IT'S SOUP AND SANDWICH TIME

August is National Sandwich Month! And the perfect accompaniment to a tasty sandwich is a steaming bowl of soup. The days are numbered (and very few indeed) until the "school days daze" begins. Resolve to carry out the soup 'n' sandwich idea from August right through those school days ahead. Pack the soup in a handy vacuum bottle; wrap the sandwiches in waxed paper or bags; add fresh fruit, oatmeal raisin cookies, and milk . . . and this lunch can easily go to school, too.

For an unusual and tasty soup blend, try German Tomato Cup—a quick combination of Condensed Tomato and Tomato Bisque Soups, chopped cabbage, celery, and caraway seed. Serve up steaming bowls of soup to accompany sandwiches of roast beef, ham, sliced egg, cheese, or other favorite fixin's. Here's a flavorful soup that's just right for that family lunch—a winning combination sure to please Mom, Dad, and the kids, too.

Roy Pattersn, Pastor United Methodist Church Turkey, Texas

"Anyone that isn't helping me is harming me." This is the way the scripture reads in THE LIV-ING BIBLE, a paraphrase in Matthew 12:30.

There is no middle of the road in our loyalty to Christ or the church which he founded. As Christians we must stand up and be counted. The world today is in a state of confusion because there is so much division in, what becoming a Christian means.

Jesus is saying, "What you are speaks so loud I can't hear what you say." What we are is shown by our response to God's gift of life. and around the ountry.
