Morris - Neil Wedding Vows Exchanged In Tulia Church

Miss Sherry Beth Morris and Randy Wayne Neil were united in marriage Saturday.
 The double ring ceremony was performed in Calvary Baptist Church with Rev. Orville Rogers, pastor, officiating. Parents of the couple are Mr. and Mrs. Bob Morris of Seminole, formerly of Tulia, and Mr. and Mrs. George Neill. Mrs. Terry Mansell, pianist,

played nuptial selections and accompanied Miss Jamie Reynolds and Miss Bonnie Neill, sister of the groom, as they sang "More." Given in marriage by her father, the bride was radiant in her formal floor length princess blue knit gown. The skirt was bell-shaped and the neckline and front seam lines were trimmed with pearl and crystal beads. Her fin-

gertip veil was an illusion of white lace, trimmed with pale blue lace. Her bouquet was a cluster of white roses atop a white Holy Bible. For something old and borrowed, she carried a linen handkerchief belonging to the late Mrs. Allie Neill. A silver and rhinestone locket, a gift from the groom, was something new and she wore the traditional blue garter.

Miss Lynda Morris served her sister as maid of honor. Flower girl was Miss Tracie Morris, youngest sister of the bride.

Serving as best man was Bobby Neill, brother of the groom.

Following the ceremony, a reception was hosted in Fellowship Hall. Misses Freda and Terry Morris, sisters of the bride, served refreshments.

After a brief honeymoon trip, the couple will reside at 118 N. Gaines in Tulia. The bride attended Tulia High School and is a long time employee of Piggly-Wiggly.

Neill, a 1971 graduate of Tulia High School, attended South Plains College in Levelland, is employed by the Texas Highway Department.

Mr. and Mrs. Bill Woods, Cindy and Rusty Griffin were in Lubbock Saturday night where they met their son, Earl Lee Woods, and a friend, Kikie Blasingame, and they all saw the regional basketball game between Lamesa (3-AAA) and Levelland (2-AAA). The game was played at Coronado High.

Earl Lee works for General Telephone Company in Lamesa, but has also broadcast the basketball games for this season for KPET radio.

The game was quite exciting and Lamesa expected to win, but was strictly in favor of Levelland the first quarter, after a number of turnovers of the ball and very few rebounds for Lamesa. The second quarter they began to settle down and play ball, the kind the fans expected of them, and they soon had the game going in their favor. The last half was all Lamesa's and the final score was 68 to 59.

This ended the season with Lamesa having a 32-0 record for the year, and they hope to add two more to the winning streak in Austin this weekend. This will be the fifth trip to the state tournament.

Coach O. W. Hollis has been in Lamesa for 29 years and has a 717-172 record, which is quite a record for any school.

After the game, the Woods and Mr. Blasingame all went out and had supper together and visited before returning home.

Mrs. Jack Pigg took her mother, Mrs. Lillie Baker, to Glenrose last week and visited her brothers, A. L. and P. C. Baker and their families. She reports a very good visit. Among those attending funeral

services for W. E. Burleson in Matador from Quitaque Thursday of last week were Mr. and Mrs. M. C. Jones, Mrs. Delila McFall, Orval Cobb and Maynard Wilson.

MRS. ALLEN RAY CLARY

Burns - Clary Vows Exchanged

Making their first home in Quitaque following their wedding in the First Baptist Church in Norwalk, California and an extended honeymoon in Southern California, are Mr. and Mrs. Allen Ray Clary.

The bride, the former Miss Joan Ellen Burns, is the daughter of Mr. and Mrs. Leslie C. Burns of Norwalk, California. The bridegroom's parents are Mr. and Mrs. Bill Clary of Quitaque.

A lattice work arch and arrangements of white gladiolas and stocks decorated the altar for the candlelight ceremony read by the Rev. Dr. William C. Bryant.

Escorted to the altar by her father the bride carried a nosegay of pink roses, stephanotis, daisies and baby's breath. Her white satin gown was fashioned along princess lines and had long fitted sleeves and V-neckline. Scalloped galloon lace edged the neckline, skirt and chapel train that was also appliqued with white lace butter-

flies. A crown of seed pearls and borealis held in place her lace-trimmed mantilla-length veil. For "something old" the bride wore a cameo necklace that belonged to her grandmother, Mrs. John T. Rogers, sr. and her something borrowed was her sister's wedding veil. She also wore a blue garter and for luck placed a sixpence in her shoe.

Attending the bride as matron of honor, Mrs. Julie Brown of Fullerton, California wore a floor length dress that was old rose in color. She carried a single long stemmed rose. The maid of honor, Miss Gayle Little of Norwalk, wore a floor length printed skirt and blouse that was old rose and cream in color. The bridesmaid, Mrs. Patricia C. Wittig, sister of the bride, wore a pink empire style gown with a lace bodice. The two carried single long stemmed red roses.

John Robert Burns, brother of the bride, performed the duties of best man and seating the guests were ushers, James Paul Burns and Michael L. Wittig, brother-in-law of the bride.

Candice Carley of Norwalk played the theme from "Romeo and Juliet," "The Lord's Prayer" and "First Time Ever I Saw Your Face," at the organ.

The mother of the bride wore a corsage of white carnations and pink roses.

The home of the bride's parents was the setting for the reception

where the wedding cake, decorated by the bride's mother, was cut and served along with a buffet dinner. Miss Melinda Celeste attended the guest book.

The bride graduated from Norwalk High School in 1971 and was employed by International Hotels. The groom is a 1971 graduate of Quitaque High School.

The bride's former employers, International Hotels, gave the couple the bridal suite on their wedding night for a wedding present.

PUBLIC NOTICE
 SUMMARY OF PROPOSED **CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION APRIL 22, 1975**

NUMBER ONE ON THE BALLOT (S.J.R. No. 3)
 Repealing Sections 48a, 48b, 61e, and 51f of Article III and Sections 62 and 63 of Article XVI of the Texas Constitution, Article XVI of the Texas Constitution is amended to:
 Provide for the revision and consolidation of provisions relating to state and local retirement systems and programs and to provide that all general laws that have established retirement systems and optional retirement programs for public employees and officers in effect at the time of the adoption of this constitutional amendment will remain in effect, subject to the general powers of the Legislature.
 Provide that the amount a participating officer or employee contributes to the employee retirement system or the teacher retirement system shall be established by the Legislature but may not be less than 6% of current compensation and providing further that the amount contributed by the state may not be less than 6 nor more than 10% of the aggregate compensation paid to participating persons, except that in an emergency, as determined by the Governor, the Legislature may contribute more than 10% of the aggregate compensation paid to persons participating in state retirement systems.
 Provide that the Legislature shall provide for local retirement systems created by any city or county for its officers and employees and shall further provide for a state-wide system of benefits for officers and employees of counties or other political subdivisions of the State which may voluntarily participate, and to further provide that a state-wide system of benefits shall be provided for officers and employees of cities which may voluntarily participate.
 The wording of the proposed amendment as it will appear on the ballot is as follows:
 "The constitutional amendment revising and consolidating provisions relating to state and local retirement systems and programs and providing for a maximum state contribution to state systems of 10 percent of the aggregate compensation paid to individuals."
NUMBER TWO ON THE BALLOT (H.J.R. No. 6)
 Amending Article III, Section 24 of the Texas Constitution to:
 Provide an increase in salary for members of the Legislature from \$400 per month to \$600 per month.
 Provide an increase in the per diem rate for members of the Legislature from \$12 to \$30 for each day during each Regular and Special Session of the Legislature.
 Provide an increase in the transportation allowance for members from \$.10 per mile to the rate prescribed by law for employees of the State of Texas.
 The wording of the proposed amendment as it will appear on the ballot is as follows:
 "The constitutional amendment setting the salaries of members of the legislature at \$600 per month and setting a per diem of \$30 per day during legislative sessions and a mileage allowance at the same rate provided by law for state employees."

Tips For Farm And Home

by Briscoe County Extension Agents
Eddie R. Holland and Patricia L. Honea

CUTTING BOARD CARE
Clean a cutting board after each use whether it is part of the counter, atop a dishwasher or a separate piece. Use suds and a stiff brush. To remove stubborn stains, let dampened scouring powder remain in contact with the wood for 15-20 minutes. Then scrub and wipe away. It may be necessary to recondition the board after an extended period of use (especially cutting) by sanding off all the remaining lacquer and applying mineral oil to the board. Simply saturate a clean cloth with oil and wipe on. Allow overnight absorption.

ELEGANCE AND WASHABILITY
What you always wanted in a sheet—linen with the luxurious feel of satin, but with the practicability of permanent press. The new tricot sheet made of Antron III nylon feels soft and silky yet retains the easy-care qualities of synthetics. This satin-like imposter is machine washable, needs no ironing and retains its beauty through repeated washings. Both fitted and flat sheets are available in a wide range of colors with printed designs planned for production next year.

START CLEANLINESS HABITS EARLY
Child-care specialists advise giving plenty of "finger foods" to toddlers just learning to feed themselves. Strips of vegetables, peas and lima beans can all be picked up with the fingers if a spoon or fork taxes the child's patience too much.

For health reasons, little hands should be suds-scrubbed and rinsed before each feeding session. Besides, it's never too early to start training a child into good cleanliness habits which he will remember throughout his life.

BRIGHT PAJAMA BAG POPS INTO THE WASHER
Let the sun shine in with a colorful pajama bag that's easy to make out of laundry-loving fabrics. A 20-inch yellow circle and a 22-inch orange circle make up the body. Cut the 22-inch circle in half and insert a 16-inch "invisible" zipper according to package directions. This will form the back of the pajama bag. Using a nose and mouth cut from the orange fabric, two half-dollar size circles for eyes and two 4-inch magenta circles for cheeks, topstitch the features into place on the yellow circle to form a cheerful, smiling face. Stitch several rows of orange rickrack in various widths across the top of the face.

To complete the pajama bag, place the wrong sides of the two circles together, and topstitch 1/8-inch from the edge of the yellow circle. Then trim off the orange circle and you have a gay, decorative pajama bag that's a snap to keep clean and bright.

SOME ITEMS CANNOT BE AUTOMATICALLY DRIED
Any material which has been

treated with a cleaning solvent or is saturated with flammable liquids or solids should never be placed in a dryer. To do so is to risk an explosion. Be sure to read labels before using liquid cleaners and some spot removers.

Foam rubber and rubber-like materials can be dried in a dryer on an AIR setting only. They must not be dried at a heat setting since the heat may damage the plastic and be a fire hazard.

Glass fiber curtains and draperies should be hung to dry. Knitted woollens will shrink from heat and tumbling. Instead, block and air-dry to hold their original dimensions and appearance.

WASHING MAY BE PRACTICAL FURNITURE RESTORATION AID

If you own a piece of old wood furniture that would look better cleaner, but you aren't sure it can be washed, try working on a small inconspicuous spot first. If the test zone becomes streaked or blossoms a whitish haze, abandon the project and seek the help of an expert.

Should the testing prove safe use mineral spirits to remove old wax. Prepare a solution of four tablespoons detergent or soap to a half gallon of warm water. Dip a soft-bristled brush into the sudsy solution, lightly shake out ex-

cess moisture and proceed carefully. Wash, rinse and dry small areas at a time.

Wait at least 24 hours to be sure the furniture is completely dry; then apply a hard-paste furniture wax and buff with a soft cloth.

Mr. and Mrs. Arthur Gregg of Amarillo visited the Buddy Morris

Wednesday and Thursday last week, spending the night Wednesday night.

Mr. and Mrs. Buddy Morris drove to Kress and visited their grandson and family, Mr. and Mrs. Ray Don King and children.

Mr. and Mrs. James May drove to Memphis Sunday to visit an army buddy of his, Eldon Padgett. Mrs. May saw an article in the Amarillo newspaper stating this buddy was coming to Memphis to preach the funeral service for his stepmother.

Minnie Mae Roberson and Yolanda Roberson visited Yolanda's brothers, Mr. and Mrs. Boyd Knox and Mr. and Mrs. Debbs Knox in Hereford over the weekend.

Mr. and Mrs. Gordon Rothwell and Stacie of Kress spent Saturday night and Sunday with her parents, Mr. and Mrs. Bud Bailey. They attended services at the First Baptist Church Sunday morning. Stacie remained overnight Sunday night with her grandparents and Mrs. Bailey took her home Monday morning.

Shorty Woods was taken back to the hospital Thursday night about 1:00 o'clock, according to his daughter, Mrs. Eugene Corgill. She and her husband and boys came from Midland Friday and remained over the weekend. Mrs. Woods called Monday morning and reported Shorty was feeling better.

Virgil and Edna Blakney

4-H Horse Club Selling Light Bulbs

The Briscoe County 4-H Horse Club will conduct an all-out drive

a regular meeting. Wayne Mayfield and James Griffin from the A.S.C.S. office were guest speakers. Mayfield gave highlights of 1974 and plans for the present farm program. They touched on disaster payments, target and loan price on cotton and grain.

In the business meeting, it was reported that between \$3,000 and \$3,500 had been committed to an R. C. A. Rodeo, and that rain-out insurance would cost about \$1,300 and liability \$80 a performance. It was decided not to have an R.C.A. Rodeo.

The members will try to meet March 8 at the old picture show grounds for clean up work. The chapter ag tour will be set up at a later date from last Saturday.

Calvin Shelton gave a report on Area activities and banquet. He also gave a report on the amateur rodeo producers and was put in charge of securing a producer. The chapter welcomed George Reed, Steve Barbour and Ed Lain as new members. Other members present were G. W. Happell, Tobe Riddell, Calvin Shelton, Jimmy Myers, Joe Bennett, Dan Herrington, Dick Roehr, Donald Perkins, Bill Ford, Fred Minyard and Bill Rappy, chapter advisor. Refreshments were served to all present.

beginning March 14 to sell electric light bulbs to residents, according to an announcement made today by Briscoe County Agent Eddie Holland. The money will be used to finance the first annual Briscoe County Invitational Horse Show May 24.

The light bulbs will be sold in "Thank You Packs," each containing two 60 watt, two 75 watt and two 100 watt Sylvania Soft-White Light Bulbs at the regular retail price of \$2.25. Every householder can use light bulbs and this drive gives everyone an opportunity to buy a good supply of a needed product and at the same time help a worthy cause.

The entire membership of the Briscoe County 4-H Horse Club is being organized to supply friends and neighbors with light bulbs delivered right to their homes. Clubs and organizations in other cities have had excellent results with similar bulb-selling programs, and County Agent Holland expressed his confidence in the success of this fund-raising campaign.

Eyes, like hearts and kidneys, can live twice through the donation of corneal tissue from human eyes, on death, to Lions Hi-Plains Eye Bank of District 2-TI, Inc.
