The Estes pitching stock was ready for a fight, and gave the WELL ATTENDED cowboys a ride for their money. The rodeo program was studded with nationally famous rodeo stars. The Baird rodeo this year attracted as many world champion cowboys as can usually be seen at the biggest rodeos anywhere in the nation. Consequently more bulls were ridden and more calves were caught. and more broncos were topped.

The Sheriff's Posse rodeo, produced by Bob Estes, a native of Baird, was judged by Howard Baker of Bandera and Howard Brown of Dublin. The announcer was Bud Townsend of Nocona, 19 years old, the youngest in the field. Alec Alexander was the comedy bull fighter, and he helped to make this year's show most entertaining. Ted and Betty Lamb of Dallas were trick riders and ropers. Time keepers were Joyce Baker and Marianne Estes. The most colorful figures were Curley Seale and Marianne Estes, who led the grand entry. Gwen Dickey Young was Rodeo Sweetheart.

WIDER on the inside ... NARROWER outside! There's extra value in the spread-out elbow room of the wide, wide seats. Yet the new Dodge is smaller on the outside . . . easy to park, easy to garage, easy to thread through crowded traffic.

HIGHER on the inside...LOWER outside! More head room is another Dodge extra value you'l ] appreciate. Instead of low, slanting seats that force a cramped position, Dodge knee-level seats are actually higher for relaxing comfort, better vision.

LONGER on the inside . . . SHORTER outside! The new leg room in Dodge gives extra value in stretch-out comfort. Doors open wide, too . . . let you get in and out easily without squirming or twisting-and without knocking your hat off, either.

#### If you want extra value, you'll want DODGE!

There's extra value in Dodge beauty that flows from true functional styling . . . in the design that provides more head room, more leg room, 'more elbow room, greater vision for all passengers.
