VOLUME 27 NUMBER 22

Undefeated Patriots Play Roscoe for District Championship Friday Night

The Valley Patriots are in the last round Friday night in the determination of the District Championship. They hosted Chilicothe last Friday night and beat the visitors 61-15.

Kirk Saul went into the game with 39 touchdown passes. A typographical error listed it as 30 last week, but the editor checked her copy and we had it 39. The two numbers are side-by-side on the typewriter and probably on the Compuwriter, too. Anyway, Kirk had already tied the State record for single-season high school touchdown passes, and he did himself proud in the game Friday night. He threw eight TDs for 580 yards. Matt Barrett had an outstanding season in receiving. He is very fast on foot, small but fast. He has performed well in every game and, although the opponent had triple-guarded him, he still received ten of the passes for 260 yards and two TDs Friday night.

Shortly into the game, Barrett received a 76-yard pass from K. Saul and made the first TD. The extra point by Scott Saul was good. In the second play, Chilicothe's McKnight ran 14 yards and the kick was good.

With 7:14 to play, Ruiz took a pass in for a 12-yard TD and the extra point kick was good. An 8-yard pass to Ruiz resulted in a TD but the kick failed. At the end of the first period, Valley stood at 20-7.

At the beginning of the second period of play, Chilicothe completed a 26-yard pass and McKnight ran a conversion for eight points added. That was all the scoring in the second period, ending the first half with a score of 20-15.

In the third quarter, Barrett took a 29-yard pass from Saul for a TD and the kick was good.

In the second play, Myers received a 25-yard pass from Saul and a TD and the kick from S. Saul was good.

Ruiz received a 70-yard pass from K. Saul in the next play but the kick failed.

Myers took a 26-yard pass from Saul with 3:58 to go in the game and the kick by S. Saul was good. The third quarter score was 47-15.

In the last quarter, Myers took an 8-yard pass from K. Saul and a TD and the kick by S. Saul was good.

In the last play of the game, Barrett returned a punt for 61 yards and a TD, and S. Saul kicked a good one. The score for the game was 61-15.

Statistically, Valley got 21 first downs to Chilicothe's 14; yards rushing, Valley 44-103; yards passing total 625-280; pass attempts 46 to 30; passes completed 28-12; Valley took one inter-

ception and lost two. Valley lost 55 yards through five penalties and Chilicothe lost 43 yards through six penalties.

Barrett had 10 passes received for 260 yards and two touchdowns. Myers received five passes completed for 65 yards and three touchdowns; Ruiz received seven passes for 149 yards and three touchdowns; Rodriguez received two passes for 51 yards; Smith received four passes for 65 yards.

Booster Club Is Proud of Patriots

Congratulations Valley Patriots for going 10-0 in regular season football. The Patriots bid for a State playoff berth begins Friday in Slaton against the Roscoe Plowboys at 7:30 p.m.

Congratulations to Valley Patriots Kirk Saul and Matt Barrett! Kirk broke the number of touchdown passes in regular season at the state level, a career record, and number of passing yards in a game. Matt Barrett, also, for the number of touchdown receptions.

There will be a send-off for the Valley Patriots at the Valley School Gym Friday, November 14, at 3:30 p.m. Everyone is encouraged to come out and boost the Valley Patriots. Come and support your winning team!

Congratulations Patriots, we are proud of you!

Valley will be the home team at Slaton. The Valley cheerleaders are sponsoring a Red, White and Blue Day this Friday. Everyone is urged to join in.

4-H Food Show Is November 20

The Briscoe County 4-H Food Show is set for Thursday, November 20, in the Silverton School Cafeteria.

Judging will begin at 4:30 p.m., with the public viewing and awards program following at 6:45 p.m.

Four-H food and nutrition project members have been meeting with volunteer leaders to learn about nutrition, food preparation, food buying, meal planning and food safety.

Four-H members are reminded to turn in their day's menu and food show recipe on an index card no later than noon, November 17, to Lynda Fogerson in the Extension Office. They are to bring the completed project record form to the Food Show.

Forty-four boys and girls are enrolled in this year's project. Leaders teaching the project are Gail Wyatt, Dorothy Martin, Lee O'Neal, Linda O'Neal, Patsy

The Patriots play Roscoe at Slaton Friday night for the District Championship with kick-off time at 7:30 o'clock.

A number of our businesses and fans are sponsoring the Patriots in a double spread ad in The Valley Tribune, and the Tribune is sponsoring the radio advertising with KSLR Memphis and KCTX Childress. The time and place on the radio dial may be found in the advertising inside the newspaper.

Turkey Fire Department Needs Christmas Toys

The Turkey Volunteer Fire Department will sponsor toys for the needy this Christmas. All donations of new toys or money should be left at the City Hall. Let's try to make this a special time of the year for these children.

Santa Claus will arrive at Lacy Dry Goods at 10 o'clock a.m. December 13. Everyone wanting to have pictures made of the children with Santa should mark this date on your calendar. Santa will stay from 10 o'clock a.m. to 7 o'clock p.m.

Youth to Have Bake Sales Saturday

The Youth Bake Sale has been changed to this Saturday. They will be selling baked goods in Quitaque at Rice's and Merrell Food and at Lacy Dry Goods in Turkey.

The sale will begin at 9:00 a.m. Saturday, November 15.

If you would like to place an order, call Betty Price in Quitaque at 455-1336 or Ginger Mullin in Turkey at 423-1140.

Proceeds from the Bake Sale will go toward the charter of a bus for their Bible-Ski Retreat in March.

Support our youth and take advantage of this bake sale.

State Highway Fund Allocations Are Released

State Treasurer Ann Richards has sent checks totaling \$7.3 million to Texas' 254 counties for road construction and maintenance.

The money allocated to Briscoe County is \$13,728.01, and \$16,515.23 for Hall County.

The Treasurer each year dis-

Towe, Nancy Wood, Paula Bomar and Vici Baird for the Silverton club. Valley club leaders are Juanita Gray, Cora Chestnut, Margie Pinkerton, Heather Gray and Vera Pinkerton.

Cotton Program Signup Set Nov. 17 through Mar. 30

USDA has laid out the main features of the 1987 cotton program and the signup period has been set for November 17 through March 30.

The base cotton loan for the coming year is set at 52.25 cents per pound, down the statutory maximum five percent from the 55-cent 1986 loan. The 1987 target price is 79.4 cents, down from 81 cents this year and again the legal maximum cut. The acreage reduction program in effect for the coming year will be identical to 1986, requiring a 25 percent reduction for program participation with no paid land diversion.

The loan repayment rate for 1987 will not be announced until later, but that should have no bearing on producer signup decisions. The 1985 farm law authorizes two slightly different marketing loan programs, known as "Plan A" and "Plan B."

Plan A, which was used this year, required the loan repayment rate to be announced by November 1 at no less than 80 percent of the original loan, and that first handler certificates be issued to fill the gap between the repayment rate and the world price. Under this plan, the repayment rate announced on or before November 1 could not be changed.

For 1987 USDA has opted for

burses money appropriated by the Legislature for the Lateral Road Program. The grants may be used by counties for the purchase of right-of-way and for construction and maintenance of lateral roads, farm-to-market roads or state highways.

The money is allocated to each county under a formula based on the county's area, rural population and lateral road mileage, Treasurer Richards said.

The longest bicycle ever constructed was a tandem that could seat ten.

Plan B, avoiding the necessity for early announcement of the repayment rate and giving itself flexibility to change the rate from week to week during the marketing year if deemed necessary to reflect changes in weekly adjusted world price figures.

When the adjusted world price is below 80 percent of the original loan, USDA can allow producers to repay loans at the adjusted world price or at any level between the world price and 80 percent of the original loan. To assure a competitive price for U. S. cotton, when the loan repayment level is above the world price, USDA is required to issue first handler certificates to make up the difference, just as under Plan A. Should the world price rise above 80 percent of the loan, under Plan B the world price would become the loan repayment level and no certificates would be necessary.

Heightening producer interest in early signup this year is the availability of advance deficiency payments. Thirty percent of the estimated deficiency payment may be made "as soon as possible" after signup. USDA has estimated the deficiency payment at the maximum level, the difference between the loan and target price, or 27.15 cents per pound. The advance payment therefore will be just over eight cents per pound, half of which is to be paid in cash and half in generic commodity certificates.

The \$250,000 payment limitation amendment that Congress attached to the eleventh-hour appropriations resolution is something new. However the amendment does not, as was proposed by its original sponsors, limit access to non-recourse commodity loans. The limitation will be applied to deficiency, land diversion and disaster payments, plus benefits received by producers resulting from repaying loans at a level below the original loan.

The "limited" cross-compliance rule imposed in 1986 will again be in effect for 1987, meaning program compliance on a given farm will prohibit overplanting of the farm acreage base of any program crop for which an acreage reduction program is in effect.

As in 1986, cotton payment yields for 1987 will be the average of program payment yields for the crop years 1981 through 1985 after dropping the high and low years. However if that calculation results in a payment yield more than five percent below the farm's 1985 payment yield, in-kind payments will be made to provide the same total return as if the yields had not been reduced more than five percent.

MR. AND MRS. WALT RICE

Clinton-Rice Vows Exchanged In Formal Church Ceremony

Miss Karen Annette Clinton and Mr. Walter Jarrell Rice, jr. were united in marriage Saturday afternoon, October 11, 1986, with the Rev. Melvin Clinton, father of the bride, performing the ceremony. He was assisted by the bride's uncle, Rev. Maddison Clinton, of Friendship, Oklahoma. The ceremony was held at the First Baptist Church in Turkey.

The bride is the daughter of Rev. and Mrs. Melvin Clinton of Turkey, and the parents of the groom are Mr. and Mrs. Jarrell Rice of Quitaque.

Given in marriage by her father, the bride wore a floor-length gown of white lace with a chapel-length veil edged with Alencon lace.

Her bouquet was a cascade of white silk rosebuds, peach roses, stephanotis and navy lobelia, carried atop a white lace-covered Bible.

For something old, the bride wore a pair of pearl earrings. Her wedding gown was something new. For something borrowed, the bride wore a pearl necklace belonging to her mother, and her garter was something blue. In further carrying out bridal tradition, she placed pennies in her shoe bearing the years of birth of herself and the groom.

Serving her sister as maid of honor was Debra Clinton of Winfield, Kansas. Bridesmaid was Judy Barrett of Quitaque. They wore three-tiered floor-length dresses of peach accented with navy bows. They carried white satin fans to which were attached peach and navy silk roses.

The groom wore a white formal tuxedo with a peach rose in his lapel.

Best man was Wendell Reed of Silverton, and groomsman was Mike Rice of Amarillo, brother of the groom. Both wore navy tuxedos with peach accessories.

Guests were seated by Gary Clinton of Turkey, brother of the bride, and Jerry Cargill of Kress,

brother-in-law of the groom.

Flower girls were Jessica Carter and Krystle Clinton, nieces of the bride. Jessica carried a basket of peach and navy roses. Both girls wore peach and navy dresses.

Ringbearer was Kevin Carter, nephew of the bride. He wore a white formal tuxedo with peach accessories.

The vows were read before an arch flanked on either side by candelabra entwined with baby's breath and holding peach candles.

Gary Clinton served as candle-lighter.

Mrs. J. R. Adamson, jr. presented nuptial music and accompanied Iva June Johnson of Quitaque as she sang "My Love" and "Forever" during the lighting of the candles.

Both the bride and groom are graduates of Valley High School, and the couple is now at home in Quitaque.

Grandparents of the bride are Helen McClung and Alta Clinton, both of Ponca City, Oklahoma.

Grandparents of the groom are Mr. and Mrs. Sam Sanders of Hedley and Mr. and Mrs. Pete Rice of Quitaque.

RECEPTION

A reception was held immediately following the ceremony. Registering guests was Gwen Honn. Serving the refreshments were Theresa Clinton, Brenda Baker, Cynthia Jeter, Edna Reyna and Laurie Harp.

Claudia and Jarrod Crowell distributed rice bags, and Kari and Clinton Honn presented scrolls during the reception.

The bride's table was covered with a white satin cloth centered with a three-tiered heart-shaped cake which was decorated with peach and navy roses. Crystal appointments were used to serve punch, nuts and heart-shaped mints made by Bonnie Hill of Turkey.

The groom's table featured a German chocolate cake and was

TURKEY ENTERPRISE

November 14, 1946

At the recent session of the Northwest Texas Conference of the Methodist Church held in Pampa, the ministers were appointed for seven months instead of the traditional year. The Conference voted to change the meeting date and end the church year at the first of June instead of the November date which has been the custom. This was done for the sake of the pastors' school-age children.

Rev. C. W. Parmenter was returned to Turkey and Rev. E. B. Thompson was returned to Quitaque.

Bill Mullin, W. R. Mohon and Charles Russell, jr. left Sunday for the mountains of New Mexico on a deer hunt, expecting to be gone a week or ten days.

They headed for the home of Mr. and Mrs. Buck Wilcoxson, 40 miles from Grants where they were to be joined by Roy Mohon, Mr. Wilcoxson and perhaps others.

Mr. Wilcoxson, brother of Mrs. C. A. Russell, is a state forest ranger in New Mexico and his home is high in the mountains and is surrounded by deer, bear and turkey-infested territory; in fact, hunters' paradise. Charles expects to bring back a buck even if his Uncle Buck has to kill it for him. Mr. Wilcoxson has lived in that high mountainous altitude for 28 years.

Miss Alice Geisler, daughter of Mr. and Mrs. Paul Geisler, and Bud Richardson, son of Mr. and Mrs. Joe Richardson, were united in marriage November 9, at Lubbock.

Attendants were Mr. and Mrs. Johnny Jacobs of Turkey, Mr. and Mrs. Thomas Edwards and L. C. Edwards of Lubbock.

A group of men from Turkey enjoyed a wild wolf chase last Tuesday, November 5, at Wind River.

The party was composed of Keno Wilson, Jess Mullin, Dean Lane, Jess Browning, Travis Lyles and Jeff Lyles.

They reported they had hunted all day with nine hounds and saw no wolves but chased a very frightened coyote up a tree. Sounds unbelievable, but it's true, they said.

A son was born Wednesday night at Matador hospital to Mr. and Mrs. Joe King, which makes Mr. and Mrs. D. C. Duke very happy grandparents. Mrs. King is the former Miss Owayne Duck.

Mr. and Mrs. Warren Clark are proud parents of a baby boy born on Armistice Day, November 11, in Turkey. Dr. J. E. Garner was the attending physician. The boy was named Gary Don.

Miss Peggy Geisler, daughter of Mr. and Mrs. Herbert Geisler, was honored with a birthday dinner November 11 on her 11th birthday in the home of her parents.

Those present for the dinner were Mr. and Mrs. Otto Geisler, Mr. and Mrs. A. J. Stroud and Benny, Mr. and Mrs. J. M. Hale, Mr. and Mrs. Walter Geisler and Barbara, Mrs. Paul Geisler, Mr. and Mrs. W. F. Geisler, Mr. and Mrs. George Ray Colvin and

children, Mr. and Mrs. Ewald Geisler and Bob, Mrs. Evelyn Anderson and Joan, Mr. and Mrs. A. H. Bockelman and Janice, Mr. and Mrs. Herbert Geisler and Peggy.

Other friends called during the afternoon.

Miss Ruth Logan, daughter of Mr. and Mrs. Henry Logan of Edgin community, and James Brunson, son of Mr. and Mrs. G. E. Brunson of Quitaque, were

married Friday evening, November 8, at 8 o'clock at the home of the Baptist pastor, Rev. A. L. Shaw, in Quitaque, who read the double-ring ceremony.

Only attendants at the wedding were Miss Inetha Chandler and Pete Blankenship.

Mr. and Mrs. Joe Mark Davis and sons of Levelland spent the past weekend in Turkey visiting in the home of his parents, Mr. and Mrs. Lynn Davis.

Mr. and Mrs. Arville Setliff spent the weekend in Fort Worth visiting with Mr. and Mrs. Scotty Setliff and attending the Cowboy game at Irving Stadium.

CONSERVATION RESERVE PROGRAM REQUIREMENTS MAY CHANGE

If you are planning to put land into the Conservation Reserve Program during the next sign-up, you should be aware of some changes being proposed by USDA. In past signups, we have been able to qualify most of the cropland in Briscoe County based on wind and water erosion; however, proposed changes in how eligibility is decided may make it much harder to qualify your farm for the program in the next sign-up. This could mean that some of the flatter soils, such as the Pullman soils above the caprock, may not qualify in the next sign-up.

Producers who have not planted their wheat this year because they anticipate putting their land in the CRP, should go ahead and get their wheat crop planted. If, by chance, their land is accepted in the next sign-up, the wheat can be used as a dead litter crop to seed native grass into. And, if their land is not accepted, they will have a crop already planted.

The changes, if enacted, will decide eligibility of a field based strictly on soil type and the soil's potential to erode. It will not take into account past crops or farming practices. While this may be a more equitable and fair method of determining eligibility, it could work a hardship on farmers who have not planted their wheat because they plan to put their land in the CRP.

Our advice is that you go ahead and get a crop planted just like there was no Conservation Reserve Program sign-up, and keep in touch with the Soil Conservation Service office and ASCS to find out the latest information. We will let you know if the changes will be made as soon as we hear something.

You can come by the Soil Conservation Service office in Silverton or call us at 823-2320.

NON-FATTENING HOLIDAYS

Thanksgiving and Christmas don't have to mean 10 extra pounds around your middle. To combat that holiday bulge, Methodist Hospital's Nutrition Plus program is offering a class Tuesday, November 18, on low-calorie holiday cooking.

"CHRISTMAS TRIM-mings" will take place from 7-9 p.m. in the hospital's Education Division Classroom 1. Cost is \$10.

Nutrition Plus, an outpatient counseling service of the hospital, is sponsoring cooking demonstrations and samplings of low-calorie recipes as part of the course. The recipes are suited for those who are on regular, weight reduction, diabetic or controlled fat diets.

Registration is limited, so those who wish to participate are encouraged to call (806) 793-4100 to pre-register.

An additional special feature of the course will be tips on holiday garnishing by hospital chef Frank Clark.

Briscoe Tax Continues

Briscoe County's 1986 sales tax rebate checks are continuing to fall behind 1985 totals, according to the report of November checks which represented September and reported Comptroller of Public Accounts in October.

State Comptroller Bob Sent checks totaling \$104 million in local sales tax to cities that levy the one percent city tax, and said the payments to date were down 10 percent as compared to payments to date in November last year.

Houston's check was the largest—\$16.1 million—bringing total payments in 1986 to \$12.7 million, a five percent decrease from 1985.

San Antonio's payment of \$3 million pushed payments to \$3 million, up 5 percent. Austin's check for \$4.8 million brought total payments to \$39.2 million, a five percent decrease from 1985.

Fort Worth received \$32.5 million for a total of \$32.5 million in 1986, up two percent. El Paso's payment of \$2.5 million brought its total to \$21 million, a 10 percent increase from 1985.

Briscoe County's 1986 payments are now 14.63 percent behind 1985 payments. Houston's payment this month of \$1,755,571, off from the \$4 million received at the same time last year, brought the 1986 total to \$16,570,044, down 17.40 percent from the \$20,059,523 that had been received at this time in 1985.

Quitaque's payment for the month was \$1,655,711, as compared with last year's payment of \$2,290,351. This brought the total to \$11,503,851, down 10 percent from the \$12,823,000 that had been received at this time last year.

Area cities, the amount received and percentage increase or decrease in 1986: Claude, \$2,740,666, up 2.5 percent; Dimmitt, \$16,312,12.84 percent; Hart, \$3,330,000, down 7.84 percent; N. Pecos, \$1,742,920, down 5.26 percent; Lorenzo, \$2,087,030, down 1.5 percent; Ralls, \$5,527,500, up 9.67 percent; Paducah, \$1,557,150, down 13.75 percent; Clarendon, \$1,856,790, down 19.36 percent; Howardwick, \$556,220, down 28.08 percent; Floydada, \$98,480, down 6.11 percent; Ney, \$5,208,320, down 1.5 percent; Pampa, \$129,047,400, up 13.38 percent; Plainview, \$136,010, up 6.58 percent; Lakeview, \$493,970, up 4.23 percent; Memphis, \$15,500, up 0.47 percent; Turkey, \$382,780, down 7.34 percent; Quanah, \$1,332,680, up 14.95 percent; Lubbock, \$1,370,409,130, up 2.67 percent; Matador, \$2,800,000, down 5.09 percent; Springs, \$1,413,970, up 0.1 percent; Amarillo, \$1,227,470, up 1.1 percent.

Briscoe Tax Rebates Continuing To Fall Behind

Briscoe County's 1986 tax rebate checks are continuing to fall behind 1985 totals, according to the report of November checks which represented taxes collected on sales made in September and reported to the Comptroller of Public Accounts in October.

State Comptroller Bob Bullock sent checks totaling \$104.6 million in local sales tax to 1,033 cities that levy the one percent city tax, and said the 1986 payments to date were down 1.7 percent as compared to the payments to date in November of last year.

Houston's check was the largest—\$16.1 million—bringing total payments in 1986 to \$132.9 million, down five percent from last year. Dallas' payment was \$12.7 million for a 1986 total of \$99.2 million, a five percent decrease from 1985.

San Antonio's payment of \$6.8 million pushed payments for 1986 to \$53 million, up .5 percent. Austin's check for \$4.8 million brought total payments this year to \$39.2 million, a five percent decrease from 1985.

Fort Worth received \$4.1 million for a total of \$32.5 million in 1986, up two percent. El Paso's payment of \$2.5 million brought its total to \$21 million, a seven percent increase from 1985.

Briscoe County's 1986 payments are now 14.63 percent behind 1985 payments. Silverton's payment this month was \$1,755.57, off from the \$4,475.05 received at the same time last year. This brought the 1986 total to \$16,570.04, down 17.40 percent from the \$20,059.52 that had been received at this time in 1985.

Quitaque's payment this month was \$1,655.71, as compared with last year's payment of \$2,290.35. This brought the 1986 total to \$11,503.85, down 10.29 percent from the \$12,823.85 that had been received at this time last year.

Area cities, the amounts received and percentage of increase or decrease included Claude, \$2,740.66, up 2.96 percent; Dimmitt, \$16,312.49, up 12.84 percent; Hart, \$3,286.94,

2.86 percent; Happy, \$1,651.07, up 28.33 percent; Kress, \$700.74, down 7.72 percent; Tulia, \$13,731.24, down 6.41 percent; Shamrock, \$13,158.50, down 4.21 percent; Wheeler, \$4,819.91, down 3.41 percent.

down 7.84 percent; Nazareth, \$1,742.92, down 5.26 percent; Lorenzo, \$2,087.03, down 17.38 percent; Ralls, \$5,527.59, down 9.67 percent; Paducah, \$7,746.49, down 11.56 percent; Dickens, \$1,557.15, down 13.75 percent; Spur, \$6,888.48, up 32.61 percent; Clarendon, \$10,444.29, down 2.31 percent; Hedley, \$856.79, down 19.36 percent; Howardwick, \$556.22, down 28.08 percent; Floydada, \$11,368.48, down 6.11 percent; Lockney, \$5,208.32, down 1.17 percent; Pampa, \$129,047.47, down 13.38 percent; Plainview, \$143,136.01, up 6.58 percent; Esteline, \$643.03, up 7.93 percent; Lakeview, \$493.97, up 70.29 percent; Memphis, \$15,573.75, up 4.23 percent; Turkey, \$2,080.13, up 0.47 percent; Quanah, \$20,582.78, down 7.34 percent; Jayton, \$1,352.68, up 14.95 percent; Lubbock, \$1,370,409.13, down 2.67 percent; Matador, \$2,563.45, down 5.09 percent; Roaring Springs, \$1,413.97, up 0.34 percent; Amarillo, \$1,227,471.91, up

SCS CONSERVATIONIST NAMED FOR WILBARGER

Tim Holland, a native of Turkey, Texas, has been named the new District Conservationist for the Wilbarger Soil and Water Conservation District of the Conservation Service. Holland, who has recently begun his duties there, succeeds former District Conservationist Wayne Wilcox, who retired earlier this year.

Prior to going to Vernon, Holland held positions with the SCS in a number of Texas cities, including Memphis, where he began his career as a part-time technician.

That diversity of knowledge, he said, includes a strong foundation in both wheat and cotton farming, as well as in area specialization, grass reseeding.

Holland holds a bachelor of science degree from Texas Tech University, where he majored in

Wildlife and Range Science. While at Tech, he was a member of the Texas Tech Range Judging Team.

Holland is joined in Vernon by his wife, Marilyn, their six-year-old son, Russell, and their 20-month-old daughter, Kayla.

Tim is the son of Mr. and Mrs. Loyd (Mutt) Holland of Turkey. Marilyn is the daughter of Mrs. Dorothy Maxwell, now of Bella Vista, Arkansas, and the late Dr. Maxwell.

Keep the cold out!

Up to 40% of a home's total heating and cooling bill can be a result of air infiltration. Air infiltration is simply the uncontrolled movement of air into or out of your home. You can help keep the cold out this winter by taking a few simple conservation measures now.

Weatherstripping

As much cold air can enter your home through a 1/16" crack along the sides and top of a typical doorway as through a 4" x 4" hole in the wall. Help keep the cold out by replacing worn weatherstripping around all doors and windows.

Caulking

Caulking in the cracks around door facings, windows, pipes and wiring will also help prevent air infiltration into your home. Polyurethane or similar caulking is available in an easy-to-install form at most hardware stores.

You can also help draft-proof your home by installing gaskets behind the cover plates of outlets and switches around your home. (Don't forget to turn the power off before removing the switch plates.)

For more information on the prevention of air infiltration this winter, call your local WTU office.
