

Marriage Vows Pledged Recently

Miss Brenda Margaret Wason and Darrell Joe Cruse pledged marriage vows in a double ring service at 7:00 o'clock in the evening, Saturday, June 10. Mar-ion Kion of Plainview, Church of Christ minister, officiated the ceremony in the sanctuary of the United Methodist Church, Matador.

The bride is the daughter of Mr. and Mrs. Billy Wason of Matador. Mr. and Mrs. Ray Cruse of Flomot are parents of the bridegroom. She is the granddaughter of Mr. and Mrs. Charlie Lewis of Floydada.

Mrs. Ronnie Cox, organist, presented a prelude of wedding music and accompanied Kelly Wason of Plainview, cousin of the bride, as he sang, "Evergreen." At the close of the ceremony, he sang the Wedding Song, with self accompaniment on the guitar.

The bride was escorted and given in marriage by her father. For her wedding she chose a traditional gown of white organza, accented in Valentine Guipure lace. The moulded bodice featured a Princess Anne neckline, framed in the Guipure lace. Shepherdes sleeves were accented in the Valentine Guipure motif,

and pouffed to a lantern effect and gathered to wide cuffs, edged in lace scallops. Plastrons of lace flowers embellished the full circular skirt that swept to chapel length train. The entire hemline and train were bordered in lace scallops. The bride's matching fingertip mantilla veiling was caught to a Camelot capulet and was also encircled in lace, and she carried a cascade bouquet of daisies, feathered carnations and baby's breath.

The bride wore the traditional "something old, new, borrowed & blue." The new was her dress, and old was a lavalliere which had belonged to her great-grandmother, Mrs. L. H. Lewis. She wore a blue garter and a ring borrowed from her sister, Charla.

Miss Charla Wason of Lubbock attended her sister as maid of honor. She wore a gown of apricot floral organdy, fashioned with empire bodice, cap sleeves, and A-line skirt, and a picture hat of matching color, trimmed with an organdy band and streamers. She carried a basket of daisies and feathered carnations. Candelighters were Karen Wason of Plainview, cousin of the bride, and Derenda Cruse, Flom-

ot, sister of the bridegroom. They wore apricot colored dresses of dacron, designed with square necklines and cap sleeves.

Attending the bridegroom as best man was his brother, Donnie Cruse of Plainview. Ushers were James Gwinn, brother-in-law of the groom, and Mark Wason, the bride's brother.

The altar was decorated with yellow tapers in seven-branched wrought iron candelabra at each side, flanked by urns containing white gladioli, daisies, feathered carnations and baby's breath. A basket of the same flowers centered the setting. The bridal aisle was marked by yellow satin ribbon bows, centered with greenery, and baby's breath.

Mr. and Mrs. Wason were hosts at a reception at their home, following the ceremony. The bridal table was covered with a white dacron cloth trimmed with lace edging. The three tiered wedding cake was made by Mrs. Don Wason of Plainview. Fresh daisies decorated the top, and corners of the square bottom layer, and between the round second layer and top layer, supported by pedestals, were wedding bells. The cake was tinted apricot, with white decorations.

Mrs. Johnny Scott served the cake, and Mrs. Laura Rowan presided at the crystal punch service. Others in the house party were Mesdames L. B. Campbell, Franklin Price and Ralph Jones.

Mrs. Larry Noland of Floydada registered the guests at the church.

Attending the wedding from Floydada were Mr. and Mrs. Charlie Lewis, Mrs. David Campbell and Mrs. Vance Campbell.

The couple left for a short wedding trip, following the reception. For travel, the bride chose a green jacket and skirt ensemble with a white shell, accented with white accessories and the corsage from her bridal bouquet.

They are making their home in the Flomot community, where Mr. Cruse is engaged in farming. Both Mr. and Mrs. Cruse are graduates of Matador High School. Mrs. Cruse graduated from West Texas State University, Canyon and has been teaching in the Lamasa School system the past three years. Following graduation here, Mr. Cruse attended A & M University.

Mrs. Sue Tibbets of Wilson, Oklahoma spent last week visiting in the home of Mr. and Mrs. Tom Pierce.

Mrs. O. L. Gregory of Lorenzo spent Saturday and Sunday of last weekend with her parents, the Lon-

Mrs. Vera Murrell of Clovis, New Mexico spent from Friday until Monday visiting in the home of Mrs. Edna Taylor. The ladies grew up together, attending elementary school, high school, and then college together. On Saturday the ladies drove to McLean and spent the night with Mrs. Taylor's brother and wife, Mr. and Mrs. Jesse Roberts. On Sunday they drove to Lefors to attend the Totty Reunion, relatives of both ladies. They returned to Quitaque Monday and Mrs. Murrell returned to her home in Clovis that afternoon.

Mr. and Mrs. Delmar Davis of Dallas spent from Wednesday until Sunday visiting her sister and husband, Mr. and Mrs. R. J. Harmon. Shortly after the Davises arrived, their car caught fire and burned. Mr. and Mrs. Harmon took them to Lubbock Sunday where they left for their home in Dallas.

REV. SID PARSLEY RETURNS TO QUITAQUE

Those attending United Methodist Church Conference in Abilene May 31, June 1, 2, were Rev. Sidney Parsley, Jimmie Davidson May 31, June 1, Jeans Woods, Estelle Davidson, Della McFall joined them and Mr. and Mrs. Jarrell Rice drove down Wednesday evening for the night session and spent Thursday at the Conference.

The community is grateful that Bro. Sid has been sent back to Quitaque for another year. He and his family have been a great blessing to the entire community, always there and ready to help in an emergency, and always ready to help in Civic affairs, too.

Mr. and Mrs. Corkey Morris of Dimmitt spent the weekend with his parents, Mr. and Mrs. Buddy Morris in Quitaque. Sunday afternoon they drove to Silvertown to visit Mrs. Corkey Morris' parents, and her sisters. A sister, Mrs. Jackie Vines, and husband of Canadian were visiting there. Mr. Vines is a former resident of Quitaque.

SALEM AND EUDY ATTEND MARKET SHOW

Panhandle Market Show at Amarillo attracted buyers from over the Panhandle, New Mexico, Oklahoma and Kansas for the Market association's showing of ready-to-wear, accessories, jewelry, etc. Lines represented at the Holiday West Show held Sunday and Monday were out of Dallas, California and New York. The Association sponsors five shows annually.

Tim Salem, owner of Salem's in Turkey and Mrs. Wilma Eudy, a clerk were at market purchasing new merchandises for the Salem Store over this past weekend. Mrs. Eudy was joined

there by her daughter, Karen Eudy of Fritch.

The youngest daughter of the John Martins of Gentry Arkansas, former residents of Quitaque, vis-

ited here Monday and renewed the Martins subscription. She states her parents send their regards to their friends in this area. (Sorry we failed to remember her name.)

NOTICE

West Texas Gin has been purchased by Jim and Billie Robison and will be known as the North Gin.

Thank you for your business and friendship in the past. We have enjoyed working with you.

Jim and Billie need no introduction. Your business in the future will be appreciated and they will give you the best service possible.

LAKE RESTRICTION LIFTED

A three year waiting period has finally ended as Lake Mackenzie near Silvertown received a substantial raise in water during the recent rainy period.

Farabee Calls For Tax Reform

Senator Ray Farabee called on Governor Dolph Briscoe to include provisions for tax reform in the called session of the Legislature which is expected for July. He stated that tax reform should occur to reduce the property tax for financing public school education, utility tax for consumers of small amounts of energy, increase inheritance tax exemption, and allow for taxation of agricultural land on the basis of its productivity.

Senator Farabee said, "We were fortunate to have a surplus during the past year and I feel that some of this money should be returned to the people in the form of tax relief, especially in the areas of property tax, inheritance tax and utility taxes. The inheritance tax laws have not been revised for many years. Also, inflation and high utility costs are taking a heavy toll on the taxpayers, especially those who must live on fixed incomes."

Although the Senate passed a measure providing for an expanded Constitutional amendment allowing agricultural land to be taxed on its productive value rather than its market value, it failed to pass both houses of the Legislature. The mandatory 140 day session adjourned before the House could concur with Senate amendments to inheritance and utility tax relief plans.

In reference to tax reform in his letter to the Governor, Senator Farabee stated, "Because of the uncertainties of agricultural system is inequitable to farmers production and prices, the present and ranchers. I share your goal of making Texas 'Number 1' in agricultural production, and it is my feeling that the legislation mentioned above would provide a needed incentive to Texas' agricultural producers."

foot raise and most of it came in one day," said Jim Green, lake manager.

"We finally have enough water to use the boat ramp," Green continued.

The lake rules have been changed to allow all boats except house boats on the lake. All Texas rules and regulations concerning water safety and fishing license requirements are in full force at the lake.

Our new lake regulation surpasses the state law as all boaters and skiers will be required to wear their personal flotation devices at all times while underway on the lake. (state law requires these life preservers be available for each crew member and skier.) The lake is over 80 feet deep at the earthen dam and water stretches nearly three miles up the Tule creek bottom.

Fishing opportunities for largemouth bass, channel catfish and walleye should improve as the water clears from the runoff. Future fishing prospects will include smallmouth bass which were stocked prior to the influx of water.

Camping, hiking, picnicking and all water-related sports are in full swing at the newly-filled lake.

More information about daily or seasonal permits and other outdoor activities is available by writing Lake Mackenzie, Rt. 1 Box 14, Silvertown, Texas 79257 or by phoning (806) 633-4318.

WAS IT WORTH THE CHANCE

Texas game wardens were busy in May in northwest Texas as over 478 water safety and fishing cases were taken to court.

"Wardens in region VI which includes Amarillo, Abilene and Lubbock, contacted 15,704 persons during May and approximately three percent of them were in violation of one or more of our department's rules and regulations," said Ted Wheelis, regional director of law enforcement.

"Fishing violations lead the list over water safety but we still had a fatality from a boating accident," Wheelis continued.

The most flagrant violation was fishing without a license as 281 cases were taken to court. Wardens working the lakes heard every excuse in the book from "I left the license at home" to

The number of fishing licenses sold in Texas is down this year and indications suggest anglers are going fishing hoping they will not be checked by a warden.

Texas has one of the lowest priced fishing licenses in the United States but, it is apparent the first item left off the list for the vacation or trip is that \$4.25 piece of paper. A newly purchased license will not expire until August 31, 1978.

Court fines vary from \$10 to \$200 for each infraction of the regulation and most embarrassed anglers have been paying a \$27.50 fine.

The Texas Parks and Wildlife Department is still puzzled as fishing license sales continue a downward swing. More fish, new lakes, and professional services to pond and lake owners continue to come from the P&WD but, the angler has apparently failed to notice these benefits.

It is hoped by the P&WD that both water safety and fishing violations will drop but so far, it has not happened this year.

Richard and Mr. and Mrs. Paul Catoe of Dimmitt visited Tuesday in the home of Mr. and Mrs. Alex Catoe and children.

Mrs. James Wyatt received word last week of the death of her brother, Cleveland Williams, 82, of Rustin, Louisiana. He died on Friday at 8 p.m. and was buried at noon on Sunday.

Mrs. Wyatt received word at the same time that a 16-year-old nephew had been killed in an automobile accident.

Dr. and Mrs. J. Ralph Grant of Lubbock visited over Memorial Day with his sister, Mr. and Mrs. Dewitt Huffine.

Mr. and Mrs. Corky Morris of Dimmitt spent the weekend visiting his parents, Mr. and Mrs. Buddy Morris. Other Sunday visitors were Mr. and Mrs. Arthur Gregg and another couple from Amarillo.

Ray Don King of Seminole, Texas, came Thursday and visited his grandparents the Morris' and took his daughter, Kristie, home. She had attended basketball clinic at WBC in Plainview, then spent from Saturday to Thursday here.

Love is trust. It is belief. It is faith, and like faith it is the substance of all things hoped for. Faith is a young man and woman standing before the altar to be united in holy matrimony. It is a little child holding his mother's hand. It is a patient looking into the eyes of the doctor. It is a mother or father sadly waving goodbye to a son, off to war.

Faith is all this and more! It is trust in divine providence, a belief in joyful reward. It is all mankind kneeling before God in quiet prayer . . . at home . . . in church . . . or under the canopy of heaven.

Church is for all of us—a place to strengthen, to increase, to confirm our faith. You can make your faith stronger by going to church this Sunday.

**lays - Stark Vows Exchanged
 In Double - Ring Ceremony**

Miss Linda Lee Hays, daughter of Mr. and Mrs. Robert Warren Hays of Hayama, Japan and Randall Brice Stark, son of Mr. and Mrs. O. R. Stark, jr. exchanged wedding vows Saturday, June 25 at 7:30. The wedding was at the First Baptist Church in Quitaque with the bride's father and Reverend Frank Roberson officiating the double-ring ceremony. The wedding music was provided by Mrs. Ross Herrington who played a pre-nuptial recital of love songs before the wedding and accompanied Kerry Park of Odessa as she sang "The Lord's Prayer". Other musical selections sung during the ceremony included "The Wedding Song" by Miss Park and "Wedding Song" which was written and sung by Zan Walker of Plainview. The church was decorated with an archway of candelabra with masses of green foliage. The daisles were marked with votive candles. The matron of honor was Mrs. Keith Koerlin of Lubbock. She wore a royal blue knit dress with white lace accenting the neckline and sleeves. She carried a colonial bouquet of white daisy mums and blue cornflowers. Flower girl was Samantha Lane Stark, niece of the groom, who wore a royal blue dotted swiss dress accented with white lace and a matching bonnet. She carried a white basket filled with white daisy mums and blue cornflowers. Pat Davis of Lubbock served the groom as best man and ushers were Scott Stark, brother of the groom, Bob Hays, brother of the bride, from Baltimore, Maryland and Danny Curry of Progress. Mrs. Rick Braden of Nacogdoches, sister of the groom, registered the guests as they arrived. The bride entered with her father who gave her in marriage. Her wedding gown was traditional ivory satin organza and Brussels lace. A molded bodice featured garlands of lace. Long tapered sleeves repeated the lace motif in a vertical pattern, ending in a petal over the wrist, with button and loop closure. The full circular skirt was bordered in a double row of the lace garlands, sweeping to a chapel train. The veiling of hand rolled silk illusion was caught to a matching lace cloche falling in petals forming a calla lily effect. Tendrils of beaded Brussels lace appliques flared from the crown forming a sun burst. Her only ornament was a pearl drop necklace which had been given to her by her father. Her bridal bouquet was a cascade of white roses and stephanotis carried atop a small Bible. Immediately after the ceremony

MRS. RANDELL BRICE STARK

da Hays and Randy Stark was held at the Quitaque Community Center Friday night. The tables were decorated with the bride's chosen colors of blue and white with an arrangement of white daisy mums and blue cornflowers surrounding a three tiered candelabra holding blue tapers. Down the other tables were smaller arrangements of the same flowers with votive candles. Zan Walker of Plainview sang several selections with guitar accompaniment. Thirty guests were served by Mary Woods who prepared the meal. A brunch for the relatives and wedding attendants Saturday morning was given at the home of Mr. and Mrs. O. R. Stark jr. Twenty-five guests were served from a buffet and tables were decorated in blue and white with arrangements of blue cornflowers and white daisy mums.

Mrs. Harve Law of Pleasanton, California is making an extended visit in the home of her daughter, Mr. and Mrs. H. E. Mullin in Turkey.

Mr. and Mrs. Geirge Johnson spent Sunday visiting in Seagraves with Mr. and Mrs. Charles Johnson.

Mr. and Mrs. Geirge Johnson were in Amarillo Monday attending to business.

Three daughters from out of town visited in the home of their mother, Mrs. W. A. Majors, over the weekend. They were Mrs. Betty Seals of Pampa and her daughter, Mrs. Mike Collins, and Julie of Midland; Mrs. Lorene Rogers of Vernon, and Mr. and Mrs. Barry Smith of Amarillo. They were joined for their visit by Mrs. Major's daughter, Mr. and Mrs. Doc Williams and her son, Mr. and Mrs. Jim Majors, of Turkey.

Mr. and Mrs. Tommie Jouett of Rogers, Arkansas are visiting with their parents, Mr. and Mrs. W. H. Jouett, and with his brother, Mr. and Mrs. Preston Jouett.

Mrs. Norma Louise Hefner and daughter, April Louise of Denver, Colorado are spending this week with her parents, Mr. and Mrs. Willis Walker.

Mr. and Mrs. Dennis Denton and sons of Amarillo spent the weekend visiting in the home of her sister, Mr. and Mrs. Billy

Wheeler. They were joined here for their visit by her mother, Mrs. Dot Arnold of Tulia.

Mrs. Ester Askew of Muleshoe sister of Mrs. Therma Farley, was released from the Northwest Texas Hospital in Amarillo this week after spending four weeks in the hospital following surgery. She returned to her home in Muleshoe for the present time.

Joe Lynn McKay, son of Mrs. Ruth McKay left Tuesday of this week for Amarillo from where he was to embark as a member of the United States Marines.

Visitors in the home of Mrs. Ruth McKay for the next two week are her grandson, Clarence McKay, of the United States Army and a son, Nathaniel McKay, jr., of Los Angeles.

Visiting in the home of Mr. and Mrs. Carl Gray this week are their grandchildren, Linda, Angla and Alan Thrasher of Lubbock.

Mr. and Mrs. Carl Gray were in Tulia over the weekend to attend a Shannon family reunion held at the Farm Bureau Building. Forty-eight relatives attended.

Mrs. Letha Mae Jacobs fell at her home in Quitaque Thursday morning. She was taken to Lockney General Hospital by Mrs. Leona McCracken and it was determined she had broken her left arm in the wrist. She had also received a deep gash in her forehead.

Walter Kelley spent from Thursday, June 16 until the following Wednesday in Central Plains Hospital in Plainview. He and Mrs. Kelley drove to Lawrenceburg, Kansas to visit her son, Joe Melton. Walter went to the doctor while there, and they drove back to Tulsa, Oklahoma on Wednesday and spent the night there, coming on home Thursday morning and he entered the hospital that evening. Walter is still under the doctor's care but he is at home at present.

Mrs. Johnny Chadwick, Shane and Bradley and Mrs. Durwood Lewis of Amarillo spent the weekend visiting in Quitaque. Judy Barrett returned home with Mrs. Chadwick Sunday to spend this week in Amarillo.

The Texas Farmers Union Green Thumb Operation has been active in the Turkey community the past two weeks. There are three women and two men employees. The purpose of the program, sponsored by Texas Farmers Union and funded through the Department of Labor, is to employ rural elderly to work in community betterment and conservation projects for non-profit organizations.

Mr. and Mrs. Gordon Bain took their trailer to Spence Lake last week where they fished. They were accompanied on their trip by their daughter and family, Mr. and Mrs. Billy Joe Turner, Stephanie and Kevin of Lockney.

GOAD NAMED AS CHAIRMAN OF ASC COMMITTEE

Secretary of Agriculture Bob Bergland today appointed James E. Goad, Rosebud, Chairman of the Texas Agriculture Stabilization and Conservation (ASC) Committee. Named as committee members are Joe E. Chapa, Linn; Edward L. Lehman, Jr., Vernon; John D. Smith, Sulphur; and Charles W. Stenholm, Stamford. The Committee administers federal farm programs in Texas.

Mr. Goad, 64, has farmed 250 acres, producing cotton and food grains. He also owned and operated a cotton gin. Mr. Goad belongs to the National Farmers Union and previously served on the Texas State ASC Committee from 1961 to 1969. He and his wife, Corbelle, have a married daughter.

Mr. Chapa, 51, owns and oper-

ates 1,500 acres on which he grows sorghum and grazes about 125 mother cows. He also operates a general merchandise store in Hidalgo County. Mr. Chapa belongs to the American Farm Bureau Association and serves on the Board of Regents for Pan American University. Mr. Chapa has two daughters and a son.

Mr. Lehman, 51, owns and manages 1,500 acres growing wheat, cotton, feed grains, and alfalfa and raising 250 registered Angus cattle. He has served as a member of a marketing team for Texas Agricultural Crops in Western Europe, and as a member of both an elevator and cotton gin board of directors. Mr. Lehman belongs to the American Farm Bureau Association, Texas Angus Association and the Southwest Cattle Raisers Association. He and his wife have three sons and daughter.

Mr. Smith, 57, owns 1,900 acres,

producing both dryland and irrigated cotton and milo and feeding cattle. He has owned and operated a trucking business, transporting agricultural commodities and building supplies, as well as serving as president of a local grain elevator company. Mr. Smith has held office in the Plains Cotton Growers, Inc., since 1965, as well as having held offices in the National Cotton Council, Water, Inc., the High Plains Research Foundation, and Cotton, Inc. He and his wife, Jerry, have two daughters.

Mr. Stenholm, 39, operates 2,300 acres, producing cotton, wheat and grain sorghum, while grazing 85 mother cows and feeding about 1,800 pigs each year. Mr. Stenholm currently belongs to the Texas Federation of Cooperatives, Rolling Plains Cotton Growers Association, Texas and Southwestern Cattle Growers Association, Texas Pork Producers Association, Stamford Chamber of Commerce Exchange Club and Tri-Area Livestock Show Association. He and his wife, Cindy, have two sons and a daughter.

as those received for the 1976 Texas crop. The price strength stems from a worldwide shortage stocks averaging 40 per cent of world consumption.

CAUSE OF BITTER CUCUMBERS

Most Texas gardeners have problems with bitter cucumbers once the weather turns hot and dry. Any conditions that put plants in stress, such as low moisture, high temperature and low fertility, may be the cause. Maintaining favorable growing conditions for the plants is about the only way to help prevent bitter cucumbers says a vegetable specialist with the Texas Agricultural Extension Service. If the fruit still remains bitter, peeling a little deeper may help since bitterness is generally associated with the skin.

EXCEPTION GRANTED FOR PROVIDERS

A tax provision which denied a business expense deduction to persons providing child care service in their home has been lifted. This exception to the law, part of the tax bill signed into law on Monday, May 21, 1977 eliminates the exclusive use requirement if the residence is used to provide day care services to children, handicapped persons, or persons age 65 or older.

Previously, the law specified that deductions for business use of the home for child care services would be allowed only if the part of the home claimed was used exclusively and regularly for business. For example, a taxpayer could not deduct a family room used for child care by day and for family entertainment by night.

ACCIDENT CONTROL

During one recent calendar year, 27,900 persons were treated in hospital emergency rooms for injuries associated with skateboards and there were nine fatalities, reports the Texas Agricultural Extension Service.

TEXAS HIGH IN COTTON

The Texas cotton crop is off to a good start and prices look good, says a marketing specialist with the Texas Agricultural Extension Service. A crop of well over four million bales is expected, and prices should average ne-

THE STATE OF TEXAS TO: ANY CONSTABLE OR SHERIFF IN THE STATE OF TEXAS

You are hereby commanded to

The exception applies on tax years after December 31, 1973. However, the IRS cautioned, after September 1, 1977, the exception applies only to day care services which comply with any applicable state licensing, certification, or approval requirements.

Taxpayers who wish to claim the deduction for 1976 should file an amended return using Form 1040X, available from IRS offices.

HOLIDAY WEEKEND BRINGS TRAFFIC DEATHS

The Texas Department of Public Safety today warned that an unusually high number of traffic accidents and fatalities are likely to occur during the July 4th holiday weekend.

The head of the DPS, Colonel Wilson E. Speir, estimated that 51 persons would lose their lives in Texas traffic from 6 p.m. Friday, July 1, to midnight Monday, July 4.

"Based on past holiday experience, we believe many of the traffic accidents during the holiday period will involve either speeding or drinking. Also, it is likely that a high percentage will occur late at night or within a few hours after midnight," Speir said. "Hopefully, motorists will drive defensively and be thoughtful while behind the wheel. I sincerely believe that if they would keep the principle of courtesy and concern utmost in their minds that it would make for a safe holiday," the DPS director added.

To deal with the problem of reckless drivers, the DPS will be utilizing all its manpower in a strong enforcement program. In addition, Department of Public Safety Troopers will be working with local enforcement agencies throughout the state, as well as the news media, trying to keep the public safety conscious.

During the July 4th weekend last year, 55 persons were killed in Texas accidents. Department of Public Safety records indicate the deaths were almost evenly divided between city streets and rural highways.

The most prevalent type of collision last July 4th involved only one vehicle.

Man Arrested On Felony Charges

Bud Purdy, 26, of Quitaque was taken to the Hale County Jail Saturday by Briscoe County authorities after he was arranged on a felony charge of possession of marijuana.

He was transferred to the Pitkinview jail because there is no detention facility in Briscoe County.

A juvenile hearing will be held today, Thursday in Childress and will possibly go before the Texas Youth Council. There are also three outstanding warrants in Briscoe County.

cause to be published once each week for 4 consecutive weeks, the first publication to be at least 28 days before the return date thereof, in a newspaper printed in Briscoe County, Texas, the accompanying citation, of which the following is a true copy:

CITATION BY PUBLICATION

The State of Texas Otto Vernon Mosley, Oma Dell Mosley Hooks, Mary Fay Webb Roberts, Ernestine Webb Leneer, Betty Mae Webb Conway, Linda Lenora Webb Leneer, Melvin Monroe Webb, Michael Gene Webb, Ernest Wayne Sexton, Cora Geneva Sexton Edwards, Edith Marie Sexton Boyd, Dorothy Lee Sexton, Melba Jo Sexton, Oyal Jean Sexton Flowers, Boyd Sexton, Joe Henry Sexton, and Walter Sexton, Defendants in the above styled and numbered cause.

You are hereby commanded to appear before the Honorable 118th Judicial District Court, in and for Briscoe County, Texas at the Courthouse in Silverton, Texas at or before 10:00 a.m. of the first Monday next after the expiration of 42 days from June 6, 1977, the date of issuance of this citation, by filing a written answer to Plaintiffs' Petition that was filed in said Court on May 31, 1977, No. 2111 on the docket of said Court, and styled Lenora Mosley et al., Plaintiffs versus Otto Vernon Mosley et al., Defendants.

The nature of this suit, briefly stated is one of trespass to try title, in which Plaintiffs, for cause of action, would respectfully show the Court:

I. That on or about July 19, 1971 Plaintiffs were lawfully, in fee simple, seized and possessed of the realty situated in Briscoe County, Texas and legally described as

The West Twenty-Five Feet (W.25') of Lots Number One(1), Two(2), and Three(3), and all of lot Number Four(4), Block Twenty-Three (23), Original Town of Quitaque, Briscoe County, Texas, as shown by the plat of said town of record in Volume 5, Page 228, of the Deed of Records of Briscoe County, Texas; and

II. That Defendants unlawfully entered on said premises and ejected Plaintiffs therefrom, and unlawfully withheld from Plaintiffs the possession thereof to their damage. Plaintiffs pray for judgment for title and possession of said land and for other and further relief to which they are entitled, as is more fully shown by Plaintiffs' Petition on file in this suit.

If this citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

The office executing this writ shall promptly serve it and make due return thereof according to requirements of law and the mandates hereof.

Issued under my hand and seal of said Court at Silverton, Texas, on this the 6th day of June, 1977.

Bess McWilliams Clerk, 118th Judicial District Court in and for Briscoe County, Texas.

Cold war.

It was bad enough we had to fight the British for our freedom. But on top of that, we had to fight the weather, too.

Because winter at Valley Forge meant snow, ice, and freezing temperatures. All serious enemies to a makeshift army without proper clothing, not nearly enough food, and short on ammunition.

It was an army long on courage, but short on money.

And then the money came. Some \$27,000,000 from the pockets of new Americans.

That's how people took stock

in America back then, and you know how the story turned out.

Nowadays, people are still helping America stay strong and self-sufficient. And they're helping themselves to safe, dependable savings. By taking stock in America with the Payroll Savings Plan.

Buy United States Savings Bonds. They won't leave you out in the cold.

**Take
stock
in America.**

200 years at the same location.

Now E Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Lost, stolen or destroyed Bonds can be replaced if records are provided. When needed, Bonds can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

One of the earliest emotions a child experiences is fear. And from the first loud noise that awakens him until the moment of his death he knows no day without the recurrence of some foreboding danger.

From the beginning of time religion has been our tested antidote to the poison of fear. In the dark forests of antiquity, on the boiling seas of exploration, in the foxholes of modern strife, men have calmed the body's trembling with the soul's faith. We have faced the unknown, the hostile, through trust in the Known, the Faithful; we have challenged the insurmountable, confident in the power of the Almighty.

How essential, though, that each generation passes on our Faith to the next! Who dares deprive a child of the chance to conquer fear? Who would rob his son's soul of the Christian heritage martyrs died to preserve?

Bring your children to God's House every Sunday.

THE CONQUEST OF FEAR

**THE CHURCH FOR ALL . . .
. . . ALL FOR THE CHURCH**
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Screw Worm Cases Move To New Counties

Screw worm cases are beginning to spread across new areas of Texas and Arizona and livestock producers are reminded to double their efforts in the current battle against the costly livestock pest.

Jimmy Burson, chairman of the Briscoe County Screwworm Eradication Committee, says that although total numbers of cases are still low when compared to previous years, the worst part of the

Unified, Massive Farm Protest In The Making

Stating simply that "farmers are not going to be the whipping boy and longer," the Texas Farmers Union today officially positioned itself for serious protest action to begin in the next few months.

Details of that action possibly a strike or moratorium on supplies purchased as well as rallies and demonstrations, are being formulated at this time.

Official resolution came from the 9,000-member organization's Executive Board, which is asking first for floor rewrites of four-year general farm legislation now before Congress and expected to be finalized shortly after the Fourth of July recess. Second, if amendments are not made, they ask for a Presidential veto. Failing that, the organization promises some form of a strike or protest action.

Said one farmer, "Farmers across the entire state, raising every commodity, are mad! For years we have asked to be heard, and thought this Administration might listen. But the market is at rock-bottom and the policymakers in government want to keep it that way; We're not going to keep on producing. . . we can't keep producing. . . if we don't get our fair share at the producer's price level."

The Farmers Union points its main opposition to the Farm Bill toward provisions which would provide low "floors" and precedent-setting "ceilings," also at low levels in order to keep prices at a world level of trade in addition to preventing food inflation. Farmers claim, however, that they cannot deal with income set at a cheap world level while their own costs for equipment, supplies and labor are at inflationary domestic levels.

Said one farmer, "They are taking the 'boom and bust' out of agriculture by taking out the 'boom'. The problem with that, though, is that it guarantees us a loss and there's no place on earth where we can get money borrowed to operate like that any longer."

Other Farmers Union states besides Texas are expected to take similar action soon, which means the movement could spread nationwide. "Once the other states get into their harvest seasons as Texas has been in wheat and now grain sorghum, they'll be hit in the face with this bankrupting market. You can bet they'll be with us!"

"We're not trying to hurt the consumer with more inflation," said the farmer-spokesman. "Farmers are consumers, too, remember. But it's high time that the person in the supermarket realizes how little of that retail dollar goes back to the farmer. They've got to know that we're going broke fast and that those shelves are not going to stay full if we are forced to quit. They've got to see how over-processed their food is, and how everyone in-between writes their markup and operating profit while the producer is losing his shirt."

"You can't expect us to sit out here in the country and go broke, waiting to return at the consumer's convenience. You can't turn agriculture on and off like a light switch. We're told to produce all this food and fiber, and then we're driven out of business with low prices which penalize us for our efficiency. We're not doing it any more!"

Observers say that individual protest actions will probably start at the county level within a few weeks after harvest. Meanwhile, the state staff of Texas Farmers Union will be working to unify that action as will the National Farmers Union staff when and if any of the other 22 Farmers Union states join the action.

screw worm season is still ahead and all precautions should be taken.

Texas entered June with just 22 screw worm cases reported in 10 counties during the first five months of 1977. By June 15, nine more cases were added. Although many of these cases have been confirmed in Hidalgo County, others have moved up from South Texas into the Central Texas county of San Saba and into Brewster and Terrell Counties in Big Bend-Trans-Pecos areas.

Arizona's cases had climbed to 15 by June 15, says Burson. New Mexico had recorded four cases by that date, and California one to bring the nation's total to 29 by mid-June.

This compares to 1,968 by the same date last year. "Producer cooperation is really needed in the next four months to hold the line on screw worm cases this year, and make the 'Mission '77: Stamp Out Screwworms' program a success," he adds.

Producers should check their animals at least twice a week, collect larvae or egg masses found in or near wounds, and send the samples to the USDA Lab-

oratory at Misson for identification. "Then treat all wounds found with an EPA-labeled effective insecticide," Burson urges.

Mrs. Walter Kelley received word that her mother, Mrs. Mildred Guest, entered the hospital in Denton on Thursday of last week.

Guests in the home of Mrs. D. C. Duck for lunch Sunday were Mr. and Mrs. Bert Deagan of Turkey and Mr. and Mrs. Joe Deagan of Flomot. Afternoon callers were Mr. and Mrs. Wendell Farley and Dennis and Mr. and Mrs. Jack Wellman.

Mrs. Ollie McMinn of Silverton visited her sister and husband, Mr. and Mrs. Gaston Owens, Sunday afternoon.

Mrs. Fox Bolton of Turkey underwent surgery at Central Plains Hospital in Plainview on Tuesday of this week.

Johnny Fuston of Hereford visited in Turkey Tuesday of last week with his mother, Mrs. Alice Fuston, and other relatives.

THANKS!

THERE ARE NOT ENOUGH WORDS TO EXPRESS MY APPRECIATION TO MY FRIENDS AND PATRONS FOR YOUR SUPPORT AND FRIENDSHIP OVER THE PAST 20+ YEARS. THE SHOPPE WILL NOT BE MINE ANY MORE, BUT I WILL STILL BE WORKING ON SATURDAYS. THANK YOU AGAIN, AND MAY GOD BLESS EACH OF YOU.

Mr. and Mrs. Dale Garner were in Amarillo over the weekend. Their granddaughter, Sandy, daughter of Mr. and Mrs. Jerry Garner, returned home with her grandparents.

Visiting in the home of Marquis and Johanna Robertson are his parents, Dee and Virgie Mae Robertson of Conroe, Texas. Marquis and Johanna will be picking up their daughter, Elise, from Grapevine for the summer vacation Thursday of this week. Joining the family Saturday will be Marquis' sister and her family, Larry and Nancy Rucker, and children, Jerald, Mark and Sherri. The Ruckers are also from Conroe.

Mr. and Mrs. Oran Gragson and Mrs. Gragson's mother, Mrs. Gertrude Watts of Las Vegas, Nevada, spent from Wednesday until Friday visiting Oran's brother and wife, Mr. and Mrs. A. E. Gragson.

Mrs. Ray Gene Hutcheson and children of Corpus Christi arrived Wednesday of last week to visit their parents and grandparents, the Joe Bedwells. They brought her father home from the Lockney General Hospital that day. Terry Riddle of Fort Worth also came Wednesday to visit and help his grandparents. He stayed until Friday. Jeri Riddle and two friends came Saturday and stayed until Sunday afternoon.

CHARCOAL COOKING—HOW TO PREPARE, CONTROL FIRE

Charcoal fire is ready for outdoor cooking once it is a rosy bed of coals covered with grey ash—but if flames are still visible, the fire is not ready.

Achieving a good bed of coals for meal preparation depends on several basic steps, says Marilyn Haggard, a foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A & M University System.

Start the fire 30-60 minutes ahead of time so flames can die down and the coals turn gray.

To begin, stack briquettes in a pyramid, soak lightly with charcoal lighter fluid, let stand one minute, and then light. Never use fuel oil, kerosene or gasoline to start a fire—as they are highly flammable, and the smoke leaves an oily taste on the food.

ADD DASH OF HICKORY
Hickory chips add a distinctive flavor to charcoaled meats, so if they are in the outdoor cooking plan, prepare them early by soaking overnight in water.

After the fire is lit, drain the chips and place a small mound of them in the fire center—a handful is sufficient.

Long-term cooking of larger meat cuts may require additional chips later.

FIRE CONTROL
To keep the fire burning, protect it from drafts that might cause overheating and "hot spots".

If more charcoal is needed, place new pieces at the fire edge and move them into the center once grey ash covers them. For quick extra heat, simply knock the accumulation of ash from the burning charcoal.

To control flames produced by fat dripping-onto hot coals, keep a spray bottle of water handy—or a bit of baking soda.

Mrs. Yolán Roberson fell at the First National Bank in Quitaque Thursday afternoon at approximately 3:30, breaking her right arm in the wrist, according to reports. She was taken to Central Plains Hospital in Plainview by Mr. and Mrs. Jimmy Davidson,

Second County 4-H Horse Show Held

The second County 4-H Horse show Elimination was held June 25. The high point individual was Rebecca Reid with 19 points closely followed by Cynthia Edwards and Zane Reagan with 18 points each. The total results are as follows:

The show was judged by Roland Moore from Vigo Park. The District Horse Show will be July 5 and 6 in Lubbock. The qualifiers for the district show are as follows: where her arm was put into a cast. She was not hospitalized.

TWO NEW MAJORS TO BE OFFERED AT WAYLAND

Producing more marketable students for teaching is the purpose behind the two majors which have been added to the curriculum in the Division of Physical and Biological Sciences at Wayland Baptist College in Plainview.

According to Dr. Harold Reese, division chairman, physical science has been added to qualify students to teach the course in secondary schools. Composite science will enable a student to teach any science in grades kindergarten through twelve.

Dr. Reese noted that Wayland is one of the few schools which offers a composite science certification program. "This will enable our product to teach a variety of sciences. Instead of having a biology major teaching only biology we can have a composite science major capable of teaching biology, chemistry, earth science, or mathematics."

Dr. Reese said that Wayland has never been able to fill all of the request for science teachers and that Wayland science students are in great demand.

The reason for the demand of Wayland science students, according to Dr. Reese, is that "we fortify our students. We make sure that our product is marketable by giving them a broad background in science to make sure they can get a job doing the work they enjoy."

CONSERVE MOISTURE IN HOME LANDSCAPE

Drought conditions during the hot Texas summers mean that homeowners must give close attention to wise use of irrigation water, says a landscape horticulturist with the Texas Agricultural Extension Service. Since trees serve a multipurpose role and require years to develop, they should receive first priority. Moisture can be conserved by using a mulch around plants, using soaker hoses or flood irrigation, watering thoroughly when irrigating, and using sprinkler irrigation only in the late evening and early morning when the evaporation rate is the lowest.

lows: Rebecca Reid, with 33 points was the High Point Girl; Zane Reagan, with 35 points is the High Point Boy; Susan Payne with 31 points; Darrell Johnson, Cynthia Edwards, Jim Forbes, Shane Smith, Cam Forbes, Robert Johnson, and Kimberly Fitzgerald. The alternates are Shelley Harris, Lee Ann McMurtry, Stephen Stephens and Twila Wood.
