Good Crowd **Attends Turkey Town Meeting**

The Panhandle Plains Town Meeting Day held in Turkey Sept-ember 10 got off to a good start with approximately 150 interested citizens in attendance. Jay Eudy, Mayor of Turkey, was in charge of the welcome and introductions

As the citizens registered, they received name cards decorated with wheels of red, green and black spokes, which designated the workshop group they were to at-tend. The black wheel group were divided to go half into the red group and half into the green group for the first hour session. The groups returned to an as-sembly for the second hour for

a festive supper and visiting in-terlude followed by workshop rep-

The citizens then separated into three groups for a follow-up dis-cussion of their proposed challen-

ges. The final session was concluded with the story of Turkey compos-ed into one paragraph by mem-bers from the black wheel group which was read by Byron Young: THE STORY OF TURKEY, TEX.

"Turkey started from ranching heritage and grew into a farm economy with four gins, a com-press, and approximately 50 busipress, and approximately 50 busi-nesses with a large consolidated school-trading center for South-west Hall County. We are strug-gling economically to bring in new industry and hold the interest of our young people so that they won't move away. A new organization, the Alpha Rho Chi, is sponsoring the City Park We organization, the Alpha Kho Chi, is sponsoring the City Park. We are hoping for a new eight-unit housing project and to stabilize our economy. Our dreams are that the community will work to-gether to build a better future." To Remain Undefeated The fired-up Valley Patriots re-covered a Claude fumble on the first play from scrimmage at the Claude six-yard line, then on Val-Claude six-yard line, then on Val-ley's first offensive play Kenneth Helms put the Patriots on the scoreboard with just 14 seconds gone in the game. The try for the extra point was missed and Valley led 6-0. The Patriots kicked to the Must-angs on the 24-yard line. Claude was unable to move to a first

The WMU ladies of the First Baptist Church in Quitaque kicked off their Week of Prayer and State Missions offering with a Mexican Food Supper and a pro gram Sunday evening after regul

ing pass. Following the touch-down Coach Rick Dill perhaps fou-nd the answer to one of his pro-blems, an extra point kicker. The Patriots had converted on only one try for extra point in seven tries last week against Chillico-the, then had missed the first time against Claude. This time Larry Curry was given a shot at the try for conversion and Larry booted the pigskin squarely betwe-en the uprights. With 4:35 still left in the first quarter Valley led

Claude returned the kickoff to their own 48 yard line, then pick-ed up a couple of first downs, moving instde the Valley 20. The Patriots' defense held the Mus-tangs at that point. Dowd picked tangs at that point. Dowd picked up four yards, then a first down on the next try with a 7-yard bur-st up the middle. On the next play Helms almost broke loose, picking up 15 yards. On the next play, from the Claude 39-yard line, Dowd did break it and picked up the third TD on a nifty scoring run Curry again booted scoring run. Curry again booted the extra point and Valley led 20-0 with 0:53 still left in the first

TOYS NEEDED BY VALLEY SCHOOL

There are many days when our elementary children cannot go outdoors to play. Being confined to a room all day can become very tiresome and children become restless. This situation could be helped if the children had some toys to play with indoors, time would move quicker. Do you have some sturdy, safe, indoor games or toys your children have outgrown? We could use wooden puzzles, toy telephones, dominoes, checkers, Tinker Toys, Lincoln Logs, Monopoly, records, toy tr-

Toys suitable for children from ages four to 10 years would be appreciated. We would prefer not to have any battery operated toys. If you have some outgrown toys you may bring them to Jean Rice's office at Valley School. The children and teachers thank

Claude returned the ensuing kick off out to the 35 yard line. The Mustangs picked up a first down at the 50-yard line but on the at the 30-yard line but on the next play big Kenny Chandler, defensive cod, chased the Mustang quarterback down for a 15 yard loss. Jesse Ferguson, playing at the other defensive end for the the other defensive end for the Patriots, intercepted a Claude pass on the next play and was tackled on the 29 yard line, as the first period ended. Valley fumbled the ball away on their first play to start the second quarter but once again the Mustangs could not move the ball and had to kick it away. The Patriots scored their third TD on this possession with Helms

led 26-0 at half-time. The Mustangs took the second-half kickoff, stalled and had to kick. The Mustangs' kicker got off a good kick that rolled to the off a good kick that rolled to the Valley one-yard line. Valley mov-ed for a first down, then were penalized a couple of times, and then had to punt from their own 6-yard line. Claude took over on the 26 yard line and the Mustangs had their best chance to get on the scoreboard. The Mustangs moved for a first down at the Valley 15 yard line, then picked up a yard on the next try.

picked up a yard on the next try, and then threw three incomplete passes. From there the Patriots moved downfield into scoring pos-ition but could not get in for the score. Valley's Kenneth Helms got away from a nifty 60 yard gallop in the third period and came within a whisker of going all the way but once again the Patiriots stalled and the third period was scoreless

The fourth period was much the same as the third with the except-on that the Patriots picked up another score with Helms getup another score with nemis get-ting his third score of the game, this one from the five yard line. Curry kicked the point after to make the score 33-0.

also like to stop the other team and have done both very effecti-vely. All four of the backs have played very well on offense. Of course Helms and Dowd have been very impressive on offense and in two games their statistics are very nearly equal. Their team-mates are giving the ball carr-iers good blocking to help them move the ball. On defense the Patriots have the name and trad-ition of being tough and stingy. Thus far it appears that the cur-rent edition of the Patriots is cut from the mold and just might be one of the better ones. Friday night you could almost go down the lineup and list all players picking out those playing outstand. nexing out mose playing outstand-ing games. The names heard most often during the course of the game were Jeff Drump, Don Douglas, Dave Patrick, Chandler and Clinton in the line and Helms and Dowd. However it takes ev-ery man in the lineup and every man on the team has been playing bang-up football.

On offense Dowd and Helms ha-ve each scored five TDs in two games. Dowd has carried 39 timgames, bowd has carried 39 mm, es in two games for a total of 311 yards for a 7.97 yard per carry average. Helms has carr-ied 36 times for 291 yards for as 8.08 yard per carry average. Between the two of them they have gained a total of 602 yards and an average of 8.02 per carry, statistics that are quite gaudy.

The Patriots are due to get their sternest test this Friday night as they drive to Anton for their third game. Last Friday night Anton played defending Zone 2-B North champion Sudan to a 7-7 tie. The game figures to be the toughest to date for the Patriots and should give fans an indication of how the local team will stack up against other team members. It is hoped that a large group

of fans will go along to root the Patriots to another win.

The American farmer builds two things better than anyone else in the world. He builds the next generation, passing along a special kind of wisdom ... respect for the soil, honesty, independence, and faith in the future. And he builds his land, leaving it better than he found it. That kind of building usually requires borrowed long-term capital. That's where we have helped for 60 years.
