THURSDAY, OCTOBER 13, 1994 **Revival At First**

Baptist, Quitaque

October 16-19 marks the fall revival at the First Baptist Church in Quitaque. Revival services will begin Sunday morning at 10:30 a.m. and Sunday evening at 6 p.m. Services Monday through Wednesday

will be at 7 p.m. On Tuesday evening at 6 p.m. there will be a free hotdog supper for all children and youth who would like to come. Also, on Tuesday evening at 7 p.m. Dennis Lee, a ventriloquist from Dallas, will be the special guest speaker in the service. All kids, youth, and even adults will be in for a special time!

Guest preacher for the revival will be Jack Ridlehoover. Ridlehoover is the retired pastor of the Pioneer Drive Baptist Church in Abilene. Currently Ridlehoover directs a Mentoring to Ministers program. Ridlehoover is a frequent writer in the Baptist State paper, The Baptist Standard.

Guest musician for the revival will be Robert Black. Black is the Minister of Music at First Baptist Church, Plainview

The church's pastor, John Hall, encourages anyone and everyone in the area to come to the revival services. "Tuesday night will be especially fun for families and appealing to children and youth," states Hall.

Wedding Coming Up

Word has been received here that there is to be a wedding on October 22 . Karen Sullivan and Les Somberger of Jingle Road, Christmas, Florida were in Quitaque for the Foliage Tour of 1993. They so enjoyed the scenery that they have made plans to be back for the foliage tour of 1994. But this time it will be an even more memorable time for the couple, their wedding day.

They have contacted Bess McWilliams, Briscoe County Clerk about a marriage license and have asked Quitaque Jus-tice of the Peace Dale Ramsey to perform the ceremony in Caprock Canyons State Park for them on October 22.

They have made plans to arrive in the area about the 17 of October.

School Board To Meet

A meeting date has been set for the Valley School Board. Members are to meet on Tuesday, October 18, 1994 at 8 p.m. at Valley School

Turkey Church Calendar Of Events of Christ Has **Roundup Sunday**

Sunday, October 16, 1994 at 10:30 a.m. the Turkey Church of Christ will be having a Roundup. "Ye' sir. That's what it is. We're callin' everyone who is a part of our congregation to Fairmont Baptist Homecoming roundup. We don't intend on brandin' anyone or giv'n any shots, unless they need it, of course. All we want to do is check on everybody and make sure they're doin' OK and give some ideas about how to keep growin' in the 'grace and knowl-edge of our Lord,'" stated Stuart Smith, minister.

The meeting at 10:30 in the auditorium will be to praise God and study together. At 12 noon lunch will be served in the fellowship building. The lunch will consist of barbeque brisket, red beans, salads, homemade bread, cobbler and tea.

Saddle up and join us for the Sunday Roundup in Turkey, Texas.

Defensive Driving Course Offered

WTAMU is offering a course in defensive driving from 9 a.m.-noon and 1-4 p.m. Saturday, October 22 in Old Main, Room 220.

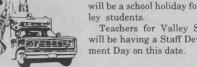

There will a charge for the course and preregistration is required. The course is approved by the Texas Department of Public Safety and the Texas Education Agency and may be used to void traffic citation fines or reduce automobile liability premiums. This week is Fire Prevention Week. We, in our area, are quite fortunate to have volunteer fire departments who give of their time, energy and knowledge to keep the property of the people of our area safe from going up in smoke.

This is the time of year that we should go up to each of those who serve so graciously and let them know that we do appreciate the good job that they do to keep us and our property safe. Just think

Greg Ramsey poses with the first bale of cotton ginned at the ADM Paymaster Gin in Quitaque, Texas for 1994. The cotton was ginned on October 2, 1994. The bale was ginned free of cost and the 425 pound bale of cotton brought \$1.00 per pound. It made 900 pounds of seed with a 21.05 turnout. Greg harvested the cotton on the Pearson farm south of Quitaque.

what would happen if we had no fire department and a house caught fire on the west edge of any town when we were having a high west wind! It could possibly wipe our small communities out, never to be rebuilt.

We owe our feeling of peace and safety to those men who put their lives on the line each time that they go out to fight fire, whether it is in the pastureland, as we have had so many this past summer that was set by lightning; a house fire where they save our lives and possessions or a fire caused by a car wreck. The type of fire does not matter. What matters is that there are people out there who care enough to get involved so that the rest of the world can go to sleep at night and not fear for their lives

The men and women who make up the fire departments around our area give much of their time for education so they will know the proper way to fight fires so that they can save lives and property. They also go to meetings when they probably would rather be home with their families. They leave their jobs to put property. their lives on the line to save you and your property. It seems to me that the least we could do is thank them and back them when they are in need of help or equipment. Who knows you may be the next one to put in a call for help to the fire department!

The members of our fire departments are our friends and neighbors. When they call on you for help, please give them a helping hand just as they do you when you have to call on them for Let them know that we do appreciate the hard work that they put in for each one of us!

by Ann Coker

After many weeks of hard work by Laura and Danny Stewart, Laura's shop has a new and modern look

The new color decor is grey and black. A new grey carpet and linoleum of a black and grey mixture has been laid.

In the center of the room, a tri-station has been installed. The new station contains three mirrors with lights placed in the top of the center. The center has a black base.

The new shop contains two shampoo stations with black chairs and basins.

A new manicure kidney shaped table has been added to the shop.

The walls and celings have all been painted light grey.

Tessa Mullin has been em ployed by Laura as a manicurist

and she will also do family hair care as Laura does

It is a beautiful shop and one the beauticians and patrons will enjoy.

Valley opened the scoring in the second quarter with two touchdowns from Josh Scoggins. Scoggins caught touchdown passes of 9 and 59 yards from Matt Abram to give the Patriots a 12-0 first half lead.

Both Pat attempts failed. Vega countered in the second half by scoring 12 points in the third quarter and six in the fourth to take the lead. All three touchdowns were scored by Longhorn Quarterback, Keith Brosman Next up for the Patriots will be

Motley County. Kickoff is set for 7:30 in Matador Friday night.

by Walt Hen The Valley Patriots fell to the Motley County Matadors last Fri-day night, 32-0. The loss made them 2-4 on the season, and 0-1 in district play. "We just couldn't get started," Coach Satterwhite said of the game. "However, we are begin-ning to gain respect because Motley County changed their entire offense and defense just for us. That really seems to be a compliment to us. We just aren't mature enough to handle blocking a different defense than we had prepared for. It takes expe-rience to do that and we are both young and inexperienced."

Valley nearly went ahead early when Chris Abrams intercepted a pass and returned it for a touch down. However, a penalty was called against the Patriots that erased the "Had we not had that called score. against us, we might have gained some early momentum and then played a little better," said Coach Satterwhite. The Matadors then scored, and Valley was neverable to catch up.

This Friday, the Patriots will be playing the Kress Kangaroos. Kress is 5-1 this season, and 1-0 in district.

by Coach Saul The Jr, High hosted Motley Co. last Thursday night and came away

with a win by the score of 8-0. The Patriots defense led the way as it forced three interceptions and one fumble. The Patriots' score came early in the first quarter and was set up by a Morgan Payne inter-ception. B.J. Price scored the TD on a 7 yard run. Cory Chandler scored on the 2-point conversion with a 3 yard run.

We were very pleased with the kids performance, especially the defense. Our kids did an excellent job adjusting to Motley County's one-back, shotgun formation. Our defense played very aggressively.

Things Seen or Heard by Ann Coke

Enjoyed visiting with Faye Huffine by phone the other day. Faye and her daughter, Hilda Lawrence, of Dripping Springe, Texas, arrived in Turkey a week ago Monday. Mrs. Huffine reported she and Hilda were really enjoying vis-iting with old friends and seeing old uaintances. They will return to Dripping Springs sometime this

While talking to Dollie Irby the other day, she said she had received a letter from Jessie Coker who is a resident at the Huguley Nursing Home in Burleson, Texas. Jessie, who was a long time employee of the Irby's at the Turkey City Drug, was asking about the Irbys and their two sons, Richard and Dennis and their families. When Richard Irby called his parents, Dollie told him about Jessie's letter. Richard, who is a pharmacist, said he made many deliveries in the area of Huguley and was hoping to visit with her

While on the way to Floydada last Sunday to attend the funeral services for Willie Royce Bradshaw, Ella Colvin suffered a stroke. She was riding with Foy Lane and Virginia Degan. After their arrival at the church, an ambulance was summoned and Mrs. Colvin was transported to Methodist Hospital in Lubbock upon the advice of Dr. Ronald Lacy of Amarillo who was present to attend the funeral.

Mrs. Colvins friends, Mrs. Degan and Mrs. Lane, were driven to Lub-bock by Janice and Billy Wheeler. After seeing Ella entered in the hospital and the arrival of her son, Buddy and Vita Colvin, the foursome returned to Turkey. At this time Mrs. Colvin is in ICU in serious condition.

In last Friday's Amarillo paper there was an article about the his-torical home, known as the Clarence and Lorraine Eakle Home, which was to receive a historical marker last Sunday afternoon

While visiting with my niece recently, Sherry Ann Collins, in Amarillo, she said she and her husband have always wanted to attend a Bob Will Day in Turkey. Her husband, a dentist in Amarillo, is quite an admirer of the late Bob Wills. He owns an autographed phote of Bob in his office signed "To My Dentist"-Bob Wills. She said Bob did go to her husband for dental work years ago.

Last week-end Jerry and Brenda Smith, Mike and Sue House, Ro-nald and Ginger Mullin, Brian and Shadi Buchannon and Ferris Mar-tin visited with Jerrel and Joy Martin at their Bitter Creek Ranch near Clarendon. They camped out, sleeping in sleeping bags on a screened in porch or in the back of pick-up. They reported the fishing was

great and they thoroughly enjoyed the beautiful scenery and watching the wild turkeys.

I heard that those from Turkey who attended the funeral services for Willie Royce Bradshaw in Floydada last Sunday were: Nr. and Mrs. Buster Hanna, Mr. and Mrs. Billy Joe Pinkerton, Mr. and

Mrs. Arville Setliff, Mr. and Mrs. Billy Wheeler, Willie Grace Majors, Viriginia Degan, Foy Lane, Ella Colvin, Clema Johnson, Rita and Tracy Guest. Coming from Midland were Mr.

Fire Prevention Week

by Robert Patrick

The Quitaque Volunteer Fire Department would like to remind people that October tenth through the sixteenth is National Fire Prevention Week. This week is used every year to help educate people about fire hazards and give helpful, possibly life saving tips. Here are some steps to help your chances of surviving a structural fire:

1. Put smoke and carbon monoxide detectors on every floor of your home and in every bedroom. Also put detectors in high risk areas. Example-floor heaters, electrical boxes, hot water heater, and kitchen. Test batteries monthly and replace batteries once a year

2. Plan an escape route and practice evacuating the house, make sure every family member knows the route and has a central meeting location outside of the home.

3. Keep a heavy object close to large glass areas to help you break the glass if necessary in an emergency. Also, keep a blanket handy to cover sharp edges of glass when climbing through a window or glass door

ser Co

4. Keep fire extinguishers in high risk areas.

5. Remember to stay low if you are in a fire, smoke rises.

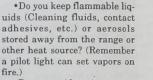

6. Feel of interior door before opening in a fire, if it is extremely

hot find another escape route. 7. Train youngsters of what precautions to take in a fire emergency

History of Turkey Volunteer Fire Department

by Ann Coker

The Turkey Fire Department was organized in February 1928, after two disasterous fires, following closely together, had destroyed most of the business district

The first officers and members were: Gordon Hedrick, President; Drew Holcomb, Vice President; J. W. Gibson, Secretary; C. F. Gibson, Treasurer and Chief; Perry Reynolds, Fire Marshall; H. M. Green, Buck Hale, Lester Perrin, Herbert Gibson, Ernest Young, Herman Phillips, Bruce Gibson and Curtis Tunnell.

The first equipment consisted of a Dodge truck, no pump of any kind. In 1939 the city purchased a 95 horsepower V8 fire truck, with a 500 gallon centrifugal pump and a 120 gallon booster tank

Hints From The Turkey Fire Department

by Jim Weeks, Fireman

The Turkey Fire Department would like to bring to everyone's attention that winter will soon be here. We would like to suggest before you light your heaters and fireplaces, clean them of all dust and lint. Check for all leaks. If you can't do it yourself, call your gas company and have them check for you.

After you light them, do be careful not to stand too close to the heater when trying to get warm. If you do-remember not to run if your clothes do catch on fire-drop and roll to extinguish the fire.

After your stoves, heaters, furnaces are lit, keep checking for leaks. If you think you smell gas in or around your house call the gas company for them to check. Please don't just say "It's my imagination," and not do anything. It is your life you are playing

Track Butterflys Through Texas

Texas schoolchildren, teachers and any others interested in but-terflies are being asked to help in a nationwide effort to track monarch butterflies that pass through Texas on their way to Mexico each fall. Volunteers can help capture

butterflies and put small tags on their wings. They can also help note buttergly numbers, locations and flight directions.

Dr. William Calvert, the Texas coordinator of the program, says the effort could help unravel the mystery of how monarchs find the tiny areas in Mexico where they spend the winter. It should also give valuable information about whether numbers of migrating monarchs are increasing or decreasing.

The project is sponsored by the exas Parks and Wildlife Texas Department's Nongame and Urban Wildlife Program in cooperation with Dr. Chip Taylor and Julie Ellis of the University of Kansas

Department of Entomology.

The main body of migrating monarchs is expected to pass through Central Texas between late Sptember and mid-October.

Volunteers can get more information, including tips onmaking a tion Retired Persons, Texas butterfly net and undated progress reports on this year's migration, by calling the Monarch Hotline at (512) Calling the Monarch Hotime at (512) A third with the Texas Agri-326-2231(Austin) or 1-800-468-9719 cer Society and the Texas Agri-else where. The Public Health Service recgenerally healthy. Typically, shots are given in the fall or winter. Medicare beneficiaries do not need a doctor's prescription or supervision to have this vaccination cov-ered by Medicare Part B. And,

Medicare Part B pays the rea-sonable approved amount for either shot. If the cost exceeds the approved amount, the beneficiary is responsible for the difference.

Generally, the cost will be paid if the vaccine is provided at the doctor's office or by a hospital, skilled nursing facility, home health agency, rural health clinic, federally qualified health center, outpatient physical therapy provider, a comprehensive outpatient rehabilitation facility, or health maintenance organization (HMO)

However, when Medicare beneficiaries get either vaccination at a community clinic that normally provides the shots free of charge to the public, the beneficiareis should not be charged just because they have Medicare coverage. Medicare Part B will not pay for these shots or for shots administered under a plan where an employer arranges to have free shots for all employees.

LEGAL NOTICE

TURKEY TO INCREASE WATER, SEWER, AND TAX RATE

The City Council of the City of Turkey met in a special open meet-ing with the public on September 22, 1994 to discuss an increase in the water and sewer rates.

Effective with the November bill-ing, the water rates will be \$8.50 for the minimum of 2,000 gallons, \$1.10 per 1,000 for the next 7,000 gallons \$1.50 per 1,000 gallon thereafter. Outside the city limits, rates will be \$10.50 for the minimum of 2.000 gallons and \$1.35 per 1,000 for next 7,000 gallons \$1.50 per 1,000 gal-lons thereafter. The sewer rate will be \$5.00. Turkey is very fortunate to have some of the lowest water and sewer rates in the entire Panhandle of Texas.

In other Council action at the regular September meeting the City tax rate was increased by \$.02, from \$.48 to \$.50 per \$100.00 evaluation for the next tax year. 15 4tc
