will offer testimony and stress "positive steps" that can make the pool work as intended.

Short Snorts

Attorney General Martin lambasted the new state code of ethics for public officials as a "virtual mishmash" and predicted a court effort by one or more political subdivisions to invalidate it.

An experimental fusion machine, which may help revolutionize energy producing mechanisms, has been dedicated at the University of Texas.

State health authorities rechecked September rabies tests after a faulty lab check came close to letting a case of the deadly disease escape detection.

Three railroad union legislative boards have merged into a single United Transportation Union, Texas Legislative Board to represent 12,000 railroad and bus line employees on legislation.

Dear hunting, one of the state's biggest businesses - involving 510,000 "customers" who spend about \$88 million in two months on 37 million acres of leased land—gets under way this weekend in most counties.

Governor Smith declined the request of New York Attorney Roy Cohn for a special investigating committee to look into Attorney General Martin's probe of the \$228 million Moody Foundation, saying he has no authority to name a

TURKEY JUNIOR HIGH GIRLS ARE UNDEFEATED

Coach George Scott has been able to clear the benches each game his Junior High girls have played. On Tuesday night, November 2, the girls defeated Matador

by a score of 43 to 21. Hitting for 31 points, Janna Turner led in scoring. Mitchie Lipscomb hit 6, Freda Stockton 4, and Neta Landry 2.

On Thursday night the girls beat Paducah by the score of 48 to 20. Janna Turner hit 35 points. Mitchie Lipscomb hit 6, Doris Vivens hit 3, Jena Mullin 2 and Joan Turner 2 points.

On Monday night of this week the girls defeated Happy 49 to 21. In that game Janna Turner scored 21 points, Mitchie Lipscomb 10, Freda Stockton 7, Joan Turner 4, Jena Mullin 4 and Doris Vivens scored 3.

Not to be forgotten in all these games are the guards who are doing a great job. Starting guards are Suzanne Lane, Dodi Lane and Connie Ferguson.

Everyone is urged to come out and back the Turkey basketball teams.

Mr. and Mrs. Donnie Brunson and Miss Debbie Brunson of Memphis spent the weekend with Mr. and Mrs. B. K. Hamilton at Granbury. They were delightfully surprised when they were joined there by the Hamilton children, Mr. and Mrs. Kenneth Hamilton and children of Weatherford, Mr. and Mrs. Jack Meeks of Fort Worth, Marilyn Lusk of Fort Worth and Mr. and Mrs. Jack Jordan of Kerrville. They report a wonderful weekend together.

Debbie Brunson visited Rhonda Drewry at Fort Worth. She is a former resident of Silvertown.

THE LAND

THE LAND is one of man's most valuable assets - we think it is prime collateral. In the past 54 years the Federal Land Bank of Houston has made almost 200,000 loans on Texas farms and ranches.

In other words, we specialize in making farm and ranch real estate loans - long term loans with prepayment privileges.

See us today for full details, no obligation of course.

TURKEY F.F.A. NEWS

We were well represented at Clarendon on Saturday, November 6.

The Greenhands placed first in Junior Chapter Conducting and also placed first in F. F. A. Quiz. The Greenhands included Scott Eudy, Randy Green, Brent Guest, Robert Gregson, Norman Mullin, Mitch Vivens, Johnny Hamner and Donald Wynn.

The following boys won third in Senior Chapter Conducting: Johnny Hamner, Jim Coker, Fran Cruz, Steve Eudy, Leckie Fuston, Max House and Rudolf Munoz.

Steve Eudy, Leckie Fuston and Kim Coker placed second in F.F.A. Radio Team.

We are very proud of our accomplishments in F. F. A. for the Turkey Chapter this year.

—Curtis Scrivner, reporter

FLOMOT NEWS

Marvin Starkey of Flomot entered the hospital in Borger Sunday for a checkup. Mr. Starkey had surgery there a year ago.

The Brotherhood of First Baptist Church in Flomot met at 7:00 p.m. Saturday, November 6, at the church for a chili supper.

The purpose of the meeting was to recognize the two chapters of R. A.s, the Crusaders and the Pioneers, and to present them with awards. The awards were bolo ties, insignia badges and chevron patches that designated their chapters. The members of the two chapters enrolled total 17 and two counselors, Everett Shorter and C. W. Starkey.

A total of 29 men and boys were present. Dr. Ivlyop Bishop, professor of religion at Wayland Baptist College, Plainview, was the guest speaker. Dr. Bishop brought a challenging message on the mission of the men and boys of the church. Dr. Bishop is called Mr. R. A., having started the work when it was associated with the Womens Missionary work, years ago.

The Rev. Leo Cole reports a good time with needed information for the group.

Review Safety Rules Before Hunting

by Jackie Johnson, County Ag. Agent

Before hunting this fall, review safety rules and help prevent accidents. Hunting is one of the safest sports when the large number of hunters is compared with the small number of accidents. But even one accident is tragedy for some families.

If taking youngsters to the field for the first time, impress on them that accidents are caused by careless shooters.

Practice safe gun handling at all times and encourage young hunting friends to do the same. Treat every gun as if it were loaded.

Never point a gun at anything you don't expect to shoot. An be sure of your target before pulling the trigger.

Be sure the barrel and actions are clean and clear of obstructions. Keep the chamber and magazine open at all times when the gun is not in use. And never store or leave a loaded gun unattended.

Carry the gun so you can control the direction of the muzzle—even though you stumble. And unload your gun before climbing trees or fences or jumping ditches.

Don't drink alcoholic liquids before or during hunting or shooting.

Never shoot at a flat surface or the surface of water.

Practice safe gun handling rules they become second nature.

By remembering to treat every gun with respect and pointing only at things you want to shoot, you won't have to say "I didn't know the gun was loaded."

Also, consider wearing a shirt or jacket of daylight fluorescent blaze orange. It's the most visible color for hunters to wear in the field as it can be seen better under more varying light conditions than any other color.

MRS. CLARK HONORED AT BIRTHDAY DINNER PARTY

Mr. and Mrs. Buster Chadwick and girls were hosts for a family dinner honoring Mrs. Chadwick's grandmother, Mrs. P. T. Clark of Turkey, on her birthday anniversary Sunday, November 7. There were 39 present for dinner and to enjoy the day together.

Those present were Mr. and Mrs. Larry Clark and children, Dr. and Mrs. Lawrence Clark, Lubbock; Mr. and Mrs. Leon Lane, Mr. and Mrs. Guy Smith, Turkey; Mr. and Mrs. Birt Lane and children, Mr. and Mrs. Tim Lane of Plainview; Mr. and Mrs. P. T. Clark, jr., Sweetwater; Mr. and Mrs. Scott Clark and daughter, Levelland, and a girl from Sweden who is living with them this year and attending school, Meta Sjoberg; Mr. and Mrs. Tim Martin, Levelland; Vance Robison and daughters; Larry Don Price, Wes-

Continuation of Price Freeze Announced

The Cost of Living Council announced on October 28 that the regulations which made the 90-day program a "freeze" will be modified to make the system more effective. Donald Rumsfeld, Director of the Council, stated that there will be no automatic ending on November 13 of present freeze rules on wages, prices, and rents. They will be changed only by the introduction of new regulations, thus preventing a gap that would occur if present rules were allowed to end before new ones had been instituted.

Rumsfeld noted that, as stated in the President's Executive Order of October 15, the provisions of the economic stabilization program which have been in force since August 15 will continue until they are specifically modified by the Pay Board, Price Commission, or the Cost of Living Council. However, changes will occur only through explicit action taken by competent authority. It is an-

ley Woods, Terry Williams and the hosts, Quitque, and the honoree, Mrs. Clark of Turkey.

WE NOW HAVE A LIMITED SUPPLY OF THE NEW EISENHOWER SILVER DOLLARS ONLY \$1.00 EACH WHILE THEY LAST

MEMBER FEDERAL DEPOSIT INSURANCE CORPORATION

FIRST NATIONAL BANK

Phone 2141 Quitque, Texas

anticipated that initial modifications to the freeze rules will be announced prior to November 13.

The October 15 Executive Order states, in part:

"Pending action under this Order, and except as otherwise provided in section 202 of the Economic Stabilization Act of 1970, as amended, prices, rents, wages, and salaries are stabilized effective as of August 16, 1971, at levels not greater than the highest of those pertaining to a substantial volume of actual transactions by each individual, business, firm, or other entity of any kind during the 30-day period ending August 14, 1971 for like or similar commodities or services. If no transactions occurred in that period, the ceiling will be the highest price, rent, salary or wage in the nearest preceding 30-day period in which transactions did occur. No person shall charge, assess, or receive, directly or indirectly, in any transaction, prices or rents in any form higher than those permitted hereunder, and no person shall, directly or indirectly, pay or agree to pay, in any transaction, wages or salaries in any form, or to use any means to obtain payment of wages and salaries in any form, higher than those permitted hereunder, whether by retroactive increase or otherwise."

The toughest form of mountain climbing is getting out of a rut.

Mrs. Matthew Owens fell at her home early Saturday morning, at 3:00 a.m., and broke her hip. She was taken by Quitque ambulance to Lockney General Hospital and later was transferred to Central Plains Hospital in Plainview. Mrs. Oliver Clark went to Plainview again Monday to sit up with her mother that night. She reported the doctors thought her mother was going to be all right.

Mr. and Mrs. James Hawkins of Mesquite spent Sunday night with her parents, Mr. and Mrs. John King. They came to attend the funeral services held Monday in Turkey for Mark Lane.

Mrs. Sid Bogan entered Central Plains Hospital in Plainview Saturday for treatment.

Mrs. Bill Ebbs of Plainview brought her mother, Mrs. Olive Owens, to Quitque Friday night and stayed until Sunday morning. Mrs. Owens remained for a longer visit.

Mr. Buster Chadwick, Mrs. Guy Smith and Mrs. Bill Farley of Turkey were in Plainview Thursday of last week on business. They visited Danny Paul Smith, grandson of Mrs. Guy Smith, who is attending Wayland Baptist College, while they were there.

TURKEY LIONS CLUB

The meeting of the Turkey Lions Club was called to order by Boss Lion Jess Lipscomb. Lion J. T. Mullin led the Pledge of Allegiance and Lion Roy Patterson gave the invocation.

Lion George Setliff won the "Pot of Gold" contest which was \$8.00.

Special guests introduced were Rev. Jim Boswell, Amarillo; Capt. Gary McLaughlin from West Texas State University, and Lion Jack R. Riley of Amarillo, who introduced a very good film about the Texas Lions Camp for Crippled Children.

Lion Riley paid tribute to the members of the Turkey club and the other Lions of Texas who are providing the handicapped children and adult blind of Texas with new opportunities for happier lives.

The League now has three fields of service: The Texas Lions Camp for Crippled Children, the Rehabilitation Center for the Adult Blind and the Texas Lions Camp for Diabetic Children.

The crippled children's camp at Kerrville was opened in 1953 and accommodated 236 blind, deaf, mute and crippled youngsters the first year. Since then, more than 13,000 children have enjoyed two weeks of summer fun—free.

Since 1957, the Kerrville Camp has been used as a rehabilitation center during the other nine months, helping more than 800 adult blind Texans become more useful citizens.

Last summer, the League sponsored its first session of the Texas Lions Camp for Diabetic Children using leased facilities at Friendswood for 111 youngsters.

The League's unique and beneficial projects of service are financed by dues of Lions and by gifts from members, clubs and others interested in these fields of

NUOVO STUDY CLUB MEETS IN BERT DEGAN HOME

Sixteen members and one guest, Mrs. Ebb Hooker, sister of Mrs. John Adamson, sr., were present when the Nuovo Study Club met November 4 at Mrs. Bert Degans.

Each member answered roll call with a suggestion for solving our pollution problems.

Mrs. J. R. Nall, the leader, brought information on a water pollution dam project to be built on Little Red River approximately four miles west of Farm Road 657 northeast of Turkey.

Mrs. Blume explained how eggs of the Ridley sea turtle, common to the Gulf of Mexico, are being transplanted to Padre Island in an

effort to save the turtle from extinction.

The meeting was closed by Boss Lion Lipscomb.

effort to save the turtle from extinction.

Mrs. Meacham told of the pollution problems at Galveston Bay, which concern people everywhere.

Our national bird, the eagle, is fighting extinction in many places and Mrs. Powell gave its history and possible fate.

Mrs. Bain will be hostess November 18.

Mrs. C. H. Hamner went to Lockney Sunday to spend a few days with Mrs. J. B. Johnson, mother of Mrs. Bill Helms. Mrs. Johnson had fallen and injured a foot, but according to reports, she is improving.
