

Qualifies For State 4-H Horse Show

Lee Ann McMurtry qualified for the State 4-H Horse Show last week during the District 2 4-H Horse Show in Lubbock. She qualified with a second-place finish in the barrel racing over 73 entries. She will participate in the State Show July 27-30 in Houston at the Astro Arena.

Other Briscoe County 4-H'ers placing in the show were Rebecca Reid, seventh in registered mares five years of age and over; Zane

Reagan, eighth place, registered geldings five years and over; Derrel Johnson, seventh place, and Stephen Stephens, tenth place, registered geldings five years of age; Shane Smith tied for ninth place in reining, and Cynthia Edwards placed sixth in pole bending.

In the invitational roping classes, Brent Brannon tied for ninth place in tie down, and Cam Forbes placed fifth in breakway roping five years of age and over; Zane

Fishing Report

LAKE GREENBELT-Water temperature is now 76 degrees and the lake is down 8 inches from the last reporting period. Fishing is very good for channel catfish along the rip rap of the dam. Fishing is best at night. Catfish to 10 pounds have been caught. Largemouth bass fishing is fair for fish up to 6 pounds. Lots of bullheads and sunfish are being caught, however, fishing for crappie and walleye is slow.

LAKE MEREDITH-Walleye fishing is still good off the rocky points. Fish to 7½ pounds are being caught. Nighcrappers are the best bait. Fishing for channel catfish is good. Numerous fish in the 3 to 10 pound class have been caught. Fishing for all other species is slow. The water temperature is 72 degrees at 5 feet and the lake level is now 84 feet. **LAKE BAYLOR**-Fishing is good overall at the lake. Good numbers of channel catfish are being caught at night. Bass fishing is a little slower than earlier in year but numerous bass in the 3½-4 pound size have been caught and several "lunkers" to 6 pounds plus two bass which weighed 8½ pounds. A few sunfish and crappie are being caught.

LAKE McCLELLAN-Channel catfishing is good near the dam during the day using nightcrawlers. Most are in the 3½ to 4 pound class though fish to 8½ pounds have been caught. Fishing for bullheads is excellent. A few crappie are being caught and bass fishing is poor. The water temperature is 76 degrees and the lake is still full and fairly turbid.

LAKE MARVIN-Fishing has been pretty good for channel catfish to 6 pounds with several smaller fish being caught. Sunfishing is good but the fish have moved to deeper water and the fishing is somewhat harder. A few bass in the 1¼ to 2 pound sizes are being caught.

COOPER BREAKS STATE PARK

Other 4-H'ers participating were Jimmy Forbes, Robert Johnson, Shelly Harris, Kim Fitzgerald Twila Wood and Susan Payne.

LAKE-Very little fishing pressure has occurred at the lake recently. Fishing for channel catfish and bullheads is fair at the baited area near the bridge. Some bass from 1½-2 pounds have been caught. Bankfishing for sunfish is fair.

LAKE RITA BLANCA-The lake is up 2 additional feet and fishing has remained very good for bass and channel catfish. Some of the catches include: Steve Ross of Amarillo-3½ pound channel catfish, Jerry Curtis of Amarillo-27 bullheads, Richard Lindsey of Dalhart-20 bullheads Mitchell Vinson of Dalhart a 5 pound catfish, Sid Wallace of Dalhart-a 3½ pound catfish, Jackie Gray of Dalhart-a 6 pound channel catfish, and Travis Horne of Dalhart-a 6 pound channel cat and a 3½ and 4 pounder plus a 3½ pound bass. Most of the bass have been 3 pounds or better.

LAKE MACKENZIE-Fishing for channel catfish is good for fish in the 2½ to 4 pound range. One flathead catfish was caught which weighed 6 pounds. Fishing for bass, crappie, and walleye is slow. The lake is 85 feet deep and still fairly turbid.

Mr. and Mrs. Morris Wilson returned home Friday after spending a week vacationing and resting in cool Colorado. They were at Colorado Springs. They were met there by her sister and niece and their families, Mr. and Mrs. Marvin Clark and Mr. and Mrs. Bill Moore, all of Denver, Colorado.

Yolan Roberson and Minnie Mae Roberson were in Plainview for Yolan to have a check-up with her doctor Tuesday of this week.

Mr. and Mrs. Jim Mayfield drove to Clovis, New Mexico Sunday to visit his sister, Mrs. Lester Smith, who is seriously ill.

Danny Mayfield of Quitaque visited his mother, Mr. and Mrs. Jerry Price and children, in Fort Worth over the weekend.

Return From Glorieta Baptist Center

The Music Week at Glorieta Baptist Conference Center in New Mexico was attended last week by a group from the First Baptist Church of Quitaque. Those in attendance were Terri and Patti Ramsey, Dana Ramsey, Paula Helms, Janie Merrell, Jeana Smith, Mrs. Paul Ramsey, Mrs. Arthur Patrick, Mrs. A. E. Gragson, Mrs. James Woods, Mrs. O. R. Stark, jr., and Paul Newberry, director of music at First Baptist, Quitaque.

Mr. and Mrs. Bennie Brown, Brent Brown, Cherri Brown, Eva Cheatham, and Scott Eudy spent the weekend at Glorieta. The Brown's daughter performed in the All State Baptist Youth Choir at the opening night's service of Music Week.

Mr. and Mrs. J. W. Lacy, formerly of Silverton, have recently moved to Turkey to make their home, having purchased the Harold Lane home in East Turkey. The couple need no introduction to Turkey as J. W. grew up in the Wolf Flat Community where he will be the new manager for the Turkey Farmers Co-op Gin. His father, I. J. Lacy was the first manager for the Turkey Farmers Co-op Gin when the gin became known as the Turkey Farmers Co-op Gin. Mrs. Lacy, the former Ruby Jo Smith, is the daughter of Mr. and Mrs. Josh Smith.

J. W. was employed by International Harvester in Amarillo prior to his move to Silverton where he was employed by Don Brown at the International Harvester business. The couple have three sons, Tommy, who graduated from Silverton High School and plans to attend West Texas State University in the fall; the second son, Jimmy, will be classified as a freshman and the third son, Randy, will be a seventh grader.

Steve Farley, who has recently been employed by Russell Buick in Amarillo, has returned to Turkey to open his own mechanic shop located at Stewart Mobil on East Main Street in Turkey.

Steve was a student in the mechanical class at Clarendon College last school term and graded as 4.0 student.

Please note his advertisement elsewhere in this paper.

Mr. and Mrs. Tom Persons of Tullia were luncheon guests of his sister, Lela Mae Hutcheson, in Quitaque Sunday. They attended the funeral of Mrs. Ethel Long, mother of Mrs. Amos Person, in Roaring Springs that afternoon.

Mr. and Mrs. Jarrell Rice and children visited in Hedley Sunday with Jean's parents. Mr. and Mrs. Sam Sanders. Several of Jean's sisters and families were there.

Mrs. Opal McKnight of White Deer visited with her sister, Miss Amy Davis, over the weekend and attended the Buffalo Flat Reunion where she was a former teacher.

Mr. and Mrs. J. C. Elliott of Sessour Spdy visited the Buddises Gores visited the Buddises Wednesday of last week and had lunch with them. They brought the Morrises some fresh peaches to can. A friend also brought them fresh plums and they report they are going to have some "goodies" to eat this winter.

Campsites To Be Reserved

Reservations will be accepted on weekends for campsites at 17 state parks starting June 26 and running through September 4, 1977.
 Texas Parks and Wildlife Com-

missioners on June 24 approved a plan for the reservation of 1,624 campsites at Palo Duro State park and 16 other state parks scattered across Texas.

A total of 91 campsites will be available at Palo Duro according to Elon Baker, park superintendent, and for a \$2 non-refundable reservation fee, park visitors will have a guaranteed place to camp. The reservation fee is in addition

to the usual entrance and facility use fees.

"The reservation system is experimental and generally includes those parks with heavy demands for campsites on summer weekends," Baker continued.

"Such a reservation system has become necessary because of increased visitation in state parks during the summer. Many visitors to parks drive long distances only to find no campsites available to them when they arrive. A reservation system could prevent them from being turned away and also keep visitation within capacities of the park."

A potential park visitor can either go to the park and make reservations or it can be done by mail or phone. Telephone requests must be made at least seven days in advance of the first day of occupancy. If the fee has not been received within five days, the campsite will be removed from the "reserved" list. Reservations for camping after September 4, 1977 or any succeeding calendar year will not be accepted.

Campsite reservations may be made at the designated parks daily during the hours between 8:00 a.m. and 5:00 p.m. All the Campsites at the 17 State parks participating in the 1977 reservation system are available for reservation. However, those campsites which have not been reserved on any particular day, reserved campsites for which cancellations have been received, and those reserved campsites which are not claimed by 6:00 p.m. will be available on a first-come, first-served basis to campers arriving at these parks without advance reservations.

If a one day's user fee has been paid in advance, the site will be held until 2:00 p.m. the following day.

Those areas open to reservations at Palo Duro State park include Hackberry, Mesquite, Juniper, and Sunflower.

Campsites at all other State parks not participating in the reservation system are available on a first-come, first-served basis.

Additional information on state parks and other camping facilities in the Texas State Park System is available by calling Palo Duro State Park 806-488-3622 or by writing the park Route 2, P. O. Box 114, Canyon, Texas 79015.

Mr. and Mrs. James May visited his mother, Mrs. Dessie May, in St. Anthony's Hospital in Amarillo. They report she is resting well. The Mays also visited Mr. and Mrs. Arthur Gregg, and enjoyed refreshments of coffee and cake. They stopped in Canyon enroute home, and visited the Bill Ruckers.

Mr. and Mrs. P. John Monk took their granddaughter, Tracie Johnson, to her home in Garland after she had spent a vacation visit here. They drove down July 2, and spent the night with Tracie's parents, the L. G. Johnsons, then drove on to Wills Point and spent Sunday and that night with P. John's sister, Mrs. Maie Whitaker. They returned home July 4, stopping in Fort Worth to visit Mrs. Monk's nephew, Calvin White.

Be the **FIRST** on your block.

Or the first in your town. Or even your state. That's the way it was back in 1862 when the government gave out new land for free. If you'd live on it. They called it the Homestead Act. And you know who made it possible?
 Americans taking stock in their new country through the public sale of government securities for money to purchase frontier territories.
 That was how those Americans took stock in America; and today, you can take stock in America by buying U.S. Savings Bonds.
 Because whether you buy Bonds through the Payroll Savings Plan or where you save, you're not only helping your country, you're helping yourself, too.
 So buy U.S. Savings Bonds.
 You may not be the first on your block, but you'll be number one at home.

Now U.S. Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Loss, whole or destroyed Bonds can be replaced if records are provided. When needed, Bonds can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deducted until redemption.

Take stock in America.

BUFFALO FLAT COMMUNITY REUNION HELD

About 70 people attended the Buffalo Flat Reunion held at the Bob Wills Community Center in Turkey, July 10, 1977.

The couple that drove the furthest to attend were Mr. and Mrs. Ira Prock of California.

The eldest present who attended the Buffalo Flat one-room school taught by Blake Bolton in 1920, was Mrs. Alpha (Stewart) Wallrich of Ennis, Texas from the Rebecca Home.

The Lone Star quilt top, donated by Mrs. Olene Edwards, was auctioned and purchased by Audrey Hill. The money was added

LOCAL INSURANCE AGENT ATTENDS SALES SEMINAR

Monte D. Stephens, a resident of Quitaque, and First Pyramid Life Insurance Company agent, was among the more 4,500 members of the Million Dollar Round Table (MDRT) gathered in Atlanta, Georgia for this exclusive life insurance sales organization's annual conference. With members from 44 countries around the world, the MDRT meeting was the largest and most comprehensive sales forum in the life insurance industry.

During the five-day meeting, some 75 of the world's top producing agents addressed many subjects of vital concern to those in the life insurance field. In addition, the program featured several nationally noted speakers in the fields of law, accounting and education. Both the Atlanta Symphony, with Peter Nero, and Danny Davis and the Nashville Brass, performed at the Annual Meeting.

The Million Dollar Round Table is an independent association of over 16,000 life insurance agents representing 44 nations and territories and more than 400 life insurance companies. The membership of this universally recognized standard of life insurance sales performance comprises approximately three percent of the world's life insurance sales force.

Eulan Bradshaw of Claude spent Sunday visiting his aunts, Mrs. W. E. Morrison and Misses Ina and Euna Bradshaw. He had lunch with Mrs. Morrison. He reports he is grandpa for the first

time. His son, David, has a new son.

CONTRACT AWARDED

A contract for developing of detail drawings and specifications for five flood-water retarding structures in the Lakeview Watershed has been awarded to the P. G. Wilson Architectural and Engineering firm, Oklahoma City, Oklahoma, according to Henry Gregory, District Conservationist of the Memphis Field Office of the Soil Conservation Service.

The five structures are sites 9, 10, 11, 12, and 13, located on the tributaries of John Mann and Oak Creek. Survey work will begin on these sites in the next few days. Allen V. Thompson, Design Engineer, SCS Temple, Texas will be the government representative and will be working closely with the local sponsors and the private engineering firm.

The local sponsors for the Lakeview Watershed are Hall - Donley County WCID no.1, Donley County, Hall County, Hall County Soil and Water Conservation District and the City of Lakeview. Commissioner Tommie Martin of Lakeview is the local representative and will be working with the people getting their permission for the contractor to do surveying work for the five dams.

Construction work is presently

Methodist Youth Enjoy Week in New Mexico

The United Methodist Youth of Turkey enjoyed an exciting week in Ruidoso, New Mexico. The group consisted of eleven youth and eight sponsors, and they stayed in Dr. and Mrs. Lee Vardy's cabin there.

While they were there they rode horses, went skating, hiking, swimming, shopping, played miniature golf and had a tour of the Inn of the Mountain Gods. They also enjoyed sight-seeing and going to the top of Sierra Blanca.

At the cabin everyone enjoyed spades tournament, playing horse shoes or just relaxing. Each day ended with some good singing and a devotional in the cabin.

The group were joined on Sunday night by the local pastor and wife, Rev. and Mrs. James Wilborn.

being done on six other floodwater dams. This will be completed early in 1978. These dams are being built by the Lyles & Lyles Construction Company of Ballinger, Texas and the Beavers Construction Company of Bowie, Texas.

When they returned, they came back by Bottomless Lake near Roswell where they ate a picnic lunch and did some swimming and boating.

The group returned home safely and were spiritually blessed!

Those attending were Linda and Brenda Coker, Keith, Bettie, James and Kaylene Green, Fredia and Gene Fuston, James and Carlene, Keila, Barney and Quint Willborn, Jay, Barbara, Jill and Jayne Eudy, Greg Fuston and Pery Blaggs.

Visitors in the home of Mr. and Mrs. Josh Smith for the past two weeks have been their grandchildren, Shawn and Cody Smith, children of Mr. and Mrs. Terry Smith of Lubbock. The Terry Smiths were enjoying a two-week vacation in Hawaii. They returned the children home this past weekend.

Recently Mr. and Mrs. Ted Elzey of Paradise, California visited with Mrs. Laverne Barnhill. They were joined for their visit by Mr. and Mrs. Ollie Simmons of St. Louis, Missouri.

Mrs. Joe Bob Barnhill, Lisa and Jody of Nashville, Tennessee have been visiting in the home of Mrs. Laverne Barnhill and at McLean with relatives.

Cold war.

It was bad enough we had to fight the British for our freedom. But on top of that, we had to fight the weather, too.

Because winter at Valley Forge meant snow, ice, and freezing temperatures. All serious enemies to a makeshift army without proper clothing, not nearly enough food, and short on ammunition.

It was an army long on courage, but short on money.

And then the money came. Some \$27,000,000 from the pockets of new Americans.

That's how people took stock

in America back then, and you know how the story turned out.

Nowadays, people are still helping America stay strong and self-sufficient. And they're helping themselves to safe, dependable savings. By taking stock in America with the Payroll Savings Plan.

Buy United States Savings Bonds. They won't leave you out in the cold.

Lloyd Bentsen Report

**BENTSEN INTRODUCES
BILL ON AQUACULTURE**

Although the United States is leading the world in agricultural production, it has been badly outdistanced in aquaculture.

Aquaculture—which means literally “the cultivation of water”—can be used either to increase natural seafood supplies or to produce commercial seafood products.

By 1973 fish and shellfish production had become a \$191,480,000 industry in the United States. Yet, seafood produced through aquaculture still accounted for only 3 percent of all U. S. consumption of fish and shellfish.

This is hardly adequate for a nation in which seafood consumption has been steadily rising. It seems even less adequate when

statistics show that in Japan and Czechoslovakia aquaculture produces ten percent of the fish and shell fish consumed.

Although the percentage of fish produced through aquaculture in this country is now up from the three percent figure given in 1973-74, the amount of seafood produced domestically for consumption is still not impressive.

Currently the U. S. is having to import more than 50 percent of our fish products, and in 1974 this amounted to \$1.5 billion.

Twice I have introduced legislation providing for the development of aquaculture in the U. S. If passed, this bill would result in the opening of a major new American industry.

We know that there is a great untapped wealth of food production in aquaculture out there waiting.

My bill would not only enable us to increase our supplies of valuable seafood, but would at the same time lower our dependence on the seafood production of other countries.

The Bentsen Aquaculture Bill, which is being co-sponsored by ten other Senators, would establish a national aquaculture plan,

provide information and technical assistance from the federal government, offer research grants to colleges and universities, and guarantee loans for building aquaculture facilities.

With more emphasis on aquaculture we can both seed the oceans for greater seafood production, and farm fish inland. Right now we are on the verge of a breakthrough in breeding salt water shrimp in captivity.

In Corpus Christi there have been hopeful experiments in breeding Shrimp in thermal effluent from a nearby power plant. As a result of this operation it may well be possible to spawn shrimp in bays and estuaries the length of the Texas coast, in a commercial process that has become known as “ocean ranching”.

But aquaculture can be an inland activity as well. Near Pecos—hundreds of miles from the coast—very promising experiments involving commercial shrimp ponds that are fed by salt water pumped from an ancient ocean that still exists deep underground.

Our efforts to farm the land should begin to be matched by

Farmers Union News

**FARMERS, RANCHERS
PETITION GOVERNOR FOR
TAX RELIEF CONSIDERATION**

In the midst of the special legislative session dealing with school finance, Texas Farmers Union President Jay Naman is calling on Governor Briscoe to open the agenda to a bill which would partially relieve tax-burdened farmers and ranchers through a change in land tax assessment.

The tax relief bill would assess rural, open-space land according to its average agricultural production rather than by its speculative market value. The difference between the two would mean quite a bit to farmers and ranchers since land values are skyrocketing under inflationary pressures while returns on agricultural production are at their lowest relative point since the depression.

“It would be a tragedy,” said those to farm the waters. The Bentsen Aquaculture Bill is a big step in that direction.

Naman, “if the members of this special session were to spend a billion dollars for public education and not also consider the direct effect on taxpayers. This is especially true when you consider that the local burden continues to fall onto the shoulders of real property owners. It’s discriminatory, particularly to farmers and ranchers who must own land in order to make their living.”

Naman continued by pointing to the fact that more and more of the wealth of the state is being kept by individuals in the form of intangibles which are untaxed.

“The man struggling to make a living in agriculture has for too long been called upon to foot a disproportionate bill for his local schools. He wants to pay his share, but the unfair system long ago passed any equitable level. It’s time something is done to try to alleviate that unfair burden, and this bill is a good place to start.”

During the regular session of the legislature, the productivity value tax was sponsored by Senator Tom Creighton in the Senate and Representative Bill Sullivant in the House. The measure finally fell when time expired after the back and forth trying to determine whether or not corporate agriculture entities should also be granted the tax break.

Naman stated that the farmers and ranchers are, at this point, are not so much concerned about whether or not corporations are included as they are about their own survival. “Taxes are eating us up,” repeated state farm official. “The lawmakers know it; the Governor is certainly aware of it; and it will be a tragedy if farmers and ranchers are forsaken again, even after the second chance has presented itself.

The 9,000 member farm organization has officially written to the Governor urging consideration of the ag-value tax, but has received no reply at this time.

Briscoe County 4-H Dress Revue Held

The Briscoe County 4-H Dress Revue was held June 27 in the Community Building in Quitaque at 3:30 p.m. Theme of this year’s revue was “Fashions for Fun.”

The welcome was given by County Extension Agent Linda Mullin and the 4-H pledge and motto were led by Alesha Patton.

Modeling in the revue this year were Jo Jarrett, blue ribbon, senior division; Angela Clay, red ribbon; Bobbie Duncan, blue ribbon; Candy Jones, blue ribbon; Michelle Robertson, red ribbon, and Melinda Sutton, blue ribbon, all in the older junior division; Kristy Fogerson, red ribbon, Kathy Brown, blue ribbon and Alesha Patton, blue ribbon, all in the young junior division.

Other 4-H’ers participating in the clothing projects this year were Elaine Adams, Jenny Clay, Melodie Cruse, Carolyn Scoggins and Trudy Taylor.

The District Dress Revue was held July 7 on the Texas Tech campus in Lubbock. The Dress Revue was open to the public and began at 2:00 p.m. Eligible to represent Briscoe in the revue were Jo Jarrett, senior division; Melinda Sutton, older junior division, and Alesha Patton, young junior division.

Miss Jarrett was unable to attend due to illness; Misses Sutton and Patton both received blue ribbons.

Special recognition was given to the clothing leaders for this year. They were Mrs. Jerry Bean, Mrs. Don Brown, Mrs. Bobby Clay, Mrs. M. C. Jones, Mrs. J. E. Patton and Mrs. Weldon Purcell. Their support of the 4-H program in Briscoe County is greatly appreciated.

Mr. and Mrs. James Barefield spent Saturday in Amarillo visiting their daughter and husband, Mr. and Mrs. Robert Burnam.

Mrs. Bud Bailey and Mrs. Gordon Rothwell and girls, Stacey and Carissa, drove to Odessa and spent the day with their daughter and sister, Mrs. Joel Wasson and family.

Recent guests in the home of Rev. and Mrs. Frank Robertson in Quitaque were Mrs. Judy Kinnard and her children, Michael, Mark and Michele from Birmingham, Alabama.

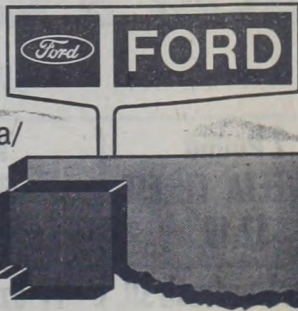

Ford Dealers get together to launch 4-Week Granada Grand Slam!

We've got the Granadas and we've got the deals!

CARD OF THANKS
Dear Friends:
We would like to take this means to express our heartfelt thanks to all of you for the food, flowers, and visits. Thank you for all that was done for Vance's girls and us during his passing. It made it easier to have friends like you.
Buster and Sue Chadwick

CARD OF THANKS
I would like to express my deepest appreciation and thanks to the Turkey fire boys and EMT's for their services when I needed them. Turkey and the surrounding area should be very proud to have these great men and women. Thanks again.
Elwayne Turner and Family

CARD OF THANKS
We would like to say "Thank You" to all our friends who have remembered us in your prayers and for all the beautiful cards and the notes you have sent. God has been good to us. Mary Lou is feeling good and the rest of the family is okay, too. We miss you lots. It is so good to have friends like you.
Mary Lou, Paul, Becky and Stephen Sublett

CARD OF THANKS
We would like to take this opportunity to express our deep and sincere appreciation to all of you dear people who showed your sympathy in the loss of our father, Vance Robison. We thank you for helping at the house, the dinner, for the cards, flowers, prayers, and remembrances in any way.
Steve and Vanessa Jennings, Valerie Robison, Gary and Vonacel Chandler

CARD OF THANKS
Thank you!!! To each of you, for the beautiful gown set, the other nice, useful gifts, the beautiful cards, food, and most of all, for taking time out of your day to pray for us.
Praise His wonderful, glorious name, He has heard and answered our prayers. Miracles happen today, for I am "Living Proof".
Our love and prayers,
Beth, Jesse, Teresa and Steve Turner

Growing Washington-based GOVERNMENT seeking branches all points West.
Major BENEFITS.
Option for STATEHOOD.

Even the Founding Fathers knew thirteen was only for starters.
So it wasn't long before sights were set on the land to the west.
But it took money to explore and settle. And thanks to Americans taking stock in their country, the money was there.
Today, taking stock in your country is just as important. And one of the best ways to do it is to buy U.S. Savings Bonds.
Just join the Payroll Savings Plan at work. Out of each paycheck, a little is set aside to buy Bonds. Automatically. And that means regular savings you can depend on.
Buy U.S. Savings Bonds. There's no safer way to save. After all, the money's guaranteed by the home office.
Now E Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Take stock in America.
200 years at the same location.
A public service of the publication and The Advertising Council.
