

# U. S. NAVY "NO ALLIANCES" ADMIRAL STATES

## Loboes Play Carbon Tonight in Cage Title Game

Through the Editor's Spectacles  
By GEORGE

The vote of the majority of the district executive committee which split the Oil Belt Class A grid line-up into two divisions for preliminary season play next fall was a bitter pill for the four larger western schools to swallow, according to reports of the session and to actions of some members of the western group following the meeting. The most unpalatable portion of the pill appears to be the fact that for once the smaller schools successfully revolted against their domination and decided to run things in accordance with the wishes of the majority and the interests of this majority.

The representative of one of the larger schools—and it was not Abilene—is reported to have offered to take on all comers after the session had closed, thereby introducing a new element into the squabble. One of the representatives of the smaller schools—and it wasn't Cisco representative—said he believed he would accept the invitation, but wiser counsel among his group averted the spectacle and reduced the incident to laughter, which is about the best solvent for some sorts of trouble that I know about.

The western group, it is reported, angled with dubious diplomacy and a common brand of flattery for converts to their cause, but this failed. An Abilene columnist Sunday morning mourned over the fate of Breckenridge, picturing the Buckaroos as a giant suspended in nothingness, deprived of the opportunity of playing such equals as Abilene, San Angelo, et cetera, and reduced to the unenviable role of "toying around with the weakest Class A competition that the state has to offer" while other strong schools of the district were enjoying creditable and profitable competition.

The comment obviously was inspired by a design to dissatisfy the Buckaroos with their lot in the division.

The situation, as it affected Breckenridge, was made more unhappy because of the peevish reaction of the western group in voting not to give any eastern team a place on their schedules in non-conference play. Breckenridge, however, is needed just as badly by some of the western schools as they are needed by Breckenridge, and, moreover, in the eastern division the Buckaroos have a better chance for playing in the title game than they would have in playing an undivided schedule. The western schools explained their aversion to playing eastern teams in non-conference games by reason of the possibility that the winner of the western division would be required to play an eastern team twice in the season to determine the final championship.

The virtue of consistency, however, was completely soiled by the action of the western teams, following the split, in scheduling two games with each conference foe, thus doubling the round robin in their territory.

This consistency was further violated by a move to angle for Cisco's inclusion in the western group on the grounds that Cisco was a school with a larger high school enrollment than 500 and has prospects of a strong team next fall.

**RETURN TO HOMES**  
Mmes. Tom Halloway, G. S. Kunkel, Will Haynes and Rural Smith and daughter, Glenda Joyce, of McLean, who have been visiting Mr. and Mrs. Kunkel, have returned to their homes.

### VICTORY WILL GIVE CISCO 5 COUNTY FLAG

Loss Would Place 2 Teams in Tie for the Championship

By CECIL EDWARDS  
A victory over the Carbon cagers this evening will give Cisco high school the Eastland county Class A championship, Coach Billy Cooper reported today. The two teams meet at 8 p. m. in the Ranger high school gymnasium in what is expected to be one of the best cage tilts of the season. If carbon defeats Cisco tonight, the same two teams meet the following night, probably at the same site, because the county standing will be thrown into a tie.

The game tonight is a result of a disputed battle between the two teams in a game played last week when Cisco carried off a one-point victory which was disputed when the time-keeper claimed that the game was over before Sherman, Cisco guard, shot the winning goal. The Cisco time-keeper, however, did not agree. The case was taken to the district executive committee and it was decided that the two teams should play again.

**Real Battle Expected**  
Cisco holds a two-point victory over Carbon in a game played several weeks ago in the Cisco gym. This thriller, together with the close disputed contest, strengthening indications that the game tonight will be a good one. The two quints have established themselves as the leading cage squads of this section and they have provided the most entertainment for basketball fans when they have met this season.

Carbon, lead by Greer, small guard that seems to be the mainstay of his team, will be plenty hard to handle, knowing that the county championship will be lost if they lose the game this evening. They, on the other hand, will run into lots of trouble when they meet the snappy Cisco team. Led by Odell and Marcell Harrison, twin forwards, and sharp-shooting Gordon Sherman, Cisco has piled up an impressive record and they are planning to give Carbon trouble.

**Starting Lineup**  
Cooper said today that his starting lineup will consist of Odell and Marcell Harrison at forwards, Dunham at center, Gordon Sherman at guard, and either Coy Warren or Cullen Harrison at the other guard. Cullen has been nursing a leg injury which he received last football season. He was unable to play against Breckenridge last Friday night and it is now known whether he will be able to take part tonight or not. If Cisco wins the championship tonight they will look forward to the district meet to be held in Breckenridge Friday and Saturday, February 18 and 19.

The Loboes' record will be re-

(CONTINUED ON PAGE FOUR)

### Mrs. Hahn Loses Appeal from Chair

CINCINNATI, Ohio, Feb. 7 (AP)—Mrs. Anna Marie Hahn, convicted poison slayer, lost her fight in the Ohio court of appeals today to escape death in the electric chair. The court held that she had a fair trial.

She was convicted of poisoning Jacob Wagner, one of four elderly acquaintances to die in what the state contended was a scheme to "murder for profit."

A. D. Purvis of Burckett was a business visitor here Saturday.

### A Good Pair to Draw To

Hans Wagner shows Babe Ruth the hands that helped make him baseball's all-time shortstop. The Flying Dutchman and the former home run king cut up old touches at the baseball writers' dinner in New York.

### Allred Renews His Land Lease Fight

#### Houston Chosen by Band Ass'n for Convention

FORT WORTH, Feb. 7 (Sp)—Houston was chosen as the convention city for 1938 and new officers were elected at the closing session of the annual two-day Texas High School Band and Orchestra association convention at William James Junior high school yesterday afternoon.

The approximately 300 directors present named Ward G. Brandsteter, director of instrumental music in the Palestine public school system, president; Russell Schrader, Sweetwater, secretary; Weldon Covington, Austin, treasurer; Rudolph Willmann, Seguin, chaplain, and Otto Zoller, San Antonio, sergeant-at-arms.

The four vice presidents are the presidents of the four divisions in the state. Elected yesterday, they are C. R. Hackney, Huntsville, eastern; J. Richard Walker, Borger, northern; Sam Ezell, Taft, southern, and Charles S. Eskridge, Wink, western. Ezell and Eskridge were re-elected.

Final session of the educational clinic conducted jointly for about 700 Texas high school band and orchestra players was conducted in midafternoon with two-hour music study period, in which two orchestra, organized after the students arrived, played. The musicians convened at Polytechnic high school, the old Polytechnic high school and William James, Loyd Rietz, Weslaco, retiring president, stated that the convention was the best attended and best organized of any ever held by the association.

The delegates named Houston for the meeting next February, after considering bids from Abilene, Waco, Longview and San Antonio.

**Divisional Officers**  
Other divisional officers chosen are: Eastern, E. V. Adams, Bryan, vice president; Lyle Skinner, Waco, re-elected as secretary-treasurer; George Royster, Dallas, sergeant-at-arms, and Francis Cox, Cameron, contest chairman.

Western Clyde Rowe, Slaton, vice president; ROBERT MADDOX, Cisco, secretary-treasurer, and Homer Anderson San Angelo, contest chairman.

AUSTIN, Feb. 7 (AP)—Governor Allred renewed his attacks on the land leasing policies of Land Commissioner W. H. McDonald today with the request to Attorney General McCraw that a suit to cancel lease of a tract of public land in Nueces county leased by McDonald be instituted.

The governor said that a tract of 62 acres was leased January 18, 1937, to Herbert Mallinson, of Dallas, for \$310 and three sixteenths royalty if oil were produced. The governor said that no well had been drilled.

#### Cisco Masons Attend Dodson Funeral

Roy Wilson, Frank P. Yarger, George Lamar, J. M. Witten, H. T. Huffman and S. R. Wood, Cisco Masons, attended the funeral of Dr. B. W. Dodson in Abilene Sunday. Mr. Huffman and Mr. Wood served on the Knights Templar escort of honor, while the others were honorary pall bearers. Dr. Dodson, who was given a Masonic funeral, was a Mason of long standing and a member of the Cisco Commandery of the Knights Templar at the time of his death. The dean of the Bible department of McMurry college at Abilene, Dr. Dodson once served as pastor of the First Methodist church of Cisco.

#### Five Inch Being Cemented in Donovan Well

Drilling in of the Hickok No. 1 Donovan, Ellenberger well eight miles northwest of Cisco and a mile and a half southeast of the Hickok Van Parmer discovery well, will be delayed to about the end of the week. A crevice which made it impossible to get a seal with six-inch necessitated running 5-inch casing, which was being cemented this afternoon.

Total depth of the well is 4,250 feet, with the drill about three feet in the top of the Ellenberger.

**TO MANAGE OILERS**  
HENDERSON, Feb. 7 (AP)—Erma Hall, veteran western league outfielder, today signed up to manage the Henderson Oilers of the East Texas League.

### MITCHAM SALE TUESDAY MAIN CATTLE EVENT

Hundreds of Buyers Expected to Attend Initial Auction

An event of major importance in the livestock industry here will occur tomorrow when the Mitcham and Son ranch will hold its annual auction sale of Hereford foundation stock.

The auction will be held at the old Qualls ranch, recently acquired by Mitcham and Son and on which G. P. Mitcham, Sr., and G. P. Mitcham, Jr., owners of the ranch, have built a modern plant, including a large show barn with auction ring and auditorium.

Interest in the forthcoming sale has been international, judging from the requests for catalogues which have come not only from 47 states of the United States but from Canada and old Mexico. Given fair weather, now in prospect, it was anticipated that several hundred prospective buyers will attend the auction.

Twenty-eight bulls and 26 females will be offered for sale when Earl Gartin, auctioneer lifts his hammer shortly afternoon tomorrow.

Some of the best blooded stock in the south will be included in the list. Chief sire of the Mitcham herd is a \$4,100 bull, Don Axtell 39th, a grand champion male.

A barbecue at noon will precede the auction.

In the event of bad weather arrangements have been made for the M-K-T railroad to stop its 11 a. m. train from Cisco at the ranch and for the 4:20 train returning toward Cisco to stop there also, so that buyers may go and come from the site of the sale by railroad.

### Townsend Loses His Appeal From Contempt Decree

WASHINGTON, Feb. 7 (AP)—The District of Columbia court of appeals affirmed today the conviction last March of Doctor Francis Townsend on the charge of contempt of the house.

Unless the supreme court consents to review the case, the old age pension advocate must serve a 30 day jail sentence and pay a \$100 fine imposed by the district court.

The citation resulted when Townsend walked from the committee hearing on his plan for old age pensions.

#### Early Enactment of Farm Bill Demanded

WASHINGTON, Feb. 7 (AP)—The new crop control bill will come up in congress this week, under pressure from the agriculture department for early enactment, legislators said Sunday.

AAA officials have advised congressional leaders that the measure must be approved quickly if it is to be effective for this year's cotton crop.

Since the bill establishes new methods of allocating acreage, the AAA officials said, it will take some time to work out details. Planting time already is approaching in the cotton belt.

The compromise bill, worked out by a senate-house committee from the separate measures passed by the two bodies last fall, will be ready for house consideration Tuesday.

### "Little Business" in Washington

Here is the advance guard of a thousand small business men arriving in Washington for the two-day conference with President Roosevelt. The conferees traveled to the capital from 45 states to discuss their problems with the chief executive and recommend a federal aid program. The above group is from New York.

### Dinner Honoring Cattlemen Tuesday

Arrangements for the dinner honoring Cisco cattlemen and visiting cattlemen on the Laguna roof garden tomorrow evening are rapidly being completed by the Cisco chamber of commerce. Tickets will sell at 60 cents each and these will be on sale this afternoon.

The dinner will follow the first annual Hereford auction at the Mitcham and Son ranch, 12 miles northwest of Cisco, and among the honor guests will be the auctioneers in charge of the sale and officials of the Hereford association, headquarters of which are at St. Louis, Mo.

Response to the announcement of the dinner has been extremely favorable, Sec'y J. E. Spencer of the chamber of commerce said today. A large attendance of Cisco business and professional men, who realize the importance of the cattle industry to Cisco, will be present, this response indicated. The dinner will begin at 7:30 o'clock.

### WCTOG Ass'n Directors Meet Here Wednesday

#### Rubber Magnate Dies in Florida

MIAMI BEACH, Florida, Feb. 7 (AP)—Harvey S. Firestone, rubber magnate of Akron, Ohio, died at his winter home here today.

An announcement of his death was made by his son, Russell, in the following statement:

"Harvey S. Firestone passed away in sleep this morning at his home here. The funeral will be held in Akron later this week."

Firestone was 69 years old. He had suffered from illness intermittently in recent years but his health was good when he arrived here December 20.

The cause of his death was coronary artery thrombosis. Firestone, a close friend of Henry Ford, is survived by his widow, a daughter and five sons.

### NAVAL CHIEF IN TESTIMONY FOR CONGRESS

Expects to Solve Its Problems Without Allies, Says

WASHINGTON, Feb. 7 (AP)—Admiral William Leahy, chief of naval operations, told the house naval committee today that the navy expects to solve its defense problems "without alliances" and has no "foreign commitments."

Asserting that he wished to clear up any misunderstanding that may arise from his previous assertions, Leahy said, "The navy has no thought of obtaining assistance from any other nation. It has no thought of giving assistance in the solution of the problems of any other nation."

#### JAPAN UNDECIDED UPON REPLY

TOKYO, Feb. 7 (AP)—Foreign Minister Koki Hirota said in parliament today that the government had reached no decision as to how it would reply to the formal requests from the United States and England concerning Japan's naval building program.

He said the foreign office was consulting with authorities on the matter.

The two powers—Japan's only naval superiors—in identical notes presented Saturday demanded Japan make known Feb. 20 any plans to build monster battleships exceeding the 35,000-ton limit set by the 1936 London naval treaty.

Japan's failure to give assurances she would adhere until Jan. 1, 1943, to terms of the treaty she previously refused to sign, the notes said, would force the United States and Great Britain to invoke clauses of the treaty permitting them to compete with any other power.

**Similar Note**  
France, the third signatory of the 1936 treaty, addressed a similar note to Japan.

Domei (Japanese news agency) said it understood the naval conference had been obliged to note with regret the moves of world powers toward arms expansion.

This naval race, Domei said, had been inspired by false information alleging Japan had vast plans for naval building.

In accordance with established policy, the agency reported, the conference decided Japan would not communicate to any power the substance of Japanese naval construction plans formulated either in the past or in the future.

Formal replies were expected to be sent to Washington and London before expiration of the Feb. 20 time limit. The replies will be made after necessary arrangements are concluded between the foreign and naval ministries.

The newspaper Yomiuri pointed out a reply must be made, as otherwise, Great Britain and the United States "may consider incorrectly Japan has embarked on a naval building program in excess of the limit of the London treaty, and on the basis of such interpretation, try to blame Japan for the future naval construction race."

#### Weather

East Texas: Partly cloudy tonight and Tuesday. Warmer in the northwest and north-central portions tonight.

West Texas: Partly cloudy tonight and Tuesday. Warmer in the north and east-central portions tonight.

THE CISCO DAILY PRESS And Cisco Daily News (Consolidated with Cisco Daily News and Cisco American and Round-Up, Nov. 1, 1937) Member of the Texas Press Association

**Red Cross Head Appeals for Funds to Aid Chinese**

EASTLAND, Feb. 7 (Sp.)—An appeal for funds to be used for the relief of millions of suffering men, women and children in China has been made by R. C. Kinnaid, chairman of the Eastland County Red Cross chapter, who announced that at the suggestion of President Roosevelt chapters throughout the country were joining in the appeal.

"In asking our community to assist in raising this fund," Kinnaid said, "there is little need to emphasize appalling conditions existing around Shanghai and other cities, inasmuch as newspapers, newsreels and radio have vividly pictured conditions that exist."

He said that this money would be allocated to relief agencies and hospitals already existing, and that a committee of American business men in China, appointed by the American ambassador, Nelson T. Johnson, would be formed to distribute the fund. No personnel will be sent from the United States.

In addition to the urgent need for food, shelter and warm clothing, one of the great needs of China at the present time is for medical assistance. Great danger exists that epidemics may break out, it was said.

Admiral Carey T. Grayson, national Red Cross chairman, said American officials in China had informed him that 650,000 sick and

homeless persons were crowding the International Settlement and Greater Shanghai at the present time, with many times that number scattered throughout coastal and interior cities, towns and villages that have been devastated.

The national chairman also pointed out that lack of adequate housing facilities for the homeless was aggravating the health problem, and that existing public shelters had long been overcrowded resulting in thousands of homeless being forced to huddle under straw matting shelters without sufficient protection from snows and cold rains sweeping over the country.

Alleys and doorways in the towns and cities were crowded with bewildered men, women and children, Americans on the scene reported, and since railway services had been disrupted there was no way to evacuate them to other areas.

An offer of assistance to the Japanese Red Cross was made last August by the International Red Cross committee at Geneva, but it had replied that they were able to care for their own needs.

"He gives doubly who gives

quickly. Leave subscriptions with the treasurer, Russell Hill, at the Eastland National bank," Kinnaid urged.

**Cisco Drilling Company Chartered**

A domestic charter has been awarded to the F. and M. Drilling company of Cisco, with a capital stock of \$9,000. Incorporators include L. A. Warren, J. C. Miles, and W. R. Francisco. The firm is planning exploitation of the Par-

mer field north of Cisco, according to an official statement.

A 3300-foot observation tower, accommodating more than 600 people at one time, will mark the center of the Scottish Empire Exhibition in Glasgow this summer.

Tom Bacon of Vernon visited friends and relatives here during the week-end.

The ribbon-like young eel is so transparent that print may be read through its body, according to Bureau of Fisheries experts.

The Department of Agriculture plans to divert surplus hops into fertilizer and mulch.

### Wet Precincts in Dry Counties Ruled Illegal

EASTLAND, Feb. 7 (Spc).—Elections for legalization of beer or wine in a justice precinct or in a town's corporate limits, which it is reported the objective of petitions assertedly being circulated, it is not possible in dry counties, according to information from Austin.

Commissioners' court was furnished a copy of an opinion from the attorney general's office sent Howard county officials. It was in the opinion sent Howard county officials that Eastland county officials believe that, likewise, beer or wine cannot be legalized in a precinct or town unless and until the county votes as a unit.

The opinion by the state office stated that no political subdivision may be wet in a dry county.

Authorities believed, however, that the county as a whole might vote on legalization of beer but not on a proposition for legalization of all alcoholic beverages.

Only recently the Eleventh Court of Civil Appeals ruled that an election last year on a proposal to prohibit sale of all alcoholic beverages was valid.

#### MRS. MAYHEW BETTER

Mrs. A. L. Mayhew who is critically ill with pneumonia, was reported this morning to be somewhat improved. Her daughters, Mmes. P. B. Glenn of Jacksonville, Leon Henderson of Roscoe and Lem Hinton of Fort Worth and their families are here at her bedside.

### REG CARRINGTON ASKS COMMANDER ELLSBERG:

# "Can you tell a Real Difference between Camels and other cigarettes?"

Copyright, 1938, R. J. Reynolds Tobacco Company, Winston-Salem, North Carolina

REG CARRINGTON: "I see you're a steady Camel smoker, Commander. There really isn't any difference in cigarettes, is there?"

COMMANDER ELLSBERG: "You're dead wrong, Reg. The life of a deep-sea diver is tough on a man. Most of the divers I know are steady Camel smokers, and they know there's a difference. Take my own case. I've smoked Camels for ten years. They never get on my nerves. Smoking Camels, I feel that I enjoy life more. Camel is the cigarette that agrees with me."

CLUB-ROOM CONVERSATION (above) so often swings around to cigarettes. Commander Ellsberg says: "That

famous saying, 'I'd walk a mile for a Camel!' expresses how enthusiastic I am about Camels myself."

PEOPLE DO APPRECIATE THE COSTLIER TOBACCOS IN CAMELS THEY ARE THE LARGEST-SELLING CIGARETTE IN AMERICA

#### CAMEL PAYS MILLIONS MORE FOR COSTLIER TOBACCOS!

Camels are a matchless blend of finer, MORE EXPENSIVE TOBACCOS—Turkish and Domestic.

ONE SMOKER TELLS ANOTHER

# Camels agree with me

"Yes—absolutely!" says Commander Edward Ellsberg. And millions of other steady smokers agree that there is a distinct difference in Camels. That's why Camels are the largest-selling cigarette in the world.

A MAN OF ACTION! (right) Commander Ellsberg shares under-sea danger with his men. He says: "The last thing a diver does before going down—and the first thing he does after coming up—is to smoke a Camel."

THE TORCH (left) invented by Ellsberg. Imagine the long, tiring hours of research he put in on this successful invention! He says: "When I feel tired—a Camel gives me a quick 'lift.'"

OF COURSE an Annapolis man likes to sail! (right) "Camels fit in with my leisure hours, too," Ellsberg says. "In all my years of smoking Camels, I've never known them to jangle my nerves. That means a lot—because I smoke a lot!"
