Parking Lot Closed

Due to the increase in trash, broken glass, cans and bottles being left in the parking lot and grass at the Quitaque Post Office during the evening and night hours, parking on Quitaque Post Office property after regular business hours will no longer be permitted except for those conducting postal business.

Postal employees are sorry that the situation has gotten to this point, but it has continued to get worse over the past several months.

Law enforcement officials have been notified and will be enforcing this policy. The Quitaque Post Office will appreciate your cooperation in this matter.

Reunion For 1964 Class At Turkey

The Turkey High School graduating Class of 1964 is planning its 30th class reunion.

Parents, friends and former teachers are asked to attend the reception, Saturday, July 23, 1994 at 2 p.m. at the Senior Citizens Room, Bob Wills Community Center. Anyone wishing to come by and visit is welcome.

THEN and NOW!

by Eunice McFall

In the good ol' Summer time! What memories this can bring back to all the adults in our world. Many happy memories, perhaps a few not so happy but I'll bet more happy than sad. Kids can't wait for the summer vacation to start and they do not have to get up and go to school and mothers can't wait until summer so that they can sleep later perhaps or at least live a less structured lifestyle and fathers can't wait until they can maybe get a fishing pole in their hand and just sit back on the bank and take it easy as if they did not have a care in the world!

The word summer brings to mind trips to far distant places, trips to see grandparents, trips to national parks or theme parks. Summer thoughts remind us of the singing of the birds early in the morning as they hunt for that first bit of food for their babies or string that they want to add to their nest, the beauty of the colorful flowers, the young animals frolic in the pastures, or the glorious coolness of the shade trees at noon when you have been out in the sun all morning.

Summer also makes us think of family gatherings. Many families have reunions in the summer months. I, for one, went to my mother's family reunion this past weekend. Oh how nice it was to see all the familiar faces and hug all the necks of those loved ones that you don't get to see often but think of frequently. You get to meet all the new in-laws or in-laws-to-be, see all the beautiful new babies, reminisce about days gone by, and look at photos of those who could not be present. Of course one of the most important parts of a family gathering is to be able to dine on Aunt Mollie's coconut cake that she always brings and the delicious vine ripened tomatoes that Mary always brings from East Texas and that casserole that Marilyn always prepares and you try to make it and it never quite taste the same—even though you are using her recipe.

And then there is the side that none of us like to think about but is just as much a part of the family gathering as the smiling faces, the faces that are not there this year. I think this one item should keep us trying to make the family gathering each year as we never know when it will be the last time we will have the opportunity to associate with our loved ones in this life. Families are what we are working for, planning for and hoping for. We simply do not appreciate our time together enough. We never realize how big a hole that Aunt Mollie, Uncle George or Uncle Jewell will leave until that final day when they do not get to come to the FAMILY REUNION.

Take time this summer to enjoy your family—both your immediate family and your extended family. They are the most precious gift in our lives!

Briscoe County Approved To Hay And Graze CRP Acreage

Briscoe County has been approved to hay and graze 1994 CRP acreage. Because of the severe weather conditions during the 1994 growing season and carry-over effects of 1993 disasters, the growth and yield of hay and pasture have been affected; and the Secretary determined it appropriate to authorize emergency haying and grazing of CRP.

CRP participants in this county who own or lease livestock and have suffered a 40 percent loss of normal production of hay and pasture may use hay harvested and grazing from CRP acres. They may also sell harvested hay or rent or lease standing CRP acreage to a livestock producer in an approved county, who has suffered a 40 percent loss of normal production of hay and pasture.

Prior to haying or grazing this acreage, the producer must: (1) obtain prior approval of the County Committee; (2) maintain cover so the land is adequately protected from wind and water erosion; (3) leave at least 25% of each field or contiguous fields unharmed and ungrazed for wildlife cover; (4) only take 1 cutting of hay (for haying), or follow the stocking rate approved on the Forage Inventory and Annual Grazing Plan (for grazing).

There will be a 25% reduction in the CRP rental payment for the current year, and haying and grazing of the acreage must be completed by September 30, 1994.

Contact the Briscoe County ASCS office for additional information.

Inspection Begins On Pesticide Records

The Texas Department of Agriculture has entered into an agreement with the Agricultural Marketing Service of the U.S. Department of Agriculture to conduct compliance assistance inspections of private applicator records. The inspections will be randomly divided and include all regions of the state.

The 1990 Farm Bill requires private applicators to keep records of federal restricted use pesticides for two years. Within 30 days after application, a private applicator must have written records of:

* the brand name or product name of the federal restricted

use pesticide and its EPA registration number (pesticides include herbicides, fungicides and insecticides);

* the total amount of the product used, not the quantity after water or other substances were added;

* the size of the area treated in a unit of measure such as acre, linear foot, number of animals;

* the crop, commodity, stored product or site to which the application was made;

* the specific location of the application;

* the month, date and year of the application; and

* the name and certificate or license number of the applicator or applicator's supervisor.

For more information about the USDA record keeping program, contact your local Texas Agricultural Extension Service office. For information contact TDA's Pesticide Division at (512) 475-1657.

CONSUMER USE OF PESTICIDES

The Texas Department of Agriculture warns Texas consumers that out-of-state pesticide distributors are selling products that are not properly licensed for purchase and use in Texas.

These companies are telemarketing their products and seem to be focusing on farmers, local governments and school districts. Allegedly, the companies are recommending uses of their products that are inconsistent with label direction.

TDA has classified several pesticide products containing certain active ingredients as state-limited-use pesticides because they could affect other plant and animal life if not properly used. To use state-limited-use pesticides, an applicator must be licensed by TDA.

TDA reminds consumers to always read and follow the instructions on pesticide labels to ensure safe use of the product.

To report suspected misuse of pesticides or unauthorized sales, call a regional TDA office or toll free 1-800-835-5832 (TELL-TDA).

Rain Came Again Friday Night

July has once again brought some rain to the very thirsty crops of our area. Friday night and Saturday morning early the area received from 2 to 5 inches.

Crops of cotton, feed, peanuts and sweet potatoes have taken a new lease on life with the life-giving drink of water they have received.

FC&E Presents Health Program

Texas Association for Family and Community Education Club will have a meeting July 18 at the Senior Citizens Room, Turkey.

The program will be given by Kristi Morgan on "Wellness for Women". This is a well prepared program and will be very enlightening to all women. Roll Call will be Grandmother's Health Tips.

Inspirational Moments will be by Marjorie Bell.

Hostesses for the meeting are Wilma Eudy, Lisa Price, Virginia Degan and Delores Price.

Please make an effort to be at the meeting as the club has some business to take care of and needs each member to be there and express their opinion and vote on new officers. The club will be one year old in August. The club needs to plan for the next year and what each of the members would like to hear and do. Please come and be with the group and bring a guest or someone who would like to join the club.

Everyone is welcome. See you Monday night, July 18 at 7 p.m.

Students Complete Summer School

Valley Summer School blasted off in grand style. The students learned new and exciting things about space and our solar system. As they counted down the days of summer, they also learned math, writing and reading skills. This summer the students participated in the Smart Program. The smart Program is bilingual language art lessons on television. The students were able to phone in and answer questions along with several other schools.

The students traveled to amarillo's Discovery Center to see a laser show on space and our solar system. While waiting for the Program to begin, they participated in hands-on activities involving puzzles and mazes.

All the Valley students in summer school made their own space helmets and received prizes every Friday for attendance. Justin Davis won a certificate for a new bicycle. The other students that had perfect attendance were: Luke Runge, Justin Wilks, Lorena Mendoza, Javier Alanis, Candy Wheeler, Zerida Mora and Natasha Ramos.

SIGNS OF SUMMER: Colorful kites and windsocks filled the sky at the June 4th Trail Days Celebration.

July 4th Motorcade Final Report: RED

"Color it Red: The Independence day weekend of 1994 was one of the bloodiest for traffic accidents on record," said L. B. Snider, Public Information Officer for the Texas Department of Public Safety in Amarillo. Sixty-five people died from traffic accidents in Texas, a record for a 78 hour Independence day period. The 43 deaths on Sunday set a 24 hour record. "Three wrecks claimed 31 lives, of which one, which claimed 14 lives and a second claiming 11 lives are now the 6th and 7 deadliest single accidents by D.P.S. records," stated Snider.

Snider said, "Nearly all of these fatalities were caused by driver errors such as: failing to yield right of way, wrong side of road, and turning movements. Twenty-six of those killed were aged 15 or younger of which 10 were age 5 or younger. "Most of these were not secured by a safety belt. Nine were riding in the back of pickups. One of the accidents was in the Panhandle area near Tulia in which excess speed and alcohol were suspected as causes.

Motorists need to realize that driving calls for their full attention and any distraction may be costly. Developing and main-

taining safe driving attitudes will improve safer traveling with the heavy traffic and warm temperatures for the remainder of the summer," advised Snider.

One Way Camp

Several area young people attended the One Way Camp for elementary students last week at the Methodist Ceta Canyon Camp. Those attending were Sammy Dee Ross, Christopher Taylor, Natalie Wheeler and Hannah Bodecker.

Velda Ross also attended the Camp and served as a counselor. The group reported they had a great time.

Jamie Taylor is at Ceta Canyon this week to attend camp.

Park Tour Upcoming

The Caprock Canyons State Park will be hosting a four-wheel drive tour on July 23, 1994 from 1 to 4 p.m. "The Canyon Rumbling" will be a tour in an open air vehicle to view the park with a staff member as he inspects the hiking trails.

For more information on fees or reservations call 455-1492.

Have A Great Summer

Museum Needs Horse-Related Toys

The American Quarter Horse Heritage Center and Museum is seeking horse-related toys dating from the turn of the century to the present for the upcoming exhibit, "Playroom Pals," which is scheduled to open in October and run through April 1995. The exhibit will explore the evolution of toys.

"Over the years, there has been a variety of equine-related playthings produced," said James May, Director of Curatorial Services. "During the past 100 years, children have played with a variety of horse toys ranging from cast iron to molded plastic."

Anyone wishing to loan a toy to the American Quarter Horse Heritage Center and Museum should send a photograph of the toy along with details of its height, width and length. The photos will not be returned unless accompanied by a self-addressed, stamped envelope. All toys used for the exhibit will be on a loan basis and will be returned after the exhibit closes.

May is interested in older cast-iron toys and mechanical banks. Also, toys representing movie and television horse characters from the 1950s and 1960s are needed.

Located along interstate 40 at Quarter Horse Drive, the American Quarter Horse Heritage Center and Museum in Amarillo offers visitors interactive exhibits, artifacts, video presentations, scheduled American Quarter Horse demonstrations and breathtaking works of art. A research library and archives also is available for the serious owner or American Quarter Horse enthusiast.

Open Monday through Saturday, 9 a.m. to 5 p.m. and Sunday, noon to 5 p.m., the American Quarter Horse Heritage Center and Museum offers discounted rates for senior citizens and groups.

For more information about "Playroom Pals," write the American Quarter Horse Heritage Center and Museum, 2601 I-40 east Amarillo, Texas 79104 or call (806) 376-5181.

OBITUARY

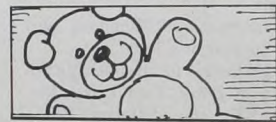

Wendell Farley

Services for Wendell L. Farley, 65, of Quitaque were held at 3:30 p.m. Friday, July 8, 1994, in First Baptist Church with the Rev. John Hall, pastor, officiating. Interment in Resthaven Cemetery was directed by Myers-Long Funeral Directors of Quitaque. Farley died Wednesday, July 6, 1994 in High Plains Baptist Hospital in Amarillo.

He was born in Nashville, Arkansas, on June 18, 1929, and came to Quitaque with his family in 1947. He was a member of the First Baptist Church. He married Roberta Duck on September 9, 1949, in Silverton. The couple were lifelong residents of Quitaque. He began work with the Fort Worth and Denver Railroad in 1961 and retired from the Burlington Northern Railroad on June 1, 1991, after 39 years and eight months of service. The couple owned and operated Farley's Flowers and Variety store from May 1964 to January 1990. He was preceded in death by a daughter, Janice Lynn Farley.

Survivors include his wife, Roberta Farley of Quitaque, two sons and daughter-in-laws, Larry and his wife Linda Farley of Amarillo and Dennis and his wife Lisa Farley of Quitaque; a daughter and son-in-law, Deborah and Jack Wellman of Quitaque; six brothers, E. J. "Junior" and Billy both of Quitaque; Glen of Aztec, New Mexico; Gene, Odell and James, all of Farmington, New Mexico; four sisters, Francis Lingo and Shirley Baugh, both of Farmington, Ethel Osborne of Gallup, New Mexico, and Lois Chandler of Quitaque; 10 grandchildren, April and Cory Farley, Jamie, Richard, Ryan and Jessica Wellman, Melody, Vance Randy and Mitchell Farley; and 1 great-grandson, Matthew Farley.

Pallbearers were Dale Ramsey, Weldon Griffin, Johnny Griffin, Lyn Payne, Joe Ike Smith, Gary King, Bobby Boyles and Dwight Ramsey.

President Theodore Roosevelt, an active hunter and sportsman, was once depicted in a cartoon with a bear cub. Soon, toymakers were producing stuffed animals that are still known as "teddy bears."

Jewell Buchanan

Jewell S. Buchanan, 90, died Sunday, July 10, 1994.

Graveside services were at 1 p.m., Tuesday, July 12, 1994 in the Turkey Cemetery at Turkey, Texas, with Delos Johnson of Quitaque, Texas officiating. Arrangements were by Anderson-Kennedy Funeral Home.

Mrs. Buchanan was born and reared in Love County, in Oklahoma. She later lived in Texas and returned to Love County in 1969. While living in Turkey in the 40' and 50's, Jewell was a homemaker and a member of Turkey Church of Christ in Turkey. She was preceded in death by her husband, Porter Buchanan, in 1956, and by two sons, Earl Buchanan and Louis Buchanan.

Survivors include two sons, Porter Buchanan of Marietta and A. C. Buchanan of Amarillo; a daughter, Marie Hicks of Marietta; a stepdaughter, Mary Buchanan of Lubbock, Texas; a brother Virgil Walker of Marietta; a sister, Johnnie Cooper of Bakersfield, California; 15 grandchildren, 21 great-grandchildren; and two great-great-grandchildren.

Heat Dangerous For Elderly

For elderly people, summer's high temperatures can take the good out of the good ol' summertime.

Heat illness can be devastating for the elderly, particularly in areas with high humidity, said Dr. Janice Zimmerman of Baylor College of Medicine in Houston.

Heat exhaustion, caused by heat overexposure, can lead to heat stroke. Early signs include weakness, fatigue, dizziness or dehydration.

Antihistamines, antidepressants, laxatives and heart medicines can contribute to dehydration. To minimize chances of heat illness, Zimmerman recommends:

- *Wearing loose, light-weight clothing.
- *Drinking water frequently, even when not thirsty.
- *Using air conditioning or opening windows and using electric fans.
- *Taking frequent breaks from outdoor activities.

SEASONED TURKEY BURGERS
(Makes 4 servings)

- 1 egg white
- 1 teaspoon Wyler's® or Steero® Chicken-Flavor
- Instant Bouillon
- 1 pound ground turkey
- Vegetable cooking spray

Combine egg white and bouillon; mix with ground turkey. Shape into patties. Spray grill racks or broiler pan with vegetable cooking spray. Grill or broil until no longer pink. Refrigerate leftovers.

Nutrient Value Per Serving: 169 calories; 21g protein; 9g fat; 0g carbohydrate; 83mg cholesterol; 346mg sodium

Oriental Burgers: Combine turkey mixture with 1 (8-ounce) can water chestnuts, drained, and chopped, and 1/4 cup sliced green onions. Prepare as above. Top with pineapple slice; serve with sweet and sour sauce.

Mexican Burgers: Combine turkey mixture with 1 (4-ounce) can chopped green chilies, drained, and 1/4 cup chopped onion. Prepare as above. Serve with sour cream and salsa.

Garden Burgers: Combine turkey mixture with 1 tablespoon chopped green pepper and 2 tablespoons thousand island dressing. Prepare as above. Serve with cole slaw and chopped tomato.

Mid-West Burgers: Combine turkey mixture with 1/2 cup frozen hash brown potatoes, thawed and 2 tablespoons barbecue sauce. Prepare as above. Serve with barbecue sauce.

Summer Snacks Are Healthy

Summer means more playtime and an increased need for high-energy snacks. "Parents can reinforce good eating habits by providing plenty of healthy treats," said Dr. Corine Montandon, a nutritionist at the USDA's Children Nutrition Research Center at Baylor College of Medicine in Houston.

Montandon recommends:
*Frozen low-fat yogurt.
*Fresh fruits and juices.
*Frozen orange wedges, banana slices or grapes. (But grapes and other small snack foods should not be offered to children younger than 5 because of choking dangers.)
*Shakes made with low-fat milk or fruit juice.
*Peanut-butter-stuffed celery pieces.

Things Seen or Heard

by Ann Coker

While visiting with Connie Holland the other day, she told me what a great trip she had enjoyed recently with her son, Danny Holland. Danny had taken his mother to Las Vegas, Nevada and Connie thoroughly enjoyed the trip.

Turkey is to be the new home of Mr. and Mrs. Dusty Hill. Mr. Hill, a crop consultant and his wife have recently bought the Roy Patterson place south of town. They have torn down the house and cleaned up the lots. They are having a ready-built house moved in, in several months.

The Hills hope to move into the Leon Lane house until their home is completed. DeLane and Brent Brown, who now live in the Lane house are planning to move into the former home of Maxine (Jones) Mullin.

Roger Denton is a new employee of Wheeler and Sons. Roger has moved into the house just west of Dot Arnold's home. Mrs. Arnold is Roger's grandmother.

Danny and Laura Stuart and children, Katrina and Brandon left Turkey last Friday night after Laura closed her Beauty shop for a vacation in the southern part of the state.

They planned to spend last Friday night in the cabin of Mr. and Mrs. Squint House on the Llano River at Junction. They planned on spending Saturday, Sunday and Monday in San Antonio returning home on Tuesday.

I have heard that Coaching School, held in Arlington last week for Coaches, who coach girls' athletics, had two speakers who are ex-Valley coaches. One was Pat Mouser who has had some great years as the Coach at Abernathy. Coach Mouser has taken his girls to State several times. He coached at Turkey in 1971-1972 and at Valley 1972-1973.

I heard that Robert Phelps, who was girls' coach at Valley several years was another speaker. Coach Phelps is from Quitaque.

Another speaker was Beverly Barker, who was raised at Lockney. I don't know where Beverly is presently coaching.

Scotty Setliff of Fort Worth visited with his parents, Arville and Loreen Setliff, last week-end. The three Setliffs spent the week-end at their cabin at Lake cottonwood.

Visiting in the home of Zona Lane and with other relatives and friends last week-end were Kathryn Russell, her brother, James Royce Russell, both of Amarillo and their brother and wife, Dr. and Mrs. Tommy Russell of Winters. The group also attended church services.

Louis and Oleta Randell spent Saturday night in Amarillo with their daughter, Jo Ann and Ronnie Blythe. Their other daughter, Ramona and Mike Smith, Derek, Tracie and Alicia, stopped by for the night on their way home to Houston after spending ten days in Colorado.

Visitors in the home of Veta and George Colvin recently were their two granddaughters, Ryan and Destiny Whitley from Round Rock.

Also visiting with the Colvins were Veta's brother, Ruel Lasseter and his friend, Paul Lany, from Burkburnett.

Louis and Oleta Randell were in Amarillo Thursday to return Totsy Cunningham to her home after visiting several days in Turkey with relatives.

I have an up-date on the coaching school for coaches who coach girls' athletics. Coach Pat Mouser of Abernathy was the Vice President of this association who planned the coach school. He has now taken over the reins as the president for this year.

Our daughter and son-in-law, Linda and Mark Hamilton, came after our grandsons, Zach and Josh, this past week-end. We have surely missed them.

Cunningham Reunion

July 2, 1994 was the date of the Cunningham reunion, held at the Senior Citizens Center in Turkey. Oleta and Louis Randell hosted the event and were assisted by Helen and Cliff Masters and Nellie and Tom Langford. The group enjoyed an entertaining program, much singing, scripture reading, picture taking and some tears.

Gifts were given to the oldest relative, Totsy Cunningham; the youngest, Alicia Smith; and the one who traveled the most miles, Gloria Welker.

Those attending were Helen and Cliff Masters, Mr. and Mrs. Phil Masters and Nat, Clovis, NM; Mr. and Mrs. Frankie Masters of San Jon, NM; Elaine and Michael of Lubbock; Nellie and Tom Langford, Mr. and Mrs. David Langford, Trent and Devon, Mr. and Mrs. Curt Langford, of Lubbock; Chester and Gladys Cuningham of Fritch; Mr. and Mrs. Eddie Cunningham of Houston and Patsy and Steve Ross, Roswell, NM.

Others attending were Totsy Cunningham, Jina and Jo Wofford Cunningham, Mack and Janis Henderson and Lacey; Jo Ann and Ronnie Blythe and Courtney, all of Amarillo; Ann and Clarence Pierce, Mr. and Mrs. Bobby Sanderson, Amanda and Jamie, McLean; Stephanie Turpen, Leah and Lindsey, Hobbs, NM; Gloria Welker of Northridge, CA; Mr. and Mrs. Aaron Carlton and Tyler of Irving and Oleta and Louis Randell, Turkey.

Others enjoying the reunion were Jeff Blythe, Kendell Blythe, Abilene; Romona and Mike Smith, Derek, Tracie and Alicia, Houston; Steve and Phyllis Randell, Jacob and Bryan, Ft. Worth.

Local friends attending were Mr. and Mrs. H. E. Mullin, Donna Browning, Therma Farley and Stella Conner.

Host Families Sought

Host families are being sought for high school exchange students from Sweden, Norway, Denmark, Finland, Austria, Turkey, Greece, Hungary, South Korea, Netherlands, Poland, Peru, Switzerland, Germany, Spain, France, Italy, Brazil, Ecuador, New Zealand, Australia, Japan, Portugal, Uruguay, Czech Republic, Slovakia, Thailand, Russia, Ukraine and Croatia for the School year 1994-1995 in a program sponsored by the American Intercultural Student Exchange (AISE).

The students, ages 15 through 18 will arrive in the United States in August, 1994, attend a local high school, and return to their home countries in June 1995. The students are fluent in English, have been screened by their school representatives in

Bradley Price Makes Dean's Honor List

Bradley Price has been named to the spring 1994 Dean's Honor List at South Plains College.

"We are very proud of these students for their hard work and dedication to their studies," said Dr. Gary McDaniel, SPC president. "They are a real asset to South Plains College."

To be eligible for the President's Honor List, students must maintain a 4.0 or straight A grade point average while taking a minimum of 12 semester hours. Students named to the Dean's Honor List must maintain a minimum 3.25 GPA.

Free "CattleLog" Listing Service

Cattle producers in Oklahoma, Texas and adjoining areas are invited to list cattle (available for sale or contract grazing) and/or pasture in an annual catalogue free of charge. The Ardmore-based Samuel Roberts Noble Foundation, a non-profit organization which has been involved in agriculture consultation and research since 1945, will compile information submitted by producers. The information will be printed in the 1994-95 "CattleLog", which will be mailed to more than 4,000 agriculture producers, feedlots, commission companies and auction services, later this summer. Individuals listing cattle or pasture in the publication will also receive a copy by mail.

This will be the fourth year of publication for the free catalogue. The catalogues will be divided into four sections:

- 1) Breeding cattle offered for sale to benefit both the seed stock producer, and the commercial cattle breeder.
- 2) Stock-feeder cattle - an opportunity for direct marketing for both cow-calf operations and stocker operations.
- 3) Pasture available for contract grazing - summer/winter pasture information for those interested in placing contract cattle.
- 4) Organizations and individuals placing contract cattle on pasture, summer and winter.

Those interested in listing cattle, available pastures, or receiving the sales list should contact Roberta Palmer at 405-223-5810, or by writing: The Noble Foundation, Attn: Roberta Palmer, PO Box 2180 Ardmore, OK 73402.

Request for forms should be made by no later than July 23. Deadline for submitting final information is July 30.

their home countries and have spending money and medical insurance.

Host families may deduct \$50.00 per month for income tax purposes.

On the QT

LaVern Benton spent the week-end in Marlow, Oklahoma attending the "Grandma Whalay Reunion", with 120 relatives in attendance.

Mr. and Mrs. Shelley of Columbus, Georgia were house guests of Jane Hamilton from Wednesday through Saturday. They also visited with Kay and Deloy Myers, Lane Myers of Canyon and Mr. and Mrs. Robin Race of Lockney joined the group on Saturday.

Deborah Smith of Silverton took Cora Gragon to Amarillo last Friday to be with Cora's granddaughter, Evelyn Rainer while she had neck surgery at St. Anthony's Hospital. Evelyn had been seriously injured in an auto accident. She is reported as recovering nicely.

Eunice McFall joined her father, Roy Shepperd of Matador for a trip to Welsh, Texas, for a Parker family reunion. They spent Saturday night visiting Roy's sister, Lylia Knight at Tahoka.

Jenny Aston reported that her father, Ebb, has returned home from the hospital. She will take him for a checkup on Wednesday.

The anti-malarial drug quinine comes from the bark of the cinchona tree, a South American evergreen.

Flomot News

by Earlyne Jameson
FAMILY GUIDE TO HEALTH AT DO GOODERS CLUB
 The Do Gooders' Club of Flomot met Tuesday afternoon, July 5, at the Community Center of Flomot. Mrs. Beverly Logsdon of Memphis, Regional Extension Agent, presented a program on Family Guide to Health.

The key is good nutrition, she said. You don't have to give up taste or balanced nutrition when you decrease fat, cholesterol and salt, when planning a menu. She showed new labels on packaged food listing nutrition facts and calories. She stressed using these guide-lines are beneficial in helping maintain a healthy lifestyle for your family.

Mrs. Christeen Gilbert, president, conducted a business meeting. Mrs. Bernice Bond, secretary read the minutes and gave a financial report. Further plans were made for the Flea Market and Arts and Crafts Sale Saturday, September 10. A community Clean-Up day is scheduled for Wednesday, August 31.

Mrs. Joan Helms and Mrs. Mary Jo Calvert, hostesses, featured patriotic decorations with a veritable rainbow of red, white and blue. The table was laid with a red and white cloth. Accenting the red blooms on

a geranium plant was scarlet and green fern-like foliage in a red, white, and blue clay pot. Roman candles on each side complemented the centerpiece. The hostesses presided at a patriotic designed service, and served chips, crackers, assorted vegetable dips, cookies, and rum cake with iced tea and fruit punch.

In addition to those mentioned above, those attending were Mesdames Lucille Monk, Nada Starkey, Trula Martin, Judy True, Barbara Payne, Wadie Clay, Erma Washington, Annie B. Cloyd and Leona Degan.

FLOMOT NEWS OVERHEARD

Sadness flies in the wings of the morning, and out of the heart of darkness comes the light.

DODIE MORRIS ATTENDS ATTA CHAMPIONSHIPS

Dodie Morris attended the American Tumbling, Trampoline Association National Championships July 5-9 held in Nashville, TN. She placed 18th in the overall standing in the 15-17 year old division of the trampoline competition. There were four flights with a total of 39 girls competing in this division, Saturday. The Junior and Senior Elite finals were held Saturday night.

Opening ceremonies were held Wednesday night at the Tennessee State University. Garth Brooks pre-

sented a bouquet of red roses to Ms. Connie Mara, ATTA president. Thursday, they enjoyed the amusements at the Opryland Theme Park.

Dodie's mother, Mrs. Pam Morris and sister Rabeca accompanied her to Tennessee. Her father Billy Morris met them at the Lubbock Airport Sunday night, and accompanied them home.

GOOD GENERAL RAINS

Residents of Flomot and Whiteflat are thankful for the good general rains and the temperatures dipping below the century mark this past week.

July 6 and July 9, Flomot reported a total of 2.20 to 5.00 inches of needed moisture, and Whiteflat 3.00 to 5.50 inches. The lowest temperature recorded for the last five weeks was 88 degrees Saturday, July 9.

RECENT TRIP

Mrs. C. W. Starkey returned home Tuesday, July 5, from a three week vacation trip that included visiting her children and families.

She visited in Winnewood, OK with Mr. and Mrs. Joe Long, in Muskogee, OK with Mr. and Mrs. Royce Hanna, and in Lebanon, MO with Johnny Joe Starkey. She also visited in Lewisville with Mr. and Mrs. Kenneth George, who accompanied her home and visited until Thursday July 7.

Mrs. Kathryn Martin of Whiteflat, and Art Green attended the annual Green family reunion at the Senior Citizens building in Matador Saturday.

Mrs. Morris Stephens attended to business in Crosbyton Wednesday, where she met Mrs. Monroe Stephenson of Afton to visit.

Mr. and Mrs. Earl Jones of Carlsbad, NM, visited the weekend with her aunt and uncle, Mr. and Mrs. Orville Lee.

Mr. and Mrs. Marvin Starkey, Jackie and Tonya visited in Wellington last weekend with her mother, Mrs. Edna Benton.

Cindy, Christi and Keri, daughters of Mr. and Mrs. Clois Shorter are attending classes at Texas Tech this summer.

Mrs. Doris Morris has returned to the Care Center in Lockney following surgery at the Methodist Hospital in Lubbock. Conducting religious services at the Care Center Friday morning were Bro. and Mrs. Nathan Mulder of South Plains; Bro. and Mrs. J. E. Lee of Plainview; Mrs. Emma Thomas of

Lockney and Wayne Hunter of Flomot. After services, they enjoyed lunch at the Dairy Queen.

Mrs. Betty Jo Aldridge of Carter, OK visited from Thursday until Tuesday with her father, John Barton.

Anita and Brad Carter and daughters Amanda, Virginia and Rebecca of Lubbock honored her parents, Mr. and Mrs. Wayne Hunter on their 48th wedding anniversary with a catered lunch in their home Sunday. H.G. Hunter of Quitaque also attended.

Mr. and Mrs. Homer Cypert of Lockney visited her mother Mrs. C. W. Starkey Sunday.

Mr. and Mrs. Allen Matthews of Turkey visited Saturday with her sister and husband Mr. and Mrs. Jack Starkey.

Mr. and Mrs. Morris Stephens visited Friday and Saturday in Amarillo with Buck and Annie Black. Visiting in the Stephens home, Sunday, were daughter and family, Shonda and Scottie Martin and Shanon of Clarendon.

Wayne Hunter and father H.G. Hunter of Quitaque attended to business in Floydada Tuesday and had lunch with Mr. and Mrs. John Speer. Mr. and Mrs. Hunter were in Plainview Thursday for medical appointments.

"And the Lord went before them... by night in a pillar of fire, to give them light."
 - Exodus 13:21

As you gaze at the dancing flames of a campfire on a summer night, or the burning log in your fireplace next winter, think about this fascinating phenomenon that has enabled man to produce and control his own source of heat and light. Without the discovery of fire, most of us would be confined to the narrow band of the tropics as the only inhabitable place on earth; while eating a diet of raw food. By means of the lighting, a miraculous demonstration, God introduced ancient man to the spectacle of fire and its principle has remained with us to this day. Like the other elements, fire can either preserve or destroy life, but God gave man the intelligence to use properly. At your house of worship thank Him for all His blessings, including the blazing beauty of the fire which has brought us warmth and comfort, and sparked the very survival of human life all through the ages.

Social Security-Survivors Benefits

by Terry Richardson

I read a sobering statistic the other day-- a person dies every six minutes in the United States as a result of an accident. And accidents are the leading cause of death among young men and women in the 25-44 age group.

These statistics represent real tragedies in life-- the loss of a wife or husband, mother or father, son or daughter. Families grieve and try to pick up the pieces of their lives.

The personal grief is too often accompanied by considerations of how to replace the loss of income caused by the worker's death. Insurance helps in about two-thirds of the deaths of younger workers-- but only as a lump-sum payment and usually in a much smaller amount than many would suppose.

Social Security is a bulwark that most survivors can rely on, though, this fact is seldom thought of when people think about the Social Security program.

The Social Security taxes you pay also go toward providing survivors insurance. In fact, the value of the survivors insurance you have under Social Security is probably more than the value of your commercial life insurance.

When someone who has worked and paid into Social Security dies,

survivors benefits can be paid to certain family members. These include widows, widowers (and divorced widow and widowers), children, and dependent parents. Right now, 98 out of every 100 children could get benefits if a working parent should die. In fact, Social Security pays more benefits to children than any other federal program.

I know that many young workers in their early 20's haven't started their families yet. Some still live with their parents. In cases where a young worker provides one-half or more of the support for aged parents (age 62 or over), if the young worker dies his or her parents may be eligible for Social Security survivors benefits based on the son's or daughter's work record.

For more information on social Security survivors benefits, call 1-800-772-1213 between 7 am and 7 pm.

The muscle with the longest name is the *levator labii superioris alaeque nasi*, which runs inwards and downwards on the face, with one branch running to the upper lip and the other to the nostril. It's the muscle that curls the upper lip.

Farm Equipment On Public Roads

Most farmers and ranchers who use public roads to transport farm equipment can tell about scary traffic situations they've encountered. Cars and trucks bear down on them, people try to pass them on hills or curves, and some drivers even rudely blast their horns, angered by a farmer's mere presence on public roads.

"Unfortunately, some incidents are not close calls but the real thing," Agricultural Commissioner Rick Perry said. "The National Safety Council estimates that each year farm machinery is involved in approximately 23,000 accidents and nearly half of them involve a collision with another vehicle."

Much can be done to reduce the number of roadway mishaps, and the key safety reminder for those who drive farm equipment on public roads is see and be seen. Perry offers the following reminders:

Clean the windows of cab-equipped vehicles before moving. Replace worn windshield wipers.

Tractors frequently driven on public roads should be equipped with extendible rear-view side mirrors and turn signals.

Do not travel on public roads at night or when visibility is poor without the proper lighting and markings required by state laws. Make sure taillights, rear reflectors, flashing lights and a "Slow Moving Vehicle" emblem are clearly visible to following traffic.

Clear away trees and shrubs to provide an adequate sight line or unimpeded view where the driveway or lane enters a road. Stop at

the end of the driveway and look both ways before entering.

"Most accidents can be avoided if we all take the proper precautions and use some good old fashioned common sense," Perry said. "But the two most important rules to remember- Be sure you can see and be seen."

Lowly Worm

(NAPS)—Beneath your feet may be a creature constantly at work to improve its environment—and yours.

As it passes through dry earth, the worm aerates the soil and keeps it porous enough to absorb water.

The earthworm is slow, but it can almost move mountains. The worms, living in a single acre, work their way through about ten tons of earth every year.

It also creates topsoil as a byproduct of its digestive system. The earthworm takes in organic material and processes it with subsoil to build topsoil. In fact, earthworms represent one of the fastest ways to upgrade soil. If your soil is in sorry shape, consider the lowly earthworm. It could be a natural solution to your problem.

Small Business Workshop Set

There will be a morning workshop on "SBA Financing For Small Business," Wednesday, July 27 in the SBA Conference Room, 1611 10th Street, Suite 200, Lubbock. The workshop is being sponsored by the U. S. Small Business Administration (SBA). Registration begins at 9:00 a.m. and the program will conclude at 10:00 a.m.

Subjects for the morning workshop include: "SBA Loan Application," and "Other SBA Programs." There is no registration fee for the workshop but

Beware the fury of a patient man.
John Dryden

pre-registration is encouraged due to limited space.

This workshop will provide financing information relative to starting a business. Women, this is an excellent opportunity to learn about financing a business. Statistics of the U. S. Census Bureau and SBA show women are starting businesses at twice the rate of men. Nearly 40 percent of all small businesses will be woman-owned by the year 2000 if the current trend contin-

Reasonable arrangements for persons with disabilities will be made, if requested in advance.

For more information or registration contact Ruby Abarca at (806) 743-7462 or 1-800-676-1005.

Unlimited Care, a professionally regulated agency, offers the alternative to nursing home care by providing its residents with a safe, secure residential home staffed with qualified caring people. We are conducting a survey at this time to determine if it is feasible to open a private care home in the Quitaque, Turkey or Silverton area. If you or someone you know is interested please call 806/455-1132 and speak to Mary.

Praying to Know God or to Get out of a Jam!

by John Hall, Pastor, First Baptist Church, Quitaque

Why do people pray? Honestly, many people approach the act of prayer generally out of severe crisis or desperate need. It was the great William King who said, "O God, if in the day of battle I forget Thee, do not thou forget me!" Indeed, prayer is most certainly the first thing one should do in a crisis or need. However, prayer that makes a difference in one's life is relationship motivated. How often do you pray just to get to know God better? How often do you pray just to relate to the Heavenly Father? Prayer that makes a difference recognizes the need to just be in relationship with God. Spend a few minutes with the Lord this week for the sole purpose of getting to know Him. You will be blessed! Remember, no agendas; just pray to know the Father!

Have a good week!

"... return unto the Lord thy God, for thou hast fallen by thine iniquity."
- Hosea 14:1

WHEN WE ABANDON OUR FAITH, WE MUST ONE DAY RETURN TO IT

If your run of good fortune has come to a halt
And temptation has led you astray,
You had better remember that you are at fault,
Just for being too busy to pray.
Be it illness or vice or financial distress
That has given you cause for regret.
You expect to recover; but nevertheless
You will need all the help you can get.
So return to your faith without further delay
And your blessings will soon be restored,
For it wasn't the Lord who has wandered away;
It was YOU who deserted the Lord.
-Gloria Nowak

NOTICE

PUBLIC NOTICE CITY OF TURKEY TEXAS COMMUNITY DEVELOPMENT PROGRAM

The City of Turkey will hold a public hearing at 7:00 p.m. on July 21, 1994 at Turkey City Hall in regard to the submission of an application to the Texas Department of Housing and Community Affairs for a Texas Community Development Program (TCDP) grant. The purpose of this meeting is to allow citizens an opportunity to discuss the citizen participation plan, the development of local housing and community development needs, the amount of TCDP funding available, all eligible TCDP activities, and the use of past TCDP funds. The City encourages citizens to participate in the development of this TCDP application and to make their views known at the public hearing. Citizens unable to attend this meeting may submit their views and proposals to George Colvin, Mayor at the City Hall. Handicapped individuals that wish to attend this meeting should contact City Hall to arrange for assistance. 4 1tc

Forty Years Of Service Honored

A reception honoring Dr. Robert E. Clark will be held on Sunday, July 17, 1994 from 2 to 4 p.m. at the Community Center in Memphis. This event will mark the fortieth anniversary of the opening of Dr. Clark's practice in Memphis. Hall County Hospital, along with its Board of Directors, employees, and auxiliary is hosting the reception to show their appreciation of Dr. Clark's tireless devotion to the hospital and the citizens of Hall County and the surrounding area. An awards ceremony will be held at approximately 2:30 p.m. Patients and friends are encouraged to drop by to visit with Dr. Clark and let him know how much he is cared for.

CARD OF THANKS

I would like to thank everyone for the cards, calls and concern shown to us and since I have been ill. Your prayers have been a wonderful blessing. The Lord heard your prayers and we are so thankful.

I would also like to thank the Turkey Ambulance crew for coming out to Dad's and Mom's. You were all very caring.

May the Lord Bless Each One of You.

Bryan, Lana, Zackary,
Dusty and Lee True Burson 4 1tc

I want to express my sincere appreciation for the many acts of kindness, care, and concern that were shown me during my recent illness and surgery. The many phone calls, cards, visits, flowers and especially your prayers were deeply appreciated.

Thank you from the bottom of my heart.
Kay Eudy 4 1tc

Farmers Union Plans Picnic

The Executive Committee of the Farmers Union Local met at the community building in Gasoline Monday night to discuss plans for a county-wide Farmers Union Picnic to be held on Monday night, July 27. The decision was made to invite the Silverton Local, and if they did not have a suggestion of a picnic location, to plan to go to Memphis. In the event that the Silverton Local will not be able to accept the invitation, the committee decided to go to the river near Flomot where the annual picnic was held last year.

Rains Cause Crop Damage

Heavy blowing rain and winds hit the Turkey area last Friday night and again Saturday. The winds did quite a bit of damage to tree limbs and with the hard rain homeowners discovered quite a few leaks to their roofs that had been failing to show up in our other rains.

Mr. and Mrs. Homer Lane of Van Horn are visiting in Turkey with relatives this week.

Mr. and Mrs. Arthur Beck accompanied by Celia Johnson and Mrs. Veda Bishop spent the week end in Van Horn visiting with relatives. Mr. and Mrs. Earl Downing of El Paso and Mr. and Mrs. Olen Lane joined them at the Ferguson home for a fish fry.

Keith Green of Amarillo spent the weekend with his parents Mr. and Mrs. R. C. Green. Other visitors in the Green home for the weekend were her parents, Mr. and Mrs. Will Smith and Dr. W. A. Sedgwick of Silverton.

Mr. and Mrs. Walter Burns and children of Hayward, California are visiting their grandmother Mrs. M. C. Washington and other relatives here this week.

Mrs. Herb Martin, Mrs. Edd Spivey took a group of Junior girls to Plain Baptist Assembly encampment Wednesday. Those going were Judy and Joyce Shorter, Patricia Green, Eulalia Smith and their sponsor Mrs. L. B. Turner. Mrs. Martin and Mrs. Spivey came home Wednesday evening and Mrs. J. C. Franks and Mrs. Spivey went after the group and brought them home Friday afternoon.

Ginger Bell Honored At Shower
Miss Ginger Bell, bride-elect of Jerry Morgan, was complimented with a bridal shower Friday, July 10 in the home of Mrs. Jake Lacy.

Suggestions For Great Grilling

by Ronda Alexander

Do you have problems using your grill? Do you sometimes get the meat a little charred on one side? Well, hopefully the following suggestions from grilling will improve your results:

*Choose meats that are low in fat to avoid flare ups from dripping fat.
*Avoid marinades or basting sauces that contain a lot of fat.

*Cover the grill with aluminum foil. Punch a few holes in between the grids to let juice drip out.

*If dripping fat causes heavy smoke, move the food to another section of the grill, rotate the grill or reduce the heat.

*Learn to control the fire. Cook meat until it is done, but without charring it. Remove any charred or burned material that forms on the food. Do not eat it.

*Wrap foods such as fish and vegetables in foil to protect them from smoke.

*Reduce grilling time by pre-cooking many foods, including poultry and ribs, by boiling or cooking in the microwave. However, immediately place precooked foods on the grill to complete cooking and give it that grilled flavor. Partially cooked foods may develop bacterial growth that causes foodborne illness. Make your summer grilling experiences safe, fun and healthy!

0157:H7 Ecoli Can Cause Illness Or Death

About 15,000 people each year become ill and 300 die from symptoms caused by the bacteria Ecoli 0157:H7, says USDA's Economic Research Service. Medical costs and productivity losses can reach \$580 million annually, ERS said.

To intercept the bacteria, USDA is overhauling meat and poultry inspection systems, but notes that the H7 variety can also be ingested from unpasteurized milk, unpasteurized apple cider, water, raw potatoes, turkey roll and mayonnaise.
