#### Final Chance

"THE ROBBER BRIDEGROOM", a musical, with book and lyrics by Alfred Uhry and music by Robert Waldman, is adapted from a novella by Eudora Welty. This production will be the final offering of the 1985 professional summer season at the Roof Garden Theatre in Cisco. The show will run August 1-3 and 5-10.

"The Robber Bridegroom" is a delightful musical, with toe-tapping, country music. Set on the Natchez Trace, in and around the town of Rodney, Mississippi, the story concerns Jamie Lockhart, a gentleman robber and how he manages to win the heart of Rosamund, a wealthy planter's daughter, getting rich in the process. "The Robber Bridgroom" has interesting, eccentric characters, down-home music, and lots of fun.

Tickets are \$12.50 for dinner and show. Dinner time is set at 7:00 p.m. Call (817) 442-2589 for reservations.

store owner, told about his business in a classification talk at the weekly luncheon of the Cisco Rotary Club last Thursday noon at the Colony Restaurant.

One of the newer problems facing jewelers is distinguishing between zircons and diamonds, Mr. Anderson said. He added that zircons are often passed as real diamonds. Jewelers, he said, have developed tests, including use of electronic and stone weighing

Al Anderson, local jewelry equipment, to determine

whether a stone is genuine. Progress in watch manufacturing was also discussed with special attention to quartz timepieces.

Mr. Anderson had a display of rings and stones and watches for Rotarians to examine as he talked.

The Rev. Otto Urban, pastor of Redeemer Lutheran Church, was a guest. Dr. Henry Mc-Cullough presided over the

#### Pickup And

#### Travel Trailer In Wreck Here

A GMC pickup and a 24-foot Prowler travel trailer were a total loss after an accident at about 1:30 p.m. Friday, July 26, on I-20 three miles west of Cisco. A California couple was en route to Birmingham, Alabama, when the driver lost control of the pickup and both vehicles rolled over.

A DPS trooper investigated the mishap. Ted and Rex and Cisco took a wrecker to the scene and brought both vehicles to their staion where insurance investigators were due Tuesday to evaluate the accident.

The couple rented a U-Haul truck and continue on their way to Birmingham Saturday. Neither had injuries, authorities said.

The Cisco Volunteer Fire Department took a truck to the scene due to a gasoline spill from the pickup.

#### Two Local Men Attend Fire School

Fire Marshal Billy Rains took a course in fire and arson investigation, phase two, and Fireman Rex Fields studied fire fighting, phase one, during their week at the annual Texas Firemen's School at Texas A&M University July 22-27.

Mr. Rians took the second of three courses on fire and arson investigating and will need the phase three course next summer to complete the program.

weeks ago of four men on merchandise was taken, he charges of breaking and entering local residences and businesses. Mr. Rains said his department was continuing an investigation and hoped to recover more of the items taken in the burglaries.

Police made one arrest over the weekend, the chief said. A 23-year old Cisco man was arrested on an Eastland County warrant that charged him with driving with a suspended license. He was placed in the county jail after his arrest at 12:21 a.m. Monday.

#### Work Party Set

Members of the Cisco Volunteer Fire Department will hold a work party Saturday to continue their program of "clean-up, fix-up" for the fire station building and facilities, according to an announcement Tuesday.

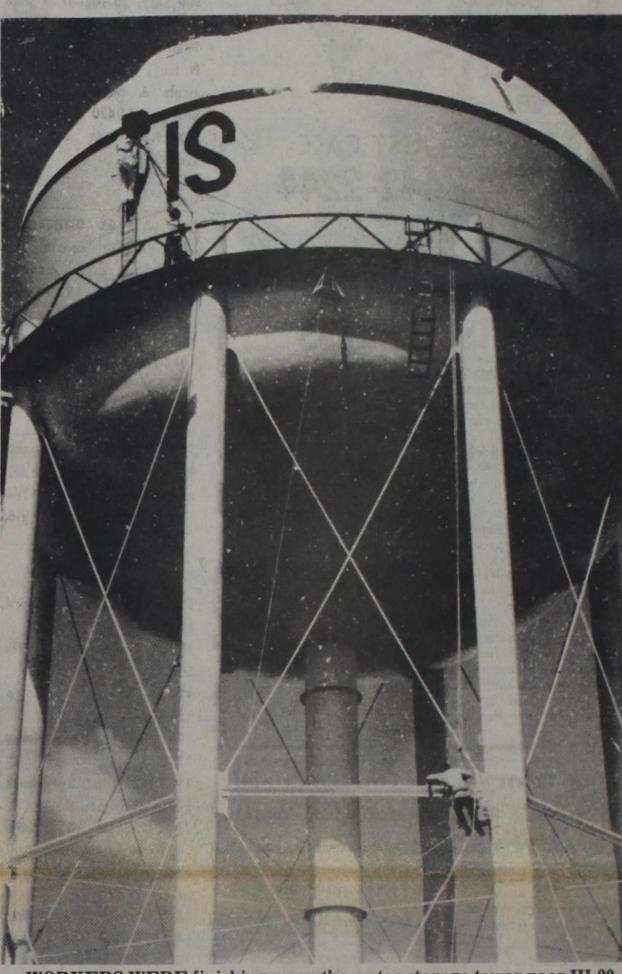

The first of the series of work parties was held recently when the exterior of the building was repainted along with considerable cleanup work on the interior.

#### Civic Planning Committee Sets **Meet Monday**

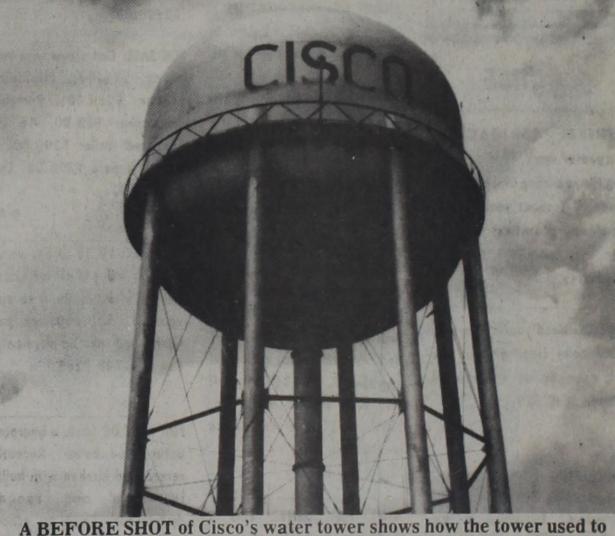

The Civic Planning Committee of the Cisco Chamber of Commerce is planning a meeting Monday, August 5, for all Civic Clubs. A representative of each organization in Cisco is invited to attend. Any president or leader of such a group is particularly urged to come.

The meeting will take place at 7 p.m. at Olney Savings. The goal of the committee is to promote a regular assembly of such a group, possibly on a quarterly basis. A number of projects can be worked on jointly and benefit the city and increase civic pride.

SORRY TO HEAR that Stuart McCoy has been transferred from Cisco's Munden's Discount Center to one in Snyder. Mr. McCoy had been the local manager since the day it opened in the latter part of 1984.

Dee Jackson has been named as Cisco's store manager and took over her position on Wednesday of this week. Mr. McCov's last day here was Tuesday.

We wish Mr. McCoy and Ms. Jackson the best of luck in their respective stores.

ROAD WORK was taking place on the highway to Lake Cisco on Monday as the state highway department retopped the pavement. They started the work just north of the railroad tracks which

cross Conrad Hilton Avenue. City of Cisco crews were busy Tuesday morning in front of the Post Office filling in spaces between the brick street and the cement gutters with asphalt.

THURSDAY MAKKS the first day of August and the beginning of public schools is one month away. Local high school football players will be issued their football shoes this weekend.

WE HAVE heard very favorable reports on the Youth Revival which was being held at Calvary Baptist Church Sunday night through Wednesday. It seems the youth really have enjoyed the speaker, David Crain, and they have been busy inviting a lot of their peers to attend at least one night of the services.

The service was open to all denominations and most local churches encouraged their youth to attend.

CABLE TV crews are busy in Cisco getting new cables put up and generally renewing the entire cable system throughout the city. When the crews are finished (plans call for mid-September) Cisco cable customers will be receiving a number of additional channels on their

televisions. When the cable rebuild is completed and the new channels on the air, be sure and check your local newspapers new cable guide for the listings of the new channels, along with the old channels.

THE CHEERLEADERS from Cisco High School in Cisco, Texas were among approximately 225 participants in the 1985 Big Country Cheerleader Camp held on the campus of Hardin-Simmons University in Abilene June 17-21.

The five day camp was conducted by Southwest Camps of Cisco, with Mr. Eris Ritchie as camp director. Instructional staff and program

were supplied by the National Cheerleaders Association. The cheerleaders were taught new cheers, stunts, chants, and spirit ideas from a seven-member NCA staff headed up by Joni Miller, a professional cheerleading instructor from the NCA's national headquarters

in Dallas. The June 17-21 session of the camp was the second of two sessions, with the first being held June 10-14.

Pictured in the photograph are (left to right) Denise Bell, Cindy Choate, Lori Justice and head cheerleader Aki Kleiner. While there at camp they received three Superiors and 1 excellent ribbons. They also received the spirit stick on Wednesday and again on Friday to bring home and present to the school.

#### Drive-In Band Camp Set For August 5th

The annual Cisco Junior College "Drive-In Band Camp" will be held in the Fine Arts Building during the first full week of August.

Classes to be offered during the camp are as follows: rhythm, theory, section rehearsals, band rehearsals; along with some recreation each day. A stage band class is possible if enough students are interested.

The drive-in camp is open to any student with at least one year band experience, and any student through the 12th grade is welcome to attend.

Classes will begin at 9:00 a.m. each day, and will conclude at 3:45 p.m. Lunch will be furnished at the college cafeteria, and the camp will conclude with a cook-out at the city park on Friday afternoon, August 9th.

A fee of \$35.00 per student will be charged for the camp, and this will include all activities and meals.

Instructors for the camp will be area band directors, and Tim Jones, C.J.C. band director, will also instruct and be in charge of the camp.

The purpose of the "Drive-In Band Camp" is to help students get prepared for the coming school year, and to get to know students from other communities.

Students should meet in the C.J.C. band hall on the second floor of the Fine Arts building at 9:00 a.m. on Monday, August 5, 1985. Registration will take place at that time, and a full ay of instruction will follow.

### Card Of **Thanks**

A letter received from O.P. (Bob) Bobbitt, of the Texas Department on Aging expresses appreciation to County Judge Scott Bailey for a speech during the D.O.A.'s 20th Anniversary celebration in Austin recent-

Bobbitt's letter said, in part: "Your presentation at the Texas Department on Aging's 20th Anniversary Celebration was excellent. Your concluding remarks created an atmosphere of camarderie among the celebrants.

"The first twenty years of the Governor's Committee on Aging and the Texas Department on Aging were exciting. We now look forward to future service through our aging network.

Josephine Cleveland left Monday for San Francisco to join S.K. and Nora Lam Sung and group for Christian service in Taiwan, Hong Kong, China, Manila and Hawaii. The team will conduct five crusades in the Taipei/Pan Chiao area, Taiwan. They will also minister in various demoninations, and visit the

Mountain Children;s Orphanage. Bibles in the

Chinese language will be given to the thousands of people who attend the

In Hong Kong the group will continue their evangelist efforts and prepare for their

visit into the mainland of China. They will travel by train through the New Territories of Free China to Can-

ton, China, a city of over one

From The People's Republic of China they will go to Manila where they will

conduct crusades meetings, minister in the leprosy col-

ony, and the New Bilibid Prison where Mrs.

Cleveland ministers each

year. The various members will also go in small groups

to various others ministeries, who request

A Special Note To Our Rural Readers

The old saying "An ounce of prevention is worth a pound of cure" is sure true when it comes to septic tank maintenance. Now there is a new chemical developed by Kleen-Aid Corporation that converts all waste to liquid! And it stops odors from starting, too. The new formula developed by Art Wald is 100% safe and could end

America's most successful rhythm and blues band, Kook & the Gang, will perform at Six Flags Over Texas Friday, August 2.

The groun's hit list began pumping out forever. Kleen-Aid is looking for someone to distribute their product here locally, but until then, you can write to Kleen-Aid, P.O. Box 682, Pomona, New York 10970. If you send them your phone number, as a service, they will discuss your septic tank problems with you over the phone with no obligation to buy their products.

Temperature gauge signaling "hot"? If the car isn't actually overheating, turn off your air conditioner and turn on the heater for a while. This may cool the engine sufficiently.

In a recent auto screening, 59.2 percent had tires that were underinflated, worn, uneven, or bald. How are yours?

Most children can fit in their car safety seats until they are 6 or 7. These are safer and more comfortable for the child than sitting in a regular seat with a seat belt-and they can see out, too.

Check any leaks under your car. If you see an oil leak from the engine, bring the car for service promptly.

Your car will last longer if you follow all the maintenance tips in the manual. owner's Remember that in-town driving is considered a "severe condition" that calls for extra-frequent fluid changes.

## Roy Smiths Attend **Booksellers Convention**

By Mrs. Roy Smith

We were very fortunate to get to attend the Christian Booksellers Association International Convention in Dallas, July 13 thru 18. It was held in the beautiful Convention Center,

We arrived in Dallas about 3 p.m. Saturday. We checked into our hotel where we had very nices rooms on the eleventh floor of the fabulous Sheraton Towers in downtown Dallas.

After settling into our new home for the next week, we went downstairs and flagged one of the shuttle buses furnished by Christian Booksellers Association. The bus took us to the Convention Center where we picked up our preregistered packets and looked the center over.

We found ourselves in the large Arena, where all of the action would be. About 7:30 the concert began with Doug Oldham as master of ceremonies. He led the audience in several choruses. He then introduced John and Patti Thompson. She sang several songs that her husband, John had written. Doug then intorduced a new comer, Debbie McClendon, who sang very good. The Florida Boys followed her with some good old time songs. Debbie Boone was next as the treat of the evening. Doug Closed the concert with two good numbers of his

The next thing of great interest was Sunday night. The concert began at 7 p.m. with the arena packed. The theme for this concert was "And then he said sing.' Bill Gaither was master of ceremonies for the evening. The Bill Gaither Trio performed six dynamic songs and then two for kids. Don Francisco sang three of his songs and then Joni Eareckson Tada performed three of her uplifting songs.

with "I Can See." Carmen perfomed next with his comical songs and did very good. The New formed for the crowd next., Green, Dino, Rebba Rambo "El Shaddai" was performed next by Amy Grant. Amy sang two others while her husban Gary Chapman played for her. He also sang two songs.

The highligh of this exciting evening was when "I've Just Seen Jesus" was performed by Sandi Patti.

Monday morning the Exhibit Hall opened at 9 a.m. with about 450 different exhibitors present. It certainly made an impression on these 2 first timers.

We walked and looked at as many of the exhibits as was humanly possible. There was no way we could cover all of the exhibit area in one day. The exhibits closed at 6:30 p.m.

The Autograph Parties and receptions began at 7 p.m. and were held in the Adolphus, Dallas Hilton, Fairmont, Hyatt Regency, and the Plaza of the Americas.

We could not possibly attend all of the parties and receptions so we chose one. We attended the ones at the Plaza of the Americas. Bension Company was the host for this partiy and reception. We were glad we had chosen this one because Larnelle Harris and Sandi Patti were there also. The men all heard Larnelle's testimony, while the women heard Sandi's. They then performed together for the entire group. We then took their pictures

and got their autographs

afterwards.

We then went to the Fairmont where we saw Ben Kincheloe of the 700 Club. We made pictures and got his autograph.

We then went to the Hyatt Regency to the Harrison House party. There we met Charles Capp, author of "God's Image of You", Beverly Capps Burgess, author of Little Castle Books, and Donna Pergugini, author of "You Can Do It Books". We took pictures, visited great lengths and got autographs of all these authors.

We decided not to attend the workshops being held the next day. So we decided that we would learn more by visiting the exhibits again. We again visited as many as we could in the one day.

Autograph parties were held at the same hotels every night. We attended the Harrison House party at the Hyat first on Tuesday night. There were several authors present again. Edwin Cole, Doyle Harrison, Lester Sumerall and Valeri Grant Sokolosky were there. More pictures were taken and autograph books from each author were received. We then went across the hall to see Marabelle Morgan author of the new book "Electric Woman". We also received an autograph copy

Wednesday noon we went to an Awards Luncheon where Minnie Pearl was the guest speaker. Lulu Roman Smith was the guest artist. We took several pictures

At 7:30 p.m. we went to the First Baptist Church, Dr. Criswell's church, to the premier of "The Scroll." This was very impressive.

On Thursday, the final day, we saw many authors in David Meece came on next , the personality booths. Dr. Charles Swindoll, Earl Paulk, Norvel Hayes and Pat Robertson were there. On the exhibit floor we saw Gaither Vocal Band per- many artists like Steve

and John Michael Talbott.

Thursday night at 7 we had the CBA Banquet. Master of Ceremonies was Gloria Morrell with Salley the Puppet. Our guest speaker was Dr. Charles Swindoll. Artist were Rich Foster. He played several numbers on the guitar. The Gaither Vocal Band sang two numbers and Bill Gaither sang one by himself. Lynelle Harris favored us with a solo. This ended one of the greatest weeks in the lives of Roy and Wanda Smith.

If you would like to hear more bout our trip, this wonderful week and see lots of pictures that were taken, we cordially invite you to visit us at the Greater Life Bible Bookstore at Shady Oaks Shopping Center, Highway 80 East in Eastland.

Amy McDonald - 1st Vice Chairman and Joey Newson - Chairman Dist. 8 4-H Council. representatives to Texas 4-H Council.

Amy McDonald of the Ranger "Trail Blazers" 4-H club was elected as 1985-86 Dist. 8 1st Vice President. She and the President Joey Newson will serve on State 4-H Council for one year. The council is a select group of 4-H'ers from around the state, only 32 are to represent thousands.

Amy is her name but leadership is her game. She is President of her club (72 members), Secretary for 1985-86 4-H Co. Council and presently elected as Chairman of the Jr. Leaders Association. Amy has received numerous honors: Gold Star 1984-85, Who's Who Among American High School Students, various awards with her projects in horse, sheep, leadership, clothing, food and more.

Amy will attend a workshop July 31-Aug. 3 at Trinidad, Texas. At this training she will meet the rest of the 1985-86 Council. She will strengthen her leadership, improve public speaking; public relations. Amy and other council

members will assist in conducting district and state 4-H activities. At the training council will elect state officers for 1985-86.

Amy is the daughter of Keith and Margret McDonald of Ranger. She will be entering her Sr. year at Ranger High School where she is an active student. We wish Amy a successful year and good luck at Trinidad.

Eastland County is starting a 4-H Natural Resource Project. This is a new project that is beginning to take hold around the state. It is already big back east, but we are just now realizing the benefits of it. This project is very general and can cover material from range and trees, to birds and deer. Information on hiking, camping, cooking, and wildlife observation will be covered. This is going to be a very fun

and active group. Two adult leaders have volunteered to help start the project: Bobby Little -Ranger, and Rocky Maynard - Eastland. This project is open to any and

everyone. It is a coeducational outdoor experience.

The first meeting will be this Friday, August 2, at 7:30 p.m. It will be at the park at chock-a-block on Lake Leon. We will have a hotdog roast with all the trimmings. A short program on Natural Resource will be given with a lot of good mingling. 4-H'ers, prospective 4-H'ers and parents are invited to attend. Tell a friend, it's going to be FUN!

This past week was a very busy week in Abilene. They played host to the 1985 State 4-H Horse Show. The show started with registration on Monday and the finals on Saturday. 4-H'ers from all over the State came to Abilene to compete together.

Eastland County was not to be left out this year. Miss Darcie Pope, daughter of Mr. and Mrs. Richard Pope of Rising Star, a member of the Stars of the Future 4-H club was our representative. Darcie competed in the cutting event and did an outstanding job. She ended up 12th in the state in cutting at the State 4-H Horse Show. Darcie has been working very hard this year and is an outstanding 4-H member.

Congratulations goes out to Darcie for representing Eastland County on the State

#### **Drug Charges** Filed Against Gorman Man

A Gorman man was released from Eastland County Jail on \$10,000 bond Wednesday just hours after officials arrested him and confiscated "a bunch" of illegal drugs, authorities said. Possession of a controlled substance charges are expected to be filed Thursday morning against the man who gave three ages - 52, 49

or 48 years old. The suspect was arrested at his Gorman residence shortly after 1 p.m. and official found "a bunch" of dilaudid tablets, an Eastland County Sheriff's Department

spokesman said. The arrest came after a long investigation by the sheriff's department and Gorman Police. The investigation is continuing.

There have been many calls to the County Extension office recently concerning trees with yellow or brown leaves. I have looked at many of these trees to try to determine the problems.

It seems that 1985 is the year when we have finally had, at long last, some moisture and in conjunction with this moisture, many trees appear to turn yellow or brown. This yellowing falls into more than one category. One could be called "man-made;" another is caused by weather conditions; and a third cause is plant pathogens or diseases.

The symptoms for manmade problems are not different than the others. Many times these yellow trees start with a slow loss of color, the veins may stay green and at times a half-leaf symptom shows up. By this, I mean half the leaf will die and the other half will remain alive. In many cases a marginal burn is seen all the way around the leaves. Sometimes the burn will extend inward between the veins, leaving the veins green and in many cases the

bark is loose on the tree.

Damage from herbicides (weed or grass killers) is one of the man-made problems. Herbicide damage may be more severe during wet weather. As will be remembered, the last 4 or 5 years have been extremely dry and the herbicides that were put out pretty well stayed put and have controlled the vegetation within a few feet of where they were put on. However, the winer of 1984 and spring of 1985 brought a lot of rainfall and these herbicides tended to move with the soil moisture.

have been previously discussed. There is not a great deal

that can be done about herbicide damage other than preventing it. Some work has been done by plant pathologists using charcoal to treat this treated areas. Helena Chemical Company sells activated charcoal in about 30 pound bags. Some progress has been made by applying one pound of charcoal per square foot and tilling it into the soil. The charcoal absorbs some of the chemicals making them less available. With severe problems it has been recommended the removal of contaminated soil with a frontend loader and bring in new soil. This may cost more than one wants to spend, but it is an alternative.

Natural gas leaks will cause symptoms very similar to herbicide injury. Yellowed leaves, green veins and sometimes marginal burns appear.

Sewer and waterline leaks will do the same thing. Both sewer gas and sewer water leaks tend to force the available oxygen out of the soil and in so doing killing

#### WORD of GOD

And there shall come forth a rod out of the stem of Jesse, and Branch shall grow out of his roots:

temperatures have been extremely cold and we have seen a great deal of freeze injury to trees which in many cases has killed the cambium layer immediately beneath the bark. This has been especially true on Live Oak trees. The dead cambium layer allows the bark to slough off. If this injury is severe enough, it will cause severe thinning and yellowing of the foliage because it simply doesn't have enough transport tissue to move solutes from the roots up to

the foliage. And the Spirit of the Lord shall rest upon him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of the Lord;

# Putnam

By Mrs. R.B. Taylor'

The Putnam Country as well as all the Big Country has really been blessed this week with the wonderful rains we have received. Here, we have registered over four inches. We hear that our sister city of Baird has had over eight inches! All local tanks are full of water and I'm sure that the area lakes have recieved substantial runoffs. Everything is so pretty and green, and the temperatures is also wonderful. It has not been above 90 degrees all week! Haven't even had to turn on the air conditioner!

We are sorry that Judy Maxwells mother, Dorothy LaFlore of Cisco Nursing Home has been very ill this week. Judy and other members of her family have spent a lot of time with her.

Mrs. Bill (Neely) Clinton of Cisco had breakfast with Mrs. R.B. Taylor and Laverne Rutherford last Sat. morning.

L.A. and Omega Vernard of Mesquite, spent last weekend with Bill and Marie Lewis and Bill's mother, Mrs. Sadie Lewis of Ohio. Also visiting Sunday were their son, Buddie Maxwell and Ruth, also Marie's sister, Kazie Heslip of Abilene and their daughter, Cathy and daughter Ashley of Clyde. Bill and Marie will be spending next week at Dallas where they will work.

It was a great pleasure to meet Mary Ruth Armstrong at church at Baird last Sunday. Mary Ruth is the daughter of the late Mr. and Mrs. John Shrader of the Scranton Community. She grew up there and married Roy Armstrong who was a teacher in the school. They went to Irian where they both taught for many years. After his death she retired and has bought a home at

We are proud that Bert Robinson made the All Star Big Country East team at Baird. They will be playing in the finals at San Angelo. Rusty Robingson attended a convention of the FFA at Houston last week. He is VP of the Baird FFA.

# Spotlights and Sidelights by Julia Worthy

CHILD ABUSE ...AS WE WERE SAYING...

By Julia Worthy This matter of child abuse needs all the light that it can get thrown on it.

Yet where there is light, there usually is shadow. Where there is accuracy, there can be error, and unfortunately, mankind is all too apt when it comes to making mistakes.

Child abuse comes in many guises; no one approves of it-not even those guilty of it. The stigma of such an accusation, proved or not, lingers like that of the man asked, "Have you stopped beating your wife?"

How does one arrive at a decision on whether a child needs intervention in his life from outside the family?

There are guidelines to help recognize a problem as well as instruct what to do fter recognition of such.

Eastland County has a Child Welfare Board, organized in July of 1981, and operating within the framework of the Texas Department of Human Resources. Presently serving on this board are Christine Reich, chairperson, Cisco; Kenn Norris, Carbon; Connie Watson, Gorman; Durel Reid, Eastland; Downs Seaberry. Eastland; Bruce Goleman, Ranger; and Danny Hughes. Rising Star.

Child Welfare Boards were authorized in 1932 by state

legislation, and state responsibility for child welfare was included in the functions of the Department of Public Welfare when it was created in 1939.

The Department of Public Welfare became the Texas Department of Human Resources in 1977, and it contained the responsibilities of the DPW.

The county Child Welfare Board represents the community in developing child welfare and protective services. Eastland County's Commissioners' Court is comprised of Judge Scott Bailey, Richard Robinson (1), Jack Blackwell (2), L.T. Owen (3), and Clarence B. Dill (4).

The court appoints members to the Child Welfare Board, basing choices on leadership qualities and concern for children. The Board is first established by the Commissioners' Court through a contract with the Texas Department of Human Resources. Federal, state and local funds are available for use by the board, and its legal base is spelled out in the contract with the TDHR.

There is a specific structure, a framework, for this board's work. It must use this format for useful function. There is a local DHR child welfare unit which the board works as well as with the Commissioners' Court.

Eastland

Their viability is increased in direct proportion to the positive activity of the child welfare board.

A functional and productive board, working within its limitations, not only maintains good established relationships, it promotes to the public a wider understanding and acceptance of its purposes.

As people may not recognize child abuse when they see it nor know what to do if they are aware of it, one of the Child Welfare Board's responsibilities is to provide such knowledge and offer the means for public cooperation through many activities involving individuals and other groups such as school and hospital boards.

Policies board members help develop include how expenditures are to be made for the foster care program, the implementation of the DHR programs, the use of local funds and the means of

raising local funds. In the materials from the TDHR there are six typed pages (two of them singlespaced) of information about Child Welfare Boards: what they are, what they can, should and might do. This, remember, is a volunteer matter, but the "job description" probably would scare away a paid worker.

Every activity mentioned has merit. There is not one I should say to leave out, though there are some I feel more gung-ho about than I do about others.

From your County Child Welfare Board you can find out how and where to report suspected child abuse if you don't want to call the local DHR offices at 629-1772. Board members are pledged to observe the strictest confidence about such information, are DHR workers. But if the time isn't right to call the local office and you don't want to contact one of the Board members, there is a toll-free, 24-hour hotline number: 1-800-252-5400.

Use that number if you need to.

#### **EASTLAND**

Eastland's newest home building corporation is nearing completion of its first project - a home located at 19 Ridge Lane in the Oakhollow addition southwest of the city. Owners of the Corporation, Heritage Homes, are Cathi Ball and Bill Dolen. The first house is 1,950 sq. ft. and is country victorian in design. The brick is used Chicago slum brick, and the entry features wood floors and oval leaded beveled glass door. The gingerbread trim on the porch is all handmade in Fredericksburg, Texas. This home, with its many distinctive features, will soon be featured in an Open House.

A new Greenlight Auto Supply Store will open soon next to Mangum Service Center on Highway 80 East. Robert Mangum is the owner, and the store will be managed by Mack Walker. A large inventory of parts and accessories will be offered, as well as competitive prices. August is the target date for the opening.

All motorists in the "Mircle Mile" on Highway 80 east of Eastland need to be especially careful of roadwork in the area. The Texas Highway Department has begun a major sealcoating project on East Main, beginning with the two center lanes. Late in the week the two outside lanes will be rebuilt. Some parts of the road will be closed all week, so drive slowly.

The summer reading program called "Awesome Adventures" at Eastland Memorial Library concluded a very successful series on Monday, July 29. On this last day the children took a trip to the Eastland Airport, then stopped back by McDonald's for refreshments. All the children were happy and excited about the trip.

The Ranger Chamber of Commerce welcomes two new members - Boom Town Real Estate and Crosswinds Restaurant. Boom Town Real Estate is located on Highway 80 East at Grice's House of Color, and is owned and operated by Del Cozart. The Crosswind Restaurant, located at Interstate 20 next to the Crosswind Motel, is open under new management. Virgil Whittington, the new proprietor, invites everyone to come out and try the good food.

#### GORMAN

The total of the Ted Underwood Benefit Fund has hit the \$7800 mark, and more is coming in. A special program and Barbeque was held at Frank Gray park under the sponsorship of the Lion's Club and Firemen. More than 500 plates of Barbeque were served at the Park, carried out as take-out plates, or delivered to the homes of shut-ins by the youth of the town.

Bill Clark has been named Artist of the Month at First National Bank, and his paintings are on display there now. Visitors are invited to stop by and view this art work while you have the opportunity.

#### CISCO

Lake Cisco has gained a foot of water during the recent rains. More than six inches fell in the city and Lake area, and at the headwaters of Battle Creek. The area to the south and southwest, however, continued to miss out. Scranton has received only three-tenths of an inch, and the Romeny area four-tenths.

The contractor installing the water distribution system is repairing 32 broken valves throughout the city. There will be some inconveniece to the citizens, as the water will be turned off periodically. Completion of the project is expected to furnish better water distribution for the entire city.

The Cisco Service Club has plans for several projects for the city, including a Halloween Carnival, and books for the Library. A Bake Sale to raise funds will be held at the First National Bank on Friday, Aug. 2, beginning at 9 a.m. Come out and buy some of these items for your weekend meals.

A Landscape Painting Workshop will be taught by Sue Mullinax, CJC Art Instructor, for two weeks, beginning Monday, August 5. The classes will be held Monday, Tuesday and Thursdays from 6 p.m. to 9 p.m. at the Holland's One Stop at I-20 and Highway 80 in Eastland. Cost of the Workshop will be \$50 for six painting sessions, and the class will be limited to 10 students. Call 629-3671 or 653-2384 for enrollment or more information.

MOST MORNINGS on in a Guys and Dolls Tournaweek days a group of men, four to eight usually, gather for a 20-minute coffee session. Often they discuss national or state wide topics in

the news or of interest. The group decided last Monday that Mr. Kent Hance, who recently switched from Democrat to Republican and who is threatening to run for Governor of Texas, might do well to run for lieutenant governor next year, leaving the top post open to Mr. Bill Clements, former governor who has announced that he will run again.

The local group likes both Clements and Hance. They feel that Clements will very probably be elected and they don't want to lose Hance. He would be a natural to succeed Clements after a second term for the Dallas man in the state's top office.

Some days the group throws out real weighty problems-things like the national debt, the situation in Nicarugua or maybe the latest developments in Russia. In any event, the discussions are interesting.

City Judge Doug Fry is sort of chairman of the group.

MR. RUDOLPH Schaefer, the old-timer, tells us that the Cisco Gun Club is getting organized to sponsor a picture slide show by his son, Joe Edward, who returned recently from a hunting trip to South Africa with 13 big game heads for mounting and 71 rolls of color film slides.

The event will be held at the Corral Room on Saturday night, Aug. 10. Put it on your calendar and be alert for the official announcement and complete informa-

MR. SCHAEFER, by the way, has just about gotten back to normal after being bitten by something recently. A J.V. Heyser crew cut and put his hay crop in rows. After allowing it to cure and dry for a few days, Mr. Schaefer went out to see if the hay was ready for bail-

Kicking hay from the botton of the piles to determine dryness, he felt something hit his shin. Blood came out freely, leading Mr. Schaefer to believe that some kind of reodent or animal bit him instead of a snake. In any event, he began feeling ill within 15 to 20 minutes and his legs started to swell.

Mr. Schaefer went to see his doctor and treatments began. It was a couple of weeks or so before he began feeling reasonably normal again.

YOU CAN WAVE goodbye to Don and Jean Kelso for they're leaving Friday for Crosbyton where they will work in the school system this coming school year. Don will be a football coach and Jean will teach the third grade.

The Kelsos have lived here a couple of years. He has been working for Stovall Roustabouts.

Don grew up in this region and finished college at Howard Payne. He went to Houston and played pro football with the Oilers. After a few years, he went to Mc-Camey to coach for a couple of years and then tried out with the LA Rams before coming to Cisco. Good luck!

"EVERYBODY HAD aged except us." That's the word from Mrs. Manning Davis after she and Mr. MD attended his 30th high school reunion at Corsicana last weekend. They met while students at Navarro Junior College. It was a delightful weekend, she reports.

Mrs. Davis, by the way, is back on the job as business manager and secretary to the superintendent at Cisco High School. She underwent surgery about a month ago.

ONE CISCO COUPLE -Dorothy Farnsworth and Ralph Glenn - brought home some bacon from Lone Cedar Country Club last weekend. They won second place in the Guys and Dolls

Tournament there. George Owens and Evelyn Daniels played in the 1st flight, Pat Owens and son Tracy played in the 2nd flight, and Robbie and Flo Robinson were in the third

flight. No bacon. Some of the group will be

at Stephenville. VISITING IN Cisco last weekend were Mrs. Bob Thornton and daughter Jenifer and son Matt and her mother, Mrs. R.L. Slaughter, of Dallas. Mrs. RLS, formerly of here, also visited relatives in Ranger, and Mrs. BT (the former Judy Kay Slaughter) visited

ment this coming weekend

in Abilene with her attorney husband's folks. The group had been to Vail, Colorado, where they enjoyed cool weather and a bit of vacationing. Mrs. BT's children are ages 10 and 6.

THREE CISCO Junior College football coaches were in Houston this week attending the annual Texas High school Coaches Association convention. They are: Rick Frazier, Chuck Lawrence and Randy Hodges... Coach Doyle Walker and his CHS Lobo staff were there, too ... Mrs. Betty Griffin of Big D visited last weekend in the home of her mother, the Tommy Tolands... Police Chief Billy Rains was a business visitor in Austin on

CITY MANAGER Mike Moore was in Austin last Thursday and Friday attending the 5th and final session of a tax school. In a month or so, he will return to take a test over the five courses he studied. A passing grade will earn him a certificate as a certified tax collector, and every tax collecting agency is required to have a person with such a diploma.

Next year, the city manager expects to enroll Mrs. Beth Prickett of City Hall staff in the course... Understand Mr. Steve Thomas of the Eastland County Tax Appraisal Office also has been taking the

**NEWS FROM Uganda last** weekend caused concern in our area for local folks working there as Baptist missionaries. The Rev. Harry Garvin, you know, is a missionary in Uganda and his wife Doris and several children are with him.

The Rev. and Mrs. Jim Hooten, formerly of Eastland and Cisco, went there six months or so ago to work as missionaries. And the Rev. Ronnie Bostick, who grew up in Cisco, runs a mission school in Kenya, just across the border from Uganda.

The Garvin's daughter and family, the Rodney Burkmans, live on the Garvin place south of Cisco. They were reported to be very concerned when the first news of the political upheaval came out.

Understand a representative of the Baptist Mission Board telephoned relatives of the missionaries last Friday night -a day or so before news of the overthrow of the Uganda government was published- to say that news could be expected but not to worry for the missionaries and their families were safe.

Work on the Garvin home west of Romney is nearing legal notices ..
