Bids will be sought both for building of the tank and for purchase of necessary pipe as soon as possible, Asbury said.

Once the pipe has been purchased and the contract let for the storage tank, work will move rapidly unless hampered by a siege of unfavorable weather.

Sealcoating Bids

Bids must also be sought on sealcoating for 27 blocks of paving in Baird. The sealcoat work will be started as soon as a contract can be let, with other street improvements to be made only as needs arise.

About \$5,000 or \$6,000 of the street improvement bonds will be earmarked for the purchase of better maintenance equipment for city crews.

City, civic and business leaders joined Wednesday in hailing the lop-sided election as a ma-jor step for Baird. "The big majority for the bonds is a good in Godfrey Funeral Home with indication our people see the need for progress in Baird," one Dick Marcear of the Baird businessman said.

Earnings Alone Don't Determine **Social Security** 'You don't have to retire com-

pletely to get social security benefits," according to H. L. Weatherly, social security field representative for Baird. "If you earn \$1200 or less in

a year, you are considered to be completely retired and would be entitled to all your benefits," he said.

If you earn over- \$1,200 in a year, you may be considered partly retired and entitled to part of your social security benefits. For example, a worker would have only one dollar in benefits withheld for every two dollars earned between \$1,200 and \$1,700. For earnings over \$1,700 annually, one dollar in benefits is withheld for each dollar of earnings.

Weatherly emphasized the fact that, no matter how much you earn in a year, you can be paid your social security benefits for any month in which you neither earn over \$100 as an employe, nor render substantial services as a self-employed per-

To avoid any misunderstanding you may have about the social security retirement test, especially if you are over 65 and earning anywhere between \$1,201 and \$3,600, you may get all the facts from your social security representative at Baird court house March 9 at 10 a.m.
