VOLUME 25 NUMBER 32

THIS BRONZE SCULPTURE, entitled "Thinkin' Bout It" is just one of several done by Don

Turner that was on display at the First National Bank Friday of last week.

Turner Is Featured Artist

Don Turner, a native of Turkey and son of Mr. and Mrs. Aubrey Turner of Turkey, a western artist, was featured in a show of his bronze sculptures and art works at the First National Bank in Lockney on Friday, January 11, from 9:00 a.m. to 3:00 p.m. Turner is the cousin of Billy Joe Turner, manager of Lockney's Consumers Fuel Association.

Turner terms himself first and foremost as a cowboy but his accomplishments as an artist are renowned. He says his art is a natural outgrowth of years of watching, listening and learning to be a cowboy. When in high school he was more interested in drawing than in studying and in time his art teacher found it better to encourage his interest in drawing than to discourage it.

After his graduation from high school in Turkey, Turner became a full time cowboy with a rope in one hand and a sketch book in the other. He worked for a rancher who showed Hereford cattle. He, in turn, showed some of Turner's drawings to the staff of Cattleman's Magazine in Fort Worth. For the next three years he was the staff artist for that magazine even though he had no formal training in color, form or style.

Turner found himself missing the life of a cowboy and returned to ranch work, working for John Woodward at Tarzan in Martin County. While working there he met Bobby Sale of the V-Bar Ranch in Stanton. Sale was a collector of Paul Tadlock bronzes. One day he showed Turner's drawings to Tadlock who encouraged him to try bronze work.

Today, Turner has made eight bronzes. In November of 1984 he received an invitation to the Tucson Mountain Oyster Club Western Art Show. This show is by invitation only and recognized him as an outstanding Western artist.

From idea to finished product,

a bronze sculpture takes a considerable amount of time. First Turner starts with an idea which he translates to numerous sketches and, if it happens to be of a horse or cattle, he also takes photographs from every angle possible. Next comes a wire skeleton and finally he uses wax from the bone structure out to the finished piece. At this point the piece goes to the foundry to be cast in bronze. A three to four week wait follows before the piece is ready for show and sale.

Of himself and his work as a cowboy and an artist, Turner said, "First I'm a cowboy and second I'm an artist."

Quitauque Senior Citizens Meet For Luncheon

The Quitauque Senior Citizens Association met Thursday, January 10, with 22 members and six guests for lunch. Some lunches were carried to shut-ins.

After the meal, a business meeting was held. New officers elected are Opal Taylor, president; Bud Bailey, vice president; Cora Gragson, secretary, and Lockwood McCracken, treasurer.

After the meeting was closed, some of the ladies finished a quilt and put another into the frames. Several orders for quilts to be quilted have been received. Anyone who enjoys quilting and the fellowship that goes with it, is invited to attend.

Thursday, January 24, is Triple I. Club luncheon at the First Baptist Church.

Mr. and Mrs. Elgin Conner and girls drove to Petersburg Sunday where he spoke at the Church of Christ. They were guests for lunch with the Larry Adrians.

Basketball Continues

The Valley varsity Patriots hosted Crowell on Tuesday, January 8, and won that one easily. The Patriots were never behind in this game.

Quarterly, Valley finished 21-9; 33-17; 53-28, and 71-42 at the final buzzer.

Statistically, Clardy took 5-0-10; Silva 0-2-2; Williams 6-4-16; Saul 5-0-10; Phelps 3-6-12; Morrison 2-0-4; Cox 2-0-4; Beavers 1-2-4; Martin 4-1-9, and Taylor 0-0-0.

On Friday, January 11, the Patriots drove to Claude and took the brunt of that one. By periods, Claude had 22-17; 38-25; 50-40, and ended 70-56.

Clardy had 6-5-17; Silva 0-0-0; Williams 7-0-14; Saul 3-0-6; Phelps 5-2-12; Morrison 1-1-3; Cox 0-0-0; Beavers 2-0-4; Martin 0-0-0; Taylor 0-0-0.

The Valley girls hosted Crowell on Tuesday, January 8, and

took a loss. Crowell led 8-6 at the end of the first period; at halftime, Crowell led 21-9; at the end of three periods, it was Crowell 35-19, and the game ended 53-24 in the opponents' favor.

Statistically, Calvert, Green, Hewett, Morrison, D'anna Smith and L. Price didn't score. Fulbright had 1-0-2; S. Price 1-1-3; Brittain 3-1-7; Johnson 2-0-4; Devonna Smith 1-0-2; Maupin 3-0-6.

On Friday, January 11, the Valley Lady Patriots drove to Claude for a game. They took a loss there. Quarterly, Claude topped out at 15-12; 39-24; 51-38, and finished 66-49.

Statistically, Fulbright had 4-2-10; Morrison 1-0-2; Johnson 3-3-9; Brittain 5-1-11; Devonna Smith 2-1-5; Maupin 1-0-2; D'anna Smith 3-1-7; S. Price 0-1-1; Calvert, Green, Hewett and L. Price were scoreless.

Methodist Church To Sponsor Film Festival

The Quitauque United Methodist Church invites you to enjoy the feature presentation of "Charley and the Angel" Saturday night, January 19, 1985, at the Methodist Church beginning at 7:30 p.m. No admission will be charged but a collection will be taken during the film to cover the rental expense.

The film is a Walt Disney production which stars Fred MacMurray as Charley Appleby, a businessman with no time for his family, who discovers that his "angel" (Harry Morgan) has come to deliver him to his final judgement. But Charley isn't ready to go! Given another chance, he learns how to live and love. This poignant comedy set in the 1930's promises to touch the hearts and tickle the funnybones of all who see it.

This is the first film of a new program which the United Methodist Church in Quitauque is sponsoring to promote quality

Mrs. Bud Bailey and Mrs. James Barefield visited their mother and sister, Mrs. T. J. Reeves, in Plainview one day last week.

Mr. and Mrs. J. D. Nance of Rock Creek were at the Quitauque Church of Christ Sunday where he spoke at both services. They and the Ralph Carters drove to Rock Creek to eat with the congregation there who were having dinner at the church.

Services To Be Held At Quitauque Community Center

Everyone is invited to attend "Praise" services to be held at the Quitauque Community Center January 18 at 7:00 p.m.

This will cover praise, prayer and share together.

Minister will be Jerry Phillips of Trinity Church of Tulia, Texas.

New Director At First National Bank

Bank President O. R. Stark, Jr. informed the Tribune this week that a new director was elected for the First National Bank at its annual shareholders meeting on January 8.

Mary Ollie Persons was the unanimous choice to fill the vacancy created by the recent passing of her brother, J. T. Persons, who had been a director of the bank for over fifty years.

Mary Ollie is well known to residents of this area, for she is a graduate of Quitauque High School, and later taught for several years in the local system.

She also has extensive farming interests, and spends a portion of her time each year at her retirement home at Tres Ritos, New Mexico. Mary Ollie is the daughter of the late Amos Persons, who was one of the founders and the first President of the bank in 1920.

Cheese, Butter To Be Given In Quitauque

Cheese and butter commodities will be given to those who are eligible to receive them at the City Hall in Quitauque Wednesday and Thursday, January 23-24, TWO DAYS ONLY.

Remember these dates!

William McKay of McAllen has been spending a visit with his sister and husband, Mr. and Mrs. Shorty Woods, in Quitauque.

Mr. and Mrs. Bobby Brunson of Edmonson visited Mr. and Mrs. James Kimbell and other relatives and friends in Quitauque Sunday afternoon.

Mrs. James May took her granddaughter, Kayla Johnson, to Levelland Thursday of last week to register for the spring term at South Plains College. They returned to Quitauque that evening and Mrs. May has been ill with a bad cold since then. Kayla entered school Monday of this week.

stabilized and they moved him into the cardiac care unit where he remains now.

Trivia Questions

1. What do Dry Whiskey, Candy Barrell, Flapjack, Long Moma have in common?
2. What does cabrito mean in Texas?
3. What was a puncheon floor in early Texas?
4. What is the only loose material that doesn't have to be covered when trucked on Texas highways?
5. What are three football bowl games played in Texas?
6. What is the smallest bird in Texas?

ANSWERS

1. There have been several businesses where the fire station is located in Turkey. At one time that building housed a bank, boarding house, beauty shop. Bo's grandfather had a grocery store.
2. The last baby born in Quitaque in 1984 was Krystal Nicole Brunson.
3. The Turkey High School cost \$75,000.

1982 TRIVIA

4. Briscoe County: Annual Rainfall (in.) 20.50; altitude (ft.) 2,100-3,300
5. Hall County: Annual rainfall (in.) 20.53; Altitude, 1,750-2,400
6. Motley County: Annual rainfall (in.) 20.35; Altitude (ft.) 1,900-3,000; Oil value \$2,943,041

Mr. and Mrs. John Bowman of Silvertown attended services at the Quitaque Church of Christ Sunday.

Immunization Clinic Slated At Valley

An immunization clinic offering vaccines that give protection against several childhood diseases will be held at Valley Consolidated School Friday, January 18, from 9:00 until 11:00 a.m.

Protection is against polio, diphtheria, lock jaw (tetanus), whooping cough (pertussis), measles, rubella and mumps.

There will be no charge.

The Tribune received a renewal from Mary Eudy of Pasadena, Texas and she states she doesn't want to miss a single copy. She really enjoys it, she says. Mrs. Eudy is the widow of the late C. L. Eudy.

The Tribune editor thought she was to escape the flu bug but it finally caught up with her. She went to the doctor Wednesday, then was out in that cold, high wind Thursday, and she ended up almost in bed. She went back Friday for a penicillin shot, then didn't stick her head out of the house Saturday but to get the mail and Sunday to go to the grocery store to get lemons. It is really a bad sinus infection and it has a great hold. She went back to Tulia Monday morning for medication, and again Tuesday, so if we don't have as much local news, we will next time.

by Wilburn Leeper

Through constitutional law, every child of school age in Texas is guaranteed a free public school education. In order to keep such a commitment, an established and consistent method of funding must be available. Revenue sources to provide public school financing comes through three primary sources. Those sources are local taxes, state taxes, and the little known about Permanent School Fund.

Local taxes provide something less than 20% of the total cost of minimum education while the state chips in another 50% or more. The remaining 30% is provided through the Permanent School Fund and federal sources.

The Permanent School Fund was created by the state legislature in 1854 with a \$2 million appropriation. That amount has been allowed to increase in interest until at the close of the fiscal year on August 31, 1984, it had grown to \$5 billion. This figure is up \$500 million over the previous year. Every school, based upon student attendance, shares equally in the fund regardless of the wealth of the district. The remainder of the fund remains invested and allowed to increase annually. Each year the State Board determines the amount to be awarded to schools for educational purposes.

Last year, Valley School received \$152 thousand from the Permanent School Fund or about \$450 per student. That's less than received from state or local taxes but is prominent when we consider that it doesn't take a tax rate to make it available.

AN ADDED THOUGHT:
From time to time the legislature

If you are not receiving a picture read the following things that picture.

THINGS YOU CAN DO

1. Make sure the TV antenna is properly connected to the Valley Translator Station.
2. Check antenna wire. Be sure on antenna and TV set. Make sure it is not broken, rusty or corroded. If they are, fix them. Reattach to antenna and TV set. Make sure each other or wire does not touch each other or anything else.
3. Make sure antenna wire is properly connected to the VHF.

4. Plug TV set directly into extension cord, make sure it is properly connected.
5. Antenna wire should be properly connected. Make sure feet will cause some loss in signal.
6. Antenna should be just high enough to clear any trees, but not so high that it can improve the antenna signal.

THINGS YOU CAN DO WITH

1. Change antenna wire even if it's UHF wire.
2. Have tuner on TV cleaned if you have a hard time tuning a certain channel.
3. If your TV set uses strips, make sure they are for the right channels.
4. Make sure your antenna is properly connected.

5. If part of your present antenna is old, it should be replaced.

FOR THOSE OF YOU WHO CAN AFFORD IT, THE FOLLOWING ARE SOME THINGS YOU CAN DO:

1. Buy a new TV set. Make sure it is the size you want. Make sure it has the latest tuner channels in the USA.
2. Buy a new antenna. The 40-70 with a BLONDER TONG used with RG-59 cable to your TV set.

The Superintendent's Corner

by Wilburn Leeper

Through constitutional law, every child of school age in Texas is guaranteed a free public school education. In order to keep such a commitment, an established and consistent method of funding must be available. Revenue sources to provide public school financing comes through three primary sources. Those sources are local taxes, state taxes, and the little known about Permanent School Fund.

Local taxes provide something less than 20% of the total cost of minimum education while the state chips in another 50% or more. The remaining 30% is provided through the Permanent School Fund and federal sources.

The Permanent School Fund was created by the state legislature in 1854 with a \$2 million appropriation. That amount has been allowed to increase in interest until at the close of the fiscal year on August 31, 1984, it had grown to \$5 billion. This figure is up \$500 million over the previous year. Every school, based upon student attendance, shares equally in the fund regardless of the wealth of the district. The remainder of the fund remains invested and allowed to increase annually. Each year the State Board determines the amount to be awarded to schools for educational purposes.

Last year, Valley School received \$152 thousand from the Permanent School Fund or about \$450 per student. That's less than received from state or local taxes but is prominent when we consider that it doesn't take a tax rate to make it available.

AN ADDED THOUGHT: From time to time the legislature

convenes and starts the new session with an empty coffers. Some state leaders and legislators begin to look temptingly to the Permanent School Fund as a cure for the immediate financial ills of the state. Each time, however, enough straight thinking leaders oppose any move to dismember this valuable source of education funds. Thus far, all efforts to divert money from the fund have been unsuccessful, but who knows what the future holds. Our forefathers of 1854 did not start this fund to be used as a quick fix scheme in 1985, 1987, or any other year down the line.

The current debt service for Valley School will be paid clear in 1990. The voters of Turkey and Quitaque approved the original bond of \$500 thousand on Saturday, October 23, 1971 and the Board of Trustees of the district wisely set an 18-year payout. The first payment was made in 1973 and 1990 is the Year of Jubilee.

Letter To The Editor

A new Congress begins work in Washington, D. C. this month. State Legislatures will begin meeting as well. But the problem of skyrocketing health care still exists and Medicare is still in trouble. Senior Citizens cannot afford personal hospitalization that has been forced to go up because of hospital and doctors' fees rising each day. Young families suffer too, because they cannot afford the health care their children need.

We believe the only way to save the Medicare and health insurance programs for working Americans and their families is to place reasonable short term limits on what doctors and hospitals can charge.

If you are not receiving a perfect picture at this time, please read the following things that YOU can do to improve your picture.

THINGS YOU CAN DO WITH NO COST TO YOU

1. Make sure the TV antenna is pointed directly towards the Valley Translator Station.
2. Check antenna wire. Be sure both ends of wire are secure on antenna and TV set. Make sure both ends of wire are not broken, rusty or corroded. If they are, cut off about an inch of wire on each end. Fix, reattach to antenna and TV set, making sure wire does not touch each other on terminals of antenna or set.
3. Make sure antenna wire is attached to UHF, terminal, NOT VHF.
4. Plug TV set directly into wall socket. If you have to use an extension cord, make sure it is heavy duty wire.
5. Antenna wire should be less than 40 feet long. All over 40 feet will cause some loss in signal.
6. Antenna should be just high enough to have line of sight to station, clearing any trees, buildings or other things. However, sometimes just moving the antenna up or down or to the side just a few feet can improve the signal.

THINGS YOU CAN DO WITH A LITTLE COST INVOLVED

1. Change antenna wire every two or three years. Make sure it's UHF wire.
2. Have tuner on TV cleaned once or twice a year or when you have a hard time tuning a certain channel in.
3. If your TV set uses strips and not a dial, make sure the strips are for the right channels. They are 54-56-58 and Ch. 60.
4. Make sure your antenna is designed for UHF channels 40 to 70.
5. If part of your present antenna is missing, bent or just plain old, it should be replaced.

FOR THOSE OF YOU WHO WANT THE VERY BEST AND CAN AFFORD IT, THE FOLLOWING IS RECOMMENDED

1. Buy a new TV set. Make sure you are getting the best chassis in size you want. Make sure it has the newest color tube, using smaller dots and a lot more of them per square inch. Make sure it has the latest tuner capable of tuning in all available channels in the USA.
2. Buy a new antenna. The very best is a JERROLD CYD 40-70 with a BLONDER TONGUE (ABLE U2-75 pre-AMP) to be used with RG-59 cable to your TV set.

BILL AND BESSIE SAULS

Quitaque Couple Celebrates Fiftieth Wedding Anniversary

by Melba Merrell

Monday, January 14, 1985 marked the golden wedding anniversary of a quiet couple who live in their ranch home south of Quitaque.

Bill Sauls and Bessie (Yeary) Sauls were married January 14, 1935 at the Methodist parsonage in Spur, Texas at 7:00 o'clock in the evening. The Rev. C. L. Yates performed the ceremony.

This was the last day during the Depression that the government bought cattle and killed them. The price and the drought had taken their toll worse in those years than they have now on the cattlemen. Bill was working at a large stockyard located on the west side of Spur. A good bunch of whiteface cattle was brought in and the top price for a pair was only \$17.00. Bill had saved some money, and by the end of the day, he had bought several head, probably around seventy-five, he reports. He kind of got carried away with his purchases and was late for his wedding.

When he went to pick up his bride, he broke the news to her that their honeymoon would be cut short because he had bought too many cattle. She then remarked she had \$87.00, and he replied, "I wish I had known that; I would have bought a few more head."

The couple spent their honeymoon visiting his brother and family in the Guadalupe Mountain Range near Carlsbad, New Mexico. They spent much time horseback riding in the mountains.

The Sauls moved to their ranch south of Quitaque in 1945.

Bill and Bessie are a special couple to many people. Bill will be 88 years young on March 27.

1985. Bessie was 71 on her fiftieth wedding anniversary. They are happy God has granted them such long lives together. They haven't always had the best of health, but they state they are thankful for being as well as they are now. Bill called his neighbor, Mrs. Truman Merrell, one morning several years ago and said, "Neb (a special name for her), can you all come over here. I think I might need to go to the doctor." Upon arriving at the ranch, Mrs. Merrell found a horse had kicked him and he was critically injured. He suffered for some time, but pulled through with flying colors.

The Sauls still have chickens, cows and some sheep to help them with their lawnmowing in the summertime. They always have a garden and fresh vegetables to eat in the summer.

They have no children of their own, but many children have a special place in their hearts for the courtesies shown them over the years by Bill and Bessie. Billy Shillington spent several years with them and now lives in Main, but he keeps in touch with them by telephone. Paula and Amy Birdwell loved to visit them, especially for Bessie's homemade strawberry popsicles, which contained real strawberries. Cheryl and Jayne Merrell couldn't get popcorn anywhere as good as Bessie served them. Cheryl (Merrell) Cooper thought she was as likely to find anything she might be short of before the week ended, including eggs, cream, butter, flour, etc. at Bessie's and she needn't make a special trip to town, which was several miles to travel.

Jimmy Don Davidson loved to go by and visit with them. Recently Ron Bebeau, Miller and

Eloise Walker have found them special too.

This past Sunday afternoon, several friends, neighbors and relatives dropped by the house for a visit with the couple. Rex, Brenda and Jess Yeary brought a happy anniversary cake, and coffee and spiced tea was served to Mr. and Mrs. E. A. Birdwell, Paula, Will, Molly and Charlie Bomar of Silverton, Aline Welch, Flomot, Mrs. John Pigg, and Mr. and Mrs. Truman Merrell.

Bill told the reporter there were two pet peeves throughout his lifetime that irritated him: "A woman who won't speak to you," and "A horse you can't ride."

Mrs. Degan Hosts Nuevo Study Club

Mrs. Bert Degan was hostess to members of Nuevo Study Club in her home on Thursday, January 10, at 4:00 o'clock in the afternoon. There were twelve members present.

Mrs. W. L. Armstrong, president, conducted a short business meeting. Mrs. Gordon Bain reported on a meeting with representatives of PRPC in Amarillo, who gave information of benefit to all citizens of Turkey.

Mrs. Degan was program leader and gave highlights from an article concerning Buck Scheiweitz, a famous Texas artist. He was 86 years old when he died last year. She said he always liked to pull pranks on people and everyone always expected a prank from him. At one time in his life he taught art at New York University. She said his art work symbolized freedom and

one thing unique about his paintings was that he nearly always included birds somewhere in each picture.

The hostess served a delicious plate of sandwiches, dips, chips, candy, juice and coffee.

The next meeting was announced to be at the home of Mrs. Willis Walker on January 24, and will be a luncheon with each member bringing a salad. The program will follow the luncheon.

HERE ARE THREE GOOD REASONS WHY YOU SHOULD PRE-PLAN YOUR FUNERAL ARRANGEMENTS

- 1. YOUR FAMILY.** Spare your family from the difficult decisions during a difficult time.
- 2. SAVING MONEY.** Although not a requirement for pre-arrangement, pre-payment safeguards your arrangements from costly inflation.
- 3. PEACE OF MIND.** Planning ahead provides the satisfaction of knowing everything is taken care of according to your wishes.

To receive further information, please call us and ask for our informative brochure, "A FACT OF LIFE," and receive a handy organizer as seen in our television advertisement.

Boy Scout Report

by Margie Pinkerton

January 3, 1985; den I met in the Pinkerton home. Those present were Chad, Tommy, Henry and Joe Wayne. Chad is the new denner and did the roll call. Plans for the upcoming Scouting 75th Birthday were discussed, then the boys began work on their "Artist Activity." They learned the primary colors and worked with watercolors. We also worked on profiles.

January 7, 1985: Den II met at the Pinkerton home. Those present were David, Garrett, Danny, Bobby, Kyle and Jo Dee. Jo Dee is a new member and is earning his Bobcat Badge. David is new denner and did the roll call. He was also the only boy to wear his Scout shirt to school and to the meeting.

This group of boys is doing "Woodworking" activity. They began plans for bird houses. Most of the time was spent playing outside with David's soccer ball. We learned some of the rules for soccer.

January 10, 1985: The aluminum cans were taken to Plainview and sold for \$28.10. We appreciate all who are helping with our money project. I attended the Scout Round Table meeting in Plainview. One of the Den Leaders from Plainview asked to bring her group to Turkey. She said they were discussing taking a trip to Canyon, Lubbock or Amarillo, but her boys wanted to come to Turkey and see the pigeon that flew home. They were referring to the pigeon Tommy took to Day Camp to release and fly home.

January 12, 1985: Pack 264 called in a donation for the West Texas Rehab Center. Thanks to Don and Pat for helping with this donation. In March when we have our "March," we will donate the money to the West Texas Rehab Center. Next year, we hope to have an early March and take the boys to the Tel-a-Thon in Abilene so they can present their donations in person.

January 14, 1985: Den I met in the Pinkerton home. Those present were Chad, Tommy, Henry and Joe Wayne.

We received the Purpose of Scouting and discussed our upcoming activities. The 75th Anniversary Celebration of Scouting and the March for donations for the West Texas Rehab Center were discussed. We are completing our "Art Activity" at the next meeting.

Our future meetings will be in the Scout Room since we now have heat installed. A special thanks to all those working to change gas lines and getting the heating into operation.

Whaley Transferring Toll-Free Line To Austin Office

State Representative Foster Whaley of Pampa recently transferred his incoming toll-free WATTS line number to his Austin office from his Pampa office.

Constituents from Whaley's 84th Legislative District can now dial his Austin office toll-free by dialing 1-800-692-1389. For the past two years, any resident of the 84th District could call

Whaley on this same number and reach him in his Pampa office. Now, by dialing the same number, the call will terminate in his Austin office.

This change was made effective January 1, 1985, to coincide with the beginning of the 69th Legislature which convened on January 8, 1985. Mae Beth Palone, Administrative Assistant to Rep. Whaley in Austin, can quickly retrieve information on the status of any bill pending before the legislature or help with other inquiries.

Whaley was granted special permission to have this toll-free WATTS number because of the large 13-county elongated district that runs from Pampa to Reese Air Force Base west of Lubbock. The district is bound on the southern end by Crosby,

Dickens and part of Lubbock counties. The eastern part of the district covers Dickens, Motley, Hall, Childress and Collingsworth counties. The western counties include Lubbock, Floyd, Briscoe and Armstrong.

The first teabags were produced in San Francisco in 1920 by Joseph Krieger. Though they were originally designed for caterers, by 1935 most were sold for home use.

America's top spectator sport is said to be horse racing, with 51 million fans.

San Franciscans have voted to prohibit construction of any high-rise buildings that would cast "significant" shadows over public parks, say the National Wildlife Federation. About 200 parks, playgrounds and squares will be affected by the new law.

REV. AND MRS. JOE

Rev. and Mrs. Williams With Anniversary

Rev. and Mrs. Johnnie Williams were honored on their fiftieth wedding anniversary with a reception at St. Luke's United Methodist Church in Lubbock on Sunday, December 30.

Hosting the reception were their daughters, Glenda Briggs of Lubbock, Marlene Wellman of Wellman and their grandchildren, Johnnie Briggs of Fort Collins, Colorado, Jana Stowe of San Antonio, Karen Setliff of Canyon and Kregg Wellman of Wellman.

Rev. Williams and the former Juana Turner were married in Roaring Springs December 30, 1934, with Johnnie's brother and sister-in-law, Harlin and Nellie Williams, as attendants.

Misty Williams and Cherise Williams, grandnieces of Rev. Williams, greeted guests at the registration table. The gold registration book was compliments of Adams Funeral Home.

Danny Barrett Celebrates Birthday

Late Sunday evening, January 13, 1985, friends and family of Danny Barrett met in the Glynn Barrett home to help Danny celebrate his birthday. The group enjoyed homemade pizza and birthday cake.

Those present were the hostesses, Mrs. Glynn Barrett and Judy, the honoree, Danny Barrett, his aunts and uncles, Mr. and Mrs. A. B. Ramsey and Mr. and Mrs. Wendell Farley, and cousins, Mr. and Mrs. Jack Wellman, Jamie, Richard and Ryan, Mr. and Mrs. Dennis Farley, Melody and Vance, Walter Rice and Karen Clinton.

Parents, Leaders Invited To 4-H Record Book Training

4-H parents and leaders are invited to attend a district 4-H Record Book Training Tuesday, January 22, at the Swisher Memorial Building in Tulia from 6:00 until 9:00 p.m.

Purpose of the training is to help parents and leaders understand the newly-adopted National Report Form and how to change from the current one to the new one.

There is no charge for this training.

Franciscans have voted to permit construction of any size buildings that would "cast shadows over parks," said the National Recreation Federation. About 200 playgrounds and squares are affected by the new law.

Parents, Leaders Invited To 4-H Record Book Training

4-H parents and leaders are invited to attend a district 4-H Record Book Training Tuesday, January 22, at the Swisher Memorial Building in Tulia from 6:00 until 9:00 p.m.

Purpose of the training is to help parents and leaders understand the newly-adopted National Report Form and how to change from the current one to the new one.

There is no charge for this training.

of Crosbyton. A gold shadow box displaying their announcement accented the table.

The two granddaughters, Jana and Karen, and granddaughter-in-law, Carla Briggs, served at the reception tables. Also serving was Bonnie Savage of Slaton.

The table was decorated with a white ceramic dove tree with English ivy interwoven around each dove, which held lighted gold candles. Their daughter, Marlene, made the centerpiece for this special occasion. The table was also graced by a three-tier Lady Windemere cake baked by Martha Simmons of Slaton. The first tier was four 12-inch layers designed with curves of golden flowers, the second tier was a 14-inch layer, topped with an eight-inch layer with golden bells.

Approximately 350 relatives and friends registered. Attending from Turkey, where Johnnie had served as pastor, were Mrs. Virginia Degan, Mr. and Mrs. Gordon Bain. Many cards of congratulations were received by the couple from the Turkey community.

Turkey Senior Citizens Meet For Salad Supper

Turkey Senior Citizens met for a regular salad supper on Tuesday, January 8, with 27 present. Buck Lancaster called the meeting to order and asked Rev. Roy Patterson to give grace for the meal.

Steve and Darla McLean were guests. After the supper, table games were played and then the group enjoyed a time of gospel singing. The next meeting will be held on January 22, and others are urged to be present for the good food, games and singing.

Mrs. Bill Farley and her granddaughter, Susie Farley, visited in Portales from Friday until Sunday with Mrs. Farley's daughter, Mr. and Mrs. Tex Garnett. On Saturday they attended a baby shower for Mrs. Garnett. She said there was some snow but the roads were good and they made the trip fine.

"Do not seek evil gains; evil gains are the equivalent of disaster." Hesiod

PUBLIC NOTICES

NOTICE TO BANKS

On Monday, February 11, 1985, at 10:00 o'clock A.M., the Commissioners' Court of Briscoe County, Texas will open applications by any banking corporation, association or individual banker of such County, for designation as depository of County and County School Funds.

Associations shall state the amount of paid-up capital stock, permanent surplus and financial condition of said bank and shall be accompanied by a certified check of one half (1/2) of One (1) percent of \$490,000.00 (which is the proposed amount of receipts of the County and County School Funds for the year of 1985) as a guarantee of good faith.

All negotiations to comply with Article 2544 V.A.T.S. and any other statutes governing county depositories.

/s/ Fred W. Mercer
County Judge
Briscoe County, Texas
31-3tc

LIVESTOCK SHOW SLATED JANUARY 26

The Briscoe County Livestock Show will be held Saturday, January 26, at the County Show Barn in Silvertown with county 4-H and FFA members exhibiting lambs, barrows, dairy heifers and steer.

A pee wee showmanship contest, sponsored by the Silvertown Young Farmers, will also be held during the show for boys and girls under nine years of age.

The show will get underway at 9:00 a.m. with lamb judging, followed by dairy heifers, steer and barrows. A stew lunch will be served by the 4-H livestock families.

Livestock will be weighed in by the division superintendents between 3:00 and 6:00 p.m. on Friday, January 25.

Youth who need assistance in preparing their animals for the show may contact the County Extension Office, 823-2343, or the Show Superintendent John Schott, 823-2233.

The public is invited to come out and support these 4-H and FFA members in this event.

Despite the Arctic's subzero temperatures, the polar bear's main problem is not keeping warm, but rather trying to stay cool while running over ice, says *International Wildlife* magazine. To prevent overheating, polar bears often jump into the sea or roll in the snow.

"What is easy is seldom excellent."
