Valley Track Team Takes

First Place Win at State

THEY DID IT! The Valley girls track team went to State UIL competition last weekend with the intention to win, and win they did. This was the FIRST EVER for Valley in any athletic competition since the school has been in existence. There were eight teams in final competition.

The girls 400 meter relay team took first place after a team had beaten them by .10 of a second, and they were proved ineligible for the win. The time was 50.9 seconds.

Coach Robert Phelps was the one who started girls track competition, according to Athletic Director Ted Giddens. He coached junior high basketball and also coached the girls in track for approximately two years, then when he began in

earnest with girls track, he has taken someone to State UIL Competition every year for the past six years.

Coach Phelps deserves to win, quotes Coach Giddens. He has worked hard over the years, and this year was no exception. This editor watched the girls a short time on two occasions this past year and wants to commend Coach Phelps on his strategy. He never raised his voice in anger. BUT he encouraged them to "Come On In," and the girls just ran their hearts out for Coach Phelps. That is what athletic competition is all about. It is teaching them to win by hard work and true sportsmanship. It is the beginning of character which will be expressed in later life. Coach Phelps has done this over the years.

Congratulations, Coach Phelps, and the Valley Lady Patriot 400 meter relay team from the Valley Tribune and area fans!

Morrison Cousins Reunion Is Well Attended

The children, grandchildren and great-grandchildren of the late Edgar, Earnest and Leslie Morrison and Tom Bond families, along with their only surviving uncle, Clyde Morrison, met Saturday, May 7, for a first-ever reunion.

The festivities started at 10:00 that morning with lots of reminiscing, viewing old photographs and just getting re-acquainted. A bountiful meal was served at noon to approximately 60 people. The afternoon was spent visiting with friends, a sing-along, and music by Faye Washington and Jack Morrison. Some of the younger ones went to the park for a hotly-contested game of ball.

Sunday, some attended services at the Quitaque Church of Christ. Afterward, they all met at the home of the Murry Morrissions for lunch. The visitors were then taken on tours of the Caprock Canyons State Park. The Arizona and Florida folk remained until Monday, when again, they met in the home of the Lawrence Bedwells in Plainview. They spent the afternoon playing Skip-Bo and "42." Monday night, Dale and Hubert Setliff had the visitors in their home in Plainview for ice cream and cake.

Those attending were Les and Hazel Bond, Susie and Travis Hudson and Justin, Phoenix,

on the May 14 date can contact Herman Vinson, Chief Examiner, at Childress High School at 937-2531.

Girls Track Team Is Guest of Lions

The girls track team which was a state winner in the 400 meter relay at the State UIL Meet in Austin this past weekend, was guest of the Turkey Lions at their meeting Tuesday at noon. Also guests along with the girls were Coach Robert Phelps and Superintendent Wilburn Leeper.

Boss Lion Roy Patterson called the meeting to order. Jim Majors led the Pledge to the Flag, and Melvin Clinton gave the invocation. Brett Parsley's name was drawn for the pot of gold, but he was not present to receive it.

The Mop and Broom Sale was announced for Saturday, May 21, at 8:00 a.m. at Mullin Motor Co. All Lions were asked to help with the sale.

A delicious steak dinner was cooked by Colleen Stone and Marie Hurst and served to Lion Sweetheart Melody Cruse and her guest, Elaine Adams, Mrs. Roy Patterson, guest of Lion Patterson, Jim Majors, guest of Lion Stone, thirteen members and the following members of the track team: Candy Jones, Karen Clinton, Cindy Fulbright, Karen Ramsey and alternate, D'Anna Smith.

The club would like to thank the Methodist Church for letting them have their meeting there, as there was a problem with the gas at the Bob Wills Cafeteria.

Turkey Has Salvation Army Volunteer Unit

A Volunteer Salvation Army Service Unit has been established in Turkey, Doug Rains, Field Representative from Lubbock, announced to the Tribune.

Rev. Roy Patterson is chairman, Homer Hawkins is treasurer, and the following are also members of the committee: Wayne Louri, Rev. W. L. Armstrong, Rev. Melvin Clinton, Mayor Leroy Stone and Jerry Landry. Rev. Patterson is also the Welfare Secretary, Rains announced.

This was made possible with a grant of \$200 from State Headquarters in Dallas, it was reported. In the future, funds needed will be raised locally, as has been done in the past.

The Salvation Army works cooperatively with other agencies to meet the human needs of the community. Services include emergency aid for stranded travelers; aid to prisoners and their families; disaster relief; camping program for underprivileged boys; alcoholic rehabilitation; assistance for the needy at Christmas, and help for the elderly.

Persons on the committee are all volunteers who give of their time and compassion to provide the services of the Salvation Army. Help is given immediately when it is needed, Mr. Rains said.

Mrs. Mary Lyon spent Mother's Day weekend in Silverton visiting her son, J. W. and wife. They took Mrs. Lyon to the cemetery there to visit the grave of her late husband, Will Lyon.

In the recent wedding story, taken from the Amarillo Daily News, two of the names were printed wrong. The flower girls were Michelle Elders and Courtney Boyles (not Courtney Gearn,

as printed), and the ring bearer was Brandon Boyles (not Brandon Gearn, as printed).

Mrs. Velma Jones drove to Tulia Mother's Day and met her

daughter and husband, Mr. and Mrs. Sherrod Arnold of Amarillo. They met his mother, Mrs. Dot Arnold of Tulia, at the El Camino and all had lunch together. They visited in Dot's home that

afternoon.

**TO THE GRADUATES
OF 1983**

Once upon a time a mighty King condemned one of his lowly subjects to die. The wretch proposed and the King agreed to call off the execution if, within a year, the condemned could teach the King's horse to fly.

"Why postpone the inevitable?" a friend asked the wretch.

"It's not inevitable," he replied. "The odds are 4 to 1 in my favor: (1) the King might die; (2) I might die; (3) the horse might die; (4) I might teach the horse to fly."

Jesus said, "All things are possible to him that believeth."

A person who aims at nothing has a target he can't miss. Set an attainable goal. When you reach it, set another goal, higher. Many people flounder on the ship of life because they never chart a course. Make money the by-product, not the goal. Drink at the fountain of knowledge, don't just gargle.

It's all right for you girls to be fortune-hunters, if you marry a man who's a fortune in himself. Marry kindness, ambition, courage, determination, diligence, intelligence, honesty, good manners, sympathy, integrity, enthusiasm—and you have married a fortune. And remember, it takes two to make a marriage a success, but only one to make it a failure. "Kissin' don't last but good cookin' do."

Don't ever let anybody sell you the idea that chastity is out of date. Chastity will never be out of date. Your children will want their mother to be as pure as you want your mother to be. If we lose our morality we will be enslaved, and vice versa. Freedom and morality are one ball of wax. The great Thomas Jefferson said: "Yes, we did produce a near perfect Republic. But will they keep it? Or will they, in the enjoyment of plenty, lose the memory of Freedom? Material abundance without character is the surest way to destruction."

Remember, freedom while God-given, does not perpetuate itself. There is only one great Giver—and that is God, not Government. Government can give you nothing but what it takes from somebody else. A government big enough to give you everything you want is big enough to take everything you've got, including your freedom. Government is not a creator, but a parasite. Government can be a good friend, or your worst enemy. Government must be studied, understood, participated in, and controlled by the people, else it may become not the referee it is supposed to be, but a tyrant. Demand that your government leave you alone, as long as you are not harming your fellow man.

You should be rewarded according to your ability and your effort, not your needs. Prepare to pay your own debts, but not the debts of parasites. Go the extra mile to help him who would help himself, but give nothing to the leech who would live off the diligence of others. If you're determined to milk all possible pleasure out of life, buy your own cow, don't milk somebody else's through the fence.

Remember, you cannot strengthen the weak by weakening the strong. America represents the last hope of mankind, during our

time, to be free. The enslaved of the world look to America. We may yet have the morality and the courage to free them from Community tyranny. But if we lose our freedom, who will free us? If the lamp of freedom is blown out in America, the world will be thrown into darkness.

Every person can excel in something. Develop your God-given talents to their highest pinnacle. Do not accept mediocrity. In the final analysis, neither your government nor your parents are responsible for you—you are responsible for yourself. Believe in your God, in your country, and in yourself, and in that order. Repeat constantly to yourself: "It all depends on me."

There are two kinds of people: those who lift and those who lean. Some dedicate their lives to lifting their own character and fortunes and in making the world a better place because they are in it. The leaners, on the other hand, are parasites who live off the achievement of others. Be a driver, not a hitchhiker.

Recently a woman told me that my daughter, age 22, had more "character" than almost any person her age she had ever known. This brought a tear to my eye. This I had rather have heard than that she is the most beautiful, the best dancer, singer, writer, painter, athlete or anything else. This is the supreme compliment. For character is the only thing we earn on earth which we can take with us when we die. Reputation is what you're supposed to be; character is what you are. Reputation is what your obituary says. Character is what your angels say.

You can't help it if you're ugly at 18. But if you're not beautiful at 80, it's your own fault. You can't help it if you were able neither to earn nor to inherit much in worldly goods. But character is a victory, not a gift. If you lack it, blame not your parents nor society, blame yourself.

Confucius said: "To know what is right and not do it is the worst of cowardice."

The morning after Charles Lindbergh flew the Atlantic non-stop from New York to Paris, an associate of Charles Kettering rushed into the research expert's laboratory in Dayton, Ohio, shouting: "He did it all by himself!" Kettering looked up from his work momentarily and remarked quietly: "When he flies it with a committee, let me know." The great accomplishments of history have been wrought by individuals, not by the mass. Learn to sing solo. Anybody can sing when everybody is singing.

Thomas Carlyle said: "The great law of culture is: Let each become all that he was created capable of being."

Society advances mainly through those who're unafraid to be different. "The strongest man on earth is the man who stands most alone." Dare to be a Daniel. Dare to be "square." Be a sovereign individual, not just a member of the mob. Be the "chicken" with the guts to say no to the crowd when the crowd's wrong.

May is Mental Health Month in Texas. During this month the Mental Health Association of Texas conducts its annual Bellringer Campaign to raise funds for public health education and community services.

The MHA is a voluntary citizens organization which operates entirely on private contributions such as those raised in the Bellringer campaign.

The Mental Health Association depends almost entirely on volunteer manpower to carry out its work. A small staff of six persons is employed by the MHA in Texas to provide professional assistance to the volunteer efforts of the association. This cost effective policy allows the MHA to make the maximum use of each dollar donated.

Cancer Memorials Turn Losses Into Victories

When cancer takes the life of someone close to us, a relative or friend, the loss is painful. However, many thoughtful persons in Briscoe County are turning losses into victories by making memorial contributions in memory of a loved one lost to cancer—a living Memorial.

"A gift today may spare others tomorrow," explained Mrs. Peggy Fleming, Memorial Committee Chairman for the Briscoe Unit of the American Cancer Society, a national health agency fighting cancer through programs of research, education and service. "The Society seeks in this three-fold way to fulfill one of mankind's greatest hopes—the ultimate triumph over cancer. Each memorial contribution brings the moment of final victory closer."

All contributors receive acknowledgement of their gifts and families of those honored receive a handsome memorial card. The memorial card does not state the amount of the gift. In Silverton and Quitaque, contributions are received by Mrs. Peggy Fleming, Box 98, Silverton, Texas 79257.

Escorted to the altar by her father, the bride wore a voile gown appliqued with white daisies. The full sleeves and the neck were edged with polyester ruffling. Her cap and chapel length veil were of nylon illusion appliqued with white daisies. She carried a bouquet of silk pink rosebuds and burgundy crocus with pink and burgundy streamers.

Baskets of Hawaiian Scheffleras and pink roses on pedestals flanked the altar. Each of the baskets was tied with satin burgundy bows. Family pews were marked with satin burgundy bows.

Mrs. Melissa Martin of Matador presented traditional wedding music and accompanied Jimmy Morris of Matador and Belinda Simpson of Paducah, as they sang "Let It Be Me," "You and I" and "There Is Love."

Mrs. Sherry Paschal, sister of the bride of Matador, served as matron of honor. Bridesmatrons were Mrs. Tanya Multer of Lubbock and Mrs. Jackie Green of Matador.

The bride's attendants wore identical formal length gowns of pink polyester. They carried bouquets of silk pink rosebuds and burgundy crocus with pink and burgundy streamers.

Keith Paschal of Matador served as best man. Groomsmen were Bryan Sweeney and Greg Worley, both of Paducah.

Serving as ushers were Rickey and David Green, brothers of the bride, both of Matador, Terry Miller, brother of the groom, of Paducah, and Warren Multer of Lubbock.

Linda Payne, cousin of the bride, of Quitaque, registered the guests.

Mr. and Mrs. Tommy Jay Miller

Special guests attending the wedding were the bride's grandmothers, Mrs. J. C. Green, sr. of Matador and Mrs. Roy Edwards of Turkey.

Following the ceremony, a reception was held in the fellowship hall of the church. The bride's table was covered with a pink cloth draped with a white lace overlay and featured a three-tiered wedding cake decorated with pink sweetheart roses. The top tier of the cake featured the traditional miniature bride and groom. The wedding cake was made by Mrs. Debbie Buckelew of Matador and was served by Mrs. Debbie Shannon of Roaring Springs. Mrs. Connie Hurt of Floydada served pink fruit punch from a crystal punch bowl which was set on a large silver tray. White tapers in silver and crystal candelabra, surrounded with pink and burgundy flowers, centered the table.

White napkins with the inscription, "Tom and Sharla - April 9, 1983," were used to complete the table.

Mrs. Kay Miller of Paducah served at the groom's table which featured a German chocolate cake. The table was covered with a burgundy cloth draped with a white lace cloth. A basket of silk pink and burgundy flowers and brass candelabra with white tapers completed his table. Silver appointments were used at each table.

Those serving in the houseparty were aunts of the bride, Mrs. Phil Green and Mrs. Jack Green, both of Matador, Mrs. Allen Brummett and Mrs. Lonnie Payne, both of Quitaque, and Mrs. Dwight Ramsey of Silverton.

After a short wedding trip, the couple are at home in Paducah where the groom is employed by McWilliams Construction Co.

Oleing and Mary Hogue

Mr. and Mrs. Jim Mayfield were delightfully surprised when an usher at the First United Methodist Church called them out Sunday morning and said they had visitors to see them. It was their son, Gene, and his entire family: Mr. and Mrs. Gene Mayfield of Levelland; Mr. and Mrs. Jerry Bear and son, Shane, Lubbock; Mr. and Mrs. Stan Mayfield, Canyon; Mr. and Mrs. Steve Mayfield, Amarillo.

The group all attended church together.

Mr. and Mrs. Jack Bradley of Dalhart spent Saturday in Quitaque visiting Mr. and Mrs. Dick Taylor. On Sunday, the couples drove to Lockney and visited their mother, Mrs. J. T. Bradley, at the Lockney Care Center.

The couples were to be met by the C. C. Moss family of Anson and Mrs. Leslie Beard of San Angelo, but a sister of Mr. Moss died on Saturday and they were unable to come.

Mr. and Mrs. Dick Taylor drove to Lockney Tuesday and visited the Care Center and had barbecued hamburgers there. This is "Visit a Nursing Home" month.

Guests in the home of Mr. and Mrs. Joe Edd Helms for Mother's Day dinner were Mrs. W. E. Helms of Quitaque, Mr. and Mrs. Art Green of Flomot, David Black and Paula Helms of Texas Tech University, Karla Meyer of Pampa, and Kenneth and Robbie Helms of the home.

Afternoon visitors were Seritha and Hoss Hamilton of Amarillo.

Mrs. Velma Jones of Quitaque and sister, Mrs. Hallie Bailey of Childress, drove to Fort Worth to visit the ladies' brother and wife, Mr. and Mrs. Ray Wooley on Monday of last week. They returned to their respective homes Friday. Mr. Wooley had recently received a fall from a ladder in attempting to clean out the gutters on his house roof. His foot slipped through and he fell, crushing a heel.
