NUMBER 43

Wets-Drys Nominate Delegates to Repeal Conventions Aug. 26

The two factions, the wets and the dries, after electing C. C. McDonald, of Wichita Falls, by acclamation, head of the repealists, and W. A. Keeling, Austin, former assistant attorney general by the dries to head that faction, both wets and dries proceeded to nominate a list of delegates to the convention to be held at Austin Nov. 24, to repeal or ratify the 18th amendment. These delegates will be chosen at a special state-wide election to be held August 26.

The following delegates were named by senatorial districts, with Milburn McCarty, of Eastland, representative of the repealists, and J. D. Sandifer, of Abilene, chosen by the prohibitionists from the 24th district.

Repealists Delegates

Senatorial District 1—J. A. Wood, Mt. Pleasant.

- 2—Tom E. Foster, Kilgore.
- 3—E. M. Moseley, Rusk.
- 4—E. B. Pickett Jr., Liberty.
- 5—L. A. Barnes, Huntsville.
- 6—Adam Cone, Palestine.
- 7—Alvin C. Flynt, Mineola.
- 8—Paul Nunn, Sulphur Springs.
- 9—R. T. Lipscomb, Bonham.
- 10—B. M. McMahan, Greenville.
- 11—Maury Hughes, Dallas; alternate, J. L. Lancaster, Dallas.
- 12—E. T. Underwood, Itasca.
- 13—A. V. McDonnell, Waco.
- 14—D. C. Giddings, Brenham.
- 15—John L. Sulak, La Grange.
- 16—John Henry Kirby, Houston.
- 17—R. H. Hancock, El Campo.
- 18—A. C. Hartman, Cuero.
- 19—E. B. Coopwood, Lockhart.
- 20—Mrs. J. M. Loving, Austin.
- 21—F. L. Denison, Temple.
- 22—Gus Pickett, Decatur.
- 23—Harvey Harris, Wichita Falls.
- 24—Milburn McCarty, Eastland.
- 25—Frank Lacy, Brownwood.
- 26—John Boyle, San Antonio.
- 27—Roy Miller, Corpus Christi.
- 28—W. D. Davis, Fort Worth; alternate, C. E. Walker, Grapevine.
- 29—A. H. Culwell, El Paso.
- 30—E. H. Robertson, Lubbock.
- 31—Z. A. Simpson, Amarillo.

Dry Delegates

- 1—Dr. J. N. White, Texarkana.
- 2—F. S. Groner, Marshall.
- 3—John C. Box, Jacksonville.
- 4—P. M. Whitehurst, Beaumont.
- 5—W. L. Dean, Huntsville.
- 6—Ed J. Harris, Anderson County.
- 7—C. J. Calhoun, Tyler.
- 8—W. H. P. Anderson, Paris.
- 9—Thomas S. Clyce, Sherman.
- 10—Tom W. Perkins, McKinney.
- 11—Sam. P. Cochran, Dallas; alternate, Mrs. Ella Caruthers Porter, Dallas.
- 12—E. A. Rice, Cleburne; alternate, Rev. Alvin Swindell, Hillsboro.
- 13—Nat Harris, Waco.
- 14—W. H. Cherry, Giddings.
- 15—J. W. Cook, Yoakum.
- 16—A. D. Foreman, Houston.
- 17—C. H. Waddell, Rosenberg.
- 18—J. E. Montgomery, Tynan.
- 19—Will G. Barber, San Marcos.
- 20—W. A. Keeling, Austin.
- 21—Dr. J. C. Hardy, Belton.
- 22—W. F. Nelson, Mineral Wells; alternate, J. L. Ward, Decatur.
- 23—B. D. Sartin, Wichita Falls.
- 24—J. D. Sandifer, Abilene.
- 25—Thomas H. Taylor, Brownwood.
- 26—M. A. Childers, San Antonio.
- 27—Hary Faulk, Brownsville.
- 28—W. Erskine Williams, Fort Worth; alternate, Colby D. Hall, Fort Worth.
- 29—J. E. Quaid, El Paso.
- 30—George R. Bean, Lubbock.
- 31—John McCarty, Dalhart.

Bond Committee Terms Rejected At Mass Meeting

The mass meeting called for last Friday night to consider the proposal of the bondholders committee to settle Cisco's bonded indebtedness was turned down as impossible of living up to by the city, but the rejection of this plan was not intended as to cut off negotiations with the committee.

It was pointed out by Judge D. K. Scott, spokesman for the local committee named by the city commission to work with that body, that a settlement under the terms proposed meant another default in interest payment at the end of five years. According to the statement Judge Scott read Cisco could take care of the interest for five years, but could do nothing towards paying any part of the principal, and then there would be no manner of means to prevent another default of the interest.

But the motion to reject the proposition carried a proviso that the committee, collaborating with the city commission, formulate a plan of settlement that the city will be able to carry out. And that plan seemed to be the unanimous opinion of those attending the meeting—something along the lines suggested in the Citizen last week—to propose the issuance of refunding bonds to the limit of the ability of the city under the laws of Texas, and exchange these bonds on whatever ratio the limit will permit for the old bonds outstanding. In case this was rejected the meeting thought the best interest of Cisco would be served by setting steady in the boat, and permitting the bondholders to take what action they may in the premises.

But there were none present who cared for the city to again default in its interest payments—which would certainly be the case should we attempt to settle on the terms proposed by the bonding committee. According to the figures presented at the meeting Cisco's limit of bonds that the city could legally issue was placed at \$750,000, and it was on this basis that a settlement could be made, according to the general opinion of those attending the meeting.

Probably this will be the foundation for the plan the committee will work out when it gets ready to make a report. It was hoped this counter proposition could be transmitted to the committee along with the rejection of their own proposal.

It was also recalled that the committee's proposal was the best it had to offer Cisco, but it is known here that the New York committee is just as anxious to effect a settlement as we are, and we see no reason why the settlement should not be affected from this end of the line. We owe the debt, but values have shrunk to such a low ebb, not only in Cisco but over the entire nation, that any other than Cisco's bonding ability, on present valuations, is simply impossible, and if the New York committee turns the bonds back to the original owners, negotiations can be initiated with the owners of the bonds.

It seems that the New York committee's object is to get possession of the amount of the sinking fund now invested in federal bonds, and that end accomplished the city has no positive assurance of retiring the outstanding bonds. The committee only promised to recommend a settlement to the bondholders.

The local committee was requested to get busy and formulate a plan as

Pretentious Program Arranged for Fourth of July Festivities

One continuous round of entertainments has been planned for entertaining visitors to Cisco during the celebration of the glorious Fourth. Beginning at 9 o'clock in the morning, there will be something to do, something to see, something to entertain, till the dawning of the fifth, if the merry-makers so elect, according to the pretentious program arranged by the committee. And the attractions are as varied as rare. Therefore if the visitors are not entertained, they will be hard to please, for the committee has left nothing undone in planning everything to please, even the most exacting. For this celebration, and to enjoy the attractions to be offered by the Lake Cisco Amusement Co. it is anticipated that Cisco will be host to at least 10,000 next Tuesday.

The unusual features include a night rodeo, fireworks display with a "human torch" diving into a flaming pool, and concluding with the dance till dawn of the next morning, if the devotees of the Terpsichorean art may desire. Even the "wets" and the "drys" have been provided for. Hon. Joseph Weldon Bailey, congressman at large, of Dallas, will speak for repeal of the 18th amendment, in the afternoon, and some prominent dry will champion the cause of prohibition, following Mr. Bailey.

Following is the program as planned for the day:

- 9 a. m.—Tennis and golf at Country Club grounds. F. B. Altman, tennis chairman; O. J. Russell and O. V. Cunningham, golf committee.
- 10 a. m. to 12—Athletic and field events.
- 12 a. m. to 2 p. m.—Picnic and barbecue.
- 2 to 3 p. m.—Plea for 18th amendment repeal, Hon. J. W. Bailey.
- 3 to 4 p. m.—Address against repeal.
- 4 to 6 p. m.—Baseball.
- 4 to 5 p. m.—Swimming and water carnival.
- 5:30 to 6:45—Free Wrestling and boxing matches.
- 7 p. m.—Rodeo parade through streets.
- 7:30 to 9:30—Night Rodeo at Chesley park.
- 9 p. m.—Dance at Lake Cisco pavilion.
- 9:30 p. m.—Firework display.
- 9:45—Dive of human torch into flaming lake.

Cisco Masons Install Officers Elected for the Ensuing Masonic Year

The officers elected for the ensuing Masonic year, of both the A. F. & A. M. No. 556, and the Royal Arch Masonic chapter, No. 190, were installed last Monday night. J. M. Witten, district deputy grand master, was the installing officer of the Blue lodge, who was assisted by Haywood Cabaness, acting marshal. Those who were inducted into their respective stations were: George D. Boyd, worshipful master; Howard Brown, senior warden; Frank P. Yeager, junior warden; E. Jewel Poe, treasurer; L. D. Wilson, secretary; G. R. Kilpatrick, tiler; Frank Leach, senior deacon; Charles C. Germany, junior deacon; J. C. Proctor, senior steward; Alpha V. Clark, junior steward; Rev. J. Stuart Pearce, chaplain.

K. H. Pittard, as installing officer, and Wm. Reagan, acting marshal, officiated in the installation of the officers of the Royal Arch chapter of the following: W. Frank Walker, high priest; Haywood Cabaness, king; George D. Boyd, treasurer; L. D. Wilson, secretary; D. K. Scott, captain of the host; C. S. Karkalits, principal sojourner; Wm. Reagan, Royal Arch captain; R. L. Ponsler, master of third veil; Frank P. Yarger, guard; Rev. J. Stuart Pearce, chaplain.

Rate Reduction Plea is Denied by Commission

Austin, June 26.—Petitions for emergency reduction in rates on grain, grain products, feed and other articles taking the same rates, were denied Monday by the Railroad commission.

a basis of settlement on present valuations as soon as possible, and it is presumed this will be done.

The personnel of the committee named Thursday night consists of the following property owners: C. H. Fee, chairman; T. J. Dean, Alex Spears, A. Grist, Judge D. K. Scott, E. P. Crawford, R. H. Boon, G. B. Kelly, A. J. Olsen and W. H. LaRoque.

West Central Texas Oil and Gas People Meet Here Thursday

As the Citizen went to press Thursday afternoon, for this week's issue, the oil and gas people of the West Central Texas Oil and Gas association were meeting in the city hall here. On account of the meeting occurring as the Citizen is being published, proceedings of the meeting can not be given in this issue, but we will endeavor to give the main features of the meeting in next week's issue.

The meeting was called by J. D. Sandefer, president, for the purpose of discussing the code under which the association will function, which was adopted at Chicago June 15, and which will be submitted to the association for ratification. Under the Industrial Recovery act of congress the oil business is one of the industries that will be regulated by the federal government. When all of the 39 associations represented at the Chicago meeting will have ratified this code it will be submitted to President Roosevelt for his consideration.

Harry Schaefer Has Just Completed Art Sign For A. C. Green

One of the handsomest signs in Cisco is that which Harry P. Schaefer, Cisco artist, collaborating with Clyde Mancill, has been just completed and erected for the A. C. Green Funeral Home, 305 West Seventh street. The sign, which is really a work of art, is done in embossed letters, on a background of tripped black and green, bearing the words:

A. C. GREEN FUNERAL HOME

in gray. Just above is a large letter G, resting on a keystone, and the whole surrounded by an art scroll border, standing out in bold relief.

The design is Schaefer's, who also made the drawing for the letters. Cutting out the letters with the jig saw was the work of Clyde Mancill, assistant to Mr. Green in the undertaking establishment here, and the perfect manner in which these ornamental letters were cut denotes that a master hand guided the timber while the saw cut the lettering.

This sign was the brain child of Schaefer and Mancill, who conceived the idea of designing, making and erecting the sign during Mr. Green's absence, which they did, and which served as a great surprise to him on his return home.

With the possible exception of the sign that adorns the private sanitarium of Dr. Hubert Seale, also done in embossed lettering, and is another Schaefer sign, this is one of the handsomest signs in Cisco. It could only be improved by a black background with gold letterings, but as the presidential edict calling in all gold, had gone forth, the gold for the letterings was not available. But it is pretty enough for any institution, and surely

WEST TEXAS UTILITIES WILL MEET ITS JULY 1 PAYMENT OF DIVIDENDS

ABILENE, Texas, June 26—Keeping the record intact since its organization in 1922, the West Texas Utilities Company will pay its \$1.50 quarterly dividend on its \$6 preferred shares, it was announced Monday by Price Campbell, president. Payment will be made July 1 to preferred stockholders as of record June 15, and will bring to \$3 the total of payments for the first half of the year.

Authority to declare the quarterly dividend was given by the board of directors June 13. Three days later—11:55 a. m. June 16—President Roosevelt signed a bill placing 5 per cent tax at the source of corporation dividends voted after that date. By its declaration of intention to pay, made June 13, the West Texas Utilities Company saved \$5,800 for its preferred stockholders.

Amount of this quarter's dividend is \$117,000. It will go to about 8,000 stockholders, 70 per cent of the number living in Texas.

Father of Homer and Lloyd Doyle Passed Away Monday Evening

Terminating an illness of nearly three years duration, most of which was spent in bed, Luther Volney Doyle, aged father of Lloyd Doyle, of the Palace Coffee Shop, passed away Monday evening at 15 minutes past 6 o'clock at his residence in East Cisco. Funeral services were held Tuesday afternoon at 4 o'clock at the Church of Christ, conducted by Rev. Paul C. Witt, of Abilene, a minister of that church, who was assisted by Rev. Luther Pryor, pastor of the Church of the Nazarine, of Cisco. Interment was in the Oakwood cemetery, in this city, at the conclusion of the religious services at the church. The pall bearers were W. H. Hager, W. K. Johnston, James Taylor, Tom Ravenscraft, Doss Pelfrey and O. L. Mason. Wippert's Funeral Home had charge of the burial arrangements.

Deceased was born Oct. 2, 1866, and would have reached his 67th year had he lived until the coming October. His widow, who before her marriage, was Miss Julia B. Johnson, of Eastland, and six children are the survivors. The children are Homer Doyle, of the city water department; Lloyd Doyle, proprietor of the Palace Cafe; Mrs. L. C. Anderson, of Eastland; Mrs. Opal Seaborn, Forrest and Miss Kelsie Fern Doyle, of Cisco.

Mr. Doyle had lived in Cisco continuously since his removal here from Eastland in 1917, and until stricken about three years ago, he was employed by the city.

the dead could never object to being prepared for burial when such a handsome sign board denoted the body was resting in the Green Funeral Home.

BIBLE THOUGHT FOR TODAY

Charge them that are rich in this world, that they be not highminded, nor trust in uncertain riches, but in the living God, who gives us richly all things to enjoy.—I Tim. 6:17.

We thank thee that we have the power to give—
The giving and gift both come from thee—
As we commune with thee, so we receive.
And give the fruit of our activity;
And thus our gift is measure of our love.
Our life, our joy, and our gratitude.
We thank thee, Father, that we love to give.
—Mary M. Hitchcock.

Cheerfulness means a contented spirit, a pure heart, a kind disposition; it means humility and charity, it means a generous appreciation of others and a modest opinion of self.—Thackeray.

BOOST HOME INDUSTRY

The San Angelo News, A. B. O'Flaherty's newspaper, has commenced a home patronage campaign, and like that previously promulgated by the Cisco Citizen, started out with the home bakeries. In appreciation of the fight in their behalf the San Angelo bakeries last week carried an half-page advertisement in the News.

We suppose one reason why those newspapers supporting home institutions begin with the bakeries, is for the reason that every community has a modern bakery, and that there is little difference in bakery products, whether baked by home concerns or those in larger cities, therefore, giving local people less reason for patronizing outside bakeries. The fact is that those people who persist in calling for bread baked in other than their local communities are either disloyal to their home town, or have a distorted idea of the value of bakery products, by imagining that bread and cakes baked in the larger cities are superior.

The Citizen has pointed out one

reason why Cisco people imagine Fort Worth bread is superior to Cisco bread, and this is because Fort Worth bread is a day older when offered for sale than Cisco bread. Bread should never be eaten until at least twelve hours old, but that is no reason why you should buy the bread baked away from home. Just get your bread today and keep it until tomorrow before serving it. You will find it better, and you will have the satisfaction of knowing that you are helping to build up your own home industries.

But the local business and industrial institutions deserve and should have your patronage, not only the bakeries, but every other enterprise. There is one of the largest produce houses in Texas located in Cisco—the West Texas Produce Co.—but do all our green goods merchants buy their produce from the West Texas Produce Co.? We hope so. This company maintains an office and fleet of trucks with crews of drivers, delivery men, etc. These people have families, reside in Cisco, and spend their wages with the Cisco merchants. The itinerant truckman peddling produce, or the Rio Grande valley grower spends no money in Cisco, therefore money spent with them is withdrawn from circulation in Cisco.

The principle of home patronage does not stop at the few industries mentioned, but applies to every business and industrial plant in Cisco. "Try Home People First," should be the slogan of every loyal Ciscoan. Your merchant, mechanic, laborer, machine shop, coffee roaster, saddle and harness shop, shoemaker, lawyer, doctor, sanitarium, and in fact, every institution in Cisco should be patronized in preference to outside concerns, and preferably those business and in-

Firestone

FIRST CHOICE FOR SAFETY and BLOWOUT PROTECTION

BLOWOUTS are caused by internal heat resulting from friction between the cotton fibers. Firestone Gum-Dipped Tires are the only tires made where every cotton fiber in every cord in every ply is saturated and coated with rubber, preventing internal friction and heat—the greatest enemy of tire life. This patented Extra Process make the tire Stronger—Safer—and gives it greater protection against blowouts.

NO OTHER HAS SUCH BLOWOUT PROTECTION TIRE

Performance Counts—Every winner in the 500-mile Indianapolis Race for fourteen consecutive years, has chosen and used Firestone Gum-Dipped Tires on his car.

Performance Counts—Every winner in the daring Pike's Peak Climb, where a slip meant death—for six consecutive years, has chosen and used Firestone Gum-Dipped Tires on his car.

Performance Counts—Firestone Gum-Dipped Tires hold all world records, on road and track, for Safety—Speed—Mileage—and Endurance.

Don't risk your life or the lives of others on your Holiday trip.

We will give you a liberal trade-in allowance on your old thin, dangerous tires, in exchange for Firestone High Speed Tires—the Safest Tires in the World. Tire prices are sure to go up. Take advantage of today's low prices.

Are YOU HAPPY After Meals

Or Do Gas on Stomach and Sour Stomach make you Miserable?

Too much food, or the wrong kind of food, too much smoking, too much beer, make your body over-acid. Then you have distress after eating, gas on stomach, heartburn, sour stomach. ALKA - SELTZER relieves these troubles promptly, effectively, harmlessly. Use Alka-Seltzer for Headache, Colds, Fatigue, "Morning After Feeling," Muscular, Sciatic and Rheumatic Pains. Alka-Seltzer makes a sparkling alkaline drink. As it contains an analgesic (Acetyl-Salicylate) it first relieves the pain of everyday ailments and then by restoring the alkaline balance corrects the cause when due to excess acid. Alka-Seltzer tastes like carbonated mineral spring water—works like magic. Contains no dangerous drugs... does not depress the heart... is not laxative. Get a drink at your Drug Store Soda Fountain. Keep a package in your home medicine cabinet.

dustrial institutions owned by Cisco people. These are the institutions that are building Cisco. Cisco is your home. All you have is invested in Cisco property, so manifest a selfish spirit by patronizing those people who are enhancing the value of your property.

MITCHELL ACQUITTED

The jury trying Charles E. Mitchell, former chairman of the National City Bank of New York, returned a verdict of acquittal of the charge of defrauding the government of nearly one million dollars of income tax. Some of the press dispatches stated that the verdict was "not guilty." This is an error. All the jury could do was to acquit the defendant. The bar of

Home Industry Needs And Is Entitled To Our Loyal Patronage

The News has heard a great many comments on the article published last week in protest against the importation of bread while local bakers are equipped to supply all and more than the market demands. "What is the use," said one Angeloan, public opinion had already found him guilty, which verdict will stand—in the minds of the people—(despite the verdict of what the public will always believe) of a perjured, and doubtless, purchased acquittal. It seems that the rich are immune before American juries. So far as newspaper evidence reported the charges, he was guilty, but the jury gave him a clean bill of health.

"of spending good money in the effort to bring new enterprises to San Angelo, so long as we do not fully support those we already have?"

Indeed, why? And here is another pertinent "why:" Why should any industry go to the expense of moving to San Angelo so long as it can command our patronage, through importation?

Industries make payrolls and build cities. And they seek those places where they are assured of local support and cooperation. The best assurance of future support is the record of the past.

Let us be so loyal to the industries we now have that others looking over this field may feel assured that if they come to San Angelo they, too, will have the hearty co-operation and good will of the whole citizenship.—San Angelo News.

APEX FOR GOOD PRINTING

Municipal Gas Plant at Cross Plains Now Seems a Probability

The Cross Plains Review said last week that "4,300 feet of 3-inch pipe had been purchased, and will be delivered as soon as needed; meters had been contracted for and a deal is in the making for 45,000 feet of 2 inch pipe, and assurance from the city commission that construction work would be under way this week."

This has reference to the municipal gas plant that Cross Plains commission has been contemplating for the past few months—ever since the spunky little city of Rising Star whipped the Southwest octopus to a frazzle. Rising Star deserves the chromo for blazing the trail. Cross Plains, the Review stated, has paid part cash and deferred payments on the material so far purchased. To finance this project the loyal citizens are lending the fullest cooperation by working out their gas, water, sewage and tax payments, and accepting city scrip for other payments due. With such patriotic demonstrations the city commissioners believe the plant will be paid for in less than 18 months.

When the distribution system is under way the charge to the people will be 50 cents for the first 1,000 cubic feet, with a graduated downward scale for larger consumption. Engineers report that the source of supply is adequate to furnish several towns the size of Cross Plains.

Now, isn't that nice? Rising Star and Cross Plains, supplying their home people with gas at 50 cents and less; Cisco and Eastland people paying 67 1-2 cents and \$1.50 net. Probably this municipal idea will yet become contagious, and when Dothan, Putnam, Romney and Nimrod finally build municipal gas plants Cisco will come alive and start something.

What our little neighbors to the south can do, Cisco can duplicate. Everything is possible if brains and grit are behind the movement. Can't never accomplished anything. There's always some one who can put over any project.

PERJURY CHARGES FILED AGAINST GORMAN WITNESS

Dick Grice, of Gorman, was charged last week in Justice Newman's court with perjury in connection with evidence he gave in the trial of Bill Knight, in which Knight was alleged to have stolen a trailer belonging to Eastland county and in charge of Commissioner T. G. Gray of Gorman, on trial in the 88th district court Thursday.

At the time the trailer was stolen Grice is alleged to have told the officers at Gorman that he went with Knight, when he took the wheels off the trailer, to the tank on the Munsell place where Knight had lived and saw him conceal them in the water. The wheels were found in the tank and returned to Mr. Gray. On the stand Grice swore that he found the wheels in the brush near Gorman and took them to the tank himself, using Knight's car to do so. As a result of this testimony the charge of perjury was filed.

Repeal Machinery Is Initiated By The Naming of Sheppard

With the naming of Sen. Morris Sheppard temporary chairman of the anti-repealists' convention to select delegates to the convention at Austin June 27, Governor Ferguson took the initial step for putting the repeal machinery in motion. A chairman of the repealists will be named this week by the governor.

The legislature, in providing for selection of candidates as delegates by both factions to the state convention, empowered the governor to appoint the temporary chairmen. The voters will decide in a special election on August 26 which set of delegates they want to cast Texas' vote on repeal, those chosen by the prohibitionists or those selected by the anti-prohibitionists.

Ballots used in the special election will carry in groups names of the delegates nominated by the respective factions in their June 27 conventions. The delegates favored by a majority of the voters will convene on Nov. 24 in Austin and decide whether Texas shall go for repeal or oppose alteration of the constitution. Each side will nominate 31 delegates and as many alternates.

Delegates selected by the respective conventions will appear on the ballots under headings of "for ratification of the Eighteenth Amendment," and "against ratification of the Eighteenth Amendment."

Senator Sheppard was one of the authors of the Eighteenth Amendment and plans to come to Texas to stump the state in opposition to repeal.

The chairmen of the two groups shall select the halls where the conventions will be held. The house of representatives passed resolutions offering its hall in the capitol to the anti-repealists and also requested that the board of regents of the University of Texas permit the repeal advocates to use Gregory Memorial gymnasium on the university campus.

Senator Sheppard has sent his acceptance of the appointment to Governor Ferguson.

Christian Science Church Service

"God" is the subject of the Lesson-Sermon in all Churches of Christ Scientist, Sunday, July 2, including the First Church of Eastland.

Among the citations comprising the Lesson-Sermon is the following from the Bible, I Chronicles 17: "O Lord, there is none like thee, neither is there any God besides thee, according to all that we have heard with our ears."

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "God is incorporeal, divine, supreme, infinite Mind, Spirit, Soul, Principle, Life, Truth, Love."

"Question—Are these terms synonymous?"

"Answer—They are. They refer to one absolute God. They are also intended to express the nature, essence, and wholeness of Deity. The attributes of God are justice, mercy, wisdom, goodness, and so on."

"Question—Is there more than one God or Principle?"

"There is not. Principle and its idea is one, omnipotent, omniscient, and omnipresent Being, and His reflection is man and the universe. Omnia is adopted from the Latin adjective signifying all. Hence God combines all-power or potency, all-science or true knowledge, all-presence." (p. 465.)

CONSTABLE'S SALE

THE STATE OF TEXAS, COUNTY OF EASTLAND:

By virtue of a certain Alias Execution issued out of the Honorable Justice Court of Precinct 6, Eastland County, Texas, on the 20th day of May, A. D. 1933, by Joe Wilson, Justice of the Peace of said county and precinct, upon a judgment in favor of Alonzo C. Green, for the sum of ONE HUNDRED SIXTY & 87-100 (\$160.87), and costs of this suit, in Cause No. 3807 in said court, styled Alonzo C. Green vs. W. H. Ervin et al, and placed in my hands for service, I, J. B. Hicks, as Constable of Precinct 6, Eastland county, Texas, did on the 20th day of May, A. D. 1933, levy on certain real estate situated in Eastland county, Texas, described as follows, to-wit:

The W2 and the SE4 of the land patented to N. Dougherty assignee of Wm. Shay, Pat. No. 460, Vol. 15, Abst. No. 868, and levied upon as the property of said W. H. Ervin, E. L. Douglas, S. Douglas, and G. M. Douglas.

And on Tuesday the 4th day of July, A. D. 1933, at the courthouse door of Eastland, Eastland County, Texas, between the hours of 10 o'clock A. M., and 4 o'clock, P. M., I will sell said real estate, land and premises, at public vendue for cash to the highest bidder as the property of the said W. H. Ervin, E. L. Douglas, S. Douglas, and G. M. Douglas, by virtue of said levy and said execution.

And in compliance with such law, I give this notice by publication in the English language once a week for three consecutive weeks immediately preceding said day of sale in the Cisco Citizen, a newspaper published in Eastland County, Texas.

Witness my hand, this 20th day of June 9-16-23

Joe. B. Hicks
Constable, Precinct 6, Eastland County, Texas.

June 9-16-33

CITATION BY PUBLICATION

THE STATE OF TEXAS: TO THE SHERIFF OR ANY CONSTABLE OF EASTLAND COUNTY—GREETING:

You are hereby commanded to summon S. A. Hopkins by making publication of this Citation once in each week for four consecutive weeks previous to the return date hereof, in some newspaper published in your county, to appear at the next regular term of the county court of Eastland County, Texas, to be held at the Court House thereof, in Eastland, on the second Monday in July A. D. 1933, the same being the 10th day of July A. D. 1933, then and there to answer a petition filed in said court on the 23rd day of August A. D. 1932, in a suit numbered on the docket of said court, No. 5262, wherein W. H. Davis is plaintiff and S. A. Hopkins and T. H. Gordon are defendants and the cause of action being alleged as follows:

Plaintiff alleges that on or about September 3rd, 1930, the defendant S. A. Hopkins, through his agent, T. H. Gordon, entered into a contract with plaintiff under the terms of which this plaintiff was employed as watchman and roustabout on the S. A. Davis lease, located in Section 54, Block 4, H&TC Ry. Co. survey in Eastland County, Texas, at a salary of \$100.00 per month. That said contract and salary was in force until May 1, 1931, when it was modified and the salary reduced to \$75.00 per month. That said modified contract remained in full force from May 1, 1931 to May 31, 1932. That under said contract plaintiff earned the sum of \$1203.96, of which the sum of \$270.28 has been paid, leaving a balance of \$933.68 due this plaintiff. That S. A. Hopkins and T. H. Gordon are partners in the operation of said lease, and were such on the date of said contract of employment with plaintiff and are joint owners of the property described in the Laborers' and Materialman's Lien filed by plaintiff. That if T. H. Gordon is not a partner, he is claiming some interest in said property, the exact nature of which is not known to plaintiff. That plaintiff has filed his statutory Laborers' and Materialman's lien and thereby fixed his lien upon the personal property located on said lease, and waives the lien upon the land because of the forfeiture of said lease. Plaintiff claims his statutory and constitutional lien upon said personal property. That an additional sum of \$323.00 has been paid plaintiff, and a balance of \$610.68 is due thereon. That plaintiff continued his employment with defendants during March and April, 1932 at \$75.00 per month, which has not been paid, and that there is now due this plaintiff by defendants the sum of \$760.68, which amount defendants has failed and refused to pay. That said sum is due for labor performed and demand has been made more than 30 days upon defendants and plaintiff is entitled to a reasonable attorney's fees.

Wherefore plaintiff prays that de-

Last Half 1932

Tax Due July 1

County Tax Collector, T. L. Cooper, calls attention to the fact that ad valorem and poll taxes delinquent or which became delinquent Feb. 1, 1933, may be paid on or before Sept. 30, 1933, with only one per cent penalty added.

He also calls attention to the fact that the last half of 1932 taxes delinquent July 1, 1933, are now subject to the new tax law and if not paid by July 1 can not be paid without the added 6 per cent interest, 10 per cent penalty and collecting costs.

defendant S. A. Hopkin be cited to appear and answer herein. That S. A. Hopkins is not a resident of the State of Texas. That plaintiff have judgment for his debt together with interest from January 31, 1932 until paid at the rate of six per cent annum, for a foreclosure of his constitutional and statutory lien and for such other and further relief, general and special, to which he may be entitled.

Heren fail not, but have you before said court, on said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal at my office in Eastland, Texas, this 24th day of May, A. D. 1933.

TURNER M. COLLIE
Clerk County Court, Eastland, County, Texas.

KENTUCKY BURLEY TOBACCO

"Direct From Grower To You"

Old Kentucky Burley Tobacco is the cream of the finest crops Kentucky's bountiful soil can produce—ripe, rich leaves, smooth and mellow, with that rare old-fashioned flavor and fragrance that only proper "aging" can produce. We bank on it you have never tasted or smoked a finer flavored, more satisfying tobacco in all your life.

Special Offer!

FIVE POUNDS SMOKING TOBACCO

\$1

Rich, Ripe, Old Fashioned Leaf
Our Old Kentucky Burley is no more like manufactured tobacco than day is like night—guaranteed free from chemicals and all other adulterations that conceal imperfections, delude the sense of taste and undermine the health.

We use the same method our grandfathers used in preparing tobacco for their own use—every trace of harshness leaves it—nothing to "bite" your tongue or parch your taste. Thousands of tobacco lovers the world over swear by its inimitable smoking and chewing qualities.

REDUCE YOUR TOBACCO BILL) 1/2 We sell direct from the grower

er, this eliminates the eighteen cents a pound Revenue Tax—all manufacturers' and middlemen's profit, thereby effecting a saving to you of 50% or more. No fancy packages, no decorations, just plain quality and lots of it.

MONEY SAVING PRICE
SMOKING 5 lbs. Send us One
OR for Dollar Cash
CHEWING \$1.00 P. O. or Express Money

Order (no personal checks) and we will promptly ship you a five pound package of "Burley Tobacco."
Five pounds of Old Kentucky Burley will make 40 large packages of smoking or 50 twists of chewing.

35c Send 35 cents in silver and we will ship Postpaid—one pound of Burley Tobacco as a trial offer. A trial will convince you.

We have thousands of requests daily for "Samples"—our margin of profit is so small we cannot comply with these requests.

We do not ship C. O. D. orders, to do so would require a large staff of clerks. Orders must be in English language.

Make Perfect Coffee... EVERY TIME
... with These Automatic
"Electrical Servants"

Authorities agree that the only perfect coffee is real French Drip Coffee. This is because a perfect brew requires three very definite things. First, that coffee grounds and water should come in contact but once. . . Second, that the contact should be of about 3 1/2 minutes duration. . . Third, that the water used in coffee-making should not be boiled, but maintained at a temperature about 16 degrees below the boiling point. When these three definite things are done, the result is a smooth, rich flavor . . . a clear, sparkling amber color . . . and an intriguing, appetite-awakening aroma.

Here are two appliances that enable you to make perfect coffee EVERY TIME! The Manning-Bowman French Drip Coffee Urn, and the Hotpoint Coffee-Maker automatically assure the perfection of all your coffee. No embarrassing failures . . . no disgusting "dish-water" coffee . . . none that would "float an egg." You'll have perfect coffee every time through the automatic perfection of these modern "Electrical Servants."

Specially priced, for a limited time only, you'll find one of these modern appliances an absolute necessity in your home. Like all electrical appliances, too, they may save money for you—for this modern way requires less coffee to produce a wonderful brew. Ask any employe for a demonstration TODAY. Convenient terms if desired!

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

West Texas Utilities Company

CISCO ANTI-REPEALISTS FORM DRY ORGANIZATION

Anti-repealists of Cisco have already gone to work to prevent this part of Texas going for repeal of the 18th amendment, if that can be accomplished by organization. At a meeting held at the Baptist Church Monday night an organization was perfected with Dr. Lee Clark, of Randolph College, heading the organization. Other officers are Rev. O. O. Odom, vice chairman; Asa Skiles, secretary, and J. B. Ely, treasurer.

Chairman of the campaign committees were chosen from the roster of the several prohibition committees of the several churches of the city, as follows:

H. G. Bailey, First Methodist; C. B. Phillips, Church of God; G. M. McGlasson, Twelfth Street Methodist; Conrad Schaefer, East Side Baptist; J. W. Tickner, Nazarene; J. R. Burnett, First Baptist; H. R. Garrett, First Christian.

Another meeting is scheduled for July 10. So far as reported local repealists are inactive, relying, doubtless, upon the preponderance of apparent public sentiment against bootleggers to win out in the election August 26. Such tactics have failed in the past, as voters always follow the band wagon. Better tune up your band instruments, and get ready for the parade.

SIXTEEN STATES CAST VOTES FOR DRY REPEAL

With California and West Virginia voting for repeal of the 18th amendment Tuesday makes 16 states pledged to repeal. This is better than the old slogan, "16 to 1," as it is 16 to 0, the drys having captured no state in the voting so far. Those states voting for repeal are California, Connecticut, Delaware, Illinois, Indiana, Iowa, Michigan, Massachusetts, Nevada, New Hampshire, New Jersey, New York, Rhode Island, W. Virginia, Wisconsin and Wyoming.

I. J. Lamb, who has been spending some of the summer here with his son, Cecil J. Lamb, has returned to Cisco from Wichita Falls where he has been visiting relatives.

Bond Committee Will Meet With City Commission

The local bond committee will meet next Thursday night, July 6, with the City commission at the Mayor's office, when it is expected the committee will have drawn up a tentative plan for a settlement of the city's bonded indebtedness. If approved by the commission the plan will be submitted to the bondholders committee in New York.

Gross Plains Review Editor Cupid Victim

As the paper was going to press Editor Jack Scott, of the Cross Plains Review, and Miss Juakana Westerman were repeating the vows of husband and wife, we learn from the issue of that paper that reached Cisco Saturday. The Citizen congratulates Editor Scott, and felicitates his bride in her noble undertaking to "honor and obey" her handsome husband, who has promised, as they stood at Hymen's altar, to "love and cherish till death do us part." To both we extend happiest wishes for smoothe seas o'er which their matrimonial bark may sail on their life voyage of conjugal bliss.

BACK FROM VISIT TO STATE OF NATIVITY

Mrs. H. L. Kunkle returned home Tuesday from an extended visit to her native state of Tennessee, where she was a guest of an aunt in Nashville. Though she left that state when a child, only eight years of age, she said she recognized many of the old landmarks, and recalled whose homes they were in her childhood days.

Mrs. Kunkle said she enjoyed her visit immensely, and the country and scenery was beautiful, yet she would not care to live there again and was glad to be back in Texas.

Her visit carried her to places in Arkansas, Missouri, Georgia, Alabama and Mississippi.

Farmers Signing Up For Plowing Under Portion of Cotton

Farmers in Eastland county, including the Cisco country, are cooperating with federal authorities to make effective the industrial recovery act, in so far as signing up for reduction of cotton acreage. There were 83 present at a meeting of farmers held at the city hall Wednesday morning and more than half of those present pledged to plow up one-half of their growing crops, and one pledged to plow up one-fourth. Many said they would take advantage of the option offered by the government on cotton held in storage, that they may participate in expected advances in the price of the staple.

"This land plowed up can be planted to late feed crops," S. A. Davis told the Citizen. "True, it is getting a little late to plant anything," Mr. Davis said, "especially as some time must necessarily elapse before the money can be paid over to the farmers. During this interim my plan is to burst out the middles of my cotton land, sow the grain seed in these furrows, and if my application is approved I can plow up the cotton and leave the feed, which will have had a week or so advancement toward maturity. Should my application be turned down I can plow up the grain while at the same time giving my cotton another cultivation."

Volunteers are still filling out the required forms, which are supposed to be sent to Washington by Saturday, at least all contracts must be signed by tonight.

J. A. Clements, L. A. White, Mitt Williams and E. H. Varne'l are in charge of the contracts, assisting the farmers in signing up and filling out their contracts.

Farmers meetings have been held all over the country this week, and farmers are signing up in other places as they are in Cisco.

EAST CISCO BAPTIST MEETING STARTS SUNDAY

The East Side Baptist Church will commence a series of meetings Sunday, to run two weeks. Preaching will be by Rev. J. L. Roden of Gorman, and the music will be directed by Charles Sparks, of Rhome Texas. A cordial invitation is extended to all.

NURSING A BROKEN THIGH

Suffering with a broken thigh L. P., the 12-year old son of Mr. and Mrs. John Holder, is a patient at the Graham Sanitarium. Wednesday, while horseback riding on South D. Avenue, the horse fell with the youngster, breaking his thigh just below the groins.

CITY MARKING PARKINGS

The city has a force of men marking the streets for parking. The block in front of the postoffice is complete. The streets in front of the Laguna and Mobley are needing refreshing with yellow lines.
