Trowel Presented To H. G. Hunter by Earlene Jameson

Horace Hunter of Lubbock. former resident of Flomot and Quitaque, was honored with the presentation of the Masonic Golden Trowel at an opening meeting held Tuesday night, November 3, 1998 at the First United Methodist Church in Quitaque. It was presented to him by the Deputy Grand Mas-ter, Rick West of Hale Center.

Masonic Golden

The Golden Trowel is an award created 18 years ago to honor Masons for work done within the Masonic Lodge. It is the highest award for willing service, filling different stations, training new members and faithful attendance.

Mr. Hunter served two terms as Worshipful Master of Quitaque Lodge no. 1248. He joined the Hall County Lodge in Turkey in 1947 and moved his membership to Quitaque Lodge in 1948. He was awarded his 50 year pen at a 1998 Masonic ceremony this summer.

Jimmy Davidson, Worshipful Master of Quitaque Lodge, wel-comed the guests and Chaplain, Wayne Hunter of Flomot, gave the opening prayer. Following the Pledge of Allegiance to the flag, Mr. Davidson introduced Mr. West, who made the presentation.

Special guests were Mrs. Wayne (Jimmie) Hunter and daughter, Mrs. Anita Hunter Carter of Lubbock. Others attending were Edmond and Joyce Hunter of Roaring Springs; Beverly and Furman Vinson of Walls of Flomot; Doyle Floydada; Joe Huffmer of Plainview; Roy Purcell of Lubbock; Bruce and Betty Price, Gerald and Anna Mae Smith and Jake and Jo Mae Merrell of Quitaque and Keith Green, George Colvin and Betty and Billy Farley of Turkey.

Quitaque City **Council Meets**

The City of Quitaque Council met in regular session on Monday, November 9, 1998 at the City Hall in Quitaque. with Mayor Wilburn Leeper; Council-Arnold Castillo Roland Hamilton, Randy Stark and Janice Henson; City Manager Clyde Dudley and City Secretary Maria Cruse present.

Saturday evening, I was at Silverton for the Caprock Jamboree. Quite a crowd showed up to encourage the performers and to enjoy the show that they put on. Some drove from as far away as Dumas and Garden City to listen to an evening of easy listening music performed by non professionals just because they love to hear the type of music that performers put their heart and soul into

Many in the crowd were over 50 but they certainly did seem to enjoy the fiddle music of those youngesters who were performing on the stange. Young Cory Williams from Kress was on deck to woo the crowd with his smooth sounding fiddle music and his father and young brother also joined in to make the rafters ring.A very young man with a thirty minute slot on the agenda was Cory Multer of Garden City. He is a very accomplished young fiddle player who seems to enjoy his music. He is the grandson of Billy Paul and Betty Simpson of Northfield. If you missed coming and hearing these young men, you did miss a treat if you like this type of music.

It is so refreshing to see the younger generation trying to let their children learn some of the finer, interesting things in life and when their child has a talent, it is wonderful for the parents to promote the interest and help the child to accomplish all that he is capable of doing and being.

What is your child's talent? Have you encouraged him to make something of this talent? Perhaps, a neighbor's child has a hidden talent that needs to be shown. Could you help the child bring out the very best in himself? Think what a rewarding day it would be for you when that child is grown and could think back and remember that it was you who gave him the encouragement to forge ahead and accomplish something with this talent that before your encouragement was only lying there dormant!

Yes, once again I just want to say that we need to encourage all our young people to be the very best that they can be at whatever course they set for themselves in life. And, also to say that we, the adults need to be there for them when it comes time to give them the pats on the back and maybe even dry a tear or two when some thing does not go the way they wish it to. That is really very little to ask of each of us and it certainly will not take too much of our time to help someone along the way! Go out there today and give those pats on the back to those whom you know deserve it! Why even the over 50 crowd still like their pats on the back for a job well done and someone to share their tears when they are down!

By Vince Taylor What once was

What once was an icon has now be-loome a eyesore! It used to be a gather-ing place for old and young alike, but now it has see its better days. Back in the days not so long ago, people would load up in their cars and come for miles around to watch a movie on the big screen and visit with their friends. Of course it's the old Midway Drive-in that I'm talking about. Most of us drive by it every day or at least once a week. every day or at least once a week. Some of you may not have seen it in years, but the old relic from a simpler time is slowly falling apart. It's a real shame to see one of the community's great gathering places and one of my fa-vorite places as a teenager going to ruin. One of the few drive-in movie screens left standing in this area, it calls to us as we drive by, reminding us that once it reached out to one and all, and brought people together in a way that will never happen again. When I was a child T.V.s were just starting to become cheap enough that ordinary folks like us could afford one. When we finally got ours it only had about three channels at best, and two of them were so snowy or fading that you had to guess at about half of what was going on. The televisions of the 60's were a far cry from the ones of today. It seems to me that the shows were more family oriented, clean and funny, not like the smut we see today. Anyway when I got

To the voters of Briscoe County ...

"Four years ago, you trusted me with your vote when you chose me as your State Senator. I worked hard to keep that trust. Now, you have honored me again with your support. I just wanted to thank you and let you know that I will again strive everyday to maintain the trust you have placed in me. Representing this district in Austin is a privilege, and Hook forward to again serving as your voice in the Texas Senate."

Wheelers Enjoy Visit Branson-Ft. Smith

Frances and Harold Wheeler recently returned from a trip to Ft. Smith, Arkansas and Branson, Mis-souri. In Ft. Smith, they visited their daughter, Ninvra, and family. In Branson, they were joined by two other couples with Turkey roots, Ben (a classmate of Harold's in '51) and Joan Wiley of Cuyahoga Falls, Ohio and Jack (class of '50) and Rae (a classmate of Frances' in '53) Logan of Ingram, Texas. The couples enjoyed taking in the beau-The tiful scenery, the shows, shopping and dining out; but most of all they enjoyed reminiscing about their days together at Turkey High School, remembering their class mates, the various athletic teams games, coaches and players of 1948; '49, '50 and '51.

Jack and Rae Logan were also joined in Branson by another ex-Turkey-Quitaque couple, Rae's sis-ter, Tweedle and her husband, Verlon Hamilton of Roanoke, Texas and their friends, Gertrude and Alvin Doggett of Ft. Worth. and Rae met Tweedle and Verlon as they landed their plane at the airport near College of the Ozarks.

It had a breath taking view over looking Lake Taneycomo and across to Cooger Creek Resort where the Logan's were staying. (Breath tak-ing or not Tweedle wasn't too sure about a landing field that had been carved from one side to another across the top of a mountain). The three couples also enjoyed the shows, shopping, scenery and visitation in Branson.

Patriots Lose to Petersburg In Final Game of Season

The Valley Patriots closed out their 1998 football season with a 23 - 0 loss to the Petersburg Buffaloes.

Scoring opened with the Buffaloes 32-yard field goal to lead as the first quarter closed, 3 - 0.

After two quick second quarter socres, the Patriots went in at half time, down by 17 - 0.

Valley was able to hold Petersburg to only one second half score, but were not able to punch one in themselves.

Cory Chandler led the Patriots offensively, rushing 16 times for 92 yards and completing 8 passes for 63 yards.

Defensively, Valley was led by Roman Hernandez with 11 tackles, Michael Silva and Stephen Ortiz with 10 tackles apiece. This loss gave the Patiots a 7 - 3 overall record, and a 3 - 2

record in District.

Valley J.H. Wins District Championship

By Coach Ramsey The Valley The Valley Junior High traveled to Petersburg Thursday to take on a very tough and talented squad. The game opened with both teams playing tough defense and stopping each other on the opening drives. The Buffaloes got on the second quarter to take a 6-0 lead. The Patriots took the kick-off and marched down the field on a time consuming drive. The drive Junior High

time consuming drive. The drive ended with Cliff Yeary scoring a tough run off-tackle. Cliff also ran in the two-point conversion, this made the score Valley-8, Petersburg-6.

The Buffaloes then took the ensuing kick-off all the way back for the touchdown. They also ran in the two-point conversion. This made the score Petersburg-14, Valley-8

The Patriots then took the ball on a long drive, but time ran out in the first half before they could score. This made the halftime score Petersburg-14, Valley-

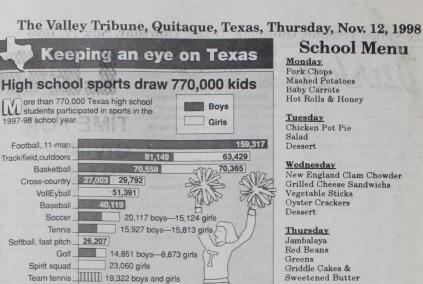

The second half saw Valley take the kick-off and march down the field on a smash-mouth type drive with Cliff Yeary and Robert Mendoza making several tough runs. The offensive line led by Douglas Payne, Ramiro Ramos, J.C. Pigg, Manuel Chavez, Rodney Fuston, Chase Maynard and Adam Ortiz opened some nice boles against a much birger holes against a much bigger opponent. The drive ended with Robert Mendoza carrying the ball in for the T.D. Robert also added the two-point conversion This made the score Valley-16

This made the score valley-16, Petersburg-14. The Valley defense then stepped up and stopped the Buffaloes on their next drive. The defense played a great second half. They held a potent Buffalo offense scoreless for the entire second half.

The Patriots took the ball late in the fourth quarter on a game clinching drive. Robert Mendoza scored the last T.D. and Cliff Yeary added the two-point conversion. This made the final score Valley-24, Petersburg-14. This clinched the District Championship for the Patriots as they swept through the district undefeated. Their final record for the year was 8-1. This was quite a turn around from a winless season last year These young men are to commended for a tremendous season. The kids tremendous season. The kids really worked hard and showed a lot of improvement.

Second year students Todor Boinovsky of Bulgaria, Cheri Floyd and Elizabeth Stepp of Clarendon, Dianna McCoy of Pampa, and Rodney McQueen of Memphis have already begun to provide repair work this semester for Clarendon ISD and for the college. First year students will be available for this type of work beginning in January

Lynette Barefield of Clarendon ISD noted that she could have done the necessary repairs, but finding the time with all of her other technology duties at CISD would have been difficult. "Getting the work done here at home instead of having to take the computers to Amarillo saved the school a lot of time and money. We're pleased that Mr Rippetoe's students have asked to work with us.

Students respond to other needs of the area nonprofit agencies as well. Ms. Stepp, for instance, has provided technical support for the Clarendon Senior Citizens in setting up their new computer with appropriate software

Texas parents work hard throughout the year to feed, clothe, educate and provide shelter for their families. Paying child support, for many parents, means providing financial care for more than one fam-

ily, and we know how difficult that can be.

Money paid by non-custodial parents buys shoes, school supplies, winter clothes, and the turkey dinner that so many families will be enjoying this Thanksgiving.

and prouder still to call you our neighbor. It all starts with Newspapers! A difficult job

The collection of child support is not only a tough job - it can be a disheartening one as well. In a perfect world, no one would need to devote eight hours each day to pursuing and forcing parents to assume responsibility for their own children. But it is not a perfect work and. sadly, our caseload is growing every day

This means that many parents are not only evading the financial care of their children, they are actively running from it. And some simply cannot pay because they are unemployed, disabled or incarcerated.

We are grateful

The parents who do consistently pay their support not only make our jobs easier, they give us hope for a brighter tomorrow. For this we are grateful.

A child whose parent pays child support has reason to give thanks. He may be able to join that club that is so important to him. She may be able to buy that uniform she so desperately wants. These children may be able to afford the lessons that will develop their talents. Most importantly, they may simply have food on their tables and heat in their homes

The child who can say, "I have a parent who supports me," can more easily say, "I am of worth." Paying child support means more than money. For many children it means self-esteem

You can ask any child-support employee. Nothing brightens a day more than a parent who calls to say he or she wants to send a check and asks: "Where should it be mailed?"

It might seem to some that thanking a parent for complying with a moral and legal obligation is unnecessary, that it is simply his or her responsibility. We disagree. It is not always easy for non-custodial parents to find the money to send their payments, especially when they have new lives and new families to support. The parents that willingly pay should take pride in themselves We are proud of them.

Again, to all of those non-custodial parents who willingly pay their child support, thank you For more information

If you are a non-custodial parent who is not currently paying child support, please contact us to make payment arrangements. We will work with you to ensure that your children receive the support they deserve and need. Remember, it is not just the money that matters to the children. Having a parent who cares enough to provide support means more than any amount of money could.

The Child Support Division of the Office of the Attorney General can be reached at 1-800-252-8014. Additional information is also available on the Office of the Attorney General Web-site at www.oag.state .tx.us.

Dear Friends,

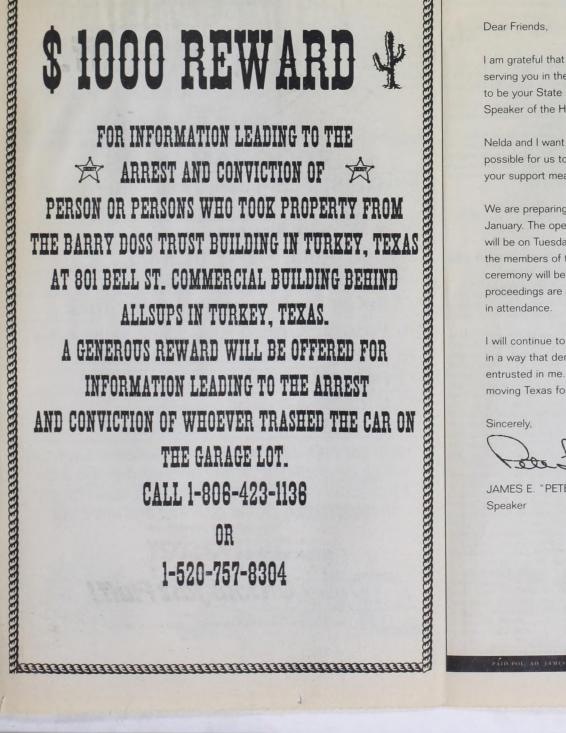

I am grateful that you have given me the opportunity to continue serving you in the Texas House of Representatives. It is a great honor to be your State Representative and to serve the people of Texas as Speaker of the House.

Nelda and I want to thank everyone who did so much to make it possible for us to continue working for our area. Your friendship and your support mean more to us than we will ever be able to express.

We are preparing for the next session of the Texas Legislature in January. The opening day ceremonies for the new legislative session will be on Tuesday, January 12th. At noon on that day, I will join all of the members of the House in taking the oath of office. The swearing-in ceremony will be followed by the election of the Speaker. All of the proceedings are open to the public and we would be proud to have you in attendance

I will continue to represent the interests and rural values of our area way that demonstrates the faith and confidence you have entrusted in me. I look forward to working with you to continue moving Texas forward.
