Valley Takes First Win Of Season Over Claude

The opening game is always a tough one for the Valley Patriots. This year proved to be no different. The Patriots jumped to a 12-0 halftime lead, then stretched it to 18-0 in the third quarter. Claude then made an attempt at a come back. They scored on a 46-yard pass play. After the TD, they added a run for the two extra points, which made the score 18-8. In the fourth quarter, Valley added a security touch-down to stretch the score to 24-8. Claude answered again with an 11-yard pass play and the two point conversion run. This brought the score to 24-16, and Valley's defense held on for the victory.

The Patriot scores came on a 26-yard pass play from Kirk Saul to Matt Barrett, a 9-yard run by Tim Clardy, a 12-yard pass play from Saul to Barrett, and a one-yard run by Clardy.

Coach Giddens lauded several players for their production. He recognized the passing combination of Saul and Barrett, the two receptions by Criss Morrison, blocking by fullback Will Williams, execution of the option by Saul, the running of Tim Clardy. Giddens said, "We are extremely pleased with the defensive play of Jamie Cox. He was a JV player last year, but he definitely played like a varsity player against Claude. I hope Jamie's effort rubs off on some of the others."

Roy Beavers was injured last Friday night and was taken to Lockney Clinic for X-rays. Beavers is back in school but getting around very slowly. Coach Giddens said he has a bad bruise on the lower part of his back and it will take a few weeks to get over. He hopes Beavers will be ready in two or three weeks. Giddens stated, "He wants to play, so I expect that to speed up his healing process."

Statistically, Saul completed eight of 24 for two touchdowns. Barrett received three for 48 yards and two touchdowns; Williams, two for 21 yards, Morrison, two for 17 yards, Clardy, one for 19 yards. Rushing, Clardy carried 28 times for 175 yards and Williams carried 15 times for 60 yards.

According to the Amarillo Daily News, Claude was picked to win. Claude has 17 returning starters, and Valley lost all their starting seniors and this is a new team. Valley can't be "cut short."

Mr. and Mrs. Brad Ziegler and son, Trey, of Silvertown were guests of her parents, Mr. and Mrs. Johnny Perry, Sunday.

They surprise even their fans at times. Let's keep up the good work.

Valley has another home game this weekend. Happy comes to Valley and play starts at 8:00

p.m.

Turkey Featured In PRPC Newspaper

Turkey, Hall County, Texas, was founded in 1983, incorporated in 1926. The population is 644. The altitude is 2,348, with a land area of one square mile. There are 359 water meters, with emergency services of 20 volunteer firemen, ten auxiliaries (nine EMTs), sheriff's deputy.

The educational facility is Valley Consolidated School District with grades K-12, enrolling 297 students and 23 faculty members. The economy includes gas, farming and ranching.

It was a place where turkeys roosted and it was named Turkey Roost. Until 1893 and the founding of the first post office in the southwest Hall County town, the name was sufficient. The post office was responsible for the shortened name.

By 1926, when it was incorporated, Turkey was well established as the economic and social center of the area, at one time with a population of over 2,000. However, the hard times of the thirties and forties took their toll and the sandhill farming went from subsistence to impossible for many on the banks of the Little Red River. As people pulled up their shallow roots and left for greener pastures, the small country schools closed one by one. By the late fifties, the population had dropped to 1,000 and has finally levelled out at the 644 mark.

Turkey, in its heyday, was the site of 12 service stations, two grocery stores, several variety stores, a newspaper and three drug stores. The shells of those stores still line Turkey's main street.

It's not as if Turkey is dead or even dying; there is still a considerable market in cotton, watermelon, peanuts and some grain crops. One local farmer is even experimenting with a grape vineyard that may bring new life to the economy.

Of course, Turkey comes very much alive once a year during the Bob Wills celebration. Its most famous son grew up near there and always gave the village its due as his fame on the western swing trail grew. The people in his hometown repay the compliment each April with a three-day celebration known around the state.

There's a never-say-die attitude prevalent among the people who live in and near Turkey.

They combined with nearby Quitaque in the early seventies to build the Valley Independent School District. More recently, with the assistance of the Panhandle Regional Planning Commission, completed a 2,000 foot water line to provide service to everyone within the city limits.

There were 32 present and all enjoyed the salad supper, singing and visiting.

the school cafeteria.

The crowning of the Football Sweetheart and Pep Squad Hero will be at 7:30 at the football field. At this time, the cheerleaders and the pep squad will do their routines.

Come out and support the Valley Patriots!

Valley Class of 1975 To Meet Saturday

The Homecoming Football Game for Valley Schools will be played Friday night at Valley with Happy.

The Class of 1975 has chosen this time to have a get-together and since so many could not get off work in time to get to the football game, they plan to have a reunion Saturday night, September 15, at the Bob Wills Center Cafeteria, beginning at 7:00 p.m.

The class invites all teachers and friends to stop by for a visit.

Turkey Senior Citizens Elect New Officers

Turkey Senior Citizens met Tuesday, September 4. Mr. and Mrs. Glen Christian were there to take blood pressure for the group.

Officers elected for the new year were Buster Hanna, president; Guy Smith, vice president; Kathleen Green, secretary-treasurer, and Marcella Patterson, reporter.

There were 32 present and all enjoyed the salad supper, singing and visiting.

OBITUARIES

LESTER ORAN WYNN
 Funeral services for Oran Wynn, 63, of Turkey were conducted at 3:00 p.m. Monday, September 10, at the First Baptist Church in Turkey with the pastor, the Rev. Melvin Clinton, officiating. Burial followed in Dreamland Cemetery under the direction of Schooler-Gordon Funeral Directors of Turkey.
 Mr. Wynn passed away at his home in Turkey early Saturday morning, September 8. He was born in Turkey on March 21, 1921, a son of Mrs. Erma Wynn and the late Pete Wynn. He was married to Audrey Mitchell on May 2, 1947 in Wheeler. He served in Europe during World War II and was injured in one of the battles.
 He was preceded in death by two brothers, Carl, in 1919, and Everett Glen, in 1929. He was also preceded in death by his father, Pete Wynn, in April of this year.
 He is survived by his wife, Audrey, of Turkey; his mother, Mrs. Erma Wynn, also of Turkey; three brothers, Doyle of Estelline, Burl of Mesquero, New Mexico, and Jim of Carlsbad, New Mexico; six sisters, Glynda Wynn and Inez Payne, both of Lubbock, Lawana Cruse of Turkey, Joy Lee Martin of Clarendon, Norene Clark of Amarillo and Edna Gibson of Tulia.
 Nephews were pallbearers.

KITTY HAWKINS PATRICK
 Funeral services for Kitty Hawkins Patrick, 84, were held at 3:30 p.m. September 11 at the First Baptist Church in Quitaque with the Rev. Jess Little, pastor, and the Rev. Dennis Flaughner, pastor of First United Methodist Church, officiating.
 Mrs. Patrick died at 7:30 p.m. September 9 at Central Plains Hospital in Plainview. Burial was in Resthaven Cemetery at Quitaque.
 Born in Floyd County on May 15, 1900, she spent her entire lifetime in the Quitaque area. In 1919 she married Kelly Patrick, who died in 1966. She was a member of First Baptist Church.
 Survivors include a daughter, LaRue Golden of Lubbock; five sons, Olin of Fort Worth, Vergil of Cisco, Roy of Amarillo, Arthur and Earl, both of Quitaque; 15 grandchildren and 22 great-grandchildren; and a number of nieces and nephews. She was preceded in death by a son, Walter, in 1973.
 Pallbearers were Sid McFall, jr., Marion Wilson, Bruce Price, Roy Grundy, Booger Taylor and Bart Owens.
 Mrs. Bertie Garner spent several days in Hall County Hospital. She is now at home and doing better, it was reported.

Valley JV Defeats Childress Ninth Grade

Valley High School's junior varsity team defeated the Childress ninth grade by the score of 8-6 Thursday of last week at Childress.
 Childress took an early second quarter lead on a 31-yard touchdown run. The extra point was blocked by Eric Scoggins. The halftime score was 6-0.
 After a scoreless third period, Valley came on to score a touchdown late in the fourth quarter on a 51-yard run by Eric Scoggins. Brandon Smith passed to Joe Silva for the two-point conversion. Valley went ahead 8-6 with 50 seconds remaining in the game. Valley had one good final defensive effort to preserve the victory.
 The entire Valley squad played a good game, with a special note for the play of Eric Scoggins, Brandon Smith, Kirk Martin, Gary Brannon, Scott Saul and Joe Silva.
 Valley's next game will be Thursday, September 13, at Valley against Groom JV.

Camera Club Meets Tonight

The Quitaque Camera Club will be having its monthly meeting tonight (September 13) at 8:00 p.m. at the First National Bank Community Room. The program will be on the "Imaginative Use of Filters." You will be able to see how a blue filter is used to create the feeling of cold in a winter scene or to give the feeling of moonlight. You will also see how warmer colors can simulate feelings of heat in certain subjects or how you can make your subject appear more soft, delicate or decorative.
 The program will also show how you can reduce reflections and how to create multiple images, stars and motion effects. All of these effects are possible with even the simplest cameras. All that is needed is a certain inexpensive filter to create the different effects.
 Make plans to attend this interesting program and learn how you can make better pictures.

Fay Cawley visited recently in Oklahoma City with her daughter, Marlene and Ray Mullin, and then in Dallas with her other daughter, Darlene Cagle and Kris.

IN HOUSTON HOSPITAL

Mrs. Reona Holcomb is in intensive care at St. Luke's Hospital in Houston where she was taken after suffering a heart attack at the home of her daughter, Mrs. L. C. (Jerene) Giesecke. At last report she was in stable condition.
 Mr. and Mrs. Jack Lacy, Mrs. Telia Gilmore, along with Dot Arnold of Tulia and Jake Lacy of Groom all have visited her as well as her son from Amarillo. It was reported that if she does not have a set-back for three weeks, they can perform surgery and she will have a good chance for recovery.
 Gordon Bain spent a few days in Lockney Hospital this week for treatment.

Mrs. Sue Curtis of Lake Isabella, California sent the Valley Tribune six renewals (and new subscriptions) as her mother, Mrs. Otis Wilson, did for so many years. She says she really enjoyed the Homecoming and wishes she could have seen "everybody" but her time in Texas was too short. She hopes to come back soon. She spent some time with the Leslie Wright family in Plainview and was instrumental in getting them to the Homecoming. They subscribed to the Tribune, too.

The Tribune received a renewal from R. John Smith of Salem, Oregon and he says he enjoys the Tribune very much, keeping up with friends and relatives in the area.

Emergency Application
 Applications for emergency farm loans for losses caused by this summer's drought and extremely high temperatures are being accepted at the Home Administration office located in Tulia, 21st and 2nd, or Silvertown on Wednesday morning at the Briscoe County Courthouse, FmHA County Supervisor George H. James said today.
 Briscoe County is one of eight in Texas recently named Secretary of Agriculture as Block as eligible for loan cover part of actual production losses resulting from drought.
 James said farmers eligible for loans of up to 10 percent of their actual loss. The operating loan need not continue in business, or \$100,000 whichever is less. For those unable to obtain credit, private commercial lenders are offering interest rate on the first \$5,000 borrowed is five percent. The balance borrowed over \$5,000 is eight percent. Farmers who obtain commercial credit must choose to borrow from the interest rate is 13.75 percent. As a general rule, a farmer must have suffered at least a 25 percent loss to be eligible for a loan.

"Big Red Feed"
 The Red Raider Club, Tech University's athletic organization, will sponsor "Big Red Feed" preceeding Texas Tech vs. University of Texas at Arlington football game in Jones Stadium in Lubbock Saturday, September 15.
 The "Big Red Feed" is a fund to provide quality entertainment and food for the family while raising money for the Tech athletic scholarship fund. The pre-game feed will be held in the Municipal Coliseum adjacent to Jones Stadium from 4:30 to 6:30 p.m.
 The internationally famous Odessa Chuck Wagon Gang provide the "feed" portion of the program—a complete beef meal, prepared as served by the Odessa Chuck Wagon Gang.
 The Pepper Martin Band from Odessa will provide entertainment at the feed from 4:00 - 5:00 and 5:30 - 6:30 p.m.

Emergency Farm Loan Applications Being Accepted

Applications for emergency farm loans for losses caused by this summer's drought and extremely high temperatures are being accepted at the Farmers Home Administration (FmHA) office located in Tulia, 219 NW 2nd, or Silverton on Wednesday morning at the Briscoe County Courthouse, FmHA County Supervisor George H. James, Jr., said today.

Briscoe County is one of the eight in Texas recently named by Secretary of Agriculture John R. Block as eligible for loans to cover part of actual production losses resulting from the drought.

James said farmers may be eligible for loans of up to 80 percent of their actual losses, or the operating loan needed to continue in business, or \$500,000, whichever is less. For farmers unable to obtain credit from private commercial lenders, the interest rate on the first \$100,000 borrowed is five percent; interest rate is eight percent on the balance borrowed over that amount. For farmers who can obtain commercial credit but who choose to borrow from FmHA, the interest rate is 13.75 percent.

As a general rule, a farmer must have suffered at least a

30-percent loss of production to be eligible for an FmHA emergency loan, James said. Farmers participating in the PIK or federal crop insurance programs will have to figure in proceeds from those programs in determining their loss.

Applications for loans under this emergency designation will be accepted until April 23, 1985, but farmers should apply as soon as possible. Delays in applying could create backlogs in processing and possibly carry over into the new farming season, James said.

FmHA is a credit agency of the U. S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farming for a substantial part of their living. Eligibility is extended to individual farmers who are U. S. citizens, and to farming partnerships, corporations or cooperatives in which U. S. citizens hold a majority interest.

The FmHA office in Tulia is open from 9:00 - 12:00 a.m. and 1:00 to 5:00 p.m. Monday through Friday. It is open in Silverton from 10:00 until 12:00 a.m. on Wednesdays.

"Big Red Feed" To Kick Off Texas Tech Football Season

The Red Raider Club, Texas Tech University's athletic booster organization, will sponsor a "Big Red Feed" preceding the Texas Tech vs. University of Texas at Arlington football game in Jones Stadium in Lubbock on Saturday, September 15.

The "Big Red Feed" is designed to provide quality entertainment and food for the entire family while raising money for the Tech athletic scholarship fund. The pre-game festivities will be held in the Lubbock Municipal Coliseum adjacent to Jones Stadium from 4:30 until 6:30 p.m.

The internationally famous Odessa Chuck Wagon Gang will provide the "feed" portion of the day's program—a complete barbecue meal, prepared as only the Chuck Wagon Gang can.

The Pepper Martin Band from Odessa will provide musical entertainment at the Coliseum from 4:00 - 5:00 and 5:30 - 6:30

p.m. In between, the Lubbock Square Dance Association will provide dancing and musical entertainment from 5:00 - 5:30 p.m.

The Tech-UT Arlington game will kick-off at 7:00 p.m.

Tickets for the "Big Red Feed" are priced at \$8 per meal and may be obtained from the Red Raider Club office in Lubbock or the Texas Tech Athletic Office. They will also be available at the Coliseum door Saturday.

The Superintendent's Corner

by Wilburn Leeper

The month of September is nearly half over and classes at Valley are entering the third week of the new school year. Kindergartners have just about found their way to the drinking fountains, the rest room, and the cafeteria and are becoming full-fledged students at Valley. We've a number of new students and each falling right into the normal student life at Valley. School has gotten off to a great start and Valley has already won its first football game.

Teachers, parents and students are reacting well to the new required changes. Everyone seems to be resolved to the fact that education in Texas, from now on, is a whole new ballgame.

A new method of pupil accounting is in effect beginning this year. The way pupil accounting is figured and the procedure of receiving state money is somewhat difficult, but when all is said and done, the better the school attendance the more state funds we receive for school operation. In prior years, funds were received based upon the average attendance as earned the whole year but this year only four weeks of the entire year will be used for attendance purposes. Those four weeks will be in October; therefore, a concentrated effort must be made to get the best possible attendance during the four weeks of October.

October is normally one of our highest months of student enrollment and there is a good chance that this year's average attendance will be better than last year. We are going to try hard to make October attendance the best it can be. Everyone will benefit from the effort.

One of the provisions of House Bill 72 which will attract some attention throughout the year has to do with "social promotions." Schools in the past have traditionally allowed some students to be promoted from one grade to the next without having completed academic grade requirements. Under certain conditions, this type of promotion was acceptable and even encouraged. Schools now, however, may not grant social promotions but

students may be promoted only on academic achievement. The student must maintain a grade average of at least 70 to be advanced from one grade to the next and this applies to grades 1-12.

Of particular interest to parents: If your child brings home a grade on his/her report card of less than 70, then a conference between the teacher and parent will be requested. At times it will be inconvenient and difficult to arrange a conference but perhaps better communication between parents and teacher will produce a more productive child. The effort will be justified!

Some of the kindergarten students were talking about the different kinds of immunization they had received before starting the school year. Several had the names down correctly but one youngster said he had gotten a "buster" shot.

The next student holiday will be October 22. Teachers will be participating in in-service on that day.

Senior Class Elects Officers

Senior officers for the year 1984-85 elected last week are Criss Morrison, president; Tim Clardy, vice-president; Glyn Pigg, secretary; Larry Clay, reporter, and Ray Don Taylor, treasurer.

The seniors will sponsor a Taco Supper September 14 from 5:30 until 7:00 p.m. The meal will consist of tacos, beans, salad and pie. The cost is \$4.00 per plate. Come out and support the seniors!

Ralph Carter and his sister, Mrs. Floye McCracken, drove to Lubbock Thursday of last week to be with their brother, Ray Carter of Muleshoe, when he underwent surgery. When they arrived, Ray had been re-scheduled because of a complication. They returned home and Ray underwent surgery later in the day. It is reported he came through fine and is doing well. He is in Methodist Hospital.

James To Retire September 28

George H. James, jr., County Supervisor of Swisher and Briscoe Counties, has announced his plans to retire effective September 28, 1984.

He has completed 33 years of government service, including his military time. He has served

15 of those years in the Tulia Farmers Home Administration office, having moved his family to Tulia in July of 1969.

Vehicle Parking To Be Taxed Next Month

Paying to park your car at Astroworld or Six Flags Over Texas is nothing new.

But now there is added admission: A tax on parking beginning October 2. It's the new law.

The new tax laws the Legislature passed and Governor Mark White signed bring parking under the long list of items that can be taxed under the state sales tax of 4 1/8 percent.

The exact taxes Texans will have to pay for using parking lots, garages, or other parking structures will vary. The highest taxes will be in Houston and Dallas. Each city has an additional city sales tax and a special tax for mass transit.

The tax rate for those two cities will be 6 1/8 percent beginning October 2. How the new tax rates affect actual parking prices remains to be seen. But it is unlikely parking lot operators will swallow the additional tax.

It most likely will be passed on to Texans who use parking

facilities while at work or while having fun.

For those Texans in larger cities who have to park their cars every day in parking garages, the tax will be felt immediately.

A monthly parking fee of \$100 in Dallas or Houston will buckle up to \$106.13.

Texans who park their car at Astroworld or Six Flags for the day or at parking lots in San Antonio not far from the Riverwalk will see smaller increases.

A \$3 per day fee at Astroworld or Six Flags climbs to \$3.18. In San Antonio an hourly fee of \$2 will rise to \$2.09.

However large or small the added parking tax to get into Astroworld, that is only the beginning.

You are going to have to pay an extra tax on admission to rides.

Any questions on the new parking tax can be answered by calling State Comptroller Bob Bullock's office toll free, 1-800-252-5555, or the regular number, 512 475-1931.

Investment Dressing

Saving money when buying clothes may be easier than you think. Experts suggest you look for styles and materials that are durable, classic, versatile, and which can be worn comfortably throughout most of the year. Here are a few hints from The Wool Bureau that may make you more skilled in the fine art of investment dressing:

- Look for fabrics which can be worn comfortably in a variety of temperatures. Lightweight wools for example, "breathe" — evaporating moisture from the skin — are durable and soil-resistant. Wools such as worsteds and gabardines are feather-soft and unlined, which means they can be worn almost all year round.
- Spend the biggest portion of your fashion dollar on clothing made of durable natural fibers in classic cuts.

Preserving jars are fine for jams and jellies, but not for your hard-earned cash. For that you need a place where it won't just sit idly by . . . where it's protected by the U. S. government and where it will have some room to grow. Like one of our many savings accounts. Your money will work for you, earning interest, and will be insured for up to \$100,000. Broxson Family Holds Reunion In Oklahoma

reported by Hattie Lois Carter

The time has come and gone for the annual Broxson family reunion.

This was the nineteenth reunion we have held at Lugart Lake in the Quartz Mountains located north of Altus, Oklahoma. This was one of the largest attendances with 108 family members and six visitors present. The family began gathering early Friday and the last arrivals came Sunday morning.

Theme of the reunion this year was "County Fair." Quite a few brought arts and crafts to the fair. Blue ribbons were presented to the winners with red ribbons and white ribbons to second and third place winners.

We have a hotly contested volleyball tournament with each brother and sister and their family fielding a team. We also have a fair sized group of spectators. The family of Opal Broxson won the silver traveling trophy this year. We have a "42" tournament with six or seven tables. There was also a horse-shoe pitching tournament and washer pitching tournament with trophies given to the winners in each.

There was much visiting, eating, picture taking and mountain climbing, the latter being for the "young" and "young at heart." It was a fun weekend and everyone arrived safely home later.

Those attending were Willie Broxson, Monahans, and members of his family present were Charles Broxson, Monahans, Mr. and Mrs. Larry Broxson, Eric and Lorelie, Midland, Mr. and Mrs. Randy Parker, Jo Beth and Amy, Saginaw, Mr. and Mrs. Bill Broxson, jr., Francis and Damon, Perryton, Mr. and Mrs. Don Broxson, Donnie, Matt and Melinda, Corsicana.

Also, Mr. and Mrs. Cecil Broxson, Fort Worth, and members of their family present were Mr. and Mrs. Bennie Tinker, Collyville, Mrs. Terry Payne, Terry Ben and Troy, Fort Worth, Mr. and Mrs. Raymond Trantham, Houston, Mr. and Mrs. Dennis Lake, Greg and Jeremy, Dallas, Mr. and Mrs. Cecil Ray Trantham, Shane, Shannon, Scott and Stacy, Huntsville, Ted Trantham, Erin and Kerri, Cynthia and Tiffany West, Houston, Mr. and Mrs. Lance Reed, Frost, Twilla Dillard, Arlington.

Jack and Ruth Broxson were unable to attend, but members of their family who were present were Mr. and Mrs. Don Tindall, Mr. and Mrs. Ricky Tindall, Alison, Wes and Jay, all of Borger.

Viola Fawver of Fort Worth and members of her family present were Mr. and Mrs. Ryan Smith, Bryan and Vicki, Mr. and Mrs. Dennis Mason, Fort Worth, Mr. and Mrs. Leonard Fawver, Mr. and Mrs. Lenny Fawver, Tracy, Laura Lee and Cheryllyn, all of Crowley.

Ruby and Gibbs Rucker, Clovis, New Mexico, and members of their family present were Mr. and Mrs. Donald Rucker, Leah and Lynd, Mr. and Mrs. Billy Rucker and Tara, Clovis, Mr. and Mrs. Johnny Rucker and Tasha, Texico, New Mexico, Mr. and Mrs. Byron Mayfield, Bovina, Terry Rucker, Dallas.

Opal Broxson, Sunray, and

members of the family of the late L. A. Broxson present were Mr. and Mrs. Bob Broxson and Lance, Sunray, Annette Broxson, Amarillo, Mr. and Mrs. Bruce Broxson and April, Sunray, Mr. and Mrs. Claude Henderson and Raymond, Mrs. Katherine Fleehearty, Kelle and Casey, all of Indianapolis, Indiana.

Hattie and Ralph Carter and their family members present were Mr. and Mrs. Larry Hedrick and Layne, Canyon, Mr. and Mrs. Mel Carter and Melanie, Lubbock.

Also attending were Allene and Harry Barnhill, Fort Worth, and Mr. and Mrs. T. J. Broxson, Texico, New Mexico.

There were six visitors present. They were Steven Pons, Houston, friend of Cynthia West, John Reeves, Perryton, friend of

Damon Broxson, Vera Walters, Mangum, Oklahoma, grandmother of Janet Broxson, Brit Brown, Gruver, fiancée of Annette Broxson, Jeff Tasker, Arlington, fiancée of Twilla Dillard, and Gina Lipscomb of Corsicana, niece of Mrs. Don Broxson, making a total of 114 present. The largest group to date has been 117.

Plans to return to the same place next year are pending cabin reservations. Bryan and Schree Mayfield will be the officers for another year. Twilla Dillard and Angie Reed were officers this year. Their mother, Sherry Dillard, and her daughters were to have been co-workers this year, and Mrs. Dillard died in November. Her daughters carried on alone and did a marvelous job.

We all appreciate their dedication and a job well done.

Coker-Hamilton Exchanged Vows

Linda Coker and Matt Hamilton exchanged their vows in a double-ring ceremony Saturday, August 18, a.m. at the First United Methodist Church in Turkey. L. Armstrong, pastor, presided over the ceremony.

Parents of the couple and Mrs. U. F. Coker and Mr. and Mrs. Elwood Hamilton of Lubbock.

Brenda Coker of Juno served as her sister's maid of honor. Bridesmaids were Dina Coker, sister of the groom, and Caroline of Lubbock.

Elwood Hamilton of Lubbock served as his son's best man. Groomsmen were Joe Clay Wright of Lamesa, brother of the bride, and Wofford of Lubbock.

Lisa Coker of Sugar Land is the bride's sister-in-law of the bride, guests.

Big bows of pink baby's breath and white flowers were used to decorate the altar. It was accented with white flowers in the pink altar rail and the rails flanking the altar. A fan-shaped candelabra was flanked by tall baskets containing flowers in the pink altar rail and the rails flanking the altar. The chandelier was accented with white flowers in the pink altar rail and the rails flanking the altar. Coker-Hamilton Vows Exchanged In Turkey August 18

Linda Coker and Mark Hamilton exchanged their wedding vows in a double-ring ceremony Saturday, August 18, at 11:00 a.m. at the First United Methodist Church in Turkey. Rev. W. L. Armstrong, pastor, performed the ceremony.

Parents of the couple are Mr. and Mrs. U. F. Coker of Turkey and Mr. and Mrs. Elwood Hamilton of Lubbock.

Brenda Coker of Junction was her sister's maid of honor. Bridesmaids were Dinah Hamilton, sister of the groom, of Lubbock, and Caroline Rushing of Lubbock.

Elwood Hamilton of Lubbock served as his son's best man. Groomsmen were Joe Cope and Clay Wright of Lamesa. Ushers were Kim Coker of Sugarland, brother of the bride, and Shaw Wofford of Lubbock.

Lisa Coker of Sugarland, sister-in-law of the bride, registered guests.

Big bows of pink silk with baby's breath and white bells were used to decorate the pews.

A fan-shaped candelabra centered the altar. It was decorated with different shapes of pink silk flowers and a large bow. The candelabra was flanked by two tall baskets containing fresh flowers in the pink shades accented with white flowers. The altar rail and the rails surrounding the choir loft were covered with gathered pink net. Sixteen small crystal candle holders were placed on the net. They were decorated with tiny pink flowers and contained white candles. Candles were lighted by Kim Coker and Shaw Wofford.

Music for the wedding was provided by Cindy Griffin of

Quitaque, at the piano. "Ice Castles" and "Longer" were sung by Alton and Donna Hurley of Amarillo.

Given in marriage by her father, the bride wore a long white silk gown with a train. It had long sleeves with wide cuffs of lace, buttoned with tiny covered buttons. The waist was slightly gathered with a band of narrow lace from which a peplum flared over the hipline. The yoke was made of white net with scrolls and flowers accented with many tiny pearls. A wide band of lace covered with pearls made the high neck.

For something new, in addition to her gown, the bride wore pearl

earrings, a wedding gift from the groom. For something old she wore her maternal great-grandmother's wedding band which is approximately 90 years old. The ring was worn on a gold chain borrowed from her twin sister, Brenda. Something blue was her blue garter.

As the bride and her father came down the aisle, she presented her mother with a long-stemmed pink rose. As the bridal couple left the altar, she presented a rose to the groom's mother.

The bride's attendants wore long pink dresses with a ruffle extending from the waist to the hem, giving the wrap-around look.

The male members of the wedding party wore grey tuxedos with light grey trousers and dark grey vests and coats. The groom wore a morning coat.

RECEPTION

A reception for the wedding party and guests was held in the beautifully-decorated fellowship hall of the church. White trellises were covered with lemon leaf and pink silk flowers interwoven among the green leaves. Huge silk tiger lilies in shades of pink centered the lattices. Tall green houseplants were placed at the end of each trellis, which provided the background for the bride's and groom's tables.

Both tables were covered identically with pink underlay covered with ecru lace cloths.

The bride's table was centered with the bridal bouquet composed of tiny pink rosebuds. It was flanked by the punch bowl and wedding cake. The cake was a three-tiered confection topped with a small replica of the bride's bouquet done in silk flowers. Tiny white steps covered with pink flowers ascended from the bottom tier to the top of the cake.

From the crystal punch bowl, pink punch was served. Pink and white mints were served from crystal bowls. Crystal plates, cups and gold flatware completed the table service.

From the groom's table, coffee was served from a silver coffee service. Finger sandwiches, sausage balls, watermelon and canteloupe balls, fresh strawberries and strawberries dipped in white chocolate were also served from the groom's table. Silver flatware was used.

Diane Smith and Sheri Bawcom presided at the bride's table, and Sara Mathes presided at the

groom's table.

Robyn Lane and Kacey Fuston helped pick up the dishes and distributed rice bags. Mrs. Pat House was in charge of the reception. Other members of the reception party were Janice Wheeler, Lorene Setliff, Vera Guest, Mozelle Eudy, Virginia Degan, Margie Pinkerton, Cindy Lane and Johnnie Brittain.

The bride and groom left for a honeymoon trip to New Mexico and are now making their home in Lubbock.

REHEARSAL DINNER

Mr. and Mrs. Elwood Hamilton of Lubbock hosted a rehearsal dinner August 17 in the Senior Citizens Room in Turkey in honor of Linda Coker and Mark Hamilton.

A Spanish and Indian motif was used. The large round tables were covered with white cloths with an overlay of kelly green. Centerpieces of bright silk flowers were placed in colorful paper sacks on each table.

The buffet dinner of brisket, beans, salad and fruit cobblers was served from huge black Indian pottery dishes. Behind the serving table stood tall black Indian panels. Tall containers of bright colorful flowers and candles stood on each side of the panels.

OUT-OF-TOWN GUESTS

Out-of-town guests of Mr. and Mrs. U. F. Coker for the wedding of their daughter, Linda, were his sister, Mrs. Evelyn Mayfield of Rio Vista; her brother and sister-in-law, Mr. and Mrs. Chuck Bogan, Borger, and two of their daughters, Ken and Linda Moot-

er and son, Michael, of Dallas, and Donna Trew of Dumas; also Mr. and Mrs. J. C. Harris of Kress.

Mrs. Estelle Davidson drove to Tulia and spent Wednesday night of last week visiting her daughter and husband, Mr. and Mrs. S. B. McCracken. On Thursday, she drove to Amarillo and spent the night with her sister, Mrs. Sophie Cook. She visited another sister and husband, Mr. and Mrs. N. A. Shackelford, and she spent Friday and Saturday and Saturday night with her son and family, the Fred Davidsons.

Mrs. Shackelford returned home with Mrs. Davidson to spend a few days this week. They stopped in Tulia enroute home and visited the McCrackens for a short time.

Mr. and Mrs. J. D. Nance of Silvertown were dinner guests of Mr. and Mrs. Leroy Hamilton Sunday. J. D. spoke at both services at the Quitaque Church of Christ.

Lottie Owens attended the golden wedding anniversary reception for Mr. and Mrs. Wayland Fitzgerald in Silvertown Sunday afternoon. Mr. and Mrs. Ross Herrington came in while she was there.

Mr. and Mrs. Jerry Landry have been vacationing in Red River and Hobbs, New Mexico.

CHILD CAR RESTRAINT

Imagine a world in which children were required to walk along a ledge three stories above the ground each day on their way to school. Most of us would be in a panic. We would at least insist that railings be built to keep the children from falling and that they wear protective padding in case of falls.

Does this sound far-fetched? Authorities tell us that the impact of a fall from that height is equal to the force of an auto crash at 30 miles per hour—a presumably safe speed. Yet the overwhelming majority of children, as well as adults, riding in cars are neither properly restrained nor protected.

An estimated 80% of American children are immunized against contagious diseases, but only 7% are properly restrained when riding in a car. We parents go to great lengths to protect our children from serious illness yet

fail to take similar precaution with regard to car safety.

A doctor in a pediatric emergency room commented: "Parents spend money on music lessons, swimming classes, and all kinds of sports activities for their kids, but they won't spend a dime to keep them alive in a car. I feel personally responsible when a child comes in with severe injuries because I can't convince parents to do anything. Maybe they would be convinced if they could watch one night in the emergency room with me as these youngsters come in cut up and bleeding—then they'd see what I'm talking about."

The child safety seat law passed by the Texas Legislature goes into effect October 31, 1984. This law will require Texas residents to transport children

up to two years of age in federally approved child safety seats and children from two to four years old in the child safety seats or safety belts.

Buy an approved child safety seat for a child you love.

With The Sick

Mrs. Tom (Joy) Loper underwent surgery at Methodist Hospital in Lubbock on Tuesday of last week. She returned home Sunday, and is reported to be doing well.

David Landry recently spent a week visiting relatives in California.

Would you like to be able to go to a retreat like this when you are worried — a place where you could be alone with your thoughts — a place where you could untangle your problems?

If you would, then you are like most people. Everyone needs a retreat, at moments. And everyone has one! It isn't a mountain cabin or a seaside cottage — but it is a place far better suited to prayer and contemplation, a place to sort out old errors and make new resolutions. It is your place of worship.

Let it be your sanctuary. Go to it when you are troubled. You will find within its walls your moment of peace and you will walk out into the street again far better able to make the most of your life.

MEAL PLANNING IN THE 80's

Ways in which we are learning to prepare meals illustrates how American habits and traditions have changed in recent years. Traditional food preparation methods may be obsolete or unapplicable due to our present day living arrangements and lifestyles. Many of us are college students, singles, working couples, roommates or recently widowed and alone again after rearing children who have grown and moved away.

The typical nuclear American family has realized that mealtime is no longer a time when families can sit down together. Both mom and dad may be working outside the home these days while meals are often being arranged around Jimmy's baseball practice or Suzie's tennis lessons.

Since today's schedules allow less time for meal planning, we must learn to balance convenience with economy and taste appeal with good nutrition in an effort to be well-fed. Tips or tricks which save time in the kitchen without diminishing taste or nutritional value are well worth putting into practice. Planning menus in advance, using leftovers as "planned-overs" or keeping ingredients on hand for those quick tried-and-true recipes are just a few of the ways in which we can plan nutritious meals when we are cooking on the run. Incorporating the use of convenience appliances in our meal preparation makes it possible to prepare delicious meals in minutes or shorten the preparation steps which once involved much more time and effort.

For additional information on saving time in the kitchen write:

The following recipes from the Texas Department of Agriculture incorporate the use of various agricultural food products from Texas and convenience appliances.

SLOW COOKER:

STUFFED GREEN PEPPERS

- 6 sm. green peppers, tops removed and seeded
- 1 lb. ground ham (approx. 3 cups)
- 1/3 cup uncooked rice
- 1 1/2 cups water
- 1/2 cup onion, chopped
- 1/2 teaspoon salt
- 1 1/4 cups catsup, divided
- 4 carrots, peeled and cut in 3-in. pieces

Wash green peppers, drain well. Salt cavity lightly. Combine in medium bowl ground ham, rice, 2/3 cup water, onion, salt and 1/4 cup catsup. Mix well. Stuff green peppers 2/3 full. Arrange stuffed peppers in slow cooker with carrot pieces to help support peppers. Pour in one cup catsup and 1/2 cup water. Cover and cook on low for 6-8 hours (high for 3 hours). Serve on a bed of rice and pour tomato sauce

over top. Serves six.

PRESSURE COOKERS:

SAUCY ROUND STEAK

- 3 tablespoons flour
- 3/4 teaspoon salt
- Dash pepper
- 1 1/2 lb. round steak
- 2 tablespoons shortening
- 1 cup canned tomatoes
- 1 cup onion, sliced
- 1/2 cup green pepper, diced
- 1/2 cup celery, diced
- 1 small clove garlic, minced
- 1/2 teaspoon salt
- 1/2 cup water

Combine flour, salt and pepper. Cut steak into individual servings. Pound as much of the dry ingredients as possible into the steak. Brown steak in hot shortening in pressure cooker. Combine remaining ingredients and pour over meat. Cover, set control, and cook 25 minutes after the control jiggles. Cool pan for five minutes, then place pan under cold water faucet before opening lid. Serves four.

FOOD PROCESSORS:

CARROT PECAN SALAD

- 4 cups grated carrot
- 1 cup raisins
- 1 cup pecans
- 1 cup miniature marshmallows
- 1 8-oz. can pineapple, crushed, drained (retain juice)

Using grater blade, grate the carrots and place them in a large salad bowl. Using the steel blade, chop the pecans by quickly turning the machine on and off with a pulsating motion. (Take care not to chop too fine.) Toss all remaining ingredients together. Mix with the following dressing.

DRESSING:

- 1/2 cup mayonnaise or salad dressing
 - 1/2 cup pineapple juice
- Mix mayonnaise and pineapple juice together to form a smooth dressing. Toss with salad.

ENJOY ONE NOW, FREEZE ONE FOR LATER RECIPE:

MEXICAN MAKE-AHEAD

- 1 lb. ground beef
 - 1 large onion, chopped
 - 1 10-oz. can tomatoes with green chilies
 - 1 10 3/4 oz. can cream of mushroom soup, undiluted
 - 1 10-oz. can enchilada sauce
 - 2 dozen corn tortillas, cut into eighths
 - 2 cups cheddar cheese, shredded
- Saute ground beef and onion until lightly browned, stirring to crumble meat. Stir in remaining ingredients except tortillas and cheese. Alternately layer meat mixture and tortillas, beginning and ending with meat mixture, in two 6x3x2-inch pans. Sprinkle with one cup cheese each. Cover the one for the freezer with aluminum foil, seal securely, label and freeze. To serve, bake at 350 degrees F. for 35 minutes or until bubbly. Each casserole serves four.

October To Bring Higher Taxes On Your Garden

Long before April showers bring you May flowers, October will have brought you higher taxes on your garden.

New tax laws passed by the Legislature and signed by Governor Mark White go into effect October 2. For the first time, fertilizer used for non-agricultural purposes will be taxed.

For you, that means the cost of growing your garden or taking care of your lawn will go higher.

Other than fertilizer, bedding plants bought at nurseries and plants bought at the grocery store are subject to the higher tax rate. Exempt from the tax are annual plants that die after a growth year or that yield food for human consumption.

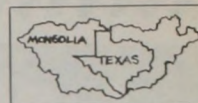

The tax goes up 1/8 of a cent across the state, but it translates into a 4 1/8 percent tax hike for items such as fertilizer. In some cities that have local sales taxes and special taxes for mass transit, the cost may balloon by as much as 6 1/8 percent.

A bag of fertilizer, then, that costs \$8.99 would cost \$9.35 in most of the state, but \$9.54 in some cities with the add-on taxes.

Fertilizer used for agricultural purposes remains exempt. Far-

mers and ranchers do not have to pay the tax on fertilizer if it is used for their agricultural production.

Questions concerning the new tax on fertilizer can be answered by calling State Comptroller Bob Bullock's office toll free, 1-800-252-5555, or the regular number, 512 475-1931.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION

NOVEMBER 6, 1984

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 29 proposes a constitutional amendment that provides to state-chartered banks the same rights and privileges that are or may be granted to national banks of the United States domiciled in this state. For example, if national banks become authorized to maintain branch offices, this amendment would extend the same privilege to state banks.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide state banks the same rights and privileges as national banks."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that restructures the Permanent University Fund to provide: (1) for the expansion of the institutions eligible to participate in the bonding capacity of the fund to include the components of The University of Texas and Texas A&M University systems that have been added to those two systems of higher education since the Permanent University Fund was last restructured by constitutional amendment; (2) for the expansion of the purposes for which bond proceeds can be expended from new construction to include major repair and rehabilitation projects and the acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials; (3) for an increase in the bonding capacity from 20% (2/3 for The University of Texas System and 1/3 for the Texas A&M University System) to 30% (20% for The University of Texas System and 10% for Texas A&M University System) of the value of the assets (exclusive of real estate) in the Permanent University Fund in order to provide sufficient bond proceeds to care for the addition of 10 new institutions to those authorized to participate in the Permanent University Fund bonding program and to care for the expanded purposes for which the bond proceeds can be spent; and (4) for the dedication of the dividends, interest, and other income from the Permanent University Fund remaining after payment of principal and interest due on bonds and notes issued, to the provision of support and maintenance (over and above normal legislative appropriations) for Texas A&M University in Brazos County, Prairie View A&M University, and The University of Texas at Austin.

House Joint Resolution 19 also annually appropriates \$100 million in each fiscal year, beginning September 1, 1985 (from the first money coming into the state treasury that is not otherwise appropriated by the constitution) for the use of those

education which are not included in The University of Texas or Texas A&M University Systems and, therefore, not eligible to participate in the Permanent University Fund bonding program. The amount of this appropriation could be adjusted every five years by a 2/3 vote of the Legislature, but could not be adjusted in such a way as to affect outstanding bonding indebtedness. Each institution of higher education that is eligible to participate (i.e., those institutions of higher education outside The University of Texas and Texas A&M University Systems) would be authorized to expend directly its share (such share to be determined pursuant to an equitable formula) of the \$100 million appropriation for the purposes of acquiring land, constructing and equipping buildings or other permanent improvements, major repair and rehabilitation of other permanent buildings or improvements, and acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials. Additionally, each institution would be authorized to issue bonds backed by a pledge of up to 50% of its share of the \$100 million annual appropriation for the purpose of land acquisition, new construction, and major repair and rehabilitation projects.

Except in the case of fire or natural disaster and in other extraordinary cases, verified by a two-thirds vote of each house of the legislature, all institutions of higher education would be precluded from receiving appropriations of general revenue funds for the purposes of land acquisition, new construction, and major repair and rehabilitation projects.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to create from general revenue a special higher education assistance fund for construction and related activities, to restructure the Permanent University Fund, and to increase the number of institutions eligible to benefit from the Permanent University Fund."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 65 proposes a constitutional amendment which authorizes the legislature to provide for the payment of assistance to the surviving dependent parents, brothers, and sisters of officers, employees and agents of the state or its political subdivisions, including members of organized volunteer fire departments and members of organized police reserve or auxiliary units authorized to make arrests, who die in the course of performing hazardous official duties. Payments to surviving spouses and dependent children of agencies and institutions of higher

such officers, employees, and agents are already authorized by the Constitution.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for payment of assistance to the surviving dependent parents, brothers, and sisters of certain public servants killed while on duty."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 20 proposes a constitutional amendment which abolishes the office of county treasurer in Bexar and Collin counties if a majority of the voters in each of those counties vote in favor of abolishing the office of county treasurer in a local election to be held on the issue. All the powers, duties, and functions of the office of county treasurer in each of these counties would be transferred to the county clerk.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to abolish the office of county treasurer in Bexar and Collin counties."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 22 proposes a constitutional amendment which provides a new method of filling a vacancy in the office of Lieutenant Governor. The amendment requires the President pro tempore of the Senate to call together the committee of the whole Senate within 30 days after a vacancy occurs in the office of Lieutenant Governor. The committee would be required to elect one of its members to perform the duties of the Lieutenant Governor until the next general election. This individual would continue his duties as Senator at the same time that he performs the Lieutenant Governor's duties. If the Senator who is elected ceases to be a Senator before the next general election, another Senator must be elected according to the above procedure to perform the Lieutenant Governor's duties. The President pro tempore would be required to perform the Lieutenant Governor's duties pending the election of one of its members by the committee of the whole Senate.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the state senate to fill a vacancy in the office of lieutenant governor."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that permits the use of public funds and credit for payment of premiums on non-assessable life, health, or accident insurance policies and annuity contracts issued by a mutual insurance company authorized to do business in this state. The constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company has limited life and health group policies of political subdivisions to non-mutual insurance companies. The amendment would permit mutual insurance companies to bid for those policies.

The proposed constitutional amendment will appear on the ballot as follows: The constitutional amendment to permit use of public funds and credit for payment of premiums on certain insurance contracts of mutual insurance companies authorized to do business in Texas."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment to change the membership of the State Commission on Judicial Conduct to include one Judge of a Municipal Court and one Judge of a County Court at Law, who shall be selected at large and appointed by the Supreme Court with the advice and consent of the Senate.

The amendment also provides additional grounds for removal from office of judges or justices of Texas courts, and provides additional disciplinary actions that could be taken in lieu of removal or censure. The amendment would extend the Commission's disciplinary authority to masters, magistrates, and retired or former judges who hear cases by designation. The amendment creates a tribunal to review recommendations of the State Commission on Judicial Conduct for removal or retirement of a judge or justice. The review tribunal would be composed of seven (7) Justices or Judges of the Courts of Appeals selected by lot by the Chief Justice of the Supreme Court. The amendment also provides for appeal of the review tribunal's decision to the Supreme Court of Texas and grants an accused judge the right to discovery of evidence.

The proposition will appear on the ballot as follows: The constitutional amendment relating to the membership of the State Commission on Judicial Conduct and the authority and procedure to discipline active judges, certain retired and former judges, and certain masters and magistrates of the courts."

PROPOSITION NO. 8 ON THE BALLOT

House Joint Resolution 22 proposes a constitutional amendment which increases the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount set in federal income tax statutes as of January 1 of that same year as a deduction for ordinary and necessary business expenses incurred by a state legislator. Current per diem is \$30; the maximum deduction is now \$75.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide a per diem for members of the legislature equal to the maximum daily amount allowed by federal law as a deduction for ordinary and necessary business expenses incurred by a state legislator."

Estos son los informes explanatorios sobre las enmiendas propuestas a la constitucion que apareceran en la boleta el dia 6 de noviembre de 1984. Should I Repair Or Buy a New One?

When the toaster gives out or the television set goes, every Texan confronts the old dilemma: Should I fix it or buy a new one?

The dilemma gets harder after October 2, when new tax laws on repairs go into effect.

The cost of repairing personal property—including home repairs—will be taxed under a new law passed by the Legislature and signed by Governor Mark White.

The tax rate is 4 1/8 percent. A local sales tax of one percent or a tax authorized by the Legislature for mass transit in some of Texas' large cities may boost the total tax to as much as 6 1/8 percent.

This is the first time such a tax affects every household in Texas

directly. Repairs of washing machines, dryers, lawn mowers, vacuum cleaners, microwave ovens (if they are freestanding) telephones and television sets are all included.

Also included are the extended warranties consumers buy to protect these items.

Repairs to real estate are not taxed. Neither are repairs to items that are specifically exempt, such as eyeglasses or hearing aids, motor vehicles and aircraft. Parts are taxed, but not the repair work itself.

If your watch breaks or if your camera's shutter is on the blink, their repair is taxable at the place where you take them to get them fixed.

Any questions involving which repairs are taxed and not taxed can be answered by calling State Comptroller Bob Bullock's office toll free, 1-800-252-5555, or the regular number, 512-475-1931.
