Hall County Grand Jury Indicts Six Valley Stung By Hornets

A new Hall County Grand Jury was seated last Tuesday, September 6, 1988 beginning its six months session. The grand jury returned six indictments in Judge John Forbis' 100th Judicial District Court.

The Grand Jury returned two indictments against Dr. Dora Crandall, of Turkey. One for failure to keep records as required by Texas Controlled Substances Act, and one for dispensing Schedule Two drugs without Triplicate Prescription.

Librado Delacruz, Jr. was indicted on a charge of delivery of controlled substance.

Thomas Russell Navratil was indicted on felony D.W.I.

Lonnie James Walker was indicted on Involuntary Manslaughter charge stemming from the May 1 highway mishap between Estelline and Turkey which caused the death of Ray Scott.

The Valley Patriots traveled to meet the Lorenzo Hornets on their home field last Friday night. Lorenzo led the scoring, defeating the Patriots 27-8.

During the first half of play, Lorenzo scored four touchdowns, a two-point conversion and an extra point. Robbie Harmon and Chad Isbell put Valley on the board with a safety with 6:22 remaining in the second quarter.

The Patriot defensive unit did a tremendous job coming back in the second half to hold the Hornets to only 17 yards of total offense.

With 1:43 minutes remaining in the game, Valley scored their only touchdown with a one yard run by Brandon Stark.

The Patriots moved the ball 171 yards, with nine first-downs, to Lorenzo's 172 yards and eight first downs.

The Valley Patriots will face the Happy Cowboys for their last non-district game this year. Kick-off will be at 8 p.m., with homecoming activities beginning at 7:30 p.m.

Show your support by attending this, the 17th Valley homecoming, and cheer the Patriots on to VICTORY.

Cars had to be moved to clear the way for this house to be moved down the main street of Quitaque.

As I See It!

By Thelma Gafford

A spiritual happening has moved across the country, or around here anyway. With all the publicity of the church in Lubbock and with the books being distributed by concerned friends and loved ones, I've seen changes in some of my acquaintances.

One cannot fuss about people acting sweetly and kind, and talking openly about their love for the Lord.

Some say things of this nature surface ever so often, some say before this goes to print, it will all be over. If it is, nothing matters anymore. If it doesn't, then I hope we can all remain with this feeling of greatness, of closeness, of loving the God Almighty, and not live solely for the importance of making a dollar, or out doing our neighbor, or stepping on others to come out on top.

After teaching at Southwest Indian School for six years, Ruth and Derrell Hyde were married and have ministered at the school ever since. Mr. Hyde has served as assistant field director, purchasing agent, field secretary, dorm parent, and home furnishing chairman, while Ruth teaches.

She teaches junior high math and history, and in the past has served as principal

All Around The Valley

By Samantha Stark
 Homecoming is here and we're all excited and everyone has that school spirit. Valley has been busy this week getting ready for our Homecoming football game.
 Monday was dress-up day and decorating the boys lockers. Tuesday was mix-but-don't-match day and the Bonfire, Wednesday was clone day, Thursday is jam day and Friday is blue day.
 The football sweetheart candidates are Michelle House, Amy Maupin, Tina Clay and Shadi Mullin. The candidates for Pep Squad Hero are Brandon Stark, Shane House, Scott Garner and Lance Fulbright.
 Candidates for Mr. and Mrs. Flame are Seniors, Sylvia Ortiz and Lance Fulbright; Juniors, Andrea Hinojosa and Chad Isbell; Sophomores, Shadi Mullin and Kirk Garner; Freshman, Claudia Hinojosa and Clay Edwards.
 Everyone come out to the Pep Rally Friday at 2:45 and the game Friday night and show their school spirit because spirit is an exciting thing and I'm sure the boys like to know that all the yelling, screaming, and turning blue is being done for them. Spirit is what makes the team keep that fighting winning attitude and without that attitude there's not much hope. Be happy that your team is scoring and by all means let them know it and come out and support the Vally Patriots Friday night at 7:30 for the game and the Homecoming activities.

Sign-Up Time Is Here For 4-H

Boys and girls who want to participate in the 4-H food and nutrition project this fall must sign up for this project on a 4-H enrollment form as soon as possible, since groups are being organized.
 The project is taught by volunteer leaders who are trained by the county Extension home economist. At least six lessons are taught in food preparation, nutrition, meal planning, food safety, and food buying. Leaders plan learning experiences for their group such as field trips and other related activities. A county 4-H food show will be held in November for 4-Hers to exhibit a dish they have prepared for judging.
 Cost for the project is a small fee charged by the leaders at each meeting to help pay for cost of food prepared for the group.
 To enroll, call the county Extension Office at 823-2131, Ext. 12, or come by the office in the Briscoe County Courthouse and complete a 4-H enrollment form. Project groups will be organized in Silvertown and Quitaque.

4-H is open to all boys and girls in the third grade to 19 years of age regardless of socioeconomic level, race, color, religion, handicap or national origin.

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 8, 1988

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment providing that when the federal government reimburses the state for expenditures of state funds dedicated to acquiring rights-of-way and for constructing, maintaining, and policing public roadways, such federal funds must also be used for those purposes.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment and/or clarification providing that federal reimbursement of state highway dedicated funds are themselves dedicated for the purpose of acquiring rights-of-way and constructing, maintaining, and policing public roadways."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 2 proposes a constitutional amendment to establish an economic stabilization fund in the state treasury. The fund would consist of one half of the unencumbered balance of general revenues at the end of a biennium and three fourths of the difference between the net oil and gas production taxes received in a fiscal year and the net oil and gas production taxes received in the 1987 fiscal year. During any fiscal biennium, the amount in the economic stabilization fund could not exceed 10% of the total deposited in general revenue in the preceding biennium. The state comptroller and the state treasurer could decide to trans-

fer monies from the fund into the general revenue fund to alleviate a temporary cash shortage in general revenue. The legislature could make appropriations from the fund on approval by a three fifths vote of each house to make up the difference between anticipated general revenue and appropriations. On approval of two thirds of the members of each house of the legislature, the legislature could appropriate monies from the fund for any purpose.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment establishing an economic stabilization fund in the state treasury to be used to offset unforeseen shortfalls in revenue."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 5 proposes a constitutional amendment that establishes the Texas growth fund. All investments of the Texas growth fund must be directly related to furthering economic growth and employment opportunities in Texas. At least 50 percent of the fund must be invested in equity and/or debt security for the initial construction, expansion, or modernization of business or industrial facilities in Texas. Not more than ten percent of the fund may be invested in venture capital investments. Of the funds available for venture capital investments, not more than 25 percent may be invested unilaterally, and the remaining investments must be matched at least equally by funds from other sources. The Texas

growth fund will be managed by a board of trustees consisting of four members appointed by the Governor and one member from and elected by the membership of each of the following: The Board of Regents of the University of Texas System; The Board of Regents of the Texas A&M System; The Board of Trustees of the Teacher's Retirement System of Texas; The Board of Trustees of the Employee's Retirement System of Texas; and the State Board of Education. The trustees may set the investment policy of the fund, enter into investment contracts, and take any action necessary for the creation, administration, and protection of the fund. The amendment authorizes the Board of Regents of the University of Texas System and the State Board of Education, in managing the permanent university fund and the permanent school fund, to acquire, exchange, sell, supervise, manage, or retain any kind of investment, including investments in the Texas growth fund. The fund will be phased out after the tenth anniversary of its creation, but the Legislature may create a second growth fund by a two thirds vote of each house.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for the investment of the permanent university fund, the permanent school fund, and public employee retirement systems in the Texas growth fund created by the amendment, which will directly create, retain, and expand job opportunity and economic growth in Texas."

-Psalm 90

Raising a family has never been an easy task, but today it is truly a formidable one. With so many pressures upon parents and youngsters alike, it is no wonder that many families are being torn apart. Placing your family in God's hands can help keep it together — a firm foundation, built on trust in the Lord, can help your home withstand the storm. We invite you to start building that foundation by bringing your family to the church of your choice this Sunday.

For you are my rock, my stronghold for the sake of your name, guide me and lead me!
 -Psalm 31

How comforting it is to know that God is indeed our stronghold, that we can always turn to him when we feel we are in danger. That is the key — to turn to Him in time of trouble. So many of us try to do it all ourselves and become overwhelmed by the obstacles in front of us. If we can just remember that He is always there — upholding us every moment we take breath. Come and learn about this loving and eternal God at the church of your choice this Sunday.

Broxson Family Has Family Reunion Over Labor Day

The descendants of the late C.W. and Dora Broxson held their annual reunion in the Quartz Mountain State Park at Lone Wolf, Okla. over the Labor Day weekend.

The usual games were played, including the volleyball tournament. Opal's Bunch lost out to Rudy's Clan, seems the Silver Tray just passes back and forth between these two teams. The forty-two tournament was won by Opal Broxson and her grandson-in-law, Brett Brown. The name of the winner of the horseshoe contest was not reported.

Tanners Have 10th Annual Reunion

The 10th annual Tanner Reunion was held, September 3 and 4 at the community building in Flomot, Tx. with 35 persons in attendance.

Ella Colvin with her 75th birthday cake.

Surprise Birthday Party Given For Ella Colvin

Mrs. Ella Colvin was recently given a surprise birthday party by her friends and family.

Events leading up to the actual surprise made it even more meaningful. Ella had thought that all of her children, with the exception of Etwoile and Verlan, had left to return to their homes. Then Etwoile, Verlan, friends, Alvin and Gertrude Doggett asked her to accompany them on a sight seeing tour of Turkey and Quitaque. The tour was to conclude at the Bob Wills Center.

As they approached the Center, Ella made the comment that some one must be having a reunion there, because of all the cars.

To her astonishment, her children had gathered friends and family in honor of her 75th birthday instead of going home.

We The Women

We the Women met Monday, September 12, 1988 with a very good attendance for their first meeting after being in limbo for the summer.

The very interesting program was a slide presentation of Quitaque, Caprock Canyon State Park and the surrounding area. This was put together by Randy Stark and presented by Linda Stark.

A museum to house the Quitaque School trophies and memorabilia was discussed. "We the Women" have adopted this as their project for this year.

Mr. and Mrs. Albert Castillo were named as the "Yard of the Month" recipients. Drive by and view their yard and you will see a well deserved award. Another winner will be announced next month and they as other winners, Mr. and Mrs. Dick Taylor, Mr. and Mrs. Buster Chadwick and Mr. and Mrs. R. J. Harmon will be special guests at the next "We the Women" meeting.

Don't miss the October 10 meeting for you are in for a special treat. Lacy's Dry Goods of Turkey will present a Fall and Winter style show at the community center at noon. Make plans now to attend.
