Valley Success Due to Hard Work of Offensive Linemen

Valley has thrown the football 88 times the last two games, the opposition has sacked the quarterback only twice. The success the team has had is a direct result of the offensive line play.

Offensive linemen Craig Setliff, Joe Silva, Kirk Martin, Scott Saul, Jess Little, Gary Brannon, Shane House, John Harmon, Robbie Harmon and Brandon Stark have done a tremendous job. Linemen don't get much

recognition, but they know and the team knows the importance of the offensive linemen. The Patriots accept every individual honor as a team honor, because individual honors are the result of "team effort."

In Friday night's game between the Valley Patriots and Amarillo's Alamo Catholic, Valley took its fifth win of the season. The Patriots started off with a bang, making three touchdowns in the first period. Kirk Saul hit Matt Barrett with a 19-yard pass in the first 3:26 minutes and Scott Saul made the kick good.

Saul hit Ruiz with a 52-yard pass, and Scott Saul again kicked the extra point, adding seven points more.

Saul got off another one to Barrett for 26 yards and Martin kicked, but failed. At the end of

the first quarter, the Patriots held a 20-0 lead.

Saul hit Barrett at the beginning of the second period for 16 yards and another score. The kick was no good.

Alamo Catholic made their first and only TD at this time when Bennie Lopez took a pass from Dwight Miller for 28 yards. The try for extra point failed.

Barrett received another pass from Saul for another 19 yards and a score, and Martin made the extra point kick. The second period saw Valley outscoring their opponents 13-6.

A few minutes into the third quarter, Saul hit Smith for 10 yards and another counter, and Martin made a good kick for another seven points. Myers received a pass from Saul for two yards and a TD in the endzone and Rodriguez kicked the extra point. The third period ended with the Patriots having added 13 to their score.

In the final go-round, another 17-yard touchdown was carried, the kick failed, and another six was added. The game ended with the scoreboard reflecting a 52-6 victory for the Patriots.

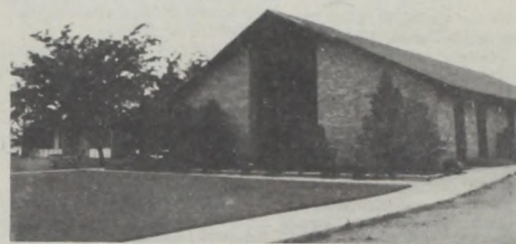

Statistically, Valley had 32 first downs to Alamo's 15. The Patriots rushed for 134 yards to 29 for Alamo, and total yards gained were 589 to 276. Valley passed for 455 yards and Alamo 237. Valley completed 40 of 47 passes, compared with 16 of 33 for Alamo, with there being no interception by either team. Alamo lost one fumble and Valley had no turnover via fumble. Alamo punted seven times and the Patriots didn't have to punt. The Patriots lost 63 yards in penalties and Alamo had 45 yards in penalties stepped off against them.

Barrett passed eight times for 110 yards and four touchdowns. Myers passed for 114 yards and one touchdown. Ruiz gained 146 yards and scored once, Rodriguez gained 30 yards, Smith, 35 yards and one touchdown. Scoggins gained 20 yards and Kirk Saul passed 33 times for 455 yards and seven touchdowns. McNary gained 75 yards and Taylor 54 yards.

The Valley Patriots are a well coordinated team and they are planning to make the "big time" by going on to State this year. Fans urge them to keep up the good work.

The Patriots host Crowell Friday night in the first district game with a time change to 7:30 p.m. Please remember the time and don't be late for the kickoff.

FIRST BAPTIST CHURCH OF QUITAQUE

Sunday is Big Day For The Quitaque Baptists

After several months of planning and work, the First Baptist Church members are ready to welcome former members and six of the eight living former pastors for a 75th Anniversary Celebration Sunday, October 12. There will be no Sunday School or Training Union classes

for the day, but the special services will begin at 9:45 a.m. Bro. Lowell Ponder will preach the first message followed by Bob Beck and Bill Curry. At noon, lunch will be served in the Fellowship Hall and beginning at 2:30 p.m. another service will be held in the sanctuary. Freddie Martin, Frank Roberson and Mike Grebenik will be bringing the afternoon messages. The final service will be at 6:30 with the present pastor, Jess Little, preaching.

Special music during the day will be brought by Randy Butler, Ralph McCormick, Reva Jean Beck, the Adult Choir and a piano-organ duet by Cora Gragson and Patsy Herrington.

Another highlight of the occasion will be the presentation of the church history compiled and written by O. R. Stark and the booklet presented to each person. A commemorative plate picturing the present church building with the words "First Baptist Church 75th Anniversary 1911-1986" will be available to those who want one.

On Saturday night preceding the anniversary celebration, there will be a catered barbecue dinner served at Caprock Canyons State Park beginning at 6:30 p.m. In case of inclement weather, the dinner will be held at the Quitaque Community Center.

Quitaque Senior Citizens to Serve Chili / Stew Supper

The Quitaque Senior Citizens organization is sponsoring a Chili/Stew Supper Tuesday, October 21, beginning serving at 5:30 and continuing until 8:30 p.m.

Games of "42", etc. are being planned afterward. Make plans to attend and enjoy the food and fellowship.

Editor's Note

The Valley Tribune is like everyone else, trying to make ends meet and keep a local newspaper (which is almost a thing of the past). In order to do this, we are going to be forced to go up on our subscriptions for those who DO NOT live in Briscoe, Motley, Hall or Floyd counties. The postage for mailing has gone up three times since January 1, 1986.

The new rates will be only \$1.00 higher, \$11.50 for those who live outside of Texas where there is no tax.

In Texas, the annual subscription rate with tax will be \$12.09. This is the \$11.50 plus 59c tax.

The local subscription rate for the residents of the four above named counties will remain \$9.50 plus 49c tax, or \$9.99 annually.

The Tribune has no choice in order to stay in business since the postage keeps increasing. We want to keep our newspaper.

New Channel For Valley Translator

Valley Translator System is pleased to announce that Channel 60 will be changed from Channel 25 Oklahoma City station to Channel 34 out of Lubbock, Texas. Channel 34 is an Independent Station and carries about the same programs as the Oklahoma station. The big advantage to this station is local advertising, local news.

The schedule of programs will be carried daily in the Lubbock paper as well as the TV Guide. This change will be made as soon as all equipment is installed.

Please remember while we are changing from Channel 25 to 34 at Lubbock, we will broadcast on the same place on your TV channel, #60.

Mr. and Mrs. Cecil Purcell flew to Dallas recently to visit their daughter and family, Mr. and Mrs. Mike King and children. This was Mrs. Purcell's first plane ride. She reports she enjoyed it, flying over the clouds which looked like snow banks.

Doug Seal in Turkey at Noon Next Monday

Doug Seal of Wellington, the Democrat from our area who is running for Congress, a bonified farmer of three different farms in the Wellington area, will be in Turkey at the noon hour Monday, from 12:00 until 1:00 p.m.

There will be a Dutch Treat Lunch at Linda's Drive In and everyone is urged to come by to get acquainted and shake hands and have a cup of coffee if you don't have time to stay longer.

Mark your calendar: Monday, October 13, at noon.

New Business Opening in Turkey

Gafford Beef and Pork Center will open its doors Saturday, October 11, in Turkey after a couple of unforeseen delays. The owners are George Lavon and Thelma Gafford.

They will specialize in only choice #1 beef and top-quality Verabest pork cut and wrapped for your freezer. Frozen variety packs will be readily available, or you may order halves or quarters of beef. Also, you'll find assorted stick luncheon meats, cheeses, summer sausage, famous Gafford pork sausage, plus many more items.

Beef jerky and smoked German sausage will be available in a couple of weeks, hopefully, as the smoker isn't completed yet.

According to Gafford, they will have a formal opening when the smoker is ready to go.

They are located at 5th & Main Streets in Turkey, and the phone number is 423-1017.

New Meeting Day For 'We the Women'

All Quitaque ladies are reminded that the regular meeting day for "We the Women" has been changed to the second Tuesday of each month.

Next Tuesday, "We the Women" will have an enjoyable and informative program on "Bed and Breakfast," presented by County Extension Agent Lynda Fogerson. There has been much interest in the county of this kind of lodging and some positive steps have been taken to help get it started in this area.

The group will meet at noon in the Senior Citizens building. A nursery will be provided for the small children at First Baptist Church.

Calendars Are In

The 1986-87 Birthday and Activity calendars are now available at Rice's, First National Bank and Farley's Flowers and Variety for \$2.98 each. The calendars are sponsored by "We the Women", and each merchant has an ad which appears.

If you have any corrections to make on birthdays or anniversaries, please contact Linda Stark.

Commodities to be Given in Turkey

Agriculture commodities will be given away in Turkey at the Turkey Senior Citizens Center on Friday, October 17.

OBITUARIES

NATHAN GRANT

Nathan Grant, 79, died Tuesday, September 30, 1986.

Graveside services were conducted Saturday at noon in Rest Haven Cemetery at Quitaque with Steve McLean, elder of Kingdom Hall of Jehovah's Witnesses, officiating. Arrangements were by Schooler-Gordon Funeral Directors.

Mr. Grant was born in Kelly, Louisiana and moved to Quitaque from Lubbock in 1961. He was a retired steel mill employee. He married the former Corine Con-

ley in 1967 at Lubbock. He was preceded in death by a daughter, Betty Grant, in 1979.

He was a member of Kingdom Hall of Jehovah's Witnesses. Survivors include his wife; two sisters, Mary Evans of Houston and Mirah Hobbs of Bastrop, Louisiana; five grandchildren and five great-grandchildren.

CLAYTON JOSIAH PURCELL

Clayton Josiah Purcell, infant son of Michael and Dianne Purcell of Albuquerque, New Mexico, died in a hospital in

Albuquerque recently.

He is survived by his parents; two brothers, John Purcell and Joel Purcell, and one sister, Shelley Purcell, all of the home; grandparents, Dean and Margie Purcell of Albuquerque and Gloria Marka, Tucson, Arizona and Ernest Logan of Amarillo; and great-grandparents, Bessie Purcell of Albuquerque and Mr. and Mrs. Lon McKay of Quitaque.

Funeral services were held at graveside in Sunset Memorial Park with the Rev. Sam Avritt officiating. Burial was by Strong-Thorne Funeral Directors.

VIOLA F. HOLLINGBACK

Viola (Foster) Hollingback was born in Gasoline, Texas July 20, 1919, the daughter of the late Harve and Vera Foster of Quitaque.

She died at her home Thursday, September 18, 1986.

She attended school in Quitaque, and had lived most of her life in Amarillo. She was a retired dietician.

Services were held in Amarillo with interment in Rest Haven Cemetery at Quitaque under direction of Blackburn-Shaw Funeral Directors of Amarillo.

She is survived by seven children, four daughters, Linda Rienhardt of Reseda, California, Robbie Jo Shoemaker, Sherrill Longario and Carolyn Hopkins, all of Amarillo; three sons, Walter Hodges of Flynn, Texas, Calvin and Roy Dale Hodges of Amarillo; two brothers, Scott Foster of Portland, Oregon, Jimmy Fred Foster of Wichita Falls; four sisters, Betty Dockery of Tyler, Mildred Barbian of Springdale, Arkansas, Vera Richardson of Locust Grove, Oklahoma and Shirley McKinney of Vernon; 10 grandchildren and four great-grandchildren.

(Thanks, Betty, for sending the Tribune the obituary.)

Mr. and Mrs. Jimmy Baird of Lubbock visited Mr. and Mrs. Leon McCracken in Quitaque Sunday afternoon. They were enroute home after attending the Nall family reunion at Flomot.

Mrs. Theresa Gregory of Lorenzo and Mrs. Doris Davis recently visited their parents, Mr. and Mrs. Lon McKay, in Quitaque. The McKays and their visitors attended church services in Turkey where the girls had attended school in their youth, and they enjoyed meeting former acquaintances and renewing friendships. They stopped by the Bill Lane's, home of another sister and husband, before returning to Quitaque.

Youth Day Hosted By Area Churches of Christ

Caprock Canyons State Park was the scene Saturday for a Youth Day hosted by Churches of Christ in Lockney, Turkey and Quitaque. About 105 persons from Lubbock, Amarillo, Tulia, Lockney, Rock Creek, Seminole, Turkey and Quitaque attended the event which began about 1:00 p.m. with a lunch of chili dogs and all the trimmings.

After lunch, the group gathered for a devotional. Steve McLean from Turkey led several songs. Then Steve Cates from Lockney and Craig Setliff from Turkey each gave a short inspirational talk. The devotional was concluded with a prayer led by Derek Mullin of Turkey.

Following the devotional, the

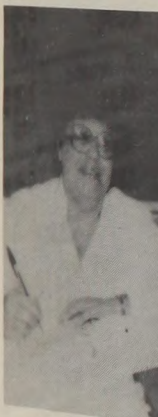

group drove to the north side of the park and Charles Gray, Park Superintendent, directed a hike on the Upper Canyon Trail. About three hours and many tired muscles later, the last of the hikers straggled in. Everyone drove to the group shelter for sandwiches, chips, dip, cookies and Koolaid, which was the conclusion of a very enjoyable day of fellowship and fun.

Mrs. L. W. Hamilton and daughter, Katie, of Amarillo visited her parents, Mr. and Mrs. Joe Edd Helms at Flomot over the weekend. They attended church services in Quitaque Sunday. Mrs. L. W. Hamilton and daughter stopped by the Leroy Hamilton's enroute home Sunday evening.

Jack Lacy Undergoes Open Heart Surgery

Jack Lacy was taken to County Hospital in Mesquite on Saturday, suffering with chest pains. Dr. Stevenson treated him through the weekend and attempted to give Jack Lacy tests on Monday when he passed out. The doctor advised the family to take him to Amarillo. Hubert Price drove to Memphis to assist Mrs. Lacy. Jack was taken in the ambulance to St. Anthony Hospital where he underwent bypass surgery immediately following four bypasses. The Tuesday was that he was satisfactorily.

Turkey Rain Gargues Runneth Over!

The Turkey area had plenty of rain on Thursday of last week when it rained off and on practically all day. Four, five, six inch reports came in from different areas. Gilbert Wedge reported government gauge at his three miles west of Turkey only 3.87. Anyway, it rained enough to get Kent Creek out of its bed and in the Wolf Flat area creek got into the Boyd home ankle deep. Boyd and his wife are making preparations to go into her mother's house in Turkey. Her mother, Mrs. Lyles, now resides in a nursing home at Childress.

Vehicle Registration System Is Improving

More than \$14 million a year will be saved by the state and county governments in Texas when the highway department installs a new motor vehicle registration and title processing system.

At its September meeting, the State Highway and Public Transportation Commission approved a \$33.6-million investment to develop and implement an entirely automated system.

"Our existing system is more than 20 years old," said Bob Lanier, chairman of the highway commission. "Manual processing at the county level is duplicated at the state level. It is time-consuming and costly to both the state and to county governments."

Currently, the department needs up to six weeks to issue vehicle titles, Lanier said. The new system will be designed to record title changes instantly at the county level.

"We anticipate that counties around the state will save more than \$8 million the first year the system is in operation," Lanier said.

A study begun last January by the consulting firm of Coopers and Lybrand determined that the present system has both reliability problems and increasing operation costs, he said.

"With 14 million vehicles registered in the state today and an increase expected, the question is not 'if we need a new system, but 'when,'" said Lanier. "By eliminating much of the time-lapse in processing registration and title fees, we're protecting about \$600 million of our state's highway revenues."

The new system, which will take about five years to design and implement, will place state equipment in each county's vehicle registration office, said Dian Neill, with the highway department's Division of Motor Vehicles in Austin.

"Some counties have independently automated their registration and title process," she said. "This will free their equipment and computer storage space for other uses, which is an added benefit to their initial savings."

"Registration clerks in each county will key vehicle information directly into the state system," Neill said. "Every county in the state will realize a savings in both time and equipment. Direct savings in processing time will average about 60 cents per registration."

"The net savings to the highway department will be about \$2.1 million for the first year," said Neill.

Law enforcement agencies will also benefit from the new system.

"With no six-week delay in registration information, the reliability of our records for use by state and local law enforcement agencies will be greatly enhanced," Lanier said. "We determined that this is a cost-effective step for virtually every agency involved in the registration and title process."

Some people once believed that if they slept with their mouths open, their souls would escape that way and turn into little white mice.

BED AND BREAKFAST ...

... is now a reality in Briscoe County! Eight host homes are available in Silverton and Quitaque.

We have a very attractive printed brochure available publicizing the host homes. In fact, when the families read their brochure, they wanted to go stay in the other homes. Now that's advertising!

This brochure is being mailed out with the new Briscoe County Hunting and Recreation Guide. You must see this guide! It is a professional, attractive, information-packed publication about our county and its recreation opportunities. It also includes beautiful, original wildlife drawings by Margaret Smith, as well as ads from local businesses. Dirk and the Ag Industries Committee have done a fantastic job!

If everyone in the county will help promote the recreational aspects of the county and the Bed and Breakfast venture, we will be able to bring people into our county to share in our assets and will in turn, increase income into the county.

If you have "extra" relatives here for weddings or family reunions, send some business to one of the host homes. Also I see potential guests in salesmen who call on local businesses, bank examiners, and oil leasing agents, as well as hunters, tourists and families enjoying one of the lakes.

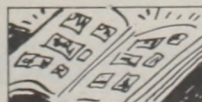

This has been an exciting community development program for me to work with, and now we're ready to extend our Southern hospitality to all who come our way!

Visitors in the home of Mrs. Gladys Wilson Sunday were her daughter and family, Mr. and Mrs. Wesley Conway and son, Darron, and their daughter, Mrs. Debbie Ferguson and son, Derrick, all of Seminole.

another refund to West Texas Utilities Company's retail customers in December.

WTU officials announced recently that a request was being filed with the Public Utility Commission of Texas for permission to refund a total of \$6.9 million in retail revenues collected in excess of actual fuel costs, and to lower its fuel charge rate for the months of December 1986 through April 1987. The total includes \$6,740,467 in actual fuel cost savings accumulated in July and August, plus \$149,003 in interest.

Under WTU's proposal, all existing retail customers would receive refunds through one-time credits to their bills in December. A typical residential customer would receive about \$17.

The fuel rate—known as the "fixed fuel factor"—is approved by the PUC. When the actual cost of fuel is below the approved rate, the over-recovery is returned to the customers, with interest.

WTU's base rates have not changed since December 1984. Company officials have indicated that a rate increase likely will be necessary next year after the new coal-fired Oklaunion Power Station near Vernon is completed and placed in service. The assured supply of coal under a long-term contract is expected to stabilize WTU's power plant fuel costs and to partially offset the necessary base rate increase.

PRPC Establishes Procurement Center

The federal government spends over \$633 billion purchasing goods and services every year. The Panhandle Contract Procurement Center, opened by the Panhandle Regional Planning Commission on October 1, will help regional businesses get their share of that enormous federal pie.

The center's first director, Dickie Haney, said the contract center is an integral part of the region's economy, especially when economic development is defined as any activity which brings new dollars to the community.

"It's really economic development in its purest form," Haney said. "Government outreach centers, such as ours, have become an increasingly popular tool for

economic diversification and business expansion," he said, "as communities look for ways to become less dependent on single-industry economics."

The contract procurement center, funded by a start-up grant from the Job Training Partnership Act (JTPA) and Economic Development divisions of the planning commission, may be just the ticket for some Panhandle communities and business

people who rely on just one industry to expand or stay in business, according to Haney.

Basically, the CPC will look at the capabilities of the business to attract federal contracts, do market research on the product or service offered, and then place the business on federal bid lists. When bids are announced, the CPC helps businesses fill out the sometimes complicated federal paperwork required to enter a

National WIFE Convention to be Held in Lubbock

Texas and New Mexico Women Involved in Farm Economics (WIFE) will be co-hosting the Tenth Annual National WIFE Convention on November 7-10 at the Lubbock Plaza Hotel in Lubbock. A warm welcome will be extended to members and friends of WIFE.

The Honorable Robert (Bob) Bergland and Naiona Benson, National WIFE President, will officially open the 1986 Convention with a press conference on Saturday, November 8, at 8:00 a.m. Bergland was Secretary of Agriculture when WIFE was organized in 1976, and he will address the women, later in the morning on the changes in agriculture, the past ten years.

There will be informative speakers for the luncheons. Dr. John Marten will speak on Sunday and John Ireland on Monday. Dr. Marten, staff economist with Farm Journal, is noted for his "outlook analysis" and evaluation of "current agricultural trends." Ireland, an agriculture analyst and broker, is with the Chicago Board of Trade and is involved with educational seminars and programs for the exchange.

Workshops on "Stress" and "Media" are scheduled for Saturday afternoon. Dr. Val G. Farmer, clinical psychologist currently featured in "Rural Life Style" column in Farm Woman, will conduct a workshop on "Stress in Rural America." Lin Anderson, with Ford Motor Credit Corporation, will conduct workshops on "Conducting TV interviews and writing press releases."

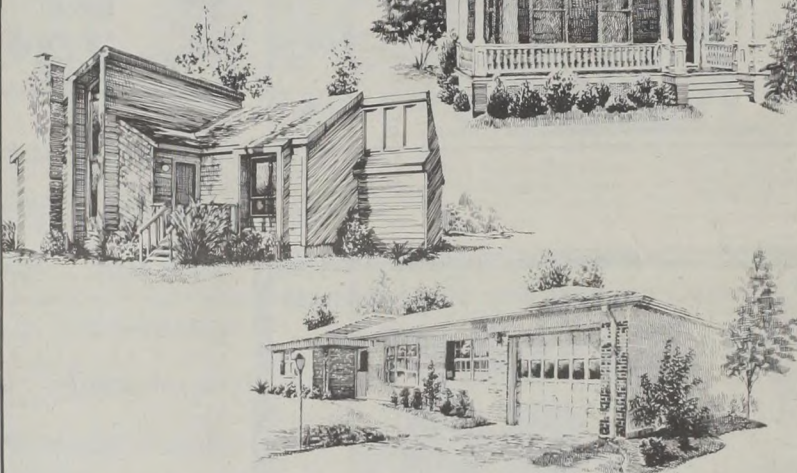

The "Friday Nite Big Shindig" will be the first of the entertainments. Cecil Caldwell and the Little Lubbock Cloggers will be featured. There will be a banquet Saturday night and Doc Blakely, renowned humorist, will present the highlight of the evening. The Tenth Anniversary Dinner Sunday night will be "glowing" with a ten-layer anniversary cake. Alice Parker, Royal City, Washington, National WIFE vice-president, will be master of ceremonies of "This Is Your Life, WIFE."

Tours will be conducted for husbands during the convention, to the Ranching Heritage Center and the Llano Estacado Winery. Plans are being made for them to observe cotton being harvested. A special tour is being planned for WIFE members who arrive early on Thursday, the 6th.

The presidents of National Farmers Union, National Farm Organization, Grange and WIFE will have a panel discussion on Monday, the 10th, at 9:00 a.m.

The National WIFE Tenth Annual Convention will close with the installation and orientation of officers for 1987 Monday afternoon.

Any New E.S.P. Home Will Save You Money!

SAVE MONEY ON BILLS

You will save money in energy bills for years to come when your new home meets the requirements of WTU's NEW and IMPROVED Energy Saving Plan.

COMPARE THE SAVINGS

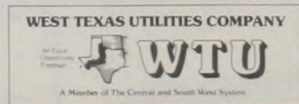

You can save up to twenty-six percent in home energy bills a year with an E.S.P. Home. An average 1800 square foot home will cost approximately \$775 a year to heat and cool. The same size E.S.P. Home will cost approximately \$570 a year to heat and cool. That's an annual saving of over \$200! (Energy savings may vary according to the type of home, family size and individual energy usage habits.)

CASH ALLOWANCES

The NEW and IMPROVED Energy Saving Plan also offers you LARGER cash allowances for installing energy-efficient equipment in your home. The allowances have been restructured, so now, the higher the efficiency rating of the equipment, the more money WTU will pay you through the E.S.P. program. To qualify for the cash allowances, your new home must meet the E.S.P. requirements and be served electricity by WTU.

THE NEW E.S.P. BOOK

For more information on the NEW and IMPROVED E.S.P. program, pick up your FREE copy of the new E.S.P. Book at any WTU office.

The Weather—
Too Much of It!

This area has been "waterlogged" or something for a week, rain in big doses having fallen throughout the weekend. Government gauges around Turkey measured six inches and over. John Sharp reported that he had gauged 6.2 up to Monday.

A norther blew in Thursday at noon scooting the temperature toward the cellar, to register 50, and made wraps very comfortable, also stoves.

A couple of small twisters visited this area last Friday night about 9:00 o'clock, uprooting trees at the home of Mr. and Mrs. Clarence Shackelford, southeast of Turkey in the Wolf Flat community. A couple of sheds or shacks were demolished, the wind blowing one into the house they occupied, severely damaging it. Clarence said the house bulged out the sides and then sorta squatted. The twister also overturned their Model A Ford, tore the top off and broke out most of the glass as well as springing the frame.

Another twister struck at the Abe Vinyard place near Buffalo Flat and destroyed his barn, making kindling out of it, Abe said.

Abe said he had lived out there

several years with a good barn and no house, and since he finished his new home recently, said he now had a good house and no barn.

Funeral services for Mrs. B. F. Aplin were held Wednesday morning at the Turkey Church of Christ with Herbert Gipson of Amarillo officiating.

Gary Tunnell was honored last Friday, October 4, with a birthday party in the home of his parents, Mr. and Mrs. Curtis Tunnell. Gary was celebrating his fifth birthday.

Mr. and Mrs. Jimmy Weatherly are the proud parents of a baby boy, born October 7. They named him Mickey Lynn.

Dr. and Mrs. P. Allen Filkill of Winnsboro visited friends in Turkey Monday, enroute home from a meeting in Amarillo. Dr. Filkill stated that he is now operating a hospital in Winnsboro.

Birt Lane, who is attending West Texas State, visited friends and relatives over the weekend.

Rog Arnold returned Saturday from the Veterans Hospital after a two-week stay. Rog was bitten on the leg by a black widow spider and within a week the whole leg was swollen and the poison had spread through his system, turning him the color of a beet—or an Indian. The area around the wound had turned a deep black. A day or two later would have been too late, the physicians stated. Dr. Garner had finally persuaded Rog to go to the hospital.

Mrs. Clyde Edwards was honored Friday evening, October 4, with a bridal shower given in the home of Mrs. Owens. Hostesses were Mrs. Owens, Mrs. Roy Edwards and Mrs. Cecil Shannon.

Sheriff Earl Hill was in Turkey Tuesday afternoon picking a bunch of citizens as veniremen for a jury. Those who qualified to serve were Jim Guest, Hugh Eudy, Dewitt Huffine and J. H. Hawkins.

Mr. and Mrs. J. V. Mohon of Whitney accompanied by Mrs. Roy Mohon of Grants, New Mexico were in Turkey Tuesday visiting with friends and relatives. The J. V. Mohons were returning their sister-in-law, Madeline, to her home in Grants and Mrs. Arlowene Williams of Turkey joined the trio in Turkey for the trip to New Mexico.

Mrs. Lola Mae Andrews of Amarillo was in Turkey last Friday and accompanied her brother, Mr. and Mrs. Allen Matthews to Lubbock to visit their sister, Naomi Smith, who is a patient there.

Visitors in the Allen Matthews home for the weekend were Mr. and Mrs. Neal Moon and their grandchildren, Misty and Neal Beasley of Fritch and Mrs. Mada Starkey of Flomot.

Mr. and Mrs. Matthews were in Lubbock on Monday for Mrs. Matthews to receive a medical checkup.

Morrison Cousins' Reunion Held in Quitaque Saturday

The children, grandchildren and great-grandchildren of the late Edgar, Ernest and Leslie Morrison and Tom Bond families, along with their only surviving uncle, Clyde Morrison, met Saturday, October 4, 1986 for a second such reunion. The last was held in 1983.

The Quitaque Community Center was the center of all the festivities. A bountiful meal was served at noon to approximately fifty people.

In the afternoon, a surprise belated 45th wedding anniversary party, honoring Les and Hazel Bond, was held. Refreshments of cake and punch were served to the visitors. The rest of the afternoon was spent visiting with friends and playing "42". Music was provided by Fae Washington, Jack Morrison and David and Erma McDonald. Some of the group toured Caprock Canyons State Park. After the evening meal, the group enjoyed a sing-along.

Valley FHA Is Having a Busy Year

The Valley Future Homemakers are having a busy year. The first meeting was held with the election of officers. Officers for the 1986-87 school year are Delma Martinez, president; Renette Brittan, first vice-president; Sylvia Ortiz, second vice-president; Lacy Price, third vice-president; Melinda Martinez, secretary; Melissa Maupin, treasurer; Kim Cagle, reporter; Shanlee Meyer, parliamentarian; Belinda Ortiz, historian, and Gina Conner, freshman representative. September 16, an Officer Installation supper was held with all members and their mothers attending. After the buffet meal, the officers lighted candles and recited their duties and purposes of the Future Homemakers of America.

September 30, the FHA members put on a powderpuff football game, with the seniors and freshmen against the juniors and sophomores. The senior-freshman team, called Kirk's Cuties, was coached by Kirk Saul and Bengie Hughes. Cheerleaders were Matt Barrett, Thomas Rodriguez, Wade Cagle and Colby Waldrop. The junior-sophomore team, nicknamed Brandon's Bulldogs, was coached by Brandon Smith and Brandon Stark. Their cheerleaders were Craig Setliff, Kelly Patrick, Shane House and John David Harmon. Brandon's Bulldogs were threatening to tie the game with the ball on the three-yard line as time ran out; Kirk's Cuties escaped with a 14-7 victory.

Several FHA members entered contests at the Panhandle-South Plains Fair held in Lubbock September 20-27. Those entering were Cristy Calvert, Shanlee Meyer and Celeste Sperry in the sewing and crafts categories; and Gina Cantu, Celeste Sperry, Sandi Lipscomb, Andrea Hinojosa, Amy Maupin, Twyla Lemmons, Gina Conner, Geneva Escobar, Kim Cagle and Danita Wallace.

Those winning ribbons and premiums were Cristy Calvert, first place, crafts - wall hanging; Sandi Lipscomb, third place, miscellaneous cakes - iced with a red velvet cake; Gina Cantu, honorable mention, miscellaneous cakes - iced with a strawberry cake; Shanlee Meyer, second place, gathered skirts; Andrea Hinojosa, honorable mention, brownies. This was the first time most had entered fair competition and they represented Valley High School well.

Mr. and Mrs. Paul (Pony) Langdon of Ralls spent Sunday in Quitaque visiting her parents, Mr. and Mrs. R. J. Harmon.

Mr. and Mrs. Johnny T. Bingham and son, Chris, and a friend from Big Spring visited Mr. and Mrs. James Barefield and Joe in Quitaque over the weekend.

Mr. and Mrs. Bobby Brunson of Edmonson spent Saturday night in the home of her parents, Mr. and Mrs. James Kimbell, in Quitaque. On Sunday, the James Kimbells and the Brunsons drove to Turkey and had lunch with Mr. and Mrs. James Lynn Kimbell.

When Souls Communicate

When souls communicate — it's like prayer. There may never be a word spoken... just a sigh, a wish, a hope, a longing. A child trying to express some simple feeling to its Mother. Mother trying to express her devotion to her child.

All prayer is founded on the idea that God loves us and cares about the things that affect us. Jesus taught us to pray "Our Father..." He wanted men to see God's love on the parental level.

When you feel the need to pray, reach out with your heart to God. You may not be able to find words. Yet He hears, He understands those deep feelings we find hard to express.

In church our efforts to communicate with Him are strengthened by the fact that many others are praying with us. They need Him just as much as we do. And we need their longings, their hopes and wishes and feelings to help us express our own. Join us in prayer at your local church or synagogue.

The first recorded presidential opinion poll was conducted at Wilmington, Delaware to determine voters' intentions in the 1824 presidential election.

Microprocessors in automobiles control engines with a precision that minimizes fuel consumption and exhaust emissions.

Farmers are asked to nominate candidates of their choice by October 27 to be on the ASC Community Committee ballot.

The ASC Community Committee election will be conducted from November 20 to December 1 by mail ballot. The three ASC communities in Briscoe County are "A" community, "B" community and "C" community.

ASC committees are responsible for managing federal farm programs on the local level. To meet the needs of individual producers, ASC Community Committee members must be concerned and responsible individuals. Briscoe County farmers have the opportunity to nominate persons they feel would best serve the farm community. Farmers will receive petition forms by mail and can then submit them to the County ASCS office.

A few basic considerations should be kept in mind when circulating petitions. In order to be valid, petitions must be limited to one nominee each, must include written certification that the nominee is willing to serve if elected, must be signed by at least three eligible farm voters in the ASC community, and must be received in the county ASCS office by the October 27 deadline.

Farmers may circulate or sign nominating petitions for as many candidates as they choose. Anyone wishing to nominate a farmer for the ASC committee election may contact the County ASCS office for full details, including eligibility requirements for office holders.

Farmers should petition for and elect those individuals they feel would do a good job as a member of the committee. The election of concerned farmers to positions on ASC committees is essential in the administration of farm programs.

The County ASCS office welcomes all valid petitions. The opportunity to nominate, vote and be elected to office is guaranteed to all farmers regardless of race, religion, sex, age, color, handicap or national origin.

A list of the names of all known eligible persons to receive ballots in the upcoming annual ASC committee election is available in

the County ASCS office. Farmers can begin to nominate candidates for the ASC community election on October 17.

ASCs, an agency of the U. S. Department of Agriculture, is responsible for farm program administration. On the local level, ASCS operates under a farmer-elected committee system. This year's election will be by mail ballot between November 20 and December 1. Voters may also get ballots at the County ASCS office.

Anyone who meets the following requirements is eligible to

vote in these farmer committee elections: any individual of legal voting age with an interest in a farm as owner, operator, tenant or sharecropper who is eligible to participate in any ASCS program. The spouse of an eligible voter is also eligible to vote.

A person may cast a ballot in any county in which he or she is an eligible ASC voter, but he or she cannot vote in more than one community. If an eligible voter has separate farm interests in more than one community in the same county, special care will be taken to see that only one ballot is issued to that voter.
