VOLUME 22 NUMBER 4

Quitaque Homecoming Just Two Weeks Away

Plans are nearing completion for the Quitaque Homecoming Reunion, planned for Saturday, August 6.

A hamburger cook-out will begin festivities at the City Park in Quitaque Friday night. Musical entertainment will be provided. A basketball game has been planned for Friday evening as a special attraction.

Registration begins Saturday morning at the Community Center.

The main luncheon lunch will be served in the City Park.

Individual class meetings and reunions will be in the afternoon, with plans already designated.

The program Saturday night will be presented at the Valley School Cafeteria. The time has not been set at this writing but will possibly be printed in next week's issue of the Valley Tribune.

Tribune

Speaker of the evening will be Vance Cole of Pharr, Texas. He is associated with the school system there. He is a son of the late Mr. and Mrs. Wiley W. Cain. He grew up in Quitaque, attended school and finished high school here. There will be other features of interest on the program.

SEE 100: AUGUST 4 IN QUETAQUE!

(The following letters have been returned, if any of you can give the correct address, please call Jim East, 425-1138, or Melba Harwell, 425-2227, or Johnnie Morrison, 425-1243, immediately so they can get a letter to them in the mail. They are John Howard Payne, Elmer Edwards, Mrs. Joe Ed (Marjorie Rowell) Turbin, E. E. Nell, Mrs. F. C. Benson, Mrs. Raymond Whaley, Hazel Nell and Mr. and Mrs. E. J. Hines.

Quitaque Methodists To Have Vacation Bible School

The Quitaque United Methodist Church will hold a Vacation Bible School August 8-12 from 1:00 until 4:30 in the afternoon.

Children from ages three through the sixth grade are invited to attend.

Lee Proctor Promoted By KAMR Channel 4 TV

Lee Proctor, son of Lowell and Sue Proctor of Turkey, has received a promotion with KAMR Channel 4 TV Station in Amarillo. It was learned this week, he has been promoted to the engineering department. He formerly operated cameras, vid eo tapes, etc. This is a full-time job.

Lee finished at Amarillo College in May, but he may go back in the fall and take some further courses. Congratulations, Lee!

Sybil Young Attends Tax School Last Week in Amarillo

Sybil Young, Turkey City Secretary, attended a Tax School on Thursday, Friday and Saturday, July 11-13 in Amarillo. It was sponsored by T.A.A.O., Texas Association of Assessing Officers.

Her husband, Byron Young, accompanied her to Amarillo.

LOCAL RESIDENTS SEE MICHAEL JACKSON LIVE IN TEXAS CONCERT

Thursday, July 12, Janet and Michelle House of Turkey, Kristy McWilliams of Quitaque, and Janet's sister, Shelley Hickey of Amarillo, left for Dallas enroute to see Michael Jackson in concert. Their tickets were for Saturday night, July 14.

The ladies reported a remarkable trip and something they will always remember.

They stayed with Steve and Laurie Hawkins, formerly of Turkey.

A wonderful time was reported by all.

The Valley Tribune editor received a renewal and a note from Mrs. Homer Morris. She reports Homer has suffered a setback in health and can't walk as well. She spends every day with him at the rest home. She reads every bit of the Valley Tribune to him.

Thanks, Ruth, for writing. We all enjoy hearing from both of you. Good luck!

"God's Prison Gang" To Be Shown At Turkey Church Sunday

A film, entitled "God's Prison Gang" will be shown at the First Baptist Church in Turkey Sunday evening, July 23, at 8:00 o'clock, according to the pastor, Rev. Melvin Clinton. It is loaned by Art Linkletter of the International Prison Ministry. It is reported to be a dramatic motion picture documentary, featuring George Meyer, Al Capone's

get-away driver, Floyd Hamilton, last of Bonnie and Clyde's gang, Jerry Graham, Ted Jefferson and Chaplain Ray. It is the amazing true story of public enemies who became God's Prison Gang.

Everyone is invited to see the film. There will be refreshments afterwards, and a time of fellowship.

The Scrappers To Have Tourney In Quitaque This Weekend

The Scrappers, a group of college students from area towns, will sponsor a football tournament in Quitaque this

weekend. This team is made up of local students and the Valley Tribune will have a picture (hopefully) and a story about them in next week's issue.

The businessmen are supporting this team and the concession stand will be open. If the church attendees will place their orders before attending church, your grilled hamburgers will be ready for you to pick up, and your homemade ice cream will be delivered to you at the same time. They may be eaten at the park or taken home to eat. This will solve your Sunday meal problem and help the team, also. The boys have already earned a trip to State to play ball and this will help with their expenses.

HAS SURGERY IN LURBOCK

Mrs. David (Talia) Aulbach entered Lubbock General Hospital Thursday of last week and had surgery on her right hand Friday morning. This is the fourth surgery on the hand since she cut it so badly when she was two years old. The doctor thinks she will have much better use of her hand than formerly. She returned home on Monday of this week.

Jim and Gladys Stroup enjoyed a visit from their great nephew and great-niece, Heidi and Eric Stroup, this week for a few days. The visitors' father, Col. William Stroup, is being transferred from Virginia Beach, Virginia to San Francisco, California. He is making a career in the Marines. He is the son of Mrs. Charles Stroup and the late Charles Stroup.

While Heidi and Eric were here, Jim and Gladys took them to see the drama, "Texas." Gladys reports it is the best she has seen. The youth enjoyed it, too, she reports.

Mrs. Fay Lane visited recently with her daughters, Mr. and Mrs. Jack Blouder at Stratched and Mrs. Nita Puckett and family in Amarillo. Ely Blouder of Stratched spent a week with her grandmother.

Miss Cruse To Receive Campus Service Scholarship

Melody Cruse of Turkey has been selected to receive the \$500 Campus Service scholarship for another year as one of 12 campus hosts and hostesses for the 1966-67 academic year.

She is one of six upperclass students selected for Campus Services. The other six scholarship recipients will begin as freshman students at WTSU for the fall semester.

Campus Service students are

selected on the basis of personality, attitude, enthusiasm, academic achievement and interview, said Bob Graves, WTSU admissions adviser and Campus Services sponsor.

"They must be able to communicate well and have had academic success," he said. "The Campus Service organization provides a personal outreach to prospective students interested in WTSU. When high school seniors call, write or visit campus, it is important that they receive individual attention from our entire staff."

The students work four hours each week at the WTSU Development Office where they conduct campus tours for visitors, serve as student hosts and hostesses at university functions, correspond with prospective students and help with office work.

They also will participate once each week in a class where they will discuss introductions, etiquette, self-image and good writing, said Graves.

"Through Campus Services we have taken down many of the barriers to entering school," he said. "The students learn how to place visitors at ease, answer questions honestly, and give the inside information that only another student can provide."

Miss Cruse, a 1962 graduate of Valley High School, is a secretarial studies major. She has received the Don and Sybil Harrington Scholarship.

Dolan and Gail Hanna and daughter, Trish, of Floydada visited over the weekend with their parents. Mr. and Mrs. Buster Hanna and Mr. and Mrs. Robert Proctor.

Open House Held At Dr. Crandall's Clinic Sunday Afternoon

An open house was held at Dr. Crandall's clinic Sunday afternoon, July 10, from 2:00 until 4:00 o'clock.

The serving table was laid with a new cloth over leaves scattered with an arrangement of white roses. There were red flowers and pot plants in various rooms given by several business people and friends.

Strawberry punch, cookies and a fruit tray and cherry torte were served by Delores Price and Billie Jean Sutton.

Others in the hospitality included Virginia Dugan, Bessie Preston, Charles Barnett, Arlene Williams, Lucretia Smith, Gaywena Clinton, Calista Stone, Mary Beth Anderson and Marjorie Dean.

Mrs. L. C. Johnson and daughter, Tracey, of McKinney visited their parents and grand parents. Mr. and Mrs. P. John Mack, Friday night and Saturday. Mrs. Johnson returned to her home Saturday, but Tracey remained for a longer visit with her grandparents.

Quitaque Senior Citizens Have Monthly Luncheon

The Quitaque Senior Citizens met Thursday, July 12, with 17 members present for the monthly luncheon.

This is a reminder that the regularly scheduled luncheon for the Quitaque Senior Citizens is the second Thursday in each month at the Senior Citizens Room at noon. Each person is asked to bring a covered dish and join in the fellowship.

Baptist Women Meet For Bible Study

The women of the First Baptist Church in Quitaque met Tuesday morning at 9:30 for Bible Study.

Mrs. Lolla Belle Harmon, president, opened the meeting. A breakfast was served the ladies and Mrs. Linda Little led in the prayer preceding the meal.

In the call to prayer following breakfast, Susan Ramsey read the scripture, and Cora Gragson read the names of missionaries who had birthdays that day. Lila Fern Ramsey led in the prayer for the missionaries.

Elizabeth Monk led the Bible Study, entitled "Family Traditions and Cultures." She brought the discussion in question-answer form. Scriptures were taken from Romans, Acts and Galatians.

A short business meeting was held. The ladies discussed the trip to Waco to attend the WMU House Party. Seven ladies from Quitaque FBC and one from Flomot FBC plan to attend. The Missions Committee were asked to consider a ministry at Caprock Canyons State Park.

Each lady present led in a sentence prayer for the closing.

Those attending were Elizabeth Monk, Linda Little, Lila Ramsey, Lolla Belle Harmon, Lockwood McCracken, Susan Ramsey and Cora Gragson.

One of the most malleable of metals, gold can be hammered into sheets so thin they are almost transparent.

Triple L Club To Meet Thursday Of Next Week

The Triple L Club will meet at the First Baptist Church in Quitaque on Thursday, July 26, at 10:00 a.m. with a program and luncheon.

Everyone fifty-five and over is welcome to attend. Bring a covered dish and enjoy the meal and fellowship.

Colvin Honored By Civitans

Civitan George R. Colvin, a lieutenant governor of the Texas district of Civitan International and a resident of Big Spring, has been honored by the organization as a Distinguished Lieutenant Governor.

Colvin is the son of Mrs. Ella Colvin of Turkey and the late George Ray Colvin, sr.

The outstanding honor was announced at the organization's 64th annual convention which was held June 26-30. Colvin led more than half of the Civitan clubs under his supervision to achieve "Honor Club" status, the highest recognition a club can achieve.

Civitan International is an association of approximately 1,100 service clubs worldwide dedicated to helping the mentally and physically handicapped. Civitan membership is open to both men and women.

Mrs. Ella Mason returned home Thursday, July 12, after six weeks vacation trip.

She left Quitaque June 3 and flew to Houston where she visited her sister and family, Mr. and Mrs. Hardy Huenerberg. She visited another sister and family at Kirbyville, Mr. and Mrs. James Brown. She visited a niece and family, Mr. and Mrs. Bill Kindred and children, at Grapeland, and then she visited a brother and wife, Mr. and Mrs. Wesley Barrick and, also, his twin brother, Lesley Barrick, all in Kilgore.

She visited her daughter and family, Mr. and Mrs. Paul Chapman, in Springtown, then returned to Childress and visited another daughter and family, Mr. and Mrs. Leon Turner, returning home from there.

Valley 4-H News

Congratulations go out to the 4-H Rifle Club for winning second place in Lubbock at the district contest held Friday, July 13. The boys competing on the five-man team were Bradley Brunson and Bryan Ramsey of Silverton, Josh Brooks, Jay Gray and Bradley Price of Quitaque.

Valley 4-H Club held a regular meeting July 16 at the Quitaque Park. Extension Agent Travis Harney brought the program on how to fill out reports for the members' record books. Also discussed was the upcoming election of officers.

The Valley 4-H Sewing Club will have a Fashion Revue July 26 at 8:00 p.m. at the Quitaque Community Center. The public is invited to come and see these 12 young people representing Turkey and Quitaque model their clothing projects.

Sunday, Mrs. Ruth Anderson and her sister, Mrs. Hattie Henshaw of Seymour, and their friend, Mrs. Bonnie Nall of Hereford, visited Mr. and Mrs. Rex L. Anderson in Clarendon. The ladies had enjoyed the Floydada Homecoming activities over the weekend.

Mr. and Mrs. Tom Pierce visited their son and family, Mr. and Mrs. Robert Pierce at Vernon Sunday. They report that Robert was admitted to the Wilbarger County Hospital Friday night. He remained in ICU until Sunday at noon. He will be in the hospital a few more days.

The doctor reported that he was doing good, and the EKGs showed there was no new damage to his heart. Robert had suffered a light attack on July 1 at Bowie Scout Camp, and he was in the hospital at Bowie until July 10. He was serving as a counselor at the camp.

Barnhill Improving Following Illness

The Valley Tribune received a note from Mrs. Harry Barnhill of Fort Worth. Harry is a former Turkey banker who suffered a heart attack while visiting in Turkey recently. The content of the letter follows:

"Harry is doing as well as possible and we are very thankful, of course. We are sorry we missed Hattie Lois and Ralph (Carter's) special day, (their Golden Wedding Anniversary) but she had a good time in spite of all the worry and I am so proud for both of them. I know what fine people they are and how much they give of themselves to others and that Sunday was the icing on the cake for them.

"We do enjoy the paper and hope you can continue to be able to publish the paper. Thanks, Alice and Harry Barnhill."

(Ed. Note: There is a card of thanks to area people in the classified section of this edition.)

Cogdills Have Family Reunion

The Buffalo Flat reunion helped a family to have a reunion. The sisters of Deval Cogdill all came and spent the time with the Cogdills and returned to their homes on Tuesday.

They were Mr. and Mrs. G. L. Brittan of Magdalena, New Mexico, Flora Cogdill of Amarillo, Lois Almond and Evelyn Hays, both of Shepherd, Texas.

Friends came to the Cogdill home also and they all enjoyed an ice cream supper and did lots of visiting.

THEN/NOW!

When it comes to cleaning up the air in your home, top technology has produced a fresh solution to the problem.

THEN: In the past there was the standard furnace filter to remove dirty air particles that cause damage to walls, ceilings, drapes, furniture—and your health. But most dirty air particles pass right through it.

NOW: Today, a properly designed and quality Media Air Filter, such as Honeywell's FMA, will remove up to 99 percent of dirty air particles. And the Fin Electronic Air Cleaner acts like an electronic dust magnet, electrically charging and removing up to 99 percent of dirty air particles.

CHILDREN'S RAINBOW PRESCHOOL NOW ENROLLING STUDENTS

The Children's Rainbow Preschool, directed by Gail Wyatt, is now enrolling for the fall semester. Enrollment deadline is July 27.

Classes for 2½ through 3½ year-olds will be held once a week from 9:00 until 11:00 a.m.

Classes for 3½ through five year-olds will be two days a week from 8:30 until 11:30 a.m.

The Children's Rainbow provides early childhood activities with songs, games, fingerplays, stories, group participation and many other learning activities. A snack is also provided.

Since enrollment is limited in each class and curriculum needs to be ordered, contact Gail Wyatt at 847-2570 if you are interested in enrolling your child or desire additional information.

PURDY REUNION HELD AT CAPECOCK CANYONS STATE PARK RECENTLY

The W. A. Purdy family reunion was held at Caprock Canyons State Park on July 7-8.

Those attending were Bly and Annie Shannon, Earl and Pearl Pinkston, Charlett Bloodworth, Gerald and Jean Reinhardt, Pamela, Angela and Carla, Paula and David Purdy, Cleave Purdy, Gerald and Chris, Tom, Lee Kristal and Jimmy Dale Purdy, Ed and Bobbie Truesdale and Josh, Palmer and Janett Hays, Lavene Purdy, 14345 Wiley Street, San Leandro, California, Sylvia Purdy Hastey, Bonnie Purdy, Beanie Purdy, Marie Purdy White and Paul, Josephine Branson Coza, Oletta Jane Wimmer and William Wimmer, Bill, Annie Hays, Debra and Billy.

They report enjoying the park very much and hope more of the cousins will join them at the next reunion.

(Ed. Note: Would like addresses next time.)

America's Girl Scouts were first known as Girl Guides, named after the English group upon which they were modeled. Formed in 1912, they changed the name to Girl Scouts the following year.

Imel Reunion Held July 1 At Community Center

The Imel Family Reunion was held July 1 at the Quitaque Community Center with 43 present.

Those attending were Mr. and Mrs. Harvey Wellman, Wellman, Texas; Mrs. Mattie Weatherly, Memphis; Mr. and Mrs. Bruce Setfill, Canyon; Mr. and Mrs. Loyd Wellman, Shallowater; Mr. and Mrs. Bill Dunn, Colorado Springs, Colorado; Jerry Weatherly, Memphis; Mr. and Mrs. Jack Wellman, Jamie, Richard and Ryan; Mr. and Mrs. Dan Chestham, Quitaque; Fay Cawley, Turkey; Mr. and Mrs. Dan Chestham, Lathrop; Mr. and Mrs. Roy Mullin, Oklahoma City, Oklahoma; Mrs. Ron Hutchinson, LiAnn and Paula, Katy; B. J. Mullin, Turkey.

Others were Mr. and Mrs. Robin Harmon, Tracy and Bobby, Plainview; Mr. and Mrs. Bill Day, Grand Prairie; Mr. and Mrs. H. L. Hoagland, Dickens; Mr. and Mrs. Lonnie Hoagland, Lona, Dona and Sonster, Canyon; Mr. and Mrs. Arvie Reeves and Jeffery, Adrian; and Mr. and Mrs. George Harwood, Jennifer and Jonathan, Amarillo.

The world's largest collection of baseball cards can be found in the Metropolitan Museum of Art in New York. It boasts 200,000 of them.

Adams-Jones Vows Read In Prairie Wedding Ceremony

Elaine Adams of Turkey and Jeff Jones of Earth were united in marriage at a prairie wedding ceremony held Saturday evening, June 9, at 7:30 in the beautiful back yard of her aunt and uncle, Mr. and Mrs. I. D. Mullin in Turkey. Brett Parsley

of Lubbock performed the ceremony. The couple stood before an archway covered with orchid, peach and baby blue silk flowers.

The bride is the daughter of Mr. and Mrs. J. A. Adams of Turkey and the bridegroom is the son of Mr. and Mrs. Charles Jones of Earth.

Melody Cruse of Canyon served the bride as maid of honor. Michele McCarty of Earth and Shadi Mullin of Turkey were bridesmaids. They were dressed in prairie attire in dresses of orchid, peach and baby blue street-length gowns with full skirts.

Tommy Inman, Hereford, was best man, and Steve Perry of Springlake and Stacy Price of Turkey were groomsmen. Ronnie Wilson, Springlake, and Derek Mullin, Turkey, were ushers. Ronnie Wilson sang two wedding songs accompanied at the piano by Renae Wilson. Mary Kate Bellew of Earth played wedding selections.

The bride, given in marriage by her father, wore a white street-length prairie dress trimmed with lace and ruffles with a full skirt. For something old she

MR. AND MRS. JEFF JONES

carried a handkerchief of her grandmother's, Mrs. I. T. Robison, and her something new was pearl studs given to her by her parents and a necklace in the shape of Texas with a diamond at the location of Earth given to her by the bridegroom. Something borrowed and blue was a garter belonging to Mrs. Ronald Mullin. She placed a penny in her shoe minted in the year of her birth. Her corsage was made of silk flowers in her chosen colors of orchid, peach and blue. She wore tiny flowers in her hair.

As she came in she gave her mother a red rose and after the ceremony she presented the groom's mother with a red rose.

A reception was held following the ceremony at the Church of Christ Fellowship Hall. The bride's table was laid with a lace cloth over peach and the centerpiece was the same as used for her bridal shower. It was made by a friend from Earth in the shape of Texas and made of the same material as her bridal dress. It was embroidered with flowers and the towns of Turkey and Earth were marked. The beautiful three tier cake was also in the shape of Texas, beautifully decorated and mints were Texas shaped.

The groom's table was covered with a cloth made by his grandmother out of material like the bridesmaids' dresses. Sandwiches, dips, cheesecake and iced tea were served with country crocks used for decoration. The reception was catered by Frances' of Earth.

Joyce Ferguson, the groom's grandmother, and Ruth Cox, his great-grandmother, both of Merkel, and Mr. and Mrs. Phillip Jones, grandparents from Olton,

were all present.

The couple left by car for Fort Worth where they spent the night and at 1:00 p.m. Sunday they boarded a plane for The Bahamas where they had a seven-day honeymoon. They are making their home in Earth where the groom is a pilot for Jones Flying Service.

Mrs. Buddy (Leona) Morris returned Sunday, July 8, from a three-week vacation downstate.

She left Quitaque on Tuesday, June 19, with her grandson and family, Mr. and Mrs. Ray Don King of Weatherford, Texas, and she accompanied them to Lubbock, where Leona was met by a member of the Howard Morris family of Welch. She visited them until the following weekend and they took her to Midland where she explained for San Antonio. She was met there by her son, Danny Morris, and she returned to New Braunfels with them and spent the next two weeks. She flew back to Midland and spent Saturday and Saturday night with her niece, Mr. and Mrs. Billy Auburg. Mrs. Auburg brought her home on Sunday.

On Monday, Mrs. Auburg took Leona to Tulia for an appointment with her optometrist, then in the afternoon, to Lockney for a checkup with her doctor. Mrs. Auburg left Tuesday morning to drive to Goree to visit her sister and family before returning to her home in Midland.

Mr. and Mrs. Corky Morris of Dimmitt spent Tuesday afternoon visiting his mother. They brought her some apricots.

Basketball Camp To Be Held In August

Coach Kelly Braisher will be conducting a basketball camp for girls and boys in the fourth to the eighth grades August 13-17, 1984.

The classes will be held from 9:00 until 11:30 a.m. and from 1:00 until 4:00 p.m. Sandwiches, soft drinks and candy will be sold at the concession stand, or campers may bring a sack lunch or go home for lunch.

Cost is \$50.00 each. Those interested in attending

NEW ARRIVALS

Mr. and Mrs. Dee Whittington of Quitaque are the parents of a baby girl, Magan Dee, born Wednesday, July 11, at 7:48 p.m. at Lockney General Hospital. She weighed seven pounds eight and one-half ounces, and was 19½ inches long.

She has a brother, Cody. Grandparents are Mr. and Mrs. Donnie Perkins of Silverton and Mr. and Mrs. Wayne Whittington of Quitaque.

Great-grandparents are Mr. and Mrs. Glenn Smith and Mr. and Mrs. Ott Perkins, all of Silverton, and Mrs. Juanita Whittington of Richmond, California.

Give shortening a longer life

Shortening quality is a critical factor in the taste of fried foods and a major expense item for restaurant chains. At Kentucky Fried Chicken restaurants, cooks learn how to take good care of this important commodity.

Here are some tips from KFC kitchens for the home cook who likes to turn out creative specialties in the deep fryer.

- Heat shortening slowly to avoid scorching and stir frequently.
- Protect the shortening from water. Be sure utensils are dry and steam doesn't drip into fryer.
- Rinse clean fryer and utensils well; soap, detergent or other chemicals can change food's taste.
- Strain food particles out of shortening.
- Use vegetable oil or shortening with a high smoke point, such as soybean oil.
- Check your shortening color. It should be clear and light when it is hot. When it gets dark or cloudy, it can affect the taste of the food you cook in it. When it is really dark, it is time for a new batch. ▲

SUPPORT FOR EDUCATION

Employees of R.J. Reynolds Industries directed more than \$2 million to U.S. schools during 1983 through their company's matching grants program. ▲

The ears of the great horned owl may have the most acute sense of hearing in the animal world, says *National Wildlife* magazine. They can pick up the faint sound of a beetle rustling through the grass, more than 100 yards away.

Baker And Deloney Reunion Held Recently

Members of the Baker and Deloney families met Saturday, June 30, and Sunday, July 1, at the home of Kelsie Baker in Silverton for a joint family reunion.

Everyone enjoyed lunch, visiting and remembering old times.

Attending were Van, Della, Van, jr. and Jan Deloney of Fort Worth; Donna, Jonnie, Daryl and

G. G. Black, Edna and Bertha Gallington, Mildred, Peggy and Connie Davis, Dallas; Erma, Leslie, Otis, Yolanda and Arla Polley, Leslie Bunton, Delois, Kelsie, jr., Doris, Lisa, Flip and Duston Baker, Mary Ivory, Ira and Eric Gallington and Melody Bonner, Amarillo; H. M., Georgia, H. M., jr. and David Vaughn, Levelland; Don, Zeola, Trudy,

James and Leon Taylor, Quitaque; Elzora and Joe Gallington, Easter and Emma Ivory, Virginia, Ricky, Mitch, Tonya, Gwen, Chris, Matt and Clifford Clarly, Margaret, Leticia, Mateka and Danielle Crosslin, Kelsie, Dorothy, Bill, Charlie, Janice, Jerry and LaToya Baker and Rev. Floyd Knight, all of Silverton.

In the past, your electric bill was "just another item" in your family budget, but that is not true anymore. However, as a consumer of electricity, YOU can make a difference. How you use electricity is an individual matter — it is in your hands — and in your pocketbook.

At West Texas Utilities we are working to provide dependable service at reasonable rates. Unfortunately, the costs of producing and supplying electricity have soared. WTU has had no choice but to raise its rates to pay for the high cost of fuel to generate electricity.

We know you are concerned about your electric bill, and we suggest a few things

that can help you save money and energy.

Make it a family project to learn more about conservation. Keep your thermostat set at 78 degrees or higher in the summer and 68 degrees or lower in the winter. Operate your washing machine, dryer and dishwasher only with full loads. Turn off the television and lights when you leave a room. And check around your house to find other energy-saving measures that can mean dollar savings on your electric bill.

WTU is working to ensure an adequate supply of electrical power for YOU and all of our customers, while trying to assure the most value for your energy dollars now and in the future.

**SALES TAX REBATES
CONTINUE TO BE
UP IN TEXAS**

State Comptroller Bob Bullock has sent checks totaling \$55.3 million in local sales tax payments to the 988 cities that levy the one percent city sales tax.

"We've sent Texas cities nearly half a billion dollars this year," Bullock said. "That's more than 17 percent over what these cities had received by this time last year. Every one of the 20 biggest sales tax cities is ahead of last year's totals."

Houston's check totaled \$9.4 million, pushing the total Houston payment for 1984 to more than \$82.1 million. Dallas received \$6.8 million, putting 1984 payments to date at nearly 20 percent above 1983.

San Antonio's \$3.1 million check brought its yearly total to \$26.9 million, up \$4 million over the total one year ago. Austin received \$2.6 million, pushing its 1984 total 31 percent ahead of last year.

Midland's check totaled \$616,000, bringing 1984 payments to date 15 percent over 1983.

July payments reflect taxes on sales made in May and reported to the Comptroller by June 20.

Silverton's check for the current period was \$619.84, as compared to \$1,078.36 for the same period in 1983. This brought the 1984 payments to date to \$10,703.35, 2.01% more than the \$10,492.24 received in 1983. Quitaque received no payment for this period, and no payment for the comparable period in 1983. The 1984 total to date is \$6,282.26, up 72.68% from the \$3,638.00 received for the same period in 1983.

This gives Briscoe County a total of \$16,985.61 for 1984, up 20.21% from the \$14,130.24 received in 1983.

Watch Your Weight
For people who are 40 percent or more overweight, cancer mortality is 33 percent higher for men and 55 percent higher for women, according to the American Cancer Society.

NOTICE

Energas Company hereby gives notice of its intent to implement new rates for domestic and commercial type customer classes in the 63 cities and towns on its West Texas City Plant System, effective August 10, 1984. It is anticipated that the new rates will result in an average increase of 7.7% to a domestic and commercial type customer in the West Texas City Plant System.

A Statement of Intent to change said rates was filed with each of the cities and towns listed below on or about July 6, 1984, and is available for inspection at the Company's Amarillo office, 301 S. Taylor Street.

Edge of America

A barren beach — some plunging waves — and then for thousands of miles, the sea. Poets might think that way. But millions share the thought . . . this is the edge of America!

But the edge of our nation has been closing in. Within our restless society we have confronted a new edge of America — a shoreline of *freedom*, of justice, of mutual respect of men for one another and for their institutions. When you leave that shore behind, there is nothing . . .

Look rather at the *heart* of America. Look at the spiritual treasure which inspired patriots to crown religious liberty as the supreme freedom.

Each week our churches pursue their sacred mission. More and more they've been welcoming families like your own . . . folks who have seen the edge of America — and are seeking the heart!

Cotton Program Benefits Both Farmers and Consumers

As cotton farmers labor from dawn to dusk, so do scientists at the Texas Agricultural Experiment Station (TAES) at Lubbock, who are dedicated to their research of breeding and improving cotton for the benefit of farmers and consumers. After 75 years of existence, still newer and better germplasm is being provided to private seed companies for use in their varietal development programs as the experiment station cotton research continues.

Aimed at developing cottons suited to the climate and topography of the South Plains area, the Lubbock cotton breeding program was initiated in 1916. With each wave of progress, the result was a more stable and economical means of cotton production.

One of the first real advancements by the Lubbock station was the perfecting of the storm-proof boll. This eventually resulted in a cotton adapted to stripper type harvesting. "This development is an example of the farmers and the experiment station working together," said Dr. Levon Ray, professor emeritus of cotton breeding.

Thanksgiving Day of 1926 brought one of the worst wind and sand storms ever recorded, Ray said. At that time, wind storms resulted in severe economic losses because the boll conformation of the current varieties were non-stormproof. High winds would blow the cotton out of the mature bolls and onto the ground.

"H. A. Macha, a Tahoka farmer, was going through his field after the 1926 storm and found a plant in which the cotton hadn't blown out." Macha planted seed from this plant in his garden and worked to improve the seed-cotton retention qualities of the plant for six years, Ray said. However, Macha was not satisfied with his progress and in 1934, he brought seed of this plant to the superintendent of the Lubbock experiment station, D. L. Jones.

Jones was looking for a plant having better seed-cotton retention characteristics. From this "Macha plant material" Jones developed the Macha stormproof variety which was released in the late 1930s. "This variety was the basis for all future stormproof cotton," Ray said.

During the late 1940s, the station became involved in research efforts to improve cotton fiber quality. Lubbock scientists concentrated their effort on improving cotton length and strength during the 1950s and 1960s, Ray said. "Until this time the average staple length was seven-eighths of an inch, but it has been improved to over an inch."

Research on narrow row, short season cotton began in 1953 with the real effort continuing throughout the 1960s. "This cotton was bred to develop and mature in a short period of time," Ray said. The research center initiated a trend throughout the cotton belt toward short season varieties, he said.

Releases of three commercial varieties may be contributed to

the work of the Lubbock station. The stormmaster variety was released in the late '40s and was one of the earliest varieties of stormproof cotton.

Ray led the research of disease resistant varieties beginning in the mid-1940s. Blightmaster, a variety tolerant to bacterial blight, was released in the mid-1950s. "It was one of the first blight tolerant varieties released and is still used extensively in the southern part of the High Plains on dryland cotton farms," he said.

The 1950s disease resistant research also resulted in a breeding line with tolerance to Verticillium wilt. Verticillium wilt could cause disastrous losses for farmers and until this time there were no tolerant varieties, Ray said.

Another commercial variety released by the station and also developed by Ray, is Tamcot 788. This stripper type variety resulted from fiber quality improvement of stormproof cotton in 1968, Ray said. Since its release in 1970, Tamcot 788 has been used as a major parental line in hybrid cotton breeding.

Hybrid cotton breeding is currently an important area of

research and development at the Lubbock center. Scientifically hybrids are here, economically they are not," said Dr. J. R. Gannaway, cotton breeder at the Lubbock TAES. Researchers are able to produce hybrid cotton seed, but the production cost is still too great, he said. Generally, the resulting yields have not reached the point of being economically feasible for the producers.

Glandless cotton is also being studied, Gannaway said. "It is the only row crop that will produce both fiber and food." Glandless cotton not only produces fiber as usual, but also cottonseed that contains practically no gossypol. This particular seed can be made into cotton seed meal and flour suitable as a food-protein source for poultry, swine and humans. "It has been around for a while," he said, "but there has been no monetary incentive for production until recently."

Fiber quality research is still continuing with emphasis being placed on fiber strength. Drought tolerant cotton is also being studied for obvious reasons, Gannaway said.

A strain of carrots with shorter, blunter ends has been developed so that the carrots will not puncture the plastic bags in which they're packaged.

Senator Bill Sarpalius Reports

AUSTIN — Timing is everything in politics and the same is true for politicians passing legislation.

Had the present school reform activities of the Special Session been brought up in the Regular Legislative Session, those representing the rural areas of the State would have had more voice. We could have insisted that many of the elements that were included and are to be a burden on smaller school districts would not have happened.

In a special session, it takes only a simple majority to pass legislation. In a regular session, it takes a vote of two-thirds of the Senate.

The bare fact is, there is not enough representation from the rural areas to hold our own with the metropolitan areas of Texas.

And as a result, the school districts with a smaller number of children, with large

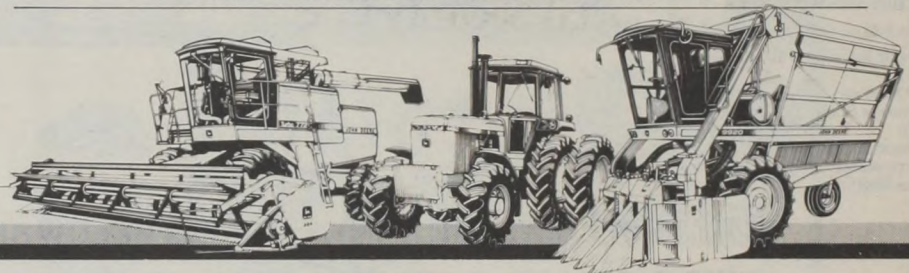

areas to cover and with a number of disadvantaged students will have to tighten their belts even tighter because of the actions of the Legislature.

We can look for property taxes to increase as our school districts assemble a financial package to pay for the new programs mandated by the Legislature. The only place the school districts have to go for funding is to their taxing base. To meet State standards they are going to have to implement and increase a number of programs. There will be a need for more facilities, more teachers and an increased transportation system.

And, the teachers whom we went to Austin to help, will get a token raise from the State and it will be the local districts who will have to make up the extra dollars they were promised by the Legislature.

JOHN DEERE SAVINGS PLANS

TRACTORS THAT ARE INTEREST FREE UNTIL 1985... AND OTHER INTERESTING DEALS

- **New Tractors.** Choose any new tractor listed at right. We'll make you a good deal. And if you finance with John Deere, no interest will be charged until January 1, 1985.* Or you can take a cash rebate in lieu of the waiver as shown.

- **New Cotton Pickers and Strippers.** Get our offer on any new John Deere cotton harvester. You'll pay no interest charges until the 1984 harvest season, if you finance with John Deere.* Or take a cash rebate in lieu of waiver. Ask for details.

- **New Combines.** Get a good price on any John Deere Combine. And if you finance with John Deere, pay no interest charges until 1984 harvest season.* Or you can take a cash rebate in lieu of the waiver. See us for details.

- **New Hay and Forage Equipment.** Buy now and pay no interest charges until September 1, 1984 if you finance with John Deere.* Plus Pick-A-Team double cash rebates on selected John Deere tools. Get complete information from us.

OBITUARIES

LEE DRIVER

Graveside services for Lee Driver, 74, of Lubbock were held Monday, July 16, at 11:00 a.m. at Aspermont Cemetery.

Burial was under direction of McCoy Funeral Home of Aspermont. Lubbock arrangements were by Resthaven Funeral Home.

Mr. Driver died Thursday, July 12, at 5:00 a.m. at St. Mary's Hospital in Lubbock after a lengthy illness.

He was a retired automobile salesman. He was a longtime resident of Childress before moving to Lubbock in 1974.

He was born in Dickens County, and married Elizabeth Lee in Dallas in 1943.

He and his wife were formerly residents of Quitaque.

Survivors include his wife; a daughter, Mrs. Max Lowmiller of Lubbock; a sister, Mrs. Jim McCoy of Stephenville; two grandchildren and two great-grandchildren.

DENA WATERMAN

Mrs. Hughie (Dena) Waterman, a former Quitaque resident, died June 26 at Alamogordo, New Mexico. She lived in Quitaque for many years.

Survivors include her husband, Hughie, of Alamogordo; a daughter, Mrs. Wayne (Patty) White, and four grandchildren, all of Fort Collins, Colorado.

Word was received through Mrs. Smitty Guest. Her sister-in-law, Mrs. Olen Lane, sent the notice to her.

W. A. [BILL] FORD

W. A. (Bill) Ford, husband of Maude (Dunham) Ford, died Wednesday night, July 4. Funeral services were at 10:30 a.m. on Saturday, July 7, 1984 in Farmersville. He was a 40-year resident of Garland.

Born March 26, 1907, Mr. Ford was past president of District 10 of the International Union of Electrical, Radio and Machine Workers, AFL-CIO. He was a

**4-H Trap Shoot
Winners Announced**

July 10, Silverton and Quitaque had their district trap shoot. The winner of the sub-junior division (ages 9-12) were Mike Miller with a 91% shooting score, Bradley Brunson and Chad Powell, who tied for second with an 87% shooting score. The winners of the junior division (ages 13-14) were Neal Edwards with a 92%

shooting score, Clay Schott and Denny Hill, who tied for second with an 88% shooting score.

July 13, Silverton and Quitaque traveled to the Lubbock Gun Club range near Reese Air Force Base for the District II Regional Trap and Skeet Shoot. The participants were Bradley Brunson, Mike Miller, Denny Hill, Neal Edwards, Clay Schott and Bryan Ramsey of Silverton, Bradley Price, Kirk Martin, John Harmon, Josh Brooks, Jay Gray and Chad Powell of Quitaque.

The sub-junior five-man team (Bradley Brunson, Bryan Ramsey, Bradley Price, Josh Brooks and Jay Gray) took second place. The sub-junior two-man team (Mike Miller and Chad Powell) took fourth. The junior two-man team (Neal Edwards and Clay Schott) took seventh.

The overall individual shooting for the sub-junior division showed Mike Miller seventh out of 37 and for the junior division Neal Edwards placed thirteenth out of 33.

August 9-11, Neal Edwards, Clay Schott, Mike Miller and Kirk Martin will travel to San Antonio for the 4-H State Trap Shoot as representatives of Bristoe County.

A special thanks to those who have helped in the 1984 4-H Trap season, Don Gray, Quitaque coach, Dale McWaters, coach, Jerry L. Miller, coach, Fred Edwards, assistant coach, and Rhett Montague, Silverton trainer.

August 18 the 4-H Trap Shooters will be hosting a Trap Shoot for a money-making project to help in next year's trap season. There will be several divisions, from individuals to partners and more. Trophies will be awarded for first and second places. The shoot will begin at 10:00 a.m. west of Silverton on the trap range.

WHAT COLOR IS YOUR CHICKEN?

Consumers purchase more than 300 million chickens a year from Kentucky Fried Chicken restaurants worldwide. So the people who buy poultry for KFC have to be world-class chicken experts.

Skin color is just one characteristic that KFC's poultry buyers consider. KFC buys white-skinned chickens that have less fat in the cuticle layer under the skin. This helps breading adhere well when chicken is fried.

Yellow-skinned chickens have advantages as well. If you are braising or stewing chicken or making a pot of soup, the extra fat will give more flavor to the stock or gravy. ▲

Applying the 4.125 sales tax may seem awkward, but a formula has been devised to make it a simple collection process. The rate would be applied this way: Less than a 10 cent purchase — no tax; 10 to 29 cents, 1 cent tax; 30 to 48 cents, 2 cents tax; 49 to 68 cents, 3 cents tax; 69 to 87 cents, 4 cents tax; and 88 cents to \$1.07 a 5 cents tax.

**Senator
Bill Sarpalius
Reports**

AUSTIN — Over the next three years, more than \$4.6 billion in new taxes will help to pay for the sweeping educational reforms and highway upkeep that the Texas Legislature passed during the just completed Special Session in Austin.

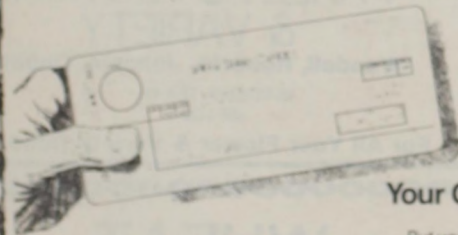

Over the next several weeks I will attempt to dissect the educational bill, wrap up the ramifications of the action on highways, and explain what Texas citizens can expect in the way of new taxes.

The two most noticeable and immediate changes will be the extra nickel per gallon that we will pay for gasoline. That new tax will be felt for the first time August 1.

The second most pronounced change will be a sales tax on a number of new items previously exempted. The tax, including a .125 increase on the current 4.0 state levy, will be extended October 1 to a number of goods and services: cable television, newspapers, dry cleaning, parking, fertilizer for home use, movies, concerts, sports events, some computer programs and a wide range of repair services, except those for cars and trucks.

Other tax increases include increasing the 13.5-cent-a-pack cigarette tax 2 pennies over two years, an increase of 20 percent on the beer, wine and spirits tax. Auto license fees will go up \$25 over the next three years; the hotel room tax will go from 3 to 4 cents on the dollar; the levy on the sale or rental of autos will go from 4 to 5 cents per dollar; and the corporate franchise tax will go from \$4.25 to \$5.25 per \$1,000 of property or capital stock.

CARDS OF THANKS

Thank you, each one, for your
concern, your prayers, phone
calls, cards of encouragement,
visits and food you have extend-
ed to us since Don's accident.
Lottie and Don Garrison

It would be impossible for us to
find the proper words to express
our thanks and deep appreciation to
Dr. Dora Crandall, Steve
Farley, Danny Stewart and Jim
Wells for all they did for us when
Harry had his heart attack on
Sunday, June 24. We certainly
feel that Dr. Crandall was very
accurate in her diagnosis of what
was happening and that saved
Harry's life. Danny was a good,
careful driver and Steve and Jim
kept a close watch and did all
they could to help in any way
that was needed; to each of them,
we say "thank you" and may God
richly bless each of you for your
unselfish service.

It was a long, horrifying trip to

Lubbock but without Dr. Cran-
dall riding in the ambulance with
us and doing all the right things,
I am convinced we would never
have made it. The community is
fortunate to have Dr. Crandall
and those unselfish volunteers,
and we wish for Dr. Crandall the
best always. We want to thank
all those of you who called to
check on Harry and wish him
well, sent flowers, cards and
visited him in the hospital, and
for every act of kindness, we are
deeply grateful. Our thanks and
gratitude always.

Harry and Allene Barnhill
6-1tc

I would like to thank everyone
who was so nice to me while I
was in the hospital several weeks
ago. I appreciated all the visits,
cards and phone calls so much
and since I have returned home
you have done so many nice
things for me, such as bringing
food and visiting. Thanks again
to everyone.

Foy Lane

(The Tribune would like to
express regrets to Mrs. Lane for
the delay in printing this card of
thanks. Mrs. Patterson said it
got lost among the assortment of
papers in her purse.)

QUITAQUE HOMECOMING,
August 4, 1984. 40-tfc

**HOW MUCH IS THAT
IN DOLLARS?**

International travelers can cash
in on the current strength of the
U.S. dollar abroad if they shop
around for the best exchange
rate.

Gene Snow helps manage more
than \$4.5 billion in transactions
each year for R.J. Reynolds
Industries, Inc. Snow recom-
mends that travelers avoid air-
port money exchangers, hotel
cashiers and bank branches located
at airports. The most favorable
rate, he says, is usually found at
banks in town.

Snow also warns that credit
card purchases are often trans-
lated into American dollars at a
less favorable rate than that avail-
able at banks. It may be cheaper
to make purchases with traveler's
checks or cash. ▲

ON COOKING

Don't let the season limit your menu

By Donna Higgins
Del Monte Corporation

Cold salads can be enjoyed
throughout the year, even when
some fresh ingredients aren't
available.

The recipe for Crunchy Calico
Salad combines canned corn with
fresh spinach or lettuce, aromatic
vegetables and a cheese topping
for a nutritious and flavorful
dish. Mixing white wine vinegar
with Dijon mustard helps deliver
a tangy flavor.

Combining fresh vegetables
with canned is one way to have
your favorite vegetable dishes
year-round for good nutrition.
The following recipe is a good
example.

CRUNCHY CALICO SALAD
1 can (17 ounces) Del Monte

- Whole Kernel Golden Sweet
Corn, drained
 - 2 cups chopped fresh spinach or
romaine lettuce
 - 1 cup diced carrot
 - 1 cup peeled, seeded and
chopped cucumber
 - 2 green onions, sliced
 - 1/2 cup oil
 - 1/4 cup Regina White Wine
Vinegar
 - 1 tablespoon Grey Poupon
Dijon Mustard
 - 1 teaspoon dill weed
 - 1/4 teaspoon garlic powder
- In salad bowl, combine corn,
spinach, carrot, cucumber and
green onions. Combine oil, vine-
gar, mustard, dill and garlic
powder; mix until well-blended.
Toss with salad. Top with feta
cheese, if desired; 4 to 6 servings.
▲

**CATSUP COMES
FROM ASIAN ORIGINS**

Catsup, America's favorite condiment,
is not as all-American as the hamburgers
and hot dogs it often garnishes. Originat-
ing in Asia as a spicy sauce used with fish,
the first catsup recipes didn't even contain
tomatoes. Early American catsup often
was made from a variety of spices and in-
gredients — even oysters and blueberries.
