

**SQUARE DANCING IS FUN**

by Vesta Gillenwater

(Delayed From Last Week)

Square dancing is fun. If you don't believe it, ask someone who square dances. It is not only fun, but is good exercise. If you are interested in getting in on some of the fun, join the Turkey Trotters at the Legion Hall on Friday night at 8:00 p.m. We are starting a new set of lessons. Last Friday was the first open night. We will still hold the lessons two more Friday nights, so come and join us.

We were glad to see 11 couples out for the first night and hope to see more this Friday night. Billy Foster from Amarillo will be calling for the dance Saturday night.

March 18, for his first time. There were several of the Turkey Trotters at the Shirts and Skirts Sixth Anniversary dance last Saturday night. The decorations featured St. Patrick's theme. Jack Thompson was caller. Guest tips were called by Glenn Amburn and Johnny Gillenwater.

New officers for the next six months are Jim and Billie Jean Robison, president; Weldon and Billie Jean Griffin, vice-president; Mac and Brenda Seymour, secretary - treasurer; Dick and Annette Evtatt, hospitality chairmen; Ray Beryl and Wanda Calvert, Ronald and Ginger Mullin, Lowell and Sue Proctor, sunshine committee; Vesta and Lee Gillenwater, reporter.

Gordon and Totie Bain are the PSDA Representatives for the remainder of the year, and Mac Cooper is the sweetheart.

We danced Saturday night, March 18, to the calling of Billy Foster. He is a great caller and called a wonderful dance. It has been a long time since this reporter had heard him and he is as good as ever. For most of the club it was their first time to hear him but I'm sure it won't be the last.

We were very glad to have a number of guests. We had three couples, Jerry and Iva Erickson, Richard and Ophelia Barnes and Harold and Dorothy Jones from the Reddy Squares of Amarillo. We were also glad to see some of our new students out to visit and watch, and were real glad to have Mr. and Mrs. Bill Woods (parents of Billie Jean Griffin) of Quitaque down to watch. We were also very happy to have Rhonnie and Lucy Tupin from Silverton down to dance with us. eW always en-

joy and welcome guests to either come and watch or come and join in on the dancing.

We still have one more night for you to get in on the lesson. Come on and join in the fun of square dancing with approximately six million other square dancers over the country.

News Note: There is a bill now in Congress which will proclaim the square dance as our National Dance.

The instructor for the square dance lessons is Johnny Gillenwater of Tulia. If you are interested in joining in on the fun contact Doc Williams in Turkey, Weldon Griffin in Quitaque, or anyone else you know that square dances, or just come to the Legion Hall in Turkey Friday night at 8:00 p.m.

Our next regular dance will be April 1, at 8:00 p.m. at the Legion Hall in Turkey.

See you around the square.

**MRS. DOROTHY POWELL**  
(Delayed From Last Week)

I want to thank the Home Demonstration Council for the lovely reception they gave for me Sunday. It is going to take awhile for me to get to know everyone as well as I want to. Bill and I appreciate the warm welcome and help we have received from everyone.

Put a big red X on March 25. That is the date for the Briscoe County 4-H Food Show. There are approximately 42 4-H members carrying the Foods Project. I appreciate so much the hard work being done by the Foods Leaders. I understand things are lively around Polly Jarrett's house since she has eight boys in her Foods Group.

Several people have requested information regarding recipes to use for low-cholesterol diets. I should have this information soon. If you need this or any other information, please let me know.

The 4-H Electric Series is being shown Saturdays at 12:30 p.m. on Channel 4, Amarillo. The first segment was shown last Saturday. You will probably want to watch this series. We are hoping that the series will be shown on a Lubbock station in the near future. If so, 4-H members will be able to carry this as a project.

Are you confused when buying margarine? Well, don't just close your eyes and grab one! Whether you buy regular, whipped, soft or diet margarine depends on your family budget and how you plan to use the margarine. Soft, whipped and diet margarine cost more than regular. You pay for the whipping, extra ingredients and any other additional processes needed to make the margarine ready-to-spread, fluffy or low-calorie.

Using whipped margarine can cause problems when you are baking. You can't substitute one-half cup of whipped margarine for one-half cup of regular margarine or butter. It is wise to choose the regular type of margarine if you want a better buy for your money or if you are baking.

Whoever he is, wherever he is — I respect this man.  
 Naturally I respect anyone whose presence can bring calmness and peace where there could have been confusion and turmoil.  
 As for me, I'm just a writer. With others I've been writing on behalf of the Church — with conviction and enthusiasm—for many a year. Rarely until now have I written in the first person.  
 But this picture challenges one to identify himself. On this rocky hillside teeming with restless life only one is master, guide, guardian of all.  
 I share with you the common realization: I am not that one. We share too the simple faith that knows: *The Lord is my Shepherd.*

### JOINT PROCLAMATION

BY Mayor Jake Merrell of Quitaque AND Mayor Byron Young of Turkey

Greetings: Eye Banks contribute immeasurably to the cause of better sight among all Americans by furthering research in eye diseases and by helping to restore sight through the services they perform in corneal transplant operations. The eye banks of our State, as exemplified by the HI-Plains Eye Bank, Incorporated, which serves Amarillo and the Panhandle area of Texas, have done much to help combat the problems of sight in our State by research and assistance in eye surgery.

The Eye Bank Association has designated the month of March as National Eye-Bank Month in the United States.

THEREFORE, We, as Mayors of the Cities of Turkey and Quitaque, do hereby designate March 26, 1972, as

EYE BANK DAY in our cities, and direct the attention of all citizens to the progress of eye bank programs in our area and the outstanding services they are performing.

In official recognition whereof, we hereby affix our signatures this 20th day of March, 1972.

/s/ Jake Merrell Mayor of Quitaque /s/ J. Byron Young Mayor of Turkey

Nance's southwest of Silverton Thursday night, and the Nances and the Lowell Callaways joined them and they drove to Plainview to attend church at the 11th and Amarillo Church of Christ. The preacher was Truman Teal of Dill City, Oklahoma, who had visited the Church of Christ in Quitaque recently. All of the group visited Mr. and Mrs. Lawrence Bedwell after church services. Mrs. Morrison remained for a visit with the Bedwells, the Hubert Setliffs and the Birt Lanes this week.

### SHIRTTAIL SERMON

#### What's It Worth?

The price of things seem to have quite a bearing on our lives today. No doubt you could tell me what your house is worth and what you think your car is worth. There are a number of other things that have value to us but we don't seem to be interested enough to evaluate. Your wife, for instance, your children, your husband, your neighbor, and you say, "How can I know the worth of these?" There are some other things such as church membership, what's it worth to you? Christ loved his church enough that he gave his life for it. I find people today who place it at the bottom of their list. The only time they need it is on the obituary when they die and this is only to comfort their loved ones who are left behind.

One other thing of value and I will "hush my mouth." What about your soul? What's it worth to you? You see, after death, that's all you are going to have left. The rest will be left to your nearest of kin. The Bible says, and surely you will

### believe it:

"For what is a man profited, if He shall gain the whole world, and lose his own soul? or what shall a man give in exchange for his soul?" Matt. 16:26

—Ralph S. White

Mr. and Mrs. L. A. Washington of Umbarger visited her sister and husband, Mr. and Mrs. Tom Barbee, Sunday. Afternoon visitors were the Barbee's son and wife, Mr. and Mrs. Earnest Wayne Barbee of Clarendon.
