BY LILLIAN CRAWFORD

For the last several days we the Collins family and the Crawfords have not been so much concerned about visiting and who has been going here and there, but our thoughts been on little Donnie have Crawford, Donnie entered Hendricks hospital the day he was one month old and had surgery May 18. I am glad to report to you that he stood the operation fine and Dr.'s think he will be ok in a few weeks.

The type of surgery was for examining the gall bladder and bile ducts as there was no bile getting through to the intestines. In a few days we expect to get a report on a test made in the operating room.

Rev. Aubrey McAuley had lunch Sunday in the home of Mr. and Mrs. L. V. Harris and during the afternoon and evening Mrs. Kate Crawford and Irene, Mr. and Mrs. J. B. Sherrod visited, also Mr. and Mrs. Todd Windham and children.

Ho, Ho, vacation time is here The Oplin quilting club met for all those employed in the ast Thursday for an all day Clyde school system and to that

Cross Plains appeared at the Ira the frames. The ladies shared Crawford place and visited for a while.

Lillian Crawford visited a while Monday with Mrs. Lillie Merrill in Stewarts nursing, north 19th, in Abilene. Lillie seems to be doing well after having surgery a few months past.

"Cooney" Allphin returned home from Galveston Monday where he spent 45 days in the hospital for surgery.
