Pictorial Cancellation Stamp To Be Available On Fall Foliage Day

Glenna Rummel has notified us that there will be a new pictorial cancellation stamp available for the Fall Foliage Event on October 22.

The new stamp was prepared by Ernestine Payne, and it pictures hikers and bikers entering the railroad tunnel surrounded by giant trees.

The publicity has already started on this new stamp cancellation through postal channels.

THEN and NOW!

Integrity—wow what a word. We do not hear it used much these days but it still hold a lot of value if we would only give it the attention that it deserves. How much thought have you given to this word recently? Do you think of it when you hear the news and all the stories about the bad things that happen in our nation today, the murders, the drive by shooting, the muggings, the car thefts, the store break-ins, the advertisements—yes that is the word I meant to use—advertisements!

When we see something advertised on the TV, it often makes us want to go right out and buy that item. It gives us a feeling that we are less of a person, just because we do not own that particular item. That without it our lives will just be ruined or at least stained forever. O.K. so we go to the store and purchase the item that has been so highly recommended to us and take it home with us! Does our life change radically because we have purchased the product? Are we a better person because we own this new thing? Is our health better because we obtained it? (Probably all the good it did our health was the exercise we got to go to the store and buy the item!)

What about integrity in our courts and in the political races? You cannot pick up a paper today without reading some of the promises that the politicians are telling us each day? Do they really think all of us are naive enough to believe all the promises that they are dangling before us, just so that we will vote for them? If we carefully examine the promises we will come to realize that they can no more make good on their promises than we could if we were to have the opportunity to make the laws for us to live by. After all each one only has one vote—one person can make a difference but he has to be able to be realistic in what he can do! Let's try to remember the word integrity when we go to vote this fall! We do need honest, sincere, sound and unimpaired people to run our government for us. But we, too, have a job to do. We must be honest, sincere and use sound judgement when we pick up our pencil to vote for our choice candidate.

We need to show integrity when we go about our everyday lives. This is the only way that our children and grandchildren can catch a case of integrity is if they see the adults in their lives acting in every situation with integrity. So come on if you want you family and friends to learn something from you and to remember you for one trait, let it be integrity.

Quitauque Fire Department Plans Visits

The Quitauque Fire Department is planning to visit with local residents in Quitauque soon. This is an effort by the fire department to keep citizens better informed about the emergency services, training, and equipment needed.

Each year funds are needed to update equipment to be able to control emergency situations that arrive in our area.

Citizens are encouraged to help in any way possible with their time, talent or funds.

We, in Quitauque are quite fortunate to have such caring neighbors that they give up time from their private lives to help fellow citizens when there is a fire or any other type emergency situation.

October is Fire Prevention Month. Perhaps it is now time for each citizen of Quitauque to pull their weight by either donating funds to the fire department or by joining the fire department and helping fight fires that do occur.

Quitauque Ambulance Service Receives Donation

The Quitauque Ambulance Service has received a generous donation from the Martha Ann Cogdell Hospital Trust. Trustees of the Martha Ann Cogdell Hospital Trust are Norma Birdwell, Billy Cogdell and D. M. Cogdell.

Without their generosity the ambulance service and EMTs would be unable to operate. With this donation the EMTs will be able to continue their education and be able to provide needed equipment for the Service which is so beneficial to the citizens of the Quitauque area.

The Quitauque EMTs and citizens of Quitauque sincerely appreciate the generosity of this donation from the Martha Ann Cogdell Hospital Trust.

St. Jude Bike-A-Thon

Plans Underway For Fall Foliage Tour

Plans for the Fall Foliage Tour on October 22 were set in motion a few days ago when Quitauque Chamber members mailed out information and brochures to about 100 organizations, T. V. stations, newspapers and travel writers across the Panhandle.

Karol Pigg headed the committee that assembled material packets and got them on their way to Senior Citizen Groups and others who might be interested in attending Quitauque's Second Annual Fall Foliage Event.

An excellent picture of last year's Fall Foliage Tour appeared in the October issue of Texas Highways Magazine as a group of mountain bikers descended down the Caprock Canyons Trailway.

The Foliage Tour will begin at 8:00 a.m. this year, and then at 11:00 a.m. there will be a soup and salad luncheon at the Quitauque Community Center. Home baked pumpkin desserts will be provided by some of the ladies of the community.

This year, Glenna Rummel will have a new pictorial cancellation stamp designed especially for the Fall Foliage event, and stamp cancellation will take place at the Quitauque Community Center during the day.

Other highlights of the day will include a Health Fair in the lobby of the First National Bank, and a historic tour of homes sponsored by We The Women.

Motorized transportation will be provided for Fall Foliage visitors, but many bikers, hikers and horseback riders are also expected to be present on October 22.

Shamrock Stops Jr. High 24-6 Thursday

by Coach Saul
The Jr. High traveled to Shamrock last Thursday and gave the Irish a very good game. The Irish won the game 24-6, but the game was closer than the final score indicated, as Shamrock made a long TD run in the final minute of the game. Valley's score came on a TD pass from Cory Chandler to Chris Price from 1 yard out. The TD closed Shamrock's lead to 16-6 at that point midway through the fourth quarter. Shamrock led 8-0 at the half.

Denton, Of Turkey Favorite At Brand New Opry Shows

The Brand New Opry ended their summer performances in the amphitheater at Memphis City Park on Saturday night, September 17, 1994. Approximately 500 attended the last show. Turkey resident, Roger Denton, received the most votes as the "Favorite Act." He ended the show with *God Bless the USA* which had been widely requested. Roger is making quite a name for himself as an entertainer. He sang last Saturday night at the Silverton Jamboree and he has also entertained at a guest ranch in the Clarendon area.

THINGS SEEN OR HEARD

by Ann Coker
We are back from nine great days visiting with our children and grandchildren. We left home Monday, September 19 and drove to Brenham to visit Kim, Lisa and Makenzie Coker. This was our first time to see Makenzie and she was already nearly two weeks old! We really enjoyed spoiling our new granddaughter.

On the following Saturday, Linda, and sons, Zach and Josh, came to Brenham to see Makenzie, also Kim and Lisa.

We went to San Antonio Saturday evening when Linda and the boys left. We stayed with Linda & Mark Hamilton and boys and got to spoil the boys a little.

We returned home Tuesday night of last week.

I've heard from several people who enjoyed visiting with Doyle Lacy last Thursday while he was in town. Doyle lives in Lubbock.

Glady's Hanna shared with me that their son, Dolan Hanna, returned to his home in Dimmitt last Wednesday. Dolan had had surgery in Methodist Hospital in Lubbock the week before.

I heard some sad news recently. Several have told me that Rusty and Allen Matthews are going to

Turkey Lions Club Present New Officers

The Turkey Lions Club is meeting twice a month on the 2nd and 4th Monday evenings at 7:00 p.m. at the Bob Wills Cafeteria. All members are urged to attend.

There was a board of directors meeting at 7:00 p.m. on Monday, October 3, 1994 in the home of Lion Boss Shannon Cruse in which several up coming projects were planned to be carried out in the near future.

The elected officers for this year are Shannon Cruse, president; Stuart Smith, vice president; Melvin Clinton, secretary-treasurer; Don Turner, Lion tamer; Ginger Morgan, tail twister and Lion Club Sweetheart, Jessica Clinton.

The Board of Directors are George Colvin, Keith Green, Lisa Price and Louis Randell.

Degan Honored With Surprise Party

Virginia Degan was pleasantly surprised when she entered the Turkey Methodist Church on Saturday afternoon, September 24, and saw the basement decorated for her surprise birthday party.

The refreshment table was covered with an underlay of pink topped with a white lace cloth. An arrangement of silk flowers in pink and orchid, the selected colors, was the centerpiece flanked by orchid candles. Refreshments of coffee, punch, cake and nuts were served by Betty Kesinger and Lisa McKnight, Mrs. Degan's daughter and granddaughter.

A table, covered in the identical same colors as the refreshment table, was centered with a beautiful silk flower arrangement in pink and orchid colors that was given to Mrs. Degan by her nieces from Quitaque and Dumas. On this table pictures of the life of Virginia Degan were exhibited. Jinna Sue Turner, a niece, had prepared a plaque of pictures of Virginia and her two sisters, Totsy Bain and Nell Miller, when they were children.

Lisa McKnight, a granddaughter, prepared a plaque of pictures showing the different stages of Virginia's life. Another plaque displayed pictures of the Degans and family.

A special letter was given to Mrs. Degan from her niece, Shelia (Degan) Gilbert of Alabama. Shelia is a Field Representative and Special Aid to Congressman, Glenn Browden of Alabama. The letter was from Congressman Bowder wishing Virginia a "Happy Birthday" and stating all the good things he had heard about her from Shelia.

Out of town guests who registered were Mr. and Mrs. Lewis McKnight of Amarillo; Mrs. Opal Moore, Grady, New Mexico; Totsy Bain and Jinna Sue Turner from Lockney; Leona Degan, Flomot and Joe and Owayne King from Dumas.

Those attending from Quitaque were Roberta Farley, April Farley, Jamie Wellman, Jessica Wellman, Richard Wellman, Jana Boyles and Marie Ramsey.

Mrs. Degan received a long distance phone call from Rev. & Juana Williams of Lubbock.

Hosting the surprise birthday party were Virginia's children: Mr. and Mrs. Don Kesinger; Mr. and Mrs. Mark McKnight, and children; and Mike Prather all of Amarillo.

move to Plainview. Their daughter, Barbara Holland, lives there and they will be closer to medical facilities as neither of them are in good health. Rusty has provided much interesting news to the paper. They will be missed.

Archie Williams has received some information on a former Turkey resident, Ermine Bray. Mrs. Bray is a patient in a Tyler Hospital and has been listed in critical condition.

Lillian Mullin and Oleta Randell were in Childress Thursday afternoon.

Recent guests of Billie and Maurice Fuston were cousins of Billie, Inez Fuston of Sacramento, California and Retta Brown of Lubbock. Retta's husband has just recently passed away. Inez flew into Lubbock to visit with Retta, her niece and Retta's sister flew in from Dallas to visit with her Aunt Inez. Retta drove Inez to Turkey to visit a few days with Billie and Maurice. They drove her back to Lubbock to catch her plane back to Sacramento.

Willie Majors, Gelene Proctor and Arlie Williams have recently returned from a trip to the Llano River at Arlie's cabin. They reported they had a great time—playing cards, walking to enjoy the beautiful scenery, and some fishing but caught none.

Sherrad Arnold and granddaughter, Brook, were here last week-end visiting with his mother, Dot Arnold and sister, Janice Wheeler. Sherrad did enjoy some hunting while here.

Daphenne Lane underwent surgery last Friday morning at University Medical Hospital in Lubbock. Her daughter, Laura Stewart, was there for the surgery and spent the week-end with her mother. The doctors were unable to do all the work that was needed as Mrs.

Lane wasn't able to withstand that extensive surgery.

Visiting in the home of Lorene and Arville Setliff last week was Lorene's cousin and wife, Truett and Vera Cunningham from Loomis, California. The two couples met at the Caprock Cafe in Quitaque for lunch. The Cunninghams arrived first and Christine Brummett asked Mr. Cunningham if he was related to Lorene Setliff as he resembled Lorene's brother, Bud Richardson so much.

When Mrs. Brummett found out Mr. Cunningham is now the head of *The Texas Playboys Band* she asked if he would write a note to her mother, Olene Edwards, as Mrs. Edwards is a great fan of the late Bob Wills and his band. He graciously did so.

In the October issue of *The Progressive Farmer* magazine there is an article about the changes in the FFA in the last several years.

Jay Eudy, a former Turkey resident and state director of Ag Education in Texas, was quoted, "We faced some real questions about whether Vo-Ag and FFA could survive." But there has been a sharp turn-around since then. Jay is now the acting administrator for the National Council for Vocational Agricultural Education.

Slater-Weatherly Vows Said

Mr. and Mrs. Lex Weatherly

Jodie Slater and Lex Weatherly exchanged wedding vows in a double ring ceremony on Wednesday, August 17, 1994 at 7:00 p.m. at the Country Home Bed & Breakfast in Canyon, with Reverend John Hazel, brother-in-law of the bride, officiating the ceremony.

The bride is the daughter of Mary and Roy Denman of Pampa and the granddaughter of Goldie Denman of Amarillo. The bridegroom is the son of Carol Weatherly and the late Jerry Weatherly of Memphis, and the grandson of Bonnie Hill of Turkey. As she was seated, the groom's mother was presented a white rose in memory of the groom's father.

The ceremony was performed in front of a white lattice gazebo decorated with the bride's chose colors of burgundy and hunter green. Pre-nuptial selections were played by pianist Tim Money of Canyon. Tammy Brooks, vocalist and owner of the Country Home Bed & Breakfast, sang "The Power of Love."

Given in marriage by her father, the bride wore a white off-shoulder gown in beaded and embroidered lace. The waist-length veil featured a headpiece accented with beading. The bride carried a bouquet of white and burgundy roses accented with burgundy and hunter green ribbon.

Ginger Hazel, sister of the bride, of Fort Worth, served as matron of honor. Holly Jones of Amarillo served as maid of honor. They wore burgundy tea length dresses accented with antique lace. Each carried bouquets of burgundy and white flowers accented with burgundy and hunter green ribbon.

Flower girl was Sheridan Davis, niece of the groom, of Memphis. She wore an antique blush tea length dress with puffed sleeves and lace collar and white sash. She wore a head wreath of burgundy and white flowers accented with burgundy and hunter green ribbon.

Jess Weatherly, brother of the groom, of Amarillo, served as best man. Kent Massie of Amarillo served as groomsman. Each wore black tuxedos with burgundy bow ties and cummerbunds.

Hunter Davis, nephew of the groom, of Memphis, served as ring bearer. He wore a black tuxedo identical to the groomsman.

Following the wedding an outdoor reception was held. The bride's table was covered in a white linen tablecloth accented with burgundy bows. The table was placed inside the gazebo and featured a three-tier heart shaped wedding cake covered with burgundy roses and ivy. Complimenting the table was apple cider punch and white rose shaped mints. Serving at the bride's table were Kelly Sabbe, Dena Hardage, and Kathy Kenneley of Amarillo.

The groom's table was a glass-topped table with a centerpiece of the bride's chosen colors. The table featured a chocolate cake decorated in the golf course theme. Serving at the groom's table were Tina Ferguson and Brandi Rabel of Pampa.

Following a wedding trip to Red River, New Mexico, the couple are at home in Amarillo. Both the bride and groom are employed at North West Texas Hospital in Amarillo.

4-H Projects Are Traditional

4-H Livestock projects have been a tradition in many Briscoe County families for many years. There are many reasons why this has always been a successful part of the 4-H program across the state and Briscoe County. You may ask any of the local families who are involved in 4-H or even ask your local county agent why they enjoy showing livestock in 4-H and they will tell you. Now is the time of the year for new 4-H members to join and the current 4-H members to get their swine and sheep projects on feed for the county and major livestock shows to be held in January and February.

If you are a prospective member or a current member who needs help purchasing a hog or sheep project for their 4-H project or, if you want to learn more about 4-H and youth livestock shows, then you can contact the county agent, Scott Strawn at 823-2131. The Valley 4-H Club meets every 2nd Tuesday at the school cafeteria at 3:45 p.m. All 3rd graders through 19 years of age are welcome to attend and join.
